Public Comments

- Nathan-EOPS is cutting the bus pass program; in the fall semester they handed out 59 bus passes priced at \$150 each, they will be discontinuing this in the EOPS program specifically. Talked to the OCTA people to either get a discounted rate or a donation for the bus passes. Shooting for 100 passes so hopefully they will give us half of that number.

Officer Reports

Joseph- Sorry I haven't been coming to the last couple meetings, my work schedule changed, but I will be able to come from now on. Aaron is no longer our advisor so now Leslie and Juan will be taking over and coming to the rest of the meetings.

Juan- Chris Aporato will be taking on the scholarship form, Audra is on leave and we are trying to support her, and she is someone who is hard to replace but we are here to help and advise as best as we can.

Leslie- I do have some background of student development. Also, I was on ASG when I attended Saddleback, so hopefully I will be able to help you guys as much as possible, although I am still learning the procedures.

Scholarship Changes

Discussion/Action

- Look over changes made on scholarship form
- Total money given to continuing students is \$28,000
- Total money given to transferring students is \$14,000
- Total given to not applicable (not specified to transferring or continuing students) is \$15,000
- All division scholarships were put into one scholarship instead of many small ones
- This meeting today is to make sure everything on the new scholarship form is correct
- Total money used \$57,000
- Make criteria more specific in the description, for instance weighing the student spirit and leadership to be more important than the GPA in that scholarship. How the GPA says “3.0 minimum” make sure it’s known that the GPA is not the main part of said scholarship
- Make the description fully describe what the scholarship is asking for, clarify the description
- Is the LAP tutor for current LAP students or do previous students apply also?
- Best to look over it again and change from highest GPA to be more clear on what exactly we are asking for
- Changing saddleback transferring/continuing student to 3.5 min to the written statement more important than the highest GPA
- Change not applicable to not specified
- Make criteria more distinct
