

Horticulture & Landscape Design

Fall Plant Sale

November – 19 and 20
Thursday and Friday
9:00 a.m. - 5:30 p.m.
At the Greenhouse

The Fall Plant Sale conducted by the *Horticulture and Landscape Design Department* at Saddleback College is a fundraiser for student Scholarships. We have beautiful hanging baskets, seasonal color, bowls, succulents, Madagascar palms, cannas, herbs and much more. Great quality and prices. Ask our repeat visitors!

Gates open at the *Greenhouse* across from the TAS Building at 9:00 a.m. each day of the Sale. Come early for the best selection! There is no pre-sale so everyone has an equal chance at finding what they want.

Our scholarships will be given at the end of the Spring semester. Last year we awarded \$7500 with your help.

Thank you for your past support! See you at the Plant Sale!

For More Information call the Advanced Technology and Applied Science
Division Office at (949) 582-4541.
