Program Highlights

The renowned Saddleback Junior Gauchos Swimming Program begins its 36th summer in our state-of-the-art facility. All instructors have completed lifeguard training and possess first aid and CPR certifications. Classes fill quickly, so consider enrolling your child in two or three consecutive sessions.

Our facility has two heated outdoor pools. Parent And Me, Tiny Tot, and Beginners 1 classes are held in our shallow pool (3 feet). All other classes are held in the Olympic-sized pool. Locker rooms are not available — come dressed to swim. Also, bring a towel and slip-on shoes/sandals, and have sunscreen applied. On the first day of your first lesson, please arrive 15 minutes early to check in.

There are no make-up lessons or refunds for missed days due to unavoidable biological accidents or acts of nature.

Parent And Me
Ages 0-3
Parents of children age 3 months to 36 months learn methods to introduce a child to the water and also are taught swimming movements and survival skills. Children are required to wear disposable or swim diapers. A parent or guardian must participate with the child in the water. LIMIT: 15 STUDENTS.

$59 Pete Cosmakos / Saddleback Pool

Tiny Tot 1
Ages 3–4
Children ages three and four learn basic swimming and survival skills. For children with no previous experience. Normally half of the children will move up to Tiny Tot 2 after one session, and the other half will need to repeat Tiny Tot 1. Children must wear swim diapers if they are not potty trained. LIMIT: 4 STUDENTS.

$67 Pete Cosmakos / Saddleback Pool

Tiny Tot 2
Ages 3–4
Children ages three and four (who can submerge their faces in water, blow bubbles, and kick) are taught basic swimming and survival skills. Three-year-olds will stay in Tiny Tot 2 all summer. Four-year-olds can move to Beginners 2 when they can perform four big arms and roll-over breathing by themselves. Children must wear swim diapers if they are not potty trained. LIMIT: 4 STUDENTS.

$67 Pete Cosmakos / Saddleback Pool

Beginners 1
Ages 5–8
For children five years of age and older, with little or no swimming experience. They will learn floating techniques, breath control, kicking, and arm strokes. Class normally is taught in a 3-foot pool. Most children will move to Beginners 2 after one session. LIMIT: 5 STUDENTS.

$67 Pete Cosmakos / Saddleback Pool

Beginners 2
Ages 5–10
For children five years of age and older who are comfortable in deep water and can perform front floating, with kicking and big arms, and with their faces in the water swimming to the teacher. They will learn proper form, side breathing, back floating, and kicking. Class is taught in deep water. Children normally take Beginners 2 for one or two sessions before moving to Beginners 3. LIMIT: 6 STUDENTS.

$59 Pete Cosmakos / Saddleback Pool

Beginners 3
Ages 5–12
For children five years of age and older who can swim freestyle with big arms and side breathing, but need to learn how to swim the length of the pool (25 yards). Students should have successfully completed Beginners 2. Class is taught in deep water. Children normally take Beginners 3 for one or two sessions before moving to Advanced Beginners. LIMIT: 6 STUDENTS.

$59 Pete Cosmakos / Saddleback Pool
Advanced Beginners  Ages 5–12
For children five years of age and older who possess a Beginners 3 card or equivalent skills, including the ability to front crawl with side breathing for 25 yards (75 feet). Children will improve and strengthen freestyle and side breathing and learn backstroke. Younger children probably will need to repeat Advanced Beginners before moving to Intermediate. LIMIT: 8 STUDENTS.

$59 Pete Cosmakos / Saddleback Pool

Intermediate  Ages 5–14
For children five years of age and older who possess an Advanced Beginners card or equivalent skills, including the ability to front and back crawl for 25 yards (75 feet). Children will learn breaststroke and butterfly. LIMIT: 8 STUDENTS.

$59 Pete Cosmakos / Saddleback Pool

Competitive Swim Techniques  Ages 5–16
Pre-swim team children five years of age and older will learn starts, turns, swimming strokes, and techniques used in competitive swimming. Participants must possess an Intermediate card or equivalent skills. 45-minute class. LIMIT: 10 STUDENTS.

$75 Pete Cosmakos / Saddleback Pool

Beginning Springboard Diving  Ages 6–18
Youths six years of age and older, who possess a Beginners 3 card or equivalent skills, will learn basic diving techniques and fundamentals. 45-minute class. LIMIT: 8 STUDENTS.

$65 Pete Cosmakos / Saddleback Pool

Personalized Springboard Diving  Ages 6–18
Youths six years and older with beginning springboard diving skills will learn more advanced dives. Features individualized instruction according to personal strengths and interests. 45-minute class. LIMIT: 4 STUDENTS.

$82 Pete Cosmakos / Saddleback Pool

Junior Lifeguard Conditioning  Ages 9–15
Get ready for the City/State Junior Lifeguard Swim Test. Instruction covers special stroke correction and conditioning. 45-minute class. LIMIT: 16 STUDENTS.

$75 Pete Cosmakos / Saddleback Pool

OPEN RECREATION SWIMMING
Lifeguards supervise community use of pools, including Olympic-sized pool, for adult lap swim and use of diving boards.

Fee: $3 – pay at pool.

SAT, 1 – 3 PM | 6/27 thru 8/8
College For Kids gives children and teens (ages 7-18) a chance to experience real college life. Our unique program offers six weeks of classes in a wide range of academic and sports areas.

How It Works:
1. Three 2-week sessions of classes are offered. Classes are generally held Monday through Thursday. Note: “Power Week” (p. 6-7) is a separate College For Kids experience held June 22-26, a week before regular CFK sessions begin.
2. Most classes meet for one hour and 45 minutes (1:45). Check our website or catalog for class dates and times.
3. All classes are led by teaching professionals.
4. Children create their own schedules from a wide range of offerings, including: art, music, math, sports, science, etc. They may take one class or as many as they like. All classes are priced separately.
5. Register for College For Kids classes on our website (www.saddleback.edu/ce) or in person in the Community Education Office on the Saddleback campus. College For Kids registrations are not taken over the phone. When you register, you will be required to agree to Saddleback’s Medical Emergency/Liability Release.
6. Please review the Cancellation Policy (p. 47). Note that withdrawals/credits are not granted if you withdraw your child from a class less than three full business days before the class starts.
7. Fees will be charged for lost or misplaced class materials. Also, non-refundable material fees may apply. See class descriptions for details.
8. Be sure to pick up your child promptly after his/her last class. We do not provide Guides to stay with your children until you arrive. (See Early Drop-In Care, Drop-In Aftercare, and Junior Gauchos Fun Club opportunities on the next page.)
9. To request a Guide for your child, fill out the Guide Request Form online or on site the first day of your session.
10. While on campus, your child is expected to abide by the rules of conduct for all Saddleback students. They also must follow any instructions given to them by a staff member or teacher. No running, no disruptive behavior in or out of class, and no eating in classrooms are allowed. Failure to follow our code of conduct may result in dismissal — with no refund — from the College For Kids Program.
11. Visit www.saddleback.edu/ce for help in planning your child’s schedule and for parking information.

COMMUNITY EDUCATION LIABILITY RELEASE WAIVER

By registering for a Community Education activity, you are agreeing to the following terms.

In consideration of accepting this registration, and to the extent permitted by law, I hereby agree to release, indemnify, defend and hold harmless on behalf of myself (and any minor children for whom I have the capacity to contract) the South Orange County Community College District, the Board of Trustees, its officers, clients, agents, employees, and volunteers from any and all liabilities, claims, demands, damages, costs, penalties, losses, or expenses (including attorneys’ fees), of any kind or nature whatsoever, whether related to bodily injury, property damage, death or any other form of injury or loss to myself (and to any minor children for whom I have the capacity to contract), caused by any negligent act or omission of the South Orange County Community College District, the Board of Trustees, its officers, clients, agents, employees, and volunteers arising out of or in any way related to participation in the activity for which I (and any minor children for whom I have the capacity to contract) am registering.

I acknowledge that the activity to which this release applies can be dangerous and as a result of agreeing below, I am accepting those risks for myself and for any minor participants for whom I can contract. Further, I understand that the District does not provide health and medical insurance for participants and that I assume all responsibility for health and medical expenses that may be incurred as a result of my (and any minor children for whom I have the capacity to contract) participation in this program. Consent is hereby given to the Saddleback Community Education presenters and/or supervisors to give and/or seek medical aid as required in case of emergency.

I give permission to Saddleback College to take photographs of me or my children while participating in any activity for use in publicity and understand that I will not receive any compensation for such use.

I certify that I have read and understand this waiver and release as it applies to myself and to any minors for which I am registering.

COLLEGE FOR KIDS

Learning To Dig: An Introduction To Archaeology For Kids  
Ages 7-15
In this dynamic class students will learn what is archaeology and its value to society today. The class begins with a study of the scientific method and a history of archaeology. Students will learn the techniques used in the field, from mapping a grid to drawing the artifacts in situ in an on campus mock excavation. They will work in teams and develop skills in teamwork and critical thinking. Another important aspect of archaeology is learning about stone tools. Students will have the opportunity to create their own stone tools from obsidian, flint or chert to take home. The instructor will email a list of items to bring to class a week before class begins.

Self-Publishing Online Digital Photo Books For Youth  Ages 9–17
This class has it all: creative writing, digital photography, desktop publishing, keyboarding, and working with the Internet all rolled into one. Working online in a computer lab, students will learn how to upload their photographs or artwork (must be in digital format) into a personal publishing website where they will select a theme and plan their personal memory storybooks which will be professionally published in a library-bound book. This class is perfect for students creating books for class/club tours or trips (i.e., Washington D.C., choir tours, sports events, etc.). Students must bring photos and/or artwork to class on a CD or flash drive. The price includes a $44 non-refundable material fee for a published 5” X 7” hardbound book (delivered via US Mail 2-3 weeks after class completion. Shipping is not included in the material fee).

Mathobotix™ Buildologie™

**STEM Educational Robotics Camp**  
**Ages 6–13**

In weekly theme-based camps, Young Engineers and Young Scientists will have fun while learning basic static structures used in robotics and applying the fundamentals of math and science concepts to their projects. At the end of each camp, students will be able to apply basic engineering principles to build strong and stable structures, program their robots, describe the basics of robotic sub-systems, and demonstrate their projects in class. Topics covered in the project-based curriculum include Applied Science, Technology, Engineering, and Mathematics (STEM), and Presentation and Team Collaboration Skills. Learning activities include hands-on inventory lab, teamwork exercises, goal setting, designing, building, programming, testing, playing, and re-analyzing using the Mathobotix™ Robotic System Development Life Cycle™ process. During the last hour of camp on Fridays, students will demonstrate their projects in show-and-tell presentations. Returning students will do new and advanced-level projects.

Mathobotix™ Codologie™ Camp  Ages 8-14
In this hands-on camp students will learn how to apply grade-level math and science to simulated real-world projects. Each project uses a sample set of Science, Technology, Engineering, and Math (STEM) concepts. Project-based learning methods are used in a lab environment. Students will learn to code and see how to learn as they use Raspberry Pi® -- small, but powerful computers designed to help children understand and explore the world of computing. The camp also is designed to support familiarity-- and increasing fluency -- with computational creativity and thinking. Instruction will cover key computational thinking concepts (sequence, loops, parallelism, events, conditionals, operators, and data); key computational thinking practices (experimenting and iterating, testing and debugging, reusing and remixing, abstracting, and modularizing); learning the basics of computer programming using Scratch® and Python®) and learning basic problem-solving techniques using computers and computer algorithms; introducing Open Source® hardware and software, including a Linux® based operating system, and building soft skills to work in a team environment. During the last hour of camp on Fridays, students will demonstrate their projects in show-and-tell presentations. Returning students will do new and advanced-level projects. Projects may include handling sensitive electronics, including chipsets and instruments.

Natural A’s  Ages 10–17
Any student can significantly enhance grades, self-confidence, and chances for scholarships and college admissions by performing academic skills in alignment with the brain’s natural patterns. This makes note taking, reading, studying, memorizing, and test taking amazingly efficient. Students also will discover simple methods for understanding math and other subjects, optimizing focus and concentration, and preventing test anxiety. Registrants of all ages describe this class as “awesome,” “necessary,” and “easy to understand.” The instructor, Curtis Adney, M.S., J.D., graduated at the top of his college class with a 4.0 GPA and earned a Juris Doctor degree from Brigham Young University. Parents are welcome to register and participate with their child(ren).

WRITING

English Composition For Teens  Ages 12–17
Does your child write badly or does he/she show promise, but lacks the polish of professional writing? Whichever the case, this class will serve your child well. It will make bad writers good and good writers very good. The instruction uses a very successful new theory that converts the pictures we think with into verbal expression. Students love the program because while it is like a strategy game, they soon begin to see significant improvement in their writing. This class offers the best of all worlds: it is easy to understand, and it is effective. There is homework with this class.

GUITAR AND UKULELE CLASSES FOR TEENS
SEE P. 26
In partnership with Capistrano Unified School District, the Saddleback College Community Education Department offers the CUSD 2015 Summer Experience for children. CUSD Summer Experience is a unique program designed to give children (ages 5-14) summer enrichment classes at CUSD school sites. The program offers six weeks of classes in science, sports, academic enrichment, and more.

How It Works

1. There are six one-week sessions of classes. In each session classes are held Monday through Thursday. There are no Friday classes.
2. Most classes meet for 3 hours (check our website or catalog for class dates and times).
3. Classes are taught by CUSD teachers and professional experts.
4. Children create their own schedules from a wide range of offerings. All classes are priced separately.
5. Register for CUSD Summer Experience classes at our website (www.saddleback.edu/ce) or in person in the Community Education Office on the Saddleback College campus (Lot 1). CUSD Summer Experience registrations are not taken over the phone. At the time of registration, you will be required to agree to Saddleback College’s Medical Emergency/Liability Release.
6. Material fees are due and payable to the instructor on the first day of class.
7. Please refer to the Cancellation Policy on page 47. Note that withdrawals/credits are not granted if you withdraw your child from a class less than three full business days before the class starts.
8. Fees will be charged for lost or misplaced class materials. Also, non-refundable material fees may apply. See class descriptions for details.
9. Be sure to pick up your child(ren) promptly after his/her last class.
10. While on CUSD school sites, your child is expected to abide by the rules of conduct for all CUSD students. They also must follow the instructions given them by a staff member or teacher. No running, no disruptive behavior in or out of class, and no eating in classrooms are allowed. Failure to follow this code of conduct may result in dismissal — with no refund — from the CUSD Summer Experience Program.
11. Visit our website: www.saddleback.edu/ce for help in planning your child’s schedule.
First Grade Head Start  
Ages 5–7
Do you want your incoming first grader to experience a “taste” of first grade? If so, this is the class for your child! Your child will learn about daily classroom activities and school rules and routines. Activities include calendar wall, addition/subtraction games, sentence writing, reading, and art. This class is taught by a Canyon Vista Elementary First Grade teacher.

Mini-Kindergarten  
Ages 4–6
Help your child transition into Kindergarten by experiencing school before it begins! In this fun program, your youngster will have the opportunity to interact with other children in a “real” kindergarten class. Little ones will rotate through centers, learn songs and chants, study phonics, and complete fun activities in a warm and wonderful school environment. Children should bring a small, healthy snack to class each day. This class is taught by a Canyon Vista Elementary Kindergarten teacher.

Offered on campus and taught by instructors from The Institute of Reading Development

Three Programs for 4-Year-Olds through Entering 2nd Graders
Phonics • Comprehension • Independent Reading

Students in these programs make significant gains in phonics, sight vocabulary, fluency, and comprehension. As a result, your child will become a fluent independent reader, build confidence, and become more successful in school.

Two Programs for Entering 3rd Graders and Entering 4th & 5th Graders
Fluency • Comprehension • Long-Word Decoding

Students in these programs learn to read more fluently and rapidly and make significant gains in comprehension. They learn the long-word decoding skills they need to read the many new words they encounter each day. As a result, your child will complete reading assignments more quickly and easily, be more successful in school, and become a strong, enthusiastic reader.

Two Programs for Entering 6th-8th and Entering 9th-11th Graders
Speed Reading • Comprehension • Study Skills

In these programs, students make substantial gains in comprehension while doubling their reading speed. They learn the best way to read textbooks, take notes, and study for tests. Your son or daughter will complete homework assignments quickly and easily, get better grades, and become a more motivated student. Our students enjoy reading more and develop the lifelong habit of reading for pleasure.

Dead Sea Discoveries: Jerusalem 3D IMAX And Dead Sea Scrolls, Plus The Space Shuttle Endeavour Ages 18+
Spend a fascinating and fact-filled day at the California Science Center viewing the most significant archaeological find of the last century — the Dead Sea Scrolls, as well as the Space Shuttle Endeavour. In cooperation with the Israel Antiquities Authority, the California Science Center is presenting the largest Dead Sea Scrolls exhibition outside of Israel. Featuring more than 600 ancient artifacts, the exhibit explores the science and significance of the Dead Sea Scrolls — manuscripts written and hidden in caves 2,000 years ago and not discovered until 1947. Also featured are sections from 10 selections of the Dead Sea Scrolls, more than half never before seen in the U.S., including parts of the oldest known copies of the Old Testament. Additional highlights include a three-ton stone from Jerusalem’s Western Wall, limestone capitals from the first temple period (1000-586 BCE), Ossuaries from the early Roman period, and an ancient signature preserved for millennia on the Archer Seal. Also included on the tour is a new IMAX film Jerusalem 3D, presented on the Center’s seven-story movie screen. There also is time for you to see the Space Shuttle Endeavour, and enjoy lunch on your own in one of the California Science Center eateries, or you may bring a sack lunch.

SEE OUR BROCHURE INSIDE THE GAUCHO GUIDE
California Philharmonic At Disney Concert Hall: The Beatles And Beethoven (Matinee)  
Ages 18+  
Feel the fire and passion of a great performance and the chilling excitement that true artistry brings — all at the incomparable Walt Disney Concert Hall. In a program that will delight, amaze, and entertain, the California Philharmonic, as well as Beatles tribute artists, celebrate the music that changed the world. Hear classics, including Beethoven’s masterpiece Eroica Symphony. Jumping forward almost 150 years, we find the Beatles blazing a similar trail of musical discovery with songs like Penny Lane, When I’m 64, and Eleanor Rigby. The California Philharmonic re-invents the concert for today’s listener by bringing the music into a contemporary context and illuminating the connections between diverse musical genres. One of the most acoustically perfect venues in the world, Walt Disney Concert Hall provides both visual and aural intimacy for an unparalleled musical experience. Terrace-level seating. We will arrive in time to attend the lively and revealing pre-concert Talk With The Maestro. Enjoy lunch on your own at Philippe’s, home of the original French dip sandwich.

Wild Goose Champagne Brunch Cruise: Newport Harbor Cruise On John Wayne’s Yacht  
Ages 18+  
Spend a lovely summer afternoon aboard the legendary Wild Goose yacht, once owned by actor John Wayne. Relax as you sail off into paradise with relaxing background music and views of the amazing homes that line the harbor, including Shirley Temple Black’s and John Wayne’s former million-dollar residences. Enjoy a tasty champagne brunch buffet, complete with salads, eggs, assorted meats and seafood, delicious pastries, and more. There will be time to take a self-guided tour of the ship to see the staterooms and the wheelhouse, as well as the opportunity to view priceless paintings, intricate carvings, and three decks of gorgeous woodwork. After the cruise and brunch, we will visit Roger’s Gardens, known as America’s Most Beautiful Home and Garden Center.

Santa Barbara Polo  
Ages 18+  
Join us for a splendid summer’s day of polo in Santa Barbara at the America Cup Finals. Established in 1911, The Santa Barbara Polo & Racquet Club is the third oldest polo facility in the United States. It is world renowned for its lush polo fields and international outdoor competition. Even if you know nothing about polo, you still will enjoy this outing and be amazed by the skill of the horses and riders. Join the fun and keep in the tradition by helping to replace the grass divots on the field between matches. You can choose field-level seating under a tent or grandstand seating. Enjoy an included box lunch. Recommended attire: hat, umbrella, and sunscreen.

Santa Barbara Fiesta!  
Ages 18+  
Experience the excitement of the Old Spanish Days Fiesta in Santa Barbara — stages filled with whirling dancers in beautiful costumes, the sound of mariachis strolling through the streets, and the smells of authentic food. 2015 marks the 91st anniversary of this celebration of life, history, community, and cultural diversity. Enjoy reserved covered seating and an included box lunch at Fiesta’s Historical Parade on Cabrillo Boulevard along the Santa Barbara coast. The parade features descendants of local Native Americans and Spanish pioneers, as well as local service clubs and organizations re-enacting historical scenes. It is one of the nation’s largest equestrian parades, featuring more than 500 horses, antique carriages, wagons, and colorful floats. After the parade, you will have time to explore the large Mercado at De La Guerra Plaza to sample delicious traditional dishes, browse the booths, and enjoy the entertainment.

Chocolate SinSation  

Ages 18+

Designed for “chocoholics,” this fantastic chocolate-themed tour is conducted by a professional step-on guide. Beginning at Olvera Street, Birthplace of Los Angeles, we will enjoy a perfectly brewed Mexican hot chocolate and mouthwatering, chocolate-filled churros. There also will be time to view the controversial American Tropical mural. Next we will visit a chocolate maker who creates the most original flavors you can imagine — ginger, chili pepper, infused sea salts, and more. Our next stop is at a gelato maker who has developed more than 700 flavors — and who will prepare a one-of-a-kind chocolate flavor especially for our group. We also will visit Monastery of the Angels, one of Hollywood’s best-kept secrets, where 22 cloistered nuns also make incredible hand-dipped chocolates. Also included is lunch at the historic Tam O’Shanter Inn, a charming replica of a cozy, Scottish inn.

Note: Stops on this tour are subject to change.

San Diego Rail ‘N Sail Coastal Train Ride And Harbor Cruise  

Ages 18+

Join us for a splendid September day exploring “America’s Finest City.” We will motor coach to San Juan Capistrano to board Amtrak and ride the rails as we journey south along the scenic coast to San Diego. The motor coach will meet us at San Diego’s Santa Fe Station and take us to Seaport Village and the newly opened Headquarters, where you will have time for browsing and lunch on your own. After lunch, we will take a two-hour, narrated harbor cruise that covers 25 miles and covers the northern and southern ends of San Diego Bay. Highlights of the cruise include the North Island Naval Air Station, Harbor and Shelter Islands, the Coronado Bridge, USS Midway, Star of India, the U.S. Navy surface fleet, the nuclear submarine base, Ballast Point, and more. We will motor coach back to Saddleback College.

Note: When you register for this trip, you must provide your full legal name (as it appears on your driver's license or other government-issued identification) and bring valid, government-issued identification with you on the day of the tour to present to Amtrak.

The Magic Castle  

Ages 18+

Experience the unique opportunity to access this private club, generally not available to the public! Enjoy an all-you-can-eat champagne brunch and live magical performances at The Magic Castle — the world’s most famous club for magicians and magic enthusiasts alike. The Magic Castle opened its doors on Jan. 2, 1963, and more than four decades later, has become the world-famous “home” to the Academy of Magical Arts, Inc. and their invited guests. The magnificent building that houses The Magic Castle is a sight in itself. Built in 1908, this storied Victorian mansion has watched Hollywood grow and change for almost 100 years while never losing its original charm. See what magicians all over the world consider the premier magic venue and the virtual “center” of the magician’s universe. Required dress code: “country club” attire (no jeans, shorts or sandals). You must be able to walk up a steep driveway and climb stairs to enter the Castle.

PARKING POLICY
A parking permit is required to park in any campus lot 24 hours a day, seven days a week. One-day permits are available for $5 at dispensers located in Lot 1 (Avery Entrance); the flagpole on the upper campus (College Drive Entrance); Parking Lot 5A (off College Drive East/Tennis Courts); or the north end of Parking Lot 10 (Marguerite Entrance). See campus map (p. 48). You can use dollar bills or a credit card. No parking in staff or reserved spaces, unless otherwise posted.

CLASS DATES
Class dates are as advertised. Saddleback College Community Education does not require the instructor to allow make-ups unless a class meeting is canceled by the Community Education Office or by the instructor.

CANCELLATION POLICY
Withdrawal from a class or event must be made at least three (3) full business days prior to the start date. If you do not attend class, you will NOT receive a credit or be eligible for a transfer or refund. Material fees are not refundable. (Adult classes ONLY: You may send a substitute if you are unable to attend.)

TRANSFER POLICY
Transfers, when applicable, must be requested by calling our office at (949) 582-4646 at least three (3) full business days prior to the start of the class.

TRAVEL INFORMATION/CANCELLATION POLICY
Unless otherwise noted, the minimum age limit for all travel events is 18. You will be required to sign an additional liability release waiver on the bus prior to departure. The South Orange County Community College District requires that all travel participants have their own medical/accident insurance coverage should the need arise. The District will not provide this coverage for you.

Single-Day Tours: Payments are due in full at the time of booking. There are no refunds for withdrawing/canceling reservations on single-day tours. If you must cancel, we require you notify our office thirty (30) days prior to the trip date, and a credit voucher for a future trip or activity will be placed on your account. You may send someone else to take your place on the trip. However, you cannot be replaced on tours that require identification checks. For trips that do not require identification checks, call our office at (949) 582-4646 to let us know so we can place the correct name on the trip roster.

Multi-Day Tours: Trip deposits are due in full at the time of booking (Good Times Travel will contact you for the balance of the tour price). If you must cancel, we require you notify our office 90 days prior to the start date of the trip, and we will issue a refund for your deposit only, minus a $65 per person cancellation fee. For refunds for the full trip amount, please contact Good Times Travel. It is highly recommended that you consider purchasing travel protection.
