SIX SEMESTER SCHEDULE PLANNING

Name _____

Class _____ Date _____

Career Goal (s) _____

Educational Goal (s) _____

Degree /Certificate _____

Transfer School(s) _____

Consider the following guidelines before you begin mapping out your educational plans by semester:

1. General requirements for certificate, degree and /or transfer.
2. Requirements in major.
3. Requirements in general education.
4. Course prerequisites and sequential courses.
5. Transferabilty of courses.

Assignment: Your tentative individual plan should reflect the requirements for one major and one school of your choice.

1. Identify the general education pattern that you would like to follow and attach a copy to this sheet.
2. Identify the core requirements for your selected major and attach a copy of the major courses/or articulation agreement for your specific school to this sheet.
