Celebrating More Than 40 Years of Education & Opportunity!

District-Wide Planning

SOCCCD has undergone an extensive planning effort in order to meet both short term and long term goals. A District-wide Planning Manual has been developed with three major planning documents.

PLANNING AND DECISION MAKING MANUAL 2011-2014

(Updated November 2012) - This document describes how decisions get made, links budget allocation to planning (see [District-Wide Integrated Budget Planning Resource Guide](#)), and explains the role of district-wide committees in decision making. A function map details primary, secondary and shared responsibilities of the colleges and the district. Click [here](#) to view the manual.

STRATEGIC PLAN 2011-2014

This is the short term plan which details goals for the next three years. Click [here](#) to view the plan.
