

Biology 20 – Student Info Sheet

**Please submit this with your scantrons by the due date to SM 254.**

Name: \_\_\_\_\_ (please print neatly)  
Tell me what you would like for me to call you by.

Circle your Lab Day and Time:      Tuesday      **OR**      Thursday  
**Please include this on all work submitted to me during lecture.**

How long have you attended Saddleback College? \_\_\_\_\_

Major: \_\_\_\_\_

What are your career aspirations?

Are you planning on transferring to a four year school? If so, when and what school?

Have you taken a biology course before? How did you do?

Do you have any concerns with this course?

Briefly explain why it is valuable for non-science students to take biology.
