

Saddleback College provides this opportunity for qualified K–12 students who wish to study in advanced-level instructional areas not offered at their present school. Students currently attending grades K-12 who are requesting permission to attend Saddleback College as special part-time students must complete this form each term prior to registration. This program is set up for educational enrichment rather than to reduce current course requirements of elementary or secondary schools. The college has the right to restrict enrollment for reasons of age, health and safety, preparedness of the student, availability and college policy. Please review the program policies below to ensure you have a successful experience at Saddleback College. (*References - California Education Code: Sections 48800-48802, 76001-76002 and 76300*)

***Policies and Requirements:***

1. Student must attend the minimum day at a public or private high school in California.
2. All students must complete the assessment testing, if they are enrolling in English, reading, math or a class requiring a pre-requisite of English or math. (See bottom of reverse side for more information about assessment testing.) Students are required to clear all course prerequisites at least two weeks prior to their registration date.
3. Students participating in this program will do so under the direction of their school principal. Home-schooled programs deemed eligible must meet one of the following criteria: 1) affiliation with a county department of education program, 2) must be taught by a person holding a California teaching credential, 3) must hold a current private school affidavit filed with the State Superintendent of Public Instruction. Proof of one of the above is required.
4. Most applicants who are accepted to Saddleback College will be allowed to enroll in any course for which they are recommended; however, recent changes in state law restrict participation in physical education courses. Students in this program may enroll for either day or extended day classes but are limited to no more than eleven (11) units per semester. The course instructor’s permission to enroll is required for K-8 students. Students in grades K-8 are limited to six (6) units per semester.
5. All Saddleback College students are responsible for complying with the rules and regulations of the college as published in the *Saddleback College Catalog* and schedule of classes.
6. Courses offered are at the college level and instructors will teach at that level. Students may be exposed to and involved in discussions of mature subjects.
7. Enrollment in this special admission program establishes a permanent college transcript with college credit. When approved by the school district, courses taken for college credit may also be used to meet high school graduation requirements.
8. This form must be submitted each semester while attending Saddleback College. Students will not be permitted to register or remain in classes if this form is not on file for the semester or session of attendance. Altered forms will not be accepted.
9. Students must act on their own behalf. Parents, guardians, relatives or friends of Saddleback College students are not permitted to enroll, drop, or add classes on behalf of the student. The same applies to requesting transcripts or grade verifications. Federal and state laws prohibit the release of a college record to anyone other than the student.
10. *The SOCCCD Board of Trustees has authorized the waiver of enrollment fees for students concurrently enrolled in high school (grades 9-12);* however, these students are responsible for paying nonresident tuition if classified as a nonresident. High school students are required to pay parking, course materials, tuition, and health fees. Students enrolled in grades K-8 are required to pay enrollment, tuition, and other required fees as appropriate.
11. Security should be of concern to parents, especially when K-12 students are attending classes after dark. Faculty are not expected to wait with students until their ride arrives. At times, classes may be dismissed early. Pay telephones are available on campus but may not be in close proximity to a student’s classroom.
12. Saddleback College will release academic records regarding concurrently enrolled students to the school district in which they are enrolled unless specifically directed by the student in writing.
13. Students are required to present a photo ID when completing in-person transactions at Saddleback College.
