

## **PLEASE NOTE:**

The minuets for October 28<sup>th</sup>, 2010 is a corrupt document.

We have evidence from the document that does exist that proves this as well as information that was covered.

On January 20<sup>th</sup>, 2011 Senate approved the document as corrupt and by the evidence from the other agendas and minuets, it can be proven that only the code of ethics was covered that day and the “new business” items had been moved to the November 11<sup>th</sup>, 2010 meeting as “new business.”

(See Agenda and/or minuets for November 11<sup>th</sup>, 2010)

## October 28<sup>th</sup> Senate Minuets

The minuets for October 28<sup>th</sup> are corrupt and for the reason cannot be posted, however, fortunately all of the new business items were moved to the next agenda (see December 2<sup>nd</sup> Senate Agenda) as Senate did not get to them, and the only old business item discussed was the code of ethics.
