President's Message

Congratulations on choosing Saddleback College, where our number one priority is the success of all of our students. Whether you are a new student or well into your studies, you'll find that Saddleback College's outstanding education and training programs will help you fulfill your goals and aspirations.

Saddleback College's rigorous and stimulating academic curriculum is taught by a faculty renowned for its expertise and experience. Our students have access to over 300 degree and certificate programs to help them define and reach their educational, professional, and personal goals. For students seeking to transfer to a four-year college or university, our Transfer Center's success is known statewide and each year we transfer a record number of students to UCLA, USC, San Diego State University, CSU Fullerton, and Arizona State University, and many others across the nation. Our career/technical education programs combine classroom experience with on-the-job training to teach our students the practical skills they need to succeed in the job market.

Did you know that:

-Serving more than 2.5 million students annually, the California Community College system is the largest workforce training provider in the U.S.

-70 percent of nurses in California received their education from community colleges

-A student who graduates with an associate degree earns an average of \$1.6 million in his/her lifetime -- \$400,000 more than a student with a high school diploma

-Almost two-thirds of graduates of the California State University system and one-third of the University of California system transferred from a California Community College.

Since Saddleback College first opened its doors to students in 1968, more than half a million students have made us their first choice in higher education, and we're happy you have too. To find out about all of our academic programs, counseling services, and activities, please visit our website at www.saddleback.edu. We look forward to seeing you on campus and thank you for becoming a member of our Saddleback College family!

Go Gauchos!
