ADVISEMENT INFORMATION FOR TRANSFER MAJORS

DIETETICS/NUTRITION AND FOOD ADMINISTRATION (CSULB, SDSU, UCD)

A major in Foods and Nutrition offers a comprehensive multidisciplinary study of the nature and quality of the food supply, and the nutritional requirements for health in people. This major is planned for students interested in qualifying professionally for diverse careers in the fields of dietetics, food service management, and food industries.

Listed below are Saddleback College (SC) courses that have been articulated with selected example universities, and represents lower-division preparation for the major. In addition, students are advised to complete General Education requirements prior to transfer.

Articulation agreements can change without notice at any point during your time at Saddleback College. Please refer to the college catalogs and websites of the transfer schools you are considering, as well as the state-wide articulation database for CSU and UC campuses, www.assist.org, for the most current information. Students are urged to contact a Saddleback College counselor to review this information on a regular basis.

THE FOLLOWING INFORMATION IS SUBJECT TO CHANGE WITHOUT NOTICE.

IMPORTANT: Transfer students may satisfy the English composition requirement by completing either two (2) courses emphasizing written expression **OR** one (1) course emphasizing written expression, and one (1) course emphasizing oral expression. Saddleback College courses that can be used are: ENG 1A, 25; and SP 1.

Refer to the UC Davis catalog, ASSIST at: www.assist.org, and the Nutrition Department website at <http://nutrition.ucdavis.edu/> for further information regarding this major.

NOTES:

- As each college/university has its own orientation to their Dietetics/Nutrition and Food Administration major, read the entire Dietetics/Nutrition and Food Administration major section in the catalog of each college/university to which you are considering transferring. Pay particular attention to the upper-division requirements.
- Contact each college/university that you are interested in. Ask them to send you information about their Dietetics/Nutrition and Food Administration program; selection criteria, GPA requirements, and other pertinent admissions information. Also, ask for information about their campus, services, housing, etc. Meet with college/university representatives when they visit Saddleback College.
- Visit each school to which you are considering transferring.
- Research careers related to your chosen major.
- For additional transfer information, consult Saddleback College's Transfer Student Home page: www.saddleback.edu/ss/tc/TRANSFERSTUDENTPAGE.html and ASSIST for CSU and UC campuses www.assist.org.
