The school association may designate an alternate delegate for each delegate by one of the following two mechanisms:
 - a) Selection and/or election by members of the school chapter according to chapter bylaws; or
 - b) Written authorization to the State Board of Directors requesting them to appoint a member of the State Board to act as a state-appointed alternate for their school chapter.
3. School chapters shall approve the appointment.
4. The State Board of Directors shall verify that any state appointed alternate is a member in good standing of the NSNA and the state association.
5. A school chapter must have a selected and/or elected delegate present at the NSNA Convention in order to have a state-appointed alternate seated in the House of Delegates.
6. All alternates, whether school selected or state-appointed, shall have the same privileges as an elected delegate when seated in the House.
7. The school association shall be entitled to delegates according to the number of members in good standing in NSNA. Delegates shall be computed on the basis of the number of members in each constituent as evidenced by the annual dues received by NSNA on a date eight weeks prior to the annual meeting.
