The information for setting up the access to the online course is included with the Student Guide and online access code. Follow those instructions carefully. You cannot enter the online course without this information!  
NOTE: You cannot share the keycode with another learner. The keycode is tied to your work in the course, so sharing will not work.  
ANOTHER NOTE: You need a different keycode for each Rockwell course you use. If you are taking four classes that use the Rockwell system, you will need four different, separate keycodes.

- The Pre-test does not count toward your grade. It will be used to help you judge your starting knowledge ... and it will help us monitor the effectiveness of the online course. Please complete the Pre-test as soon as you access the online course.
- Recommendation: Work through the course by reading a chapter of the text and doing the exercises. Try to do this BEFORE the live class. Then do the chapter work online. This will reinforce your learning.
