ADVISEMENT INFORMATION FOR TRANSFER MAJORS

PSYCHOLOGY (CSUF, CSULB, CSUSM, SDSU, UCI, UCLA, UCSD, CHAPMAN UNIVERSITY)

Psychology is the scientific study of behavior and experience, and the factors that influence behavior and experience. It is a useful major providing a liberal arts background for students considering post-baccalaureate careers, in which an understanding of human behavior would be an asset. The Psychology major can also provide an excellent background for graduate education in psychology, law, government, public policy, business, and many health-related professions.

Listed below are Saddleback College (SC) courses that have been articulated with selected example universities, and represents lower-division preparation for the major. In addition, students are advised to complete General Education requirements prior to transfer.

When planning coursework, students are urged to contact a Saddleback College counselor, and refer to the college catalog and website(s) of the transfer campus, as well as the ASSIST state-wide articulation database as applicable for CSU and UC campuses: www.assist.org

THE FOLLOWING INFORMATION IS SUBJECT TO CHANGE WITHOUT NOTICE.

CSU FULLERTON

BACHELOR OF ARTS IN PSYCHOLOGY

Coursework counted toward the major must be completed with a grade of "C" (2.0) or higher. In addition, the overall GPA must be 2.0 and greater in all units attempted in psychology courses whether counted toward the major or not.

Lower-Division Requirements: MATH 10; PSYC 1, 2

Refer to the CSU Fullerton catalog, ASSIST at www.assist.org, and the Department of Psychology website at <http://psych.fullerton.edu> for further information regarding this major.

Updated 09/09/09

All of the following math courses: MATH 3A, 3B and 3C

Select one (1) introduction to computer programming course from: CS 1B, (4A **and** 4B), CS 1D

Select one (1) statistics course from: MATH 10; PSYC 2 [*This course must be taken for a letter grade.*]

Refer to the UC San Diego catalog, ASSIST at www.assist.org, the Psychology Department website at <http://www.psy.ucsd.edu/>, and the San Diego State University Transfer Admission Planner website at https://sunspot.sdsu.edu/pubred/!tap_disp for additional information regarding program requirements.

Update 09/08/09

CHAPMAN UNIVERSITY

BACHELOR OF ARTS IN PSYCHOLOGY

Lower-Division Preparation: MATH 10; PSYC 1, 2, 3

General Education and Common Requirements: Full CSU and IGETC certification completed prior to matriculation satisfied the following GE requirements:

- All Shared Inquiry (Artistic, Quantitative, Natural Science, Social, Values/Ethical, Written).
- Global Study and Citizenship/Community Service of the Global Citizen Cluster.

Remaining GE requirements are eligible to be met by coursework included within certification or completed additionally include:

- Foreign Language (200 level or higher)
- Inter/Multidisciplinary Study (lower division credit only, must be directly equivalent to CU course). See a Chapman representative for additional information.

Refer to the Chapman University catalog and the Department of Psychology website at www.chapman.edu/wcls/psych/ for further information regarding this program.

NOTES:

- As each college/university has its own orientation to their Psychology major, read the entire Psychology major section in the catalog of each college/university to which you are considering transferring. Pay particular attention to the upper-division requirements.
- Contact each college/university that you are interested in. Ask them to send you information about their Psychology program; selection criteria, GPA requirements, and other pertinent admissions information. Also, ask for information about their campus, services, housing, etc. Meet with college/university representatives when they visit Saddleback College.
- Visit each school to which you are considering transferring.
- Research careers related to your chosen major.
- For additional transfer information, consult Saddleback College's Transfer Student Home Page: www.saddleback.edu/ss/tc/TRANSFERSTUDENTPAGE.html, and ASSIST for CSU and UC campuses: www.assist.org
