PIN HELP:

- If a PAPER application is submitted, PIN is MONTH & DAY OF BIRTH in a 4-digit format. (EX: May 17 = 0517)
- If an ONLINE application is submitted, you chose your own PIN.

Either way, if your PIN isn't working, RE-SET IT:

- Go to www.saddleback.edu and click on MySite at top right.
- Enter your student ID number.
- At the bottom right, click "Forgot my PIN."
- At the next prompt, enter your student ID number.
- Enter your new 4-digit PIN in the next three boxes.

If you get a "See Administrator" prompt that your PIN can't be re-set call Admissions Office (949) 582-4555.
We recommend you use your month and date of birth (MMDD) as your PIN so Emeritus Staff can remind you of it.
