California Education Code – Section 70902 (b)(7)

“Establish procedures that are consistent with minimum standards established by the board of governors to ensure faculty, staff, and students the opportunity to express their opinions at the campus level, to ensure that these opinions are given every reasonable consideration, to ensure the right to participate effectively in district and college governance, and to ensure the right of academic senates to assume primary responsibility for making recommendations in the areas of curriculum and academic standards.”

Our Mission

Saddleback College enriches its students and the south Orange County community by providing a comprehensive array of high-quality courses and programs that foster student learning and success in the attainment of academic degrees and career technical certificates, transfer to four-year institutions, improvement of basic skills, and lifelong learning.

Our Vision

Saddleback College will be the first choice of students who seek a dynamic, innovative, and student-centered postsecondary education.

Our Values

Saddleback College embraces:

Commitment

We commit to fulfilling our mission to serve the south Orange County community.

Excellence

We dedicate ourselves to excellence in academics, student support, and community service.

Collegiality

We foster a climate of integrity, honesty, and respect.

Success

We place our highest priority on student learning and delivering comprehensive support for student success.

Partnership

We strive to develop strong and lasting partnerships among students, faculty, staff, and the community.

Innovation

We anticipate and welcome change by encouraging innovation and creativity.

Academic Freedom

We endorse academic freedom and the open exchange of ideas.

Sustainability

We promote environmental sustainability and use our resources responsibly to reduce our ecological impact.

Inclusiveness

We cultivate equity and diversity by embracing all cultures, ideas, and perspectives.

Global Awareness

We recognize the importance of global awareness and prepare our students to live and work in an increasingly interconnected world.
