

Saddleback College
Academic Senate Resolution
01.15.03
#AS-07-AY0203
On BP 4309

Whereas adoption of revised BP 4309 is in violation of California Education Code and SOCCCD BP2100.1, and the principles of good practice for excellence in the classroom by distracting faculty efforts from students.

Be it resolved that the Senate rejects the proposed policy revisions to BP4309 and rejects the creation of new BP 4309.1, 4309.2, 4309.3, 4309.4 for faculty duties and responsibilities.

Be it resolved that the Academic Senate requests early inclusion in the process of policy revision and in the creation of new board policies that affect academic and professional matters.

We further request and that the Chancellor work in tandem with the governance units from the initial phases of policy revision and development.
