Saddleback College  
28000 Marguerite Pkwy.

Dear President Burnett:

Earlier this spring, we wrote to inform you about the completion of the ACCJC's Degree Qualifications Profile Project (DQPP), a project that focused on degree-level student learning outcomes. The DQPP included projects from sixteen participating colleges, including Saddleback College. A small check was provided at that time, in furtherance and support of professional development at your college on the subject of degree-level student learning outcomes.

With this letter, I am pleased to provide you with several copies of the ACCJC News Special Edition that features the sixteen DQPP projects, including that from your college. The work undertaken with these projects, and the institutional learning and accomplishments coming from the projects was tremendous. We feel the information will be most helpful to other institutions across the region.

We request that you share a copy of the ACCJC News Special Edition with the college project team leads, and remaining copies with college, district and community leaders.

Thank you again for your participation in this work.

Sincerely,

Krista Johns  
Vice President for Policy and Research
