

SADDLEBACK COLLEGE

YOUR PATH TO THE TOP

New Recruits Game Plan

Have you completed the Matriculation process?

To complete the Matriculation process you will need to view the online orientation and pass the exit quiz, take assessment testing in English, Reading, and Math and attend a group advisement session. Contact the Matriculation Office at 949-582-4970 to make an appointment.

Have you met with an athletic counselor to make and educational plan?

This is crucial so you know what classes to take for transferring to the University of your choice. This must be done before the second season of competition

Find out ASAP whether or not you are a qualifier, partial qualifier, or a non-qualifier.

This will affect how long you need to stay at Saddleback College before transferring. Visit www.ncaaclearinghouse.net or see an athletic counselor for details.

Have you attended any other Colleges or Universities, even if nothing was completed?

Pick a general education pattern to follow.

There are multiple patterns, (Saddleback College, CSU GE, and IGETC) depending on your needs and following one early will assist you greatly in the transfer process. If you are undecided, the IGETC general education pattern is a good start as it qualifies for UC, CSU and even some private schools and Universities.

Pick a major!

It's important that you progress toward your Bachelors degree or a school won't accept you. Ex. You will not be able to major in Business if you don't have the appropriate major courses! See a counselor or visit www.assist.org for more information.

Are you planning on competing at the four-year University level?

This is important because Athletes have stricter codes to follow. See an athletic counselor to make sure that you are not only eligible to compete at Saddleback College but at the next level as well!

See a counselor!

It is recommended that you see a counselor a minimum of twice per semester to check your game plan. Apply for financial aid if needed!

GO GAUCHOS!
