My Academic Plan (MAP) Workshops

Beginning Fall 2014, students who want a Saddleback College Certificate, Associate Degree, or who want to transfer, are required to complete a My Academic Plan (MAP) and have it approved by a counselor by the time they are ready to enroll in their 16th degree applicable unit or at the end of their third semester, whichever comes first.

Step 1: Go to www.saddleback.edu
Step 2: Click on the MySite link and log in with your student ID number and 4 digit pin code.
Step 3: Students that have completed the Matriculation process will have already started a plan when they did their First Semester Plan. You can continue that plan by clicking on the link that reads “My Plans” and then click on the plan name to open it.
Step 4: If you have not completed a First Semester Ed Plan, you can start a new plan by clicking on either the First Semester Plan link or the New Plan link.
Step 5: Once you have completed your plan, attend a MAP workshop, Open MAP Lab, or see a counselor to have your plan approved.
