*****STUDENTS PLEASE NOTE: Incomplete application packets will not be forwarded to the Scholarship Committee*****

The committee will look for the following when reading your application:

- Overall and transfer G.P.A.
- Preparation for major and for general education
- Clarity of essay
 - Goals: How your interest developed, challenges you are facing, number of hours you are working, if you are a first generation college student, cultural influences, involvement at a community college, and level of motivation.
- Your potential for future success based on the appraisal forms
- References (classroom faculty preferred)

Good luck!

STUDENTS PLEASE NOTE:

Scholarships are offered only to students currently enrolled in a SCHEC institution who will be transferring to a SCHEC four-year college/university or professional school during the 2012-2013 academic year.

The scholarships will be awarded annually, and will be distributed in two payments for semester campuses or three payments for quarter campuses. The additional distributions will be made after completion of the previous term at the transfer school. In order to receive the second or third distribution, the student must earn at least a 2.0 GPA during the previous term and this must be verified within 21 days of the start of the subsequent term. Failure by the student to meet these criteria will violate the conditions of the scholarship, and the subsequent payment will be forfeited. Non-attendance will result in a request for a return of the distribution of that term and render the student ineligible for any later distributions; again this is a violation of the scholarship conditions.

Awards are for one year only. Students may reapply, but no preference will be given to prior scholarship winners. International and AB 540 students are not eligible for this scholarship.
