Monday	Tuesday	Wednesday	Thursday	Friday
2 – 4:30 pm		2 – 4:30 pm		

Text: Intermediate Algebra, 7th Edition, Aufmann, Barker, & Lockwood.

Prerequisite: Math 251 (Beginning Algebra).

Content & Objectives: We will cover chapters 1-10 and some of chapter 11. This course is a prerequisite for most of the transferable math courses offered at Saddleback College, including Math 7, 8, 9, 10, and 124.

Student Learning Outcomes: Students who successfully complete Math 253 will be able to:

1. demonstrate mastery of the computational skills necessary for them to succeed in a transfer-level math class.
2. demonstrate the critical thinking skills necessary to set up and solve word problems at the appropriate difficulty level.
3. demonstrate proficiency in graphing.

Additional Resources: Video cassette tapes are available in the audio visual section of the library, catalog number 3996H. In addition, free tutoring is available in the LAP (Learning Assistance Program) located in Village 8. A link to the LAP is located on my website.

Grading

Grades are determined on the number of points earned out of *600 possible*. There are four major categories for points. They are

- 1) Three tests (100 points each), see calendar for dates
- 2) Six quizzes (20 points each), see calendar for dates
- 3) Homework (50 points possible)
- 4) Final Exam (150 points), see calendar for date.

Your lowest quiz score will be dropped. The following scale then assigns letter grades:

A	B	C	Pass	D	No Pass	F	No Pass
90% or above	80% or above	68% or above		60% or above		Below 60%	
540 points	480 points	408 points		360 points		Less than 360	

Tests: There will be three tests, each worth 100 points. There is *no make-up tests allowed*. If you will miss a test, you must notify me no later than 24 hours after the test. Please see the calendar for dates.

Quizzes: There will be six quizzes, each worth 20 points. Since your lowest quiz score will be dropped, there is *no make-up quizzes allowed*.

Homework: Collected weekly at the beginning of class on Monday. Problems will come from the text and supplemental handouts. *No late homework is accepted*, and each assignment is worth 3 points. 1 point is for correctness, and 2 points are for completion. In addition, homework must be stapled with your first and last name, course title, and date clearly stated in the upper right hand corner of the front page. Homework not abiding by these standards will not be accepted.

Final Exam: The final exam is worth 150 points, and must be taken at the scheduled time. Please see the calendar for the date.

Policy

Calculators: A basic calculator is allowed on all homework, tests, and quizzes. Scientific or graphing calculators (such as a TI 30, 34, 83, 89, etc) are not allowed. You cannot use your cell phone as a calculator. Your best bet is to always bring your calculator to class, since you will be attempting practice problems throughout class.

Attendance: Attendance will be taken on a daily basis. A student who has excessive absences (6 hours or more) may be dropped from the class without their permission.

Academic Honesty: In academics as in all parts of life, honesty and authenticity of one's work is regarded as the underlying moral code. Thus, anyone caught cheating will be held fully responsible in accord with the rules set out by Saddleback College (see *Student's Rights and Responsibilities* in the Student Handbook). In addition, please see the Math, Science, and Engineering Division Policy on Academic Integrity (a link is available on my web page).

Special Accommodations: If you have a documented disability and need accommodations for this class, see me within the first two weeks of the semester. Also contact Special Services for assistance, located in the Student Service Center, SSC 113, 582-4885. I must receive all appropriate documentation before allowing you to proceed with accommodations. A link to special Services is located on my web page.

Important Dates:

- February 15, 2011, Last day to drop without a "W" grade,
- February 15 2011, Last day to switch grading to Pass/No Pass
- April 7, 2011, Last day to drop with a "W" grade.
