## GAUCHO JOBS USER AGREEMENT

Gauchito Jobs is a service for Saddleback College students and alumni seeking employment. As a user of this site, you agree to the following:

- **I agree to provide accurate and truthful information about my qualifications and educational background in my online profile, my resume, and any supplemental job-search documents I upload to the system. I authorize the Center for Career and Life Development to release my resume to employers I have selected via Gauchito Jobs and On-Campus Recruiting (OCR).**
- **I will keep my profile information up to date, including my current contact information, email address, academic major and class year.**
- **I am responsible for maintaining the confidentiality of my login information and password. I am responsible for all uses of my Gauchito Jobs registration, whether or not authorized by me. If others use my password to access job listings or to post inappropriate material on the site, I risk losing my access to the site. I agree to notify the Center for Career and Life Development immediately of any unauthorized use of my Gauchito Jobs account.**
- **If participating in On-Campus Recruiting, I agree to abide by all Saddleback College OCR policies and procedures.**
- **Unfortunately, we do not have the staffing support and time to thoroughly screen each employer and job posting in the system. We strongly recommend that users of Gauchito Jobs proactively research the job and company information for accuracy and legitimacy. If you identify information about a job or employer, please contact us immediately by email so corrective action can be taken.**

The Center for Career and Life Development provides Gauchito Jobs only for your employment search. Use of Gauchito Jobs is a privilege for enrolled Saddleback College students, alumni, and authorized students from other campuses. The Center for Career and Life Development reserves the right to suspend or terminate this privilege at its sole discretion.
