Please call Counseling at 949-582-4572 to make an appointment

*Groups of no more than 5 students will meet with a counselor*

**WHY** - These workshops are for students who have attended their Matriculation Advisement Session and need additional assistance from a counselor to choose the classes they will be taking in the Fall semester. The workshops will consist of a counselor working with 5 students to help each individual student select the correct courses to meet their educational goals. Please bring with you to the workshop, your placement scores and the educational plan that you received in your Advisement Session. You can sign up for any of the following times and dates by calling the Counseling Office at (949) 582-4572. You are encouraged to develop your Academic Plan on MAP (My Academic Plan) before attending a follow-up workshop.
