Follow the instructions on their website and then notify the Department Chair when it has been completed. After 10 days, the Department Chair will go online to make sure the student is clear.

If the student does not clear the background check (will not clear if there are any arrests with convictions in the last 7 years, misdemeanor or felony, and student has to be completely off probation for any crime), the Dean will be notified, and student will be notified that they cannot continue the program until the problem is cleared up, which might take up to 7 years. You cannot have any convictions for felonies and misdemeanors except traffic violations and DUI's are okay. Background check is good for 6 months.
