

Distance and Online Education Committee Goals for 2012-2013

1. Work with District IT and A&R to create a Drop Survey.
2. Continue to maintain and update the Distance & Online Education Website.
3. Collaborate with CIDDE on faculty workshops and tutorials.
4. Continue to work on the visibility of and enrollment in the Online Educator's Program.
5. Complete the policies and procedures section of the faculty technical support website, including information and resources for 508 compliance.
6. Work with the District on the proposed DE Coding changes.
7. Continue to explore Blackboard Enhancements.
8. Continue to explore Online Tutoring Options available.
9. Administer the 6th annual Distance and Online Education Student Survey – Fall semester.
10. Explore alternatives to Blackboard Student Support.
11. Providing a network of pedagogical support for online instructors.
