  – http://cim.saddleback.edu/~jstudent0
  – You Maintain Web Page assignments on CIM
  – Some classes H1 you set up homepage

• CIM used for Web Applications Classes
  – PHP (cim225) & MySQL (cim205a)
  – Access to a MySQL Databases
  – http://cim.saddleback.edu/~jstudent0/php
Also the Main Index
http://cim.saddleback.edu

• Main Index http://cim.saddleback.edu

• Class site cim/courseNumber (all lower case)
  For CIM205A http://cim.saddleback.edu/cim205a

• Other cim.saddleback.edu/links
  http://cim.saddleback.edu/blackboard for blackboard
  http://cim.saddleback.edu/submit for submit
  http://cim.saddleback.edu/help for help

• Others: quizzes, software, videos, ~sbusernames
  students, phpMyAdmin

Questionnaire

• First Assignment H0 has Links
  – http://cim.saddleback.edu/questionnaire

• Questionnaire is generally available 2nd Week
  – Active Semester is Always Listed

• All Students Must….
  – Fill In Questionnaire
  – Enter a Valid Non School E-mail Address

• Username: firstInitialLastNameUniqueNumber
• Password: 6 digit Student ID

http://cim.saddleback.edu

Access to Class Web Pages

Help – Online Links
http://cim.saddleback.edu/help

Can Access Your…
Blackboard
Questionnaire
Contact Info
Can Access Your...
Student Home Page or Entire Class Sets

cim.saddleback.edu/~sbusername

Class Web-Sites

http://cim.saddleback.edu/CourseNumber
http://saddleback.edu/faculty/tdedonno
Or
http://saddleback.edu/faculty/tdedonno/cim278a
Blackboard Has Links to Class Site
Where You Replace cim278a with Your Course

All Class Sites

• Home Page has Book Image
  – Required Text Book: Link to Publisher
• Syllabus
• Tentative Schedule
• Links: Class Details, Blackboard, CIM
• Assignments (H0..HN, sometimes p1..pn)
  – Check off Checklist Items (aka course guide)

Other Possible Links

• Places to Buy Course Material
• Tests
• Lecture Samples
• Projects
• Useful Links
Assignments are Course Guide

- Each Class Site has Assignment Page
- Complete H0 first (intro assignment) Then H1
- Print Assignment Page
  - If you Create PDF File – You have Links
  - Check off Checklist Items
- You are now working on H0
- Timeline: #LastAssignment / #Weeks
  - Blackboard Quizzes Maintain Final Due Dates
  - Will E-mail out Reminders
  - But w Online You have Control of Pace

Cim278a - Dreamweaver

- http://cim.saddleback.edu/cim278a
  - Two Tests & Chapters 1..5
- Recently added Pre-book Assignments
- All Students Have Home Page on cim
  - Assignment Dreamweaver-CIM
    - http://cim.saddleback.edu/~jstudent0
- Blackboard…
  - Videos Completing Assignment
  - Quizzes (Final Due Dates)

Cim278a - Dreamweaver

- http://cim.saddleback.edu/~jstudent0
  - Home Page for Assignments
  - Assignment H1 Creates Home Page
- Programming Angle
  - cim225 PHP and cim205a MySQL
    - http://cim.saddleback.edu/submit cim Auto Grader
- Main Index Class Site
  - http://cim.saddleback.edu/cim264a

Classes Designed by CIM272

- CIM272 CSS Class Project, Creates Site Design
- cim205a, cim225, cim281, cim264a-d, cim7a, cs4a, cs4b, etc.
- Design changes every hour, unless Main NavBar
  - Save Design – sets design for 60 days
  - Select Design – select a design from Table
  - Next Design – Randomly select design
  - Print – Display in Hard Copy Format
