

NOTES

The Mission of the Student Success Planning Group is to encourage, document and support the persistence and retention of Saddleback College students.

Meeting conducted by: Lise Telson

Members in attendance: Larry Perez, JoAnn Alford, Don Mineo, Joyce Semanik, Patti Weekes

Math Resources

Larry Perez demonstrated online math resources and links (see handout). He will look into aligning his online modules with the skill sets on the matriculation test and JoAnn Alford will have a link on the Matriculation page titled Preparation for the Matriculation Math Test.

Project to help Students on Probation

2700 probation letters have been mailed to students who were enrolled in Fall 07 courses and over 600 letters were mailed to students on dismissal.

Response to Student Success Initiative/Basic Skills Task Force Recommendation

The SSPG Consensus Statement to the SSI Task Force was shared with the Executive Board of the Academic Senate. The SSPG may invite the Director of Basic Skills at Citrus College to visit Saddleback College and share her experiences.

Report of PBC Decisions

Information was shared on the Veterans Outreach and Retention Program (see handout).

Update on Classified Positions

No additional classified positions have been approved (see handout).
