

## Changing the Preferred Email is different than sending a copy of your email to another address.

To change your preferred email, go to Mysite, My Information, Change Address. Under Personal you will see the area where you can modify your Preferred email address. Update after you have made the change.

**Change Address**

**Legal Address**

\* Address 1:

Address 2:

\* City:

\* State:

\* Zip:

My Mailing Address is the same as my Legal Address.

**Personal**

\* Primary Phone: (  )  -

Secondary Phone: (  )  -

Preferred Email:
