Emeritus Institute
Schedule of Classes

Summer Session 2015
Instruction Begins May 26
www.saddleback.edu/emeritus
Dear Emeritus Students and Community,

Thank you for making Saddleback College’s Emeritus Institute the First Choice for Lifelong Learning in South Orange County. The Emeritus Institute’s mission is to offer academically-rigorous, mentally-stimulating, socially-engaging, and physically-strengthening classes for older adult students throughout South Orange County. With this goal, we are thrilled to be starting the Summer 2015 Session and to be offering nearly 20 percent more class sections than we offered last summer.

Over the past couple of years, funding for non-credit, lifelong learning courses through the California Community College system was in jeopardy. However, I am pleased to report this threat has significantly dissipated. Additionally, the South Orange County Community College District Board of Trustees and Saddleback College’s administration actively support the continuation and growth of the Saddleback College Emeritus Institute.

Just as many of you played a significant role in petitioning California’s leadership for the preservation of Emeritus Institute classes, I am asking for your assistance in another matter. California Community Colleges receive State funding (also known as apportionment) for non-credit classes via a process called Positive Attendance recording. Positive attendance tracks the number of students who attend each class session.

We are asking for your help in the following manner: please, spread the word that attending class is one of the best ways to show your support for the Emeritus Institute. A commitment to attend every class session for which you register will directly impact the financial health of both the Emeritus Institute and Saddleback College. Together, we can demonstrate our appreciation for the Emeritus Institute in the most tangible and educational of ways: by regularly engaging in lifelong learning through consistent attendance of classes.

Finally, I personally want to thank those of you who have welcomed me into the Emeritus Institute. I have greatly enjoyed hearing many stories of how our classes have positively benefited your lives. It is a pure joy to be guiding and growing our repertoire of excellent class offerings and to continue building mutually-beneficial partnerships with our over two-dozen teaching sites throughout South Orange County.

Thank you again for your continued participation, enrollment, and support of the Emeritus Institute. Have a wonderful summer!

Dan Predoehl, M.Ed
Director

Founded in 1976, the Saddleback College Emeritus Institute was established to create lifelong learning opportunities, primarily for the older adult. A dynamic and wide array of course offerings, expert instructors truly experienced in their field, and a variety of classes located in the community have made the Emeritus Institute extremely popular, and one of the fastest growing programs at Saddleback College in Mission Viejo throughout the years. As the generations of burgeoning baby boomers become senior citizens, the Emeritus Institute continues to change and offer classes that stimulate intellectual, physical, and creative expression for South Orange County residents.

There are over 170 Emeritus classes offered through the Saddleback College Emeritus Institute that provide lifelong learning experiences in more than 30 different disciplines. These high-quality academic classes are state-approved and available on a non-credit basis. Classes cover a wide range of interests, from accounting, art, crafts, biology, clothing and textiles, English writing and literature, gerontology, health, history, music, photography, physical fitness, Spanish, special services, and theatre. Classes are held in more than 25 off-campus sites from San Clemente in the south to Lake Forest and Laguna Woods to the north, including senior centers, churches, libraries, and community centers.

An integral part of Saddleback College and its educational vision, the Emeritus Institute is a leader in providing challenging and rewarding courses designed for the older adult to accommodate the lifelong learning needs of our community members.

We invite you to be a part of the excitement of lifelong learning. Join the growing number of active adults taking part in the Saddleback College Emeritus Institute.

The Emeritus Advisory Board is made up of adult volunteers and professional representatives from community agencies serving the adult population. By becoming involved as a volunteer, you can make a difference in your life and in the educational standards of your community.

For more information on this exciting program, call the Emeritus Institute at (949) 582-4835.
