

Saddleback College Academic Senate
RESOLUTION
9/28/2005

RESOLUTION FOR ADDITIONAL SUPPORT STAFF FOR INSTRUCTIONAL PROGRAMS AT SADDLEBACK COLLEGE

WHEREAS, our campus is moving toward a more high tech classroom environment and our available technical assistance has not increased and in fact has decreased due to reassignments and retirements, and

WHEREAS, instructional technology is continually changing and advancing, requiring information and training, and

WHEREAS, all faculty have received new computers and software applications that require service, and

WHEREAS, some college experts have been promoted to the district offices and have not been replaced, and

WHEREAS, we are receiving grants and are requesting persons to seek grant funding for the college that will require additional support, and

WHEREAS, most divisions have insufficient support staff positions, and

WHEREAS, the general consensus at the college is to have local rather than remote technical assistance,

BE IT RESOLVED, that the Academic Senate requests the hiring of additional staff for technical and general divisional support at Saddleback College.
