

Getting Started in Blackboard

1. Go to <http://socccd.blackboard.com/> (**Note:** You do not need to go through the Saddleback College website to access Blackboard, although the main Saddleback website has a link to it under the “Online Education” tab.)

2. Click **User Login**

3. Enter your **Username** (the first part of your Saddleback College email address; the part that comes before the @ sign only) and **Password** (usually the last four digits of your social security number plus two zeros by default). For example, perhaps your username is “jdoe18” and your password is “777700”.
4. Click on **PSYC 1 – INTRO TO PSYCH** under **My Courses**
5. Use the menus to the left to navigate the system.
