NOTICE

The information contained in this publication describes the anticipated programs, courses, rules, regulations and fees of Saddleback College. These are subject to modification at any time to accommodate changes in resources or educational plans of the South Orange County Community College District. This publication does not constitute a contractual commitment.
Saddleback College is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, 10 Commercial Boulevard, Suite 204, Novato, CA 94949; (415) 506-0234, an institutional accrediting body recognized by the Commission on Recognition of Postsecondary Accreditation and the U.S. Department of Education.

Saddleback College prohibits discrimination on the basis of race, color, religion, national origin, age, disability, sexual orientation, marital status, or pregnancy in the administration of its educational policies, personnel practices, and college programs. The college, by law, cannot engage in any such discriminatory activity. Grievance procedures exist for students, employees, and job applicants. Information regarding formal complaints is on file in the offices of the Chancellor and the Deputy Chancellor and in the offices of the College President and Vice President for Instruction. The Office of Student Services maintains grievance procedure information for students. Any questions concerning discrimination may be directed to the Saddleback College Vice President for Student Services, 949-582-4566, Saddleback College, 28000 Marguerite Parkway, Mission Viejo, CA 92692. The Title IX Coordinator, Tony Lipold, can be reached at 949-582-4545.

Data on Saddleback College's programs leading to gainful employment, required to comply with the Higher Education Act of 1965 as amended, can be found on the Saddleback College website at www.saddleback.edu. For Catalog updates and addenda, please refer to www.saddleback.edu/cc.

Saddleback College has made every reasonable effort to ensure that the information published in this catalog accurately reflects current legislation, information, policies, and fees. However, these are subject to modification at any time, without notice, in order to accommodate changes in the resources or educational plans of the district, or for reasons deemed appropriate by the college president or designee.

Please refer to the online catalog supplement at www.saddleback.edu/cc for policies and/or degrees that have been approved after publication of the hardcopy Saddleback Course Catalog.

Donna Pribyl

A very special "thank you" for the continued support of all the staff, administrators, and faculty.
South Orange County Community College District

28000 Marguerite Parkway, Mission Viejo, California 92692-3635, 949-582-4999, www.socccd.org

Vision
South Orange County Community College District will be a leader in exemplary teaching and learning, student success and community partnership.

Mission
South Orange County Community College District provides a dynamic and innovative learning environment dedicated to student success and economic growth of the region.

2011-2014 District-wide Goals
1. SOCCCD will create a district-wide culture which is characterized by mutual respect and collaboration and which celebrates the uniqueness of each institution.
2. SOCCCD will support innovations that result in quantifiable improvement in student preparedness and success and will facilitate the institutionalization of those innovations across the district.
3. SOCCCD will maintain its technological leadership and will make future advancements which enhance student access and success.
4. SOCCCD will increase the effective use of all resources by developing and implementing a cycle of integrated district-wide planning.
5. SOCCCD will develop, document and implement data-driven district-wide decision-making processes that are collaborative, transparent, efficient and effective.
6. SOCCCD will assess the educational needs of the communities within the district boundaries and will pursue joint venture partnerships with educational institutions and business/industry.

Student Trustee
Congratulations on choosing Saddleback College, where our number one priority is the success of all of our students. Whether you are a new student or well into your studies, you’ll find that Saddleback College’s outstanding education and training programs will help you fulfill your goals and aspirations.

Saddleback College’s rigorous and stimulating academic curriculum is taught by a faculty renowned for its expertise and experience. Our students have access to over 300 degree and certificate programs to help them define and reach their educational, professional, and personal goals. For students seeking to transfer to a four-year college or university, our Transfer Center’s success is known statewide and each year we transfer a record number of students to UCLA, USC, San Diego State University, CSU Fullerton, and Arizona State University, and many others across the nation. Our career/technical education programs combine classroom experience with on-the-job training to teach our students the practical skills they need to succeed in the job market.

Did you know that:

— Serving more than 2.5 million students annually, the California Community College system is the largest workforce training provider in the U.S.

— 70 percent of nurses in California received their education from community colleges

— A student who graduates with an associate degree earns an average of $1.6 million in his/her lifetime – $400,000 more than a student with a high school diploma

— Almost two-thirds of graduates of the California State University system and one-third of the University of California system transferred from a California Community College.

Since Saddleback College first opened its doors to students in 1968, more than half a million students have made us their first choice in higher education, and we’re happy you have too. To find out about all of our academic programs, counseling services, and activities, please visit our website at www.saddleback.edu. We look forward to seeing you on campus and thank you for becoming a member of our Saddleback College family!

Go Gauchos!

Vision, Mission, Values of Saddleback College

Vision
Saddleback College will be the first choice of students who seek a dynamic, innovative, and student-centered postsecondary education.

Mission
Saddleback College enriches its students and the south Orange County community by providing a comprehensive array of high-quality courses and programs that foster student learning and success in the attainment of academic degrees and career technical certificates, transfer to four-year institutions, improvement of basic skills, and lifelong learning.

Values
Saddleback College embraces:

<table>
<thead>
<tr>
<th>Commitment</th>
<th>We commit to fulfilling our mission to serve the south Orange County community.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Excellence</td>
<td>We dedicate ourselves to excellence in academics, student support, and community service.</td>
</tr>
<tr>
<td>Collegiality</td>
<td>We foster a climate of integrity, honesty, and respect.</td>
</tr>
<tr>
<td>Success</td>
<td>We place our highest priority on student learning and delivering comprehensive support for student success.</td>
</tr>
<tr>
<td>Partnership</td>
<td>We strive to develop strong and lasting partnerships among students, faculty, staff, and the community.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Innovation</th>

Saddleback College
Institutional Student Learning Outcomes (ISLOs)

Preamble
Saddleback College’s primary mission is to foster learning and student success. Students should expect to develop knowledge, skills and abilities across four broad areas as a result of their overall experience at Saddleback College. The broad areas are identified by the Institutional Student Learning Outcomes (ISLOs) listed below:

I. Effective Communication
Students completing a degree or transfer program at Saddleback College will be able to:
- Demonstrate the ability to understand, evaluate, and analyze readings from a variety of texts and to apply that ability in academic, personal, and professional contexts.
- Demonstrate the ability to clearly express themselves and the knowledge they have attained in various forms of writing.
- Demonstrate the ability to orally communicate ideas to others in a clear, coherent, and structured fashion when speaking in one or more of the following modes: interpersonally, in small group settings, or in public presentations.

II. Intellectual and Practical Skills
Students completing a degree or transfer program at Saddleback College will be able to:
- Demonstrate competence in fundamental computing and information technology.
- Demonstrate competence in scientific and quantitative reasoning necessary for informed judgment and decision-making.
- Conduct effective research, including the identification, evaluation, synthesis, and responsible use of sources and information.
- Analyze information and ideas independently and logically in order to arrive at reasoned, meaningful, and creative conclusions.
- Work with others to develop creative, logical, and reasoned solutions to problems.
- Develop cognitive, physical, and affective skills which will afford students the opportunity to be well-rounded individuals.

III. Community/Global Consciousness and Responsibility
Students completing a degree or transfer program at Saddleback College will be able to:
- Demonstrate knowledge of cultural diversity and awareness of multiple perspectives in the U.S. and globally.
- Demonstrate the ability to effectively communicate and interact with others in academic, personal, and professional contexts.
- Demonstrate awareness of the necessity for social responsibility and accountability of citizenship in a democratic society.
- Demonstrate an awareness of the necessity for ethical conduct in academic, personal, and professional contexts.

IV. Breadth of Subject Area Knowledge
Students completing a degree or transfer program at Saddleback College will be able to:
- Describe the scope, key principles, and defining framework of the discipline of study within the natural sciences and mathematics, including an understanding of the methods of scientific inquiry.
- Describe the scope, key principles, and defining framework of the discipline of study within the arts and humanities in order to understand the rich history of human knowledge, discourse, and achievements.
- Describe the scope, key concepts, and defining framework of the discipline of study within the social and behavioral sciences in order to understand the complexities of social interactions and human experiences.
Información en Español

La información se ha traducido al español para que la comunidad hispanohablante pueda informarse acerca del proceso de matriculación en Saddleback College. Estudiantes que necesiten ayuda o tienen preguntas, lean de las secciones de la Oficina de Admisión y Registros (Admissions and Records) al 949-582-4555 o a la Oficina de Consejería (Counseling Services) al 949-582-4572. Estas oficinas están en el Edificio de Servicios para Estudiantes.

INFORMACIÓN PARA MATRICULARSE

ELEGIBILIDAD PARA ASISTIR A UNA UNIVERSIDAD COMUNITARIA

– INSCRIPCION REGULAR: Tener 18 años de edad o ser graduado/a de la escuela secundaria.
– INSCRIPCIÓN CONTEMPORÁNEA: Estudiantes desde el 9 al 12 año de la escuela secundaria, podrán matricularse en clases recomen- dados por el/la directora de su escuela, pero que no excedan 11 unidades. Si desea más información, consulte con la Oficina de Admisión y Registros.
– NO-RESIDENTES: Son personas que han permanecido menos de un año y un día en California antes del inicio del semes- tre o personas que mantienen visa de inmigración las cuales impiden el establecimiento de residencia. Para mayor información, comuníquese con la Oficina de Residencia al 949-582-4555.

Debido a la legislación (California AB 540) algunos/as estudiantes que no tienen los documentos de residencia y que se hayan graduado de una escuela secundaria de California, podrían calificar para una “exención” de la matrícula de no-residente. Por favor llame al 949-582-4555 para obtener más información acerca de esta exención.

FECHAS DE INSCRIPCIÓN: Las personas que asistan por primera vez deben completar su solicitud antes de que empiece el semestre para asegurarse de que todos sus requisitos estén en orden y listos para empezar el primer día de clases.

Fechas de entrega de su solicitud para los siguientes semestres:
1 de abril – otoño (fines de agosto)
1 de octubre – primavera (principios de enero)
1 de abril – verano (fines de mayo)

COMO HACER UNA CITTA PARA INSCRIBIRSE: Estudiantes que asistan por primera vez a la universidad y los que ya hayan asistido y regresan, deben completar una solicitud. La Oficina de Admisión y Registros documentará su información y le dará un permiso con la fecha y la hora para que se inscriba a través de Internet. Es muy importante que asiste a clases el primer día.

COMO ANADIR Y CANCELAR CLASES: Estudiantes pueden añadir clases hasta el día antes de su comienzo. Una vez que la clase haya empezado o que no tenga cupo, estudiantes deberán pedir permiso al profesor/a para añadir la clase. Si se les da permiso, deberán tener un número llamado (APC), un código que les permitirá matricularse. Lo puede hacer por medio del Internet o en persona antes de la fecha límite que tenga el código APC. Deberá pagar en el momento que se inscribe.

Nota: Es de suma importancia que el/la estudiante lea el horario de clases para informarse de las fechas exactas para cancelar clases. Puede usar el Internet para cancelarlas.

Cobros

El día en que el/la estudiante se inscriba, debe pagar por todos los servicios tales como: la inscripción, seguro médico, información y estacionamiento.

COBRO DE INSCRIPCIÓN: Se cobrará lo siguiente:

No-Residentes: $190.00 (por unidad) y en adición $46.00 por unidad.
Al no-residente que es ciudadano/a/residente extranjero/a adicio- nalmente se le cobrará $32.00 por uso de facilidades (por unidad) y $54.00 (sin devolución), para procesar su solicitud al tiempo de solicitar. Estos cobros son para estudiantes internacionales.

Residentes: Al residente de California se le cobrará $46.00 por unidad.

Las clases de inglés como segunda lengua (ESL) que no tienen unidades “O units” son gratuitas. Estos cobros pueden cambiar cada semestre. Para más información llame al 949-582-4555.

COBRO DE ESTACIONAMIENTO: Para el coche es $30 por semestre, $60 por un permiso anual que incluye: el semestre de otoñoo, la primavera y el verano. Permiso para motos cuesta $10 por semestre, $10 por la sección de verano, o $30 por un permiso anual. El permiso anual solamente se pue- de comprar durante el otoño. Siempre hay que colocar su permiso dentro de su coche, colgándolo en el espejo retrovisor.

COBRO DE SERVICIOS DE SALUD: Debe pagar $18 por semestre (en otoño y primavera) para cubrir servicios de salud personal. El costo en el semestre de verano es de $14 y les permite a estudiantes que aprovechen varios servicios médicos. (Este servicio se cobrará aunque tomen “O” unidades). Cobros de servicios de salud están sujetos a cambios.

Exámenes de inglés y matemáticas

La Oficina de Matriculación (Matriculation Office) ofrece servicios que incluyen exámenes de inglés y matemáticas, inglés como segunda lengua (ESL), análisis de los resultados de los exámenes, consejo académico y orientación y análisis de reporte de califica- ciones de otras instituciones. Está ubicada en el edificio Village, salón 8. Su número de teléfono es 949-582-4970.

Enfermería/Centro de salud

El Centro de Salud de Saddleback College le ofrece al/a la estudiante varios servicios médicos y psicológicos. Tenemos un equipo de enfermeras/os, doctores/as, psicólogos/as y pasantes psicólogos que le ayudarán con su salud tanto física como emocional, para ayudarle a tener éxito tanto personal como educacional.

Se incluyen servicios limitados de crisis emocional, exámenes de visión y audición, primeros auxilios, algunas vacunas, exámenes de sida, de enfermedades venéreas y de tuberculosis. También durante el año escolar, se informará acerca de los riesgos del uso de drogas y alcohol y otros comportamientos de alto riesgo. El Centro de Salud de Saddleback College cuenta con información de varios temas tales como asalto sexual y cómo reportarlo, etc. (California Education Code, Section 67385).

Las consultas médicas son gratis y los exámenes de laboratorio, vacunas y algunas medicinas son de bajo costo. Para obtener más información, llame al (949) 582-4606 o vaya a la página www. saddleback.edu/shc.

Ayuda Financiera

La Oficina de Asistencia Financiera en Saddleback College está designada para proveer asistencia económica a estudiantes que cumplan con los requisitos. Asistencia federal, estatal y fondos de fuentes privadas están disponibles. Estudiantes interesados en recibir ayuda financiera, primeramente deberán solicitar elec- tronicamente a través del proceso de FAFSA (Solicitud Gratuita de Ayuda Federal para Estudiantes). La dirección de su página electrónica es www.fafsa.gov, y tiene información en inglés y en español. La oficina está en el Edificio de Servicios para Estudiantes, salón SSC 106. El número de teléfono es 949-582-4860.

Programa de EOPS

El Programa de Servicios y Oportunidades de Educación Extendida (EOPS) sirve a personas que califican bajo varios requisitos, como: ser residente de California, ser de bajos recursos económicos, tener desventaja de no tener una educación formal, estar matriculado en doce o más unidades (tiempo completo), etcétera. Favor de comunicarse directamente con el programa EOPS para mayor información sobre elegibilidad.

El programa EOPS ofrece los siguientes servicios gratis para las personas que califican: orientación académica, ayuda con los libros de texto (si hay fondos), prioridad en añadir clases. La oficina está en el Edificio de Servicios para Estudiantes, salón SSC 126. El número de teléfono es 949-582-4620.

Servicios de Tutoría (LRC)

El programa de tutoría (LRC) proporciona servicios de tutorías/ as gratis de diferentes cursos académicos para satisfacer las necesidades de cada persona. Hay instrucción individual y en grupo. LRC está situado en el segundo piso del edificio LRC (ex biblioteca) salón 212. Para más información, comuníquese al teléfono 949-582-4519.
Eligibility for Admission

Admission to Saddleback College is open to anyone who is a high school graduate, has a High School Equivalency certificate, or is 18 years of age or older and shows evidence of being able to benefit from instruction.

Students enrolled in elementary through high school may attend Saddleback College as special admits. Special admits may enroll in the classes recommended by their school principal and are required to submit a completed “Special Admission Request Form” (available online) each semester two weeks prior to the start of the term. Students in grades 9-12 are limited to 11 units per semester; K-8 students are limited to 6 units per semester. K-12 students are not permitted to enroll in Kinesiology (PE) classes. Questions regarding admission to Saddleback College may be sent via e-mail to scadmissions@saddleback.edu or by calling the Office of Admissions and Records at 949-582-4555.

Application for Admission

Students who are enrolling in Saddleback College for the first time or are returning after an absence of a semester or more (not including summer) must submit an application for admission online. Computers and assistance with the application are available in the Office of Admissions and Records. The online application is available at www.saddleback.edu/admissions/

The application for admission is available online beginning the following dates:

- Fall semester: March 1
- Spring semester: October 1
- Summer session: March 1

California Residency

The Office of Admissions and Records determines the California residency status of all new and returning students for nonresident tuition purposes. Responses to the Application for Admission and, if necessary, other evidence furnished by the student are used in making this determination. A student who fails to submit adequate information to establish a California residency will be classified as a nonresident.

Establishing California Residency

“Nonresident students” are those who have not established residency in the state for at least one year prior to the residence determination date or those who hold certain non-immigrant visas which preclude them from establishing residency. Foreign students admitted to the United States under student visas are classified as nonresidents.

The following statement of the rules regarding residency determination for nonresident tuition purposes is not a complete discussion of the law, but a summary of the principal rules and their exceptions.

Legal residence may be established by an adult who is physically present in the state and who, at the same time, intends to make California his or her permanent home. Steps must be taken at least one year prior to the residence determination date to show an intent to make California the permanent home with concurrent relinquishment of the prior legal residence. The residence determination date is that day immediately preceding the opening day of instruction each semester during which the student proposes to attend classes at Saddleback College.

Exemptions

The California Education Code allows certain non-residents an exemption from non-resident tuition. The criteria for these exemptions are listed below. Students who believe they are eligible for an exemption based on any one of the following criteria should inform the Office of Admissions and Records when they apply.

- Student under two-year care and control of adult
- Dependent of a member of the U.S. armed forces
- Member of the U.S. armed forces
- Armed forces members remaining in the state following discharge
- Dependent of a California resident of more than one year, parent residing in California for one year and contributing court ordered support for student
- Graduate of California school operated by the United States Bureau of Indian Affairs
- Student holding teaching credential; other conditions apply
- Employee or child or spouse of employee of institution or state agency
- Student who attended a California high school at least 3 years and graduated from a California high school or earned an equivalency (GED) in California (AB 540)

Other conditions may be required to meet these criteria. Please call 949-582-4555 for more information.

Reclassification:

Reclassification to resident status must be requested by the student. Financial independence during the current year and preceding two years will be considered at the time the student requests reclassification. Information regarding requirements for reclassification is available in the Office of Admissions and Records. Students should allow ten working days after submitting their documents for a decision.
International Students (F1–Visa)

Saddleback College defines an “international student” as a student attending Saddleback College fulltime while on an F-1 student visa. Applications for admission to Saddleback College’s International Student Program are available online at www.saddleback.edu/iso and in the International Student Office. Prospective students may contact the International Student Office at 949-582-4637 or by e-mail at sc-iso@saddleback.edu.

To be considered for admission to Saddleback College, international applicants (residents of countries other than the United States who hold or are applying for F-1 student visas) are required to submit the following documents:

1. Application for admission is available online beginning the following dates:
   - Fall semester: February 1
   - Spring semester: August 1
   - Summer session: March 1

2. A nonrefundable processing fee of $54 for the 2013-2014 academic year, required with the application form.

3. A one-page typewritten personal statement discussing applicant’s current education goals and goals upon completion of studies at Saddleback College.

4. English proficiency test requirement: Students whose native language is not English must take the TOEFL (Test of English as Foreign Language), STEP EIKEN, iTEP or the IELTS. The TOEFL score must be a minimum of 730 (paper-based) or 88 (internet-based). The STEP EIKEN test must be passed at the grade 2A level. The iTEP score must be a minimum of 4.0. The IELTS score must be a minimum of 6.5. The English proficiency test requirement may be waived for applicants who can demonstrate that they have successfully completed the equivalent to an American high school diploma or higher.

5. Academic records: Evidence of academic achievement equivalent to an American high school diploma or higher. The transcripts of the original records must be accompanied by a notarized English translation. In addition, international students who are in the U.S. as F-1 students must submit all of their academic records from the institutions they have attended in the U.S.

6. Financial support documentation: Submit financial documentation proving the ability to meet education expenses. Bank certification forms and sponsorship forms may be found on the International Student Office website at www.saddleback.edu/iso.

Students transferring from other institutions in the United States must submit the following in addition to the above requirements.

1. Transfer form completed by prior institution verifying the student’s current status.
2. Copy of the SEVIS I-20 provided by prior institution.
3. Copy of passport information page (i.e. name, photo, date of birth, etc), F1 visa, and I-94 (both sides).

Upon acceptance to Saddleback College, international students are expected to:

1. Enroll in and complete a minimum of 12 units each semester with a minimum 2.0 Grade Point Average (GPA).
2. Purchase health insurance coverage: Saddleback College and the South Orange County Community College District require that all international students have a valid health insurance plan from the district-approved carrier during their entire course of study. Students must have health insurance coverage in order to enroll in classes. Health insurance information is available at www.saddleback.edu/iso and at the International Student Office.
3. Pay non-resident tuition fees in addition to all other applicable fees during their entire attendance at Saddleback College.

Saddleback College international students with F-1 visas may enroll in a maximum of 6.00 units at Irvine Valley College when certain classes are not offered at Saddleback College to maintain their fulltime enrollment. International students with F-1 visas from other schools may enroll concurrently at Saddleback College on a part-time basis not to exceed six units. Students should consult the International Student Office for more information. Applicants with other types of visas (not F-1) should apply online through the Office of Admissions and Records at www.saddleback.edu/admissions.

For additional information, contact the International Student Office at 949-582-4637 or sc-iso@saddleback.edu.

Note: International applicants are not admitted to impacted programs, which include the Nursing and Paramedic programs. Please consult the International Student Office for a complete list of impacted programs.

Under the Office of Admissions & Records, the International Student Office at Saddleback College oversees the recruitment, admission, and retention of international students. The International Student Office provides a wide range of services to international students including admission, assessment, orientation, home-stay and F-1 visa advising. In addition, the Office coordinates events on-campus to promote global awareness and cooperation. The International Student Program at Saddleback College is governed under the South Orange County Community College District and U.S. federal regulations.
Matriculation Services

Philosophy
Saddleback College acknowledges the importance of maximizing the student’s abilities to make individual choices based on accurate, relevant information and is committed to developing, implementing, and refining policies and procedures which are in the best interest of the student. Matriculation is a process that brings the student and Saddleback College into a partnership.

In this partnership the student agrees to:
1. Complete the Matriculation process including: Online, Orientation, Assessment, and Online Advisement
2. Complete an abbreviated education plan and establish goals
3. Attend classes
4. Discuss academic goals with a counselor
5. Use support services as needed
6. Make progress toward achieving the goal
7. Follow recommendations given by counselor/instructor

Saddleback College agrees to provide:
1. Resources and support services
2. Assessment and college orientation
3. Counseling and advisement
4. Courses in basic skills
5. Individual comprehensive educational plans
6. Career, learning, and transfer centers
7. Continued monitoring of academic success

Steps in the Matriculation Process
Matriculation is designed to assist students in achieving their educational goals at Saddleback College. The process includes orientation, assessment, advisement, and follow-up services. Students required to matriculate must complete the following steps prior to registering for classes:

1. Orientation Online provides students with information about the many resources available at Saddleback College. Students learn about student services, special programs, and other student support programs. They are introduced to MySite, the student individual information system, and to the procedures for registration.
2. Assessment may include, but is not limited to, information regarding the student’s English language and reading proficiency, math skills, educational goals, academic history, and possible need for special services.
3. Alternative Evidence – Students who have completed and passed a math and English course at another college/university or taken and received a 3 or higher on the English and calculus AP exams can submit Alternative Evidence to complete this assessment step.
4. Online Advisement assists students to determine their educational goals, plan their first semester schedule, and prepare a “abbreviated educational plan.” Students learn about transfer, degree requirements, and vocational programs.

Follow-up services monitor the students’ progress throughout the academic year. Students on either academic or progress probation are notified of their academic standing and students on First Time Probation will be required to attend a probation workshop before they will be allowed to register. Early Alert Notifications may be used to notify students of their academic standing each semester so they can seek assistance from the Division of Counseling and Special Programs. Academic planning and Early Bird workshops may also be available as follow-up services.

Students must follow the Matriculation procedures and take their assessment exams at their school of record. All Saddleback College students are welcomed and encouraged to participate in the Matriculation process.

The Matriculation Office is located in Village 8. You may call the Matriculation Office at 949-582-4970 or visit our website at www.saddleback.edu/matriculation

Exemptions
There are special circumstances for which a student may be exempt from part or the entire Matriculation process. If you would like to determine if you are eligible for exemption, please contact the Matriculation Office at 949-582-4970 or visit www.saddleback.edu/matriculation

Retest Policy
Reading: Students may repeat the Reading assessment exam every six (6) months.
English: Students may retake the English assessment exam every six (6) months.
English as a Second Language (ESL): Students may retake the ESL assessment test every six (6) months.
Mathematics: Students are allowed to retake the same level math assessment exam once every three (3) months. Students may take different level math test with no waiting period.

Alternative Matriculation Services
Students may be referred to alternative services for the matriculation process if they indicate any of the following:
1. English is not their primary language, and the student does not feel proficient enough in English to take the regular English Placement Test.
2. They have a disability which creates educational or functional limitations that require academic accommodations.

Prerequisites/Corequisites/Limitation on Enrollment/Recommended Preparation
Saddleback College is committed to helping students select appropriate level courses in order to provide the greatest chance for their academic success. Information relating to prerequisites, corequisites, limitation on enrollment, and recommended preparation are printed in bold as part of the course descriptions in the catalog and with a padlock symbol to the right of the course description in the online class schedule.

Students are responsible for meeting the prerequisite, corequisite, limitation on enrollment, or recommended preparation prior to registering for any course with these restrictions. It’s recommended to clear all prerequisites a minimum of 2 weeks prior to your assigned registration time to avoid enrollment delays.

Prerequisite:
Mastery of a certain body of knowledge is necessary for students to be successful in the target course (the course that has the prerequisite). Most commonly, such knowledge is measured by successful completion of the prerequisite course listed in the class schedule. “Successful completion” is defined by a grade of “A,” “B,” “C,” or “P” (formerly CR) in the prerequisite course. Grades that are not acceptable are “C-,” “D,” “F,” or “NP” (formerly NC).

Corequisite:
Concurrent (simultaneous) enrollment in a companion course is required. The information presented, or the practice gained in the corequisite course, is considered necessary for success in the target course.

Limitation on Enrollment:
A condition of enrollment which limits how students qualify for a particular program. Limitations apply to courses that include public performance or intercollegiate competition where a tryout or audition is necessary. Some courses require formal admission to a particular program in order to enroll (e.g., Nursing, EMT, Paramedic).

Recommended Preparation:
Certain course preparation is advised before students enter the target course. These recommendations indicate preparation that is considered advantageous, but not essential, to the success in the target course.
How to Clear a Prerequisite

Students can clear their prerequisite requirement by completing any one of the following:

1. Complete an assessment exam at Saddleback College for English and/or math and place into the course above the prerequisite.
2. Complete the course(s) at Saddleback College with a satisfactory grade of “A,” “B,” “C,” or “P” (formerly CR).

Note: Grade of “C-” or lower is not satisfactory.

3. Provide alternative evidence, transcripts from another college or university, AP or CLEP test results, to the Matriculation Office if the course you are wishing to take has an English or math prerequisite. Courses that have prerequisites other than English or math must be evaluated by the appropriate division office. Such alternative evidence must demonstrate satisfactory completion of the prerequisite course with a grade of “A,” “B,” “C,” “CR,” or “P”.

Note: Grade of “C-” or lower is not satisfactory.

4. Provide acceptable evidence of an assessment exam administered at another accredited California community college. Students may clear prerequisites in English if the appropriate course placement is provided on their results. Math prerequisites may be cleared if the student took the same assessment exam as given at Saddleback College and their test type and score are provided on the results. Students must have the Matriculation Office evaluate all placement results for acceptance.

To clear an English or math prerequisite using alternative evidence or other community college assessment results:

Complete the College Prerequisite Evaluation Form, attach a copy of college transcripts or assessment results, course catalog description(s) and submit them to the Matriculation Office. For all other prerequisites please go to the division office where the course originates.

NOTE: Please submit evaluations a minimum of two weeks prior to your registration date. Delays in processing prerequisite evaluations will affect student’s ability to enroll in target courses. Specific information regarding procedures, timelines, and prerequisite evaluation notification is available in the Matriculation Office.

Courses offered in high school or for zero units cannot be used to satisfy a math or English prerequisite.

Course Prerequisite Challenge and Appeal Procedures

State regulations require the enforcement of prerequisites. A student may file an appeal based on the following criteria:

1. The student’s high school transcript.
2. College transcript and college catalog description of each mathematics courses on the transcript.
3. The level 4 mathematics placement test for all higher level math courses.
4. The level 3 placement test. Students must complete the level 3 mathematics placement test. Those seeking enrollment in MATH 251 must complete either the level 1 or level 2 mathematics placement test. Students who wish to enroll in MATH 7, 8, 9, 10, 11 or 12 must complete the level 3 placement test. Students who wish to enroll in MATH 251 must complete either the level 1 or level 2 mathematics placement test. Students who wish to enroll in MATH 7, 8, 9, 10, 11 or 12 must complete the level 3 placement test. Students must complete the level 4 mathematics placement test for all higher level math courses.

Once the completed Appeal Petition with required attachments has been submitted to the Mathematics, Science, and Engineering Division Office, SM 334, the student may be allowed to enroll in the higher level course if space is available. An Appeals Committee will review the Appeal Petition and the attached supporting documents within five working days. If the appeal is approved, the student will be allowed to enroll in the higher level course. If the appeal is denied, the student will not be eligible for the higher level course and will be dropped if prior enrollment was allowed.

Student’s Rights

Any student who feels they have experienced discrimination regarding the matriculation process has the right to file a grievance. Information may be obtained in the Office of the Vice President for Student Services, AGB 126.

English Composition Appeal Process

Students who receive a recommended placement in a basic-skills writing course, rather than a college-level writing course as a result of the initial assessment process and who wish to be considered for placement in college-level writing should take the Writing Sample Appeal. During the Writing Sample Appeal students will write an essay based on a prompt and passage provided by the Matriculation Office.

An Appeals Committee will meet and review the Writing Sample Appeal within five working days. If the appeal is approved, the student will be allowed to enroll in the higher level course. If the appeal is denied, the student will not be eligible for the higher level course and will be dropped if prior enrollment was allowed. Dates and times of the Writing Sample Appeals are available in the Matriculation Office (Village 8) or online at www.saddleback.edu/matriculation.

Mathematics Challenge Process

A student who desires placement in a higher level mathematics course than resulted from their assessment exam may attempt the High School Math Challenge. Students must turn in the High School Math Challenge Form and a copy of their high school transcript (not report cards) to the Matriculation Office in Village 8. High school transcripts can be used as a challenge only after the student has completed the math assessment with the Matriculation Office or turned in alternative evidence for math placement.

NOTE: Grade of “C-” or lower is not satisfactory and courses taken in high school summer or adult education programs are also not accepted for placement.

Mathematics Appeal Process

A student who desires placement in a higher level mathematics course than resulted from the usual assessment process and have been denied placement from the Math Challenge Process may complete an “Appeal Petition” and return it to the Mathematics, Science, and Engineering Division Office, SM 334. The following documents must be attached to the petition:

1. The student’s high school transcript.
2. College transcript and college catalog description of each mathematics courses on the transcript.
3. The results of the appropriate Saddleback College mathematics assessment test. Students seeking enrollment in MATH 251 must complete either the level 1 or level 2 mathematics placement test. Those seeking enrollment in MATH 205, or 253 must complete either the level 2 or level 3 mathematics placement test. Students who wish to enroll in MATH 7, 8, 9, 10, 11 or 12 must complete the level 3 placement test. Students must complete the level 4 mathematics placement test for all higher level math courses.
Registration for Classes

Open Enrollment Policy

Pursuant to the provision of Title 5 of the California Code of Regulations, commencing with Section 58102, the Governing Board of the South Orange County Community College District affirms a policy of open enrollment. Unless specifically exempted by statute, every course, every section, or class, wherever offered and maintained by the district and where state apportionment is reported, shall be fully open to enrollment and participation by any person admitted to the college and who meets such prerequisites as established by the Board in accordance with the above-referenced section of Title 5.

Registration for Classes

Students may register online or in person. Payment is due by the deadline stated on the internet. Payment for in-person registration is due at the time of enrollment. After selecting classes and paying all required fees, registration is completed. Consult the Admissions and Records website at www.saddleback.edu/admissions for the most recent registration information. Students must have officially enrolled and paid for classes during the registration period in order to receive a grade for the course. Classes cannot overlap, i.e., students may enroll in only one course in a time period. Please be aware that proof of prerequisite completion or alternative evidence may be required. (See Matriculation Services page 11)

New and Former Students

New students are those who have never filed an application or enrolled in classes at either Saddleback College or Irvine Valley College. Former students are those who have previously filed an application or attended either Saddleback College or Irvine Valley College but have been absent from the college for one semester or more, excluding summer.

Once an application is submitted, a registration permit is issued indicating a student’s assigned registration time for Internet registration. Students who apply online receive their registration permits by email.

Most students new to Saddleback College, except those who have already earned an associate degree or higher degree, should participate in an assessment and orientation session prior to registering for classes. Students who are advised to participate are encouraged to take advantage of an assessment and orientation session prior to registering for classes. The assessment process is described further under “Matriculation Services” on page 11.

Continuing Students

Continuing students are those who have been registered during the previous semester (including or excluding summer). Continuing students need not file an application. Continuing students may view their assigned registration time at the MySite web portal. Registration times are determined by the number of units the student has completed within the South Orange County Community College District. Those who have already completed more than 80 units are given appointments toward the end of registration.

Maintaining Student Contact Information

It is important for students to maintain current contact information, including the phone number and address in their college record. Information may be updated through the student’s MySite account under “My Information.” If the post office reports a forwarding address that the student has filed, the college records will automatically be updated to reflect that change.

Student Status:

Part-time: Student taking fewer than 12 units
Full-time: Student taking 12 or more units
Freshman/First year standing: Student who has completed fewer than 30 units.
Sophomore: Student who has completed 30 or more units
Graduate: Student who has been awarded the Associate in Arts or Science degree or a higher degree by a regionally accredited college.

Repeating Courses

(Also see Academic Regulations and Announcement of Courses sections of this catalog)

The number of repetitions allowed for each course is listed in the college catalog following the course description. Students may not exceed the number of course repeatability as determined by state regulations. Students registering in a course not identified as repeatable or repeating a course more often than permissible will be withdrawn from the course.

Adding Courses

Students may add open classes through the day prior to the start day of the class. Once the class has started or has become full, students must request permission to add the course from the instructor. If permission is given, an Add Permit code will be issued. Students are required to add the course on-line or in-person by the last day to add as noted on the Add Permit Code form. Payment is required at the time of enrollment. Students who miss the deadline to add are encouraged to enroll in late-starting classes.

Withdrawal From Courses

It is the student’s responsibility to officially withdraw from courses for refund purposes and to avoid receiving a substandard grade. Students are limited to a total of three withdrawals in a given course. Students may withdraw from courses online through MySite.

Although it is the student’s responsibility to withdraw from courses, instructors have the authority to drop students who miss the first class meeting.

Deadlines for Dropping or Withdrawing from Classes

In accordance with state regulations, the deadlines for grading purposes are as follows:

- 20 percent of the course based on ticket number-drop without a “W” on the transcript
- 65 percent of the course based on ticket number-drop with a grade of “W” on the transcript

It is the student’s responsibility to consult the online class schedule for specific course deadlines as they may vary.

NOTE: Only student initiated or no-show drops completed prior to the refund deadline are eligible for refund consideration. (See Student Fees/Refunds/Credits for further information regarding refunds.

Financial Aid recipients see the Financial Aid section of the catalog regarding Title IV repayment policy.
All fees are subject to change

**Associated Student Body (ASB) Stamp Fee**

The $10 ASB stamp fee provides a variety of benefits to students and supports, as part of the total ASG budget, a variety of student programs and services, such as Athletics, Fine Arts, Scholarships, access to the ASG office, and many other student-sponsored activities. In purchasing the ASG Stamp you will also receive a FUND card valued at over $160 in discounts. The ASB fee is non-refundable. The ASB stamp fee can be purchased online and in SSC 211, in the ASG Office.

**Enrollment Fee**

The Enrollment Fee is $46 per unit with no maximum. This fee is subject to change by the State of California.

**Health Fee**

All students who enroll in classes held on the Saddleback College campus are required to pay $19 per regular semester and $16 for the summer session. The health fee entitles students to a variety of health services. (Please note, this is not a personal health insurance policy). The student health fee is state mandated for all students who take on-campus classes and may be voluntarily paid by students taking off-campus or distance education classes who want to use these services. Health fees may be subject to change during the academic year.

State law provides the following exemptions from the health fee. Students must submit proof for these exemptions at the time they register:

1. Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization
2. Students who are attending a community college under an approved apprenticeship-training program.

**Material/Lab Fees**

The policy for requiring students to provide instructional and other materials and establishing the provisions for assessing the students a fee for a credit or non-credit course shall conform to the following guidelines:

1. The materials shall be tangible personal property which are owned or primarily controlled by an individual student.
2. The material is of a continuing value to the student outside of the classroom setting, which can be taken from the classroom setting, and which is not wholly consumed, used up or rendered valueless as it is applied in achieving the required objectives of a course which are to be accomplished under the supervision of an instructor during class hours.
3. The material shall not be solely or exclusively available from the district except if it is provided to the student at the District's actual cost and:
   a. The material is otherwise generally available, but is provided by the district for health and safety reasons; or
   b. The material is provided in lieu of other generally available but more expensive material which would otherwise be required.

Any materials not meeting these guidelines will be provided by the District to students at no cost to the student.

**Parking Fees**

Students who intend to park in a student lot must purchase a parking permit each semester. An annual permit which includes Fall, Spring, and Summer is available for purchase in the Fall only. Additional information can be found in the Parking section of this catalog.

Day parking permits can be purchased at any one of the yellow permit dispenser machines currently located at the Medical Center Drive campus entrance next to the flag pole; at the north end of parking lot 10, at lot 5A (Near Tennis Courts); and at parking lot 1. Timed metered parking is available at the north end of lot #9.

**Returned Check Fee**

Non-Sufficient Funds and Stop-Payment Check Charge Policy

In accordance with California Civil Code Chapter 522, Section 1719, the District hereby establishes a processing fee for handling non-sufficient funds (NSF) and stop-payment checks. The amount of the fee will be reviewed and approved annually by the Board of Trustees.

Each check dishonored by your bank for whatever reason is subject to a processing fee.

A $20 processing fee will be charged for all returned checks.

The Saddleback College bookstore is a contract service and is not subject to this policy. Please contact the bookstore for their check return policy.

**Transcript/Verification Fees**

Transcripts: Students are entitled to two free transcripts and/or verifications. Additional copies are $3.00 per copy. Transcripts may be ordered online or in-person only. (The online system does not accommodate the two free transcripts.)

Emergency Transcripts are $5.00 in addition to the transcript fee. Emergency transcripts are processed within 24 hours during normal business hours after requests are received.

Saddleback College transcripts do not include Irvine Valley College. Students need to make separate requests to each college. Visit saddleback.edu/admissions/transcripts for more information.

Verifications of Enrollment a standard official verification of enrollment may be downloaded free of charge through MySite. Choose MyInformation then choose Official Enrollment Verification.

Other types of verifications are $3.00 after the first two free transcripts or verifications.

Emergency Verifications are $5.00 in addition to the verification fee. Verifications may also be ordered by mail or in person. The Verifications Request Form may be downloaded from www.saddleback.edu/admission/forms.html. Mail requests to:

Saddleback College
Office of Admissions and Records
Verification Unit
28000 Marguerite Parkway
Mission Viejo, CA 92692
Refunds/Account Credits

Student must officially drop classes through on-line, telephone or in-person registration within the established refund deadline dates in order to be eligible for a refund of fees paid. There are no refunds for classes added or dropped after these refund deadline dates.

It is the always the student’s responsibility to drop a class prior to the refund deadline date to ensure a refund. Students who add or drop a class after the class’ refund deadline dates are not entitled to a refund. Also, students who are dropped from a class by an instructor after the class’ refund deadline date are not entitled to a refund. Students dropped from a class after the class’ refund deadline date due to non-payment are not entitled to a refund. The only exception to this policy is when the college cancels the class. In this instance, fees charged for the cancelled class will be refunded.

Dropping classes within the refund deadline dates will generate a credit on the student’s account. These credits can be kept on the student’s account, or can be refunded. Refunds are not automatically sent to students. They must be requested by submitting a completed refund request form to the Student Payment Office. These forms are available in the Student Payment Office or on-line. To access refund forms on-line, go to www.saddleback.edu/spo and click on the refund form link.

Money in a student’s account is considered the student’s property, and is returned only to the student. The only exception is when the funds were provided by an organization which the college has an existing refund return policy with, such as the California Department of Rehabilitation.

Non-Resident Fees

Application Fee

Non-resident students who are citizens and residents of a foreign country will be charged a non-refundable fee of $54 at the time the application is submitted and each time an application is submitted. Non-resident/non-citizen students who can validate asylee/refugee status or who are evaluated to have a financial hardship may be exempt from this fee.

Capital Outlay Fee

Students who are U.S. citizens but not California residents, as well as students who are not U.S. citizens, will be charged a capital outlay fee of $33 per unit. This is in addition to the $46 per unit enrollment fee and the $190 per unit tuition fee.

Students who are not U.S. citizens but can validate asylum/refugee status, or who have been evaluated to have a financial hardship, may be exempt from this fee.

Tuition Fees

Students who are U.S. citizens but not California residents, and students who are not U.S. citizens, will be charged a tuition fee of $190 per unit. This is in addition to the $46 per unit enrollment fee and the $33 per unit capital outlay fee.

Students who are not U.S. citizens but can validate asylum/refugee status, or who have been evaluated to have a financial hardship, may be exempt from this fee.

Associated Student Body (ASB) Fee Refund/Credits

The Associated Student Body (ASB) stamp fee is non-refundable.

Enrollment Fee Credits

Students are eligible for an enrollment fee credit if the class is dropped prior to the published refund deadline date for that class, or if the class is cancelled by the college.

Health Fee Credits

Students are eligible for a health fee credit only if all on-campus classes are dropped prior to the applicable deadline date for each class, or if the student’s class(es) have been cancelled by the college.

Material/Lab Fee Credits

Students are eligible for a material/lab fee credit if the class is dropped prior to the refund deadline date for that class, or if the class is cancelled by the college.

Non-Resident Tuition Credits

A request for credit of non-resident tuition may be made in any of the three categories listed below:

1. Non-resident tuition fees collected in error. In such cases, 100 percent of the non-resident tuition will be credited.

2. Non-resident tuition fees refundable as a result of the cancellation of a class or some similar action on the part of the college, clearly beyond the control of the student and for which the fees have been paid. In cases of cancellation of a class, 100 percent of non-resident tuition will be credited.

3. Non-resident tuition fees refundable as a result of a student’s reduction of units prior to the class(es) refund deadline date.

Parking Fee Credits

Credits on parking fees will be given only when all of the following conditions are true:

1. When a class is canceled and the student is not attending any other classes on campus during the semester, or if the student officially withdraws from all of their classes during the first two weeks of a regular term, or during the first week of eight-week terms.

2. The student Parking Decal is turned in to the Campus Police Department. During the first two weeks of a regular semester or during the first week of an eight-week session.
Student Support Services

Bookstore

A variety of reading materials, personal-use items, new and used textbooks, a large selection of college logo items, class supplies, and packets are available at the college bookstore. Some textbooks may be rented or made available as e-books. The college bookstore is operated by Follett College Stores under contract with the district and Saddleback College.

The Saddleback College bookstore is located in the Student Services Center, Room 133. Call 949-582-4715 for additional information.

California Work Opportunity and Responsibility for Kids (CalWORKs)

Saddleback College CalWORKS program is designed to assist students to develop the necessary skills, knowledge, and experience that will make them more marketable with employment after earning a certificate and/or college degree. Students are provided services such as academic, personal, career counseling, and work-study. For office hours or more information, call the CalWORKS office 949-582-4207 or visit www.saddleback.edu/eops/calworks.

Campus Preview Tours

Guided tours are available to any individual or group interested in viewing the campus. Reservations are necessary. Please call the Outreach Department 949-582-4218 to schedule a tour.

Center for Career and Life Development (CCLD)

The Center for Career and Life Development includes: Career Guidance Services and Re-Entry Services. The CCLD provides assistance, planning, and support for students and potential students. It is located in the Student Services Center, Room 140. Individual assistance is available by appointment. Career computer lab and library resources are available when groups or classes are not scheduled for visits. Additional services and resources are available on our website, visit www.saddleback.edu/ccld/. Appointments can be scheduled by calling 949-582-4575.

Career Guidance Services are open to anyone who needs assistance with making a career decision, choosing a major, researching career demographics, or enrolling in a course that requires career exploration. Applied Psychology and Women's Studies 120 courses are available during the Summer, Fall and Spring semesters. Educational and occupational information is available in the computer lab and library to explore at the student's own pace. The resource materials in the computer lab and library include career information that describes duties and responsibilities of careers, future career trends, and salary ranges. Additional resources include career technical education, college catalogs, scholarship resources, re-entry information, and online and traditional educational options that may lead to career or transfer. In addition, career assessment packages can be purchased at the CCLD to support courses and student learning objectives. Computerized assessment systems that measure abilities, skills, personality and values with comprehensive demographic information and self-evaluation tools are available for free or at a nominal fee. Some assessments can only be taken with a referral from a counselor at Saddleback and a scheduled appointment to review the results. Career Counseling is available by appointment during the Spring and Fall semesters.

Re-Entry Services (Women's Resource Services) helps men and women who are searching for ways to return to school, change careers, or find new direction and support in their lives. The Re-Entry Services Program acts as a liaison for students which may include relationships with the Employment Development Department (EDD), inmate correspondence, international students, English as Second Language students, crisis intervention team, health services, and the Women's Studies Department on campus. The program provides advisement and referrals to on-campus resources, finding a career direction, and an overall assessment of barriers that prevent a student from being successful in college. Additionally, it provides updated lists of low cost and sliding scale community resources and programs to address the student's needs. Workshops, support groups, and specialized Re-Entry scholarships are available for re-entry students. The program is particularly committed to expanding student awareness of opportunities for those who are underrepresented or returning to complete educational training as well as overcoming life barriers. Individual appointments are available and are recommended to be scheduled in advanced.

Child Development Center

The Child Development Center offers educational opportunities and services primarily for registered pre-school children of Saddleback College students. Faculty and staff of SOCCCD and community members may also utilize the center. This program recognizes and supports the fact that parents with children are enrolled at the college. Furthermore, proper care for a child is often a determining factor in a parent's decision to attend and succeed in entering college or a career. The center provides an educational experience and includes activities such as art, music, cooking, language arts, and science. Children eligible for enrolling in the pre-school program must be at least 18 months of age and may remain in the program up to their entrance into kindergarten.

Priority is given to parents who have first registered at Saddleback (for 6 or more semester units). Additional to the program for children of Saddleback College students, space is available for faculty and staff of SOCCCD and community (non-student) members seeking a positive educational child development environment for their children. All interested parents from throughout the community are encouraged to contact the center for further information, including program options and current fee schedule.

The center is located at the south end of the campus on College Drive East (Parking Area 1A). For more information call 949-582-4582 or visit www.saddleback.edu/cdc/.

Counseling Services

Saddleback College provides complete counseling and career development services. These services include individual and/or group counseling for personal concerns and career decision-making; assistance with educational program planning and course selection; preparation for transfer, a degree, or a specific job; and assistance with beginning or returning to school. Students are encouraged to avail themselves of these services.

A major function of counseling is to provide students with information about themselves to assist them to succeed in their studies. Accurate information is essential in planning. Counselors serve as valuable resources in this process.
Counselors are available day and evening, either by appointment or on a walk-in basis. Appointments are especially recommended well in advance of registration periods. Online advising is available at www.saddleback.edu/counseling/advisor. Online advising may not be used for such tasks as evaluating transcripts or personal counseling, but can be very useful for obtaining answers to a wide variety of counseling-related questions.

Saddleback College students wishing to make an appointment may call or stop by the Counseling Office located in the Student Services Center, Room 167. The number is 949-582-4572.

Credit courses listed under Applied Psychology are offered to assist students in gaining the most from college. For example, APSY 140 is a course designed to help orient the student to college life and assist them in education and vocational planning. In addition, there are opportunities for students to enroll in courses in Applied Psychology in such areas as career planning, study skills, testing, decision-making, and the helping relationship. Seminars and workshops on many related topics are also available.

Escort Service

Saddleback College provides a Security Escort Service between classrooms and other areas of the campus. Students wishing to use this service should phone 949-582-4585 or *80 on any on-campus pay phone to make arrangements for a security escort.

Extended Opportunity Programs and Services (EOPS)

EOPS is a state-funded program which serves students who are educationally and financially disadvantaged. A main objective of EOPS is to ensure participants equal access to success while achieving a certificate, Associate of Arts or Science (AA/AS) degree, and/or meeting four-year university transfer requirements. This special program provides services that assist qualified students in overcoming obstacles to college education. These services may include academic, career, and personal counseling; book service; priority registration and assistance in transferring to four-year colleges and universities. Interested students should apply at the EOPS office in the Student Services Center, Room 126, or call 949-582-4620 for information or online at www.saddleback.edu/eops/

Cooperative Agencies Resources for Education (CARE)

As a supplement program of EOPS, CARE provides educational support services for EOPS-eligible students who are single heads of households receiving CalWORKs (California Work Opportunity and Responsibility to Kids). More information is available at the EOPS office in the Student Services Center, Room 126, or call 949-582-4620 or visit our website at www.saddleback.edu/eops/eopscare.

Student Payment Office

The Student Payment Office is in the Student Services Center, Room 208.

The SPO —
1. Collects student fees and fines
2. Processes refund requests
3. Disburses financial aid checks
4. Processes payment deferral requests
5. Posts and removes fiscal holds (these are holds for non-payment) on student accounts

In addition, all student account audits and changes to student accounts are done by the SPO. For further information, please call 949-582-4870 or visit our webpage at www.saddleback.edu/spo.

Food Services

The Saddleback College Cafeteria/Food Court is located in the Student Services Center and provides students with a full range of food services. Vending machines and coffee/food carts are located throughout the campus. Students’ suggestions for food service may be submitted through participation on the Food and Beverage committee, Student Development Office, or directly to the cafeteria manager. Catering of special events is also offered by the cafeteria.

Health Services

The Student Health Center provides health care and psychological services to all students enrolled in on-campus classes during the current semester in order to facilitate the physical, emotional and social well-being of students in ways that will increase their potential for educational success.

The student health fee is state mandated for all students who take on-campus classes and may be voluntarily paid by student taking off-campus or distance education classes only who want to use the services Provided by the Student Health Center.

A team of medical physicians, registered nurses, and clinical psychologists and medical health intern therapists provides care. Services include basic medical interventions and treatment, individual, couple, and family psychological therapy and testing, general health assessment and education, vision and hearing screenings, emergency first aid, insurance for college-related injuries, immunizations, TB, HIV and all other STD testing. Additionally, annual well-women examinations are available including Pap tests and birth control. Alcohol drug and other substance abuse prevention, intervention, and support services are also provided.

The Student Health Center maintains literature on a wide variety of health topics, including the Saddleback College publication, Sexual Assault Education, Victim Survival Guide and Campus Reporting Protocol (California Education Code, Section 67385).

International Students Office

The International Student Office provides services to international students who hold F-1 (student visas) by assisting them in the admissions, assessment, and orientation processes and with home-stay and visa applications as well as in the preparation of documents required by the United States Citizenship and Immigration Services. The office is located in the Student Services Center, Room 107. For more information, please call (949) 582-4637 or visit our website at www.saddleback.edu/iso.

Learning Resource Center Tutoring

LRC tutoring provides free tutoring for Saddleback College students. Varied tutoring services are available to satisfy student needs: drop-in, one-to-one, groups, exam review sessions, and faculty led skills workshops.

Free tutoring, located in LRC 212, is provided during the fall, spring, and summer terms. The LRC is closed weekends. More information is available by calling 949-582-4519, or by visiting our website at www.saddleback.edu/tutoring.

LRC Tutoring Computer Skills Lab

The Skills Lab Computer Center, located in LRC 258, offers students the opportunity to use software specific to course assignments, explore learning through the Internet, and strengthen their knowledge of technology by learning more about Blackboard, MySite, and how to be successful in online classes. Qualified personnel will assist students with their learning needs. For more information call 949-582-4441 and visit the LRC Tutoring website www.saddleback.edu/tutoring.
Library Services

The Saddleback College Library's mission is to assist students and faculty with their research and personal information needs. The Library is located on the third floor of the renovated Library/LRC Building. For complete information about library resources and services visit the website at www.saddleback.edu/library, or call 949-582-4314.

Borrowing and Renewing Materials

District students, faculty, and staff may borrow circulating materials with a valid photo ID. Valid users may check out up to nine items in the circulating collection for a period of three weeks. Items (not overdue or for which there is a hold by another user) may be renewed once, in person or by phone.

Fees, Fines, and Holds

Overdue items result in a “hold” on student records that prevents students from registering, adding, dropping classes, and/or receiving grades, transcripts, or diplomas (California Education Code §72337). To remove the “hold,” a fee will be charged for each overdue item as follows: general collection books – $5; reserve textbooks – $5 per day to a maximum fine of the price of the book; lost/damaged items – price of the item plus a $10 processing fee (late fees will apply as well).

Disabled Student Programs and Services (DSPS)

The DSPS Program at Saddleback College provides support services and specialized instruction for students with disabilities. Documented verification of disability is required, and students must apply in the DSPS office to determine eligibility. Students with a disability who believe they may qualify for a course substitution should contact a DSPS counselor or specialist in SSC 113.

The following support services are available for eligible students at Saddleback College: academic, personal, and career counseling; priority registration; accommodated testing; mobility orientations and campus-accessibility maps; notetaking, reader, and transcription services; print enlargement; alternative media production; adapted computer labs; sign-language interpreter services; and liaison with faculty and community agencies. In addition, DSPS offers specialized courses in strategy training, basic skills, and adapted computer and adapted kinesiology (formerly physical education). Arrangement for support services must be made in advance. Access and medical parking permits can be obtained at the Campus Safety Office.

For further information on services and instruction for students with disabilities at Saddleback College, contact the DSPS office in the Student Services Center, Room 113, or call 949-582-4885 or Telecommunication Device for the Deaf 949-582-4833, video phone 949-482-4430, or visit our website at www.saddleback.edu/dsp.

Any concern regarding access to programs and services should be directed first to the Coordinator of DSPS (949-582-4885), or to the Dean of Transfer, Career, and Special Programs (949-582-4418) and finally, if not resolved, to the President of Student Services (949-582-4567) who is the 504 Officer/ADA Coordinator, Saddleback College, 28000 Marguerite Parkway, Mission Viejo, CA 92692.

Student-Faculty Conferences

The full-time faculty members of Saddleback College maintain office hours during the fall and spring semesters to consult with students concerning class assignments, methods of studying in particular courses, review of test results, other measures of academic achievement, and advisement for program planning when appropriate. Check with the division office for faculty members’ scheduled office hours.

Student Financial Assistance Program

The Financial Assistance Office is here to provide students and the community a better understanding of financial aid programs and services available. We value and take pride in the diversity of our students and the support we provide in promoting student success. There are many financial aid programs that can help students with fees, books, supplies, transportation, housing, and other related educational expenses.

All students may be eligible for some form of assistance based on their financial need. Students may apply for aid by filing a Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov.

Basic Student Eligibility Requirements for Federal Student Aid

- Be enrolled as a regular student in an eligible program which includes certificate, associate in arts degree, or transfer programs
- Cannot also be enrolled in elementary or secondary school
- Have a high school diploma or equivalent
- Make satisfactory academic progress
- Meet enrollment status requirements
- Have resolved any drug conviction issue
- Be a citizen or eligible noncitizen
- Have resolved any default on a FSA loan or overpayment
- Have a valid social security number
- Men aged 18-25 must register with the Selective Service System or meet exemption requirements
- Resolve any conflicting information

There are also program-specific eligibility requirements that may be required.

To be considered for financial aid, students must complete the Free Application for Federal Student Aid (FAFSA) or the renewal application. These applications are usually available beginning in January for the following academic year. If a student is interested in a State of California Grant, the FAFSA and a GPA verification form must be completed. The Cal Grant program deadline is March 2nd of each year.

For students who miss this deadline, there is a second opportunity only for community college students to apply for Cal Grants. The deadline for this is September 2nd.

The FAFSA is the application for the following Federal and State programs:

Federal Programs

Federal Pell Grants are awarded to eligible undergraduate students who do not have a bachelor's degree, or professional degree. The amount of money awarded is based upon a student’s Expected Family Contribution (EFC), the number of units enrolled, and the cost of attendance.

Federal Supplemental Educational Opportunity Grant (FSEOG) is awarded to eligible Pell Grant recipients with exceptional financial need. It is awarded on a “first-come, first-served” basis and is dependent upon funds available. Students must have a zero EFC and be enrolled in at least six units to receive the funds.

Federal Work-Study (FWS) is a program with limited funding which provides employment to help pay for part of a student’s educational costs. This program is based on financial need and, if awarded, is part of a student’s award package. Students on FWS may work approximately 10 hours per week on campus.
William D. Ford Federal Direct Subsidized and Unsubsidized Loans must be repaid. Students must complete a Free Application for Federal Student Aid (FAFSA) first. Once a student receives a financial aid award letter, the student may apply for a student loan at www.saddleback.edu/fao/DirectLoanprogram.html. The amount of loans range from $3,500 to $10,500 per academic year. Loan amounts will be determined at the time the Financial Aid Office certifies a loan application.

Both entrance and exit counseling are requirements of the William D. Ford Federal Direct Loan Program. Students must maintain at least half-time enrollment status to receive a loan. Once a student receives loan funds, the student must maintain reasonable progress toward a certificate, associate degree, or transfer program. In reviewing a request for any loan, the Financial Aid Office may use “professional judgment” to deny a student a loan on a case-by-case basis. If denied a loan, a student will receive a letter from the Financial Aid Office indicating the reason(s) for the loan denial.

State Programs

Board of Governors Fee Waiver (BOGFW) is a program that provides assistance with mandatory enrollment fees for the entire academic year (summer, fall, and spring semesters). There is no limit to the number of units that are covered by the BOGFW.

To receive this assistance, students must complete a Fee Waiver Application or must have applied for financial aid through the FASFA or the California Dream Act, and be a California resident or an eligible AB 540 student.

For more information, contact the Financial Aid Office, or visit our web page at www.saddleback.edu/fao.

The Cal Grant Program is a state funded educational opportunity program to assist students in paying for a college education. There are entitlement awards as well as competitive awards. Application deadlines are in early March and September for community college students.

All basic Cal Grant eligibility requirements are as follows: a) be a California resident, b) be a U.S. citizen or eligible non-citizen, c) meet U.S. Selective Service requirements, d) attend a qualifying California postsecondary institution, e) be enrolled at least half-time, f) maintain satisfactory academic progress as defined at the school of attendance, g) have family income and assets below the established ceilings, h) not be in default on any student loan, i) not owe any federal or state grant refund, and, j) not have a bachelor's or professional degree before receiving a Cal Grant (except for extended Cal Grant A or B awards for a teaching credential program).

Cal Grant B Entitlement Awards are for every graduating high school senior who has at least a 2.0 GPA, meets all the Cal Grant requirements and applies by March 2 within one year of graduating (or receiving their GED). This Entitlement Award provides up to $1473 for books and living expenses for the first year. Beginning with the second year of Cal Grant B benefits, this award also helps pay for tuition and fees at public or private four-year colleges or other qualifying institutions.

Cal Grant B Competitive Awards are for students who aren’t eligible for the Entitlement awards. Awards are for students who have at least a 2.0 GPA, meet all the Cal Grant requirements and apply by either the March 2nd or September 2nd deadline. The award provides up to $1473 for books and living expenses for the first year. Beginning with the second year of Cal Grant B benefits, this award also helps pay for tuition and fees at public or private four-year colleges or other qualifying institutions.

Cal Grant C Awards are available to assist students with tuition, fee, and training costs for occupational or vocational programs. The $547 Cal Grant C award provides for books, tools, and equipment. To qualify for Cal Grant C awards, students must meet basic eligibility requirements and be enrolled in a vocational program that is at least four months in length. For more information, visit the California Student Aid Commission website at www.csac.ca.gov.

The California Chafee Grant Program gives up to $5,000 annually in free money to foster youth and former foster youth to use for vocational school training or college courses. To apply, you must be eligible, or have been eligible for foster care, between your 16th and 18th birthday, and not have reached your 22nd birthday as of July 1 of the award year.

Scholarships

Scholarships are like grants, they do not have to be repaid. The Financial Aid Office is the steward of a number of scholarships that may or may not require financial need. Applications are available in the Financial Aid Office. For information on scholarships, visit www.saddleback.edu/fao/ScholarshipInfo.html.

Return of Title IV Funds (HEA)

Title IV funds are awarded to students under the assumption that they will attend school for the entire period for which the financial aid is awarded. When a student withdraws, the student may no longer be eligible for the full amount of Title IV funds that the student was originally scheduled to receive.

“Return of Title IV funds” will require repayment of Title IV funds, (Federal Financial Aid).

Any aid recipient who needs to withdraw from all classes should contact the Admissions and Records Office and the Financial Aid Office. Recipients are encouraged to discuss alternatives to withdrawing from class(es) with their instructor(s) or a counselor before making a final decision.

For additional information on Title IV requirements, please contact the Student Financial Assistance Office, in the Student Services Center, Room 106, phone 949-582-4860.

Grant Over-Awards

There are occasions when students receive financial aid payments based upon misreported information. This results in a grant over-award. Examples of misreported information include inaccurate or omitted income, prior loan defaults or grant overpayments, having a bachelor’s degree, not having a high school diploma or GED, forged signatures, and unsatisfactory academic progress, just to name a few.

Students who receive grant funds due to misinformation as noted above are required to repay THE ENTIRE SUM RECEIVED.

To Maintain Financial Aid Eligibility

In accordance with federal regulations, each student receiving financial aid is expected to maintain satisfactory and measurable academic progress, whether or not the student is a prior recipient of financial aid. Failure to meet federal standards will result in the denial of aid, except the BOGFW program. Academic progress for Saddleback College students is evaluated at the end of each term.

Satisfactory and measurable academic progress is defined as successfully maintaining cumulative GPA (grade point average) of 2.0 (C or greater) and complete 70% (or more) of all units attempted. Also, a student cannot exceed 150% of the maximum time frame as stated in the student educational objective.
Student Permanent Photo IDs

Student photo for IDs can be taken in Admission and Records during normal business hours. To be issued your one-time permanent photo ID, you must have your student number, be currently enrolled, have Saddleback College as your college of record, and bring a picture ID for verification (e.g., driver's license or passport). Your student ID is used for college services including the library. If you have any questions, please contact the Office of Admissions and Records at 949-582-4555.

Transfer Center

The Transfer Center provides services and special events for students preparing to transfer to four-year colleges and universities. Transfer Center counselors and representatives from four-year colleges and universities offer specialized counseling in Associate in Transfer Degrees (AA-T/AS-T); college applications and personal statements; Honors Program academic plans; and Transfer Admission Guarantees (TAG). The Transfer Center workshops include the following topics: College Admission Appeals, AA-T/AS-T, College Applications and Personal Statements, Financial Aid, High School Bridge, Honors Program, Post-Application, TAG, and VETS. The Transfer Center hosts multiple college fairs each semester which attract over 80+ CSU, UC, In-State Private, and Out-of-State colleges/universities.

The Transfer Center also provides counseling and resources for students preparing for a Career in Teaching (PACT). Through the Teacher Preparation Pipeline (TPP) grant, the Education Department offers field experience in elementary or high school classrooms as part of a transferable teaching methodology class (EDUC 90 or EDUC 115). Resources available to PACT students include scholarship resources, teacher preparation workshops, test preparation information, specialized counseling, and the Future Teachers Club.

For more information visit us in SSC 225B, call us at (949) 582-4328, visit our website at www.saddleback.edu/transfer or email us at scto@saddleback.edu.

Veterans Administration (VA) Education Benefits

The Veterans Office provides assistance to students by completing the paperwork required for VA education benefits. Students who qualify for VA education benefits are encouraged to take advantage of their entitlement. In addition to providing education benefits to veterans, this office assists veterans, spouses, and children apply for VA education benefits to which they are entitled.

The Veterans Office is located in the Student Services Center (SSC), Room 108. The phone number is 949-582-4871. This is a college service office, not a branch of the federal government.

The Tuition Assistance (TA) program for active duty military personnel is processed through the Veteran Office. Active-duty military personnel using the TA program must submit a Military Tuition Assistance form to the Veterans Office. This form must be signed by the person's Commanding Officer, and by the base Joint Education Officer. This form is available on-base at the base Education Office.

Veterans Education and Transition Services (VETS)

Saddleback College is committed to easing the transition process and providing opportunities for success to our United States military Veterans. The VETS Program directly provides support services and acts as a bridge to external support services for student Veterans, active military personnel, and their loved ones. VETS Program services include yet are not limited to: new student guidance, Veterans counseling, scholarship assistance, a link to the Veterans Club, Veterans outreach, and a venue for community building. Saddleback College also offers a “Boots to Books” course which integrates Veterans specific topics into the curriculum of Applied Psychology 140 (3 units; CSU transferable). The VETS Program hosts events aimed at reintegration into civilian and college life.

The VETS Center is located in the Student Services Center, Room 207. For more information, phone 949-582-4252, visit our website at www.saddleback.edu/vets, or email us at vetsoutreach@saddleback.edu.
Student Activities/College Life

Alumni Association
The mission of the Alumni Association is to help re-establish old friendships while supporting the College. The Alumni Association hosts a variety of events and activities throughout the year that bring former and current students together. For more information, contact the Alumni Association Office at 949-582-4284.

Associated Students of Saddleback College
Saddleback College supports the organization of students known as the Associated Students of Saddleback College. The association promotes the following objectives:

1. To serve as an active student voice in the operation of the college, including both shared governance and the management of student activities.
2. To provide an opportunity for leadership experience and training for students.
3. To enhance, wherever possible, the general excellence of the college, uniting the interests of all persons — faculty, administration, local residents, and students.

Associated Student Government
The Associated Student Government (ASG) plans, organizes, promotes, sponsors, and finances a comprehensive program of activities and services for all Saddleback College students. Participating in ASG and Campus Clubs gives students the opportunity to learn valuable leadership, organizational, and communication skills which will enhance their college experience and provide a foundation for their future. ASG also provides an excellent opportunity to have a voice in policy making on the campus. ASG, along with numerous campus clubs, participate in the planning and execution of special events such as: Blood Drives, Club Fairs, Homecoming, Earth Day, Multicultural Day, Campus-Wide BBQs, and many more. ASG leaders are also actively involved in various campus-wide governance committees. The Associated Student Government Board of Directors meets on Thursday afternoons in SSC 211C. The meetings are open to the public.

Student Development and Campus Life
The Student Development Office is committed to the philosophy that students who participate in the life of a college excel academically, personally and professionally. Students who participate in co-curricular activities, building relationships with faculty, staff, and peers are most likely to stay in school and persist to graduation. Therefore, the Student Development Office exists to support the leadership and personal development of our students through opportunities such as the Associated Student Government (ASG) and campus clubs.

Associated Student Body Gaucho Stamp
The Associated Student Body Gaucho stamp provides an excellent program of activities and services. The funding for this program comes, in part, from the sale of the ASB stamp. Students are encouraged to purchase the stamp during online registration or at the ASG office, SSC 210, during posted hours. This stamp provides the holder with free admission to athletic events as well as special discounts on many other college events. The stamp is placed on the student ID when picked up from the Student Development office. A receipt must be presented to redeem. In addition, each stamp holder will receive a FUND card comprised of $160 of local discounts. For additional information, please contact Student Development, SSC 210 at 949-582-4616.

Athletics and Related Activities
Saddleback College fields 19 intercollegiate athletic teams which compete in the most competitive community college conferences in the nation. Participation on these intercollegiate athletic teams is open to any Saddleback College student enrolled in 12 or more units (other eligibility rules apply).

Men's intercollegiate teams include: Baseball, basketball, cross country, football, golf, swimming and diving, tennis, track and field, and water polo. Women's intercollegiate teams include: Basketball, cross country, golf, fastpitch softball, swimming and diving, tennis, track and field, volleyball, water polo, and soccer.

The athletic programs are supported in part by the Associated Student Body at Saddleback College.

For more information on the athletic program, please contact either the Athletic Department 949-582-4547 or the Sports Information Office 949-582-4490.

College Student Organizations/Clubs
The Inter-Club Council, or ICC as it is more commonly referred to as, is the governing body that oversees the operations of all campus organizations at Saddleback College. ICC holds monthly meetings educating student leaders on effective club management as well as holding campus-wide club events to foster community. Serving as a leader to a college club has proven to increase one's chances of gaining admissions into your 4-year university of choice by demonstrating a well-rounded student of academics, extra-curricular activities and leadership skills.

Each month clubs can be found recruiting and sponsoring programs on the Quad. To find out more please go to: www.saddleback.edu/clubs

Cultural Activities
The Associated Student Government is home to the International and Diversity Student Council that upholds the mission to promote cultural awareness of all persons on the campus. Typical programs include: Black History, Latin Heritage, Native American Awareness, Multicultural Experience, musical and dramatic programs, art shows, and many other outstanding cultural programs. These programs are open to the college and community and are supported through the sale of ASB stamps and ASG funding. Please visit the ASG Diversity Student Council (DSC) on the web at saddleback.edu/ASG/diversitystudentcouncil.html.

Arts and Media
The college offers opportunities for students to get hands-on experience in several aspects of visual and performing arts, whether their passion is in performing or behind-the-scenes work. Students can participate in the production of several shows at the 405-seat McKinney Theatre. Saddleback has two radio stations — KSBR, an on-air station, and OCRockRadio.com, an internet station — and is the only college in the area that allows students to audition for on-air shifts. For students who are interested in television, Saddleback provides the opportunity to create programming for Channel 39, the college's TV station. Students can also compete in national speech and debate tournaments, or display and sell their art in the campus’ Art Gallery.
Foundation

Your gift to the Saddleback College Foundation changes lives. With 24% of the student population receiving financial aid you have the opportunity give a student the gift of an education. Here are a few examples of how a contribution impacts Saddleback College students:

- $19,000 provides a full scholarship for a student living away from home
- $12,000 provides a full scholarship for a student living at home
- $10,000 creates an endowment which funds a program or scholarship in perpetuity
- $6,000 funds a class to teach students how to succeed in online classes
- $2,000 funds a Learning Community
- $700 covers the cost of books for one semester
- $138 covers the cost of one class

The Saddleback College Foundation accepts gifts of cash, stock, personal property or insurance. For additional information, please contact the Foundation at 582-4479 or scfound@saddleback.edu.

The bottom line is every dollar contributed to the Saddleback College Foundation is an investment in the College, in our community and in our future.

Honor Societies

As part of its commitment to academic excellence, Saddleback College is home to a growing number of prestigious student honor societies. These honor societies are national organizations with local chapters on campus.

The two campus-wide honor societies, Alpha Gamma Sigma and Phi Theta Kappa, are involved in community and college service activities, scholarship fund-raising, social activities, and leadership development. They are open to day and evening students of all majors, whether part-time or full-time. Within each society, scholarships are available from the local chapter, from the parent society, and from four-year colleges and universities who reserve scholarship monies for society members. Membership and officer service are noted on Saddleback transcripts.

Alpha Gamma Sigma, the California community-college honor society, was established in 1922 as an extension of the California Scholarship Federation. It has had a strong presence on the Saddleback campus for many years. Students who have completed 12 semester units and have a cumulative GPA of 3.0 may apply to join Saddleback’s Sigma Epsilon chapter. In order to maintain membership, students must apply and pay dues each semester.

Phi Theta Kappa, the international community-college honor society, was established in 1918 and now has over 1200 chapters. Chartered in December 1996, Saddleback’s Beta Epsilon Beta chapter was the largest at induction in the society’s history. Students with a minimum 3.50 cumulative GPA on at least 12 units are invited to join.

Discipline-specific national honor societies on campus include Lambda Alpha Delta, the anthropology society, and Psi Beta, the psychology society.

For further information about the honor societies that are also campus student clubs, contact the Saddleback College Student Development Office (SSC 210) at 949-582-4616 or visit www.saddleback.edu/asg/ClubInformation. In addition, not all Honor Societies are campus clubs and therefore some organizations are sponsored by academic departments and divisions and not the Inter-Club Council of ASG.

Students should note the difference between these honor societies and the Saddleback Honors Program. The Honors Program provides advanced coursework and transfer opportunities to qualified students. For information about the Honors Program, see the Honors Program page in this catalog.

Media and Publications

Several publications are available to the College and community. The “Lariat”, a standard-size newspaper published by journalism students, is distributed weekly during the regular academic year. Journalism program students also publish a magazine, “Orange Appeal” once a year in the spring semester. In addition, the Liberal Arts division publishes “Wall”, a literary journal featuring the creative writing and artwork of Saddleback English students. Once yearly, the ESL (English as a Second Language) department produces “International Voice”, a compendium of student-written essays.

Saddleback College’s own Channel 39 on Cox Cable broadcasts telecourses, district events, and film and television projects by students in the Cinema/Television/Radio Department, which include many film/video festival winners. The radio program in Cinema/TV/Radio is built around Saddleback College’s on-air radio station, 88.5FM KSBR, and its Internet radio station, OCRockRadio.com. Students are eligible to apply for various positions at the stations, including on-air broadcasting, programming, promotions, sales, and music — an opportunity few other colleges can offer.
Students’ Rights and Responsibilities

This process is under review by the South Orange County Community College District at the time of this printing. Please refer to the Student Services website for the current process and timelines.

Rules and Regulations for Student Behavior

Saddleback College students are responsible for regulating their own conduct and for respecting the rights and privileges of others in accordance with the Code of Conduct set by the district Board of Trustees (AR 5401). Saddleback students are expected to conduct themselves in a manner compatible with the function of the college as an educational institution and respect and obey all civil and criminal laws. Failure to show respect for the standards as set forth by Saddleback College is cause for disciplinary action.

Code of Conduct

In compliance with California Education code Section 66300 and in keeping with the above, the following regulations have been established to effectively and efficiently guide the approved educational programs, approved student activities, and community services.

Students may be disciplined for one or more of the following causes related to college activity or attendance:

A. Disruptive behavior, willful disobedience, habitual profanity or vulgarity, or the open defiance of the authority of district personnel.

B. Assault, battery, or any threat of force or violence upon a student, district personnel, or an authorized visitor.

C. Willful misconduct resulting in injury or death to a student or district personnel or an authorized visitor, or willful misconduct resulting in damage, defacing, theft, or other injury to any real or personal property owned by the District, or district personnel, or students in attendance at the colleges or programs of the District.

D. The unlawful use, sale, or possession on district property or presence on district property while under the influence of any controlled substance or any poison classified as such by state or federal law.

E. Smoking in an area where smoking has been prohibited by law or by policy of the Board of Trustees or administrative regulation.

F. Disorderly, lewd, indecent, or obscene conduct on district property or at district sponsored functions.

G. Sexual assault (as defined in Board Policy 5404) on any student or employee of the District, on campus or off-campus grounds or facilities maintained by the District.

H. The possession or use of any firearms, explosives, dangerous chemicals, deadly weapons, or other potentially harmful implements or substances while on district property or at a district-sponsored function without the prior authorization of the disciplinary officer.

I. The obstruction or disruption, on or off campus, of any educational or administrative process or function of the District.

J. Physical abuse, on or off campus property, of the person or property of any member of the campus community or of members of his or her family or the threat of such physical abuse when related to a district program or activity.

K. Misrepresentation of oneself or of an organization as an agent of the District.

L. Soliciting or assisting another to do any act which would subject a student to discipline.

M. Use, possession, or distribution of alcoholic beverages and/or illegal narcotics/drugs on district premises, or at district-sponsored events, or appearance on district property or at district sponsored events while under the influence of alcohol or illegal narcotics/drugs unless otherwise provided by law and district policy.

N. Unauthorized recording, dissemination, and publication of academic presentations or materials. This prohibition applies to a recording made in any medium.

O. Actions of force or threat of force to injure, intimidate, oppress or threaten because of the other person's race, color, religion, ancestry, national origin, disability, gender, or sexual orientation, or because of the perception that the other person has one or more of these characteristics.

P. Academic dishonesty, including, but not limited to falsification, plagiarism, cheating or fabrication, which compromises the integrity of an assignment, a college record or a program.

   a. Falsification involves any conduct in academic work, records or programs that is intended to deceive, including, but not limited to, the following acts:
      1. forging signatures on official documents such as admissions cards and financial aid applications.
      2. changing or attempting to change official academic records without proper sanction.
      3. misrepresenting or falsifying successful completion prerequisites.
      4. providing false information, such as immigration materials, during the admission or matriculation process.
      5. falsifying one's identification or falsely using another's identification.
      6. logging in or otherwise gaining access to a computer, computer network or protected web site using the password or identity of another.
      7. citation of data or information not actually in the source indicated.
      8. including in a reference list of works cited a text or other information source which was not used in constructing the essay, paper or other academic exercise.
      9. submission in a paper, lab report or other academic exercise of falsified, invented, or fictitious date or evidence, or deliberate and knowing concealment or distortion of the true nature, origin, or function of such data or evidence.
      10. submitting as the student's own work any academic exercises (e.g., written work printing, sculpture, etc.) prepared totally or in part by another.
      11. taking a test for someone else or permitting someone else to take a test for a student.

   b. Plagiarism is any conduct in academic work or programs involving misrepresentation of someone else's words, ideas or data as one's original work, including, but not limited to, the following:
      1. intentionally representing as one's own work the work, words, ideas or arrangement of ideas, research, formulae, diagrams, statistics, or evidence of another.
      2. taking sole credit for ideas and/or written work that resulted from collaboration with others.
      3. paraphrasing or quoting material without citing the source.
      4. submitting as one's own a copy of or the actual work of another person, either in part or in entirety, without appropriate citation (e.g., term-paper mill or internet derived products).
      5. sharing computer files and programs or written papers and then submitting individual copies of the results as one's own individual work.
      6. submitting substantially the same material in more than one course without prior authorization from each instructor involved.
Students’ Rights and Responsibilities

7. modifying another's work and representing it as one's own work.
   c. Cheating is the use of any unauthorized materials, or information in academic work, records or programs, the intentional failure to follow express directives in academic work, records or programs, and/or assisting others to do the same including, but not limited to, the following:
   1. knowingly procuring, providing, or accepting unauthorized examination materials or study aids.
   2. completing, in part or in total, any examination or assignment for another person.
   3. knowingly allowing any examination or assignment to be completed, in part or in total, for himself or herself by another (e.g., take-home exams or on-line assignments which have been completed by someone other than the student).
   4. copying from another student's test, paper, lab report or other academic assignment.
   5. copying another student's test answers.
   6. copying, or allowing another student to copy, a computer file that contains another student's assignment, homework lab reports, or computer programs and submitting it, in part or in its entirety, as one's own.
   7. using unauthorized sources of information such as crib sheets, answers stored in a calculator, or unauthorized electronic devices.
   8. storing answers in electronic devices and allowing other students to use the information without the consent of the instructor.
   9. employing aids excluded by the instructor in undertaking course work.
   10. looking at another student's exam during a test.
   11. using texts or other reference materials (including dictionaries) when not authorized to do so.
   12. knowingly gaining access to unauthorized data.
   13. altering graded class assignments or examinations and then resubmitting them for regrading or reconsideration without the knowledge and consent of the instructor.

Q. Contravention of Copyright Laws
   R. Violation of District Board Policies and Administrative Regulations

DISCIPLINARY PROCEDURES

A. Initiation of the Disciplinary Process
   A request for disciplinary action may be initiated in writing by district employees. When there is a violation of the Student Code of Conduct, the following procedures will be followed:
   1. If the conduct occurred in the classroom, the instructor may remove the student from his or her class for that day and the next class meeting if the student interfered with the instructional process. Removal must be reported to the disciplinary officer immediately. If the student is a threat to self or to others, the instructor must contact Campus Police immediately. If the student removed is a dependent minor, the instructor may request that the student's parent or guardian attend a parent conference regarding the removal. Upon removal of a student, the instructor will give the student verbal and/or written notice of the reasons for the removal.
   2. If the conduct did not occur in the classroom, the district employee discovering the conduct will report the incident to the disciplinary officer and submit a written report on the appropriate form (i.e., Incident Report Form). The report will include (a) date and time of the conduct, (b) location, (c) names of witnesses, and (d) a detailed explanation of the alleged misconduct.
   3. When the report of alleged misconduct is sent to the disciplinary officer, the officer will evaluate the information to determine if it alleges a violation of the District's student conduct policy and/or regulations. If the disciplinary officer determines that the report supports such allegations, a meeting will be requested with the student to provide the student an opportunity to respond to the allegations.
   4. The disciplinary officer will review all documentation related to the case to make a determination if disciplinary action is required.
   5. The disciplinary officer will send a notice by mail to the student charged with the violation. This notice will include a written explanation of the incident and the charges that have been made (i.e., the specific conduct involved and the specific regulation(s) alleged to have been violated.
   6. The disciplinary decision is final and is immediately in effect unless it involves termination of State and/or local financial aid, suspension, or recommendation of expulsion, in which case the student may appeal the decision to the Disciplinary Hearing Panel, within ten days. In cases referred to the Panel by the disciplinary officer or in cases where the decision is appealed to the Panel, the procedures in Section V will be followed. The student may, in writing, accept the penalty or suspension for without further hearing and without admitting participation in the conduct charged.

B. Range of Disciplinary Actions
   1. Verbal reprimand: A warning that the conduct is not acceptable.
   2. Written reprimand: Becomes part of the student file for a minimum of five years or longer at the discretion of the disciplinary officer and is considered in the event of future violations.
   3. Mental Health Clearance: Mental health clearance may be required before a student is readmitted to a particular class or allowed to be on district property. The campus chief administrative officer (or designee) must receive a letter from a licensed mental health professional stating that in his or her professional judgment, the student will no longer continue the behavior which gave rise to the disciplinary action or that the student's presence on campus is not a threat to himself or herself or others. The mental health professional must be licensed by the State of California. The student shall bear the cost and expense of obtaining mental health clearance.
   4. Disciplinary Probation: A specific period of conditional participation in campus and academic affairs, which may involve any one or all of the following:
      a. Ineligibility for all student government roles;
      b. Removal from any student government position;
      c. Revocation of the privilege of participating in district and/or student-sponsored activities;
      d. Ineligibility for membership on an athletic team;
      e. Limitation of courses and/or instructors the student may take;
   5. Suspension: The Board of Trustees or the disciplinary officer may suspend a student for cause as provided in Section III. Suspension may involve:
      a. Removal from one or more classes for the remainder of the academic term.
      b. Removal from all classes and activities of the District for one or more terms. During this time, the student may not be enrolled in any class or program within the District.
   6. Expulsion: The Board of Trustees may expel a student for cause as provided in Section III when other means of correction fail to bring about proper conduct or when the presence of the student causes a continuing danger to the physical safety of the student or others. Expulsion will be accompanied by a hearing conducted by the Disciplinary Hearing Panel.

APPEAL PROCESS

The student has the right to appeal the decision of the instructor or the disciplinary officer.

A. Appeal of an Academic Dishonesty Decision
   1. The student has the right to file an appeal of a decision regarding academic dishonesty to the dean of the
department or school in which the alleged dishonesty occurred. The appeal must be in writing and received by the dean within ten working days of the informal meeting with the instructor. A grade, however, is not a disciplinary action but an evaluation of work, and is not subject to appeal except as provided in the grade grievance process as set forth in Board policy.

2. The dean may request that the instructor submit a written statement supporting his or her position.

3. Within thirty days of receipt of the request of appeal, the dean will arrange a meeting with the instructor and the student. If the instructor is no longer employed by the District, or is unavailable because of sabbatical or other leave, the dean will appoint another instructor in the same disciplinary area to assume the responsibilities of the instructor.

At the meeting, the evidence of academic dishonesty will be presented and every effort will be made to resolve the matter. In the absence of a resolution, the student may elect to follow the appropriate grievance or disciplinary appeal procedure as specified in Board policies and regulations.

B. Appeal of a Hearing Panel Decision to Suspend or Recommendation to Expel

The student may appeal a Hearing Panel decision in writing to the college president, within ten days of the decision/recommendation. The basis for the appeal will include evidence to support one or more of the following factors:

1. The decision lacks substantial basis in fact to support the findings;
2. There is substantial incongruity between the proposed sanction and findings;
3. There is substantial unfairness in the proceedings which has deprived the student of a fair and impartial process; and/or
4. There is newly discovered critical evidence, that despite due diligence on the part of the student, was not known at the time of the hearing.

The college president or the president’s designee may decide the issue based solely on the written appeal. The decision will be made available to the student charged within ten days of receipt of appeal. The decision will be final except in the case of expulsion where final action will be taken by the Board of Trustees.

Faculty Code of Ethics and Professional Standards

The following Ethical Principle and Standard of Conduct relating to the professional responsibility of faculty for students is endorsed by the Saddleback College Academic Senate. Conduct that departs from these principles is viewed by faculty as unacceptable because it is inconsistent with the mission of the college, and with the highest standards of professional conduct which we, as a faculty, are committed to maintain.

Ethical Principle:

“As teachers, professors encourage the free pursuit of learning in their students. They hold before them the best scholarly and ethical standards of their disciplines. They demonstrate respect for students as individuals, and adhere to their proper roles as intellectual guides and counselors. Professors make every reasonable effort to foster honest academic conduct and to ensure that their evaluations of students reflect each student’s true merit. They respect the confidential nature of the relationship between professor and student. They avoid any exploitation, harassment, or discriminatory treatment of students. They acknowledge significant academic or scholarly assistance from them. They protect their academic freedom. “ (American Association of University Professors Statement, 1990)

Standards of Conduct:

- Faculty treat all students with fairness and respect.
- Faculty encourage the free exchange of ideas between themselves and students.
- Faculty conscientiously strive to be fair and balanced in their evaluation of student work.
- Faculty should not exploit their students for personal gain.
- Faculty should be fair and objective when providing references for students.
- Faculty shall not disclose information about students obtained in the course of professional service unless disclosure serves a compelling professional purpose or is required by law.
- Faculty-student personal relationships are unethical when they hinder any student’s academic progress or create a situation in which any student is either favored or negatively impacted on grounds other than academic performance.
- Because a teacher-student relationship is inherently unequal, a member of the faculty should not enter into a sexual relationship with his/her student while engaged in a professional relationship.
- Faculty have the obligation to meet classes as scheduled, to maintain office hours, and to provide reasonable means for student access to course information.

The complete Faculty Code of Ethics and Professional Standards is available in the Administration and Governance Building (AGB), Room 121 or at www.saddleback.edu/asenate/documents_resources_links.

Drug-Free Workplace Policy

The purpose of this regulation is to implement the provisions of the Drug-Free Workplace Act of 1988 (Public Law 100-690, 41 U.S.C. 5151, et seq.), which requires federal grant recipients to provide a drug-free workplace.

The Chancellor shall:

1. Distribute the following statement to all employees:

   You are hereby notified that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance, as defined in Schedules I-V of Section 202 of the Controlled Substances Act (21 U.S.C. 812), is prohibited in the workplace.

   You are further notified that, as a condition of your continued employment in this district which accepts federal grants, you will abide by the terms of this statement, and will notify the district of any criminal drug statute conviction (including a plea of nolo contendere), occurring in the workplace. Said notice shall be delivered no later than five (5) days after such conviction.

   The district will take appropriate personnel action, up to and including dismissal, against any employee found to have violated the provisions of this statement.

2. Establish a drug-free awareness program to inform employees about:

   a. The dangers of drug abuse in the workplace;
   b. The district’s policy of maintaining a drug-free work place;
   c. Drug counseling, rehabilitation, and assistance programs available to eligible employees through the Employee Assistance Program; and
   d. The penalties that may be imposed by the district on employees for drug abuse violations.

Nondiscrimination and Harassment Policy

The South Orange County Community College District is committed to providing an academic and work environment free of unlawful discrimination and harassment. Federal and state laws and District policies afford students and employees the right to
work or learn in an environment free from discriminatory intimidation, ridicule and insult.

The District prohibits illegal harassment including the acts of students, employees, and non-employees. Prompt and equitable action, including appropriate disciplinary action, will be taken against any student, employee (supervisory or otherwise), or agent of the District, who engages in such conduct. The action will be prompt, effective, and commensurate with the severity of the offense.

**General Harassment**

Discrimination and/or harassment based on race, color, sex, gender, gender identity, gender expression, religion, national origin, ethnic group identification, ancestry, age, physical or mental disability, medical condition, military service, sexual orientation, marital status, pregnancy, or any legally protected characteristic, or the perception that a person has one or more of these characteristics is illegal and violates District policy.

Gender-based harassment does not necessarily involve conduct that is sexual. Any hostile or offensive conduct based on gender can constitute prohibited harassment. Harassment comes in many forms, including but not limited to the following conduct:

- **Verbal:** Inappropriate or offensive remarks, slurs, jokes or innuendoes based on a person's race, gender, sexual orientation, or other legally protected status.
- **Visual or Written:** The display or circulation of visual or written material that degrades an individual or group based on gender, race, nationality, sexual orientation, or other legally protected status.
- **Environmental:** A hostile academic or work environment exists where it is permeated by sexual innuendo; insults or abusive comments directed at an individual or group based on gender, race, nationality, sexual orientation or other legally protected status; or gratuitous comments regarding gender, race, nationality, sexual orientation or other legally protected status that are not relevant to the subject matter of the class or activities on the job.
- **Physical:** Inappropriate or offensive touching, assault, or physical interference with free movement. This also includes any physical assault or intimidation directed at an individual due to that person's gender, race, national origin, sexual orientation or other protected status. Physical sexual harassment includes acts of sexual violence, such as rape, sexual assault, sexual battery, and sexual coercion. Sexual violence refers to physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent due to the victim's use of drugs or alcohol. An individual also may be unable to give consent due to an intellectual or other disability.

**Sexual Harassment**

In addition to the above, sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other conduct of a sexual nature when:

- submission to the conduct is made a term or condition of an individual's employment, academic status, or progress;
- submission to, or rejection of, the conduct by the individual is used as a basis of employment or academic decisions affecting the individual;
- the conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile or offensive work or educational environment; or
- submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the college.

### Complaint Procedures

#### Informal Procedures

The District strongly encourages students and staff who believe they are being harassed to file a complaint in a timely manner. Since failure to report harassment impedes the District's ability to stop the behavior, the District strongly encourages that such complaints be made within 30 days of the alleged incident. Any complaint not involving employment may be made orally or in writing within one year of the date of the alleged discrimination or harassment.

The District has established “designated officers” who are charged with receiving complaints and coordinating their investigation. The designated officer will explain the rights and options available to the individual bringing charges of unlawful discrimination or harassment. If there is a simple misunderstanding or the individual does not wish to file a formal complaint, the individual may elect to pursue an informal resolution process. The informal process is not a prerequisite for filing a formal complaint.

An individual who feels they have been subjected to sexual assault may file a complaint with the police department in addition to any other complaint.

Individuals who believe they have been subjected to unlawful discrimination, including harassment, may report complaints to the designated officer for Saddleback College:

- **Vice President of Student Services**
  - 28000 Marguerite Pkwy.
  - Mission Viejo, California 92692
  - 949/582-4566

### Formal Procedures

If an informal process does not resolve the matter and/or the complainant wishes to pursue formal charges, he or she may elect to follow formal complaint procedures. The informal process may not be appropriate for complaints of sexual assault. Formal complaints of unlawful discrimination or harassment must be filed in writing on a form prescribed by the State Chancellor. Approved complaint forms are available from any one of the following sources:

- **The Office of the Vice President of Student Services**
  - 28000 Marguerite Pkwy.
  - Mission Viejo, California 92692
  - 949/582-4566
- **The Office of the Director of Human Resources**
  - South Orange County Community College District
  - 28000 Marguerite Parkway
  - Mission Viejo, California 92692
  - 949/582-4348 or 949/582-4850

For complaints involving acts within the state, individuals may file a complaint with the California Community Colleges Chancellor’s Office:

- **www.cccco.edu**
- **www.socccd.edu/hr/HRforms**

Upon receiving a formal written complaint, the District will determine whether the complaint has met the necessary requirements, which include but are not limited to whether it was filed within a timely manner, on an appropriate form, and whether it alleges unlawful discrimination as stipulated in Title 5, section 59300.

The District will investigate properly filed complaints according to procedures prescribed in Board policy. The District will complete its investigation within 90 days of receiving the complaint and report its administrative determination. The District must provide written notice to both the complainant and the State Chancellor of whether there is probable cause to sustain the charges raised in the complaint; a description of the action taken, if any, to pre
vent similar problems from occurring in the future; the proposed resolution of the complaint; and the complainant's right to appeal to the District and the State Chancellor.

Further Information

For more comprehensive information about discrimination and harassment, students are encouraged to read the Harassment Policy and Complaint Procedure brochure, available in the Vice President for Student Services, Administration & Governance Building, AGB 126. The brochure is also available for downloading from the SOCCCD website: www.socccd.edu/hr/HRforms.asp.

Students may also refer to Administrative Regulation 4000.5 for more information regarding filing a complaint and investigation procedures.

Disability Discrimination

Students who have specific questions related to disability discrimination are encouraged to contact Special Services at 949-582-4885, Student Services Center, Room 113. Formal complaints may be filed in the Office of the Vice President for Student Services, ADA/504 Officer, Administration & Governance Building, AGB 126, 949-582-4566.

ADA Academic Adjustments

Students with verified disabilities who believe they have not been given reasonable academic accommodations are urged to immediately contact Special Services, 949-582-4885 (voice) or TDD 949-582-4833 to see if their concerns or issues regarding accommodation and/or district policies can be satisfactorily resolved. A copy of the Saddleback ADA Academic Adjustment Procedure is available on request.

Formal complaints may be filed in the Office of the Vice President for Student Services, ADA/504 Officer, Administration & Governance Building, AGB 126, 949-582-4566.

According to the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973, individuals with disabilities may file a complaint with the Office for Civil Rights, U.S. Department of Education.

Grade Grievance Policy

I. General Provisions
A. Grade Grievance

By law, the instructor is solely responsible for the grades assigned; no instructor may be directed to change a grade except in certain narrow circumstances authorized by California Education Code, Section 76224(a).

B. California Education Code Section 76224(a)

When grades are given for any course of instruction taught in a community college district, the grade given to each student shall be the grade determined by the instructor of the course and the determination of the student's grade by the instructor, in the absence of mistake, fraud, bad faith, or incompetence, shall be final.

This policy provides the procedures for challenging grades given in any course of instruction offered in the District. This policy does not apply to the following:

1. The challenge process for prerequisites, corequisites, advisories, and limitations on enrollment.
2. Student discipline.
3. Employee discipline.
4. Challenges to established district policies and administrative regulations.
5. Financial claims against the District.

II. Definitions
A. Mistake: an unintentional act, omission or error by the instructor or the college.
B. Fraud: a deception deliberately practiced in order to secure unfair or unlawful gain.
C. Bad Faith: an intent to deceive or to act in a manner contrary to law and/or a grade assigned because of a student's protected characteristics contrary to Education Code Section 66250 et. seq. (including, but not limited to, Section 66270) and Title 5, California Code of Regulations, Section 593000 et. seq. If, pursuant to the discrimination and harassment complaint procedure it is determined that a grade was the results of discrimination or harassment the grade may be changed as a remedy for the discrimination or harassment.
D. Incompetence: a lack of ability, legal qualification, or fitness to discharge a required duty.
E. Day: Unless otherwise provided, day shall mean any day on which the District administrative offices are open for business. The deadlines contained herein may be modified by mutual agreement of the parties.
F. Student: A currently enrolled student or a former student. Former students shall be limited to grievances relating to course grades to the extent permitted by Education Code Section 76224(a) and the provisions herein.
G. Respondent: Any person claimed by a grievant to be responsible for the alleged grievance.
H. The College President: The President of the College or a designated representative of the College President.
I. Ombudsperson: The College President shall appoint an employee who shall assist students in seeking resolution by informal means. This person shall be called an ombudsperson.

II. Informal Resolution

Any student who believes he or she has a grade grievance shall make a reasonable effort to resolve the matter on an informal basis prior to requesting a grievance hearing, and shall attempt to resolve the problem with the faculty member with whom the student has the grievance or that person’s dean or designee. If informal resolution of the problem is not possible, the student may elect to pursue a formal grievance pursuant to the procedures herein.

IV. Formal Grievance Process
A. Written Statement of Grievance

Any student who believes he or she has a grade grievance shall file a written, signed Statement of Grievance form stating the basis for the grade grievance with the appropriate dean or designee no later than 45 days after the student knew or should have known of the grade in the course. The dean or designee shall provide a copy of the written Statement of Grievance form to the affected faculty member within 5 days after the form has been filed. The Statement of Grievance must be filed whether or not the student has initiated efforts at informal resolution, if the student wishes the grievance to become official. The faculty member shall not engage in any conduct that may be construed as retaliation for filing the grievance. Filing a grievance is a protected activity.

B. Request for a Grievance Hearing

The student may request a grievance hearing after the written Statement of Grievance form has been filed. A request for a grievance hearing shall be filed with the appropriate dean or designee on a Request for Grievance Hearing form within 30 days after filing the Statement of Grievance. The student may withdraw his/her written Statement of Grievance and/or Request for a Grievance Hearing at any time. The notice of withdrawal shall be in writing and filed with the appropriate dean or designee. The dean or designee shall notify the affected faculty member in writing within 5 days that the student has withdrawn the grievance and no further action may be taken.

C. Grievance Hearing Panel

1. The Grievance Hearing Panel shall consist of the appropriate dean or designee, a representative appointed by the Associated Student Government and a faculty member appointed by the Academic Senate.
2. Within 15 days following receipt of the Request for Grievance Hearing, the Hearing Panel shall meet to
Students’ Rights and Responsibilities

D. Hearing Procedures

1. The decision of the Grievance Hearing Panel Chair shall be final on all matters the conduct of the hearing unless there is a vote of a majority of the other members of the panel to the contrary.

2. Each party to the grievance may call witnesses and introduce oral and written testimony relevant to the issues alleged in the grievance. Formal rules of evidence shall not apply. Any relevant evidence shall be admitted. The parties shall exchange exhibits and lists of witnesses 5 days prior to the hearing.

3. Unless the Grievance Hearing Panel determines to proceed otherwise, each party to the grievance shall be permitted to make an opening statement. Thereafter, the grievant shall make the first presentation, followed by the respondent. The grievant may present rebuttal evidence after the respondent's evidence. The burden shall be on the grievant to prove by a preponderance of the evidence that the facts alleged are true and that a grievance has been established as specified above.

4. Each party to the grievance may represent himself or herself or may be represented by a person of his or her choice. A party shall not be represented by an attorney unless notification is presented to the Chair 10 days prior to the date of the hearing. If one party is permitted to be represented by an attorney, any other party shall have the right to be represented by an attorney. The Chair of the Hearing Panel may continue the hearing in order to accommodate counsel upon a showing of good cause. The Hearing Panel may also request legal assistance through the College President. Any legal advisor provided to the Hearing Panel sits in an advisory capacity but shall not be a member of the Panel nor vote with it.

5. Hearing shall be closed and confidential. Witnesses shall not be present at the hearing when not testifying.

6. The hearing shall be recorded by the Hearing Panel Chair by recording or stenographic recording and this document shall be the only recording made of the proceedings. No witness who refused to be recorded may be permitted to give testimony. At the onset of the hearing the Chair shall ask each person present to identify themselves by name and thereafter ask witnesses to identify themselves by name. The recording shall remain in the custody of the College at all times, unless released to a professional transcribing service. Any party may request a copy of the recording at their own expense.

7. All Testimony shall be taken under oath administered by the Chair. Written statements of witnesses under penalty of perjury shall not be used unless the witness is unavailable to testify. A witness who refuses to be tape recorded shall be considered to be unavailable.

E. Hearing Panel Decision

Within 15 days following the close of the hearing, the Grievance Hearing Panel shall prepare a written decision which shall include specific factual findings regarding the grievance and the specific conclusions regarding whether a grievance has been established as defined above. Where appropriate the decision shall articulate the factual basis for any credibility determinations necessary to the panel's decision. The Hearing Panel decision shall also include a specific statement regarding the relief to be afforded the grievant if any. The Hearing Panel decision shall be based only on the record of the hearing, and not on matters outside the record. The record consists of the written Statement of Grievance, any written response by the respondent and the oral and written evidence produced at the hearing.

V. Appeal Process

A. Written Statement of Appeal

1. Within 10 days following the Grievance Hearing Panel decision, any party to the grievance may file a written Statement of Appeal with the College President. The written Statement of Appeal shall state the specific basis for the appeal and shall be sent to all parties.

2. All parties may submit a written response to the appeal to the College President within 10 days of the filing of the written Statement of Appeal.

3. The College President shall review the record of the hearing and the documents submitted in connection with the appeal, but shall not consider any matters outside the formal record. The College President may decide to sustain, reverse or modify the decision of the Grievance Hearing Panel. The College President's decision shall be in writing and shall include a statement of reasons for the decision. The College President's decision shall be final.

4. The decision on appeal shall be reached within 20 days after receipt of the appeal documents. Copies of the College President's decision shall be sent to all parties.

5. Within 10 days following the Grievance Panel's decision regarding whether the Statement of Grievance warrants a formal Grievance Hearing, any party to the grievance may file a written Statement of Appeal with the College President. The College President shall review the Statement of Grievance and the Request for a Grievance Hearing in accordance with the requirements for a grievance provided herein but shall not consider any other matters. The College President's decision whether to grant a grievance hearing shall be final and not subject to further appeal. The filing of an appeal pursuant to this provision shall stay all proceedings on the underlying grievance until a decision is reached by the College President. If the College President's decision is that the matter shall proceed to a hearing the time lines shall be extended by the period of time the matter was under consideration with the College President.
Catalog Rights and Continuous Enrollment (effective Fall 2009)

Catalog Rights

Because course requirements for degree and certificate completion may change from one catalog year to the next, students may establish “catalog rights” when they first take classes at Saddleback. Establishing catalog rights protects the student from being held for additional requirements that may be added to a later catalog. Policies printed in the college catalog are in effect for the academic year, Fall, Spring, and Summer.

Beginning in Fall 2009, the number of years allowed for students to complete a certificate or degree program and maintain catalog rights from when they first took classes at Saddleback College will be no more that six years.

Students who were enrolled prior to Fall 2009 shall be afforded the catalog rights from when they first took classes at Saddleback College, if they have met the standards for continuous enrollment given below.

For the purposes of meeting graduation or certificate requirements, students may elect to meet the requirements of any of the following, provided they maintain continuous enrollment and meet the six year time frame for certificate and degree program completion:

1. The catalog was in effect at the time they began taking courses at Saddleback College, or
2. Any catalog that is or has been in effect during the time that they have maintained continuous enrollment before graduation, or
3. The catalog that is in effect at the time they file an application for a degree or certificate.

Continuous Enrollment

Students maintain catalog rights by maintaining continuous enrollment in the South Orange County Community College District- that is by receiving a letter grade of “A”, “B”, “C”, “D”, “F”, “P”(C), “NP” (NC), “RD”, “W”, “MW”, or “I” on their transcripts for at least one course per academic year.

Catalog rights apply only to Saddleback College graduation and program requirements. If other institutions change their requirements for entrance, graduation, satisfaction of general education patterns, or in other ways, it may be necessary for the student to meet the new requirements upon transfer, even if continuous enrollment has been maintained.

Unless otherwise requested by the student on the Petition for Graduation, the catalog used to determine eligibility will be the catalog in effect at the time the student began continuous enrollment at Saddleback College.

Documented military or medical leave will not be considered an interruption of enrollment. Absence related to an approved educational leave or for attendance at another accredited institution of higher learning is not considered an interruption, providing the absence does not exceed two years.

Some programs require that students complete specific courses within an established time frame. In such cases, recency requirements supersede catalog rights.

Student Right-to-Know Disclosure

- Completion Rate Statewide: 25.08%
  Saddleback College: 35.08%
- Transfer Rate Statewide: 14.36%
  Saddleback College: 14.98%

In compliance with the Student-Right-to-Know (SRTK) and Campus Security Act of 1990 (Public Law 101-542), it is the policy of the South Orange County Community College District and Saddleback College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2009, a cohort of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed above.

Based upon the cohort defined above, a “completer” is a student who attained a degree or certificate or became “transfer prepared” during a three-year period, from Fall 2009 to Spring 2012. Students who have completed 60 transferable units with a GPA of 2.0 or better are considered “transfer prepared.” Students who transferred to another post-secondary institution, prior to attaining a degree, certificate, or becoming “transfer prepared” during a five-semester period, from Spring 2010 to Spring 2012, are transfer students.

Information about Student-Right-to-Know rates for Saddleback College and how they should be interpreted can be found at the California Community Colleges Student-Right-to-Know Information Clearinghouse website: http://srtk.cccco.edu/index.asp. NOTE: SRTK rates do not represent the success rates of the entire student population at Saddleback College, nor do they account for student outcomes occurring after this three-year tracking period. Additionally, the rates do not describe other important features about the college and its students.

Parking

Complete parking rules and regulations are available in the Campus Police Department (Parking Lot 2).

The following portion of these parking regulations provides important information.

Article III: Speed Regulations

Section 301: No person shall operate a motor vehicle or bicycle within the confines of Saddleback College campus at a speed greater than 15 miles per hour or as posted, except for emergency vehicles.

Section 302: No person shall operate a motor vehicle or bicycle at a speed greater than is reasonable or prudent.

Article IV: Parking Regulations

Section 401: Painted curbs are an indication of restricted parking and the color denotes the type of parking allowed. The following color code is adopted:

a. Red Zone — indicates no parking or stopping anytime whether the vehicle is attended or not.
b. Yellow Zone — indicates an area for loading and unloading of vehicles and the parking of service vehicles.
c. Green Zone — indicates a parking time limit of 15 minutes.
d. Blue Zone — indicates handicapped person’s parking area only by permit.

Section 402: No person shall park in an area posted or marked “Handicapped Parking by Permit Only” unless a valid handicapped permit is properly displayed on the vehicle.

Section 403: No person shall park in an area posted or marked “Parking by Permit Only” unless a valid parking permit is displayed on the vehicle.

Section 404: No student, faculty or staff member shall park in an area posted or marked “Visitor Parking Only.”

Section 405: No person shall stop, park, or leave standing any vehicle in any area posted or marked “No Parking,” regardless of whether or not the vehicle is attended.

Section 406: No person shall park, or leave standing any vehicle in any area where the curb is painted red, regardless of whether or not the vehicle is attended.

Section 407: When signs or markings which prohibit or limit parking are erected on any street, road, or area, no person shall park or leave standing any vehicle upon such a street, road, or area.
Section 408: No person shall park or leave standing a motor vehicle on the interior of any campus or on any sidewalk, pathway, landscaped area, or field that is not designed for parking.

Section 409: No person shall park or leave standing on any campus a motor vehicle that blocks any traffic lane, roadway, or parking lot.

Section 410: Motorcycles and bicycles must be parked in designated areas.

Section 411: All vehicles shall be parked clearly within a designated parking stall.

Section 412: All vehicles shall be parked heading into a parking stall.

Section 413: Meter payment is required for parking in metered spaces during the hours posted on the meters. Parking permits do not authorize parking in metered spaces.

Section 414: No vehicle shall be left parked on campus after 11 p.m. or before 6 a.m., except by special permit.

Article V: Abandoned Vehicles

Section 501: No person shall abandon or leave standing any vehicle on any campus for 72 or more consecutive hours. All such vehicles will be stored under authority of Section 21113A of the California Vehicle Code.

Section 502: Any person who abandons a motor vehicle on any campus will be responsible for all towing and storage charges.

Parking Permits

Section 601: All parking permits will be issued under the authority of the Department of Campus Safety and Security.

Section 602: A valid parking permit must be visibly displayed and securely attached on any vehicle parked in a numbered parking lot (metered spaces excepted) during posted hours: Sunday through Saturday, 7 a.m. to 10 p.m. Students may exchange hanging permit for static-cling permit at Campus Safety.

Section 603: Staff Parking Permits for automobiles and motorcycles will be issued to employees of the South Orange County Community College District, excluding student help and college work/study students. All employees who qualify for Staff Parking Permits will be required to renew their staff parking permits annually/semester, not later than the first day of classes each semester. These parking permits will allow parking in areas posted or marked “Staff Parking by Permit”. These permits are not valid in metered areas. Staff Parking Permits may be purchased from the Department of Campus Safety and Security at Saddleback College or from the Office of Student Services at Irvine Valley College.

Section 604: Student Parking Permits will allow parking in areas posted or marked “Student Parking by Permit”. These permits are not valid in metered areas. Student Parking Permits may be purchased during the student registration process or from the Department of Campus Safety and Security at Saddleback College or from the Office of Student Services at Irvine Valley College.

Section 607: Disabled Parking Permits — Persons who are disabled will be issued a disabled parking permit. The disabled parking permit will allow persons to park in the restricted handicapped areas or in any other legal parking stall on campus. Application for a disabled parking permit may be obtained from the Special Services department. Applications or renewal of these permits shall be supported by a statement of the physician indicating probable time of disability. Upon the approval of an application by the Special Services department of Saddleback College, the Special Services department will issue a disabled parking permit. Application for this permit must be made each semester and a new parking permit obtained by the first day of class each semester.

Section 608: Medical Parking Permits — Persons who are not disabled, but have medical problems that would require special parking, may apply for a medical parking permit at the Student Health Center of Saddleback College. Applications or renewal of these permits must be supported by a statement of the physician indicating probable time of the medical problem. Persons who are disabled may apply to Special Services for parking accommodations. Upon the approval of such an application by the Special Services department of Saddleback College, Special Services will provide documentation for Campus Security to issue a parking permit. This medical parking permit allows parking in areas posted “Staff Parking by Permit”. Application for this permit must be made each semester and a new parking permit obtained by the first day of class each semester. These permits are not valid in metered areas.

Section 609: Parking Permits — Every vehicle which occupies a space designated for an automobile, motorcycle or motor scooter must display a valid permit during posted hours of control.

For students who have a convertible or open top jeep vehicle, go to Campus Police and your vehicle will be recorded on our “auto soft top” list. You must purchase a valid parking permit, but will not be required to display your permit when the top is down. Permits must be available if requested by an officer.

Section 611: Permit Issuance — There is a charge for parking permits. Applications for permits are available in the Department of Campus Safety and Security at Saddleback College or in the Office of Student Services at Irvine Valley College. Permits will be issued upon receipt of a completed parking application and the appropriate fee by the Department of Campus Safety and Security at Saddleback College or the Office of Student Services at Irvine Valley College. Parking fees are subject to change.

Article VII — Schedule of Parking Fees

1. Student vehicles:
   (a) Automobiles
      Please visit www.saddleback.edu/spoFees.html for a current list of parking fees.
      Annual Permits — Only available for purchase during the Fall semester. If a student plans to enroll for the Fall and Spring semesters and for the Summer session within the same academic year, the student may elect to purchase an annual parking permit. Annual parking permits are valid throughout the academic year.
   (b) Motorcycles
      Please visit www.saddleback.edu/spoFees.html for a current list of parking fees.
   (c) Short-term Parking — all motor vehicles
      Please visit www.saddleback.edu/spoFees.html for a current list of parking fees.

2. Parking Meters — Available for 2 hour maximum.

Day parking permits can be purchased at any one of the yellow permit dispenser machines currently located at the Medical Center Drive campus entrance next to the flag pole; at the north end of parking lot 10, at lot 5A (Near Tennis Courts); and at parking lot 1. Timed metered parking is available at the north end of lot #9.

Public Transportation

The Orange County Transit District operates several bus routes to and from Saddleback College. Monthly passes may be purchased from the college bookstore. Special rates are available for persons with physical disabilities.
Academic Regulations

Grading Policy

In Sections 55020 to 55025 of the California Code of Regulations (Title 5), the Board of Governors of the California Community Colleges mandates a grading policy for all California Community Colleges. In compliance with this mandate, the South Orange County Community College District Board of Trustees has established the following provisions under Board Policy 5300 entitled “Grading Policy.”

Academic Record Symbols and Grade-point Average (GPA)

<table>
<thead>
<tr>
<th>Evaluative Symbol</th>
<th>Meaning</th>
<th>Grade-point Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
<td>4</td>
</tr>
<tr>
<td>B</td>
<td>Good</td>
<td>3</td>
</tr>
<tr>
<td>C</td>
<td>Satisfactory</td>
<td>2</td>
</tr>
<tr>
<td>D</td>
<td>Passing, less than satisfactory</td>
<td>1</td>
</tr>
<tr>
<td>F</td>
<td>Failing</td>
<td>0</td>
</tr>
<tr>
<td>P (C)</td>
<td>Pass (Credit) (equivalent to A, B, or C; units earned but not counted in GPA)</td>
<td></td>
</tr>
<tr>
<td>NP (NC)</td>
<td>No Pass (No Credit) (equivalent to D or F; however, no units earned and units not counted in GPA)</td>
<td></td>
</tr>
</tbody>
</table>

Non–Evaluative Symbol

- I: Incomplete academic work for unforeseeable and justifiable reasons at the end of the term may result in an “I” symbol being entered in the student’s record. The condition for removal of the “I” and the grade to be assigned in lieu of its removal is stated by the instructor in a written record at the conclusion of the class. A copy of the record is given to the student and the original is filed in the Office of Admissions and Records. A final grade is assigned when the work stipulated has been completed and evaluated or when the time limit for completing the work has passed. The “I” may be made up no later than one year following the end of the term in which it was assigned. A student may petition for an extension of time due to unusual circumstances before the time limit has passed. Petitions may be submitted to the Office of Admissions and Records.

- W: Withdrawal from class or classes shall be authorized through the Office of Admissions and Records. Students may view their grades on “MySite”. Grades are not available by mail or telephone.

Pass/No Pass (Formerly Credit/No Credit)

Students have the option to be evaluated on a Pass/No Pass (Credit/No Credit) grading basis except in courses restricted from use of these evaluative symbols and so designated in the college catalog. Students must declare the Pass/No Pass option within the first 30 percent of the class by changing the Pass/No Pass option through online registration. Nursing courses may not be taken for a Pass/No Pass grade unless no other grading option is available.

Certain courses may be evaluated only on a Pass/No Pass grading basis. Such courses will be so designated in the college catalog and clearly indicated in the Schedule of Classes.

A “Pass” (P) grade indicates satisfactory (“C” or better) work in the class and units awarded with such a grade. No grade-points are assigned, however, and the grade is not used to compute the grade-point average.

A “No Pass (NP) grade indicates less than satisfactory work (“D” or “F”) and with such a grade, no units are earned nor is the grade used to compute the grade-point average.

Note: In lieu of the traditional letter grade, the “P/NP” option is offered so that students may explore subject areas of interest outside of their major areas of competence or known abilities without being overly concerned by a grade or jeopardizing their grade-point average. There are a number of factors to consider before making the decision to opt for completion of a course on a Pass/No Pass basis especially for transfer students:

- Taking a course on a Pass/No Pass basis is not similar to auditing. Students are held to attendance regulations and must complete all examinations and required coursework.

- Some colleges and universities specify that courses required for a major or general education be completed on a graded (A–F) basis.

- Students transferring to a UC campus who are required to complete 60 units of coursework with a grade-point average of 2.4 prior to admission must complete at least 42 of the required units on a graded (A–F) basis. Courses to remedy a University of California admissions deficiency are not acceptable if completed on a “pass” (credit) basis.

- Students planning to apply to competitive admissions programs should complete specifically required courses on a graded basis.

- No Pass (NP) (No Credit) grades are considered by the South Orange County Community College District in determination of progress probation (refer to regulations describing probation/dismissal under scholarship standards).
Course Repeatability and Repetition
(Also see Registration and Announcement of Courses sections of this catalog)

State regulations (Title 5, sections 55040-55045) restrict the number of times a student may enroll in a course within a community college district. The number of times a student may enroll in a course is based on whether the course is designated “repeatable” or “non-repeatable.” Any student registering to repeat a course not identified as repeatable or repeating a course more often than permitted may be dropped from the course.

Non-Repeatable Courses

Most credit courses are designated as “non-repeatable” in accordance with Title 5 thereby limiting students to a single enrollment if the student receives a satisfactory grade (A, B, C, P, or CR) or an Incomplete. Under current repetition rules, students are permitted to enroll in a non-repeatable course up to a maximum of two additional times to replace a substandard grade (D, F, NR, or NC) or if they withdrew from the course and received a W on their transcript. Students may not exceed three enrollments in a non-repeatable course. An enrollment is defined by the assignment of a passing or a substandard grade; Incompletes and Withdrawals are included in this limitation. Non-repeatable courses are designated “NR” in their course description within this catalog.

This enrollment limitation for non-repeatable courses is enforced within the South Orange County Community College District, which includes Saddleback and Irvine Valley colleges. Additional enrollments beyond the maximum of three may be permitted on a very limited basis through the formal petition process at the Office of Admissions and Records (see Repetition for Special Circumstances).

Repeatable Courses

As of January 2013, only three types of courses are repeatable (Title 5 §§ 55040(b)(1), 55041):

1) Courses for which additional enrollments are necessary to meet the major requirement of California State University (CSU) or University of California (UC) for completion of a bachelor’s degree. Such courses may allow for additional enrollments to allow the student to meet the lower division component of these major requirements. The number of maximum enrollments may not exceed four and might be fewer if the transfer institution requires fewer than four enrollments or if the course is related in content to other courses offered at the college.

2) Intercollegiate athletics. These courses include those in which student athletes are enrolled to participate in an organized competitive sport sponsored by the district or a conditioning course which supports the organized competitive sport. Student athletes are limited to no more than 350 contact hours within a fiscal year (July 1-June 30); they are permitted a maximum of 175 hours in courses dedicated to the sport and 175 hours in courses focusing on skill development and conditioning.

3) Intercollegiate academic or vocational competition. Such courses must be designed specifically for students to participate in non-athletic competitive events, the competition must be between students from different colleges, the competition must be sanctioned by a formal collegiate or industry governing body, and participation in the event must be directly related to the course content. Students enrolled in these courses are required to participate in the academic or vocational competition.

Those courses that allow for additional enrollments beyond the first successful completion are designated by an “R” code followed by a number indicating the number of enrollments permitted. For example, a course with the designation R-E-3 allows for a maximum of four enrollments (the original enrollment plus an additional three) regardless of whether the student received a grade (A, B, C, D, F, P(C), NP (NC)) or a W. An explanation of the repeat codes is contained within the Announcement of Courses section of this catalog.

Repetition to Alleviate Previously Earned Substandard Grade

To alleviate a substandard grade in calculating the GPA from a non-repeatable course, the student should re-enroll in the same course at Saddleback College or take an equivalent course at Irvine Valley College. The student must ensure that the IVC course taken is deemed equivalent prior to enrolling in it by consulting with a counselor at Saddleback College. Students are limited to a maximum of three enrollments in a course to complete it with a satisfactory grade.

A student may request to have the substandard grade disregarded in the computation of their GPA by submitting a Request for Transcript Repeat Notation to the Office of Admissions and Records. The form is available to download from the Admissions and Records website at www.saddleback.edu/admissions/forms.html.

The previously recorded course and grade will remain on the student’s transcript and the transcript will show which course was excluded for purposes of grade point calculation. Only the most recent course grade earned will be used in calculating the student’s grade point average. A maximum of two previous grades per course may be disregarded in computing the student’s grade point average. All previous work will remain on the student’s transcript to ensure a true and complete academic history.

Repetition for Special Circumstances

Significant Lapse of Time

Students may be considered for an additional enrollment after they have successfully completed a course if:

1) There has been a significant lapse of time (not less than 36 months) AND

2) The student can provide documentation that

   a) The SOCCC District has established a recency prerequisite for a course or program OR

   b) Another institution of higher education to which the student seeks to transfer has established a recency requirement which the student will not be able to satisfy without repeating the course in question.

Students wishing to request an additional enrollment due to a significant lapse of time must complete an Academic Appeal Form. The form may be downloaded at www.saddleback.edu/admissions/forms.html. The form must be filed at least two weeks prior to the start of the semester in which the student seeks the course repetition.

Extenuating Circumstances

Students may petition to enroll in a course one additional time due to extenuating circumstances. Extenuating circumstances are verified cases of accidents, illness, or other circumstances beyond the student’s control resulting in either a passing or a substandard grade; students receiving an I, IP, or W cannot re-enroll in a course as a result of extenuating circumstances. Students may only be approved for this reason one time per course. Students may file an Academic Appeal Form for course repetition in the Office
Significant Change in Industry or Licensure Standards

Students may be permitted to repeat a previously completed course if there has been a significant change in industry or licensure standards since the student last took the course such that the student could not obtain or maintain his or her employment or license without retaking the course and the student is required to repeat the course for employment or licensure. Students may be required to provide a letter from their current or prospective employer stating the course must be taken again for employment as well as provide documentation of the significant change in industry standard since the course was last completed. Students should contact the Office of Admissions and Records for additional information.

Special Classes for Students with Disabilities

Pursuant to state and federal nondiscrimination laws, repetition of special classes designated to provide accommodations to a student's educational limitations may be permitted for any of the following reasons:

1) The student's continuing success in general and/or special classes is dependent upon additional enrollments in a specific special class,
2) Additional enrollments in a specific special class are essential to completing the student's preparation for enrollment into other special or general courses,
3) The student's educational contract includes a specific goal (other than completion of the special class in question) and additional enrollments will help further that goal.

Active Participatory Courses

Active participatory courses in physical education, visual arts, or performing arts (including — but not limited to — Dance, Theatre, Kinesiology, Visual Arts, and most Music courses) that are related in content to one or more other courses have additional restrictions on repeatability and repetition. Courses are defined as being related in content when they have "similar primary educational activities in which skill levels or variations are separated into distinct courses with different student learning outcomes for each level or variation" (§55000). Students are limited to four semester enrollments in courses that are related in content; this limitation applies even if an active participatory course is designated as repeatable. Students may repeat active participatory courses in which a substandard grade or W was received, however all enrollments count toward the four enrollment maximum.

Scholarship Standards

Dean's List

Students who achieve a grade point average of 3.25 or higher in 12 units* or 3.5 in at least 6 units of letter-graded courses in any one semester will be eligible for the honor of being placed on the Dean's List. Continued excellence in scholarship may result in graduation with honors. For the Dean's List certificate check with the Office for the Vice-President for Instruction, AGB 109 at 949-582-4795.

*For DSPS students full-time equivalency may differ, please contact the DSPS office at 949-582-4750.

Academic Honors At Graduation

In recognition of academic excellence for associate degree programs, students are awarded graduation honors as follows:

- Summa Cum Laude: 4.0 GPA
- Magna Cum Laude: 3.75 to 3.99 GPA
- Cum Laude: 3.50 to 3.74 GPA

Graduation honors are calculated using all academic work completed. This includes all work completed within the South Orange County Community College District and all work for which an official transcript has been received from other accredited institutions. In addition, in order to qualify, students must have completed 24 semester units of letter-graded work at Saddleback College.

Graduation honors will be indicated in the commencement program and on the student's diploma and transcript. However, for candidates (those students with final grades pending), the commencement program will note "candidate," as their degrees and honors have not yet been confirmed. When final grades are determined, a recalculations of grades will be completed and, if the student qualifies, the graduation honor will be noted on the diploma.

Probation

Academic Probation

A student who has attempted at least 12 semester units at Saddleback College and/or Irvine Valley College is placed on an academic probation when the earned grade point average in all units attempted is less than 2.0.

Progress Probation

A student who has enrolled in at least 12 semester units at Saddleback College and/or Irvine Valley College is placed on progress probation when the percentage of units in which he/she has enrolled and for which entries of "W," "I," and "NP" (NC) are recorded reaches or exceeds 50 percent.

It is the responsibility of the student who has been placed on academic or progress probation to confer with a counselor regarding the probationary status and/or to use the services provided by the college including basic-skills courses, tutoring services, and faculty conferences. The college reserves the right to require counseling and regulation of the student's program on the basis of his/her achievement.

Removal From Probation

Academic Probation

A student on academic probation for a grade-point deficiency shall be removed from probation when the student's accumulated grade point average is 2.0 or higher.

Progress Probation

A student on progress probation because of an excess of units in which entries of "W," "I," and "NP" (NC) are recorded shall be removed from probation when the percentage of units in this category drops below 50 percent.

Dismissal

A student whose cumulative grade point average falls below 1.75 in three consecutive semesters at Saddleback College and/or Irvine Valley College shall be subject to dismissal.

A student who has been placed on progress probation shall be subject to dismissal if the percentage of units in which the student has been enrolled for which entries of "W," "I," and "NP" (NC) are recorded in three consecutive semesters reaches or exceeds 50 percent.

A combination of low scholarship and continued progress probation for three consecutive semesters also may result in dismissal.
Suspension of VA Benefits Due to Probation

Saddleback College is responsible for enforcing the Department of Veterans Affairs’ (DVA) standards of academic progress. These standards require the college Veterans Office to suspend, for one semester, the VA education benefits of students who have been on academic or lack-of-progression probation for two consecutive semesters. The college Veterans Office is also required to notify DVA of this suspension.

VA benefits reinstatement: In addition to not receiving VA education benefits for one semester, students must have a written evaluation completed by an academic counselor. The evaluation must certify that the student has a reasonable chance of academic success in future semesters. Students who change their academic programs must satisfy more stringent criteria, including submission to VA of a request for reinstatement of benefits. Please call the college Veterans Office at 949-582-4871 for further details.

Readmission After Dismissal

Students who have been dismissed from Saddleback College or Irvine Valley College may apply for a readmission review after one semester of non-attendance by following the petition procedures through Counseling Services located in the Student Services Center Room 167. Students who are readmitted and fail to maintain a grade point average of 1.75 or higher during the semester following readmission will be subject to permanent dismissal. If circumstances warrant, exceptions may be made by recommendation of a special committee appointed to review such cases and by approval of the college president.

Academic Renewal

Students may petition to have their academic record reviewed for academic renewal of substandard academic performance in consecutive terms under the following conditions:

- Students must have achieved a grade point average of 2.5 with a minimum of 30 semester units at regionally accredited colleges or universities subsequent to the substandard work in question,
- Students must not have requested or have been granted academic renewal within the SOCCCD,
- Only work completed three years or more before the date of petition may qualify for academic renewal,
- Previous substandard work will be disregarded only by the term, not the individual course; that is, all courses completed in a given term will be disregarded, including those for which the student received a passing grade.
- Only substandard semesters (below 2.0) may be considered for renewal.
- A maximum of two semesters of full-time work or 30 units of part-time work may be disregarded.
- Academic renewal may not be granted for a semester containing coursework used as a requirement for a degree, certificate, or skills award to the student within the SOCCCD.

The procedures are as follows:
1. A petition must be filed in the Office of Admissions and Records.
2. Accompanying the petition must be evidence that (a) previous work in question was substandard (less than C or the equivalent), and (b) the previous substandard work does not reflect the student’s current performance or capabilities.
3. The Registrar of Admissions, Records, and Enrollment Services is the designated authority for approval of academic renewal.

Academic renewal actions are irreversible. When academic renewal procedures permit previously recorded substandard coursework to be disregarded in the computation of a student’s grade point average, the student’s permanent academic record should contain an accurate record of all coursework to ensure a complete academic history. Academic renewal by the SOCCCD does not guarantee that other institutions will approve such actions. This determination will be made by the respective transfer institutions.

Academic renewal procedures shall not conflict with the District’s obligation to retain and destroy records or with the instructor’s ability to determine a student’s final grade.

Load Limit

Students will be allowed to carry a maximum of 19 units, not including work experience or independent study. In order for a student to be considered for an overload, he/she must have a cumulative 3.0 grade point average and must petition the Counseling Office beginning the first day of each semester. Petitions are available in the Counseling Office.

Saddleback College does not specify a minimum load except when the student must meet certain eligibility requirements such as financial aid, student employment, Social Security certification, Veteran’s enrollment certification, insurance eligibility or athletic eligibility. Eligibility for Veteran’s benefits requires enrollment in the required units for each week of the certification period. The load requirement is as follows:

<table>
<thead>
<tr>
<th>Load Level</th>
<th>Units</th>
</tr>
</thead>
<tbody>
<tr>
<td>Full-time</td>
<td>12 or more units</td>
</tr>
<tr>
<td>Three-fourth time</td>
<td>9 - 11.5 units</td>
</tr>
<tr>
<td>One-half time</td>
<td>6 - 8.5 units</td>
</tr>
</tbody>
</table>

An average of 15-16 units each semester is necessary for a student to graduate within a two-year period.

Remedial Coursework Limit

No more than 30 semester units of credit may be awarded to a student for remedial coursework. Courses in this category include English reading and writing courses one level below transfer-level composition (ENG 1A) and mathematics courses below beginning algebra (MATH 251).

The following students are exempted from this limitation:
1. Students who are enrolled in one or more courses of English as a Second Language.
2. Students identified as having a learning disability.

The college may grant a waiver to the 30-unit remedial course limitation to any student who demonstrates significant and measurable progress toward the development of skills needed for successful enrollment in college-level courses. Waivers are given only for specified periods of time or specified numbers of units.

Students who have exhausted the unit limitation will be referred to appropriate noncredit adult-education programs.

Access to Records and Release of Information

The congressional legislation entitled The Family Educational Rights and Privacy Act is designed to protect the privacy of student information.

In compliance with this law, the college provides students access to specified official records directly related to the student and an opportunity to challenge such records on the grounds that they are inaccurate, misleading, or otherwise inappropriate, while providing for the challenge of the actual grade received.
The college will not release, except by subpoena from state, local, and federal government officials, personally identifiable data about students without their prior written permission. The following directory items are exceptions to this policy.

Saddleback College regards as public information:

1. Student participation in officially recognized activities and sports including weight, height, and high school of graduation of athletic team members.
2. Degrees and awards received by students, including honors, scholarship awards, athletic awards and Dean’s List recognition.
3. Dates of attendance.
4. Photo ID
5. Enrollment status

Students who do not wish to have the above directory information released must submit a written request to the Dean of Enrollment Services.

Students wishing to challenge information in their files should contact the Vice President for Student Services, who will cause a hearing to be held.

A standard fee has been established to cover the cost of furnishing copies of some college records to the student. Students wishing to have a copy of other records will be furnished copies at the actual reproduction cost except when copies of transcripts of coursework completed at other institutions must be obtained from those institutions.

The act applies to educational records only and does not include administrative records.

**Attendance**

Students are expected to attend classes regularly. Failure to attend classes may be taken into consideration by instructors in assigning grades.

Students who fail to attend the first meeting of any class for which they have officially enrolled may be dropped by the instructor unless prior arrangement has been made with the instructor.

Students who officially enroll in a class may be dropped by the instructor no later than the completion of 65% of the class.

Instructors may drop a student from a class when he/she is absent for a total of two cumulative instructional hours per credit unit or after six cumulative instructional hours.

It is the student’s responsibility to drop classes he/she is no longer attending.

**Final Examinations**

Final examinations are held in all subjects according to the schedule that is published by the Office of the Vice President for Instruction each semester. No student will be excused from any final examination without approval from the Office of the Vice President for Instruction.
Honors Program

Philosophy and Rationale
The Saddleback College Honors Program is an interdisciplinary effort to develop exceptional talent, ability, and scholarship in highly motivated students.

The Honors Curriculum
Faculty design Honors classes to
- develop strong “high-level” cognitive skills such as problem solving, evaluation, synthesis, critical thinking, and independent thinking;
- build writing and research capabilities in students so that they can excel at upper-division work after transfer;
- create a challenging, highly interactive, enjoyable academic experience; and
- take advantage of the opportunities allowed by the smaller class size (25 students per class).

The Honors Program offers a wide variety of UC-transferable courses that fit into the major or general education courses for most students. Check the Class Schedule to see which Honors courses are being offered in any given semester.

Honors Students
Any Saddleback College student may enroll in an Honors class without completing an application or seeking special permission. All students in Honors classes do Honors work and receive “H” transcript credit. By enrolling, a student chooses to do Honors work to Honors standards.

- Certificate-Track Honors Students have completed an Application for Certificate-Track Status and have been admitted to that status. They may be full-time or part-time students. Certificate-Track status confers benefits outside the classroom, as discussed below.
- Walk-In Honors Students are those taking one or two Honors classes because of an interest in the subject, the wish to work with the professor, curiosity about Honors, or other reasons.

Changing from Walk-In to Certificate-Track Status is possible, but a deadline does exist. Students lose the right to apply for Certificate-Track status after they complete two Honors courses at Saddleback College. An application must be filed before that point in order to preserve eligibility for eventual admission, even if admission is not granted at that point.

Applications are accepted year-round, but there are deadlines for eligibility for priority registration application. See www.saddleback.edu/honors for this year's dates.

Benefits and Activities
Honors students may participate in a variety of activities that include cultural events, field trips, conferences, independent study projects, and special events at four-year colleges and universities. Certificate-Track students in good standing are eligible for priority registration, free library cards at UC Irvine and UCLA, and other benefits.

Honors Transfer
Certificate-Track students who complete the Program are eligible for priority admission consideration at many local (and some distant) colleges and universities, including UC Irvine and UCLA. No agreements offer guarantees. Some include scholarships, Honors-to-Honors transfer, and other benefits. Because of the complexity of these agreements, Certificate-Track students meet each semester with an Honors counselor in the Transfer Center. Completion of the Honors Program in good standing is required but not sufficient for Honors transfer.

Certificate-Track Status Requirements
1. Completion of the application, available at www.saddleback.edu/honors
2. For students with fewer than 12 transferable semester units, a weighted academic high school GPA of 3.25 or higher, as evidenced by transcripts.
3. For students with at least 12 transferable semester units, a GPA of 3.25 in UC-transferable courses, as evidenced by transcripts of all college-level work.
4. Placement by the Matriculation Office in either English 1A or 1B eligibility.
5. No record of academic dishonesty.

Students who do not meet the GPA minimum due to extenuating circumstances are welcome to apply, but should explain their situation in their application.

Requirements for Good Standing
To maintain good standing in the Honors Program, students must maintain their overall GPA at or above 3.25; make reasonable progress toward completion of academic goals, including Honors coursework; engage in community, school, or leadership service, unless excused; commit no acts of academic dishonesty; and maintain records and good communication with the Transfer Center and the Honors Program Office.

Requirements for the Completion Certificate
1. Completion of the Honors “core” curriculum, which includes the Humanities 10A and 10B classes as well as one of the following:
   - English 1AH or
   - English 1B (Honors) or
   - Lib 2 and any Honors literature course
2. Completion of six additional Honors elective units (usually two courses). Students who complete English 1AH may complete with five elective units.
3. Completion of all Honors classes with a GPA of at least 3.20. All Honors courses must be graded.
4. Good standing at time of completion.

For further information call 949-582-4853, email schonorsprogram@saddleback.edu, or visit www.saddleback.edu/honors.
Credit by Examination —
Specific Course Credit

Currently enrolled students may qualify for credit by examination for courses in the current Saddleback College catalog for which they appear to be reasonably qualified by training or experience, and for which they have not received previous college credit, attempted credit by examination, or ever enrolled in the course. However, the course in which the student seeks credit by examination should be one in which the course content can be tested by examination in the opinion of the department and of the instructor assigned. A student may not receive credit by examination for any course which is prerequisite to one for which credit has been received. A minimum 2.0 grade-point average in at least 12 units completed at Saddleback College is required to participate in credit by examination. Units earned through credit by examination shall not be counted in determining the 12 semester-unit minimum required in residence for graduation.

The procedures for securing permission to obtain Credit by Examination for a course are as follows:

1. The student obtains a Credit by Examination petition form from the Office of Admissions and Records which will determine eligibility.
2. The student contacts an instructor who teaches the course for which Credit by Examination is requested. If it is the judgment of the instructor that the course content can be tested by examination, and that the student possesses sufficient background, previous training, and/or skills to attempt the examination, the instructor signs the form.
3. The student, following policies and procedures developed within the department, obtains the signature of the appropriate division dean.
4. Following division endorsement, the request is forwarded to the Vice President for Instruction for signature.
5. The initiating instructor prepares, administers, and grades the examination.
6. A grade of Pass (P) or No Pass (NP) will be assigned and the course will be identified as “Credit by Examination” on the transcript.

Note: Students should be aware that some universities will not recognize credit through course completion, or through credit by examination, for languages other than English in which they have received formal schooling in that language.
Alternative Credit Options

Advanced Placement Examination Program

Saddleback College will grant credit for each Advanced Placement (AP) Examination satisfactorily passed with a score of 3, 4, or 5. For AP credit to be awarded, an official score report must be on file in the Office of Admissions and Records prior to the Counselor review. Students can make an appointment to see a Saddleback College counselor for review of their AP exam scores and processing of an Advanced Placement Examination Credit Petition. Admissions and Records evaluators will assign AP Exam credit as applicable when a student applies for a degree, CSU G.E. or IGETC certification.

Credit will be given for AP exams passed with a score of 3 unless otherwise noted below:

**CSU GE:** The IB examinations may be incorporated into the certification of CSU general Education-Breath requirements by any certifying institution. All CSU campuses will accept the minimum units shown and apply them toward fulfillment of the Education-Breath requirements.

**IGETC:** IB exams must be used in area indicated regardless of where the certifying CCC’s discipline is located. Students who earn credit from an IB exam should not take a comparable college course because transfer credit will not be granted for both.
CSU: General Education Certification — AP/IB Exam Credit

All California State University (CSU) campuses will accept the minimum units as stipulated above toward full or partial CSU-GE certification. The CSU campus to which the student is transferring determines the applicability of the examination to other campus-specific graduation requirements including the major.

UC: IGETC — AP/IB Exam Credit

All University of California (UC) campuses will accept the minimum units as stipulated above toward full or partial IGETC certification. The UC campus to which the student is transferring determines the applicability of the examination to other campus-specific graduation requirements including the major.

Other Colleges & Universities — AP Exam Credit

AP credit granted by Saddleback College for either elective or specific course credit does not necessarily transfer as such to other colleges or universities, although policies on course credit are generally consistent with those of University of California (UC) campuses. Students planning to use AP credit toward transfer requirements will need to consult with appropriate campus representatives of the transfer institution for specific information regarding its policies and procedures.

English Equivalency Examination

Students who have passed the California State University English Equivalency Examination are awarded four semester units of ENG 1A (Principles of Composition) and three semester units of ENG 25 (Introduction to Literature) upon completion of one semester in residence.

California Registered Nurse License

Holders of current Registered Nursing Licenses completing the graduation requirements described in the Nursing Program will be given full credit for the nursing major. Refer to Degrees, Certificates, and Awards section of this catalog for details.

CTE Transitions — Programs for High School and Regional Occupational Program Students

Saddleback College maintains faculty-approved formal course articulation agreements with local CT (Career Technical) Transition high school and ROP (Regional Occupation Program) districts including: Capistrano Unified School District, Laguna Beach Unified School District, Saddleback Valley Unified School District, Capistrano-Laguna Beach ROP and Coastline ROP. Courses with articulation agreements follow the California Career Statewide Pathways Templates in the areas including: Accounting, Architecture, Automotive Technology, Business, Child Development, Cinema-TV-Radio, Computer Information Management, Computer Maintenance Technology, Drafting, Fashion, Food & Nutrition, Graphic Design, Horticulture, Interior Design, Manufacturing, Photography, and Theater Arts. For a complete listing, see the CTE Transitions website at www.saddleback.edu/cte

Students who complete a CT Transition articulated class offered through a partnering high school or ROP district and receive a grade of A or B, will be eligible to have Credit by Exam units for the corresponding Saddleback College class posted to their official transcript after completing a minimum of 3 units at Saddleback College. Eligible students should make an appointment with a Saddleback College counselor once they are enrolled at the college. The counselor will verify their Articulation Certificate and/or high school transcript, assist them in completing a CT Transition Petition form and submit the form to the Admissions & Records Office for processing. Contact the Counseling Department at (949) 582-4572 for further information.

Contract Education

Contract education provides an option for a student whose special needs preclude regular enrollment and attendance in courses outlined in the catalog or when it becomes necessary to meet particular curricular needs of one or more students. The student, an instructor, and the appropriate dean prepare a learning contract whereby the learning content will be specified as well as the methodology of study and means and criteria for evaluation. The kinds of contract education are the following:

Independent Study — Individual Project

A student may pursue advanced study after completing the courses offered in a particular field. Students, in cooperation with the instructor and the division dean, prepare and execute a petition for contract education that includes a written academic contract outlining a description of the project or study; specific student objectives and responsibilities; and instructor responsibilities for conference and evaluation of the individual learning project. The independent study petition (petition for contract education) is available in division offices. Completed petitions shall be filed no later than the 10th day of classes in the Office of Admissions and Records to complete enrollment. In unusual cases, enrolled students may add an independent study beyond the 10th day of instruction with the written approval from the Vice President for Instruction.

Special Studies Workshops

Special Studies Workshops may be requested by groups of students who wish to pursue advanced study with an instructor after completing an introductory offering; for non-traditional educational experiences where regular course offerings are not available; for non-department interdisciplinary study; to experiment with pilot courses; or to meet particular community education needs. A learning contract between the instructor and a group of students is entered into whereby the contracted hours and areas of study are clearly delineated as well as the means by which students will master the subject matter and be evaluated. Special Studies Workshops require the approval of the appropriate division dean and the Vice President for Instruction. Approval is dependent upon adherence to district policy on minimal class size as well as conformity to established standards of academic rigor. Independent Study/Special Study Workshop forms are available only in the division office and shall be filed no later than the 10th day of classes in the Office of Admissions and Records to complete enrollment.

Cooperative Work Experience

Saddleback College offers a well-directed Cooperative Work Experience or “internship” program with measurable objectives and results is a method of education that combines work experience gained by students on the job with regular academic instruction. It is a unique plan of education designed to develop skills and knowledge as well as to improve self-understanding by integrating classroom study with planned and supervised experience outside of the formal classroom environment. Cooperative Work Experience credit is available when stipulated in the catalog as a requirement for completion of an Occupational Certificate Program or by petition to a faculty member within the department of the student’s major. Applications are available in the Division of Business Science, Economic Workforce Development office.

* Credit will be given for CLEP with a score of 50 unless otherwise noted. If a student passes more than one CLEP test in the same language other than English (e.g., two exams in French), then only one examination may be applied to the baccalaureate. For each test in a language other than English, a passing score of 50 is considered “Level I” and earns six units of baccalaureate credit; the higher score listed for each test is considered “Level II” and earns 6 additional units of credit and placement in Area C2 of GE Breadth. The total of 12 units are earned[^].
College-Level Examination Program (CLEP)

Saddleback College accepts CLEP exams as a waiver for the Math Placement Examination or for credit for General Education. CLEP is not accepted as a waiver for the English Placement Examination.

Subject Examination: Each academic division of the college may recognize the Subject Examination if a single examination measures the competency associated with the successful completion of a specific Saddleback College course. Generally, however, specific course credit by examination will be attained through the Credit by Examination—Specific Course Credit Policy.

CLEP scores can be used for general education certification of the CSU General Education requirements. CLEP cannot be used for general education certification of Intersegmental General Education transfer (IGETC) requirements (see CLEP charts page 42-43).

Any credit awarded does not necessarily transfer to other colleges. Students seeking to use CLEP credit for college transfer purposes will need to consult the transfer institution regarding its policy pertaining to CLEP.

No credit will be given to CLEP in any area in which the student has earned college credit prior to completion of CLEP examinations. Credit is awarded upon completion of one semester in the South Orange County Community College District. Additional information regarding the College Level Examination Program may be obtained in the counseling office.

Military Service Credit

Six semester units of general elective credit toward an Associate degree will be awarded for a minimum of one year of active honorable service. In the first semester of attendance, veterans who are collecting V.A. educational benefits must submit their DD-214 to the Veterans Office to be evaluated for these credits. Other veterans who are not collecting V.A. educational benefits, will be evaluated by the Office of Admissions and Records.

In addition, credit will be awarded for work completed successfully in military service schools, not to exceed 15 semester units, according to the recommendations of the American Council on Education as stipulated in the Guide to the Evaluation of Educational Experiences in the Armed Services. Military Service credit will be evaluated only upon completion of 12 units in residence and application for an evaluation for an associate degree. Military evaluation forms may be obtained from the Office of Admissions and Records.

Military service credit may not necessarily apply toward minimum admissions requirements for other colleges or universities. Credit is generally given only after the student is fully matriculated and enrolled at the university upon submission of Form DD-214 or DD-295.

Located in the VETS Center, the Saddleback College Veterans Counselor is available for scheduled appointments and walk in sessions. This specialized Veterans Counselor is your primary source of information regarding academic planning, Veteran’s resources, and career and personal counseling. In addition, the Saddleback Veterans Counselor is your resource for student education planning (SEP) required to start receiving VA educational benefits. Questions regarding course selection and academic requirements may be addressed through this source.

Emeritus Institute

The Emeritus Institute is a dynamic and comprehensive academic program designed to provide courses that will be of interest and value, primarily for the older adult. This program is open and flexible, allowing an individual to select any courses that they wish for lifelong learning challenges or in preparation for a second career. The Emeritus Institute offers courses in 30 off-campus locations, convenient to the older adults of the Saddleback College community.

The Emeritus Institute curriculum is offered in both credit and non-credit modes. These courses are all designed to meet the academic and critical-thinking challenges of each discipline. Disciplines include Accounting, Art, Biology, Communication Arts, English, Fashion, Foreign Language, Geology, Gerontology, History, Health, Health Sciences, Humanities, Kinesiology, Music, Philosophy, Photography, Political Science, and Theatre.

For further information regarding the Emeritus Institute program call 949-582-4936 or 770-9669 or access our website at www.saddleback.edu/emeritus.

Other College Programs

Community Education

The College provides not-for-credit educational opportunities for the community through fee-based classes and programs for adults and children. Classes are self-supporting and do not receive funding through state or local taxes or the college’s budget.

The Community Education catalog “Gaucho Guide” is mailed three times per year. The “Gaucho Guide” details all class offerings and special events. For further information regarding Community Education, call 949-582-4646 or access our website at www.saddleback.edu/ce.

Study-Abroad Programs

Saddleback College offers study-abroad opportunities for students seeking college-credit learning experiences in other nations. In recent years programs were scheduled in Oxford, England as well as Santander, Spain, and Salamanca, Spain.

For more information and brochures contact the Liberal Arts division office at 949-582-4788 or access our website at saddleback.edu/la/sa/.
Graduation Requirements

Responsibility for filing a Petition for Graduation in the Office of Admissions and Records rests with the student, and all transcripts for all prior college work attempted must be on file for the petition to be considered. The deadline to file a Petition for Graduation is March 1 for spring graduation, July 1 for summer graduation, and November 1 for fall graduation.

Associate in Arts Degree

Upon completion of the following requirements, the South Orange County Community College District Board of Trustees will confer the Associate in Arts degree.

I. Unit Requirement: Units of Course Credit — minimum 60 units.

II. Scholarship Requirements: A minimum grade-point average of 2.0 in all units attempted at Saddleback College and an overall grade-point average of 2.0 for all units attempted.

III. Residence Requirement: Of the 60 semester units required, at least 12 units must be completed in residence at Saddleback College.

IV. General Education Requirement: Complete the requirements stated below under “Associate Degree General Education Requirement.”

1. Students may apply only one course below transferable freshman composition ENG 1A toward the Associate Degree.

2. A single course may be used to satisfy both a general education and a major requirement.

V. Major Requirement: (All courses must be completed with a grade of “C” or better. Title 5 section 55063)

1. Complete an Associate degree program as described in the Saddleback College catalog.

Associate in Science Degree

Upon completion of the following requirements, the South Orange County Community College District Board of Trustees will confer the Associate in Science degree.

I. Unit Requirement: Units of Course Credit — minimum 60 units.

II. Scholarship Requirements: A minimum grade-point average of 2.0 in all units attempted at Saddleback College and an overall grade-point average of 2.0 for all units attempted.

III. Residence Requirement: Of the 60 semester units required, at least 12 units must be completed in residence at Saddleback College.

IV. General Education Requirement: Complete the requirements stated below under “Associate Degree General Education Requirement.”

1. Students may apply only one course below transferable freshman composition ENG 1A toward the Associate Degree.

2. A single course may be used to satisfy both a general education and a major requirement.

V. Major Requirement (satisfy one. All courses must be completed with a grade of “C” or better. Title 5 section 55063):

1. Complete an Associate degree program in one of the natural sciences (Astronomy, Biology, Chemistry, Computer Science, Geology, Oceanography, or Physics) as described in the Saddleback College catalog.

2. Complete the Associate degree program in Engineering as described in the Saddleback College catalog.

3. Complete an occupational (certificate) program as described in the Saddleback College catalog with the exception of Cosmetology, Ecological Restoration, Geographic Information Systems, Gerontology, Interiors Merchandising, and Interior Design Assistant.

Associate Degree General Education Requirement

PHILOSOPHY OF GENERAL EDUCATION

The philosophy underlying “general education” is that no discipline is an isolated endeavor; instead, each relies upon and in turn reflects a common body of knowledge, ideas, intellectual processes, cultural traditions, and modes of perception. General education is a framework in which to place knowledge stemming from many sources. The general education experience allows the associate degree graduate to analyze, understand, appreciate, and modify the global society in which we live. Combined with an in-depth study in a selected field of knowledge, general education will contribute to and support the pursuit of lifelong learning. The Saddleback College general education curriculum provides both core and breadth requirements. Core requirements prepare students with fundamental knowledge and skills needed in all other coursework. Effective reading, writing, speaking, and critical thinking skills are, therefore, curriculum threads in each of the Saddleback College general education courses. Breadth requirements for general education expose students to each of the broad disciplines (the natural and social sciences, the humanities, and the arts) within which the human search for knowledge is carried out.

Core Requirements

Core requirements provide foundational skills and knowledge that allow students to think critically, to communicate clearly and effectively in speaking and in writing, and to use mathematics.

1. LANGUAGE AND RATIONALITY

Courses which develop the principles and applications of language toward logical thought, clear and precise expression, and critical evaluation of communication.

(One course in each category with a grade of “C” or better.)

A. Written Communication

ENG 1A

B. Oral Communication

SP 1

SP 5

BUS 102

2. MATHEMATICS COMPETENCY

Students should complete either option A or option B.

A. Completion with a grade of “C” or better of any mathematics course offered within the Mathematics Department, other than MATH 251, 251A and B, 351.

B. Evidence of one of the following standardized examination scores:

1. 3 or above on the College Board Advanced Placement Exam

2. 530 or above on the Mathematics section of the SAT

3. 23 or above on the ACT Mathematics Test

4. 520 or above on the College Board Math Achievement Test

3. READING COMPETENCY

Students should complete one of these options:
A. Completion with a grade of “C” or better ENG 1B, 170, 180, 190, or 340.

B. Evidence of one of the following standardized examination scores:
1. 400 or above on the Critical Reading section of the SAT
2. 19 or above on the ACT Reading Test
3. 35-39 percentile on the Comprehension section of the Nelson-Denny Reading Test, Form H, or on an equivalent test. The Nelson-Denny Reading Test may be repeated once only, starting with the semester in which the student will have completed a minimum of 45 units.
4. A placement of ENG 170 based on CTEP

C. Units earned do not apply to the associate degree.

4. INFORMATION COMPETENCY

Information competency is the ability to find, evaluate, use, and communicate information in all its various formats. It combines aspects of library literacy, research methods, and technological literacy. Information competency includes consideration of the ethical and legal implications of information and requires the application of both critical thinking and communication skills.

Courses in this category may also apply to Core, Breadth, or major requirements.

One of the following courses completed with a grade of “C” or better:
- ANTH 2, 3, 4*, 6, 8
- BUS 102
- CD 107
- CIM 1, 10
- DANC 64
- ENG 1B, 170
- ENV 1, 18
- ES 1*, 2*, 3*, 10*
- FCS 115
- FN 50
- HIST 4, 5, 12, 16, 17, 32
- LIB 2, 100, 101
- N 176
- PSYC 1, 2, 7
- SP 1, 2, 3

Note: Courses used to fulfill any competency requirement may also apply to Core or Breadth requirements

Breadth Requirements

Breadth requirements provide students with the knowledge they need:
- to understand and use modes of inquiry in the major disciplines (including the humanities, fine arts, natural and social sciences);
- to be aware of and appreciate the diversity of other cultures and times as well as American institutions and ideals;
- to develop the capacity for self understanding and the relationship between mind, body, and the environment.

1. FINE ARTS AND HUMANITIES

Those courses which study the cultural activities and the artistic expressions of human beings.

Group A. The Arts, Music, Theatre

One course from the following:
- ARCH 12
- ART 4, 20, 21, 22, 23, 24*, 25, 26, 27, 28, 29
- CTVR 3, 7*, 9, 102
- DANC 64, 174
- FASH 144
- FA 27
- HORT 115
- ID 110, 122, 125
- MUS 1, 20, 23*, 24, 25, 26, 27*, 28, 29
- PHOT 25
- SP 32/TA 32
- TA 20, 22, 25, 26, 110*

Group B. Literature, Philosophy, History, Religion, and Foreign Language

One course from the following:
- ARAB 1, 2, 21
- CHI 1, 2, 21
- FR 1, 2, 3, 4
- GER 1, 2, 3, 4
- HUM 1, 3, 10A, 10B, 21, 22, 25
- ITA 1, 2, 3, 4, 10, 21
- JA 1, 2, 21
- KOR 1, 2, 3, 4, 21
- PORT 1, 2, 3, 4, 21
- PRSN 1, 2, 3, 4
- PHIL 1, 10, 15
- SL 1, 2, 3, 4, 101*
- SPAN (or 1A and 1B), 2, 3, 4, 20A, 20B, 21A, 21B, 21C*
- SP 30/TA 30

2. NATURAL SCIENCES

Those courses of study which deal with matter and energy as it applies to physical and/or life sciences and their interrelations and transformations.

One course from the following:
- ANTH 1 and 1L (ANTH 1L must be taken concurrently with ANTH 1 or within one year after completing ANTH 1)
- ASTR 20 and 25 combined
- BIO 3A, 3B, 11, 15, BIO 19, BIO 20, 31, 113
- CHEM 1A, 3, 108
- ENV 18, 24
- GEOG 1 and 1L
- GEOL 1, 20, 23/ENV 23
- HORT 20
- MS 4, 20
- PHYS 2A, 4A, 20
- (Course used to fulfill this requirement must include a lab.)

3. SOCIAL AND BEHAVIORAL SCIENCES

The body of knowledge that relates to the human being as a member of society or component of society, such as state, family, or any systematized human institution.

Group A. Social/Behavioral Science

One course from the following:
- ANTH 2, 3, 4*, 5, 7*, 8, 9, 10, 17, 21
- BUS 1
- CD 105, 107+, 117*
- ECON 2, 4, 20
- ENV 1
- ES 1*, 2*, 3*, 10*
- GEOG 2, 3, 38
- HIST 12, 19, 20*/SOC 20*, HIST 21*, 27, 28, 30, 33*, 61, 62, 63, 70, 71, 72, 74, 75, 80/PS 80, HIST 81*
Credit Transferred From Other Institutions

The Board of Trustees of the South Orange County Community College District has mandated that full reciprocity shall exist for courses completed at either Irvine Valley College or Saddleback College. Saddleback College grants credit for college units earned at any regionally accredited institution of higher education. Course equivalencies are determined by the Office of Admissions and Records in accordance with the policies and requirements set forth in this catalog. It is the student’s responsibility to arrange to have transcripts sent to the Office of Admissions and Records and to apply for evaluations. No more than four units may be awarded for sectarian courses.

A student who has completed a Bachelor's degree or higher at a regionally accredited college or university, or its equivalent as determined by an approved credentials evaluation service, has met the Saddleback College General Education requirements for the Associate degree; however, transcript evaluation must verify completion of a course conducted in English equivalent to ENG 1A with a grade of “C” or higher, as well as an equivalent to a course applicable to the American Institutions requirement. Nursing students who possess a Bachelor’s degree are not held to the American Institutions requirement, per SB1393.

International transcripts are required to include a detailed evaluation report that includes course, unit and GPA breakdowns in order for credit towards an associate degree petition to be considered.

Certificate of Achievement

The awarding of a Certificate of Achievement acknowledges to the recipient and the potential employer that all courses in an approved occupational program have been completed. The courses are chosen by the faculty on the basis of determination of educational experiences which lead to vocational competency.

Students with previous educational or vocational experience who wish to waive a course on the certificate list may be expected to verify equivalency through examination. Petitions for course waivers or substitutions are available in both the Office of Admissions and Records and the Counseling Office. When waivers and substitutions have been approved, a minimum of 18 units must be included in the certificate program. The Certificate of Achievement is issued upon the completion of the following:

1. The required courses in the certificate area.
2. A minimum of twelve (12) units in residence at Saddleback College. At least one course required in the certificate must be completed at Saddleback College.

It is the student’s responsibility to make a formal application for the Certificate of Achievement to the Office of Admissions and Records.

Certificate of Completion

The curriculum in the English as a Second Language Completion Certificate is designed to provide the students with the opportunity to achieve increased fluency in English while enrolled in non-credit coursework. Students who successfully complete the hours required for a certificate expand their employment and educational options.

It is the student’s responsibility to make a formal application for the Certificate of Completion to the Office of Admissions and Records.
Occupational Skills Award

Occupational Skills Awards acknowledge to the recipient and the potential employer achievement of a set of vocational skills in a specific field. These awards may contain from 6 to 17.9 units and do not appear on the student transcript. All courses for the Occupational Skills Award must be completed at Saddleback College.

It is the student’s responsibility to make a formal application for the Occupational Skills Award to the Office of Admissions and Records.

Multiple Majors

Within the units required for the associate degree it is possible for a student to complete the requirements for more than one major or certificate program, providing that minimum requirements are met for each major or certificate and that a minimum of 12 units applies exclusively to each program. A student may only earn one degree (A.A., A.S., AA-T, AS-T) per term.

Additional Associate Degrees from Saddleback College

The following details instances in which additional associate degrees may be conferred:

Bachelor degree completed at a regionally accredited College:

Students seeking an associate degree after having received a bachelor degree may qualify for an associate degree upon completion of all of the following:

• 12 units in residence AND
• The requirements of the major field of study AND
• Student must complete a course conducted in English equivalent to ENG 1A with a grade of “C” or higher, as well as an equivalent to a course applicable to the American Institutions requirement.

Students seeking an additional associate degree after having received an associate degree from Saddleback College or another institution.

Students in this scenario may qualify for an additional associate degree upon completion of all of the following:

• At least 12 additional units in residence after conferment of the previous degree AND
• Completion of Saddleback College General Education Requirements AND
• The requirements of the major field

In all instances, students must meet the following to be conferred an additional associate degree from Saddleback College:

• At least 12 additional units are earned in residence after conferment of the previous degree AND
• All requirements of the major are fulfilled

In no situation may a student earn more than one degree (A.A., A.S., AA-T, AS-T) per term.

Associate Degrees for Transfer

California Community Colleges are now offering associate degrees for transfer to the CSU. These may include Associate in Arts (AA-T) or Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. California Community College students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses.

Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units.

To view the most current list of Saddleback College Associate Degrees for Transfer and to find out which CSU campuses accept each degree, please go to http://californiaco mmunitycolleges.cccco.edu/Students/AssociateDegreeforTransfer.aspx. Current and prospective community college students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

# Accounting

There are three certificate programs available in accounting: Accounting, Computerized Accounting Specialist, and Tax Preparation. Accounting majors intending to transfer to a four-year college should refer to the Business Administration transfer curriculum.

## Accounting Certificate Program

This program meets a substantial portion of the 24-unit Accounting course requirement to take the California CPA exam. It is intended primarily for students possessing a bachelor's degree or foreign university equivalent. In addition, completion of this certificate is helpful in securing entry-level accounting positions in business and industry. CPA EXAM AND LICENSURE: Please contact the California Board of Accountancy.

## Program Student Learning Outcomes

Students who complete this program will be able to:

- Prepare a set of basic financial statements.
- Calculate and analyze common ratios and numerical relationships that are produced through the accounting cycle.
- Demonstrate proficiency in processing the accounting cycle for a business.
- Demonstrate proficiency in communicating financial information in the subject area.
- Present an oral presentation in the designated subject area.

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

## Associate Degree

### Associate in Science Degree

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

### General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

Suggested coursework not required for the major: ACCT 214, 215; BUS 1, 102, 103, 104, 125; CIM 1, 112, 171, 174, 174A, 216, 218; ECON 2, 4.

## Tax Preparation Certificate Program

This program provides students with sufficient knowledge of Federal and State of California tax law to prepare individual and small business tax returns and to obtain an entry-level position as a tax preparer.

## Program Student Learning Outcomes

Students who complete this program will be able to:

- Prepare a set of basic financial statements.
- Calculate and analyze common ratios and numerical relationships that are produced through the accounting cycle.
- Demonstrate proficiency in communicating financial information in the subject area.
- Present an oral presentation in the designated subject area.

## Computerized Accounting Specialist Certificate Program

This program provides students who plan to enter the accounting field with knowledge of accounting principles and practices to record transactions for various types of businesses using a double-entry accounting system, as well as the latest commercial software, and the ability to analyze financial statements.

### Program Student Learning Outcomes

Students who complete this program will be able to:

- Present an oral presentation in the designated subject area.
Certificates and Degrees

Saddleback College Catalog 2013/2014          www.saddleback.edu          53

Total  18.5

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.
+Completion of the A and B versions of this course can also be used to fulfill this requirement.

Associate Degree

Associate in Science Degree

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Suggested coursework not required for the major:  BUS 1, 12, 125.

American Sign Language Certificate Program

The American Sign Language (ASL) program is designed to prepare the student to be able to communicate with the Deaf Community in a variety of settings. Proficiency in ASL is valuable to professionals in special education, health sciences, audiology, and speech therapy.

Program Student Learning Outcomes

Students who complete this program will be able to:
• Demonstrate the skills needs to communicate with the Deaf community at a basic to native level.
• Show in-depth knowledge about the Deaf community and their culture.
• Competently interact with native signers.

Course ID Title Units
---    ---    ---
SL 1*  American Sign Language I  4
SL 2*  American Sign Language II  4
SL 3*  American Sign Language III  4
SL 4*  American Sign Language IV  4
SL 101 Deaf Culture and Its History  3

Total  19

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

Associate Degree

Associate in Science Degree

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Suggested coursework not required for the major:  SOC 1.

Anthropology Associate Degree Program

The curriculum in the Anthropology Associate Degree program is designed to provide the transfer student the opportunity to achieve an associate degree. While a baccalaureate or higher degree is recommended for those considering majors related to this field, earning the Associate degree may support attempts to gain entry-level employment or promotion.
Program Student Learning Outcomes

Students who complete this program will be able to:

- Describe the breadth of anthropology and be able to characterize anthropology’s distinctive theoretical and methodological approaches with respect to other disciplines.
- Demonstrate an understanding of the historical development of the discipline and the centrality of the four-field approach in American anthropology.
- Explain the basic processes of human biological evolution.
- Describe modern human biological diversity and articulate an informed position on the question of race.
- Define and critically analyze the concepts of culture and cultural relativism.
- Demonstrate the ability to think holistically and comparatively in describing human cultural diversity.
- Demonstrate an understanding of the processes of social and cultural change through time.
- Discuss the politics of inclusion and exclusion both locally and globally.
- Articulate an anthropological perspective in relation to contemporary issues and concerns.
- Discuss the importance of the scientific method in anthropological research.
- Identify the correct methods for the undertaking of biological, ethnographic, linguistic, and/or archaeological research.
- Identify the ethical responsibilities and concerns in the conducting of anthropological research.
- Write concisely and logically, incorporating relevant data and knowledge.
- Critically evaluate information sources about different peoples and cultures.

Course ID   Title                      Units
ANTH 1    Biological Anthropology    3
ANTH 2    Cultural Anthropology      3
ANTH 3*   Culture and Language       3
ANTH 9    Introduction to Archaeology 3
Select from Restricted Electives 6

Total 18

Restricted Electives:
ANTH 4    Native American Indian Culture 3
ANTH 5    Anthropology of Latin America: Culture, Identity, and Power 3
ANTH 6*   Global Issues in Anthropological Perspective 3

ANTH 13   Magic, Witchcraft, and Religion 3
ANTH 14   Introduction to Visual Culture 3
ANTH 15   World of Primates           3
ANTH 16*  Archaeological Field Methods 4
ANTH 17   The Biological Evolution of Human Nature 3
ANTH 21   Women, Gender, and Culture: Cross-Cultural Perspectives 3
ANTH 100* Forensic Anthropology      3

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

Associate Degree

Associate in Arts Degree

Complete a minimum of 60 units including the total number of units described above and the General Education requirements with an overall GPA of 2.0 to qualify for the Associate in Arts degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Suggested coursework not required for the major: BIO 11, 22, 40; CCS 1, 2, 10; GEOG 2; GEOL 2; HIST 20/SOC 20; MATH 10; PSYC 16; SOC 1.

Arabic

Associate Degree Program

The Arabic Program offers lower-division preparation for students who plan on transferring to pursue a bachelor’s degree in Arabic. Students planning to transfer and/or earn this associate degree may also need to complete additional requirements or electives required by the transfer institution, as many have unique admissions and preparation-for-the-major requirements. Students should meet with a counselor to identify required courses and to develop a written plan for their targeted university.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Demonstrate a comprehensive knowledge of Arabic vocabulary
- Use proficient conversational skills in Arabic
- Read and write in Arabic
- Demonstrate introductory cultural and historic knowledge of Arabic speaking people.

Associate Degree

Associate in Arts Degree

Complete a minimum of 60 units including the total number of units described above and the General Education requirements with an overall GPA of 2.0 to qualify for the Associate in Arts degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.
## Architectural Drafting Certificate Program

This occupational program is a two-year sequence of courses designed for students who wish to train for employment in architecture or a field related to the construction industry.

### Program Student Learning Outcomes

Students who complete this program will be able to:

- Communicate designs in the 3 languages of architectural visualization: Board Drafting, AutoCAD, and Revit.
- Demonstrate knowledge of at least 7 of the major periods of architectural history: Ancient Egyptian, Ancient Greek, Ancient Roman, Byzantine, Romanesque, Gothic, Renaissance, Baroque, Neoclassical, Craftsman, Art Nouveau, Art Deco, Modern, and Contemporary Architecture.
- Demonstrate knowledge of current construction materials and techniques for residential and commercial construction.
- Write contract documents used in the architecture, engineering and construction industry.

### Course ID | Title | Units
--- | --- | ---
**First Year**
ARCH 10 | Introduction to Architecture | 2
ARCH 12 | History of Architecture | 3
ARCH 50* | Introduction to Computer-Aided Drafting | 3
ARCH 51* | Computer-Aided Drafting | 3
ARCH 124A | Architectural Drawing I | 4
ARCH 218 | Foundation Studio in Architecture | 4
ARCH 219* | Residential and Commercial Space Planning | 4
ARCH 220* | Revit and Building Information Management (BIM) | 4
**Second Year**
ARCH 34* | Basic Architectural Design I | 3
ARCH 42* | Descriptive Drawing and Perspective | 3
ARCH 122 | Architectural Practice | 2
ARCH 124B* | Architectural Drawing II | 4
ARCH 124C* | Architectural Drawing III | 4
ARCH 126 | Materials and Methods of Construction | 3
- Select from Restricted Electives | 3-6
**Total** | 49-52

### Restricted Electives:

- ARCH 44* | Architectural Presentation and Rendering | 2
- ARCH 132* | Residential Planning Principles and Design | 3
- ARCH 152*/DR 152* | Advanced Computer-Aided Design | 3
- ARCH 161 | Blueprint Plans and Specification Reading | 4
- ARCH 163 | International Building Code Inspection | 4
- ARCH 164* | Combination Residential Dwelling Inspection | 3
- ARCH 165 | Electrical Code Inspection | 3
- ARCH 200 | Design in Arizona, Riverside, and Palm Springs | 1.5
- ARCH 211 | Concrete Inspection | 3
- ARCH 212 | Drains, Waste, Vents, Water and Gas | 3
- ARCH 213 | Mechanical Code: Heating, AC, Refrigeration, and Ductwork | 3
- ARCH 221* | Advanced Revit/Building Information Management II | 4
- ARCH 260 | Architecture in Northern California | 1.5
- ARCH 261 | Orange and San Diego Architecture | 1.5
- ARCH 262 | Los Angeles Architecture | 1.5
- DR 200* | 3D Parametric Modeling - Solidworks | 3
- MFG 200* | Introduction to Rapid-Prototyping Technology | 3
- MFG 201* | Advanced CAD Model Making and Tooling | 2

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

## Associate Degree

### Associate in Science Degree

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

### General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

### Suggested coursework not required for the major: ARCH 44, 136; ART 40, 41, 80

## Art Associate Degree Program

The curriculum in the Art Associate Degree program is designed to provide the transfer student the opportunity to achieve an Associate degree. While a baccalaureate or higher degree is recommended for those considering majors related to this field, earning the associate degree would demonstrate achievement and may support attempts to gain entry-level employment in graphic design or promotion.

### Program Student Learning Outcomes

Students who complete this program will:

- Be prepared for transfer in art history and/or studio art by offering articulated courses, and courses that serve as prerequisites for admission in the UC system, the CSU system and private institutions.
- Be prepared for employment in the field of art through experience in the studio arts, exhibition design, and art history. Students develop practical skills that translate into a higher level of qualification for employment in the areas of illustration, animation, web design, graphic design, architecture, art education, fashion, interior design, museum studies, art sales, and many other areas.
- Demonstrate skills to pursue lifelong learning in the areas of art history and studio arts.

### Course ID | Title | Units
--- | --- | ---
**First Year**
ART 40 | Two-Dimensional Design | 3
ART 41* | Three-Dimensional Design | 3
ART 50* | Painting I | 3
ART 80 | Drawing I | 3
- Select from Restricted Electives | 9
**Second Year**
ART 25 | Survey of Art History: Ancient Worlds to Gothic | 3
ART 26 | Survey of Art History: Renaissance to Modern | 3
ART 85* | Drawing from the Live Model I | 3
- Select from Restricted Electives | 9
**Total** | 33

### Restricted Electives:

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

## Associate Degree

### Associate in Arts Degree

Complete a minimum of 60 units including the total number of units described above and the General Education requirements with an overall GPA of 2.0 to qualify for the Associate in Arts degree. A minimum of 12 units must be completed at Saddleback College.
General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Astronomy Associate Degree Program

The curriculum in the Astronomy Associate Degree program is designed to provide the transfer student the opportunity to achieve an Associate degree. While a baccalaureate or higher degree is recommended for those considering majors related to this field, earning the associate degree may support attempts to gain entry-level employment or promotion.

Program Student Learning Outcomes

Students who complete this program will be able to:

• Identify the structure and evolution of the solar system by comparing and contrasting the planets.
• Demonstrate observational techniques used to gather data on astronomical objects.
• Describe the evolution, structure and composition of the universe. Including all galaxies, quasars, proto-galaxies and components within galaxies (stars, gas, dust and non-stellar objects).

Course ID Title Units

First Year

ASTR 20 General Astronomy 3

and

ASTR 25* Observational Astronomy 3

CS 1A Introduction to Computer Science 3

MATH 3A* Analytic Geometry and Calculus 5

MATH 3B* Analytic Geometry and Calculus 5

PHYS 4A* General Physics 5

Second Year

PHYS 4B* General Physics 5

PHYS 4C* General Physics 5

Total 34

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

Associate Degree

Associate in Science Degree

Completion of all the courses listed above and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Automotive Technology

The Automotive Technology programs are designed to prepare students for employment as automotive technicians. Students may also complete their Associate in Science Degree requirements and prepare to transfer to a four-year college. Training is given in both theory and practical skills in the operation, maintenance, and repair of all types of automotive systems. The following four certificate options are available: Automotive Chassis Specialist, Automotive Engine Service Specialist, Automotive Engine Performance Specialist, and General Automotive Technician.

Alternative Fuel Vehicle Specialist Associate Degree Program

This program provides students with knowledge of all operating systems in the modern hybrid and alternative fueled automobile. The emphasis is on the unique characteristics and maintenance issues associated with hybrid and alternative fuel systems and alternative forms of propulsion. Ideal for the small business owner, independent shop, or the dealership career oriented technician.

Program Student Learning Outcomes

• Employability: Graduates of the Alternative Fuel Vehicle Specialist Program will be well-prepared for employment in the automotive industry.
• Industry Skills: Graduates of the Alternative Fuel Vehicle Specialist Program will have current industry-specific skills related to the safety, operation, service, maintenance and repair of alternative fuel vehicles.
• Alternative Fuel Vehicle Specialist: Graduates of the Alternative Fuel Vehicle Specialist Program will be able to apply knowledge in the workplace of the different systems of alternative fuel vehicles.
• License Preparation: Graduates of the Alternative Fuel Vehicle Specialist Program will be qualified to take the related ASE certification exams.

education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Automotive Chassis Specialist Certificate Program

This program allows a student to prepare for a career with a drivetrain emphasis. This program is ideal for the small-business owner, independent shop, or the dealership career-oriented technician.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Demonstrate skills for employment in the automotive industry.
- Apply industry-specific skills related to drivetrain operation, diagnostics and repair.
- Apply knowledge of all phases of chassis system operation, diagnostics and repair.
- Demonstrate preparation for related ASE certification exams.

### Biology Associate Degree Program — Biological Science

The curriculum in the Biology Associate Degree program is designed to provide the transfer student the opportunity to achieve an Associate degree. While a baccalaureate or higher degree is recommended for those considering majors related to this field, earning the Associate degree would demonstrate achievement and may support attempts to gain entry-level employment or promotion.

#### Program Student Learning Outcomes

- Demonstrate a working knowledge of the scientific method.
- Demonstrate the ability to make links among topics and sub-disciplines so that information can be used for deeper comprehension.
- Demonstrate the ability to use the attained knowledge foundation to illustrate concepts and compare examples.
Program Student Learning Outcomes

Students who complete this program will be able to:

- Demonstrate preparation for transfer to a four-year institution with the required business, accounting, economics, math, and other learning.
- Identify the fundamentals of legal systems, and social, ethical, and political forces affecting the development and operation of businesses.
- Communicate clearly, effectively, and appropriately in writing and orally.

Suggested coursework not required for the major: BIO 11, 12 or 15; MATH 3A or 11; PHYS 2A, 2B or 4A, 4B.

Associate in Science Degree in Business Administration for Transfer

Students who complete the Associate in Science in Business Administration for Transfer degree receive priority admission to the California State University system, though admission to a specific campus is not guaranteed. While an associate degree may support attempts to gain entry-level employment or promotion, a baccalaureate or higher degree is recommended for those considering professional careers, which can be achieved through transfer.

The following is required for all AA-T or AS-T degrees:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
   - (A) The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
   - (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.

2. Obtainment of a minimum grade point average of 2.0. Students must earn a C or better in all courses required for the major or area of emphasis. A “P” (Pass) grade is not an acceptable grade for courses in the major.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Communicate clearly, effectively, and appropriately in writing and orally.
- Identify the fundamentals of legal systems, and social, ethical, and political forces affecting the development and operation of businesses.
- Demonstrate preparation for transfer to a four-year institution with the required business, accounting, economics, math, and other learning.

Associate in Science Degree

Completion of all the courses listed above and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Suggested coursework not required for the major: BIO 11, 12 or 15; MATH 3A or 11; PHYS 2A, 2B or 4A, 4B.

Business Administration Associate Degree Programs

The curriculum in the Business Administration Associate Degree program is designed to provide the transfer student the opportunity to achieve an Associate degree. While a baccalaureate or higher degree is recommended for those considering professional careers, earning the Associate degree may support attempts to gain entry-level employment or promotion.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Communicate clearly, effectively, and appropriately in writing and orally.
- Identify the fundamentals of legal systems, and social, ethical, and political forces affecting the development and operation of businesses.
- Demonstrate preparation for transfer to a four-year institution with the required business, accounting, economics, math, and other learning.

Course ID | Title | Units

CIM 10 | Introduction to Information Systems | 3
CIM 112 | Microsoft Office | 3
ECON 2 | Principles (Macro) | 3
ECON 4 | Principles (Micro) | 3
MATH 3A | Analytic Geometry and Calculus | 5
MATH 11 | A Brief Course in Calculus | 5

Total | 31

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.
Associate Degree

Associate in Arts Degree

Complete a minimum of 60 units including the total number of units described above and the General Education requirements with an overall GPA of 2.0 to qualify for the Associate in Arts degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Suggested coursework not required for the major: BUS 116, 120, 125, 135, 150, 160; MATH 10; PHIL 12 or 15.

Business Management

The curriculum in the Business Management Associate Degree program is designed to provide the student the opportunity to achieve an Associate degree. While a baccalaureate or higher degree is recommended for those considering professional careers in business, earning the Associate degree would demonstrate achievement and may support attempts to gain entry-level employment or promotion.

Program Student Learning Outcomes

Students who complete this program will be able to:

• Communicate clearly, effectively, and appropriately in writing and orally.
• Identify the fundamentals of legal systems, and social, ethical, and political forces affecting the development and operation of businesses.
• Describe the functions of business in society including the major concepts related to business ownership and the factors that influence them; competition and marketing; and the systems, technologies, and operational controls through which business organizations operate.
• Apply the basics of financial accounting.
• Assess human communication styles; plan and apply motivational strategies; solve human relations issues.

Entrepreneurship Certificate Program

The Entrepreneurship Certificate is designed for students who wish to emphasize entrepreneurship in their community college business studies, including completing the additional requirements for an Associate in Science degree in this area. Entrepreneurial studies help prepare students who plan to seek a higher degree in
business. Completion of the Entrepreneurship Certificate demonstrates achievement, may support job applications, and, importantly, provides students with critical knowledge and tools for planning and starting a new business. The program provides valuable preparation in proven business practices and with business ownership issues such as market focus, measurements of success, and developing a clear and useful business plan.

Because some of the leading causes of failure in new businesses are poor risk management, lack of adequate capitalization, and mismanagement of resources, this program provides specific information in these areas to help make good decisions to ensure success.

The Entrepreneurship Certificate is also useful for members of the community who are planning or starting a new business. Some of these students might prefer to complete the shorter Entrepreneurship Occupational Skills Award.

Program Student Learning Outcomes
Students who complete this program will be able to:

• Describe the major influences on small businesses and on starting and building businesses, including governmental, financial, human resource, and other considerations.
• Identify the fundamentals of legal systems, and social, ethical, and political forces affecting the development and operation of businesses.
• Communicate clearly, effectively, and appropriately in writing and orally.
• Describe the functions of business in society including the major concepts related to business ownership and the factors that influence them; competition and marketing; and the systems, technologies, and operational controls through which business organizations operate.

Global Business Certificate Program

Technology and international commerce have redefined business in a global context. The Global Business program prepares students for careers in international business and industries that deal with international trade and global markets. The program focuses on the dynamics of international organization, environments, trade, language, socioeconomic and cultural forces, political and legal issues, and emerging global markets. Completion of the recommended electives demonstrates global competencies in international business. Elective courses provide specialized areas of study. Transfer International Business majors should refer to the Business Administration transfer curriculum.

Program Student Learning Outcomes
Students who complete this program will be able to:

• Describe global business concepts, principles, and development of successful global business strategies.
• Identify the fundamentals of legal systems, and social, ethical, and political forces affecting the development and operation of businesses.
• Describe the functions of business in society including the major concepts related to business ownership and the factors that influence them; competition and marketing; and the systems, technologies, and operational controls through which business organizations operate.

Marketing Certificate Program

The Business Marketing program offers a focus on courses designed to improve student success in the field of promotion, personal selling, and advertising.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Apply classic and contemporary marketing functions, including problem solving, pricing, distribution, promotion, and uses of new technologies, including social media and e-commerce.
- Identify the fundamentals of legal systems, and social, ethical, and political forces affecting the development and operation of businesses.
- Describe the functions of business in society including the major concepts related to business ownership and the factors that influence them; competition and marketing; and the systems, technologies, and operational controls through which business organizations operate.
- Students who complete a certificate or degree in the Marketing Program will be able to communicate clearly, effectively, and appropriately in writing and orally.

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Suggested coursework not required for the major: BUS 12 or 14, 116, 195.

Professional Retailing Certificate Program

Success in business roles and merchandising is often found in the skills of management, promotion, or merchandising. The Professional Retailing program is designed to allow a choice of additional study in one of the three skill areas.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Identify the fundamentals of professional retailing: merchandising, marketing, management, staffing, buying, pricing, transaction-stock control, location, layout, service, consumer behavior and service, and current problems and trends, as they apply to the retailing of goods and services.
- Assess human communication styles; plan and apply motivational strategies; solve human relations issues.
- Engage successfully in one-to-one professional selling in today’s marketplace.
- Demonstrate skills in one of three retailing specialties: management, promotion, or merchandising.

Retail Management Certificate Program

The Retail Management program, designed by managers of major retail corporations, prepares individuals to be effective managers or for promotion to management in the retail industry. The curriculum assists students’ understanding of the scope of the retail manager’s job and the requirements for success. Completion of the certificate in Retail Management enhances the opportunity for entry employment as well as advancement in a retail career.
Program Student Learning Outcomes
Students who complete this program will be able to:
- Describe the scope of the retail manager's job and the requirements for success, including merchandising, marketing, management, staffing, buying, pricing, transaction/stock control, location, layout, service, consumer behavior and service, and current problems and trends, as they apply to the retailing of goods and services.
- Communicate clearly, effectively, and appropriately in writing and orally.
- Apply classic and contemporary marketing functions, including problem solving, pricing, distribution, promotion, and uses of new technologies, including social media and e-commerce.
- Demonstrate skills in business math and financial accounting.
- Assess human communication styles; plan and apply motivational strategies; solve human relations issues.

Chemistry Associate Degree Program
The curriculum in the Chemistry Associate Degree program is designed to provide the transfer student the opportunity to achieve an associate degree. While a baccalaureate or higher degree is recommended for those considering professional careers, earning the Associate degree would demonstrate achievement and may support attempts to gain entry-level employment at the technician level in government agencies and many areas of industry and manufacturing such as petroleum, foods, pharmaceuticals, plastics, and textiles.

Program Student Learning Outcomes
Students who complete this program will be able to:
- Demonstrate a working knowledge of inorganic and organic chemistry, including calculations, reactions, and nomenclature.
- Apply to other fields.
- Demonstrate problem-solving and critical thinking skills.
- Engage in hands-on experiences in both the classroom and the laboratory.
- Show confidence in laboratory skills, operate independently during many procedures, and learn to design their own experiments.
- Interpret experimental information, develop relationships, and correlate that experimental information with theory.
- Write quality exams and laboratory reports, with well-developed explanations, discussions, and conclusions.

Certificates and Degrees

Associate Degree

Associate in Science Degree

Completion of all the courses listed above and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

Suggested coursework not required for the major: BIO 3C, MATH 3A, 3B; PHYS 2A, 2B or 4A, 4B.

Child Development

The Child Development program is a theory-based, hands-on program that offers opportunities for students to deepen their understanding of children and families and the unique teaching and learning process that applies to the early years. Coursework focuses on the physical, cognitive, and social and emotional growth and development of children under the age of 12 and the unique care and education needs of children ages 0-5.

The Child Development program offers options for professional development, professional certification and transfer to four-year institutions. The major offers preparation for careers in the field of early child education such as state funded children's programs, private and public preschools, family child care and public school programs, and provides a valuable foundation for students considering elementary school teaching. Classes in child development can also lead to careers working directly or indirectly with children in related fields, such as psychology, social services, educational material development, children's center design services, children's advocacy, special education, and pediatric health.

Early Childhood Teacher Certificate

This certificate meets the coursework requirements of the Teacher level Child Development Permit and prepares students to be competent and effective teachers and caregivers for young children ages 3-5. Additional work experience with young children (175 days of 3 hours per day within 4 years) is required to qualify for state permit. Saddleback Certificate can be earned with coursework only.

A minimum grade of "C" in each course is required to receive the certificate.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Demonstrate developmentally appropriate observation, assessment, and documentation skills that can be applied to interpretations of growth and development, planning, and identification of individual needs.
- Demonstrate professional skills including ethical practice, reflective practice, written and verbal communication, collaboration, advocacy, and identification of personal qualifications in relationship to state and national requirements for teachers of young children.

Lab placement must be in a setting that serves children ages 3-5.

General Education (16 units):

A course in each of the following 4 areas must be included.

- English/Language Arts
- Science or Math
- Social Sciences
- Humanities/Fine Arts

Total 45

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

Associate Degree

Associate in Science Degree

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College. Students intending to transfer must complete IGETC or CSU pattern general education courses.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Infant Toddler Teacher Certificate Program

This certificate meets the coursework requirements of the Teacher level Child Development Permit and prepares students to be competent and effective teachers and caregivers in infant and toddler classrooms.

A minimum grade of “C” in each course is required to receive the certificate.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Describe developmental milestones for children in the areas of physical, psychosocial, cognitive, and language development.
- Identify environmental, cultural, familial, economic, political, and historical contexts that influence all children's development.
- Demonstrate a range of skills and knowledge related to the unique needs of children ages 0-5 years.
- Apply developmental theory, knowledge of child development, DCLAP, and research based teaching strategies to develop curriculum for the unique educational needs of young children individually and in group care settings.
- Demonstrate developmentally appropriate observation, assessment, and documentation skills that can be applied to interpretations of growth and development, planning, and identification of individual needs.
- Demonstrate professional skills including ethical practice, reflective practice, written and verbal communication, collaboration, advocacy, and identification of personal qualifications in relationship to state and national requirements for teachers of young children.
• Apply developmental theory, knowledge of child development, DCLAP, and research-based teaching strategies to develop curriculum for the unique educational needs of young children individually and in group care settings.
• Demonstrate developmentally appropriate observation, assessment, and documentation skills that can be applied to interpretations of growth and development, planning, and identification of individual needs.
• Demonstrate professional skills including ethical practice, reflective practice, written and verbal communication, collaboration, advocacy, and identification of personal qualifications in relationship to state and national requirements for teachers of young children.

Associate Degree

Associate in Science Degree

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree.

A minimum of 12 units must be completed at Saddleback College. Students intending to transfer must complete IGETC or CSU pattern general education courses.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Master Teacher Certificate Program

This certificate meets the coursework requirements for the Master Teacher level Child Development Permit and prepares students to be competent and effective teachers and caregivers for young children ages 0-5 and supervisors of adults in early childhood settings.

A minimum grade of “C” in each course is required to receive the certificate.

Program Student Learning Outcomes

Students who complete this program will be able to:

• Describe developmental milestones for children in the areas of physical, psychosocial, cognitive, and language development.
• Identify environmental, cultural, familial, economic, political, and historical contexts that influence all children’s development.
• Demonstrate a range of skills and knowledge related to the unique need of children ages 0-5 years.
• Apply developmental theory, knowledge of child development, DCLAP, and research-based teaching strategies to develop curriculum for the unique educational needs of young children individually and in group care settings.
• Demonstrate developmentally appropriate observation, assessment, and documentation skills that can be applied to interpretations of growth and development, planning, and identification of individual needs.
• Demonstrate the skills and knowledge used in mentoring and supervising adults in early childhood settings.
• Demonstrate professional skills including ethical practice, reflective practice, written and verbal communication, collaboration, advocacy, and identification of personal qualifications in relationship to state and national requirements for teachers of young children.

Certificate and Degree Programs

**School Age Care and Recreation Certificate Program**

This certificate provides a system of professional development for individuals working as before and after school recreation leaders and care givers in a variety of settings that serve school age children. It meets the coursework requirement for the School Age Child Development Permit at the Teacher level.

A minimum grade of “C” in each course is required to receive the certificate.

**Program Student Learning Outcomes**

Students who complete this program will be able to:

- Demonstrate professional skills including ethical practices, written and verbal communication, collaboration, advocacy, and identification of personal qualifications in relationship to state and national requirements for teachers.
- Identify environmental, cultural, familial, economic, political, and historical contexts that influence all children’s development.
- Demonstrate skills and knowledge related to the unique needs of children in school age in a before and after recreation settings.
- Use the ongoing cycle of curriculum development to plan, implement, and evaluate early childhood curriculum including environments based on developmentally, culturally, linguistically appropriate practices.
- Apply developmental theory, knowledge of child development, and research based teaching strategies to meet the unique educational needs of young children individually and in group care settings.
- Demonstrate professional skills including ethical practices, written and verbal communication, collaboration, advocacy, and identification of personal qualifications in relationship to state and national requirements for teachers.

**Core Courses**

- **Course ID**
  - CD 101*: Principles and Practices of Teaching Young Children 3
  - CD 105*: Child, Family, and Community 3
  - CD 107*: Child Growth and Development 3
  - CD 110*: Introduction to Early Childhood Curriculum 3
  - CD 111*: Child Guidance and Communication 3
  - CD 112*: Health, Safety, and Nutrition 3
  - CD 117*: Teaching in a Diverse Society 3
  - CD 120*: Observations and Assessment 3

- **School Age Course**
  - CD 121*: Practicum: The Student Teaching Experience 5

Lab placement must be in a before/after school care setting with children ages 6-12.

**Credits**

- **Total**: 48

**General Education (16 units):**

A course in each of the following 4 areas must be included:

- English/Language Arts
- Social Sciences
- Humanities/Fine Arts

Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

**Site Supervisor Certificate Program**

This certificate is designed for students who will be single site supervisors under Title 5 regulations or directors for centers regulated by Title 22. It allows holders to supervise Master Teachers, Teachers, Associate Teachers and assistants as well as manage single site programs, provide instruction and serve as coordinators of curriculum and staff development. To be eligible for this level of the California Children’s Center Permit, work experience of 350 days of 3 hours per day within 4 years (100 hours of which must include supervision of adults) must be completed.

A minimum grade of “C” in each course is required to receive the certificate.

**Program Student Learning Outcomes**

Students who complete this program will be able to:

- Demonstrate professional skills including ethical practices, written and verbal communication, collaboration, advocacy, and identification of personal qualifications in relationship to state and national requirements for teachers.
- Identify environmental, cultural, familial, economic, political, and historical contexts that influence all children’s development.
- Demonstrate a range of skills and knowledge related to the unique needs of children ages 0-5 years.
- Apply developmental theory, knowledge of child development, DCLAP, and research based teaching strategies to develop curriculum for the unique educational needs of young children individually and in group care settings.
- Demonstrate developmentally appropriate observation, assessment, and documentation skills that can be applied to interpretations of growth and development, planning, and identification of individual needs.
- Demonstrate the skills and knowledge in supervising program staff, financial management, licensing requirements, and program management in settings for young children.
- Demonstrate professional skills including ethical practice, reflective practice, written and verbal communication, collaboration, advocacy, and identification of personal qualifications in relationship to state and national requirements for teachers of young children.

Associate Degree

Associate in Science Degree

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College. Students intending to transfer must complete IGETC or CSU pattern general education courses.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Associate of Science Degree in Early Childhood Education for Transfer

The curriculum in the Associate in Science in Child Development for Transfer is designed to provide the transfer student the opportunity to achieve an Associate degree. While a baccalaureate or higher degree is recommended for those considering professional careers, earning the Associate degree may support attempts to gain entry-level employment in social services or promotion.

The following is required for all AA-T or AS-T degrees:

1. Minimum of 60 CSU-transferable semester units.
2. Minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework. While a minimum of 2.0 is required for admission, some majors may require a higher GPA. Please consult with a counselor for more information.
3. Completion of a minimum of 18 semester units in an “AA-T” or “AS-T” major. All courses in the major must be completed with a grade of C or better or a “P” if the course is taken on a “pass-no pass” basis (title 5 § 55063).
4. Certified completion of the California State University General Education-Breadth pattern (CSU GE Breadth); OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Describe developmental milestones for children in the areas of physical, psychosocial, cognitive, and language development.
- Identify environmental, cultural, familial, economic, political, and historical contexts that influence all children's development.
- Demonstrate a range of skills and knowledge related to the unique need of children ages 0-5 years.
- Apply developmental theory, knowledge of child development, DCLAP, and research based teaching strategies to develop curriculum for the unique educational needs of young children individually and in group care settings.
- Demonstrate developmentally appropriate observation, assessment, and documentation skills that can be applied to interpretations of growth and development, planning, and identification of individual needs.
- Demonstrate professional skills including ethical practice, reflective practice, written and verbal communication, collaboration, advocacy, and identification of personal qualifications in relationship to state and national requirements for teachers of young children.

Certificates and Degrees
## Chinese Associate Degree Program

The Chinese Program offers lower-division preparation for students who plan on transferring to pursue a bachelor’s degree in Chinese. Students planning to transfer and/or earn this associate degree may also need to complete additional requirements or electives required by the transfer institution, as many have unique admissions and preparation-for-the-major requirements. Students should meet with a counselor to identify required courses and to develop a written plan for their targeted university.

### Program Student Learning Outcomes

Students who complete this program will be able to:

- Demonstrate comprehensive knowledge of Chinese vocabulary
- Use proficient conversational skills in Chinese
- Read and write in Chinese
- Demonstrate introductory cultural and historic knowledge of Chinese speaking people.

## Cinema/Television/Radio Certificate Program

The Cinema/Television/Radio Program prepares the student in all areas relating to the understanding and use of cinematic and broadcast media, with particular emphasis on hands-on experience. Employment possibilities include: producing, directing, on-air talent, editing, and numerous other vocational opportunities. This program provides and encourages both field and studio work in the student’s area of specialty. Coursework includes participation in internships at various stations and facilities.

### Program Student Learning Outcomes

Students who complete this program will be able to:

- Apply skills and knowledge required to be successful in the media production industry and/or to excel in four-year institutions.
- Produce a demo reel which can showcase their skills and knowledge and help them find employment.
- Demonstrate readiness for employment in the industry and/or transfer to a four-year institution.
- Describe the technical, cultural and economic history and trends of radio, television or film.

**CTVR — Critical Studies**

### Occupational Skills Award

The Critical Studies Occupational Skills Award provides the opportunity to master the fundamental proficiencies to complete a filmic production from the conception to finished product. The courses assist in student development by focusing on specific technical skills as well as working on practical assignments that mirror real-world tasks, including the production of several broadcast-quality short films suitable for use on a demonstration reel. Completion of this program increases the value of the technical, aesthetic, and project management skills needed for employment and advancement in a career in this field.

- CTVR 280* Cinema/Television/Radio Employment Skills 3
- CTVR 290 Acting for the Camera I 3
- CWE 180* Cooperative Work Experience: Cinema/TV/Radio 1

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

### CTVR — Critical Studies

**Occupational Skills Award**

The Critical Studies Occupational Skills Award provides the opportunity to master the fundamental proficiencies to analyze and gain appreciation for visual and media literacy in general and motion pictures/cinematic communication in particular. The courses assist in student development by focusing on specific areas of cinematic history, appreciation and analysis. Completion of this skills award increases the value of the technical, aesthetic, and professional skills in the field of entertainment.

Radio Occupational Skills Awards

The Radio Broadcasting Occupational Skills Award provides the opportunity to master the fundamental proficiencies to complete a radio production from the conception to finished product as well as to understand the principles of radio broadcasting and station management. The courses assist in student development by focusing on specific technical skills as well as working on practical assignments that mirror real-world tasks, including the production of broadcast-quality radio programs suitable for use on demonstration reel and the hands-on management of the college's flagship radio station KSBR. Completion of this program increases the value of the technical, aesthetic, and project management skills needed for employment and advancement in a career in this field.

## Associate of Arts Degree in Communication Studies for Transfer

The curriculum in the Associate in Arts in Communication for Transfer is designed to provide the transfer student the opportunity to achieve an Associate degree. While a baccalaureate or higher degree is recommended for those considering professional careers, earning the Associate degree may support attempts to gain entry-level employment in social services or promotion.

### Program Student Learning Outcomes

Students who complete this program will be able to:

- Use enhanced awareness to describe ethical ways of interacting
- Effectively communicate in front of audiences.
- Demonstrate proficiency in research and citation technique.
- Correctly apply communication theories to enhance the quality of their interactions in their everyday lives.

The following is required for all AA-T or AS-T degrees:

1. Minimum of 60 CSU-transferable semester units.
2. Minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework. While a minimum of 2.0 is required for admission, some majors may require a higher GPA. Please consult with a counselor for more information.
3. Completion of a minimum of 18 semester units in an “AA-T” or “AS-T” major. All courses in the major must be completed with a grade of C or better or a “P” if the course is taken on a “pass-no pass” basis (title 5 § 55063).
4. Certified completion of the California State University General Education-Breadth pattern (CSU GE Breadth); OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern.

### Course ID Title Units

#### Required Courses:

- SP 5 Communication Fundamentals 3
- SP 5 Argumentation and Debate 3
- SP 5 Interpersonal Communication 3

#### Select two of the following courses (6 Units)

- CTVR/RRN 1 Mass Media and Society 3
- CTVR 124 Television Production I 3
- MATH 10 Introduction to Statistics 3
- SP 20 Intercultural Communication 3
- SP 106 Forensics Activity 3
- SP 30/TA 30 Introduction to Oral Interpretation 3

#### Select one of the following courses or any of the courses not selected above (3 Units)

- ANTH 2 Cultural Anthropology 3
- ENG 18* Principles of Composition 3

---

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

---

## Computer and Information Management

The Computer and Information Management program includes industry standard programs that prepare students for careers using technology in the business workplace. The programs are: Applications Developer, E-Commerce Specialist, Network Administrator, Software Specialist, Web Designer, and Webmaster.

### Applications Developer Certificate Program

This program is designed to prepare the student for entry-level employment as an applications developer.

#### Program Student Learning Outcomes

Students who complete this program will be able to:

- Demonstrate key skills for employment in the areas of application development.
- Demonstrate comprehensive, broad range introductory computer competencies targeting a diverse and multicultural workforce.
- Complete technically current and challenging ongoing education.
- Apply skills in a broad range of media appropriate for a diverse population of technical students.
- Use job skills in technical professional business environments through meaningful internships and capstone projects.

### Course ID Title Units

- CTVR 128 Television and Radio News 3
- CTVR 129* Documentary Production 3
- CTVR 140* Television and Film Scriptwriting II 3
- CTVR 151 Non-Linear Editing I 3
- CTVR 251* Non-Linear Editing II 3
- CTVR 262 Production Management 3
- CTVR 264* Cinematography 2
- CTVR 266* Script Supervising for Film and Television 3
- CTVR 280* Cinema/television/radio Employment Skills 3
- CWE 180* Cooperative Work Experience: Cinema/TV/Radio 1

---

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

## Certificates and Degrees

- **Certificate Program**
  - Computer and Information Management
  - Applications Developer
  - E-Commerce Specialist
  - Network Administrator
  - Software Specialist
  - Web Designer
  - Webmaster
Associate Degree
Associate in Science Degree
Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees
Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

Suggested coursework not required for the major: ACCT 1A, 1B; BUS 1, 12; CIM 112, 121A, 227, 251, 252; ECON 2, 4; MATH 10.

E-Commerce Specialist Certificate Program
The E-Commerce Specialist Certificate program prepares the student to apply business functions to the web. All types of business sectors and activities can be web-based, including retail, wholesale, import-export, human resources, customer service, or departments within an organization. Electronic commerce, or e-commerce, is used in public and private business, both profit and non-profit sectors, in corporations, government, small businesses, professional associations, and personal applications as well. This program provides the skills for conducting business on the web, preparing an electronic approach, and managing an e-commerce website presence.

Program Student Learning Outcomes
Students who complete this program will be able to:
• Demonstrate key skills for employment in the areas of E-commerce.
• Demonstrate comprehensive, broad range introductory computer competencies targeting a diverse and multicultural workforce.
• Complete technically current and challenging ongoing education.
• Apply skills in a broad range of media appropriate for a diverse population of technical students.
• Use job skills in technical professional business environments through meaningful internships and capstone projects.

#Final course to be taken

Webmaster Certificate Program

The Webmaster Certificate program prepares the student to build and administer a website and set up and maintain its web server. Students learn the technical aspect of server-level concerns of web construction and management to efficiently run websites in business and government organizations or for individuals. Topics include networking, security, web development, and database administration.

Program Student Learning Outcomes

Students who complete this program will be able to:

• Use job skills in technical professional business environments through meaningful internships and capstone projects

#Final course to be taken
**Computer Maintenance Technology Certificate Program**

The Computer Maintenance Technology Certificate program prepares the student for entry-level employment as a computer technician in companies involved in the manufacture, installation, repair, maintenance, upgrading, or sales of personal computers and hardware for personal computers and computer networks.

**Program Student Learning Outcomes**

Students who complete this program will be able to:
- Demonstrate proper use of measures and procedures to protect personal computer hardware against damage due to electrostatic discharge (ESD).
- State and demonstrate software and hardware troubleshooting skills and procedures for personal computers.
- State, compare, and contrast the major features and tools in modern PC operating systems.
- Describe the functions and performance specifications of the major hardware items in a PC.

**Total** 21-22

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

+Completion of the A and B versions of this course can also be used to fulfill this requirement.

**Associate Degree**

**Associate in Science Degree**

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

**General Education Requirements for Associate Degrees**

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Suggested coursework not required for the major: CIM 227, 251, 252, ET 114

**Construction Inspection Certificate Program**

This program is designed to provide technical and theoretical knowledge of construction and secure employment as in-house, agency, city, county, or state building safety inspector.

**Program Student Learning Outcomes**

Students who complete this program will be able to:
- Demonstrate working knowledge of either the locally adopted International Building Code or the Residential Building Code.
- Apply inspection techniques required in one of the following areas: concrete inspection, plumbing inspection, mechanical inspection, electrical inspection, general building code inspection.
- Demonstrate knowledge of current construction materials and techniques for residential and commercial construction.

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

Associate Degree

Associate in Science Degree

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

Suggested coursework not required for the major: MATH 351.

Consumer Services Certificate Program

The Consumer Services program prepares students for a wide variety of employment opportunities that link the consumer, business, and government and improve communication among all three groups. This includes acting in a responsible manner to consumer problems and trends and providing information so that the consumer can use the products and services of a company correctly and with maximum benefits.

This program offers coursework for professional improvement and retraining as well as more courses to be utilized as transfer courses for students pursuing a Bachelor's degree in programs involving Family and Consumer Sciences/Home Economics, Business/Credit Counseling, or Consumer Affairs.

Program Student Learning Outcomes

Students who complete this program will be able to:
- Identify and analyze current research on a consumer topic.
- Identify and demonstrate an awareness and appreciation for different cultures, traditions and their impact on consumer behaviors.
- Demonstrate competence in dealing with consumer complaints.

Cosmetology Certificate Program

The following program is designed to prepare students for the State Board of Cosmetology examination and, with successful completion of the program, students should be able to enter careers as cosmetologists. This program is offered on an open enrollment basis, and a waiting list may be maintained for those students who desire to enroll. Interested students should contact the Advanced Technology and Applied Science Division office.

This program has a minimum requirement of 1600 hours with 400 hours required for each course.

Program Student Learning Outcomes

Students who complete this program will be able to:
- Project a positive attitude and a sense of personal integrity and self-confidence.
- Respect the need to deliver worth service for value received in an employer-employee relationship.
- Practice effective communication skills, visual poise, and proper grooming.
- Perform basic manipulation skills in the areas of hairstyling, hair shaping, hair coloring, texture services, scalp and hair conditioning, skin and makeup, manicures, pedicures and nail extensions.
- Perform basic analytical skills to determine proper makeup, hairstyle and color application for the clients overall image.
- Apply learned theory, technical information and related material to practice sound judgments, decisions and procedures.

Course ID Title Units
COS 400A Comprehensive Cosmetology I (400 hours) 12
COS 400B* Comprehensive Cosmetology II (400 hours) 12
COS 400C* Comprehensive Cosmetology III (400 hours) 12
COS 400D* Comprehensive Cosmetology IV (400 hours) 12
Total (1,600 hours) 48

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

The Cosmetology Certificate Program is a nondegree-granting program; the courses in this program may not be used to satisfy Associate degree major elective unit requirements.

Cosmetician Occupational Skills Award

The Cosmetician Occupational Skills Award is designed to prepare the student for licensure as a Cosmetician/Esthetician. The student will be able to administer skin care to clients at salons, spas, dermatology offices, private clinics, and stores specializing in skin care products.

Course ID Title Units

Culinary Arts

(ALSO SEE FOODS)
The Culinary Arts courses are designed to train students for careers in catering, chef training, and restaurant operations, as well as for promotion of foods, equipment, and products. The program offers coursework for professional improvement, and some courses can be utilized as transfer courses for students pursuing a bachelor’s degree in Family and Consumer Sciences/Home Economics with a Foods emphasis.

Catering Certificate Program

The Catering program is designed to prepare students for a wide variety of employment opportunities within catering operations as well as for developing and owning their own catering business.

Program Student Learning Outcomes

Students who complete this program will be able to:

• Demonstrate preparation for employment in the catering industry.
• Demonstrate proficient catering skills necessary for business operations.
• Demonstrate competence in the production of catered events.

Dance Associate Degree Program

The curriculum in the Dance Associate Degree program is designed to provide the transfer student the opportunity to achieve an associate degree. While a baccalaureate or higher degree is recommended for those considering professional careers related to this field, earning the associate degree would demonstrate achievement and may support attempts to gain entry-level employment and promotion.

Program Student Learning Outcomes

Students who complete this program will be able to:
- Perform basic positions and qualities with body awareness and alignment specific to the dance technique given in class.
- Demonstrate proficiency by performing movement combinations specific to the technique given in class.
- Successfully demonstrate knowledge of dance terminology through writing and various forms of expression.
- Identify technical support through the staging of choreographic works in a dance performance.
- Create dances using phrasing, variations and other elements of design in choreography.
- Demonstrate knowledge of a particular dance form through a variety of written assignments which may include: critiques, internet research, reading assignments, essays, exams and/or discussions in class.

The following course of study must be completed to fulfill major requirements for the Associate Degree in Dance:

Associate Degree

Associate in Arts Degree

Completion of the required courses in the major and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Arts degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

Drafting Technology Certificate Program

The Drafting Technology program includes courses designed to provide a general background and specialized skills to help the student find employment in government and private enterprise, especially where drafting skills are required.
## Program Student Learning Outcomes

Students who complete this program will be able to:

- Communicate designs in 2 languages of mechanical drafting: AutoCAD and Solidworks.
- Demonstrate proficient drafting skills in 2 dimensional and 3 dimensional drawings.
- Demonstrate knowledge of annotation and dimensioning techniques used in producing drawings in the engineering and manufacturing fields.

### Course ID | Title | Units

### Associate Degree

#### Associate in Arts Degree

Complete units as described above and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Arts degree. A minimum of 12 units must be completed at Saddleback College.

#### General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

### Education

The Education department prepares students for a diverse range of teaching opportunities at a variety of levels. The program provides support for those just entering the field as well as to those who are already working in the classroom and community. Courses that
may meet the early fieldwork and coursework requirements of the California Commission on Teacher Credentialing can also be found in this department.

The Instructional Assistant Program prepares students to assist teachers in K-12 settings as paraprofessionals.

The Online Educator Program provides professional development skills for secondary and post secondary instructors who are interested in learning about or improving their online teaching skills.

### Instructional Assistant Occupational Skills Award

The purpose of the Instructional Assistant award is designed to provide a system of professional development for individuals working as educational assistants in a variety of elementary classroom settings.

### Online Educator Occupational Skills Award

This program offers an opportunity for secondary and postsecondary teachers to learn about online teaching in a practical, hands-on environment. Coursework is specifically designed to provide new and experienced online instructors information about the development and implementation of best practices in online course delivery and the use of course management systems as supplements to face-to-face courses. Participants will be introduced to a wide variety of instructional technologies, curriculum design models, assessment methods, quality indicators for online instruction, and strategies to meet state and federal laws for universal design using current educational research as a foundation.

### Associate Degree

**Associate in Science Degree**

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

**General Education Requirements for Associate Degrees**

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

### Electronic Technology

The Electronic Technology program serves three main purposes: (1) to provide certificate programs to prepare the student for a multitude of careers as an electronic technician, (2) to provide electronics skill upgrading or updating for improved job-related technical competency, and (3) to prepare students for transfer to university Engineering Technology or Industrial Technology programs.

The program curriculum and equipment are reviewed regularly by local electronics companies to ensure that the graduate can work effectively in the current electronics industry and adapt to new electronic products and technologies.

The three-certificate programs available are: Analog and Digital Circuit Electronic Technology, Digital Electronic Technology, and General Electronic Technology.

### Analog and Digital Circuit Electronic Technology Certificate Program

This program prepares the student for entry-level employment as an Electronic Technician in companies involved in the manufacture, testing, troubleshooting, and repair of analog and digital circuit hardware. Courses cover a wide variety of discrete and integrated circuits with many functions, technologies, physical implementations, frequency bands, and complexities to provide maximum flexibility for employment within the electronics industry.

**Program Student Learning Outcomes**

Students who complete this program will be able to:

- Demonstrate knowledge of common electronic components: identify, describe, and determine the performance of common analog and digital electronic components.
- Demonstrate knowledge of common electronic circuits: identify, describe, and determine the performance of common analog and digital electronic circuits.
- Demonstrate proper use of electronics test equipment: show proper use of and connection to common laboratory test equipment for measuring the performance of common analog and digital circuits.
- Demonstrate electronic troubleshooting skills: state and show troubleshooting skills and procedures for analog and digital electronics.
- Describe and determine the performance of common analog and digital electronic communication systems.

### Digital Electronic Technology Certificate Program

This program prepares the student for entry-level employment as an Electronic Technician in companies involved in the manufacture, testing, installation, and repair of digital computers and related equipment. This certificate covers an introduction to computer software and repair.

**Program Student Learning Outcomes**

Students who complete this program will be able to:

- Demonstrate knowledge of common electronic components: identify, describe, and determine the performance of common analog and digital electronic components.
Certificates and Degrees

Saddleback College Catalog 2013/2014

Course ID Title Units
CMT 220* Computer Maintenance and Repair I 3
CMT 225* Computer Maintenance and Repair II 3
ET 114* Digital Electronic Circuits 4
ET 133 D.C. and A.C. Fundamentals 4
ET 135* Semiconductor Devices and Circuits 4
ET 200* Digital Signal Processing and Microcontrollers 4
Total 22

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

Associate Degree

Associate in Science Degree

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Basic Analog and Digital Electronics Occupational Skills Award

The Basic Analog and Digital Electronics Occupational Skills Award documents successful completion of the beginning courses in the Electronic Technology certificates. This award establishes that the student has studied the basics of analog and digital electronics, both in theory and in laboratory testing and troubleshooting.

Course ID Title Units
ET 114* Digital Electronic Circuits 4
ET 133 DC and AC Fundamentals 4
ET 135* Semiconductor Devices and Circuits 4
Total 12

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

Emergency Medical Technician Occupational Skills Award

The Emergency Medical Technician curriculum is designed to prepare the student for licensure as an EMT. The course prepares the student to care for the sick and injured in the hospital, at the scene of an emergency, and/or during transport.

Course ID Title Units
EMT 207* Emergency Medical Technician Procedures 11
EMT 207C* Emergency Medical Technician Clinical Observation .75
Total 11.75

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

Engineering Associate Degree Program

The curriculum in the Engineering Associate Degree program is designed to provide the transfer student the opportunity to achieve an Associate degree. While a baccalaureate or higher degree is recommended for those considering professional careers related to this field, earning the Associate degree would demonstrate achievement and may support attempts to gain entry-level employment and promotion.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Demonstrate understanding of classical mechanics (Newtonian mechanics).
BEGINNING LEVEL

The beginning level multiskills courses leading to a certificate prepare students for the next level by working on all four language skills, including reading, writing, speaking, and listening. Students acquire a practical communicative vocabulary, rudimentary skills in conversation, composition, and comprehension as well as an introduction to the American sound system.

Program Student Learning Outcomes

Students who complete this program will be able to:

• Demonstrate improvement in their grammar.
• Demonstrate improvement in their speaking and comprehension skills.
• Demonstrate improvement in their reading and vocabulary skills.
• Demonstrate improvement in their overall writing skills.

Course ID | Title | Hours
--- | --- | ---
ESL 320 | Beginning Multiskills I | 99.6
ESL 321* | Beginning Multiskills II | 99.6
ESL 322 | Beginning Conversation | 49.8
ESL 323* | Beginning Pronunciation | 33.2
and
ESL 999* | ESL Laboratory | 16.6
ESL 325* | Beginning Reading and Writing | 49.8

Total Semester Hours 348.6

*Course has a prerequisite, corequisite, limitation, or recommended preparation, see course description.

INTERMEDIATE LEVEL-PRE COLLEGE

The intermediate level multiskills courses leading to a certificate prepare students for the next level by working on all four language skills, including reading, writing, speaking, and listening while acquiring a practical communicative vocabulary of approximately 1400-1800 words. Additionally, students complete specialized courses designed to further develop skills in conversation, composition and comprehension as well as focus on intonation and sounds of American English.

Program Student Learning Outcomes

Students who complete this program will be able to:

• Demonstrate improvement in their grammar.
• Demonstrate improvement in their speaking and comprehension skills.
• Demonstrate improvement in their reading and vocabulary skills.
• Demonstrate improvement in their overall writing skills.

Course ID | Title | Hours
--- | --- | ---
ESL 330* | Intermediate Multiskills I | 99.6
ESL 331* | Intermediate Multiskills II | 99.6
ESL 332* | Intermediate Conversation | 49.8
ESL 333* | Intermediate Pronunciation | 49.8
and
ESL 999* | ESL Laboratory | 16.6

Select one Reading and Writing course:

ESL 335* | Intermediate Reading and Writing I | 49.8
or
ESL 336* | Intermediate Reading and Writing II | 49.8
and
ESL 888* | ESL Skills Lab | 16.6

Total Semester Hours 381.8

*Course has a prerequisite, corequisite, limitation, or recommended preparation, see course description.

ADVANCED LEVEL

The required advanced level multiskills courses leading to a certificate prepare students to mainstream academic or vocational courses by focusing on reading, writing, and grammar while acquiring a more academic vocabulary of an additional 300-500 words. Additionally, students have options within the two remaining required classes. One option is designed to further develop skills in conversation on a variety of topics, vocabulary including affixes, or nuances in pronunciation patterns of American English. The options within the second requirement expose students to American culture through film, literature, or simulated college lectures. These advanced courses transition into mainstream coursework.

Program Student Learning Outcomes

Students who complete this program will be able to:

• Demonstrate improvement in their grammar.
• Demonstrate improvement in their speaking and comprehension skills.
• Demonstrate improvement in their reading and vocabulary skills.
• Demonstrate improvement in their overall writing skills.

Course ID | Title | Hours
--- | --- | ---
ESL 340* | Advanced Multiskills | 99.6
ESL 342* | Advanced Conversation | 49.8
ESL 343* | Advanced Pronunciation | 49.8
and
ESL 999* | ESL Laboratory | 16.6

Select one Vocabulary course:

ESL 344* | Idioms and Expressions in American English | 33.2
or
ESL 345* | American Culture and Society | 16.6

Total Semester Hours 333.8

*Course has a prerequisite, corequisite, limitation, or recommended preparation, see course description.
Program Student Learning Outcomes

Students who complete this program will be able to:

- Demonstrate writing fluency, critical thinking ability, and research skills. These skills will include grammar review as well as expository and persuasive writing instruction.
- Use skill and creativity along with critical judgment of literary forms as they compose their own nonfiction, short stories, novels, poems, plays, and screenplays.
- Examine traditional literary themes and genres in courses addressing American, British and World literature, and students will explore contemporary themes and genres in courses such as African-American Literature, Ethnic Voices in Literature, and Women Authors. The broad spectrum of literature courses allows students to focus on a particular area of interest.

Course ID | Title | Units
--- | --- | ---
ENG 1A* | Principles of Composition I (meets AA Writing Proficiency requirement) | 4
ENG 1B* | Principles of Composition II | 3
Group A: Select two of the following courses (6 units)
ENG 15A* | Survey of American Literature: 1620-1860 | 3
ENG 15B* | Survey of American Literature: 1860-Contemporary | 3
ENG 17A* | Survey of English Literature: Beowulf | 3
ENG 17B* | Survey of English Literature: Romantic Movement to the Present | 3
ENG 21A* | World Literature: Ancient to 17th Century | 3
ENG 21B* | World Literature: 17th Century to Modern Period | 3

*Course has a prerequisite, corequisite, limitation, or recommended preparation, see course description.

Associate in Arts Degree in English for Transfer

The English curriculum provides the transfer student the opportunity to earn an Associate in Arts in English for Transfer degree that will allow completion of both general education requirements and major preparatory course work. In addition, the selection of courses ensures the English major a broad perspective on the history of literature, coupled with the necessary writing, thinking, and research training essential for academic achievement. Students who complete the Associate in Arts Degree in English for Transfer receive priority admission to the California State University system, though admission to a specific campus is not guaranteed. While an associate degree may support attempts to gain entry-level employment or promotion, a baccalaureate or higher degree is recommended for those considering professional careers, which can be achieved through transfer.

The following is required for all AA-T or AS-T degrees:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
   - The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
   - A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0. Students must earn a C or better in all courses required for the major or area of emphasis. A “P” (Pass) grade is not an acceptable grade for courses in the major.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Demonstrate writing fluency, critical thinking ability, and research skills. These skills will include grammar review as well as expository and persuasive writing instruction.
- Use skill and creativity along with critical judgment of literary forms as they compose their own nonfiction, short stories, novels, poems, plays, and screenplays.
- Examine traditional literary themes and genres in courses addressing American, British and World literature, and students will explore contemporary themes and genres in courses such as African-American Literature, Ethnic Voices in Literature, and Women Authors. The broad spectrum of literature courses allows students to focus on a particular area of interest.

Course ID | Title | Units
--- | --- | ---
ENG 1A* | Principles of Composition I (meets AA Writing Proficiency requirement) | 4
ENG 1B* | Principles of Composition II | 3
Group B: (3 units)
ENG 3* | Introduction to Creative Writing | 3
Group C: Select one of the following courses (3-5 units)
ENG 1A* | Principles of Composition I | 4
SPAN 1* | Elementary Spanish | 5
SPAN 2* | Elementary Spanish | 5
SPAN 3* | Intermediate Spanish | 5
JRN 2* | News Writing | 3
BUS 104* | Business English | 3
SP 30 | Introduction to Oral Interpretation | 3
TA 20 | Theatre Appreciation | 3

Total Units for the Major 18-20

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.
Certificates and Degrees

Associate Degree

Associate in Arts Degree

Complete a minimum of 60 units including the total number of units described above and the General Education requirements with an overall GPA of 2.0 to qualify for the Associate in Arts degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Suggested coursework not required for the major: ENG 44, 52; HIST 4, 5; PHIL 1, 12. Completion of four college semesters, or the equivalent, of a foreign language is strongly recommended.

Environmental Studies Associate Degree Program

Environmental Studies is an interdisciplinary program that provides students with an integrated and critical knowledge of the natural environment and the relationships and interactions humans have with it. The program provides students with the understanding that environmental challenges face every aspect of society, and it provides them with the skills needed to help solve these complex problems through cooperation and negotiation with the different and often competing stakeholders. The program combines classroom, laboratory, and field study instruction giving students a well-rounded preparation in the field of environmental studies.

The curriculum in the Environmental Studies Associate Degree program is designed to provide the transfer student the opportunity to achieve an Associate degree. While a baccalaureate or higher degree is recommended for those considering professional careers related to this field, earning the Associate degree would demonstrate achievement and may support attempts to gain entry-level employment and promotion.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Demonstrate social responsibility by using critical thinking skills.
- Demonstrate scientific literacy and ability to engage in scientific inquiry concerning environmental issues through the evaluation and analysis of scientific literature, and presentation of results in written and oral form.
- Evaluate environmental impact of personal decisions on the local, regional, national, and global environment.

Sustainability Studies Occupational Skills Award

The goal of Sustainability Studies is to create ecologically and socially appropriate solutions to manage our human needs, impacts with the built environment, and the emerging green economy within the capacity of nature without compromising future generations. The goal is to educate students on the importance of sustainability and then train them how to become sustainable not only in their everyday lives, but in their careers as well. Students will be prepared to transfer to sustainability related programs at the university level, be at an advantage for jobs in the coming green economy, be positioned to develop new businesses and other employment opportunities, and become more engaged citizens.

Ethnic Studies Associate Degree Program

The curriculum in the Ethnic Studies Associate Degree program is designed to provide the transfer student the opportunity to achieve an associate degree. While a baccalaureate or higher degree is recommended for those considering majors related to this field, earning the Associate degree would demonstrate achievement and may support attempts to gain entry-level employment or promotion.

The Ethnic Studies program is interdisciplinary in scope and will begin with a focus on the history, literature, and cultures of African Americans, Asian Americans, Chicanas(os)/Latinas(os), Middle Eastern Americans, and Native Americans. Courses also explore the relations of these cultures to each other and their relations to the dominant American culture in order to foster understanding about such topics as
Program Student Learning Outcomes

Students who complete this program will be able to:

- Describe the ethnic and cultural landscape of the United States.
- Articulate the historical, social, and cultural contexts of specific racial and ethnic groups within the United States.
- Describe the processes of racialization and social differentiation in historical and geographical context.
- Demonstrate an understanding of the various factors that play a role in the formation of cultural identity.
- Compare representations of borderlands, hybridity, migration, and diaspora from different cultures.
- Critically analyze power and inequality in a multiethnic and multicultural context.
- Analyze the major factors that influence cross-cultural understandings and interactions between ethnic and racial groups in the United States.

Select a minimum of 21 units from the following list of required Ethnic Studies courses. Many of these courses also fulfill general education course requirements.

Associate Degree

Associate in Arts Degree

Complete a minimum of 60 units including the total number of units described above and the General Education requirements with an overall GPA of 2.0 to qualify for the Associate in Arts degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

Suggested coursework not required for the major: FASH 144; KNES 28, 29.

Family and Consumer Sciences Certificate Program

The Family and Consumer Sciences program is designed to develop those skills necessary for gainful employment in the field of Home Economics. Combined with courses such as business, journalism, television, or advertising, the Family and Consumer Sciences curriculum can also fulfill the vocational objectives of those who want to use their background in business or communications. Those wishing to transfer to a four-year college and receive a Bachelor’s degree in Family and Consumer Sciences/Home Economics should refer to the transfer program in the catalog and in the catalog of the intended college of transfer.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Identify and analyze current research on a consumer science topic.
- Use the psychology of advertising and the marketplace and identify motivations and trends.
- Develop a personal and/or family budget.

## Associate Degree

### Associate in Science Degree

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

### General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

Suggested coursework not required for the major: FASH 120, 130, 140; FN 140, 142, 171.

## Fashion Design

The Fashion Design program prepares students with the necessary skills to obtain positions in the design, apparel manufacturing, tailoring, pattern making, custom dressmaking, and related fields. Students may focus on one of the following certificate programs: Fashion Design and Advanced Fashion Design and Apparel Manufacturing. Many of the clothing courses can be utilized as transfer courses for those pursuing a Bachelor's degree in Family and Consumer Science (Home Economics) with a Clothing and Textiles emphasis. Refer also to the Transfer Patterns section of this catalog or of the intended college of transfer.

### Fashion Design Certificate Program

The Fashion Design program prepares the student for entry-level positions in the field of Fashion Design. They will be able to design clothing with the three major design procedures: flat pattern-making, draping on a dress form, and designing by sketching.

### Program Student Learning Outcomes

Students who complete this program will be able to:

- Produce a professional portfolio showcasing their skills. This portfolio will increase job opportunities in the field as well as promotion for those already employed.
- Successfully complete an industry internship including the completion of three individual goals/objectives as determined by themselves and an industry supervisor. Internships give students work experience desirable in job applicants.
- Create a professional resume showcasing their skills. This will increase job opportunities in the field as well as promotion for those already employed.

FASH 260* The Digital Fashion Image 2
FASH 204* Understanding Apparel Principals — AIMS Certification 1
FASH 225* Apparel Cart: Fashion Retailing Online with Easy Cart Shop 1

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.
†Recommended to be taken in last semester of program.
‡Must be taken concurrently with CWE 180.
§Take FASH 260 OR both FASH 204 and 225.

## Associate Degree

### Associate in Science Degree

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

### General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

Suggested coursework not required for the major: BUS 136, 138, 160; ETT 42; FCS 115; FASH 120, 147, 209, 221, 230, 235.

## Advanced Fashion Design and Apparel Manufacturing Certificate Program

The Advanced Fashion Design and Apparel Manufacturing certificate prepares the Fashion design student to enter the apparel manufacturing field. It explores the fashion industry, studying the many career options available beyond design. It then goes deeply into pattern and clothing manufacturing. The student who completes the Fashion Design program and then completes this advanced program will not only be able to design clothing but will be able to participate in many of the manufacturing processes.

### Program Student Learning Outcomes

Students who complete this program will be able to:

- Produce a professional portfolio showcasing their advanced design skills. This portfolio will increase job opportunities in the field as well as promotion for those already employed.
- Successfully complete an industry internship including the completion of three individual goals/objectives as determined by themselves and an industry supervisor. Internships give students work experience desirable in job applicants.
- Create a professional resume showcasing their advanced design skills. This will increase job opportunities in the field as well as promotion for those already employed.

Associate Degree

Associate in Science Degree
Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees
Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Suggested coursework not required for the major: ART 42; CIM 1; ETT 42; FASH 120, 143, 147, 209, 221; GC 101.

Accessory Design Occupational Skills Award
The Accessory Design Occupational Skills Award prepares students with the skills necessary to become a successful designer of shoes, bags, millinery, jewelry, small leather goods, shawls, ties, pocket squares and other accessories. The curriculum prepares students with design skills, product development, technical skills, sourcing materials, and manufacturing the final goods. Students will experience designing a line of accessories and complete an internship/CWE related to the accessory design industry.

After completion of the skills award, students will be eligible for a position in the following areas: assistant accessory designer, accessory designer, shoe designer, high performance shoe designer, eye wear designer, milliner, handbag designer, small leather goods designer, technical designer for accessories, accessory product development, sourcing and manufacturing of accessories.

†Recommended to be taken in last semester of program.
§Must be taken concurrently with CWE 180

Fashion Merchandising

The Fashion Merchandising program is designed to prepare professionally-trained individuals for the fashion industry. The program places emphasis on developing the fashion sense and the unique creativity of each student. The curriculum offers a comprehensive analysis of such subject areas as the manufacture, distribution, buying, and merchandising of fashion apparel.

Fashion Merchandising Certificate Program

The Fashion Merchandising certificate emphasizes all aspects of fashion merchandising including techniques of buying and selling, distributing and marketing, and promoting fashion goods. It combines a general merchandising background with training in specialized skills in order for students to find employment in today’s fashion industry.

Program Student Learning Outcomes

Students who complete this program will be able to:
- Produce a professional portfolio showcasing their skills. This portfolio will increase job opportunities in the field as well as promotion for those already employed.
- Successfully complete an industry internship including the completion of three individual goals/objectives as determined by themselves and an industry supervisor. Internships give students work experience desirable in job applicants.
- Create a professional resume showcasing their skills. This will increase job opportunities in the field as well as promotion for those already employed.

Course ID  Title  Units

Associate Degree
Associate in Science Degree
Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees
Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

French Associate Degree Program
The French Program offers lower-division preparation for students who plan on transferring to pursue a bachelor's degree in French. Students planning to transfer and/or earn this associate degree may also need to complete additional requirements or electives required by the transfer institution, as many have unique admissions and preparation-for-the-major requirements. Students should meet with a counselor to identify required courses and to develop a written plan for their targeted university.

Program Student Learning Outcomes
Students who complete this program will be able to:
- Demonstrate comprehensive knowledge of French vocabulary
- Use proficient conversational skills in French
- Read and write in French
- Demonstrate introductory cultural and historic knowledge of French speaking people.

Associate Degree
Associate in Arts Degree
Complete a minimum of 60 units including the total number of units described above and the General Education requirements with an overall GPA of 2.0 to qualify for the Associate in Arts degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees
Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

General Education (IGETC or CSU-GE) Certificate of Achievement
Students may earn a certificate of achievement in general education upon completion of a pattern of approved courses intended for transfer.

Program Student Learning Outcomes
Students who complete this program will be able to:
- Explain the values of a culture as expressed through its art or language.
- Demonstrate effective expository and persuasive writing skills.
- Develop a reasoned solution to a problem.
- Evaluate new and accepted ideas about the natural universe using testable methodology.
- Evaluate the methods of inquiry and evidence used in the behavioral and social sciences.

Intersegmental General Education Transfer Curriculum (IGETC)
Completion of a minimum of 34 units including all requirements of the Intersegmental General Education Transfer Curriculum.

California State University General Education Certification (CSU-GE)
Completion of a minimum of 39 units including all of the requirements of the California State University General Education certification.

SEE THE ARTICULATION/TRANSFER PATTERN SECTION OF THE CATALOG FOR A LIST OF SPECIFIC COURSE REQUIREMENTS
General Studies Associate Degree

The General Studies Associate degree provides an opportunity for students to earn a comprehensive Associate of Arts (AA) and is intended for the student who may not be planning to transfer to a university in the near future. Completion of an associate degree may support efforts to gain entry-level employment or promotion.

Students planning to transfer to California State University (CSU), the University of California (UC) or an institution which accepts certification should complete general education requirements for the associate degree by completing CSU General Education (CSU-GE) certification requirements or the Intersegmental General Education Transfer Curriculum (IGETC) (34-39 units).

Program Student Learning Outcomes

Students who complete this program will be able to:

- Explain the values of a culture as expressed through its art or language.
- Demonstrate effective expository and persuasive writing skills.
- Develop a reasoned solution to a problem.
- Demonstrate effective expository and persuasive writing skills.
- Evaluate new and accepted ideas about the natural universe using testable methodology.
- Evaluate the methods of inquiry and evidence used in the behavioral and social sciences

Select 18 units from one of the following areas of emphasis:

**FINE ARTS AND HUMANITIES**

Students develop aesthetic understanding including an appreciation of philosophical, historical, and cultural importance and an awareness of the ways in which people responded to themselves and the world around them. Included are artistic and cultural creations and the development of aesthetic understanding and an ability to make value judgements.

- SPAN 1*, 2*, 3*, 4*, 6*, 10B*
- TA 20, 22, 25, 26, 110*

**NATURAL SCIENCES**

Students will develop an appreciation and understanding of the scientific method and an understanding of the relationships between science and other human activities.

- ANTH 1 and 1L* (ANTH 1L must be taken concurrently with ANTH 1 or within one year after completing ANTH 1)
- ASTR 20 and 25 combined
- BIO 3A*, 3B*, 11*, 15*, 19*, 20, 113
- CHEM 1A*, 3*, 108*
- ENV 18, 24
- GEOG 1 and 1L* (GEOG 1L must be taken concurrently with GEOG 1 or after completing GEOG 1)
- GEOL 1, 20, 23/ENV 23
- HORT 20
- MS 4, 20
- PHYS 2A*, 4A*, 20

**Total 18**

**SOCIAL AND BEHAVIORAL SCIENCES**

Courses will stimulate critical skills about the ways people act and have acted in response to their societies and will promote appreciation of how societies and social subgroups operate.

- ANTH 2*, 3*, 4*, 5, 8, 9, 10, 17, 21*
- BUS 1
- CD 105*, 107*

- SOC 1, 2, 6*, 10, 15*, 21*, 25*
- SP 20*
- WS 10*

**Total 18**

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

Associate Degree

**Associate in Arts Degree**

Complete a minimum of 60 units including the total number of units described above and the General Education requirements with an overall GPA of 2.0 to qualify for the Associate in Arts degree. A minimum of 12 units must be completed at Saddleback College.

**General Education Requirements for Associate Degrees**

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

**Associate in Arts Degree in Geography for Transfer**

The curriculum in the Geography program is designed to provide the transfer student the opportunity to achieve an Associate in Arts in Geography for Transfer by providing the necessary breadth in the field, an introduction to the methods used, and the ability to complete both major preparatory coursework along with courses required for general education. Students who complete the Associate in Arts Degree in Geography for Transfer receive priority admission to the California State University system, though admission to a specific campus is not guaranteed. While an associate degree may support attempts to gain entry-level employment or promotion, a baccalaureate or higher degree is recommended for those considering professional careers, which can be achieved through transfer.

The following is required for all AA-T or AS-T degrees:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
   - (A) The Intersegmental General Education Transfer Curriculum...
Program Student Learning Outcomes

Students who complete this program will be able to:

- Demonstrate map literacy.
- Identify and describe a location (place) based on characteristics that distinguish them from other places on earth.
- Identify and describe movement of geographic phenomena.

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

Geography

Associate Degree Program

The curriculum in the Geography Associate Degree program is designed to provide the transfer student the opportunity to achieve an Associate in Science in Geology for Transfer degree by providing the necessary background in quantitative reasoning as well as physical and earth sciences. This background should provide students with the tools to successfully complete a bachelor's degree in Earth Science, Geology, or Geophysics. Students who complete the Associate in Science Degree in Geology for Transfer receive priority admission to the California State University system, though admission to a specific campus is not guaranteed. While an associate degree may support attempts to gain entry-level employment or promotion, a baccalaureate or higher degree is recommended for those considering professional careers, which can be achieved through transfer.

The following is required for all AA-T or AS-T degrees:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
   - (A) The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education — Breadth Requirements.
   - (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.

2. Obtainment of a minimum grade point average of 2.0. Students must earn a C or better in all courses required for the major or area of emphasis. A “P” (Pass) grade is not an acceptable grade for courses in the major.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Recognize and explain the role of fundamental geologic principles, such as plate tectonics and deep time, in the interpretation of observed geologic phenomena.
- Research, evaluate, and cite scientific information in order to formulate coherent summaries of earth processes.
- Define the scientific method and apply it to observed geologic phenomena.
- Interpret geologic processes using underlying chemical properties and physical laws.

Associate in Science Degree in Geology for Transfer

The curriculum in the Geology program is designed to provide the transfer student the opportunity to achieve an Associate in Science in Geology for Transfer degree by providing the necessary background in quantitative reasoning as well as physical and earth sciences. This background should provide students with the tools to successfully complete a bachelor's degree in Earth Science, Geology, or Geophysics. Students who complete the Associate in Science Degree in Geology for Transfer receive priority admission to the California State University system, though admission to a specific campus is not guaranteed. While an associate degree may support attempts to gain entry-level employment or promotion, a baccalaureate or higher degree is recommended for those considering professional careers, which can be achieved through transfer.

The following is required for all AA-T or AS-T degrees:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
   - (A) The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education — Breadth Requirements.
   - (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.

2. Obtainment of a minimum grade point average of 2.0. Students must earn a C or better in all courses required for the major or area of emphasis. A “P” (Pass) grade is not an acceptable grade for courses in the major.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Demonstrate map literacy.
- Identify and describe a location (place) based on characteristics that distinguish them from other places on earth.
- Identify and describe movement of geographic phenomena.
**Geology Associate Degree Program**

The curriculum in the Geology Associate Degree program is designed to provide the transfer student the opportunity to achieve an Associate degree. While a baccalaureate or higher degree is recommended for those considering professional careers related to this field, earning the Associate degree would demonstrate achievement and may support attempts to gain entry-level employment and promotion.

**Program Student Learning Outcomes**

Students who complete this program will be able to:

- Recognize and explain the role of fundamental geologic principles, such as plate tectonic theory and deep time, in the interpretation of observed geologic phenomena.
- Research, evaluate, and cite scientific information in order to formulate coherent summaries of earth processes.
- Define the scientific method and apply it to observed geologic phenomena.
- Interpret geologic processes using underlying chemical properties and physical laws.

MATH 3B* | Analytic Geometry and Calculus | 5

**Total Units for the Major** 28

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

**General Education Requirements for Associate Degrees**

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

**German Associate Degree Program**

The German Program offers lower-division preparation for students who plan on transferring to pursue a bachelor's degree in German. Students planning to transfer and/or earn this associate degree may also need to complete additional requirements or electives required by the transfer institution, as many have unique admissions and preparation-for-the-major requirements. Students should meet with a counselor to identify required courses and to develop a written plan for their targeted university.

**Program Student Learning Outcomes**

Students who complete this program will be able to:

- Demonstrate comprehensive knowledge of German vocabulary
- Use proficient conversational skills in their language of study.
- Read and write in German
- Demonstrate introductory cultural and historic knowledge of German speaking people.

**Course ID** | **Title** | **Units**

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

**Associate Degree in Arts Degree**

Complete a minimum of 60 units including the total number of units described above and the General Education requirements with an overall GPA of 2.0 to qualify for the Associate in Arts degree. A minimum of 12 units must be completed at Saddleback College.

**General Education Requirements for Associate Degrees**

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.
Gerontology Certificate Program

A multidisciplinary approach to the study of aging, the aging population, the aging process, and society’s response to the increasing population of older individuals. Biological, sociological, and psychological aspects of aging are explored. The coursework provides students with information as well as training to work in services and agencies that interact and assist older individuals.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Define and explain the key concepts associated with the study of aging and the study of Gerontology.
- Identify and explain the physical, social, familial, and community support networks for aging individuals.
- Explain the changes in the roles and activities of the elderly historically and in contemporary society.
- Compare and contrast the three main sociological theories as they apply to the study of Gerontology.
- Apply social theories to analyze current and historical topics associated with the study of aging and gerontology.
- Evaluate current social research on the study of aging and gerontology.
- Describe the role that culture plays in aging.
- Explain how various social locations such as class, race, gender, age, and sexuality are vital to the study of aging and gerontology and may result in social inequality.
- Identify specific social problems aging adults experience and explain their cause-effect patterns.
- Explain the demographics trends of aging.
- Identify the life cycle transitions.
- Explain the role that politics, voting, and activism have on the older population.
- Identify and evaluate community support services and agencies focused on the aging community.
- Explain and analyze the various social policies that affect the elderly.
- Explain end-of-life issues and decisions, the current death system, and the challenges of the death system.
- Explain and analyze issues of bereavement, grief, and mourning.
- Research and critically analyze specific topics on death and dying.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Define and explain the key concepts associated with the study of aging and the study of Gerontology.
- Identify and explain the physical, social, familial, and community support networks for aging individuals.
- Explain the changes in the roles and activities of the elderly historically and in contemporary society.
- Compare and contrast the three main sociological theories as they apply to the study of Gerontology.
- Apply social theories to analyze current and historical topics associated with the study of aging and gerontology.
- Evaluate current social research on the study of aging and gerontology.
- Describe the role that culture plays in aging.
- Explain how various social locations such as class, race, gender, age, and sexuality are vital to the study of aging and gerontology and may result in social inequality.
- Identify specific social problems aging adults experience and explain their cause-effect patterns.
- Explain the demographics trends of aging.
- Identify the life cycle transitions.
- Explain the role that politics, voting, and activism have on the older population.
- Identify and evaluate community support services and agencies focused on the aging community.
- Explain and analyze the various social policies that affect the elderly.
- Explain end-of-life issues and decisions, the current death system, and the challenges of the death system.
- Explain and analyze issues of bereavement, grief, and mourning.
- Research and critically analyze specific topics on death and dying.

Suggested coursework not required for the major: HLTH 2; SE 102

Graphics

The Graphics program is designed to prepare students for certificates in the Computer Graphics, Graphic Communications, Graphic Design, and Illustration fields. Training is provided in both theory and practical skills. Directed skill development is stressed in the following areas of study: Computer Graphics (computer art and layout), Graphic Communications (printing), Graphic Design (design and art production), and Illustration/Animation (advertising and editorial art).

This program will provide students with the opportunity to acquire knowledge and skills that are required for employment, Associate degree, or transfer in the related areas of design, illustration, printing, and computer graphics.

Computer Graphics Certificate Program

This program is designed to prepare students for employment in the computer graphics fields. This program relies heavily on a basic understanding of graphic design and/or graphic communications principles as they relate to industry standards. Students are encouraged to adhere to electives noted for a rounded educational experience. Some of the careers that are found in the computer graphics field are: computer graphics artist, prepress technician, computer animator and multimedia producer.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Apply fundamental graphic design and production skills
- Select and use appropriate graphic design and production software
- Demonstrate skills typically found in the graphic design and production field

Course ID | Title                      | Units |

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

Associate Degree

Associate in Science Degree

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

Suggested coursework not required for the major: GC 101, ART 140, or GD 140, 141, 145.
Graphic Communications Certificate Program

Graphic Communications Certificate Program includes electronic and traditional printing, computer graphics, screen printing, letterpress, and related areas. The discipline focuses on the creation, production, and reproduction in printed and digital form. Students are encouraged to adhere to electives noted for a rounded educational experience.

Program Student Learning Outcomes

Students who complete this program will be able to:

• Use fundamental traditional and digital pre-press and reproduction skills for commercial print production
• Select and use appropriate pre-press and production software and hardware
• Demonstrate skills typically found in the commercial pre-press and print production field

Graphic Design Certificate Program

This program option prepares students for careers typically found in the graphic design field, such as art director, graphic designer, production artist, package designer, or product designer. The study encompasses all phases of the design processes from origination of the idea (design, layout, and typography) through reproduction, finishing and distribution. Students are encouraged to adhere to electives noted for a rounded educational experience.

Program Student Learning Outcomes

Students who complete this program will be able to:

• Use fundamental design skills
• Select and use appropriate graphic design software
• Demonstrate skills typically found in the graphic design field

Associate Degree

Associate in Arts Degree

Complete a minimum of 60 units including the total number of units described above and the General Education requirements with an overall GPA of 2.0 to qualify for the Associate in Arts degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Suggested coursework not required for the major: ART 40, 85.
### Health Information Technology Certificate Program

The Health Information Technician (H.I.T.) program is a two-year certificate and associate degree program that prepares the student for employment as a health information professional with the knowledge and skills to accurately code diagnoses and procedures for healthcare services provided to patients, and to collect, maintain, and analyze clinical data in electronic health records that physicians, nurses, and other healthcare staff rely on to deliver quality healthcare. The curriculum is designed to facilitate articulation from the Medical Assistant program and provides training through didactic instruction and directed practice externships. Facilities employing health information technology professionals include hospitals, ambulatory care centers, physician offices, long-term care facilities, dialysis centers, public health agencies, pharmaceutical companies, medical supply companies, rehabilitation centers, managed care organizations, behavioral and mental health facilities, law firms, and insurance firms.

Students are required to hold a valid basic life support CPR card for healthcare providers and carry professional liability insurance prior to commencing their directed practice.

### Program Student Learning Outcomes

Students who complete this program will be able to:

- Collect, use, analyze, validate, store, and retrieve health care data.
- Manage related data, personnel management, and release of information.
- Demonstrate skill in clinical coding – converting diagnoses and procedures to numeric codes.
- Demonstrate skills in quality assessment, financial management, and computer science.
- Apply knowledge through clinical experiences in various professional practice health care facilities.
- Demonstrate the knowledge and skills needed to successfully pass entry level HIM certification examinations and the Registered Health Information Technician examination. (RHIT)

A minimum grade of “C” in all courses is required to receive the certificate.

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

#### General Education Requirements for Associate Degree

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

### Health Sciences Associate Degree

The Health Sciences Associate Degree program is designed to provide students the opportunity to achieve an associate degree in health sciences which may include courses required for preparation for transfer to a CSU or for employment in areas such as emergency medical technician, medical assistant, medical insurance billing and coding, nursing assistant, paramedic or phlebotomist.

Transfer Health Sciences majors should complete the general education certificate to meet general education requirements (34-39 units), either the California State University General Education (CSU-GE) requirements or the Intersegmental General Education Curriculum (IGETC).

Refer to ASSIST.org or to the catalog of the intended college of transfer. Courses selected to fulfill requirements for this area of emphasis should reflect requirements of the college or university to which the student plans to transfer. Consult with a counselor for assistance in planning a transfer program in Health Sciences.

This program is not the associate degree in nursing and does not meet the State Board of Registered Nursing requirements for licensure in the state of California. Students interested in achieving a degree in Nursing should see the Nursing Associate Degree.

### Program Student Learning Outcomes

Students who complete this program will be able to:

- Recognize and define the terminology of various health sciences.
- Differentiate between various health science jobs and job requirements.
- Demonstrate scientific and critical thinking skills related to the field of health science.

Select 18 units from the following related disciplines:

| BIO 11*, 12*, 15*, 112*, 113 |
| CHEM 1A*, 108 |
| EMT 207* & 207C*, 210*, 219* |
| HIT 200, 204*, 207*, 209*, 216*, 219*, 221* |
| HLTH 1, 2, 3 |
| HSC 201, 217*, 222, 229*, 226*, 227*, 228, 291 |
| MA 211A/B, 212A/B, 213A/B, 214B, 217A*+/B*+/C*+, 218B |
| PM 220*, 230*, 240* |

| **Total** | 18 |

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.
Associate Degree

Associate in Arts Degree

Complete a minimum of 60 units including the total number of units described above and the General Education requirements with an overall GPA of 2.0 to qualify for the Associate in Arts degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Associate in Arts Degree in History for Transfer

The curriculum in the History program is designed to provide the transfer student the opportunity to achieve an Associate in Arts in History for Transfer degree by providing the necessary breadth in the field and an introduction to the methods used. Students who complete the Associate in Arts Degree in History for Transfer receive priority admission to the California State University system, though admission to a specific campus is not guaranteed. While an associate degree may support attempts to gain entry-level employment or promotion, a baccalaureate or higher degree is recommended for those considering professional careers, which can be achieved through transfer.

The following is required for all AA-T or AS-T degrees:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
   - The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
   - A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.

2. Obtainment of a minimum grade point average of 2.0. Students must earn a C or better in all courses required for the major or area of emphasis. A “P” (Pass) grade is not an acceptable grade for courses in the major.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Discuss the diversity of the human experience as influenced by geographical location, race, ethnicity, cultural traditions, gender and class
- Analyze historical processes that shape individuals and communities, drawing on detailed knowledge about the history of the area under study
- Apply critical thinking skills to examine the varieties of experience found in the historical record of the United States, exploring diversity as a critical component of history
- Distinguish between primary and secondary sources, and understand how each are used to make historical arguments
- Assess, use, and synthesize different kinds of evidence from a variety of historical sources to make a coherent argument about the past
- Effectively conduct research and write a coherent historical essay or research paper that articulates a clear argument, effectively interprets multiple forms of evidence, identifies arguments in secondary historical texts, and uses appropriate citations

Certificates and Degrees

Associate Degree

**Associate in Arts Degree**

Complete a minimum of 60 units including the total number of units described above and the General Education requirements with an overall GPA of 2.0 to qualify for the Associate in Arts degree. A minimum of 12 units must be completed at Saddleback College.

**General Education Requirements for Associate Degrees**

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

---

**Horticulture Certificate Program**

The Horticulture program is soundly based on horticultural technology and prepares students for careers related to production and care of plants, trees, and shrubs commonly used in landscape design, retail and wholesale nurseries, and park departments. The certificate offered within the Horticulture program is outlined below.

**Program Student Learning Outcomes**

Students who complete this program will be able to:

- Identify plants contributing to local ecologies and habitats.
- Grow and maintain ornamental plant materials.
- Identify local plant materials, including herbaceous and trees, shrubs, and California natives.

**Course ID** | **Title** | **Units**
--- | --- | ---
HORT 10 | Plant Materials — Herbaceous Plants | 3
HORT 11 | Plant Materials — Trees and Shrubs | 3
HORT 20 | Introduction to Horticulture Science | 4
HORT 112 | Plant Propagation | 3
HORT 113 | Soils and Fertilizers | 3
HORT 120 | Integrated Pest Management | 4

*Select one course from each Group 4-6*

**Total 24-26**

**Group I:**

- HORT 7 | Introduction to Landscape Design | 3
- HORT 115 | History of Landscape Design | 3

**Group II:**

- CWE 180*† | Cooperative Work Experience: Horticulture | 1
- HORT 116 | Irrigation Systems | 3
- HORT 166 | Ornamental Native Plants | 1.5
- HORT 216* | Advanced Irrigation Design | 3

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

†CWE 180* should be taken after completing at least 9 units of the Horticulture Certificate.

---

**Associate Degree**

**Associate in Science Degree**

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

**General Education Requirements for Associate Degrees**

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Suggested coursework not required for the major: BUS 1, 120, 137; CIM 1; HORT 208, 209; SPAN 1.

---

**General Horticulture Occupational Skills Award**

The General Horticulture Occupational Skills Award encourages students to master skills required to propagate and maintain healthy plants, including the use of soils and fertilizers.

**Course ID** | **Title** | **Units**
--- | --- | ---
HORT 20 | Introduction to Horticultural Science | 4
HORT 112 | Plant Propagation | 3
HORT 113 | Soils and Fertilizers | 3

**Total 10**

---

**Plant Identification Occupational Skills Award**

The Plant Identification Occupational Skills Award encourages students to master skills required to identify all of the important annuals, groundcovers, vines, trees, shrubs, and native plants used in Southern California landscapes. Award holders will be able to make recommendations for the incorporation of these species into the landscape based on flower color, time of flowering, height, spread, fruit production, and known problems.

**Course ID** | **Title** | **Units**
--- | --- | ---
HORT 10 | Plant Materials — Herbaceous Plants | 3
HORT 11 | Plant Materials — Trees and Shrubs | 3
HORT 166 | Ornamental Native Plants Identification | 3

**Total 9**

---

**Human Development Associate Degree Program**

The curriculum in the Human Development Associate Degree program is designed to provide the transfer student the opportunity to achieve an Associate degree. While a baccalaureate or higher degree is recommended for those considering majors related to this field, earning the Associate degree would demonstrate achievement and may support attempts to gain entry-level employment or promotion.

**Program Student Learning Outcomes**

Students who complete this program will be able to:

- Discuss diverse human experiences
- Identify influences on human development
- Locate and analyze significant works focused on the study of human development

**Course ID** | **Title** | **Units**
--- | --- | ---
ANTH 2 | Cultural Anthropology | 3
MATH 10* | Introduction to Statistics | 3
PSYC 1 | Introduction to Psychology | 3
PSYC 7* | Developmental Psychology: Childhood through Adolescence | 3
SOC 1 | Introduction to Sociology | 3
SOC 15* | Socialization of the Child | 3

**Total 18**

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

---

**Associate Degree**

**Associate in Arts Degree**

Complete a minimum of 60 units including the total number of units described above and the General Education requirements with an overall GPA of 2.0 to qualify for the Associate in Arts degree. A minimum of 12 units must be completed at Saddleback College.
General Education Requirements for Associate Degrees
Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Suggested coursework not required for the major: BIO 20; CD 120, 121*.

Human Services
The Human Services department offers the following programs of study for people who want to work with people. The curricula meet the needs of career-oriented students who wish career preparation at the Associate degree or vocational certificate levels. They will also serve as an introduction to social work, social welfare, criminal justice, counseling, mental health, and other helping professions for students planning advanced degrees in these fields. Coursework includes participation in internships and Cooperative Work Experiences at various facilities.

Saddleback College is an academic member of the International Association of Eating Disorders Professionals (IAEDP). Saddleback College does not offer a certificate for the Eating Disorders Program, however, the course is certified by IAEDP.

The Human Services department offers the four programs listed below.

Alcohol and Drug Studies Certificate Program
The Alcohol and Drug Studies program integrates theory and practical experience in developing skills necessary to work with the alcohol and drug abuse population, as well as with families and employers of chemically dependent persons. This program option combines the Human Services behavioral core, skills training, and experiential learning in the field work settings.

The completion of the Core Courses is required for eligibility of enrollment in HS 110 and is required for the completion of the Certificate Programs. It is recommended that these courses be taken as early as possible.

A minimum grade of “C” in all courses is required to receive the certificate.

Program Student Learning Outcomes
Students who complete this program will be able to
• Demonstrate multiple approaches in their work with the alcohol and drug abuse population
• Apply various communication and collaborative techniques to use with families and employers of chemically dependent individuals
• Use Human Services behavioral core, skills training and experiential learning in field work settings.

Associate Degree

Associate in Science Degree
Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees
Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Community-Based Corrections Certificate Program
The program in Community-Based Corrections provides the student with an introduction to the Human Services behavioral core and skills with a specialized area of study in areas of various community-based corrections. Students completing the program may find employment in probation, juvenile counseling settings, California Youth Authority, and half-way houses.

The completion of the Core Courses is required for eligibility of enrollment in HS 110 and is required for the completion of the Certificate Programs. It is recommended that these courses be taken as early as possible.

A minimum grade of “C” in all courses is required to receive the certificate.

Program Student Learning Outcomes
Students who complete this program will be able to
• Expound upon knowledge of multiple and diverse criminological theories
• Exhibit an understanding of how the history of the criminal justice system relates to contemporary community-based corrections regulations and environments
• Use Human Services behavioral core, skills training and experiential learning in field work settings.

### Associate Degree

#### Associate in Science Degree

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

#### General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

### Human Services Generalist Certificate Program

The Human Services Generalist program is designed to provide persons with both a historical and a current perspective of the basic issues within the human services field. It will introduce students to the growing career options within the field, provide an opportunity to explore several of the program options, and generally provide the kind of information that will enable students to make informed decisions in regard to career directions.

The completion of the Core Courses is required for eligibility of enrollment in HS 110 and is required for the completion of the Certificate Programs. It is recommended that these courses be taken as early as possible.

A minimum grade of "C" in all courses is required to receive the certificate.

#### Program Student Learning Outcomes

Students who complete this program will be able to:

- Exemplify knowledge of the breadth of the Human Services profession
- Engage human services intervention skills on a micro and macro level
- Use Human Services behavioral core, skills training and experiential learning in field work settings.

### Mental Health Worker Certificate Program

The Human Service department has designed the Mental Health Worker program to educate students to understand cultural competency skills needed for clients and family members to enter the public mental health labor force. It will introduce students to benefits acquisitions, the recovery model, co-occurring disorders and integrated services, early identification of mental illness and evidence-based practices.

A minimum grade of "C" in all courses is required to receive the certificate.

#### Program Student Learning Outcomes

Students who complete this program will be able to:

- Demonstrate multiple approaches in their work with the mental health and co-occurring populations
- Impart appropriate intervention practices to use with individuals and families impacted by mental health and/or co-occurring disorders
- Use Human Services behavioral core, skills training and experiential learning in field work settings.

Associate Degree

Associate in Science Degree

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualify the student for an Associate in Science degree. A minimum of 12 units must be taken at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Humanities Associate Degree Program

The curriculum in the Humanities Associate Degree program is designed to provide the transfer student the opportunity to achieve an Associate degree. While a baccalaureate or higher degree is recommended for those considering majors in the humanities such as language, history, literature or philosophy, earning the Associate degree would demonstrate achievement and may support attempts to gain entry-level employment.

Program Student Learning Outcomes

Students who complete this program will be able to:
- Identify and evaluate the origin, growth, varieties, and cultural manifestations of individuality in different cultural traditions.
- Identify and evaluate nature (e.g. our conceptions of nature, our relation to nature, etc.) in different cultural traditions.
- Identify and evaluate economic, social, religious and artistic conflict between different cultural traditions.

A minimum of 18 units from the following:

Associate Degree

Associate in Arts Degree

Complete a minimum of 60 units including the total number of units described above and the General Education requirements with an overall GPA of 2.0 to qualify for the Associate in Arts degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Interior Design

Saddleback College offers an interdisciplinary Interior Design curriculum providing multi-level, accredited courses that prepare students with the competencies required to enter the Interior Design profession. The Associate degree will be awarded after completion of Level III.

Level I — Interiors Merchandising Certificate Program

The Interiors Merchandising level provides the student with a short-term certificate program leading to employment in merchandising or sales.

Program Student Learning Outcomes

Students who complete this program will be able to:
- Demonstrate fundamental drafting skills, knowledge of color theory, career paths, and product knowledge related to merchandising.
- Use professional skills and effective communication techniques.
- Demonstrate beginning CAD skills required for merchandising and sales positions in the Interior Design field.

Associate Degree will be awarded for Level III only.

Level II — Interior Design Assistant Certificate Program

The Interior Design Assistant level meets the standards that can lead to a minimum preparation for design certification and employment as a design assistant.

Program Student Learning Outcomes

Students who complete this program will be able to:
- Demonstrate advancing skills in fundamental drafting, color theory, and product knowledge.
- Use professional skills and effective communication techniques.
- Demonstrate space planning, historical, graphic, business, advancing computer technique, and work experience skills required for Interior Design Assistant positions in the Interior Design field.

Level III — Interior Design Professional Certificate Program

The Interior Design Professional level meets the educational standards leading to employment and certification as a professional interior designer.

Program Student Learning Outcomes

Students who complete this program will be able to:

• Demonstrate advanced knowledge of drafting, color theory, and product knowledge.
• Use advanced professional skills and effective communication techniques.
• Demonstrate advanced graphic, specialized design, code and CAD skills required for certification, professional affiliation &/or employment as a Professional Interior Designer.

Associate Degree

Associate in Science Degree

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

International Language Associate Degree Program

(See Arabic, Chinese, French, German, Italian, Japanese, and Spanish)

Italian Associate Degree Program

The Italian Program offers lower-division preparation for students who plan on transferring to pursue a bachelor’s degree in Italian. Students planning to transfer and/or earn this associate degree may also need to complete additional requirements or electives required by the transfer institution, as many have unique admissions and preparation-for-the-major requirements. Students should meet with a counselor to identify required courses and to develop a written plan for their targeted university.

Program Student Learning Outcomes

Students who complete this program will be able to:

• Demonstrate comprehensive knowledge of Italian vocabulary
• Use proficient conversational skills in Italian
• Demonstrate introductory cultural and historic knowledge of Italian speaking people.

Course ID	Title	Units

Journalism Certificate Program

The curriculum in the Journalism Certificate provides the range of skills necessary for work in editorial departments of newspapers, magazines, industrial in-house publications, and public relations programs in business and government.

This program provides background and experience needed by persons who may be employed as journalists, editors, photographers, video journalists, designers, and media professionals and related occupations.

Program Student Learning Outcomes

Students who complete this program will be able to:

• Demonstrate a range of skills necessary for work in editorial departments of news organizations, magazines, and industrial in-house publications.
• Demonstrate a range of skills necessary for work in public relations, media and communications organizations, and startups.
• Successfully complete practical experiences needed by persons who may be employed as journalists, editors, photographers, video journalists, designers, and media professionals and related occupations.

Associate Degree

Associate in Science Degree

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Suggested coursework not required for the major: PHOT 50, 55.

Kinesiology

Associate Degree Program

The curriculum in the Kinesiology Associate Degree program is designed to provide the transfer student the opportunity to achieve an Associate degree. While a baccalaureate or higher degree is recommended for those considering majors related to this field, earning the Associate degree may support attempts to gain entry-level employment or promotion.

Program Student Learning Outcomes

Students who complete this program will be able to:

• Demonstrate cognitive knowledge of fitness terminology and training in a specific subject area.
• Correctly perform the skills or strategy for a particular fitness activity or sport.
• Display effective gains through social interactions, teamwork, and sportsmanship in Kinesiology courses.
• Distinguish and articulate fundamental concepts or skills of a specific activity or sport

Landscape Design Certificate Program

This program is designed to train students for careers in landscape design and maintenance with municipal and county parks departments, industrial and commercial firms, and residential construction companies.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Demonstrate fundamental skills in landscape design elements, process and techniques.
- Apply their understanding of sustainable horticultural aspects to the development of landscape design to promote green living environments.
- Demonstrate basic landscape construction and maintenance skills.
- Use a variety of computer applications relevant to landscape design, construction, and ornamental horticulture.
- Demonstrate the skills necessary for employment as a landscape designer, landscape construction and maintenance professionals, or related field.

Liberal Studies Associate Degree

The curriculum in the Liberal Studies Associate Degree program is designed for students transferring to a four-year college or university intending to pursue a Liberal Studies Major.

Students planning to transfer to California State University (CSU), the University of California (UC), or an institution which accepts certification should complete general education requirements for the associate degree by completing CSU General Education (CSU-GE) certification requirements or the Intersegmental General Education Transfer Curriculum (IGETC) (34-39 units).

Program Student Learning Outcomes

Students who complete this program will be able to:

- Explain the values of a culture as expressed through its art or language.
- Demonstrate effective expository and persuasive writing skills.
- Develop a reasoned solution to a problem.
- Evaluate new and accepted ideas about the natural universe using testable methodology.
- Evaluate the methods of inquiry and evidence used in the behavioral and social sciences

Please consult with a counselor to ensure that the courses you select from the options listed below are appropriate for your particular school of transfer.

Complete 18 units as described below:

- ENG 1A* 4
- SP 1 or 5 3
- PS 1 3

Select one of the following:

- ENG 1B*, 170; PHIL 12*; SP 2*, 3* 3

Select one of the following:

- HIST 7, 8, 16, 17, 22 3

Select one of the following:

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

Associate in Arts Degree

Complete a minimum of 60 units including the total number of units described above and the General Education requirements with an overall GPA of 2.0 to qualify for the Associate in Arts degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.
## Marine Science Technology

The Marine Science Technology program is designed to provide technician training for several ocean-related careers. Two program options are outlined below to orient students to the different emphases necessary for individual interest and career goals.

### Marine Science Technician Certificate Program

Rapid growth of the field of marine environmental management in Southern California brings demand for marine science technicians having the practical seamanlike skills of navigation, vessel operation, marine systems and equipment maintenance, as well as scientific expertise. Flexibility in study areas of concentration allows for tailoring coursework to specific employment opportunities.

Classroom work in oceanographic disciplines is combined with seagoing laboratory experience aboard marine research vessels, both sail and power. The program is designed to develop a solid educational foundation so that graduates will be prepared to work closely with scientists, researchers, engineers, and marine survey and operations personnel as they endeavor to manage this enormous resource for the good of mankind.

### Program Student Learning Outcomes

Students who complete this program will be able to:

- Develop piloting and navigational skills required to properly navigate vessels in harbors, near shore, and open waters.
- Perform advanced seamanlike techniques using current technology and electronic navigational instruments.
- Demonstrate spatial analysis of data and identify problems with acquisition and accuracy of data in marine ecological surveys.

### General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Suggested coursework not required for the major:  CHEM 1A, 106; CIM 1; DR 100; PHYS 2A.

### Seamanship Certificate Program

This program is designed to prepare individuals as boat operators and to take Coast Guard licensing examinations, as well as train marine technicians in the seagoing disciplines. Fieldwork is conducted throughout Southern California and the Channel Islands from Dana Point and Newport harbors. Boats include 28 to 48-foot sailing and power vessels, as well as safety sail training and introductory boating experience on Saddleback’s fleet of 14-foot Capri sailboats.

### Program Student Learning Outcomes

Students who complete this program will be able to:

- Demonstrate intermediate sailing skills, including basic maneuvers, navigational strategies, marlinspike seamanship techniques, anchoring techniques, and line handling.
- Demonstrate understanding of nautical terms, marine weather, points of sail and maneuvers, and demonstrate proficiency in their practical use.
- Demonstrate understanding of basic emergency and proper boating safety techniques and procedures.

Certificate and Degree

Associate in Science Degree in Mathematics for Transfer

The curriculum in the Mathematics program is designed to provide the transfer student the opportunity to achieve an Associate in Science in Mathematics for Transfer degree by providing the necessary breadth in the field, an introduction to the methods used, and the ability to complete both major preparatory coursework along with courses required for general education. Students who complete the Associate in Science Degree in Mathematics for Transfer receive priority admission to the California State University system, though admission to a specific campus is not guaranteed. While an associate degree may support attempts to gain entry-level employment or promotion, a baccalaureate or higher degree is recommended for those considering professional careers, which can be achieved through transfer.

The following is required for all AA-T or AS-T degrees:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
   - The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
   - A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtaining a minimum grade point average of 2.0. Students must earn a C or better in all courses required for the major or area of emphasis. A “P” (Pass) grade is not an acceptable grade for courses in the major.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Demonstrate computational skills at a variety of levels.
- Apply critical thinking skills.
- Demonstrate proficiency in graphing.

Associate Degree

Associate in Arts Degree

Complete a minimum of 60 units including the total number of units described above and the General Education requirements with an overall GPA of 2.0 to qualify for the Associate in Arts degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

Medical Assistant

This program prepares students for employment as a medical assistant in a physician's office or clinic. The curriculum is designed to provide training in administrative (front office) and clinical (back office) medical assisting skills. Instruction is given in basic medical office procedures (including appointment scheduling, billing, and insurance), assisting with examinations, surgical and laboratory procedures (including venipuncture, pharmacology, and injections), electrocardiography, electronic health records, public relations, supervision, and practice-building techniques. An externship experience helps provide the student with the skills necessary to enter this field.

Successful completion of courses will require that a grade of “C” or better be achieved. When a student fails to achieve a “C” or better in any course, the student will be given the opportunity to repeat the failed course once on a space available basis. If a student receives a second grade of less than a “C” in any Medical Assistant course, that student will be dropped from the Medical Assistant Program and will not be eligible for re-entry into the Saddleback College Medical Assistant program. A student may not enter Clinical Experience (MA 217) until all courses are completed with a grade of “C” or better.

Administrative Medical Assistant Certificate Program

This program prepares the student for employment as an administrative (front office) medical assistant in a physician's office or clinic. The Administrative Medical Assistant program is designed to articulate into the Health Information Technology (H.I.T) program and prepares the student to schedule appointments, perform medical reception duties, handle financial matters (including medical collection), manage electronic health records and other medical records, and do insurance billing. The externship in the front office of a physician's office will help provide the student with the administrative experience necessary to enter the workforce. Students are required to hold a valid basic life support CPR card for healthcare providers and carry malpractice insurance while in MA 217.

Mathematics Associate Degree Program

The curriculum in the Mathematics Associate Degree program is designed to provide the transfer student the opportunity to achieve an associate degree. While a baccalaureate or higher degree is recommended for those considering majors related to this field, earning the Associate degree may support attempts to gain entry-level employment or promotion.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Demonstrate computational skills at a variety of levels.
- Apply critical thinking skills.
- Demonstrate proficiency in graphing.
Program Student Learning Outcomes

Students who complete this program will be able to:

- Demonstrate administrative medical skills
- Describe legal and ethical practices related to medical care
- Demonstrate medical office employability skills

A minimum grade of “C” in all courses is required to receive the certificate.

Associate Degree

Associate in Science Degree

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

Suggested coursework not required for the major: BIO 113; EMT 207, 207C; INSR 200, 224A, 226A, 228A; MA 211A, 212A, 213A; PHLB 240

Clinical Medical Assistant Certificate Program

This program prepares the student for employment as a clinical (back office) medical assistant in a physician's office or clinic. The program is designed to prepare the student to aid the physician by assisting with examinations and treatments, performing venipunctures and collecting other routine laboratory procedures, assisting with office surgery, giving medications including by injection, performing electrocardiograms, practicing medical and surgical asepsis, and working with electronic health records and other medical records. An externship in the back office of a physician's office will help provide the student with the clinical experience necessary to enter the workforce. Students are required to hold a valid basic life support CPR card for healthcare providers and carry malpractice insurance while in MA 217C*.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Demonstrate clinical patient skills
- Demonstrate medical office employability skills

A minimum grade of “C” in all courses is required to receive the certificate.

**Medical Lab Technology**

Certificate Program

The Medical Laboratory Technician program prepares students for employment as an MLT working in a clinical medical laboratory. Medical laboratory technicians (MLTs) perform a wide variety of routine laboratory procedures and work in both public and private laboratories serving the health care sector.

The MLT program is a two-year curriculum leading to the Associate in Science degree in Medical Laboratory Technology. Completion of prerequisite courses will be required prior to entering the program. The program course of study is a combination of instruction in principles of laboratory theory and techniques as well as clinical experience at affiliated medical laboratories. Students learn to perform routine laboratory procedures in phlebotomy, microbiology, clinical chemistry, hematology, coagulation, immunology, and urinalysis. They also will learn to operate and maintain clinical laboratory equipment.

Graduates of the program qualify for national certification examinations sponsored by the American Society of Clinical Pathologists (ASCP) Board of Registry or by the American Association of Bioanalysts (ABB) Board of Registry to become state licensed medical laboratory technicians.

**Program Student Learning Outcomes**

Students who complete this program will be able to:

- Perform analytical testing in various areas of the clinical laboratory including clinical chemistry, microbiology, hematology, immunology, coagulation, and urinalysis, and related areas.
- Practice established safety procedures and communicate effectively and professional with patients, laboratory personnel, and other members of the health care team.
- Participate in continuing education activities to maintain and improve professional competencies within the community as defined by the California Laboratory Field Services.
- Demonstrate preparation for applicable State of California approved certification exam.

Successful completion of courses will require that a grade of “C” or better be achieved. When a student fails to achieve a “C” or better in any course, the student will be given the opportunity to repeat the failed course once on a space available basis. If a student receives a second grade of less than a “C” in any Medical Laboratory Technology course, that student will be dropped from the Medical Laboratory Technology Program and will not be eligible for re-entry into the Saddleback College Medical Laboratory Technology program. A student may not enter Clinical Experience until all courses are completed with a grade of “C” or better.

**Required pre-requisites prior to Medical Lab Technician Sequence:**

Music Associate Degree Program

The curriculum in Music is designed to provide the student the opportunity to achieve an Associate degree. While a baccalaureate or higher degree is recommended for those considering professional careers related to this field, earning the Associate degree will demonstrate commitment to the major, and attainment of a degree which can support attempts to gain entry-level employment.

Program Student Learning Outcomes

Students who complete this program will be able to:

- analyze musical scores and compositions
- critique personal music performances and those of other musicians
- analyze and perform the elements of music (rhythm, melody, harmony, and form)
- create derivative or original music at a level appropriate to the area of specialization
- compare and contrast the characteristics of various musical cultures and historical periods from the origin of music history to the present

The following course of study must be completed to fulfill major requirements for the Associate Degree in Music:

<table>

Natural Sciences

Associate Degree Programs

(SEE ASTRONOMY, BIOLOGY, CHEMISTRY, GEOLOGY, OCEANOGRAPHY, PHYSICAL SCIENCE, and PHYSICS)

Accredited National League for Nursing Accrediting Commission (NLNAC)

PURPOSES OF THE PROGRAM IN NURSING

The purposes of this program in Nursing are to provide the education necessary to develop competent practitioners in nursing and to provide a base for the continuing development of the student as an individual.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Demonstrate sufficient preparation to pass the NCLEX upon first attempt.
- Promote and maintain a safe environment by integrating current evidence-based practice, the nursing process, and skill competency to deliver quality health care.
- Demonstrate the knowledge, skills, and attitudes required of the professional nurse as defined by the California Nurse Practice Act and standards of nursing practice.

ENROLLMENT PROCEDURES

Procedures for applying to the Nursing program and application packets are available in the Health Sciences and Human Services division office and on the division website. Prospective nursing students are encouraged to attend an RN Information Session. (See the Nursing website).

In order to apply, a student must complete BIO 11* (Anatomy), BIO 12* (Physiology), BIO 15* (Microbiology), and ENG 1A* (Principles of Composition I) or their equivalents with a grade of “C” or better. BIO 12* (Physiology) must be completed within the past seven years.

Note: Students will be admitted based on the total number of points they receive on the admission criteria. See the Nursing website for details about the point distribution. The admission criteria includes: previous academic degrees, work experience/certificates, GPA in the science prerequisites, completion of relevant course work towards the ADN degree, life experience, proficiency/course work in a second language, ATI-TEAS testing scores.

Applications will be taken each semester for approximately a two week period at the end of June (for Spring admission) and a two week period at the end of February (for Fall admission).

Students qualified for application will be ranked according to their total points achieved on all of the admission criteria. Those with the highest scores will be admitted.

The Nursing Program at Saddleback College is an impacted program, therefore students who hold F-1 (student visas) will not be considered for admission to the Nursing Program.

Students may use the following resources to obtain information or to seek clarification regarding nursing issues:

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

#Clinical course.

Selected clinical experiences in various hospitals, clinics, and community agencies are provided throughout the Nursing Program.

Upon completion of the Registered Nurse Certificate Students are eligible for RN Licensure Exam

Associate Degree

Associate in Science Degree

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Licensed Vocational Nurse (LVN) to Registered Nurse (RN)

Associate Degree Program

The Nursing program is designed to provide a system by which vocational nurses can continue their education and become eligible to write the State Board Exam. Procedures for application and admission packets are available in the offices of the Division of Health Sciences and Human Services. Students are admitted from a wait list.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Demonstrate sufficient preparation to pass the NCLEX upon first attempt.
- Promote and maintain a safe environment by integrating current evidence-based practice, the nursing process, and skill competency to deliver quality health care.
- Demonstrate the knowledge, skills, and attitudes required of the professional nurse as defined by the California Nurse Practice Act and standards of nursing practice.

Admission of LVNs to the Nursing program is on a space-available basis. To be placed on the wait list requires:

1. Proof of satisfactory completion of an accredited VN program or a current California VN license.
2. Completion of all the core science courses: BIO 11*, 12*, 15*, and ENG 1A* or equivalent, with a grade of “C” or better.
3. Completion of N 162* and N 164* with a grade of “C” or better within a maximum of two years of program entry.
4. Completion of matriculation testing.
5. Attendance at “LVN to RN” guidance session.
6. Overall GPA of 2.5 in prerequisite courses.
7. Application submitted with Director/Assistant Director of Nursing.
8. Completion of standardized Pre Admission test validates by CCCC at or above designated cut scores.
9. Proof of completion of a minimum of one (1) year of direct patient care.

Consideration will be given to each applicant’s prior education in determining placement into the program. All classes are challengeable. Every required prerequisite and core class must be completed with a “C” or better.

Licenced Vocational Nurse (LVN) to Registered Nurse (RN)

30-Unit Option Certificate

BRN Rules and Regulations

Section 1429 — Preparation Required for Licensed Vocational Nurses

(a) An applicant who is licensed in California as a vocational nurse is eligible to apply for licensure as a registered nurse if such applicant has successfully completed the courses prescribed below and meets all the other requirements set forth in Section 2736 of the code. Such applicant shall submit evidence to the board, including a transcript, of successful completion of the requirements set forth in subsection (c) and of successful completion or challenge of courses in physiology and microbiology comparable to such courses required for licensure as a registered nurse.

(b) The school shall offer objective counseling of this option and evaluate each licensed vocational nurse applicant for admission to its registered nursing program on an individual basis. A school's determination of the prerequisite courses required of a licensed vocational nurse applicant shall be based on an analysis of each applicant's academic deficiencies, irrespective of the time such courses were taken.

(c) The additional education required of licensed vocational nurse applicants shall not exceed a maximum of thirty (30) semester or forty-five (45) quarter units. Courses required for vocational nurse licensure do not count toward fulfillment of the additional education requirement. However, other courses comparable to those required for licensure as a registered nurse, as specified in Section 1442, may be counted toward fulfillment of the additional education requirement.

Nursing courses shall be taken in an accredited school and shall be beyond courses equivalent to the first year of professional nursing courses. The nursing content shall include nursing intervention in acute, preventive, remedial, supportive, rehabilitative, and teaching aspects of nursing. Theory and courses with concurrent clinical practice shall include advanced medical-surgical, mental health, psychiatric nursing, and geriatric nursing. The nursing content shall include the basic standards for competent performance prescribed in Section 1443.5 of these regulations.

Admission of VN to the Nursing Program is on a space-available basis. To be placed on the wait list requires:

1. Proof of satisfactory completion of an accredited VN program or a current California VN license.
2. Completion of BIO 12, BIO 15, and N 162 with grades of “C” or better and with a GPA of 2.5 or greater.
3. Attendance at “LVN to RN” guidance session.
4. Completion of N 162 with a grade of “C” or better within a maximum of 3 semesters of program entry.
5. Applicant must commit, in writing, to the 30-unit status prior to or during application.
6. Application submitted with the Director/Assistant Director of Nursing.
7. Completion of standardized Assessment Technology Institute (ATI) tests at or above designated cut scores.
8. Proof of completion of a minimum of one (1) year of direct patient care as an LVN.

Consideration will be given to each applicant's prior education in determining placement into the program. All classes are challengeable. Every required prerequisite and core class must be completed with a “C” or better.

Program Student Learning Outcomes

Students who complete this program will be able to:

• Demonstrate sufficient preparation to pass the NCLEX upon first attempt.
• Promote and maintain a safe environment by integrating current evidence-based practice, the nursing process, and skill competency to deliver quality health care.
• Demonstrate the knowledge, skills, and attitudes required of the professional nurse as defined by the California Nurse Practice Act and standards of nursing practice.

#Clinical course.

¥Fulfills the Management & Leadership and Advanced Medical-Surgical requirement.

Nutrition Certificate Program

The Nutrition program prepares students for a wide variety of employment opportunities involving the applications of fundamentals of normal nutrition. Employment possibilities include public agencies, day-care centers for the young and the elderly, food co-ops, recreation work, pregnancy clinics, education (such as preschool and elementary school), health clubs, gym and figure salons, health food stores and nutritional supplement sales, and drug abuse clinics. The program offers coursework for professional improvement, and some courses can be utilized as transfer courses for students pursuing a Bachelor's degree. Refer to the Family and Consumer Sciences/Home Economics transfer section of the Saddleback College Catalog, as well as the catalog of the intended college of transfer.

Program Student Learning Outcomes

Students who complete this program will be able to
Students who complete this program will be able to:

- Determine and translate nutrient needs into menus for individuals and groups across the lifespan, in diverse cultures and religions, and for different income levels.
- Demonstrate skills in basic food safety and preparation.
- Differentiate between various requirements for careers in nutrition.

Please see a counselor for assistance in planning a transfer program.

### Associate Degree

#### Associate in Science Degree

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

#### General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

Suggested coursework not required for the major: BUS 125, 137; FN 140, 171; HLTH 1; KINES 107; PSYC 33; SP 1.

### Oceanography Associate Degree Program

The curriculum in the Oceanography Associate Degree program is designed to provide the transfer student the opportunity to achieve an associate degree. While a baccalaureate or higher degree is recommended for those considering majors such as marine biology, environmental science or geological sciences, the Associate degree may support attempts to gain entry-level employment or promotion.

#### Program Student Learning Outcomes

Students who complete this program will be able to:

- Explain the origins and history of oceanography and current developments and trends in the discipline
- Discuss how plate tectonics shapes the continental margin, the oceanic basin and its sediments; explain the distribution of pelagic and benthic communities in the oceanic environment
- Explain the directions and causes of atmospheric and oceanic circulation patterns and assess their impact on marine life and productivity; relate these to waves, tides and coastal characteristics
- Discuss various types of marine resources and assess the various environmental concerns related to the use and abuse of marine resources

### Associate in Science Degree

Completion of all courses listed above and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

#### General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

Suggested coursework not required for the major: BIO 3A or 20, 19; GEO 2, 7, 20; PHYS 4C.

### Paramedic Certificate Program

The Paramedic program is designed to prepare the student for licensure as a Paramedic. It is an intense, full-time program consisting of lecture, skills lab, clinical practice, and field internship. Students must possess a current CPR-Health Care Provider Card and are also required to have a current EMT license and one-year recent work experience. Students must have or purchase malpractice insurance prior to taking PM 230*.

#### Program Student Learning Outcomes

Students who complete this program will be able to:

- Demonstrate entry level skills for a variety of roles at the entry-level as a Paramedic
- Demonstrate sufficient preparation to pass the NREMT-P
- Apply skills in didactic, psycho-motor, and affective domains needed to perform the duties as a Paramedic in the community.
- Complete the FISDAP Paramedic National Registry of Emergency Medical Technicians Advanced Level Paramedic Exam preparation.

Certificate and Degree

Associate Degree

Associate in Science Degree

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

Suggested coursework not required for the major: EMT 219*, HSC 217*, 226*.

Philosophy Associate Degree Program

The curriculum in the Philosophy Associate Degree program is designed to provide the transfer student the opportunity to achieve an associate degree. While a baccalaureate or higher degree is recommended for those considering majors related to this field, earning the associate degree would support attempts to gain entry-level employment or promotion.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Identify and evaluate the main philosophical theories in metaphysics, epistemology, and ethics in the Western tradition.
- Use logical principles (i.e. formal and/or informal logic) and apply them to everyday examples
- Recognize and understand the universalizing, structuring, and metaphorical power of language as it affects thinking and theorizing.

Course ID Title Units

Required courses:
- PHIL 1* Introduction to Philosophy 3
- PHIL 10* World Religions 3
- PHIL 12* Introduction to Logic 3

Select a minimum of 9 units from the following:
- ENG 15A* Survey of American Literature: 1620-1860 3
- ENG 15B* Survey of American Literature: 1860-Contemporary 3
  or
- ENG 17A* Survey of English Literature: Beowulf to Romantic Movement 3
- ENG 17B* Survey of English Literature: Romantic Movement to the Present 3
  or
- ENG 21A* World Literature: Ancient to the 17th Century 3
- ENG 21B* World Literature: 17th Century to Modern 3
- HIST 4 World History to 1750 3
- HIST 5 World History from 1750 3
- HUM 1* Introduction to Humanities 3
- PHIL 15* Introduction to Ethics 3

Total 18

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

Associate Degree

Associate in Arts Degree

Complete a minimum of 60 units including the total number of units described above and the General Education requirements with an overall GPA of 2.0 to qualify for the Associate in Arts degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

Suggested coursework not required for the major: Four college semesters, or the equivalent, of a foreign language are strongly recommended. Art history, English literature, history, interdisciplinary studies courses, and psychology or other social sciences are also recommended.

Photography Associate Degree Program

This curriculum prepares the student for employment as a Phlebotomist/Laboratory Assistant in a hospital, laboratory, or clinic. The training is designed to prepare students to collect specimens, do venipunctures, and clean and maintain medical laboratory equipment. Enrollment in CWE 180* (two units) will provide the necessary 120 hours of clinical experience required to complete this program. Successful completion of PHLB 240* and CWE 180* will lead to certification as a Phlebotomist/Laboratory Assistant.

Course ID Title Units

PHLB 240* Phlebotomist/Laboratory Assistant Procedures 4
CWE 180* Cooperative Work Experience: Phlebotomist 2

Total 6

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

Certificates and Degrees
Certificates and Degrees

Associate Degree

Associate in Arts Degree

Complete a minimum of 60 units including the total number of units described above and the General Education requirements with an overall GPA of 2.0 to qualify for the Associate in Arts degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

Suggested coursework not required for the major: ART 80; JRN 1/CTVR 1.

Physical Education Associate Degree Program

SEE KINESIOLOGY

Physical Science Associate Degree

The associate degree in Physical Science may be appropriate for transfer students who are planning to major in one of the physical sciences such as astronomy, biochemistry, chemistry, environmental sciences, geological sciences, or physics or a pre-professional program requiring completion of physical science courses such as prechiropractic, premedical, preoptometry, and prepharmacy.

Program Student Learning Outcomes

Students who complete this program will be able to:
• Analyze and interpret data, charts and graphs using quantitative and qualitative methods.
• Recognize and construct valid arguments using deductive and inductive reasoning.
• Evaluate new and accepted ideas about the natural universe using testable methodology.

Students planning to transfer to California State University (CSU), the University of California (UC), or an institution which accepts certification should complete general education requirements for the associate degree by completing CSU General Education (CSU-GE) certification requirements or the Intersegmental General Education Transfer Curriculum (IGETC) (34-39 units).

Please consult with a counselor for assistance in selecting courses appropriate for transfer majors and/or preprofessional programs.

Select 18 units from the following courses:
ASTR 20, 21, 25*
CHEM 1A*, 1B*, 3*, 12A*, 12B*, 108
ENV 23, 25, 30, 105*, 106
GEOG 1, 1L*, 2, 3, 38, 102, 110*
GEOL 1, 2*, 3, 4, 7, 20, 21, 23
MATH 3A*, 3B*
MS 4, 20
PHYS 2A*, 2B*, 4A*, 4B*, 4C*, 20

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

Associate Degree

Associate in Science Degree

Completion of all the courses listed and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

Program Student Learning Outcomes

Students who complete this program will be able to:
• Demonstrate understanding of classical (or Newtonian) and fluid dynamics.
• Demonstrate understanding of classical electricity and magnetism.
• Demonstrate understanding of quantum mechanics, nuclear physics, optics and the special theory of relativity.

Course ID Title Units
First Year
CS 1A Introduction to Computer Science 3

MS 4, 20
PHYS 2A*, 2B*, 4A*, 4B*, 4C*, 20

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.
Program Student Learning Outcomes

Students who complete this program will be able to:

- Demonstrate an understanding of the principles and problems of politics in the United States and globally.
- Demonstrate an understanding of the basic systems, theories, ideologies, and models of political analysis.
- Explore specialized fields of study, including international relations, comparative politics, and political philosophy and theory.

It is recommended that PS 1 be taken prior to or concurrently with a combination of courses to be selected from those listed below.

Associate in Arts Degree

Complete a minimum of 60 units including the total number of units described above and the General Education requirements with an overall GPA of 2.0 to qualify for the Associate in Arts degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

Associate of Arts Degree in Psychology for Transfer

The curriculum in the Psychology Associate Degree program is designed to provide the transfer student the opportunity to achieve an Associate degree. While a baccalaureate or higher degree is recommended for those considering professional careers, earning the associate degree may support attempts to gain entry-level employment or promotion.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Compare and contrast the major theoretical perspectives in psychology.
- Differentiate psychology from pseudoscience.
- Demonstrate knowledge of basic research methods for gathering and evaluating data.
- Apply the principles of psychology to the diverse world in which they live.

The following is required for all AA-T or AS-T degrees:

1. Minimum of 60 CSU-transferable semester units.
2. Minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework. While a minimum of 2.0 is required for admission, some majors may require a higher GPA. Please consult with a counselor for more information.
3. Completion of a minimum of 18 semester units in an “AA-T” or “AS-T” major. All courses in the major must be completed with a grade of C or better or a “P” if the course is taken on a “pass-no pass” basis (title 5 § 55063).

4. Certified completion of the California State University General Education-Breadth pattern (CSU GE Breadth); OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern.

Rapid Digital Manufacturing Certificate Program

Rapid Digital Manufacturing addresses the competencies required by technical, engineering, and management professionals working in industry where products are designed and developed, with specific emphasis on mechanical/manufacturing, art/animation, medical imagery, geographic information systems, and architecture.

The program is designed to develop a solid educational foundation for graduates to work closely with engineers, designers, and professionals in multiple industries, using additive processes for product development, 3D visualization, art, entertainment, architecture, medical modeling, and geographic information systems.
Program Student Learning Outcomes

Students who complete this program will be able to:

- Communicate designs in at least one of the languages of mechanical drafting used in manufacturing design: AutoCAD and/or Solidworks.
- Use machines commonly found in manufacturing and in rapid prototyping.
- Demonstrate a working knowledge of model making, mold making, and casting processes used in manufacturing.

Course ID  Title  Units
CIM 221  Managing Projects with Microsoft Project 3
DR 51*/ARCH 51*  Computer-Aided Drafting 3
DR 152*/ARCH 152*  Advanced Computer-Aided Design 3
MFG 200*  Introduction to Rapid Prototyping Technology 3
MFG 201*  Advanced CAD Model Making and Tooling 2
MFG 202*  Industrial Materials 2
MFG 203  Introduction to Manufacturing Processes 2
MFG 204*  3D Computer-aided Design - Solidworks 3
MFG 205  Silicone and Urethane Mold Making 3
MFG 206*  Resin and Foam Casting 3

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

Associate Degree

Associate in Science Degree

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Real Estate

The Real Estate programs are designed to educate the student to become an effective real estate professional. The three programs are: Real Estate Appraisal, Real Estate Escrow, and Real Estate Sales/Broker.

Real Estate Appraisal Certificate Program

The Real Estate Appraisal program is designed to prepare students with educational courses needed for positions within the real estate appraisal profession and to meet the California State requirements under the Department of Business, Transportation and Housing Agency for the real estate licenses of State Licensed Real Estate Appraiser.

REAL ESTATE APPRAISAL LICENSE and/or CERTIFICATE: Please contact the California Office of Real Estate Appraisers.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Communicate designs in at least one of the languages of mechanical drafting used in manufacturing design: AutoCAD and/or Solidworks.
- Use machines commonly found in manufacturing and in rapid prototyping.
- Demonstrate a working knowledge of model making, mold making, and casting processes used in manufacturing.
- Demonstrate mastery of the skills necessary to become a State Real Estate Appraiser.

Course ID  Title  Units
RE 170  Real Estate Principles 3
RE 170A*  Real Estate Appraisal I 3
RE 170B  Real Estate Appraisal II 3
RE 170C*  Real Estate Appraisal III 3
RE 200  Uniform Standards of Professional Appraisal Practice (USPAP) 1.5
Suggested coursework not required for the major: BUS 1, 135, 137.

*Course has a prerequisite, corequisite, limitation, or recommended preparation; see course description.

Associate in Science Degree

Associate in Science Degree

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

Real Estate Escrow Certificate Program

The Escrow program is designed to educate the student to become an effective escrow professional. Activities related to this field are escrow principles, practice, and professionalism. Associated courses in real estate, management, and office procedures are provided.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Meet their career preparation goals as well as qualify for a state licensing exam to become an Escrow Agent.
- Meet personal or consumer education goals. (Examples: Students will indicate better preparation for making home purchase or sale decisions; students will indicate better preparation for completing real estate finance transactions.)
- Evaluate their professional improvement objectives as having been met. (Examples: Students will indicate that they will be able to improve their job performance or that they are more qualified for either a hierarchical or lateral career move.)
- Mastery of the skills necessary to become an Escrow Agent.

Associate Degree

Associate in Science Degree

Completion of the certificate program and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Science degree. A minimum of 12 units must be completed at Saddleback College.

General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution's catalog for transfer requirements.

Suggested coursework not required for the major: (Select two courses to meet the Educational Achievement Award requirements of the California Escrow Association): ACCT 1A, 214; BUS 12, 104, 125, 160; RE 176A, 178.

Real Estate Sales/Broker Certificate Program

This Real Estate program is designed to educate the student to become an effective Real Estate professional. Activities related to the program are real estate practice, law, appraisal, finance, computations, escrow, investment, exchanging, and taxation.

REAL ESTATE SALESPERSON LICENSE: RE 170, 172, 104, 125, and one additional elective must be completed before enrolling for the State exam. Electives list: BUS 12, RE 174*, 175*, 176A*, 178*, 190, 195, 280. Please check with the California Department of Real Estate for any changes.

REAL ESTATE BROKER LICENSE: Five courses are required: RE 172*, 174*, 175*, 176A*, and 178*. In addition, three more courses must be taken from the following list: BUS 12, RE 170, 176B, 190, 195, 280. Please check with the California Department of Real Estate for any changes. The 30-unit Certificate meets the Broker License examination course requirements.

Program Student Learning Outcomes

Students who complete this program will be able to:

- Meet their career preparation goals as well as qualify for a state licensing exam to become a Real Estate Salesperson or Broker
- Meet personal or consumer education goals. (Examples: Students will indicate that they will be able to improve their job performance or that they are more qualified for either a hierarchical or lateral career move.)
- Develop a personal interpretation about issues and matters under study.
- Integrate various social-scientific perspectives into the understanding of the subject matter.
- Develop a personal interpretation about issues and matters under study.
- Identify and apply methods, such as observation, hypothesis development, experimentation, evaluation of evidence, or measurement and data collection, used by social scientists to study human behavior.
- Identify and analyze theories explaining the individual, social, historical, political, or economic activities of men and women research and analyze topics from an interdisciplinary perspective
- Integrate various social-scientific perspectives into the understanding of the subject matter.
- Develop a personal interpretation about issues and matters under study.
- Students will indicate better preparation for making home purchase or sale decisions; students will indicate better preparation for completing real estate finance transactions.)
- Identify and apply methods, such as observation, hypothesis development, experimentation, evaluation of evidence, or measurement and data collection, used by social scientists to study human behavior.

**Certificates and Degrees**

**Saddleback College Catalog 2013/2014**

**Associates Degree**

**Associate in Arts Degree**

Complete 18 units as described above and a minimum of 60 units including the general education requirements with an overall GPA of 2.0 qualifies the student for the Associate in Arts degree. A minimum of 12 units must be completed at Saddleback College.

**General Education Requirements for Associate Degrees**

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.

**Associate of Arts Degree in Sociology for Transfer**

The curriculum in the Associate in Arts in Sociology for Transfer is designed to provide the transfer student the opportunity to achieve an Associate degree. While a baccalaureate or higher degree is recommended for those considering professional careers, earning the Associate degree may support attempts to gain entry-level employment in social services or promotion.

**Program Student Learning Outcomes**

Students who complete this program will be able to:

- Identify the current goals of sociology.
- Compare and contrast the three main sociological theories in sociology.
- Apply social theories to analyze current or historical topics or events.
- Differentiate social research and social research methods from other research models.
- Evaluate current sociological research.
- Describe the role that culture plays in affecting group as well as individual behaviors.
- Differentiate between Sociology and the other social sciences.
- Define and apply the sociological imagination/sociological perspective.
- Identify and apply specific sociological terms and concepts.
- Explain how various social locations such as class, race, gender, age and sexuality are vital to the study of sociology and apply them to specific sociological topics.
- Identify specific social problems and their cause-effect patterns.
- Critically evaluate the proposed ways to alleviate the major social problems facing society today.
- Identify and analyze social change and the impact on society.
- Examine and analyze institutional influences on individuals, groups, and society.
- Identify and evaluate community support services and agencies.

The following is required for all AA-T or AS-T degrees:

1. Minimum of 60 CSU-transferable semester units.
2. Minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework. While a minimum of 2.0 is required for admission, some majors may require a higher GPA. Please consult with a counselor for more information.
3. Completion of a minimum of 18 semester units in an “AA-T” or “AS-T” major. All courses in the major must be completed with a grade of C or better or a “P” if the course is taken on a “pass-no pass” basis (title 5 § 55063).
4. Certified completion of the California State University General Education-Breadth pattern (CSU GE Breadth); OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern.

**Spanish Associate Degree Program**

The Spanish Program offers lower-division preparation for students who plan on transferring to pursue a bachelor’s degree in Spanish. Students planning to transfer and/or earn this associate degree may also need to complete additional requirements or electives required by the transfer institution, as many have unique admissions and preparation-for-the-major requirements. Students should meet with a counselor to identify required courses and to develop a written plan for their targeted university.

**Program Student Learning Outcomes**

Students who complete this program will be able to:

- Demonstrate comprehensive knowledge of Spanish vocabulary
- Use proficient conversational skills in Spanish
- Read and write in Spanish
- Demonstrate introductory cultural and historic knowledge of Spanish speaking people.

**Theatre Arts Entertainment and Theatre Technology Certificate Program**

The Saddleback College Entertainment and Theatre Technology program provides the student with a career preparation for entry-level positions in the professional entertainment industry. A comprehensive and intensive two-year program offers students the opportunity to explore fundamentals of a wide variety of practical career opportunities. Technical theatre students participate in the hands-on experience of creating all of the technical elements of Theatre Arts Department productions as well as other live events on the Saddleback College campus.

**Program Student Learning Outcomes**

Students who complete this program will be able to:

- Demonstrate preparation for entry level positions in the professional entertainment industry.
- Demonstrate technical skills in a wide variety of applications related to theatrical production.
- Demonstrate competence in the production of live events.

**Theatre Arts Performance and Acting Associate Degree Program**

The curriculum in the Theatre Arts, Performing/Acting Associate Degree program is designed to provide the student the opportunity to achieve an Associate degree. A baccalaureate degree or higher is recommended for those considering professional career related to this field. An Associate Degree would demonstrate commitment to the major for those transferring to other institutes of higher learning and may support attempts to gain employment in the field.

**Program Student Learning Outcomes**

Students who complete this program will be able to:

- Recognize standard practices of ensemble playing in a rehearsal/performance environment
- Compare and analyze the theories and techniques of acting from a historical perspective
- Analyze texts and scripts as they pertain to performance
- Demonstrate skill for technical aspects of acting, including physical, vocal, imaginative, analytical and emotional elements
- Compare and contrast theatrical periods and styles in terms of acting, directing, playwriting, and technical elements
- Apply imagination and character analysis to identify and describe the personality and motivations of a given character
- Apply technical processes, including lighting, set, costume, and/or stage make-up design, as they pertain to a given dramatic script

#### Travel and Tourism Certificate Program

The Travel and Tourism program is designed to prepare students for careers in the travel agency industry. The program stresses the following: ticketing and reservations, major tourist areas and resorts, fares and routes, tour promotion, and planning. The program covers all aspects of travel including air, cruise ships, rail, and car.

### Program Student Learning Outcomes

Students who complete this program will be able to:
- Support their choice of cruise itineraries presented in a written form based on the standards of the industry, use a pre-determined criteria checklist and compare cruise features and benefits, both tangible and intangible, as well as price, value and individual preference.
- Build a Passenger Name Record (PNR) in the airline computer training strand of the program.
- Identify geographic locations.

### Associate Degree

#### Associate in Arts Degree

Complete a minimum of 60 units including the total number of units described above and the General Education requirements with an overall GPA of 2.0 to qualify for the Associate in Arts degree. A minimum of 12 units must be completed at Saddleback College.

#### General Education Requirements for Associate Degrees

Refer to the Graduation Requirements or to the CSU-GE and IGETC patterns in this catalog for specific courses which meet general education requirements. Refer to ASSIST.org and to the transfer institution’s catalog for transfer requirements.
Transfer Planning

I. Transfer students, that is, students planning to enter a university four-year college after attending Saddleback College, should take note of the following suggestions:
   A. Consult the catalog of the college or university to which they intend to transfer for such requirements as:
      1. Admissions Information
      2. Major course requirements
      3. General education or breadth requirements
   B. Notice the difference between lower and upper-division courses required by the particular college or school of the university in which the advanced work is to be taken.
      Important point: Degree credit in the major can be expected only for those community college courses which parallel courses designated as lower division by four-year colleges or universities.
   C. Note courses which must be taken in preparation for the major as well as those required in the major.
   D. Remember that community college courses transfer to four-year colleges in terms of specific or elective credit depending upon the school and major selected. Refer to sample transfer programs on the following pages to determine if an example is offered for a particular major or institution. Refer also to the ASSIST (Articulation System Stimulating Interinstitutional Student Transfer) website at www.assist.org which is the official California statewide database listing a selection of campus-approved transfer agreements, general education requirements, and information on UC and CSU transferable courses and major preparation. Students are advised to contact a Saddleback College counselor for more information, and for details regarding other transfer agreements and options not available on ASSIST for your transfer college choice.
   E. Note any policies regarding the maximum number of units which may be transferable. A maximum of 70 transferable units completed at the community college level may be applied toward the total number of units required for a bachelor's degree by the University of California or the California State University. Subject credit for transferable courses in excess of 70 units may also be granted to satisfy university graduation requirements. Any courses accepted as equivalent to those offered in lower-division by the university completed at the community college, even if beyond the 70-unit maximum, will be applied where needed to meet specific lower-division major and/or general education/breadth requirements. Therefore, students are strongly advised to complete all courses designated as required lower-division preparation for the major prior to transfer, especially where admission to the major is contingent on completion of specific courses.

II. Students should also avail themselves of opportunities to meet with representatives of colleges and universities which are scheduled throughout the academic year in the Transfer Center.

III. Catalogs for the University of California and the California State University are available in the Career Center. The Career Center maintains catalogs from other institutions as well.

IV. Student Responsibility for Meeting Transfer Requirements: All students must assume complete responsibility for compliance with regulations and instructions set forth in university or college catalogs for their intended transfer institution, and for selecting the courses which will permit them to meet their educational objectives and for satisfying prerequisites for any programs or courses which they plan to take for transfer.

Transferable Coursework

Transferable courses are those designated for that purpose by the college or university offering the courses. Saddleback College certifies courses numbered 1 to 199 in the catalog as CSU-transferable.
A maximum of 70 semester (105 quarter) units earned in a community college may be transferred to the California State University; however, courses in excess of 70 semester units will receive subject credit and will be applied to satisfy content requirements as appropriate. No upper-division credit is allowed for courses taken in a community college.

Students transferring with certification of general education requirements are assured that they have met 39-units of the 48-unit minimum requirements for the bachelor’s degree. Students transferring without certification of general education must complete the pattern of courses required of “native” students, as outlined in the catalog of the particular CSU campus. The CSU G.E. course pattern which Saddleback College uses to certify that the student has met the required minimum of 39 semester units of general education is listed below.

Requirements for the Associate in Arts for Transfer (AA-T) or Associate in Science for Transfer (AS-T)

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an “associate degree for transfer”, a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor’s degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete a minimum of 60 required semester units of CSU-transferable coursework with a minimum GPA of 2.0. Students transferring to a CSU campus that does accept the AA-T or AS-T will be required to complete no more than 60 units after transfer to earn a bachelor’s degree (unless the major is a designated “high-unit” major).

This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements.

At the time of catalog publication, a student may earn an AA-T in Sociology, Psychology, Early Childhood Education, Communication Studies, History, and English or an AS-T in Geology and Math. Additional majors are being developed. Please see a counselor and www.saddleback.edu for more information.

The following is required for all AA-T or AS-T degrees:

1. Minimum of 60 CSU-transferable semester units.
2. While a minimum of 2.0 is required for admission, some majors may require a higher GPA. Please consult with a counselor for more information.
3. Completion of a minimum of 18 semester units in an “AA-T” or “AS-T” major as detailed in the Certificate and Degree section of the catalog. All courses in the major must be completed with a grade of C or better or a “P” if the course is taken on a “pass-no pass” basis (title 5 § 55063).
4. Certified completion of the California State University General Education-Breadth pattern (CSU GE Breadth) OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern.

Transfer Students and Certification of California State University General Education Requirements

(The Following Information is Subject to Change)

Courses on this list are approved for a specific academic year which begins with the Fall semester. Students wishing to use a course to meet a CSU G.E. Breadth requirement must be sure that the course is approved for the academic year in which it is taken. This list is valid through Summer 2014 and is subject to change. Students are advised to consult with a Saddleback College counselor when planning coursework.

Under provisions of CSU Executive Order 595, Saddleback College (SC) will certify completion of up to 39 of the 48 units required in general education. If SC certifies that you have completed courses from the following list approved for general education, the CSU campus to which you transfer will require you to complete the requirement in those sections in which you are not certified. You may be held only for additional courses required for “native” students, but you will not be required to complete more units than the difference between the amount certified and the total required.

After transfer, students must complete at least nine units of upper-division General Education courses in their junior or senior year.

No student will be eligible to petition for certification until a minimum of 12 units has been completed at Saddleback College.

AREA A: ENGLISH LANGUAGE AND CRITICAL THINKING — Three courses totaling a minimum of nine units are required. (Complete one course in Areas A1, A2, and A3 with a grade of “C” or better) A grade of C- is not accepted in Area A:

A1 Oral Communication — SP 1 or 5 (formerly 105)
A2 Written Communication — ENG 1A or 1AH
A3 Critical Thinking — One course from the following:
ENG 1B, 170; PHIL 12; SP 2, 3

AREA B: SCIENTIFIC INQUIRY AND QUANTITATIVE REASONING — At least nine units are required in Areas B1 through B4. (One course must be taken from Areas B1 and B2 [one of which must be a laboratory course designated B3 with an asterisk *], and one course from area B4):

B1 Physical Science
ASTR 1*, 20 (lab course when combined with ASTR 25), 21, 45, 145*
CHEM 1A*, 1B*, 2A*, 2B*, 3*, 8*, 12A*, 12B*, 20*, 108*, 120*
ENV 23* [F89], 120*
GEOG 1, 1L, 20
GEOG 2A*, 2B, [S07], 20*GS, 21, 23 [F89]
MS 1*, 4*, 20*
PHYS 2A*, 2B [F91], 3A*, 4A*, 4B*, 4C* [S07], 20*, 21*, 22*

B2 Biological Science
ANTH 1, 1L, 10A, 16* (formerly 110A)
BIO 3A* (1A* prior to F03, 5* prior to F94), 3B* (1B* prior to F03, 2* prior to F94), 3C* [S07], 6* (prior to F95), 11*, 12*, 15*, 16*, 18*, 19*, 20*, 22 (formerly 41), 24, 30, 31*, 40, 43, 113* (F03)
ENV 18*, 19*, 24* [F07]
HORT 20*
MS 3*
PSYC 3*

Underlined courses are no longer offered at Saddleback College.
B3  • Indicates a laboratory course

One science course MUST have a laboratory

B4 Mathematics

Courses applicable to Area B4 must be completed with a grade of “C” or better.

MATH 2, 3A, 3B, 3C, 4B, 5, 6A, 6B, 7, 8, 9, 10, 11, 12, 24, 26, 112, 122, 124, 128

PSYC 44

Underlined courses are no longer offered at Saddleback College

Note: An intermediate algebra course (MATH 122) completed prior to Fall Semester 1988 will be accepted by the CSU as meeting graduation requirements in general education.

AREA C: ARTS AND HUMANITIES — At least three courses totaling a minimum of nine units are required. (Complete one course from Area C1 and one course from Area C2. Complete a third course from either area):

C1 Arts

ARCH 12 (formerly 112)
ART 1, 4
ARTH 20 (formerly ART 20), 21 (formerly ART 21), 22 (formerly ART 22), 23 (formerly ART 23), 24 (formerly ART 24), 25 (formerly ART 25), 26 (formerly ART 26), 27 (formerly ART 27), 28 (formerly ART 28), 29 (formerly ART 29; formerly ART 27)
CTVR 3 (formerly CA 30), 5, 7, 9 (formerly CA 29)
DANC 64 (formerly PE/TA 64)
HORT 115

TA 30, 31

*Beginning Fall 1988

^Reinstated

Underlined courses are no longer offered at Saddleback College

AREA D: SOCIAL SCIENCES — At least three courses totaling a minimum of nine units are required. *Courses are to be selected from Area D1 through D0 in at least two areas:

D1 Anthropology

ANTH 2, 3, 5 (F08), 6, 8, 9, 10, 13 (S07), 14 (F09), ENV/SOC 22, ENV 36, HD 7, 15, HIST 26, 74 (prior to F90), HS 100 (prior to F86), 120 (prior to F86), SOC 100 (prior to F88), (HS 100, 120 prior to Fall 1986)

D2 Economics

ECON 2, 4 (formerly 1), 20 [MGMT 100 prior to F86], ENV 20, [F90], [F96], HD 15, 74, HS 100 (prior to F86), 120 (prior to F86), PS 9

D3 Ethnic Studies

ANTH 4, 7 (beginning S07); ENV 20, 21, HD 15; ES 1 (formerly CCE 1), 2 (formerly CCE 2), 3, 5, 10 (formerly CCE 10); HIST 20, 24 (prior to S89); 33 (beginning F01), 74, 81; HS 100 (prior to F86), 120 (prior to S86); MGT 100 (prior to F88); PSYC 16B (formerly 116); SOC 4, 5 [F90]; 6, 20, 100 (prior to S88)

D4 Gender Studies:

ANTH 21; ENV 35, HD 7, 15, HIST 21, 26, HS 120 (prior to F86); PS 9, 21, PSYC 21, SOC 21, 100 (prior to F88); WS 10, 21, 31, 40

D5 Geography

GEOG 2, 3, 18, HD 26, 74; HS 100 (prior to F86), PS 9, SOC 100 (prior to F88)

D6 History

HIST 7, 8, 9, 10 (S07), 11, 12, 15 (S07), 16, 17, 18, 19, 22, 25, 27, 28, 30, 31, 32, 40, 41, 46, 60, 62 (F03), 63 (F03), 70, 71, 72, 74, HD 15; HS 100 (prior to F86)

D7 Interdisciplinary, Social or Behavioral Science

ANTH 20/SP 20 (formerly 109); CTVR/1RN 1 (F05); ECON 6/ENV 6; ENV 1; HIST 20, 29; HS 100 (prior to F10), 74, 75/PS 75, 80; PS/ECON 11 (prior to F09); PSYC 30/V SOC 30; SP 109

D8 Political Science

PS 1, 2, 4, 10 (S07), 12, 14; PS/ECON 11, PS 17

D9 Psychology

PSYC 1, 2, 3 (prior to F12), 4, 5 [S05], 7 (prior to F07), 10, CD 107 (formerly CD 7), 16# (formerly 116) (S07), 33 (S07), 37 (S07)

D0 Sociology

SOC 1, 2**, 5**, 10, 15, CD 105 (formerly CD 15), 25 (F05), 120 (prior to F88)

#PSYC 16 (formerly 116) either D3 [F93] or D9 [F07]

‡Course listed in more than one area, but shall not be certified in more than one area.

**Retroactive F91

Underlined courses are no longer offered at Saddleback College

+Note: CSU Graduation Requirement in U.S. History, Constitution and American Ideals: This CSU requirement can be met prior to transfer by completing PS 1 from Area D8 and one U.S. History course in Area D6 selected from: HIST 7, 8, 16, 17, or 22. Courses taken to meet this requirement can also be used for 6 of the 9 units required in Area D above.

AREA E: LIFE LONG UNDERSTANDING AND SELF DEVELOPMENT (3 units are required to complete Area E. A maximum of 2 units of KNES/PE activity courses are permitted):

APSY 140, 145, 150, 151, 160, 162, 163, 165
BUS 116 (F02)
CD 107‡ (formerly CD7)
FASH 141 (formerly CFR/FTS 140)
FCS 115, 140 (prior to F07), 142 (F97)
FN 50, 64
HLTH 1, 3; HLTH/HSC 105, HSC 120
HS 175 (beginning F95)
IDS 107
KNES/KNEA (for PE or PESS see www.assist.org) The following courses are accepted beginning F09 unless indicated otherwise: 107 [F06], or select one from: KNES 1 [F06], 2 [F06], 3 [F06], 4 [F06], 5 [F06], 6 [F06], 7 [F06], 8 [F06], 9 [F06], 107, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28 [F06], 29 [F06], 30, 41, 45, 50 [F06], 63, 70, 71, 72, 74, 76, 77, 78, 79, 80, 90 [F06], 93 [F06], 94 [F06], or DAN C 63 (formerly PE/TA 63); or KNEA 1 [F06], 2, 4, 5, 6, 107 [F06]
N 165
PSYC 5 ‡ (F05), 7‡ (F05), 33‡
SPS 100, 110
WS 30, 100, 120, 135
‡ Course listed in more than one area, but shall not be certified in more than one area.
Underlined courses are no longer offered at Saddleback College

Certification of CSU General Education Requirements

No student will be eligible to petition for certification of the CSU General Education requirements until a minimum of 12 semester units have been completed at Saddleback College.

Saddleback College will certify coursework completed at another California community college or any institution that participates in certifying general education coursework to the CSU, including CSU campuses other than the one to which the student is transferring, only if the courses are on the approved CSU general education list at the college where they were completed in the year when taken. Such a course will be certified in the General Education-Breadth area that is shown on the official certification list for the institution at which it was taken.

When coursework has been taken at a regionally accredited institution that does not maintain a CSU certification list, Saddleback College can certify coursework on a California State University or an approved California Community College general education course list or approved by Saddleback College faculty as meeting CSU general education-breadth certification standards.

Coursework from Irvine Valley College or other community colleges with the same course number and/or title may not always be certified in the same category at Saddleback College for CSU G.E. Certification. Also similar coursework from accredited independent or private colleges will not always be certified unless the course content is deemed equivalent.

Students meeting area requirements may petition for partial certification in one or more of the areas (i.e., Area B, C, D, or E), but the college will not certify course requirements short of an entire area. The institution to which a student transfers will require completion of the requirement in those sections which are not certified and may require additional specific courses as required of native students.

IMPORTANT:

In general, courses listed as preparation for the major may also be applicable to general education requirements. Students should refer to the catalog of the institution offering their intended major to determine lower-division major requirements as well as those which are recommended or required in preparation for the major, and the transfer pattern section of the Saddleback College catalog for examples.

Also refer to ASSIST at www.assist.org which is the official California state-wide database listing a selection of campus-approved articulation/transfer agreements, general education requirements, and information on UC and CSU-transferable courses. Students are advised to contact a Saddleback College counselor for more information, and for details regarding other transfer agreements and options not available on ASSIST for your transfer college choice.

University of California

(Refer to the California CSU/UC map)

Priority Application Filing Periods

Fall Quarter: November 1-30
Winter Quarter: July 1-31
Spring Quarter: October 1-31
UC Berkeley accepts applications for Fall only
Fall Semester: November 1-30

For further information regarding the application and admissions process, refer to the UC's online undergraduate application website at www.universityofcalifornia.edu

Eligibility for Transfer

California Residents: To qualify for admission to the University as a transfer student, a student must meet one of the following three sets of requirements. The pathway a student follows depends upon whether they were eligible for admission to the UC when they graduated from high school. California residents must have at least a “C” (2.0) average in all transferable college coursework.

1. Students who were eligible for admission to the University when they graduated from high school [meaning they satisfied the Subject, Scholarship, and Examination requirements, or were identified by the University during the senior year in high school as eligible under the Eligibility in the Local Context (ELC) program], are eligible to transfer if they have a “C” (2.0) average in transferable coursework.

2. Students who met the Scholarship Requirement but not the Subject Requirement must take transferable college courses in the missing subjects, earning a “C” or better in each required course, and have an overall “C” (2.0) average in all transferable college coursework to be eligible to transfer.

3. Students who were not eligible for admission to the University when they graduated from high school because they did not meet the Scholarship Requirement must:

   A. Complete 60 semester units or 90 quarter units of transferable college credit with a grade-point average of at least 2.4, with no more than 14 semester (21 quarter) units completed on a credit/no credit basis AND

   B. Complete the following course pattern requirement, earning a grade of “C” or better in each course:

      1) two transferable college courses (3 semester or 4-5 quarter units each) in English composition; and

      2) one transferable college course (3 semester or 4-5 quarter units) in mathematical concepts and quantitative reasoning; AND

      3) four transferable college courses (3 semester or 4-5 quarter units each) chosen at least two of the following subject areas: the arts and humanities, the social and behavioral sciences, and the physical and biological sciences.

(Students who satisfy the Intersegmental General Education Transfer Curriculum (IGETC) prior to transferring to UC may satisfy Option 3B above of the transfer admission requirements.)

Nonresidents: The minimum admission requirements for nonresidents are very similar to those for California residents. However, nonresidents must have a grade point average of 2.8 or higher in all transferable coursework. Students are advised to consult with
Introduction to the UC campus of choice for details and specific requirements.

If the number of applicants exceeds the spaces available for a particular campus or major — as is often the case — the campus uses criteria that exceed the minimum requirements to select students. Meeting the minimum requirements, therefore, is not enough to gain admission to many UC campuses and programs. The average grade-point average varies widely by campus and by major.

Community College Transfer Priority Admission

UC campuses give priority consideration for admission to California community college students. A California community college student applying for admission to the University of California in advanced standing will be given priority admission over all other applicants if:

1. you were enrolled at one or more California community colleges for at least two terms (excluding summer sessions);
2. the last college attended before admission to a UC campus was a California community college (excluding summer sessions); and
3. you have completed at least 30 semester (45 quarter) UC-transferable units at one or more California community colleges.

Program Planning for Transfer to a UC Campus

Students planning to transfer to the University of California must keep the following requirements in mind when selecting courses:

1. Admission/Major Requirements:
   As indicated above, the University has a common set of requirements which specify minimum eligibility for admission as a transfer student. However, several campuses have additional requirements that may go well beyond minimum eligibility requirements, particularly where the number of applications exceeds the number of spaces available. Students should give first priority toward completing all lower-division requirements for the major. In many cases, completing a portion of the major requirements is essential to gain admission to the major at the junior level.

2. General Education/Breadth:
   Each school and college at every UC campus has its own general education, or breadth requirements designed to give students a broad background in a variety of academic areas. Students have the option of (1) completing the campus specific breadth requirements or (2) completing the Intersegmental General Education Transfer Core Curriculum (IGETC) outlined in the following section of this catalog.

A minimum of 120 units (180 quarter units) is required to complete a baccalaureate degree from the University of California. The University will award graduation credit for up to 70 semester (105 quarter) units of transferable coursework from a community college. Courses in excess of 70 semester units will receive subject credit and may be used to satisfy University subject requirements. Some campuses have limits on the number of transfer units that will be accepted. If your community college work is combined with credit from a four-year institution, there might be a problem. Please consult the Admissions Office at the UC campus that interests you.

In general, no UC course credit is given for a course completed after a more advanced course is completed in the same subject matter.

Courses Accepted for Transfer to the University of California

(Information Subject to Change)

The University of California Office of the President (UCOP) annually reviews Saddleback College course offerings to determine which courses are similar in nature, scope, and content to UC offerings. Saddleback College's UC-transferable course listings are available on ASSIST at www.assist.org. Saddleback College courses which do not appear on the UC Transfer Course Agreement (TCA) and are numbered from 1 to 99 are either pending UC transfer credit review by the UC Office of the President, or were not approved as UC-transferable. Consult with a Saddleback College counselor and refer often to ASSIST at www.assist.org.

IGETC — The Intersegmental General Education Transfer Curriculum

(Information Subject to Change)

The Intersegmental General Education Transfer Curriculum (IGETC) is a series of courses that community college students can use to satisfy lower-division general education requirements at any campus of the University of California (UC) or California State University (CSU). The IGETC will permit a student to transfer from Saddleback College to a campus in either of these university systems without the need, after transfer, to take additional lower-division general education courses to satisfy campus general education requirements.

Completion of the IGETC is not a requirement for admission to a CSU or UC campus, nor is it the way to fulfill the lower-division general education requirements of CSU or UC prior to transfer. The IGETC is most advantageous for transfers who have not yet decided on a major or a campus. Once a student has identified a major, it is important to work toward fulfilling any required preparatory courses—particularly in those professional or “high unit” majors that select applicants on the basis of satisfaction of lower-division major requirements. It is important to note that this does not preclude a student from following IGETC. However, IGETC should not be done to the exclusion of completing any preparatory courses needed for admission to the major.

It is not advisable for transfers to engineering and science majors at any UC campus to use IGETC. Students entering “high unit” majors, such as those in the sciences, must be careful to complete any needed lower-division major preparation. For example, majors in the sciences not only have specific science prerequisites, but also substantial mathematics requirements. Some majors specifically prohibit the use of IGETC.

Courses on the following IGETC list are approved for the 2013-2014 academic year and are subject to change. Students wishing to use a course to meet an IGETC requirement must be sure that the course is on the list during the academic year it is taken. For example, in the course listing below, CTVR 3[F’94] denotes that this course must have been completed in the Fall 1994 semester or later to receive IGETC credit.

All courses for IGETC must be completed with a grade of “C” or better. Grades of C- will not apply in any category.

AREA 1 — ENGLISH COMMUNICATION

A. English Composition: ENG 1A or 1AH
B. Critical Thinking-Composition: ENG 1B completed Summer 1992 or after.
Because courses in this category must meet criteria reviewed by an intersegmental faculty committee, it is highly unlikely that courses taken at an institution other than a California community college will apply. The course must have been certified in the year when completed.

C. Oral Communication: SP 1 (required for CSU transfers only)

AREA 2 — MATHEMATICAL CONCEPTS AND QUANTITATIVE REASONING

(1 course required):

Math 2**, 3A*, 3B, 3C (formerly 4A), 4B, 6A, 6B, 7**, 8**, 9, 10, 11**, 24, 26, Psychology 44.

AREA 3—ARTS and HUMANITIES

(at least three courses, nine semester units)

Select one course from the Arts, and one from the Humanities, and a third from either area.

A. Arts courses:

ARCH 12 [S07], Art 4, ARTH 20 (formerly ART 20), 21 (formerly ART 21), 22 (formerly ART 22) [F94], 23 (formerly ART 23) [F94], 24 (formerly ART 24) [F96], 25 (formerly ART 25), 26 (formerly ART 26), 27 (formerly ART 27), 28 (formerly ART 28), 29 (formerly ART 29) [F02]; CVTR 3 [F94] (formerly CA 30), 3, 5, 9 (formerly 29 [S07]); DANC 64 (formerly 26) [F01], MUS 20 B, 21A, 22 (formerly 21) [F95], 23 (formerly 21B prior to F95); ENG 15A, 15B, 17A, 17B, 18, 19, 20, 21A, 21B, 21C (formerly 21 prior to F95), 22 (formerly 21 prior to F03), 23, 3B [F94], 24 [F95], 25, 27A, 27B, 27C, 27D, 27E, 27F, 31 [F02], 35 [F92], 44 [F95], 46, 47, 50, 52 [F97], 54 [F95], 56 [F95], 6**. 20 [F94], 24 [F94], 25, 26, 27 [F94], 28 [F94], 29 [F94], 50, 51, 60; PSYC 25 [F94]; TA 20, 21, 25, 26.

B. Humanities courses:

ARAB 2 [F10], 3 [S07], 4 [S07], 21 (formerly 29 [F95]), CHI 2 [F10], 3 [F07], 4 [F07], 21 [F95], ENG 15A, 15B, 17A, 17B, 18, 19, 20, 21A, 21B, 21C [F95], 21D [F95], 21E [F95], 23A [F95], 23B [F95], 24 [F95], 25, 27A, 27B, 27C, 27D, 27E, 27F, 31 [F02], 35 [F92], 44 [F95], 46, 47, 50, 52 [F97], 54 [F95], 56 [F95], 6**. 20 [F94], 24 [F94], 25, 26, 27 [F94], 28 [F94], 29 [F94], 50, 51, 60; PSYC 25 [F94]; TA 20, 21, 25, 26.

LANGUAGE OTHER THAN ENGLISH (required for UC transfers only): Proficiency equal to two years of study in one foreign language in high school with grades of “C-” or better. (An official copy of the high school transcript must be on file in Admissions and Records at Saddleback College; or select one course from the following: ARAB 1 [F02], 2 [F03], 3 [F07], 4 [F07]; CHI 1, 2 [F03], 3 [F07], 5 [F03], 6 [F03]; GER 1, 2, 3 [F98], 4, 5, 6, 7 [F98]; HIST 29, 62 [F03], 63 [F03], 70*, 71*, 60 [F92], 61 [F92], HIST/SOC 20, HIST 21 [F92], 22**, 23 [F94], 24 [F94], 25, 26, 27 [F94], 28 [F94], 29 [F94], 50, 51, 60; PSYC 25 [F94]; TA 20, 21, 25, 26.

^Underlined courses are no longer offered at Saddleback College

 Unable to generate a natural text for this page due to the complexity and nature of the information provided.
7. (a) Official records which verify completion, with "C" grades or better, two years of formal schooling at the sixth-grade level or higher in an institution where the language of instruction is not English; or
(b) If secondary school was completed in a non-English-speaking country and the language of instruction at the secondary school was not English, LOTE can be certified for IGETC. The student must present official documentation of attendance at the secondary school.

Underlined courses are no longer offered at Saddleback College

U.S. HISTORY, CONSTITUTION, AMERICAN IDEALS (CSU GRADUATION REQUIREMENT ONLY):
Students transferring to a CSU campus should complete HIST 7* or 8* or 16* or 17* or 22* and PS 1* to meet the American Institutions Requirement in addition to minimum IGETC requirements. Application of the above courses to area 4 as well as to the American Institutions and Ideals requirement is at the discretion of the CSU campus.

*Course may be listed in more than one area but shall not be certified in more than one area.

** Indicates that UC course credit may be limited. No credit may be given for an introductory course if taken after a more advanced college course, e.g., BIO 20 or GEOL 20. Credit may be limited for courses with overlapping content, e.g., HIST 7, 8, 16, 17, and 22 or MATH 2, 7, and 8. Refer to the “Courses Accepted for Transfer to the University of California” listing in this section of the catalog, and ASSIST at www.assist.org and the Counseling Services office at Saddleback College for additional information.

Note: Courses listed above were approved at the time of catalog publication. Because additional courses may be approved and requirements for subsequent years are subject to change, check with the Counseling Services office at Saddleback College for the latest information.

Certification of IGETC Requirements
It is important to remember that coursework taken at other certifying community colleges will be certified only in areas certified by the community college where the course was completed on an approved California Community College course list in the year it was taken. Courses completed at non-certifying colleges and universities will be certified only when deemed equivalent to courses on approved California Community College course list or approved by Saddleback College faculty as meeting IGETC content and rigor standards.

Note: Coursework from Irvine Valley College or other community colleges with the same course number and/or title may not always be certified in the same category at Saddleback College for IGETC. Also similar coursework from accredited independent or private colleges will not always be certified unless the course content is deemed equivalent to courses on approved California Community College course list or approved by Saddleback College faculty as meeting IGETC content and academic rigor standards.

Partial Certification of IGETC Requirements
Student may be partially certified if deficient no more than two courses. If partially certified, the student has the option of completing the one or two remaining courses at another community college or at the transfer institution until the beginning of the second year of transfer. Warning: Students need Area 1 and 2 completed to meet minimum transfer admission requirements. Therefore, partial certification that acknowledges a deficiency in Area 1 and/or 2 may also indicate a student does not meet minimum transfer requirements.

University of California General Education Breadth Requirements
As previously indicated, each University of California (UC) campus has unique graduation requirements. Articulation agreements listing equivalent Saddleback courses meeting general education breadth requirements for UC campuses are available in the Counseling Services office or refer to ASSIST website at www.assist.org

Articulation agreement information regarding course-to-course and major requirements for UC campuses is also available on ASSIST.

University of California Transfer Admission Programs
The UC campuses offer a variety of programs in support of transfer admission, particularly for community college students. Inquire in the Counseling Services office or the Transfer Center for information regarding the Transfer Admissions Guarantee (TAG) program with all UC campuses except UC Berkeley and UC Los Angeles. In addition, students completing the Honors Program at Saddleback College are eligible for priority or guaranteed admission to participating UC campuses such as UC Irvine (Honors to Honors Program), or UC Los Angeles (Transfer Alliance Program).

For more information on available Honors UC transfer admissions programs, visit the Saddleback College Honors Program website: www.saddleback.edu/ap/hon/transfer or contact the Transfer Center.

Independent California Colleges and Universities
There are over 77 fully accredited independent colleges and universities currently affiliated with the Association of Independent Colleges and Universities (AICCU) providing a host of options at undergraduate, graduate, and professional levels for students planning to continue their education beyond Saddleback College. There are many other private colleges and universities which are not affiliated with AICCU as well. Admissions policies vary widely from one school to another, and virtually all institutions give full credit for general education courses and usually for courses designated for transfer by the community college. A good rule to follow for independent colleges as well as for out-of-state institutions is to expect full credit for courses which are parallel in scope and content to courses offered for credit to lower-division “native” students at those institutions. Articulation agreements for many independent institutions are available in the Counseling Services office.

Independent colleges are flexible in admission policies and in awarding credit. They invite interested students to make an appointment with their Office of Admissions in order to discuss transfer opportunities on a personal basis.

Financial aid may be a primary factor in considering attending an independent college. Many students cut the cost in half by attending the community college for the lower-division program. Information on financial aid is available from financial aid offices on independent college campuses as well as in the Financial Aid office at Saddleback College.

Students are advised to refer to the AICCU’s website at www.aiccu.edu

The following examples are illustrative of the variability of general education options for representative campuses accepting IGETC (IGETC/UC and/or IGETC/CSU options) and/or the CSU G.E. Certification pattern. The options listed for the example campuses are based upon information available at the time of catalog publication and are subject to change.

*Campus preferred option
+Requires additional G.E. requirements. For details, refer to the catalog for the college of choice, or contact the Counseling Services office at Saddleback College.

Students are advised to refer to the transfer college of choice catalog, website, and contact their admissions office for details regarding campus-specific general education requirements and options.

Transfer Information Online

The following websites provide detailed information on the transfer process to the University of California and California State University systems.

www.assist.org

ASSIST is the official California statewide database listing a selection of campus approved transfer agreements, general education requirements, and information on UC and CSU transferable courses. It is recommended that students contact a Saddleback College Counselor for more detailed information on utilizing ASSIST information in their academic plan.

www.csumentor.edu

The official Cal State University site contains a wealth of information about all 23 CSU campuses including academic requirements, financial aid and the online admissions application.

http://admission.universityofcalifornia.edu

University of California information and online application.

www.california colleges.edu

Developed in collaboration with the California State University (CSU) and University of California (UC) to allow students to obtain information about higher education opportunities in California.
Announcement of Courses

Course Numbering System Defined

Unless exceptions are noted following the course description in the college catalog, the following numbering system governs the applicability of courses toward completion of programs.

Grade Point Averages (GPA) are computed on degree applicable courses numbered 1 through 299.

1-299 Courses intended for associate degrees, occupational skills awards, and transfer purposes.

1-99 Courses which are parallel to baccalaureate-level courses that generally transfer to both CSU and UC. Exceptions to this rule are noted following the course description; in such cases, students should refer to the UC Course Agreement for details regarding credit limitations. UC transferable courses do not necessarily apply toward major credit. Students should consult a counselor and/or visit www.assist.org for information about course articulation for a particular major.

100-199 Courses which are parallel to baccalaureate-level courses that generally transfer to CSU but not to the UC.

200-299 Courses that are typically intended for certificate and associate degree programs or for skill development related to both basic skills and employment. Courses from several disciplines may be offered in this category of interest and provide value to all ages, but particularly to the mid-life and older-adult student. Course content is related to both skill development and acquisition of knowledge for second-career and personal development. These courses may occasionally carry transfer credit to four-year institutions, however, the receiving institution makes the determination whether to accept the course.

300-399 Basic skills courses. Courses in this range completed Fall 1988 and later are not applicable to associate degrees or certificates, nor do they carry transfer credit to four-year institutions. These courses do not count toward the 60-unit requirement for graduation and are not used in calculating students’ grade point averages for associate degrees or certificates. A state-imposed restriction limits students to taking no more than 30 units of basic skills courses.

400-499 Courses which generally provide vocational training but are not degree applicable. Many of these courses are open-entry/open-exit and/or are scheduled for less than a full semester.

800-999 Courses which generally provide learning center hours that require concurrent enrollment in a designated course. These courses are traditionally offered in conjunction with English as a Second Language (ESL) and International Language courses to provide enhancement and practice skill in the associated course.

Prerequisites, Corequisites, Limitations, and Recommended Preparations

Prerequisites, Corequisites, and Limitations on Enrollment are enforced as conditions of enrollment. Failure to comply with these stated requirements may result in a student being involuntarily dropped from a course in accordance with Title 5.

Prerequisite means a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. In accordance with Title 5 (§55200(d)) prerequisite courses must be completed with a satisfactory grade (A, B, C, P, or CR) in order to enroll in the course requiring the prerequisite. State laws require the enforcement of prerequisites therefore a student will be blocked from enrolling or dropped from a course if the student has not met the stated prerequisite. As of Fall 1995, any student enrolling in a designated course with a prerequisite must show evidence of completion of the prerequisite course or the equivalent with a satisfactory grade or complete the appeals process. For further information, contact the Matriculation Office.

Corequisite means a condition of enrollment that requires a student to concurrently enroll in one course as a condition of enrollment in another course. Corequisites are enforced and a student will be blocked from enrolling in a course if they do not simultaneously enroll in its stated corequisite course.

Limitation on Enrollment means a condition of enrollment which limits how students qualify for a particular course or program. Limitations on enrollment include auditions, physical examination by a doctor, and/or admission to particular program. Limitations on enrollment are enforced and a student will be blocked from enrolling if the stated limitation has not been met.

Advisory or Recommended Preparation means a condition of enrollment that a student is advised, but not required, to meet prior to or in conjunction with enrollment in a course or education program. Students who have had training or experience which they feel is equivalent to the recommended preparation may enroll in the course level appropriate with their experience. Concerns about enrolling in courses with recommended preparation should be discussed with the instructor, dean, or a counselor.

Coursework Standards and Expectations

In a lecture class, the preponderance of the student’s work is done outside of class — e.g., reading, working on assignments, writing papers, preparing for class, and/or performing other required homework or coursework. A typical three-unit lecture class requires at least six additional hours of student work per week.

In a laboratory class, the majority of the student’s work is done in class. A lab class may require additional hours of student work per week.

In a learning center, virtually all of the student’s work may be done in class.

In all cases, students carrying a full-time class load of 15 units should expect average workloads of 45 hours per week, inclusive of time spent in class.

Repeatable Course Models

(Also see Course Repeatability and Repetition in the Registration and Academic Regulations sections of this catalog)

State regulations (Title 5, sections 55040-55045) restrict the number of times a student may enroll in a course within a community college district. Most credit courses are designated as “non-repeatable” in accordance with Title 5 whereby limiting students to a single enrollment if the student receives a satisfactory grade (A, B, C, P, or CR) or an Incomplete; if a student received a substandard grade (D, F, or NP (NC)) in a non-repeatable course they may enroll in the course again to alleviate that substandard grade. Students are limited to a maximum of three enrollments in non-repeatable courses. Any enrollments beyond the student’s initial enrollment are only permitted to alleviate a substandard grade; once a satisfactory grade has been earned the student will be ineligible to enroll in the course again. A student may request to have the substandard grade disregarded in the computation of their
ENG 210
WRITING CENTER
0.5 Unit; 1.5 hours learning center

The Writing Center is designed to be taken in conjunction with any college course requiring written assignments inclusive of but not limited to, courses in the social and behavioral sciences; liberal arts; health sciences; and fine arts. Emphasizes individualized instruction and writing skills. Specific course content varies with student need and ability. This course is offered as an open-entry/open-exit course. This course is offered on a pass/no pass basis.

FR 2
ELEMENTARY FRENCH
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: FR 1 or two years of high school French
Corequisite: FR 902

Designed to further the fundamentals of communicative competence in daily spoken French. Although the focus remains on listening comprehension and speaking, reading and writing skills will be expanded. This course continues the familiarization with customs and cultural achievements begun in the previous semester. NR

IA 1
MEN’S FOOTBALL
2 Units; 10 hours lab
Transfers: CSU, UC

Limitation: Physical examination and be declared fit for athletics by a medical doctor (MD).
Recommended Preparation: Previously competed at the high school, community college, or 4-year college in interscholastic or intercollegiate football.
Student athletes will train and participate in Intercollegiate Football. R-E-3

Repeatable models are as follows:

Model A (R-A): These are separate and distinct courses in a skill-building sequence. Any combination of courses within the sequence (beginning, intermediate, advanced) may be taken a maximum of four times combined.

Model E (R-E): A course with this designation has one course number and title but has a different syllabus each time it is offered. The course may be taken a specified number of times (not to exceed four) to afford development through supervised practice or group assignments.

Model I (R-I): These courses often have a number of versions with varying unit values. A student may repeat the course up to the maximum number of units as specified in the course description in the catalog.

R-99: Non-credit courses; these primarily include continuing education courses for older adults (Emeritus Institute).

NR: The course may not be repeated.

Reading Course Descriptions

If no prerequisite is noted, none is required; and any student may enroll in the course.

Units of credit.

Prerequisite: mastery of subject at a certain level is necessary for success in this class.

Corequisite: concurrent (simultaneous) enrollment in or prior successful completion of a companion course and/or lab is required.

Limitation on enrollment: special conditions apply for entry into a course.

Weekly class hours (lecture, laboratory, and/or learning center).

The term “open-entry/open-exit” refers to courses in which students enroll at different times and complete at various times or at various paces within a semester.

Course may not be taken for a letter grade.

Course may not be repeated.

Limitation on course repeatability and credit accumulation.

Recommended preparation: certain preparation is advised, although not required before students enter the course.
Accounting

ACCT 1A
FINANCIAL ACCOUNTING
4 Units; 5 hours lecture
Transfers: CSU, UC
This is the study of accounting as an information system, examining why it is important, and how it is used by investors and creditors to make decisions. The course coverage includes the accounting information system and the recording and reporting of business transactions with a focus on the accounting cycle, the application of generally accepted accounting principles, the classified financial statements, and statement analysis. It also includes issues relating to asset, liability, and equity valuation, revenue and expense recognition, cash flow, internal controls and ethics. NR

ACCT 1B
MANAGERIAL ACCOUNTING
4 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: ACCT 1A
The study of the use and reporting of accounting data for managerial planning, cost control, and decision making purposes. Includes broad coverage of concepts, classifications, and behaviors of costs. Topics include cost systems, the analysis and use of cost information, cost-volume-profit analysis, contribution margin, profit planning, standard costs, relevant costs and capital budgeting. NR

ACCT 120
INTRODUCTION TO FINANCIAL PLANNING
3 Units; 3 hours lecture
Transfers: CSU
Major topics include money and credit management, comprehensive insurance coverage, and analyzing and developing management tools and strategies for personal investing. Covers investing in common and preferred stock, government and corporate bonds, mutual funds, real estate, and other financial securities. Lifelong financial planning, pension, retirement, and estate planning issues are addressed. Covers the structure and operation of financial markets as well as financial and investment information gathering. The effects of achieving/not achieving financial security on psychological and physiological health is examined. NR

ACCT 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

ACCT 202A
INTERMEDIATE ACCOUNTING I
3 Units; 3 hours lecture
Prerequisite: ACCT 1A
Recommended Preparation: ACCT 1B
Review of fundamental accounting processes; in-depth studies of working capital involving cash and temporary investments, receivables, inventory evaluation procedures and current liabilities; stock investments. NR

ACCT 202B
INTERMEDIATE ACCOUNTING II
3 Units; 3 hours lecture
Prerequisite: ACCT 1A
Recommended Preparation: ACCT 202A
Continued in-depth studies of noncurrent assets and liabilities including investments in bonds, bond redemption funds; plant and equipment acquisition; use and retirement problems; paid-in capital and retained earnings; analytical processes relating to statement analysis, comparative data, ratios, and measurements; funds-flow and cost-flow reporting. NR

ACCT 203
COST ACCOUNTING
3 Units; 3 hours lecture
Prerequisite: ACCT 1B
Survey of cost accounting; job-order, process, and standard cost concepts; emphasis on costing methods for materials, labor, and factory overhead; preparation and analysis of financial statements rendered from cost data. NR

ACCT 214
BUSINESS ANALYSIS AND CALCULATIONS
3 Units; 3 hours lecture
Reviews mathematics to solve typical business problems including simple interest, compound interest, installment sales, trade and cash discounts, markup percents, pricing, discounting notes and drafts, depreciation, taxes, insurance, statistics, stocks and bonds, and distribution of ownership and profits. NR

ACCT 215
GENERAL ACCOUNTING
3 Units; 3 hours lecture
Basic theory and principles of elementary accounting applicable to a single-proprietorship business. Practical application of accounting theory to the accounting cycles of service and merchandising business enterprises: bookkeeping practice; debit and credit practice; books of original entry; ledgers, working papers, adjusting and closing entries; income statement, balance sheet, and statement of owners’ equity, cash, payroll, special journals, merchandising firms. Recommended for students needing a bookkeeping foundation before enrolling in ACCT 1A, and for retailing, sales and merchandising, and office administration majors. NR

ACCT 216
INDIVIDUAL INCOME TAX
4 Units; 4 hours lecture
Recommended Preparation: ACCT 1A
Provides an introduction to Federal and California state income tax rules and regulations. Practical applications of the Internal Revenue Code and Franchise Tax Board rules and regulations pertaining to the taxation of individuals are presented. NR

ACCT 217
PARTNERSHIP AND CORPORATE TAXATION
3 Units; 3 hours lecture
Recommended Preparation: ACCT 1A and 216
Designed to provide an introduction to Federal and California state corporate and partnership income tax rules and regulations. Practical applications of the Internal Revenue Code and Franchise Tax Board rules and regulations pertaining to the taxation of partnerships and corporations are presented. NR

ACCT 221
ACCOUNTING INFORMATION SYSTEMS
3 Units; 3 hours lecture
Prerequisite: ACCT 1B
Familiarization to accounting information systems development process. Analysis, design, development, and implementation of accounting information systems. Automation of accounting information systems studied through the use and application of computers. NR

ACCT 235
ENTREPRENEURIAL ACCOUNTING
3 Units; 3 hours lecture
Basic accounting course for the entrepreneur that provides the participant with financial statement analysis, taxes and the implications to decision-making. Assist in determining financing needs and options to facilitate continued operations as well as future growth. Assist in determining the appropriate computer hardware and software system necessary for the accounting needs of the business. The student will learn the necessary skills to use accounting software to set up account and manage the financial aspect of the business. NR

ACCT 275
AUDITING
3 Units; 3 hours lecture
Prerequisite: ACCT 1B
Recommended Preparation: ACCT 202A
Examines the use of financial statement audits and details the audit process. Topics include professional responsibilities of auditors, audit design, sampling approaches, substantive testing, and testing controls. NR
ACCT 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

Anthropology

ANTH 1
BIOLOGICAL ANTHROPOLOGY
3 Units; 3 hours lecture
Transfers: CSU, UC
An introduction to the study of human evolution and human variation. Topics include evolutionary theory, molecular, Mendelian and population genetics, primate evolution and behavior, fossil evidence, human variation, and the evolution of human behavior. NR

ANTH 1L
BIOLOGICAL ANTHROPOLOGY LABORATORY
1 Unit; 3 hours lab
Transfers: CSU, UC
Prerequisite: Must be taken concurrently with ANTH 1 or within one year after completing ANTH 1.
An introductory course in micro-macro evolutionary theory, primatology, and the paleoanthropological fossil record. Primary focus is on human variation and evolution. This course provides students with a detailed study of material discussed in the biological anthropology lecture class that include lab practicum on human skeletal anatomy, comparative anatomy of hominin species and extinct and extant species of primates. NR

ANTH 2
CULTURAL ANTHROPOLOGY
3 Units; 3 hours lecture
Transfers: CSU, UC
An introduction to the comparative study of culture and society. Includes an examination of human universals and diversity in cultures around the world. Topics include social structure, religion, ritual, family life, economics, and political organization. NR

ANTH 3
CULTURE AND LANGUAGE
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: ANTH 2
An examination of the complex relationship between culture and language. Topics include the structure of language, language acquisition, the origin of language, bilingualism, non-verbal communication, language change, and linguistic diversity. NR

ANTH 4
NATIVE AMERICAN INDIAN CULTURES
3 Units; 3 hours lecture
Transfers: CSU, UC
An introduction to and broad survey of Native American cultures within the borders of the United States. Examines the histories and cultures of Native Americans from the pre-conquest period to the present. Topics include religious beliefs, socio-political organization, representations of Indians, and Indian-white relations. NR

ANTH 5
ANTHROPOLOGY OF LATIN AMERICA: CULTURE, IDENTITY, AND POWER
3 Units; 3 hours lecture
Transfers: CSU, UC
An overview of key issues in the anthropology of Latin America, with an emphasis on cultural practices, identity formation, and the exercise of power. Major themes include the intersection of race, class, and gender; violence and terror; forms of transgression; and resistance and change. NR

ANTH 6
GLOBAL ISSUES IN ANTHROPOLOGICAL PERSPECTIVE
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: ANTH 2
Explores anthropological perspectives on issues of importance in an increasingly global society. Topics include culture contact, culture change, ethnic conflict, religion and religious diversity, development and globalization. NR

ANTH 7
INDIANS OF SOUTHERN CALIFORNIA
3 Units; 3 hours lecture
Transfers: CSU, UC
An overview of the history and interdisciplinary nature of the edge of the human past. Includes a discussion of the history and interdisciplinary nature of archaeological research; dating techniques and methods of survey, excavation, and analysis; cultural resource management, and selected cultural sequences. NR

ANTH 8
WORLD PREHISTORY
3 Units; 3 hours lecture
Transfers: CSU, UC
An introduction to archaeology and the prehistory of humankind from the earliest traces of hominid evolution to emergence of state-level societies. Explores prehistoric human behavior and its variability over the past five million years emphasizing major prehistoric events such as the origin of modern humans, the Upper Paleolithic, the advent of agriculture, and the rise of social complexity. NR

ANTH 9
INTRODUCTION TO ARCHAEOLOGY
3 Units; 3 hours lecture
Transfers: CSU, UC
An introduction to the study of concepts, theories, and methods of anthropological archaeology, and a review of significant data and models that contribute to knowledge of the human past. Includes a discussion of the history and interdisciplinary nature of archaeological research; dating techniques and methods of survey, excavation, and analysis; cultural resource management, and selected cultural sequences. NR

ANTH 10
CELTIC CULTURES
3 Units; 3 hours lecture
Transfers: CSU, UC
An overview of Celtic cultures throughout the world including archaeological evidence, social and economic structures, belief systems, language, and arts. NR

ANTH 11
MAGIC, WITCHCRAFT, AND RELIGION
3 Units; 3 hours lecture
Transfers: CSU, UC
A comparison of religious beliefs and practices from a broad range of different cultures, with emphasis placed on the practical influences of social life, human biological and psychological needs, and the environment. The course will cover myth, religious healing, witchcraft and sorcery, Shamanic practice, magic, ritual and symbol, and contemporary religious practices. NR

ANTH 14
INTRODUCTION TO VISUAL CULTURE
3 Units; 3 hours lecture
Transfers: CSU, UC
An introduction to the current issues in cultural anthropology, using film, photography, and other visual mediums in which to explore culture. Questions of perspective, cultural difference, and representation will be addressed. NR

ANTH 15
THE WORLD OF PRIMATES
3 Units; 3 hours lecture
Transfers: CSU, UC
An introduction to primates and primatology, including species diversity, ecology, primate behavior, and conservation. Topics to be studied will include communication, hierarchies, male-female interaction, proto-cultural behavior, social learning, tool use, play, cognition, and self-awareness. NR
ANTH 289  SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

ANTH 298  SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

Applied Psychology

APSY 1  ACADEMIC PLANNING
1.5 Units; 1.5 hours lecture
Transfers: CSU, UC
Designed to prepare students for a successful college and transfer experience. Topics include opportunities and requirements for vocational programs and associate degrees as well as for transfer to four-year colleges and universities. Students develop an academic plan based on individual educational goals. College survival skills and issues will be discussed, including college expectations, student motivations, study skills, time management, college resources, and academic policies. Students will also learn strategies for choosing a major. The overall objective of the course is to help students identify and overcome obstacles to academic success. NR

APSY 140  EDUCATIONAL AND VOCATIONAL PLANNING
3 Units; 3 hours lecture
Transfers: CSU
Designed as an instrument of individual and group counseling. Activities are centered on self-analysis including the use of tests and inventories, the analysis of occupational areas and trends, and the study of educational requirements and factors in academic success and personal achievement. Recommended for all freshmen students, especially those who are undecided about their majors or interested in changing careers. NR

APSY 150  HELPING RELATIONSHIPS
3 Units; 3 hours lecture
Transfers: CSU
Designed to aid the individual in acquiring the skills and personal growth necessary to help others in self-exploration and positive changes. The student will learn a process of helping which relies heavily on empathy, honesty, and caring in relationships to effect positive change in others. Benefits those in the helping professions as well as any individual seeking to be more helpful in relationships with others. NR

APSY 151  HUMAN RELATIONSHIPS
3 Units; 3 hours lecture
Transfers: CSU
Integrating psychological, sociological, and physiological perspectives, this course will explore the human experience and the human connections that make us whole. Aspects of human experiences examined will include the dimensions of relatedness: to the self, to the body, to significant others and to the larger social context. The environments we create in which we flourish and the spaces between us that gives us meaning will be explored. In addition, ways to enhance and grow relationships within those contexts will be described. NR

APSY 160  CAREER AND VOCATIONAL EXPLORATION
3 Units; 3 hours lecture
Transfers: CSU
Focuses on process of vocational choice through study of occupational trends and survey of specific occupations. Working with information about themselves obtained through standardized tests and other measures and selected occupational information, students develop a tentative vocational plan. Designed for students who are undecided about their majors or interested in changing careers. NR

APSY 161A  LEARNING AND STUDY TECHNIQUES
1.5 Units; 1.5 hours lecture
Transfers: CSU
Applies principles derived from cognitive/behavioral psychology to facilitate development of organizational and information-processing skills. Includes strategies for information acquisition, retention, and retrieval. Practical applications focus on decision making, goal setting, motivational techniques, time management, and didactic learning skills. Concepts are reinforced through online activities and supplemental website research. Principles and techniques are applicable in educational and professional settings. NR

APSY 161B  ADVANCED LEARNING, STUDY, AND TESTING TECHNIQUES
1.5 Units; 1.5 hours lecture
Transfers: CSU
Recommended Preparation: APSY 161A
Principles of learning theory, information acquisition, retention, and retrieval are reviewed. Emphasizes test-taking strategies and test preparation related to objective and subjective tests. NR

Courses
Courses

Arabic

ARAB 1
ELEMENTARY ARABIC
5 Units; 5 hours lecture
Transfers: CSU, UC
Corequisite: ARAB 901
Recommended Preparation:
College-level reading ability
Designed to develop the fundamentals of communicative competence in daily spoken Arabic. The emphasis is on listening, comprehension, and conversational skills. Early reading and writing skills are introduced, as well as fundamental aspects of culture. Equivalent to two years high school Arabic. NR

ARAB 2
ELEMENTARY ARABIC
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: ARAB 1 or two years of high school Arabic
Corequisite: ARAB 902
Designed to further the fundamentals of communicative competence in daily spoken Arabic. Although the focus remains on listening, comprehension, and speaking, reading and writing skills will be expanded. This course continues the familiarization with customs and cultural achievements begun in the previous semester. NR

ARAB 3
INTERMEDIATE ARABIC
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: ARAB 2 or three years of high school Arabic
Corequisite: ARAB 903
Intermediate level course focuses on fluency on reading, writing, speaking, and listening. Continues the study of Arabic culture. NR

ARAB 4
INTERMEDIATE ARABIC
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: ARAB 3 or four years of high school Arabic
Corequisite: ARAB 904
Emphasizes fluency in speaking, reading, writing, and comprehension of Arabic. Includes selected readings and discussions from the basic four genres in Arabic and Arabic-American literature, culture, and customs. NR

ARAB 21
INTRODUCTION TO ARABIC CULTURE
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation:
College-level reading ability
Traces the development of the culture of Arabic-speaking nations including history, philosophy, political ideas, literature, music, art, science, geography, and customs and its influence on America and the world. Conducted in English. No prior study of the Arabic language or culture is required. NR

ARAB 901
ARABIC LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: ARAB 1
Requires concurrent enrollment in Arabic 1. Enhances and provides practice in skills learned in Arabic 1 course. NR

ARAB 902
ARABIC LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: ARAB 2
Requires concurrent enrollment in Arabic 2. Enhances and provides practice in skills learned in Arabic 2 course. NR

ARCH 10
INTRODUCTION TO ARCHITECTURE
2 Units; 2 hours lecture
Transfers: CSU, UC
Introduction to the professional field of architecture and related fields such as landscape architecture, engineering, construction, and city planning. Presentations by professionals to introduce students to options, requirements, and job possibilities in related fields. NR

ARCH 12
HISTORY OF ARCHITECTURE
3 Units; 3 hours lecture
Transfers: CSU, UC
The study of the architecture and environmental achievements of man from the earliest times to the present. Presenting the important buildings, cities, sites, and civilizations of mankind. NR

ARCH 34
BASIC ARCHITECTURAL DESIGN I
3 Units; 1 hour lecture; 6 hours lab
Transfers: CSU, UC
Recommended Preparation: ARCH 124A, which may be taken concurrently
Fundamentals of design function; form determinants; the nature, elements, and process of creative environmental design using 2D and 3D studies of space, form, color, and structure. NR

ARCH 42
DESCRIPTIVE DRAWING AND PERSPECTIVE
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU, UC
Recommended Preparation: ARCH 124A
Construct 3D drawings, including obliques, isometrics, 1-pt. and 2-pt. perspectives. Construct basic shadows and shade. NR

ARCH 44
ARCHITECTURAL PRESENTATION AND RENDERING
2 Units; 6 hours lab
Transfers: CSU, UC
Recommended Preparation: ARCH 42 and 124A
Delineate 2D and 3D architectural drawings for presentation. Render three drawings with color, shade, shadows, people, and trees. NR

ARCH 50
INTRODUCTION TO COMPUTER-AIDED DRAFTING
3 Units; 2 hours lecture; 4 hours lab
Transfers: CSU, UC
Recommended Preparation: ARCH 124A or DR 100
Introductory course covering the operation and application of computer-aided drafting (CAD) systems used to create, modify, store, and plot technical drawings. Also listed as DR 50. Credit given in either area, not both. NR
ARCH 51
COMPUTER-AIDED DRAFTING
3 Units; 2 hours lecture; 4 hours lab
Transfers: CSU, UC
Recommended Preparation: ARCH or DR 50
An intermediate to advanced level course in the operation and application of computer aided drafting systems, used to create, edit, save, and plot technical 2D and 3D drawings. Also listed as DR 51. Credit given in either area, not both. NR

ARCH 122
ARCHITECTURAL PRACTICE
2 Units; 2 hours lecture
Transfers: CSU
An introductory course covering the profession of architecture and the construction industry including professional relations, office procedures, and legal aspects. NR

ARCH 124A
ARCHITECTURAL DRAWING I
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU
Prerequisite: ARCH 124A
Draft and organize a set of working drawings for a single-family dwelling including building code requirements, materials, and principles of wood-frame construction. Computer-aided drafting methods will be introduced and used. NR

ARCH 124B
ARCHITECTURAL DRAWING II
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU
Prerequisite: ARCH 124A
Draft and organize an advanced set of working drawings for a steel and concrete commercial building. Computer-aided drafting methods will be used. NR

ARCH 124C
ARCHITECTURAL DRAWING III
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU
Prerequisite: ARCH 124B
Draft and organize an advanced set of working drawings for a steel and concrete commercial building. Computer-aided drafting methods will be used. NR

ARCH 126
MATERIALS AND METHODS OF CONSTRUCTION
3 Units; 3 hours lecture
Transfers: CSU
Studies various building materials, their use and application in the structural makeup of buildings. NR

ARCH 132
RESIDENTIAL PLANNING, PRINCIPLES AND DESIGN
3 Units; 1 hour lecture; 5 hours lab
Transfers: CSU
Recommended Preparation: ARCH 124A
Design a single-family dwelling. Complete a design process that considers proper site relationships, plan functions, form, structure, and materials. NR

ARCH 136
BASIC ARCHITECTURAL DESIGN II
3 Units; 1 hour lecture; 6 hours lab
Transfers: CSU
Recommended Preparation: ARCH 34
Learn to design quality form and space for living and working. Through the design process consider site, function, form, structure, color, and materials, as well as social, psychological, and ergonomic factors. NR

ARCH 152
ADVANCED COMPUTER-AIDED DESIGN
3 Units; 2 hours lecture; 4 hours lab
Transfers: CSU
Recommended Preparation: ARCH or DR 50 or 51
Advanced computer-aided design and drafting with emphasis on advanced 3D CAD knowledge and skills in the completion of technical drawings that support 3D modeling. Also listed as DR 152. Credit given in either area, not both. NR

ARCH 161
BLUEPRINT PLANS AND SPECIFICATION READING
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU
Blueprint and specification reading as applied to California State codes. Includes residential, commercial, and hospital construction. NR

ARCH 162
CONSTRUCTION ESTIMATING
3 Units; 2 hours lecture; 4 hours lab
Transfers: CSU
Includes bid preparations, material quantity and analysis, labor and material pricing and quantities summations, subcontract summations, subcontract bids, bid corrections, bidding practices, and final-bid form compilation and submittal. NR

ARCH 163
INTERNATIONAL BUILDING CODE INSPECTION
4 Units; 4 hours lecture
Transfers: CSU
Pursue minimum preparation and upgrading for inspectors seeking certification, construction managers, and architect's field observers. Examine federal, state, or local codes affecting construction, grading, and performance standards. Evaluate code compliance on-site with emphasis on interpretations. NR

ARCH 164
COMBINATION RESIDENTIAL DWELLING INSPECTION
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: ARCH 163
Prepares students for the International Conference of Building Officials (ICBO) examination to become certified building inspectors. Particular emphasis given to those sections in the International Building Codes which deal with inspection and enforcement of the Plumbing, Mechanical and Electrical Codes as they relate to residential and framing. NR

ARCH 165
ELECTRICAL CODE INSPECTION
3 Units; 3 hours lecture
Transfers: CSU
A comprehensive study and review of the National Electrical Code and local authorities. Also covers regulations for inspection of residential and commercial units. NR

ARCH 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

ARCH 200
DESIGN IN ARIZONA, RIVERSIDE AND PALM SPRINGS
1.5 Units; 1 hour lecture; 1 hour lab
Study how architecture and urban design confront context in Arizona, Riverside, and Palm Springs — Taliesin, Biltmore, ASU, MOMA, Phoenix Library, Arcosanti, Sedona, Arizona straw-bale house and Mission Inn in Riverside, CA. NR

ARCH 211
CONCRETE INSPECTION
3 Units; 3 hours lecture
Transfers: CSU
Presents technical knowledge needed by inspectors, code enforcement personnel, contractors and architects. Covers detailed concrete design, placement, mixing and testing. NR

ARCH 212
PLUMBING CODES: DRAINS, WASTE, VENTS, WATER, AND GAS
3 Units; 3 hours lecture
Transfers: CSU
Examine responsibilities of the plumbing inspector. Review rules and regulations defining owner, builder and architect's responsibilities. Study mechanics of installation and inspection of water, waste, and venting systems. NR
Courses

ARCH 213
MECHANICAL CODE: HEATING, AC, REFRIGERATION, AND DUCTWORK
3 Units; 3 hours lecture
Examine the mechanical code as it affects responsibilities of inspector, contractor, worker, architect and owner. Examine design, sizing, installation and inspection of heating, ventilation and air conditioning (HVAC) systems. NR

ARCH 218
FOUNDATION STUDIO IN ARCHITECTURE
4 Units; 3 hours lecture; 3 hours lab
A design studio based on the Bauhaus Foundation Course that explores the many aspects of visual and spatial design leading to studied solutions in architecture. Concepts include black and white forms and negative space, communication through shapes, textures, color and materials, graphic design and typeface fonts, anthropometrics and designing for human scale. Studio will focus on designing and model building architecture for a specific building type and site, including climatic adaptation, native and locally produced materials, concepts of green design and LEED certification, creating human scaled spaces, and designing functional architectural solutions. NR

ARCH 219
RESIDENTIAL AND COMMERCIAL SPACE PLANNING
4 Units; 3 hours lecture; 3 hours lab
Recommended Preparation: ARCH 124A
Focuses on the theory, layout, building codes and creativity needed in designing excellent floor plans, with a special emphasis on the scale of the building and the context of the site. Anthropometrics and ergonomic studies are the starting point to human scale design. Scale and arrangement of furnishings, circulation, storage, room proportions, function and users are all brought into the equation of good design. Projects will include typical single family residential design, residential estate design, multifamily residential design, commercial design, institutional design, and parking design with focus on sustainable architectural design practices. NR

ARCH 220
REVIT AND BUILDING INFORMATION MANAGEMENT (BIM)
4 Units; 3 hours lecture; 3 hours lab
Recommended Preparation: ARCH 51 or DR 51
Introduction of 3-dimensional building modeling using Autodesk Revit to provide visualization and method of construction information for architectural design. Building Information Modeling (BIM) will be used to provide detailed construction information and coordination of architecture and engineering in simple and complex building systems. Rendering and presentation techniques using Revit are also introduced. Student needs solid knowledge of computer drafting applications, file management and building construction techniques including building materials and methods of construction. NR

ARCH 221
ADVANCED REVIT/BUILDING INFORMATION MANAGEMENT II
4 Units; 3 hours lecture; 3 hours lab
Recommended Preparation: ARCH 220
Advanced study of 3D building modeling using Autodesk Revit to provide visualization and method of construction information for architectural design. Building Information Modeling (BIM) will be used to provide detailed construction information and coordination of architecture and engineering in simple and complex building systems. Rendering and presentation techniques using Revit are also introduced. Student needs solid knowledge of computer drafting applications, file management and building construction techniques including building materials and methods of construction. NR

ARCH 260
ARCHITECTURE IN NORTHERN CALIFORNIA
1 Unit; 1 hour lecture; 1 hour lab
Visit architecture in San Francisco, Santa Barbara, San Luis Obispo, SF Civic Center, Union Square, Herman Plaza, Haight-Ashbury, Golden Gate Park, Marin Civic Center, Napa valley, SB and SLO downtowns, Hearst Castle. NR

ARCH 261
ORANGE AND SAN DIEGO ARCHITECTURE
1 Unit; 1 hour lecture; 1 hour lab
Study architecture which urbanize and texture the region — from the Salk Institute and UCSD Library to the Crystal Cathedral, Capistrano Library and San Diego’s live/Work housing. NR

ARCH 262
LOS ANGELES ARCHITECTURE
1 Unit; 1 hour lecture; 1 hour lab
Tour LA architecture — including Gamble House, Bradbury Building, Biltmore Hotel, Wright/Eames/Gehry houses, Eric Moss/ Morphosis projects, and Getty Museum. NR

ARCH 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

ART 4
FUNDAMENTALS OF ART
3 Units; 3 hours lecture
Transfers: CSU, UC
Emphasizes fundamental art ideas, modes, devices, problems of organization and structure terminology, media, and the relationship of art to society. NR

ART 9
CERAMICS FUNDAMENTALS
3 Units; 3 hours lecture; 3 hours lab
Recommended Preparation: ART 80
A basic survey course covering both hand-building and wheel throwing, with an emphasis on form and design. A general survey of ceramic history is presented in context with clays, clay bodies, glazes, and firing. NR

ART 10
CERAMICS — HANDBUILDING I
3 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Recommended Preparation: ART 9
An introduction to clay, glaze, and hand-building techniques with emphasis on craftsmanship and good design. NR

ART 11
CERAMICS — WHEEL I
3 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Recommended Preparation: ART 9
An introduction to beginning wheel techniques with emphasis on traditional shapes and forms. NR

ART 12
CERAMICS — WHEEL II
3 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Prerequisite: ART 11
A continuation of basic throwing techniques with emphasis on specific shapes and forms utilitarian and decorative. NR

ART 13
CERAMICS — WHEEL III
3 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Prerequisite: ART 12
A continuation of throwing skills emphasizing contemporary decorative and design techniques. Emphasis is placed on problems related to student's individual needs. NR
ART 40
2-D FOUNDATIONS
3 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Introduction to the concepts, applications, and historical references related to two-dimensional art and composition, including the study of the basic principles and elements of line, shape, texture, value, color and spatial illusion. Development of a visual vocabulary for creative expression through lecture presentations, studio projects, problem solving, and written assignments. NR

ART 41
THREE-DIMENSIONAL DESIGN
3 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Recommended Preparation: ART 40
A basic course in the application and appreciation of the art elements and principles related to problems in three-dimensional design. NR

ART 42
COLOR THEORY AND PRACTICE
3 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Recommended Preparation: ART 40 and 40
Investigates various aspects of color, color theories, color symbolism, psychology of color, physiology of color, history of color, expressive aspects of color, nature's use of color and will include practical lab experience in mixing color, matching colors and color analysis. NR

ART 50
PAINTING — I
3 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Prerequisite: ART 40 and 80
Introduction to the basic elements, principles and practices of painting. Focus on exploration of painting materials, perceptual skills, paint mixing, color theory, and methods of applying paint. Creative responses to representational subject matter will be emphasized. NR

ART 51
PAINTING — II
3 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Prerequisite: ART 50
Emphasizing painting as a creative process while developing more advanced skills in oil, acrylic and mixed/collaged media. NR

ART 52
PAINTING — III
3 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Prerequisite: ART 51
Explores representational and non-representational subject matter in a variety of media including acrylic and oil. NR

ART 53
PAINTING FROM THE LIVE MODEL I
3 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Recommended Preparation: ART 50, 80, and 85
Introductory course that emphasizes painting the draped and undraped life model from direct observation. Students will learn to convincingly depict and accurately represent both the male and female figure in action and in repose while studying subtleties of position and attitudes. Fundamental structural drawing concepts essential to good painting, such as the study of human anatomy, proportional sighting, measuring methods, and perspective. Value relationships and color will be emphasized in order to represent the figure in convincing painting with form, volume, and space. NR

ART 54
PAINTING FROM THE LIVE MODEL II
3 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Prerequisite: ART 53
A continuation of ART 53 which emphasizes painting the draped and undraped male and female figure from direct observation. The primary focus is to develop a more sensitive and creative approach to painting from life. The student will continue to develop the basic skills in representing and interpreting the live model. A variety of media will be explored. NR

ART 55
WATERCOLOR I
3 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Recommended Preparation: ART 40 and 80
Involves the basic use of transparent media. Technique includes wet into wet, dry brush, glazing, and direct approaches. Contemporary trends will be employed through the study of traditional means. Emphasis will be placed upon creative application and composition. NR

ART 56
WATERCOLOR II
3 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Prerequisite: ART 55
Further implements watercolor techniques and explores more advanced problems in color, light, and composition. In addition, this course will offer experience in the mixing of other media with transparent watercolor. NR

ART 57
WATERCOLOR III
3 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Prerequisite: ART 56
Emphasizes advanced techniques of transparent media, including use of collage. NR

ART 58
INTAGLIO (ETCHING) AND RELIEF I
3 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Recommended Preparation: ART 80
Designed to introduce students to a variety of approaches involving Relief and Intaglio areas of printmaking. Basic processes of etching, collograph, drypoint linoleum/woodcut, and monotypes will be stressed. Both traditional and experimental approaches important to the development of a print will be used through the course of study. Students will be expected to develop a print from an original idea, through the various technical levels of each process, to the actual printing of an edition. NR

ART 59
INTAGLIO (ETCHING) AND RELIEF II
3 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Recommended Preparation: ART 60
Designed with emphasis on advanced skills in the process of Relief and Intaglio areas of printmaking. Edition printing (color), advanced technical skills, and continued development of personal imagery and unique style will be stressed. NR

ART 60
INTAGLIO (ETCHING) AND RELIEF III
3 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Prerequisite: ART 60
Emphasis on advanced skills in the process of Relief and Intaglio areas of printmaking. Edition printing (color), advanced technical skills of multplate printing, color printing, and continued development of personal imagery and unique style. Students will incorporate basic techniques learned in prior courses to develop multcolor, multplate registration, and printing techniques. NR

ART 61
INTRODUCTION TO SCREEN PRINTING
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU, UC
Recommended Preparation: ART 61
Emphasis on advanced skills in the process of Relief and Intaglio areas of printmaking. Edition printing (color), advanced technical skills of multplate printing, color printing, and continued development of personal imagery and unique style. Students will incorporate basic techniques learned in prior courses to develop multcolor, multplate registration, and printing techniques. NR

ART 63
INTRODUCTION TO SCREEN PRINTING
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU, UC
Principles, basic methods and techniques of preparing handcut and photographic stencils, printing techniques, simple color separation, and equipment and material handling. Care, use and safety precautions in operating and cleaning the silkscreen unit. Also listed as GC 63. Credit given in either area, not both. NR
ART 70  
FUNDAMENTALS OF SCULPTURE  
3 Units; 3 hours lecture; 3 hours lab  
Transfers: CSU, UC  
A survey of basic sculpture processes to include both additive and subtractive sculpture procedures. Lectures and demonstrations involving the classic and contemporary use of sculpture materials such as clay, plaster, stone, and metal will be covered. Students will research, design, and develop representational and abstract sculptural forms. Course emphasis will be placed on the effective use of design, materials and sculptural procedures, as well as the safe and proper use of hand and power tools. NR

ART 71  
ADDITIVE SCULPTURE  
3 Units; 3 hours lecture; 3 hours lab  
Transfers: CSU, UC  
Recommended Preparation: ART 70  
An in-depth investigation of the additive processes in sculpture, including clay and plaster. NR

ART 72  
SUBTRACTION SCULPTURE  
3 Units; 3 hours lecture; 3 hours lab  
Transfers: CSU, UC  
Recommended Preparation: ART 70  
An in-depth investigation of the subtractive process in sculpture, including plaster, wood and stone. NR

ART 78  
BEGINNING LIFE SCULPTURE  
3 Units; 3 hours lecture; 3 hours lab  
Transfers: CSU, UC  
Sculpting from a live model using clay with emphasis placed on gesture, composition, scale, proportion as related to representational forms. NR

ART 79  
ADVANCED LIFE SCULPTURE  
3 Units; 3 hours lecture; 3 hours lab  
Transfers: CSU, UC  
Recommended Preparation: ART 78  
Students expand their ability to sculpt from the live model to include larger scale and the materials of wood and/or stone. NR

ART 80  
DRAWING I  
3 Units; 3 hours lecture; 3 hours lab  
Transfers: CSU, UC  
Emphasizes the development of perceptual and technical skills in drawing. Includes line, shape, proportion, value, and composition in the representation of still life and other subject matter using dry media. NR

ART 81  
DRAWING II  
3 Units; 3 hours lecture; 3 hours lab  
Transfers: CSU, UC  
Prerequisite: ART 80  
Emphasizes the process of drawing as a form of creative expression. Students will explore approaches to technical and conceptual problems in drawing using a variety of mediums, techniques and methodologies. Through exercises covering historical and contemporary approaches to drawing students will build on fundamental drawing skills to develop a personal approach to content and material. NR

ART 82  
DRAWING III  
3 Units; 3 hours lecture; 3 hours lab  
Transfers: CSU, UC  
Prerequisite: ART 81  
Further develops the concepts and processes introduced in ART 80 and 81, emphasizing the development of the individual student's artistic ability. NR

ART 85  
DRAWING FROM THE LIVE MODEL I  
3 Units; 3 hours lecture; 3 hours lab  
Transfers: CSU, UC  
Recommended Preparation: ART 80  
Emphasizes drawing from the human figure. Designed to develop an understanding of the human anatomy and proportion as well as the ability to draw the figure in various attitudes and movements using dry and fluid media. NR

ART 86  
DRAWING FROM THE LIVE MODEL II  
3 Units; 3 hours lecture; 3 hours lab  
Transfers: CSU, UC  
Prerequisite: ART 85  
Depicts anatomy by drawing the human form. Includes proportion, perspective, and the expressive extension into other style and media directions. NR

ART 87  
DRAWING FROM THE LIVE MODEL III  
3 Units; 3 hours lecture; 3 hours lab  
Transfers: CSU, UC  
Prerequisite: ART 86  
Emphasizes a thorough understanding of anatomy for the artist. Uses the human figure as the basis of both representational and more abstract and expressionistic drawing. NR

ART 88  
BEGINNING GRAPHIC DESIGN  
3 Units; 2 hours lecture; 3 hours lab  
Transfers: CSU  
Introduction to fundamentals of design concepts that explore organization of visual elements for graphic communication. Studio work will include traditional and computer-generated assignments in layout and typography. Designed to convey current concepts in the graphic design field. Also listed as GD 140. Credit given in either area, not both. NR

ART 89  
GRAPHIC RENDERING TECHNIQUES  
3 Units; 2 hours lecture; 3 hours lab  
Transfers: CSU  
The exploration of two-dimensional media for graphics. Projects encourage exploration and control in a variety of design applications. Recognition and choice of techniques in translating ideas into renderings. Also listed as GD 141. Credit given in either area, not both. NR

ART 90  
PACKAGE DESIGN  
3 Units; 2 hours lecture; 3 hours lab  
Transfers: CSU  
Introduction to traditional and computer-generated construction and layout of three-dimensional packaging including labels, over-wraps, printed cartons and point-of-purchase displays. Also listed as GD 142. Credit given in either area, not both. NR

ART 91  
ART SURVIVAL: FROM STUDENT TO ARTIST  
3 Units; 3 hours lecture; 3 hours lab  
Transfers: CSU  
Bridges the gap from “student” to “exhibiting artist.” Open to all art students in all media. Development of a cohesive body of work and presentation techniques for self and work. NR

ART 92  
GRAPHIC ILLUSTRATION  
3 Units; 2 hours lecture; 3 hours lab  
Transfers: CSU  
Develop illustrations for advertising and graphics and editorial use. Design and apply illustrations with consideration for reproduction requirements. Illustrations will be done in line art, black and white, limited, and full color in select mediums. Also listed as GD 145. Credit given in either area, not both. NR

ART 93  
ARCHITECTURAL CERAMICS I  
3 Units; 3 hours lecture; 3 hours lab  
Transfers: CSU  
Presents the basic skills of ceramic tile and bas relief fabrication and installation in an architectural environment. Addresses the history of architectural tile as it relates to current usage and contemporary concepts. NR
ART 175  
METAL CASTING  
3 Units; 3 hours lecture; 3 hours lab  
Transfers: CSU  
Recommended Preparation: ART 70  
A specialized course in foundry procedures. Activities will include direct and indirect techniques of developing wax models to be used in the lost wax metal casting process. Students will design unique sculptural forms which will be cast in metal using either plaster investment or ceramic shell molds. Course emphasis will be placed on the safe and proper use of hand and power tools and upon a variety of foundry practices such as: mold making, spruce and gate systems, mold dewaxing, metal pouring procedures, metal finishing, and coloring techniques. NR

ART 189  
SPECIAL TOPICS  
Units and Hours Vary  
Transfers: CSU  
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

ART 216  
CERAMICS — HANDBUILDING II  
3 Units; 3 hours lecture; 3 hours lab  
Prerequisite: ART 10  
Emphasizing a continuation of basic handbuilding techniques. The focus is on developing the individual's skills in design, fabrication, and finishing. Form and function are stressed. NR

ART 217  
CERAMICS — HANDBUILDING III  
3 Units; 3 hours lecture; 3 hours lab  
Prerequisite: ART 216  
A continuation of handbuilding techniques and skills with emphasis placed on individualized student projects. The focus will be on contemporary issues of scale, design, and concept. NR

ART 228  
BENCH JEWELER I  
3 Units; 3 hours lecture; 3 hours lab  
Recommended Preparation: ART 40  
Introduction to the history of jewelry, design processes, materials, core techniques of piercing, sawing, basic soldering, and safety policies and procedures of a bench jeweler. NR

ART 229  
BENCH JEWELER II  
3 Units; 3 hours lecture; 3 hours lab  
Prerequisite: Art 228  
Recommended Preparation: ART 40  
Introduces green alternatives in the jewelry industry, the development of concept designs, and the techniques of etching, surface textures, cold connection and the process of soldering wire elements. NR

ART 230  
BENCH JEWELER III  
3 Units; 3 hours lecture; 3 hours lab  
Prerequisite: ART 229  
Recommended Preparation: ART 40  
Introduction to the history of the lost wax process and the principles of designing jewelry for casting process. Explore the more advanced soldering techniques of soldering hollow forms and rings. NR

ART 231  
BENCH JEWELER IV  
3 Units; 3 hours lecture; 3 hours lab  
Prerequisite: ART 230  
Recommended Preparation: ART 40  
Explore more advanced techniques of construction, fusing silver, reticulation, catches, hinges and jewelry repair. Learn basic jewelry photography for including work in a portfolio. NR

ART 240  
INTERMEDIATE GRAPHIC DESIGN  
3 Units; 2 hours lecture; 3 hours lab  
Recommended Preparation: GD 140  
Study of design concepts to explore organization of visual elements to graphics. Studio work will include layout and production of designed formats (magazine ads, logos, T.V., story board, newspaper ads) and conceptualization techniques in the graphic-design field, as well as portfolio preparation. Also listed as GD 240. Credit given in either area, not both. NR

ART 250  
PLEIN AIR LANDSCAPE PAINTING  
3 Units; 3 hours lecture; 3 hours lab  
Recommended Preparation: ART 20  
Explores the process of painting out-of-doors. Includes the study of the history and tradition of this genre, painting mechanics, angles and consequent values, design, light, aerial perspective, linear perspective, color natural symbols, composition, main line and theme. NR

ART 289  
SPECIAL TOPICS  
Units and Hours Vary  
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

Art History

ARTH 20  
ART APPRECIATION  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
Designed to develop an understanding of historical and contemporary art forms, including examples of painting, sculpture, and architecture (formerly ART 20). NR

ARTH 21  
WOMEN AND ART  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
Examines the history of relations between women, art, and ideology in global culture. Examines and analyzes the effects of cultural practices such as the division of labor and space in society, codes of language, the impact of new technologies, and power relations on the ways that women are represented and participate in visual culture. Explores women's changing relation to art practice. Includes analysis of feminism, gender roles, and identity construction in art both historically and in contemporary art forms (formerly ART 21). NR

ARTH 22  
SURVEY OF ASIAN ART (INDIA, CHINA, JAPAN, AND KOREA)  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
Designed as a survey of artistic traditions found in Asia including India, Korea, China, and Japan. The arts of painting, sculpture, and architecture will be discussed as artistic expressions as well as visual manifestations of Eastern religion (formerly ART 22). NR

ARTH 23  
AFRICAN AND OCEANIC ART  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
Designed to develop an understanding and appreciation of the indigenous arts of Africa and the South Pacific. Studies the painting, sculpture, architectural traditions of preliterate societies emphasizing their culture as well as artistic significance (formerly ART 23). NR

ARTH 24  
INDIGENOUS ARTS OF THE AMERICAS  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
Survey of the indigenous artistic traditions of North, Central, and South America extending from the United States and Mexico to Peru from circa 1000 BC to the Conquest. The course will address historical and contemporary cultures of the Western hemisphere (Native American and pre-Columbian) from a historical ethnographical context, examining the formal elements of painting, sculpture, architecture, ceramics, and textiles in the context of native socio-political systems and religious beliefs (formerly ART 24). NR

ARTH 25  
SURVEY OF ART HISTORY: ANCIENT WORLDS TO GOTHIC  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
Emphasizing the historical development of painting, sculpture, and architecture including philosophical and cultural perspectives (formerly ART 25). NR
ARTH 26
SURVEY OF ART HISTORY: RENAISSANCE TO MODERN
3 Units; 3 hours lecture
Transfers: CSU, UC
Emphasizing the historical development of painting, sculpture, and architecture in the United States from its pre-colonial past to the end of World War II. The contributions and influences of a variety of ethnic groups to the diversity of art in the United States will be addressed. The artistic contribution of Native Americans, African Americans, Chicano/Latino Americans and European Americans will be studied in the larger context of American society, history, and culture (formerly ART 26). NR

ARTH 27
HISTORY OF AMERICAN ART
3 Units; 3 hours lecture
Transfers: CSU, UC
A survey of the chronological development of painting, sculpture, and architecture in the United States from its pre-colonial past to the end of World War II. The contributions and influences of a variety of ethnic groups to the diversity of art in the United States will be addressed. The artistic contribution of Native Americans, African Americans, Chicano/Latino Americans and European Americans will be studied in the larger context of American society, history, and culture (formerly ART 27). NR

ARTH 28
HISTORY OF MODERN ART
3 Units; 3 hours lecture
Transfers: CSU, UC
Emphasizing the historical development of painting, sculpture, and architecture including philosophical and cultural perspectives in the late 19th and 20th centuries. Includes an in-depth study of Expressionism, Surrealism, Cubism, Abstractionism, Op, Pop, and Realism (formerly ART 28). NR

ARTH 29
INTRODUCTION TO WORLD ART
3 Units; 3 hours lecture
Transfers: CSU, UC
Survey of the visual arts of the world through the millennia, including the regions and cultures of Europe, Asia, the Americas, and Africa. Major emphasis is given to the development of the world’s most significant painting, sculpture, and architecture within their respective social, political, and religious contexts. The course examines the roles of artist and patron, and the relationship between the art object and its intended function (formerly ART 29). NR

ARTH 100
ART GALLERY/DISPLAY AND EXHIBITION
3 Units; 3 hours lecture; 3 hours lab
Transfers: CSU
Designed to introduce students to a variety of aspects in working and running a non-profit/educational art gallery. Students will participate in the planning of shows along with the practical experience of preparing and installing shows in the Saddleback College Art Gallery. Students will visit local galleries and museums to further enhance their ideas of the functions of an art gallery (formerly ART 100). NR

ARTH 101
INTRODUCTION TO THEORIES OF ART
3 Units; 3 hours lecture
Transfers: CSU
Offers historical perspectives of the visual arts by thematically examining the intellectual ideas and technologies that inform their production and reception. The significance of the changing role of the visual arts and their producers will be explored in this course by way of art and design works which reflect, interpret and comment upon the ideas, events, social histories and technological developments of their respective eras. Students will be encouraged to appreciate and analyze the historical underpinnings, which have shaped and directed the practice and reception of art and design. NR

ARTH 102
HISTORY OF MODERN ART
1825-1945
3 Units; 3 hours lecture
Transfers: CSU
Examines the history of visual culture in Europe and North America from the invention of Photography to the end of the Second World War. Topics covered include the following: Realism, Impressionism, Post-Impressionism, Symbolism, Cubism and its responses, Expressionism and its responses, Surrealism, International style and North American Regionalisms. Looks closely at significant theoretical constructs such as the Avant Garde, Modernism, Art Criticism and Patronage (institutional and private). Examines the effects of new technologies on the development of art during this period; most importantly photography and film. NR

ARTH 103
HISTORY OF MODERN ART
1945-1985
3 Units; 3 hours lecture
Transfers: CSU
Examines the history of visual culture in Europe and North America from the invention of Photography to the end of the Second World War. Topics covered include the following: Realism, Impressionism, Post-Impressionism, Symbolism, Cubism and its responses, Expressionism and its responses, Surrealism, International style and North American Regionalisms. Looks closely at significant theoretical constructs such as the Avant Garde, Modernism, Art Criticism and Patronage (institutional and private). Examines the effects of new technologies on the development of art during this period; most importantly photography and film. NR

ARTH 104
SURVEY OF CONTEMPORARY ART
3 Units; 3 hours lecture
Transfers: CSU
Surveys and analyzes the global expansion, development, and transmission of art practices since 1945. Post-World War II cultures produced rapid economic, technological and social changes. In turn, artists responded to these social changes by producing works of art that both comment on and absorb the cultural environments in various ways through individual visions and shared ideological perspectives. Examines art since 1945 by looking at the works and the ideas and technologies that inform them. Also examines the public and private spaces in which art is seen and understood. NR

ARTH 120
TOUR-ART HISTORY/APPRECIATION
3 Units; 3 hours lecture
Transfers: CSU
Designed to give students the opportunity to study visual cultural productions on site. Its content stresses the relationship between art and the most significant institutions of reception, museums and galleries (formerly ART 120). NR

Astronomy

ASTR 20
GENERAL ASTRONOMY
3 Units; 3 hours lecture
Transfers: CSU, UC
An introductory astronomy course covering the development of astronomy from ancient times to modern times. Includes the study of the solar system, the stars and stellar systems, the Milky Way Galaxy, other galaxies and galaxy-like objects, and the expanding universe and theories of its origin. Field trips may be required to fulfill the objectives of the course. NR

ASTR 21
THE SOLAR SYSTEM
3 Units; 3 hours lecture
Transfers: CSU, UC
A study of the origin and evolution of our solar system, from the beginning to the present, as deduced from sampling, remote sensing, exploration, imagery, and theory. We will discuss and compare composition; tectonics; volcanism; surface processes; and atmospheric and thermal evolution of earth, the moon, terrestrial, and Jovian planets and their satellites. Additional topics will include meteorite and comet impacts and the possible existence of life elsewhere in the solar system. Field trips may be required to fulfill the objectives of this course. Also listed as GEOL 21. Credit given in either area, not both. NR

ASTR 25
OBSERVATIONAL ASTRONOMY
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU, UC
Recommended Preparation: ASTR 20
An introductory observational astronomy course covering various observational targets, tools, and methods, through actual observation and experimentation. Students will use college-owned telescopes to observe the sun, moon, planets, available comets, multiple stars, variable stars, and deepsky objects including nebulae and galaxies. Field trips required to fulfill the course objectives. NR

ASTR 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR
Automotive

AUTO 100
AUTOMOTIVE FUNDAMENTALS
3 Units; 3 hours lecture; 1 hour lab
Transfers: CSU

Introduction to the principles of operation of modern automobile systems and a practical introduction to automotive tools and diagnostic equipment. Demonstrated lectures and some practical experience in the laboratory. Structured for the non-technical student. NR

AUTO 101
AUTOMOTIVE ELECTRICAL SYSTEMS
3 Units; 2 hours lecture; 2 hours lab
Recommended Preparation: AUTO 100

Operating principles, troubleshooting techniques, and repair procedures of electrical supply systems and battery-starter systems. Demonstrated lectures and practical experience in the laboratory on batteries, starter systems, alternator-generator charging systems, and accessory and lighting systems. Scan tool and digital multimeter techniques will be emphasized. NR

AUTO 102
AUTOMOTIVE ENGINE PERFORMANCE/ELECTRONICS AND IGNITION
3 Units; 2 hours lecture; 2 hours lab
Transfers: CSU
Recommended Preparation: AUTO 100 and 207

Operating principles, troubleshooting techniques, and repair procedures for automotive engine performance systems. The emphasis is battery, charging and ignition systems. Demonstrated lectures and practical experience in the laboratory using modern testing equipment, oscilloscopes, and other diagnostic equipment on “live” vehicles. NR

AUTO 103
AUTOMOTIVE ENGINE PERFORMANCE/FUEL AND EMISSION SYSTEMS
3 Units; 2 hours lecture; 2 hours lab
Transfers: CSU
Recommended Preparation: AUTO 100 and 207

Operating principles, troubleshooting techniques and repair procedures for automotive engine performance systems. The emphasis is fuel and engine emission control systems. Demonstrated lectures and practical experience in the laboratory using modern testing equipment, oscilloscopes, and other diagnostic equipment on “live” vehicles. NR

AUTO 104A
AUTOMOTIVE ENGINES
5 Units; 3 hours lecture; 5 hours lab
Transfers: CSU
Recommended Preparation: AUTO 100 and 207

Practical experience in the rebuilding, overhauling, and machining of engine components of the internal-combustion engine. It is recommended that the student have access to an engine for overhaul purposes. First part of a two-semester program covering block boring and honing techniques as well as bearing installation. Piston and ring selection procedures will be covered. The basic block will be assembled. NR

AUTO 104B
AUTOMOTIVE ENGINES
5 Units; 3 hours lecture; 5 hours lab
Transfers: CSU
Prerequisite: AUTO 104A
Recommended Preparation: AUTO 100 and 207

Practical experience in the rebuilding, overhauling and machining of engine components of the internal-combustion engine. A continuation of AUTO 104A. Covers cylinder head overhaul, camshaft selection, and cylinder head assembly. The complete engine will be assembled in the lab. NR

AUTO 105
AUTOMOTIVE POWER TRAIN
3 Units; 2 hours lecture; 2 hours lab
Transfers: CSU
Recommended Preparation: AUTO 100

Operating principles, overhaul and repair procedures of automotive power-trains, including clutches, multiple speed four-wheel drive transmissions, overdrives, drive line, differentials, and rear axles. Demonstrated lectures and practical experience in the laboratory on power-train components. NR

AUTO 106A
AUTOMOTIVE SUSPENSION AND ALIGNMENT
3 Units; 3 hours lecture; 1 hour lab
Transfers: CSU
Recommended Preparation: AUTO 100

Operating principles, design, diagnosis and overhaul of chassis suspension systems. Demonstrated lectures and practical experience in the laboratory performing suspension diagnosis and repair. Students will perform two and four wheel alignments using modern alignment equipment on “live” vehicles. NR

AUTO 106B
AUTOMOTIVE BRAKE SYSTEMS 3
Units; 3 hours lecture; 1 hour lab
Transfers: CSU
Recommended Preparation: AUTO 100

Operating principles, troubleshooting techniques, and repair of automotive disc and drum brake systems. Latest ABS system theory and operation with scan tool analysis will be covered. Complete component overhaul, machining methods, and selection of materials for safe brake operation are also covered. Prepares the student for the State of California brake inspection license. NR

AUTO 107
AUTOMATIC TRANSMISSION
3 Units; 2 hours lecture; 2 hours lab
Transfers: CSU
Recommended Preparation: AUTO 100

Operating principles, design, overhaul, adjustment, and servicing of FWD and RWD automatic transmissions. Trouble shooting techniques utilizing scan tools for computer-controlled transmission diagnosis. Demonstrated lectures and laboratory work on automatic transmissions. NR

AUTO 108
AUTOMOTIVE AIR CONDITIONING
3 Units; 2 hours lecture; 2 hours lab
Transfers: CSU
Recommended Preparation: AUTO 100

Operating principles, design, diagnosis of vehicle heating and air conditioning systems. Emphasis is placed on diagnosis and troubleshooting of “live” vehicles. Students are required to obtain the Section 609 certification for lab activities. NR

AUTO 109
CALIFORNIA B.A.R. BASIC AREA CLEAN AIR CAR COURSE
5 Units; 4 hours lecture; 2 hours lab
Transfers: CSU
Recommended Preparation: AUTO 100 and completion of or concurrent enrollment in AUTO 102, 103, or 202

This Bureau of Automotive Repair certified course meets the Level I requirements for taking the California B.A.R. licensed smog check technician examination. Course content will include the study of proper vehicle inspection procedures, testing, diagnosis, and certification procedures following the current laws and regulations. For state certification, students must meet Bureau of Automotive Repair requirements. NR
AUTO 189  SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

AUTO 200  ENHANCED AREA CLEAN AIR
CAR COURSE
1 Unit; 1 hour lecture; 1 hour lab
Recommended Preparation:
AUTO 100 and 109
This Level II Bureau of Automotive Repair certified course meets one of the requirements for taking the State of California B.A.R. licensed smog check technician examination. Course content will include ASM emission inspection system operation (Dyno), digital storage oscilloscope theory, operation and diagnostics. For state certification, students must meet Bureau of Automotive Repair requirements. NR

AUTO 201  ADVANCED AUTOMOTIVE
ELECTRICAL
3 Units; 2 hours lecture; 2 hours lab
Prerequisite: AUTO 101
Recommended Preparation:
AUTO 100
Advanced automotive electrical/electronic systems cover strategy-based diagnostic procedures for troubleshooting lighting, instrumentation, engine and body controls and other accessory circuits. Air bag theory, respective testing diagnostic procedures, and fuel system operation are included. NR

AUTO 202  ADVANCED ENGINE
PERFORMANCE DIAGNOSIS
3 Units; 2 hours lecture; 2 hours lab
Recommended Preparation:
AUTO 100, 102 or 103
Explores advanced engine and driveline performance diagnosis using the chassis dynamometer, digital storage oscilloscope, five-gas analyzer and other related test equipment on “live vehicles” to diagnose vehicle performance. NR

AUTO 204A  HIGH PERFORMANCE ENGINE
BLUEPRINTING — ROTATING ASSEMBLY
3 Units; 2 hours lecture; 2 hours lab
Prerequisite: Completion of or concurrent enrollment in AUTO 104A or 104B
Recommended Preparation: AUTO 100 or 207
Incorporates advanced measuring techniques, machining skills and advanced theory in building a high-performance engine. Advanced cylinder block boring, honing, and deck procedures as well as crankshaft and piston/rod balancing are taught (formerly AUTO 204). NR

AUTO 204B  HIGH PERFORMANCE ENGINE
BLUEPRINTING — CYLINDER HEADS
3 Units; 2 hours lecture; 2 hours lab
Prerequisite: Completion of or concurrent enrollment in AUTO 104A or 104B
Recommended Preparation: AUTO 100 or 207
Incorporate advanced measuring techniques, machining skills and advanced theory in building a high-performance engine. Advanced cylinder head machining, cylinder head airflow studies using the latest airflow bench practices, as well as high performance engine assembly techniques. NR

AUTO 205  ADVANCED SMOG UPDATE TRAINING
0.5 Unit; 0.5 hours lecture; 1 hour lab
Recommended Preparation:
AUTO 100, 102, 103, 109
California B.A.R. approved update course covers the required emission update program. In-depth program covering current laws and regulations, ASM testing, and emission diagnostics used to inspect, test and repair late model vehicles. NR

AUTO 207  AUTOMOTIVE ENGINEERING
FUNDAMENTALS
3 Units; 3 hours lecture
Recommended Preparation: AUTO 100 and MATH 251
Introduction to the science and design of the modern automobile. Basic physics and related mathematical concepts are explained using the automobile as an example. In class demonstrations and student participation provide the connection between theory and real world applications. NR

AUTO 220  ALTERNATIVE PROPULSION SYSTEMS
3 Units; 2 hours lecture; 2 hours lab
Recommended Preparation:
AUTO 100 and 207
Study alternative propulsion systems including CNG, propane, diesel, hybrid and electric vehicle technology. Laboratory exercises include safety, operation, and maintenance of hybrid, electrical and alternative propulsion vehicle systems. NR

AUTO 226  AUTOMOTIVE SERVICE
CONSULTANT
2 Units; 2 hours lecture
Recommended Preparation:
AUTO 100
Focuses on Automotive Service Consultants and their relationship to the processing of work within the automotive service facility. The actions, procedures and interaction with all personnel and their value will be discussed in detail. Content is aligned with tasks identified by Automotive Service Excellence (ASE). NR

AUTO 227  AUTOMOTIVE SERVICE
MANAGEMENT
3 Units; 3 hours lecture
Recommended Preparation:
AUTO 100
Introduction to an automotive service department as it pertains to management. Skill development for operating an automotive business, including service consulting, service management and communication practices. Instruction in federal, state and local regulations for operating a service department. NR

AUTO 228  ADVANCED VEHICLE
PERFORMANCE
1 Unit; 1 hour lecture; 1 hour lab
Recommended Preparation:
AUTO 100, 102, 103, 202, 207
Advanced engine and driveline performance diagnosis will be explored. The course will include advanced diagnostic techniques using the Chassis Dyno on “live” vehicles. NR

AUTO 229  DIESEL TECHNOLOGY
3 Units; 2.5 hours lecture; 1.5 hours lab
Recommended Preparation:
AUTO 100
Diesel technology covers the design, construction, operation, diagnosis, service, and repair of both mobile and stationary diesel engines. The theory, operation, service and diagnosis of diesel engines, engine control computers, fuel management systems, and emission control systems are covered in detail. NR
AUTO 231
HYBRID AND ELECTRICAL VEHICLE TECHNOLOGY
3 Units; 2 hours lecture; 2 hours lab
Recommended Preparation: AUTO 100 and 207
The extensive study of hybrid, plug-in hybrid, and electrical vehicle systems. Laboratory exercises include safety, operation, maintenance and repair of hybrid, plug-in hybrid and electrical vehicle powertrain systems. NR

AUTO 232
DIESEL SYSTEMS TECHNOLOGY
3 Units; 2.5 hours lecture; 1.5 hours lab
Recommended Preparation: AUTO 100
Covers the design, construction, operation, diagnosis, service, maintenance and repair of both mobile and stationary diesel vehicle systems and equipment. The theory, operation, service and diagnosis of diesel powered vehicles and equipment, engine control computers, fuel management systems, braking systems, powertrain, propulsion systems, and emission control systems are covered in detail. NR

AUTO 240
AUTOMOTIVE LAB
3 Units; 9 hours lab
Prerequisite: AUTO 100
Provides directed activities in the “live” automotive lab environment. Designed for students who have intermediate skill level and wish to upgrade and perfect their lab skills. Includes the use of automotive specific tools and equipment. NR

AUTO 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

Biology

BIO 3A
GENERAL BIOLOGY I
5 Units; 3 hours lecture; 6 hours lab
Transfers: CSU, UC
Prerequisite: CHEM 1A
Presents the principles of life and life processes with an emphasis on cellular chemistry, cellular structure, cellular energetics, evolution, molecular biology, genetics, and ecology of living organisms. Field trips may be required to fulfill the objectives of the course. NR

BIO 3B
GENERAL BIOLOGY II
5 Units; 3 hours lecture; 6 hours lab
Transfers: CSU, UC
Prerequisite: BIO 3A
Builds upon BIO 3A with emphasis on the origins of life, plant and animal structure and physiology, evolutionary relationships of taxonomic groups, and ecology. Field trips will be required to fulfill the objectives of the course. NR

BIO 3C
BIOCHEMISTRY AND MOLECULAR BIOLOGY
5 Units; 3 hours lecture; 6 hours lab
Transfers: CSU, UC
Prerequisite: CHEM 12A and BIO 3A
An introduction to biochemistry and molecular biology. Included are discussions of biological macromolecules, energy production, metabolic pathways and regulation, genetic code and genomics, DNA replication, transcription and RNA processing, translation, and gene regulation. Laboratory activities will include use of visible and UV spectrosopy, chromatography, cell fractionation and ultracentrifugation, protein purification, electrophoresis, and recombinant DNA methods. This course is designed for biology majors and health pre-professionals. Field trips may be required to fulfill the objectives of the course. NR

BIO 11
HUMAN ANATOMY
4 Units; 2 hours lecture; 6 hours lab
Transfers: CSU, UC
Prerequisite: BIO 20 or one year of high school biology with a grade of “C” or better
A basic course in the structure of the human body using all systems approach. Emphasis is placed on the relationship between structure and function. Laboratory emphasis on use of the light microscope, histology, and gross anatomy, including cat dissection. Designed for biology majors and health pre-professionals. NR

BIO 12
HUMAN PHYSIOLOGY
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Prerequisite: CHEM 108 or one year of high school chemistry with a grade of “C” or better and BIO 11
A course in human physiology that will center on the functioning and integration of the major organ systems. Emphasis will be placed on the cardiovascular, excretory, respiratory, digestive, and nervous systems and their interactions. Extensive use of physiographs will be included in the laboratory sessions. Field trips may be required to fulfill the objectives of this course. It is designed for biology majors and health pre-professionals. NR

BIO 15
GENERAL MICROBIOLOGY
5 Units; 3 hours lecture; 6 hours lab
Transfers: CSU, UC
Prerequisite: BIO 20 or one year of high school biology with a grade of “C” or better
Recommended Preparation: CHEM 108
An examination of the fundamental biological concepts as they apply to viruses, bacteria, fungi, and protozoa. Emphasis is placed on the prokaryotic cell. Theoretical as well as practical applications are discussed in such topics as bacterial morphology, metabolism, genetics, chemotherapy, and antibiotics. Also included are resistance and immunity, health, and disease. Includes laboratory techniques and methods. NR

BIO 19
MARINE BIOLOGY
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Recommended Preparation: College-level biology course (BIO 20)
Study of the description, distribution, and natural history of marine organisms. Marine life of Southern California will be studied with an emphasis on ecology and adaptations. Field trips may be required to fulfill the objectives of this course. NR

BIO 20
INTRODUCTION TO BIOLOGY
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Integrated study of the basic principles of biology, with emphasis on the principles of structure and function, genetics, development, evolution, and ecology. Discussion of the philosophy, concepts and implications of modern biology will be included. Field trips will supplement laboratory work. NR

BIO 22
HUMAN GENETICS
3 Units; 3 hours lecture
Transfers: CSU, UC
Prerequisite: BIO 20
Focuses on the processes of DNA replication, DNA recombination, gene expression, and mutation in diploid organisms. Includes a survey of human genetics and genetic disorders. Field trips may be required to fulfill the objectives of this course. NR

BIO 30
HUMAN BIOLOGY
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: BIO 20
A general introduction to human structure, functions, genetics, evolution, and ecology. The human organism is examined from the basic cellular level and genetics, through organ systems, to interaction with the outside world. Pertinent health topics such as nutrition, exercise and modern medical advances are also discussed. NR
BIO 31  
**BIOLOGY OF PLANTS**  
4 Units; 3 hours lecture; 3 hours lab  
Transfers: CSU, UC  
Recommended Preparation: BIO 20  
Introduction to the structure, function, development, heredity, physiology, evolution, and ecology of vascular plants and bryophytes. Historical and modern uses of plants will be discussed with particular emphasis on pharmaceutical and agricultural applications. Laboratory exercises include greenhouse and field trip activities. NR

BIO 40  
**EVOLUTION**  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
An introduction to the theory of evolution. Emphasis will be placed on both the theory of evolution and the evidence for evolution. A non-majors course for students with little background in the sciences. Field trips may be required to fulfill the objectives of this course. NR

BIO 43  
**ANIMAL BEHAVIOR**  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
Recommended Preparation: BIO 20  
An analysis of the genetic, chemical, environmental, and experimental determinants of animal behavior. Discussions of gross manifestations and mechanisms of animal behavior will also be included. NR

BIO 45  
**BIOLOGY OF HUMAN DISEASE**  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
Recommended Preparation: BIO 20 or an Introductory Biology college level biology course  
A basic introductory course on human diseases and disease processes. Relates disease and the disease process to the human anatomical and human physiological systems. This course does not meet the requirements of anatomy, physiology, or pathophysiology for nursing students. NR

BIO 48  
**LAB RESEARCH IN THE BIOLOGICAL SCIENCES**  
2 Units; 1 hour lecture; 3 hours lab  
Transfers: CSU, UC  
Prerequisite: BIO 3A or 3B or 3C  
Provides laboratory and field experience for advanced students in the biological sciences. Focuses on hypothesis generation, experimental design, good laboratory practices, equipment use and care, data collection, analysis, and interpretation, verbal and written presentation of results, and standard laboratory safety procedures and bioethical concerns associated with research. NR

BIO 110  
**HUMAN ANATOMY DISCUSSION**  
1 Unit; 1 hour lecture  
Transfers: CSU  
Corequisite: BIO 11  
This discussion course affords students enrolled in BIO 11, Human Anatomy, the opportunity to develop background information, problem solving, extend discussion and exchange ideas concerning human structure. Discussion focuses on anatomical components and other key topics covered in BIO 11 as well as background information not generally covered in lecture. Designed to help students succeed in their study of human anatomy. NR

BIO 112  
**PATHOPHYSIOLOGY**  
3 Units; 3 hours lecture  
Transfers: CSU  
Prerequisite: BIO 12  
A study of the pathophysiology of common disorders of the human nervous, muscular, skeletal, endocrine, cardiovascular, respiratory, excretory, digestive, and reproductive systems. Special emphasis will be placed on the relationship between the normal physiology and the physiological basis of the disease process with special references to clinical correlations. The course is designed for nursing/nurse practitioner majors. NR

BIO 113  
**HUMAN ANATOMY AND PHYSIOLOGY**  
4 Units; 3 hours lecture; 3 hours lab  
Transfers: CSU  
Examines the relationships between human anatomical and human physiological systems. The laboratory will include dissection. This course does not meet the requirements of either anatomy or physiology for nursing students. NR

BIO 120  
**HUMAN PHYSIOLOGY DISCUSSION**  
1.5 Units; 1.5 hours lecture  
Consists of the development of background information, problem solving, and extended discussions to help students succeed in their study of general biology. NR

BIO 175  
**BIOLOGY FIELD STUDIES: EASTERN SIERRA MOUNTAINS**  
1 Unit; 0.5 hours lecture; 1.5 hours lab  
Transfers: CSU  
A study of the flora and fauna and natural history of selected sites within the Eastern Sierra Mountains and adjacent areas. NR

BIO 189  
**SPECIAL TOPICS**  
Units and Hours Vary  
Transfers: CSU  
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

BIO 210  
**BASICS OF BIOLOGY A**  
1.5 Units; 1.5 hours lecture  
Corequisite: BIO 3A  
Consists of the development of background information, problem solving, and extended discussions to help students succeed in their study of general biology. NR

BIO 211  
**BASICS OF BIOLOGY B**  
1.5 Units; 1.5 hours lecture  
Corequisite: BIO 3B  
Consists of the development of background information, problem solving, and extended discussions to help students succeed in their study of general biology. NR

BIO 230  
**BIOLOGY FIELD STUDIES: COASTAL ECOSYSTEMS**  
1 Unit; 0.5 hours lecture; 1.5 hours lab  
A study of the ecology of the coastal environments. Includes origin of estuaries, morphology and parameters of estuarine basins, estuarine shores and substrates, and flora and fauna identification. NR

BIO 231  
**BIOLOGY FIELD STUDIES: ISLAND ECOSYSTEMS**  
1 Unit; 0.5 hours lecture; 1.5 hours lab  
Introduction to island ecosystems. Direct observations and experiments in the field are complemented by lectures and discussions of the physical environment; natural history and ecology of the flora and fauna; and community structure. NR
BIO 232
BIOLOGY FIELD STUDIES: MOUNTAIN ECOSYSTEMS
1 Unit; 0.5 hours lecture; 1.5 hours lab
Introduction to relationships among plants, animals and physical environments that characterize mountain habitats. Topics will include natural history, biology and ecology of the flora and fauna, and community structure and analysis. Introductory lectures complement direct field observations and field experiments, as well as the collection, analysis and interpretation of data. NR

BIO 233
BIOLOGY FIELD STUDIES: DESERT ECOSYSTEMS
1 Unit; 0.5 hours lecture; 1.5 hours lab
An introduction to the relationships among plants, animals and physical environments that characterize desert habitats. Topics will include natural history, biology and ecology of the flora and fauna and community structure and analysis. Introductory lectures complement direct field observations and field experiments, as well as the collection, analysis and interpretation of data. It is intended for both science majors and non-majors. NR

BIO 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

Business

BUS 1
INTRODUCTION TO BUSINESS
3 Units; 3 hours lecture
Transfers: CSU, UC
Survey course provides awareness of functions of business in society. Promotes an appreciation for business ownership; competition; and the systems, technology, and controls through which business organizations operate. Provides the opportunity for developing critical thinking skills regarding the role business plays in global economics and its effects on people. NR

BUS 12
BUSINESS LAW
3 Units; 3 hours lecture
Transfers: CSU, UC
Introduction to the legal environment of American business including history, legal systems, social, ethical, and political forces affecting the development and operation of the legal system. A focal point of the course is the law of contracts and sales of goods. Additional topics include ethical considerations impacting management’s decision-making, torts, crimes, business organizations, property, agency and employment, product liability, constitutional issues and bankruptcy. NR

BUS 14
LEGAL ENVIRONMENT OF BUSINESS
3 Units; 3 hours lecture
Transfers: CSU, UC
The legal system as it affects the business environment. Introduces the student to the history, sources, and creation of law and its impact on business and society. The student will critically analyze the law’s effects on social and ethical responsibilities. Emphasis is on law as it pertains to the court system, dispute resolution, contracts, torts, product liability, crimes, intellectual property, real and personal property, the internet, agency and employment, business entities, regulation of American business, bankruptcy, and protection of the environment. NR

BUS 31
TEXTILES
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU, UC
Fabric selection and care considering fibers, yarns, weaves knits, finishes, and color. Emphasis is on properties of fibers as related to their end use and consumer understanding of fabric performance. Also listed as FASH 31. Credit given in either area, not both. NR

BUS 102
ORAL BUSINESS COMMUNICATIONS
3 Units; 3 hours lecture
Transfers: CSU
Students master workplace oral communication skills and concepts, including the communication process, from organizational theory to culturally-aware interpersonal communications, strategies for critical listening, interpersonal communication, teamwork, meeting, and leadership skills, interviewing, business etiquette, nonverbal communications, and reduction of communication anxiety. Students apply effective communication strategies and skills to the real business world. Students create and deliver business-based information and persuasive presentations using presentation software, including locating, evaluating, synthesizing, outlining, and delivering; uses databases and other appropriate sources. NR

BUS 103
BUSINESS ENGLISH
3 Units; 3 hours lecture
Transfers: CSU
Prerequisite: BUS 103 or ENG 1A
Recommended Preparation: CIM 230
Presents the principles and styles of effective written business communications. Analyze business case studies to create appropriate documents and compose business letters, memorandums, reports, and employment-related documents. Develop planning, organizing, and outlining skills as well as editing proficiency. Improve ethical and cultural sensitivity, grammar skills, and writing style. Participate in team and online activities. NR

BUS 104
BUSINESS COMMUNICATION
3 Units; 3 hours lecture
Transfers: CSU
Prerequisite: BUS 103 or ENG 1A
Recommended Preparation: CIM 230
Presents the principles and styles of effective written business communications. Analyze business case studies to create appropriate documents and compose business letters, memorandums, reports, and employment-related documents. Develop planning, organizing, and outlining skills as well as editing proficiency. Improve ethical and cultural sensitivity, grammar skills, and writing style. Participate in team and online activities. NR

BUS 116
PERSONAL LAW
3 Units; 3 hours lecture
Transfers: CSU
Law for the individual and family for lifelong decision-making. Topics include legal problems associated with family relationships, impairment of physical and mental health, home and vehicle ownership, evaluation of insurance coverage, employment relationships and other contracts, crime, torts, estate planning for death or incompetence, courts, credit reports, identity theft, and dispute resolution. Emphasis is on preventive law to minimize stress associated with legal problems and achieve optimal physical and mental health. NR

BUS 110
SOCIAL MEDIA MARKETING
3 Units; 3 hours lecture
Transfers: CSU
Social media implications, opportunities, and challenges for business and communications professions. Students will participate in content creation; practical, ethical, and effective use of an array of social media sites, applications, and resources. They will evaluate the impact, effectiveness, and design of various elements of social media marketing. NR
BUS 120  
BUSINESS MANAGEMENT  
3 Units; 3 hours lecture  
Transfers: CSU  
Uses an active learning approach to cover all levels of management concepts. Develops strategies to develop and sharpen skills in planning, leading, organizing, controlling, and decision-making. Useful for supervision, continuous quality improvement, and project management. NR

BUS 125  
HUMAN RELATIONS IN BUSINESS  
3 Units; 3 hours lecture  
Transfers: CSU  
Management and development of effective human relations in the social subgroup of business organizations. Focuses on the ways people act in response to their work environment; creates awareness of policies and actions that prevent or resolve problems among individuals within groups, improving communication and managing conflict. Develops methods of inquiry used in study of current management techniques; stimulates critical thinking about human organizational challenges, workforce diversity, and solutions aimed at greater productivity of the individual, groups, customer service, and project management. NR

BUS 135  
MARKETING  
3 Units; 3 hours lecture  
Transfers: CSU  
Introduction to the classic and contemporary marketing functions related to organizations and the economy. Course will provide analysis of marketing strategies necessary to develop and market products and services by applying various marketing concepts and new technologies. Integrated case study analysis stimulates problem-solving, pricing, distribution, promotion, and uses of new technologies, including e-commerce. NR

BUS 136  
PRINCIPLES OF RETAILING  
3 Units; 3 hours lecture  
Transfers: CSU  
Study of merchandising, marketing, management, staffing, buying, pricing, transaction/stock control, location, layout, service, consumer behavior and service, and current problems and trends, as they apply to the retailing of goods and services. NR

BUS 137  
PROFESSIONAL SELLING  
FUNDAMENTALS  
3 Units; 3 hours lecture  
Transfers: CSU  
Covers the principles, problems, and techniques of one-on-one selling of ideas, products, and services in today’s domestic and international markets. Active participation provides practical experience through guided role-playing with techniques for success as a sales professional. Psychological and social aspects of buyer motivation are studied, as well as critical thinking, elements of presentation, and ethics, as appropriate for developing sales skills. NR

BUS 138  
ADVERTISING  
3 Units; 3 hours lecture  
Transfers: CSU  
Contemporary advertising for profit and non-profit organizations. Surveys strategies, design approaches, electronic applications, and media selection. In addition, the elements of good copy, layout, and production of both print and electronic media, including email, e-marketing, e-retailing and web sites will be discussed. Also listed as CTVR 138. Credit given in either area, not both. NR

BUS 143  
FASHION BUYING AND  
MERCHANDISING  
3 Units; 3 hours lecture  
Transfers: CSU  
Study the principles and techniques of merchandising pertinent to the fashion industry including buying fashion, methods of merchandising fashion, and merchandise control. Also listed as FASH 143. Credit given in either area, not both. NR

BUS 145  
INTERNSHIP  
1 Unit; 1 hour lecture  
Transfers: CSU  
Corequisite: CWE 180  
Supervised and educationally directed internship. Weekly lectures will relate on-the-job experiences with the academic program. To be taken in the final semester of program. Also listed as FASH 145. Credit given in either area, not both. NR

BUS 147  
SPECIAL EVENTS COORDINATION  
AND PROMOTION  
3 Units; 2 hours lecture; 2 hours lab  
Transfers: CSU  
Emphasis is on a student-produced fashion event. The course will provide training in fashion promotion and coordination, retail sales, advertising, and merchandising. Also listed as FASH 147. Credit given in either area, not both. NR

BUS 148  
VISUAL MERCHANDISING  
3 Units; 2 hours lecture; 2 hours lab  
Transfers: CSU  
Visual merchandising as both an art form and a selling technique in fashion retailing. The use of color, outfit coordination, store layout, fixtures, lighting, signing, composition, mannequins, and props will be studied. Also listed as FASH 148. Credit given in either area, not both. NR

BUS 150  
INTERNATIONAL BUSINESS  
3 Units; 3 hours lecture  
Transfers: CSU  
A comprehensive overview of international business focusing on U.S. and world cultural differences related to global business concepts and the issues and trends influencing global business decision-making. Includes analysis of economic, historical, cultural, social, technological, legal, environmental, educational, and language implications; emerging markets; international trade; foreign investments; financial markets; entrepreneurship; international management; and international business strategic planning issues and trends. NR

BUS 160  
ENTREPRENEURSHIP  
3 Units; 3 hours lecture  
Transfers: CSU  
Practical hands-on business course designed for students interested in starting their own business or for the new business owner. The course focuses on identifying opportunity, targeting markets, financial measurement metrics, legal considerations, and operational and management issues. Students will evaluate the benefits and risks of business ownership and learn skills to manage and market the business from an entrepreneurial prospective. Students will create a business plan and develop strategies to secure financing. NR

BUS 189  
SPECIAL TOPICS  
Units and Hours Vary  
Transfers: CSU  
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR
Chemistry

CHEM 1A
GENERAL CHEMISTRY
5 Units; 3 hours lecture; 6 hours lab
Transfers: CSU, UC
Prerequisite: MATH 124 and CHEM 3 or placement through the Chemistry Challenge Exam
Corequisite: CHEM 106
Recommended Preparation: PHYS 20
An introduction to the principles of chemistry. Topics include: atomic and molecular structure, bonding, nomenclature, formulas, equations, stoichiometry, thermodynamics, gases, liquids, solids and solutions. NR

CHEM 1B
GENERAL CHEMISTRY
5 Units; 3 hours lecture; 6 hours lab
Transfers: CSU, UC
Prerequisite: CHEM 1A
Includes thermodynamics, equilibria, kinetics, acids and bases, oxidation-reduction, electrochemistry, coordination chemistry, and qualitative analysis. NR

CHEM 3
FUNDAMENTAL CHEMISTRY
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Prerequisite: MATH 253
A study of basic principles of chemistry designed especially for the student who intends to take CHEM 1A but needs more preparation. Topics include problem-solving and calculation methods, nomenclature, formulas, equations, stoichiometry, thermodynamics, atomic and molecular structure, bonding, gases, solutions, equilibrium, acids, and bases. NR

CHEM 12A
ORGANIC CHEMISTRY
5 Units; 3 hours lecture; 6 hours lab
Transfers: CSU, UC
Prerequisite: CHEM 1B
A study of the principles, theories, and reactions of organic chemistry with emphasis on the relations of structure and reactivity. The course is recommended for students whose major is chemistry or a closely-related field such as biology, biochemistry, or chemical engineering. The following topics are included: stereochemistry, aliphatic and aromatic compounds, preparations and reactions of certain organic compound types, and spectroscopic methods. NR

CHEM 12B
ORGANIC CHEMISTRY
5 Units; 3 hours lecture; 6 hours lab
Transfers: CSU, UC
Prerequisite: CHEM 12A
A continuation of CHEM 12A. Topics include preparations and reactions of certain organic compound types, polynuclear and heterocyclic compounds, polymers, lipids, carbohydrates, amino acids, proteins, and biochemical processes. NR

CHEM 106
BASICS OF CHEMISTRY
2 Units; 2 hours lecture;
Transfers: CSU
Corequisite: CHEM 1A
Consists of quiz/discussion/problem-solving/drill sessions. Designed to help students succeed in their study of general chemistry. NR

CHEM 108
INTRODUCTION TO GENERAL, ORGANIC, AND BIOCHEMISTRY
4 Units; 3 hours lecture; 3 hours lab;
Transfers: CSU
A study of inorganic, organic, and biochemistry for health pre-professionals and non-science majors. Ideal for students planning to enter nursing and dental hygiene programs. Designed as the first chemistry course to assist students in biology and health-related professions. The focus is on the biochemistry of the human body. Health, nutrition, and basic laboratory techniques are included. NR

CHEM 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

Child Development

CD 101
PRINCIPLES AND PRACTICES OF TEACHING YOUNG CHILDREN
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: CD 107 and ENG 200, 340
An examination of the underlying theoretical principles of developmentally appropriate practices applied to programs, environments, emphasizing the key role of relationships, constructive adult-child interactions, and teaching strategies in supporting physical, social, creative and intellectual development for all children. This course includes a review of the historical roots of early childhood programs and the evolution of the professional practices promoting advocacy, ethics and professional identity. DS3 NR
CD 105
CHILD, FAMILY, AND COMMUNITY
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: ENG 200 and 340
An examination of the developing child in a societal context focusing on the interrelationship of family, school and community with an emphasis on historical, cultural, and political factors that influence the process of socialization including identity development. Highlights the importance of respectful, reciprocal relationships that support and empower families. Major theoretical perspectives will be examined. DS5  NR

CD 107
CHILD GROWTH AND DEVELOPMENT
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: ENG 200 and 340
Examines the major physical, social, emotional, and cognitive developmental milestones for children, both typical and atypical, from conception through adolescence. Emphasis on interactions between maturational processes and environmental factors. Students will apply developmental theory and investigative research methods to the observation of children in several settings, evaluate individual differences and analyze characteristics of development at various stages. DS1  NR

CD 110
INTRODUCTION TO EARLY CHILDHOOD CURRICULUM
3 Units; 2 hours lecture; 2 hours lab
Transfers: CSU
Recommended Preparation: CD 107 and ENG 200, 340
An overview of appropriate curriculum and environments for young children including content areas and popular models of curriculum. Students will explore the teacher’s role in supporting development and fostering play based learning for all young children by participating weekly at an introductory level with children ages 0-6 and using observation, implementation and assessment strategies in key areas including but not limited to: Language, literacy/social/emotional, sensory, art, creativity, math and science. DS3  NR

CD 111
CHILD GUIDANCE AND COMMUNICATION
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: ENG 200 and 340
Introduction to the study of developmentally appropriate child guidance skills. Emphasis will be on communicating effectively with children, guiding children of varying ages, promoting self-control, and enhancing self-esteem. DS3  NR

CD 112
HEALTH, SAFETY, AND NUTRITION
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: CD 101, 107, 110, ENG 200, 340
Introduces the key components of physical and mental health and safety for children and adults including nutrition, disease prevention, food safety management. Strategies for collaboration with families and health care professionals, laws and regulations pertaining to work with children, and methods for teaching concepts to children will be included. Students will be responsible for providing proof of current adult and pediatric first aid and CPR certification. DS7  NR

CD 113
MATH AND SCIENCE IN EARLY CHILDHOOD
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: CD 101, 107, 110, ENG 200, 340
Presents current research and best practices for teaching math and science in early childhood settings serving children ages 0-5. Material selection, integrated activities, teaching strategies, environments, and assessment methods will be covered. Does not meet general education requirements in natural science or mathematics. NR

CD 114
CREATIVE AND DRAMATIC ARTS IN EARLY CHILDHOOD
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: CD 101, 107, 110, ENG 200, 340
Presents theoretical foundations and developmentally appropriate practices for designing supportive environments, selecting appropriate materials, and developing, presenting, and evaluating curriculum in the areas of visual and performing arts for use with children ages 0-5. NR

CD 115
LITERACY IN EARLY CHILDHOOD
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: CD 101, 107, 110, ENG 200, 340
Presents current research and best practices for teaching literacy in early childhood settings serving children ages 0-5. Material selection, and integrated activities, indoor and outdoor environments and assessment methods will be covered. NR

CD 117
TEACHING IN A DIVERSE SOCIETY
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: CD 101, 107, 110, ENG 200, 340
Examination of the development of social identities in diverse U.S. societies including theoretical and practical implications of oppression and privilege as they apply to young children, families, programs, classrooms and teaching. Various strategies will be explored emphasizing culturally and linguistically appropriate anti-bias approaches supporting all children in becoming competent members of a diverse society. Course includes self-examination and reflection on issues related to social identity, stereotypes and bias, social and educational access, media and schooling. NR

CD 120
OBSERVATION AND ASSESSMENT
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: CD 101, 110, ENG 200 and 340
Focuses on the appropriate use of observation and assessment strategies to document and interpret children’s development, growth, play and learning as the basis for planning for success and maintaining quality programs. Recording strategies, rating systems, portfolios and assessment methods are explored. NR

CD 121
PRACTICUM: THE STUDENT TEACHING EXPERIENCE
5 Units; 3 hours lecture; 6 hours lab
Transfers: CSU
Prerequisite: CD 110 and CD 120
Limitation: TB test results on file in the Student Health Center
Recommended Preparation: CD 101, 107, 110, ENG 200
Student teachers will utilize 90 hours of lab classroom experience to demonstrate developmentally appropriate teaching competencies and make connections between theory and practice under supervision. Professional behaviors, relationships with children and families, play-based approaches to teaching, learning, and assessment; and knowledge of curriculum content areas will be emphasized as students design, implement and evaluate experiences that promote positive development and learning in diverse settings. DS5  NR

CD 123
INFANT AND TODDLER DEVELOPMENT
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: CD 101, 110, ENG 200, 340
Development and behavior in children from conception to age three. Characteristic social, physical, and sensorimotor behavior patterns of infants and toddlers in relation to the environment will be explored through theory and direct observation. DS4  NR
CD 125  
SCHOOL-AGE BEFORE AND AFTER SCHOOL PROGRAMS  
3 Units; 3 hours lecture  
Transfers: CSU  
Recommended Preparation: CD 101, ENG 200 and 340  
An integrated approach to designing, planning and implementing developmentally appropriate programs for school-age children in before and after school care settings. Includes techniques for effective discipline and guidance, and dynamics of working as a team member. This course applies towards the licensing requirements for school-age children and youth. DSS NR

CD 127  
ADULT SUPERVISION AND MENTOR PRACTICES  
2 Units; 2 hours lecture  
Transfers: CSU  
Recommended Preparation: CD 101, 110, ENG 200 and 340  
A study of the methods and principles of supervising student teachers, assistant teachers, parents, and volunteers in early-childhood or school-age centers. Emphasis is on the role of a mentor who functions to guide the teaching team while simultaneously addressing the needs of children, parents, and their staff. Satisfies the adult supervision requirement for the Child Development Permit and eligibility to apply for the California Mentor Teacher Program. DS6 NR

CD 128  
ADMINISTRATION OF YOUNG CHILDREN’S SETTINGS: PROGRAM  
3 Units; 3 hours lecture  
Transfers: CSU  
Recommended Preparation: CD 101, 110, ENG 200, 340  
Designed to prepare administrators of schools for young children. Emphasis on human relations, responsibilities of the director, planning, personnel, staff development, operating the children’s program, parent’s program and interacting with the community, including public relations. DS6 NR

CD 129  
ADMINISTRATION OF YOUNG CHILDREN’S SETTINGS: MANAGEMENT  
3 Units; 3 hours lecture  
Transfers: CSU  
Recommended Preparation: CD 101, 110, ENG 200, 340  
Designed to prepare administrators of settings for young children. Emphasis is on preliminary steps: start-up, licensing requirements, operational and on-going costs, recordkeeping, managerial decision making, time management, legal issues, regulations and requirements. DS6 NR

CD 133  
INFANT AND TODDLER CURRICULUM AND GROUP CARE  
3 Units; 3 hours lecture  
Transfers: CSU  
Recommended Preparation: CD 101, 110, ENG 200 and 340  
History and types of care for infants and toddlers. Focuses on developmentally appropriate curriculum and environments for infant and toddler group care. Caregiver roles and parent relationships will also be discussed. DS4 NR

CD 135  
THE YOUNG CHILD WITH SPECIAL NEEDS  
3 Units; 3 hours lecture  
Transfers: CSU  
Recommended Preparation: CD 101, 107, 110, ENG 200, 340  
Designed for students who are considering a career or certificate in special education or desire to work with children with special needs and their families. Also provides an overview of common disabilities of children and the impact on families. Educational issues, techniques, methods of intervention and case management are explored. Examines federal law and the development of the Individualized Family Support Plan and Individualized Educational Plan. Teaching practices and philosophies of childcare and school are discussed. Adaptation and intervention methods will be designed. Observation of children will be required. NR

CD 140  
EARLY INTERVENTION AND INCLUSION  
3 Units; 3 hours lecture  
Transfers: CSU  
Recommended Preparation: CD 101, 107, 110, ENG 200, 340  
Theories, research, and practical applications from the fields of both early childhood education and special education. Includes curriculum modification strategies to facilitate the development of cognitive, motor, social/ emotional and language skills in children with special needs. Emphasis on developing behavior management plans, collaborative teaching systems, and methods for working with paraprofessionals and parents of children with special needs. Introduces efficient and cost effective methods for adapting environments to meet children’s unique needs. Practical strategies will be discussed for implementation of Individual Education Plans (IEP) and Individual Family Service Plans (IFSP). NR

CD 189  
SPECIAL TOPICS  
Units and Hours Vary  
Transfers: CSU  
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same core. NR

CD 250  
GARDENING WITH YOUNG CHILDREN  
1 Unit; 0.5 hours lecture; 1 hour lab  
Basic skills and strategies for developing and maintaining gardens with young children, including garden site development, plant selection, developmentally appropriate activities for children, ideas for funding and maintaining school gardens, and tips for working with volunteer helpers. NR

CD 270  
PRESCHOOL LEARNING FOUNDATIONS: SOCIAL AND EMOTIONAL DOMAIN  
1 Unit; 1 hour lecture  
Introduces the competencies identified in the California Preschool Learning Foundations in the domain of social-emotional development including the strands of self, social interaction, and relationships. Emphasis will be on the multiple ways in which young children’s development in this domain influences their ability to adapt successfully to preschool and later in school. Provides practical strategies for implementing the curriculum frameworks developed for this domain. NR

CD 272  
PRESCHOOL LEARNING FOUNDATIONS: ENGLISH LANGUAGE DEVELOPMENT  
1 Unit; 1 hour lecture  
Introduces the competencies identified in the California Preschool Learning Foundations in the domain of English language development including the strands of listening, speaking, reading, and writing. Emphasis will be on the sequential and multifaceted tasks faced by children learning second languages. Provides practical strategies for implementing the curriculum frameworks developed for this domain. NR

CD 273  
PRESCHOOL LEARNING FOUNDATIONS: MATHEMATICS  
1 Unit; 1 hour lecture  
Introduces the competencies identified in the California Preschool Learning Foundations in the domain of mathematics including strands of number sense, algebra and functions, measurement, geometry, and mathematical reasoning. Provides practical strategies for implementing the curriculum frameworks developed for this domain. NR

CD 274  
DOCUMENTATION OF CHILDREN’S LEARNING  
1 Unit; 1 hour lecture  
This foundation course explores the role of documentation in education as a tool for reflection, assessment and growth of children, teachers and families. Students create a documentation panel represented as a learning process in an early childhood or elementary classroom and learn to identify and understand the integral pieces of this learning process. NR
Chinese

CHI 1
ELEMENTARY CHINESE
5 Units; 5 hours lecture
Transfers: CSU, UC
Corequisite: CHI 901
Recommended Preparation:
College-level reading ability

Designed to develop the fundamentals of communicative competence in daily spoken Chinese. Emphasis is on reading and writing skills, as well as fundamental aspects of culture. Equivalent to two years high school Chinese. NR

CHI 2
ELEMENTARY CHINESE
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: CHI 1 or two years of high school Chinese
Corequisite: CHI 902

Designed to further the fundamentals of communicative competence in daily spoken Chinese. Although the focus remains on listening comprehension and speaking, reading and writing skills will be expanded. This course continues the familiarization with customs and cultural achievements begun in the previous semester. NR

CHI 3
INTERMEDIATE CHINESE
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: CHI 2 or three years of high school Chinese
Corequisite: CHI 903

Intermediate level course focuses on fluency in reading, writing, speaking, and listening. Continues the study of Chinese cultures. NR

CHI 4
INTERMEDIATE CHINESE
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: CHI 3 or four years of high school Chinese
Corequisite: CHI 904

Emphasizes fluency in speaking, reading, writing, and comprehension of Chinese. Includes selected readings and discussions from the basic four genres in Chinese and Chinese-American literature, culture, and customs. NR

CHI 21
INTRODUCTION TO CHINESE CULTURE AND INFLUENCE IN THE U.S.
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation:
College-level reading ability

Designed to provide a brief overview in English of the historical contours of Chinese culture. Areas of study include the present implications of the five thousand-year-long history, developmental imbalances as a consequence of geographical and communication barriers, the integrative power of the written language, the stability of the family system, and the tension between tradition and modernity. No prior study of the Chinese language or culture is required. NR

CHI 901
CHINESE LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: CHI 1

Requires concurrent enrollment in Chinese 1. Enhances and provides practice in skills learned in Chinese 1 course. NR

CHI 902
CHINESE LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: CHI 2

Requires concurrent enrollment in Chinese 2. Enhances and provides practice in skills learned in Chinese 2 course. NR

CHI 903
CHINESE LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: CHI 3

Requires concurrent enrollment in Chinese 3. Enhances and provides practice in skills learned in Chinese 3 language courses. NR

CHI 904
CHINESE LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: CHI 4

Requires concurrent enrollment in Chinese 4. Enhances and provides practice in skills learned in Chinese 4 language courses. NR

Cinema, Television, Radio

CTVR 1
MASS MEDIA AND SOCIETY
3 Units; 3 hours lecture
Transfers: CSU, UC
Prerequisite: CTVR 101

A study of mass media and media technology as they apply to society. Includes a study of media functions, responsibilities, practices, and influences, as well as a study of media law, ethics, history, development, and potential for the future. The course is designed to increase student awareness of the impact of mass media in shaping society. Also listed as JRN 1. Credit given in either area, not both. NR

CTVR 7
CROSS CULTURAL CINEMA
3 Units; 3 hours lecture
Transfers: CSU, UC

A historical perspective on the role of women in film. Examines political, economic, and philosophical highlights of the work of women in front of and behind the camera. Includes various genres and analysis of the societal impact of these films. Students will view and evaluate a large cross-section of films. NR

CTVR 9
WOMEN IN CINEMA AND TELEVISION
3 Units; 3 hours lecture
Transfers: CSU, UC

Perspectives of underrepresented groups in US films. Examines political, economic, and philosophical highlights of their work in front of and behind the camera. Includes various genres and analysis of the societal impact of these films. Students will view and evaluate a large cross-section of films. NR

CTVR 31
FILM PRODUCTION I
3 Units; 3 hours lecture; 1 hour lab
Transfers: CSU, UC
Prerequisite: CTVR 101

Learn single-camera style film production. A variety of projects will be shot on digital video. Pre-production topics include language of cinematography, telling a visual story, script and character development, writing, and producing. Shooting topics include blocking and composition, basic lighting and audio techniques, and master scene technique. Post-production is completed on non-linear systems. NR
CTVR 32
FILM PRODUCTION II
3 Units; 3 hours lecture; 1 hour lab
Transfers: CSU, UC
Prerequisite: CTVR 31
Recommended Preparation: CTVR 40
Students will produce and shoot short films to compete in film festivals. Emphasis on professional level films and personal development of skills. Students will shoot single-camera film style, using advanced digital film production equipment and editing on advanced non-linear programs. NR

CTVR 40
TELEVISION AND FILM
SCRIPTWRITING I
3 Units; 3 hours lecture
Transfers: CSU, UC
Prerequisite: Completion of or concurrent enrollment in ENG 1A
Emphasizes the theories, formats, practices, and organization in writing scripts for television broadcasting and film production. Includes character development, rewrite, dialogue, format, story and structure. Student work will be considered for production by film production courses. NR

CTVR 42
TELEVISION AND FILM DIRECTING
3 Units; 3 hours lecture; 1 hour lab
Transfers: CSU, UC
Prerequisite: CTVR 101
Provides students with training in the elements of directing for film and television. Includes blocking and directing talent and cameras. Post-production elements also covered. NR

CTVR 100
INTRODUCTION TO CINEMA, TELEVISION, AND RADIO
3 Units; 3 hours lecture
Transfers: CSU
Exploration of the history and organization of the radio, TV, and film industry. Provides an overview of the technologies and organizational structure of the industry with emphasis on career opportunities in radio, TV, and film. NR

CTVR 101
VIDEO PRODUCTION BASICS
3 Units; 3 hours lecture; 1 hour lab
Transfers: CSU
Introduction to video production including camera, lighting, and editing. Develop an understanding of video technology and vocabulary. Learn technique and application of video tools such as cameras, lights, audio, and non-linear editing. Demonstrate understanding of aesthetic theory by applying concepts to student productions. NR

CTVR 102
HISTORY AND APPRECIATION OF TELEVISION BROADCASTING
3 Units; 3 hours lecture
Transfers: CSU
Evaluation of television broadcasting as a medium of mass communication through exploration of its history, creative techniques, and relationship to society. Students will explore the historical development of television and analyze major works. NR

CTVR 104
COLD READING AND INTERVIEW TECHNIQUES
3 Units; 3 hours lecture
Transfers: CSU
Training for cold reading and interviewing for Industry Talent Agencies, Casting Directors for Film, Television and Radio and Studio and Network executives. NR

CTVR 106
VIDEO JOURNALISM
3 Units; 2 hours lecture; 4 hours lab
Transfers: CSU
Recommended Preparation: JRN 2 and CTVR 101
Incorporates print and broadcast techniques to produce multimedia pieces for the web, tablets and emerging platforms with a focus on video journalism. Topics include multimedia storytelling that incorporates shooting and editing video, recording and editing sound, writing, and still photographs. An emphasis will be placed on journalistic, documentary-style video storytelling for the news media. Also listed as JRN 108. Credit given in either area, not both. NR

CTVR 108
AUDIO PRODUCTION
3 Units; 3 hours lecture; 1 hour lab
Transfers: CSU
Emphasizes the basic principles and techniques of acquiring, developing, and producing material for various audio applications including: radio, Internet, television, and film audio production. NR

CTVR 110
RADIO BROADCASTING
2 Units; 1 hour lecture; 2 hours lab
Transfers: CSU
Recommended Preparation: CTVR 110 and 113
Provides the student with regular and continuing experience in the operation of the college radio station, KSBR-FM. Students may elect roles in the radio operation involving on-air announcing, special production, programming, and news and public affairs. NR

CTVR 111
ADVANCED RADIO BROADCASTING
2 Units; 1 hour lecture; 2 hours lab
Transfers: CSU
Prerequisite: CTVR 113
Provides the student with continuing experience in operating the college radio station, KSBR-FM. Emphasis will be placed on operating studio equipment and in music programming and formats. Provides the student interested in a professional career in broadcasting with a variety of broadcast experiences. NR

CTVR 112
DIGITAL MULTI-TRACK MUSIC RECORDING
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU
Initial exposure to sound recording principles, techniques, and equipment. Emphasizes multi-track music recording process, basic tracks, overdubbing, and mixdown. Students will receive hands-on experience with professional 24 track digital recording equipment while the class participates in a variety of recording projects. Also listed as MUS 118. Credit given in either area, not both. NR

CTVR 113
RADIO BROADCASTING
3 Units; 3 hours lecture; 1 hour lab
Transfers: CSU
Prerequisite: Completion of or concurrent enrollment in CTVR 110
Explore the basic elements of radio broadcasting. Areas include station organization, music and talk programming formats, promotions, sales, announcing, and FCC regulations. Prepares students for advanced course and participation in actual on-air experiences at KSBR and OC Rock Radio. NR

CTVR 114
TELEVISION PRODUCTION I
3 Units; 3 hours lecture; 1 hour lab
Transfers: CSU
Prerequisite: CTVR 101
A hands-on course in producing, directing, and shooting television programs. Extensive studio experience is provided through 3-camera shooting, using all crew positions. Course also covers field production. Projects will be broadcast on Cox Channel 39. NR
CTVR 125
TELEVISION PRODUCTION II
3 Units; 3 hours lecture; 1 hour lab
Transfers: CSU
Prerequisite: CTVR 124
An advanced course emphasizing 3-camera studio and single-camera field production. Students will produce a variety of professional-level television shows. NR

CTVR 128
TELEVISION AND RADIO NEWS
3 Units; 3 hours lecture; 1 hour lab
Transfers: CSU
Designed to acquaint students with the fundamental skills for gathering, writing, and producing news for broadcast media. Includes anchoring, writing, reporting, and producing news for non-print media. NR

CTVR 129
DOCUMENTARY PRODUCTION
3 Units; 3 hours lecture; 1 hour lab
Prerequisite: CTVR 101
A hands-on production course focusing on documentary projects. Students will explore various styles of documentaries and produce documentary films. NR

CTVR 138
ADVERTISING
3 Units; 3 hours lecture
Transfers: CSU
Contemporary advertising for profit and non-profit organizations. Surveys strategies, design approaches, electronic applications, and media selection. In addition, the elements of good copy, layout, and production of both print and electronic media, including email, e-marketing, e-retailing and web sites will be discussed. Also listed as BUS 138. Credit given in either area, not both. NR

CTVR 140
TELEVISION AND FILM SCRIPTWRITING II
3 Units; 3 hours lecture; 1 hour lab
Transfers: CSU
Prerequisite: CTVR 40
Advanced level script writing from initial concept to final product including character development, 3-act story structure, dialogue and narrative. Student work will be considered for production. NR

CTVR 151
NON-LINEAR EDITING I
3 Units; 3 hours lecture; 1 hour lab
Transfers: CSU
Introduction to the aesthetics and physical elements of editing on a digital non-linear system. Trains editors using Final Cut Pro. Students will also analyze different styles of editing. NR

CTVR 156
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

CTVR 191
VOICE-OVER AND ANNOUNCING
3 Units; 3 hours lecture; 1 hour lab
Transfers: CSU
Develop effective radio and television performance techniques stressing skills in narration, dubbing, and voice-over for industry, education, entertainment and commercials. NR

CTVR 233
FILM PRODUCTION III
3 Units; 3 hours lecture; 1 hour lab
Prerequisite: CTVR 32
Recommended Preparation: CTVR 42, 140, 262, 264
Class is based around learning professional filmmaking tools including RED Digital Cinema and an advanced filmic production. The script and key crew positions will be determined by instructor. Students will assist in the preproduction, production and post-production of the picture. Students are expected to be fully capable of fulfilling crew positions as assigned. NR

CTVR 251
NON-LINEAR EDITING II
3 Units; 3 hours lecture; 1 hour lab
Prerequisite: CTVR 151
Using lecture, practical demonstrations, and lab projects, the student will learn advanced computer-based non-linear post-production techniques. Emphasis will be placed on image manipulation, creation and importing of digital animations, audio enhancement, and image output for various formats. NR

CTVR 253
DIGITAL SPECIAL EFFECTS
3 Units; 3 hours lecture; 1 hour lab
Recommended Preparation: CTVR 151
Introduction to creating digital special effects in the non-linear edit suite. Using state-of-the-art special effects software, including After Effects, and Apple Motion, students will learn to combine graphic images with digital video projects, create key-frame 2D animations, text effects, and use visual effect filters. NR

CTVR 260
PRODUCTION DESIGN FOR FILM AND TELEVISION
2 Units; 2 hours lecture
Learn the art and craft of designing for film & television including set design, set dressing, wardrobe, props, and general stagecraft. Learning to emotionally influence the viewer, set a mood, and general approaches to production design and art direction as well as safety shall be covered. NR

CTVR 261
PRODUCING VIDEO FOR THE WEB — BOOT CAMP
1 Unit; 1 hour lecture
Prerequisite: Completion of or concurrent enrollment in CTVR 101
This hands-on course uses a professional approach to producing and directing web video content, including extensive market research, preparing and creating webisode ideas, producing a webisode “pilot,” and maximizing distribution. This course will teach you how to market your video to an online audience. NR

CTVR 262
PRODUCTION MANAGEMENT
3 Units; 3 hours lecture
Defines and examines the role of the producer, production manager, coordinator and assistant director through the pre-production, production, and post production phases. Emphasis is placed on script breakdown, crew selection and hiring practices, industry work rules, production procedures, safety requirements and legal issues. NR

CTVR 264
CINEMATOGRAPHY
2 Units; 1.5 hours lecture; 1.5 hours lab
Prerequisite: CTVR 101
Introduction to the art and science of lighting for the camera. The proper set-up, identification, uses, and effects of lighting needed to create dramatic visual images are used to learn the relationship of lighting to the camera, exposure, shutter speed, ISO ratings, and filters. Students will learn crew positions and cinematography organization. NR

CTVR 266
SCRIPT SUPERVISING FOR FILM AND TELEVISION
3 Units; 3 hours lecture; 1 hour lab
Introduces the theory and practice of script supervising for film and television production. Includes techniques of continuity, timing, script breakdown, edit logs and editing notes for feature films, television shows, commercials, shorts, infomercials and documentaries. NR
Courses

CTVR 268
EDITOR’S BOOT CAMP
1 Unit; 1 hour lecture
An intensive workshop designed to train editors using Final Cut Pro. Learn how to become an editor, capture video, import and export media, manage projects, manipulate sound and moving pictures on a non-linear editing system including titling and filters. NR

CTVR 280
CINEMA/TELEVISION/RADIO
EMPLOYMENT SKILLS
3 Units; 3 hours lecture
Recommended Preparation: CTVR 31 or 110 or 124 or 290 or 291
Training for job search and on the job skills needed to work successfully in any professional setting. Develop job skills in a professional working environment, such as a radio station, television production company, talent agency, or film studio. Development of a job marketing strategy and effective interview skills. NR

CTVR 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

CTVR 290
ACTING FOR THE CAMERA I
3 Units; 3 hours lecture; 1 hour lab
An on-camera process class that develops technical and performance skills specific to film and television. NR

CTVR 291
ACTING FOR THE CAMERA II - CREATING A CHARACTER
3 Units; 3 hours lecture; 1 hour lab
Prerequisite: CTVR 290
An on-camera process class that develops technical skills and acting skills specific to the mediums of film and television. Using Meisner and Hagen techniques to create the reality of doing while working on immediacy, conditioning forces, character action and particularization. On set discipline, protocol and the focal length of performance will also be explored. Material will be suited to the strengths and experience of the individual student. NR

Computer and Information Management
Includes the following prefixes: CIM, CIMA, CIMN, CIMP, CIMS, and CIMW

CIM 1
COMPUTER INFORMATION SYSTEMS
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Examination of computer information systems and their role in business including computer hardware and software, communications and networking concepts, programming techniques, e-commerce, ethics and security, database management systems, Internet usage, and system and application software. Students apply these concepts and methods through hands-on projects to develop computer-based solutions to business problems. NR

CIM 10
INTRODUCTION TO INFORMATION SYSTEMS
3 Units; 3 hours lecture; 3 hours learning center
Transfers: CSU, UC
An introductory concepts and applications software course. Emphasis on hardware and software analysis and design of computers and other types of information systems used for creating, maintaining, retrieving, printing, and communicating computer files. Exercises using word processing, spreadsheet, database, graphics, and communications, including an introduction to the Internet, which provides the experience necessary to recognize the major capabilities available in each software application and how the software applications work together in an integrated information systems environment. NR

CIM 120
COMPUTER LITERACY
1.5 Units; 1.5 hours lecture; 1.5 hours learning center
Transfers: CSU
Provides students with basic knowledge of how computers are used in today’s world. Focuses on using the computer as a tool to manage information, access the Internet, telecommunicate to and with others, and enhance life-long learning in a technologically-changing society. Exercises in using word processing, spreadsheet, database, graphics, and communications software. No computer experience is required. NR

CIM 121A
KEYBOARDING FOR COMPUTERS: BEGINNING
1.5 Units; 1.5 hours lecture; 1.5 hours learning center
Transfers: CSU
Designed to introduce touch keyboarding of letter, number, and symbol keys on the computer. For vocational and/or personal use. Introduces basic computer operation; no previous computer or typewriting experience required. NR

CIM 121B
KEYBOARDING FOR COMPUTERS: INTERMEDIATE
1.5 Units; 1.5 hours lecture; 1.5 hours learning center
Transfers: CSU
Recommended Preparation: CIM 121A
Builds keyboarding speed and accuracy. Introduces word processing command keys and formats to produce basic tables, business letters, memos, and reports. NR

CIM 121C
KEYBOARDING FOR COMPUTERS: ADVANCED
1.5 Units; 1.5 hours lecture; 1.5 hours learning center
Transfers: CSU
Recommended Preparation: CIM 121B
Improves keyboarding speed and accuracy. Expands use of word processing command keys and format features to produce complex memorandums, letters, tables, bound and unbound reports, and job application documents. NR

CIM 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR
CIMA 219
MS SQL SERVER BUSINESS INTELLIGENCE DEV/T-SQL
3 Units; 3 hours lecture; 3 hours learning center
Transact-SQL allows developers to write ad hoc queries as well as to write and invoke complex stored procedures integration packages, and reports. Students will learn how to create and write queries, functions and triggers and also retrieve and maintain data using Transact-SQL. NR

CIMA 274A
WEB DIGITAL IMAGERY: PHOTOSHOP—BEGINNING
1.5 Units; 1.5 hours lecture; 1.5 hours learning center
Fundamentals of digital image processing, retouching, and painting as used on the web in business. Includes overview of image design process, from digitizing images to outputting them to the web. NR

CIMA 274B
WEB DIGITAL IMAGERY: PHOTOSHOP — ADVANCED
1.5 Units; 1.5 hours lecture; 1.5 hours learning center
Recommended Preparation: CIMA 274A
Advanced web digital image processing, retouching, painting, and simple animation. Includes overview of image elements of web design, from the manipulating of digitized images to outputting them to the web. NR

CIMA 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

CIMA 102
WORD PROCESSING: WORD — BEGINNING
3 Units; 2 hours lecture; 3 hours lab Transfers: CSU
Provides training on the use of word processing software. Students will utilize program features to create, edit, and format documents for personal and business use (formerly CIMA 214). NR

CIMA 102A
WORD PROCESSING: WORD — BEGINNING
1.5 Units; 1 hour lecture; 1.5 hours lab
Transfers: CSU
Provides training on the use of computer-based word processing software and/or applications. Covers creating, editing, and formatting personal and business documents (formerly CIMA 214A). NR

CIMA 102B
WORD PROCESSING: WORD — ADVANCED
1.5 Units; 1 hour lecture; 1.5 hours lab
Transfers: CSU
Recommended Preparation: CIMA 102A
Provides skills for the user of word-processing applications software. Recommended for students who possess basic word processing skills (formerly CIMA 214B). NR

CIMA 104
SPREADSHEETS: EXCEL — BEGINNING
3 Units; 2 hours lecture; 3 hours lab Transfers: CSU
Provides information and training in the use of computer-based spreadsheet software for business applications. Workbooks will be produced for a variety of applications (formerly CIMA 216). NR

CIMA 104A
SPREADSHEETS: EXCEL — BEGINNING
1.5 Units; 1 hour lecture; 1.5 hours lab
Transfers: CSU
This entry-level course provides beginning information and training in the use of computer-based spreadsheet software for business applications (formerly CIMA 216A). NR

CIMA 104B
SPREADSHEETS: EXCEL — INTERMEDIATE
1.5 Units; 1 hour lecture; 1.5 hours lab
Transfers: CSU
Recommended Preparation: CIMA 104A
Provides information and training in the use of computer-based spreadsheet software for business applications (formerly CIMA 216B). NR

CIMA 106
DATABASE: ACCESS
3 Units; 2 hours lecture; 3 hours lab Transfers: CSU
Utilize database management software to generate applications for solving business problems. Emphasis is on concepts and procedures for designing databases and producing reports. Database objects such as tables, forms, queries, and reports will be created (formerly CIMA 218). NR

CIMA 108
BUSINESS PRESENTATIONS: POWERPOINT
3 Units; 2 hours lecture; 3 hours lab Transfers: CSU
Surveys the concepts, structures, and processes utilized in developing and managing professional business presentations using commercially available software packages. Students will create a variety of presentation formats (formerly CIM 230). NR

CIMA 202
ADVANCED WORD PROCESSING: WORD
3 Units; 3 hours lecture; 3 hours learning center
Recommended Preparation: CIMA 102 or 283E
Develops competencies in the advanced topics of Word Processing Software such as Word. Students will learn to create reusable content and build documents using reusable content; revise documents using Markup Tools; create, apply, and modify table styles; sort tables; work with nested tables; use formula fields in tables; create, manage and protect forms; work with long documents; create index, bookmarks, table of contents, and table of figures; use Linking and Embedding objects; create and edit Macros; use advanced MailMerge features. NR

CIMA 204
ADVANCED SPREADSHEETS: EXCEL
3 Units; 3 hours lecture; 3 hours learning center
Recommended Preparation: CIMA 104 or CIMA 283F
Develops competencies in the advanced topics of Spreadsheet Software such as Excel. Create PivotTables and PivotCharts; use advanced specialized Math, Statistical, Logical, Financial and Lookup functions; work with external data; create macros, templates and styles; prepare workbook for distribution and use collaboration tools; use data analysis, solver, scenario features, and audit worksheets. NR

CIMA 206
ADVANCED DATABASE: ACCESS
3 Units; 3 hours lecture; 3 hours learning center
Recommended Preparation: CIMA 106 or CIMA 283H
Develops competencies in the advanced topics of Database Software such as Access. Learn to validate data; normalize data tables; use analysis and design tools; export and import data; create advanced action, parameter, append, delete and crosstab queries; perform data mining with PivotTables; create advanced forms and reports; create macros and write SQL statements; encrypt/decrypt databases; improve database performance. NR
CIMA 212
MANAGING PROJECTS WITH MICROSOFT PROJECT
3 Units; 2 hours lecture; 3 hours lab
Learn to create a complete project schedule with tasks and task relationships. Edit and organize a project, assign resources to the tasks, use Project views to get information, format, and print views, Gantt charts, calendars, and reports. Learn to sort, find, and filter tasks or resources in a project; use views, tables, details, groups, and filters to view project information; create and edit views, tables, and filters; shorten the critical path of the project; manage the project’s resources; manage and view cost information; and track the completion of tasks in the project (formerly CIM 213B). NR

CIMA 223A
COMPUTERIZED ACCOUNTING: QUICKBOOKS — BEGINNING
1.5 Units; 1.5 hours lecture; 1.5 hours learning center
Recommended Preparation: CIMN 100 or 100A, and ACCT 1A or 215
Provides background and training in the use of QuickBooks software in the Windows environment. Business accounting records are set up to handle chart of accounts, merchandise, customers and receivables, vendors and payables, banking, inventory, and reports (formerly CIM 223A). NR

CIMA 223B
COMPUTERIZED ACCOUNTING: QUICKBOOKS — ADVANCED
1.5 Units; 1.5 hours lecture; 1.5 hours learning center
Recommended Preparation: CIMA 223A
Provides training in advanced business accounting procedures in QuickBooks using Windows environment. Includes inventory setup, employee and payroll setup, sales tax setup, estimates, time tracking, pass through expenses, and adjustment and year-end procedures (formerly CIM 223B). NR

CIMA 283A
OFFICE SKILLS — OFFICE PROCEDURES
2.5 Units; 0.5 hours lecture; 9.5 hours learning center
Prepares students to work efficiently in today’s offices. Topics include characteristics of a successful employee, organization and time management, written, oral, and interoffice communications, records management, planning meetings, arranging for business travel, career advancement, and business etiquette (formerly CIM 213A). NR

CIMA 283B
OFFICE SKILLS — KEYBOARDING
0.5 Unit; 0.5 hours lecture; 2.5 hours learning center
A self-paced course designed to introduce touch keyboarding of letter, number, and symbol keys on the computer. Introduces basic computer operation. No previous computer or typing experience required (formerly CIM 213B). NR

CIMA 283D
OFFICE SKILLS — WINDOWS
0.5 Unit; 0.5 hours lecture; 2.5 hours learning center
A self-paced, entry-level course to learn the fundamentals of the operating system Windows. Topics covered will include the desktop, manipulating Windows, using Help, launching applications, managing files and folders with Explorer and My Computer, as well as handling disk maintenance (formerly CIM 213D). NR

CIMA 283E
OFFICE SKILLS — WORD PROCESSING (WORD)
0.5 Unit; 0.5 hours lecture; 2.5 hours learning center
A self-paced course to provide instruction on the use of computer-based word processing software and/or applications. The functions of creating, editing, and manipulating documents of varying sophistication will be accomplished (formerly CIM 213E). NR

CIMA 283F
OFFICE SKILLS — SPREADSHEETS (EXCEL)
0.5 Unit; 0.5 hours lecture; 2.5 hours learning center
A self-paced, entry-level course to provide beginning information and training in the use of computer-based spreadsheet software for business applications. Spreadsheet worksheets will be produced for a variety of applications (formerly CIM 213F). NR

CIMA 283G
OFFICE SKILLS—DESKTOP PRESENTATION FOR BUS (POWERPOINT)
0.5 Unit; 0.5 hours lecture; 2.5 hours learning center
A self-paced, entry-level course to provide beginning information and training in the use of desktop presentation (PowerPoint) software for business applications. Students create, modify, and enhance desktop presentations (formerly CIM 213G). NR

CIMA 283H
OFFICE SKILLS — DATABASE (ACCESS)
0.5 Unit; 0.5 hours lecture; 2.5 hours learning center
A self-paced, entry-level course to provide beginning information and training in the use of database software for business applications. Database queries, tables, and forms will be produced for a variety of applications (formerly CIM 213H). NR

CIMA 283J
OFFICE SKILLS — DESKTOP PUBLISHING (PUBLISHER)
0.5 Unit; 0.5 hours lecture; 2.5 hours learning center
A self-paced, entry-level course designed to provide beginning information and training in the use of desktop publishing software for business applications. Desktop published examples will be produced for a variety of applications (formerly CIM 213J). NR

CIMA 283K
OFFICE SKILLS — BUSINESS EMAIL (OUTLOOK)
0.5 Unit; 0.5 hours lecture; 2.5 hours learning center
A self-paced, entry-level course to provide beginning information and training in the use of email software. Covers sending and receiving e-mail messages as well as managing contacts and mail; business email etiquette. Provides instruction in using Calendar for scheduling appointments, planning meetings, scheduling events, and tasks feature. NR

CIMA 288
DATABASE REPORTING
3.5 Units; 3 hours lecture; 1 hour lab
Provides students with the knowledge and skills to turn data into information through use of business intelligence tools such as Crystal Reports and Microsoft SQL Reporting Services. Students will create desktop reports using local databases and web-based enterprise level reports from relation data engines such as SQL Server (formerly CIM 288). NR

CIMN 100
COMPUTER OPERATING SYSTEMS: WINDOWS
3 Units; 3 hours lecture; 3 hours lab
Transfers: CSU
Skills include manipulating files and folders in Windows’s scheme of file management. Competency will be gained using Windows supplied programs to create, save, and print files and customize the desktop. Ability to manage computer security, Internet Explorer, and Live Essentials, which provides interaction via the web, will be covered. Expertise will be gained in ability to use media and graphics manipulation tools such as Media Center and Movie Maker. Setting up and using a small network to share information will be introduced. Students will learn to maintain and optimize their computer’s performance, backing up files, installing and managing printers and hardware. End-user techniques for diagnostic and trouble-shooting procedures will be learned. Assignments include weekly hours in BGS 248 or other location (formerly CIM 174). NR
CIMN 100A
COMPUTER OPERATING SYSTEMS: WINDOWS—BEGINNING
1.5 Units; 1.5 hours lecture; 1.5 hours learning center
Transfers: CSU
Developed skills include manipulating files and folders in Windows’ scheme of file management. Competency will be gained using Windows supplied programs to create, save, and print files. The ability to customize file and folder management and the desktop will be covered. Ability to manage computer security will be utilized. In addition, students will develop proficiency in managing and using Internet Explorer as well as Live Essentials, which provides mail, news and messages. End-user techniques for diagnostic and trouble-shooting procedures will be introduced (formerly CIM 174A). NR

CIMN 100B
COMPUTER OPERATING SYSTEMS: WINDOWS — INTERMEDIATE
1.5 Units; 1.5 hours lecture; 1.5 hours learning center
Transfers: CSU
Recommended Preparation: CIMN 100A
Expertise will be gained using Live Messenger for instant messaging, blogging, as well as the ability to use media and graphics manipulation tools such as Live Movie Maker, Live Photo Gallery, and Media Center. Setting up and using a small network to share information and using a mobile environment will be introduced. Students will learn to maintain and optimize their computer's performance, add and remove programs as well as backing up files. In addition, installing, managing printers and hardware will be studied. End-user techniques for diagnostic and trouble-shooting procedures will be learned. Assignments include weekly hours in BGS 248 or other location (formerly CIM 174B). NR

CIMN 200
INTRODUCTION TO NETWORKING
3 Units; 3 hours lecture
Prepares students for CompTIA's Network+ exams. Focuses on configuring, managing, and troubleshooting the elements of a basic network infrastructure (formerly CIM 251). NR

CIMN 210
NETWORKING ESSENTIALS AND TECHNOLOGIES
3.5 Units; 3 hours lecture; 1 hour lab
Presents LAN and WAN technologies in detail. Covers network operations, design concepts, and protocols. Students will learn how to make infrastructure components and set up workstations for LAN operability and WAN interoperability. LAN and WAN networks will be designed and implemented using hubs, switches, and routers. Basic Cisco switch and router programming and troubleshooting strategies are included (formerly CIM 252). NR

CIMN 220A
MCITP CERTIFICATION EXAM PREP I
3 Units; 3 hours lecture; 3 hours learning center
MCITP Exam 70-640. Covers Configuring Windows Server 2008 Active Directory through simulations, practice tests, and feedback. May be repeatable when the MCITP exam number changes (formerly CIM 292A). NR

CIMN 220B
MCITP CERTIFICATION EXAM PREP II
3 Units; 3 hours lecture; 3 hours learning center
MCITP Exam 70-642. Covers Configuring Windows Server 2008 Network Infrastructure through simulations, practice tests, and feedback. May be repeatable when the MCITP exam number changes (formerly CIM 292B). NR

CIMN 220C
MCITP CERTIFICATION EXAM PREP III
3 Units; 3 hours lecture; 3 hours learning center
MCITP Exam 70-643. Covers Configuring Windows Server 2008 Application Infrastructure through simulations, practice tests, and feedback. May be repeatable when the MCITP exam number changes (formerly CIM 292C). NR

CIMN 220D
MCITP CERTIFICATION EXAM PREP IV
3 Units; 3 hours lecture; 3 hours learning center
MCITP Exam 70-646. Covers Windows Server 2008 Professional Server Administration through simulations, practice tests, and feedback. May be repeatable when the MCITP exam number changes (formerly CIM 292D). NR

CIMN 220E
MCITP CERTIFICATION EXAM PREP V
3 Units; 3 hours lecture; 3 hours learning center
MCITP Exam 70-647. Covers Windows Server 2008 Enterprise Administration through simulations, practice tests, and feedback. May be repeatable when the MCITP exam number changes (formerly CIM 292E). NR

CIMN 220F
MCITP CERTIFICATION EXAM PREP VI
3 Units; 3 hours lecture; 3 hours learning center
MCITP Exam 70-680. Covers Installing, Configuring, and Administering Windows 7 through simulations, practice tests, and feedback. May be repeatable when the MCITP exam number changes (formerly CIM 292F). NR

CIMN 230
COMPUTER OPERATING SYSTEMS: UNIX/LINUX
3 Units; 3 hours lecture; 3 hours learning center
Provides an overview of operating system concepts. Presents implementation through the use of UNIX/Linux commands. Class studies operating system concepts such as file systems, variables, and permissions. Students will use a computer system to execute problem-solving exercises using UNIX/Linux commands, both in the shell and in the GUI (Graphical User Interface). Students will use learn and use commands that are necessary for maintaining a UNIX/Linux workstation including file and directory management commands, editors, pipes, filters and redirections, permissions, processes and elementary shell scripting (formerly CIM 172). NR

CIMN 240
FUNDAMENTAL UNIX/LINUX SYSTEM ADMINISTRATION
3 Units; 3 hours lecture; 3 hours learning center
Recommended Preparation: CIMN 230
Guides students through the fundamental responsibilities of Unix/Linux system administration. Provides a network administrator with an in-depth look at how to perform day-to-day administrative and maintenance tasks on a Unix/Linux-based network. Topics include installing Unix/Linux; configuring X windows and common system hardware; creating and maintaining the file system; boot process; administering user and group accounts; integration of a workstation with an existing network; administering printing subsystems; system log responsibilities; backing up file systems; configuring the kernel; basic performance, memory, and process management; and basic troubleshooting. Includes creation of shell scripts to automate system administration tasks (formerly CIM 256). NR

CIMN 250
NETWORK AND SECURITY ADMINISTRATION USING UNIX/ LINUX
3 Units; 3 hours lecture; 3 hours learning center
Recommended Preparation: CIMN 240
Guides students through the fundamental responsibilities of Unix/Linux system administrator in building and maintaining an internal LAN using multipurpose servers. Topics will cover TCP/IP administration; installing and maintaining SMB protocols; and installing and maintaining basic server applications such as sendmail, DHCP, and DNS. Includes introductions to database backends, network security, developing a security policy, file and file system security, password security, service-based security, and firewalls. The student will learn to set up a Unix/Linux internal server and configure common network services and security at a basic level (formerly CIM 257). NR
CIM 260  
INTERCONNECTING CISCO NETWORK DEVICES  
3 Units; 3 hours lecture  
Qualifies the student to take the Cisco CCNA exam. Provides a firm foundation of Cisco’s IOS, routing and protocols, layered communications, and WAN strategies (formerly CIM 297). NR

CIMP 5  
BUSINESS PROGRAMMING I: VISUAL BASIC  
3.5 Units; 3 hours lecture; 1 hour lab  
Transfers: CSU, UC  
Provides an introduction to the fundamentals of event driven, object-oriented programming using Microsoft Visual Basic. Emphasis is on business application development. Topics include graphical design of Windows, programming event procedures, general procedures, and application development with multiple windows. Students will create complete applications in addition to weekly exercises in visual programming (formerly CIM 2A). NR

CIMP 7A  
BUSINESS PROGRAMMING: JAVA — BEGINNING  
3 Units; 3 hours lecture; 3 hours learning center  
Transfers: CSU, UC  
Covers the Java language and object-oriented programming for development of business applications. Topics covered include: the significance of Java as an object-oriented programming tool, classes and methods, input and output, arrays, inheritance, information hiding, polymorphism, encapsulation, primitive types, flow control, interfaces, packages, and the Java API (formerly CIM 7A). NR

CIMP 7B  
BUSINESS PROGRAMMING: JAVA — ADVANCED  
3 Units; 3 hours lecture; 3 hours learning center  
Transfers: CSU, UC  
Recommended Preparation: CIMP 7A  
An in-depth study of advanced Java programming concepts. Provides skill for advanced programming, sockets, exception handling, HTML, threads, multithreading, swing, AWT, graphics, API, and inheritance (formerly CIM 7B). NR

CIMP 115  
BUSINESS PROGRAMMING — C#  
3.5 Units; 3 hours lecture; 1 hour lab  
Transfers: CSU  
Emphasizes C# and object-oriented programming for software development of business applications. Includes familiarity with Visual Studio.NET as a development environment and introduction to all the .NET languages supported by the .NET framework. Introduces C# as an object-oriented language that makes extensive use of all object-oriented programming concepts such as inheritance, polymorphism, and overloading. Also includes class design and use, strict datatyping, method construction and use, and other programming concepts (formerly CIM 287). NR

CIMP 220  
ANDROID MOBILE APPS — BEGINNER  
3.5 Units; 3 hours lecture; 1 hour lab  
Create mobile Android applications. Installing and using eclipse and the android sdk, using activities and intents, displaying notifications, creating rich user interfaces, mastering views and menus, managing data, working with sms and messaging api’s, using location-based services, packaging and publishing application to the android market. NR

CIMP 230  
INTRODUCTION TO COMPUTER AND VIDEO GAME DESIGN  
3 Units; 3 hours lecture; 3 hours learning center  
Introduction to basic video game concepts and design: tools, languages, AI concepts, level design, storytelling, careers, relationship to technology (especially CPU/GPU), history and future. Tools examined: direct-X, play and sound, Open GL and 3D Engines. Includes overview of scripting and programming languages used in game development. The evolution and future of game development is included. Theoretical concepts of good game design, AI, storytelling, and level design will be demonstrated. Includes discussion of effective individual and team play strategies. Virtual reality, mobile wireless gaming, immersion, and emotioneering will also be discussed (formerly CIM 286). NR

CIMS 210  
NETWORK DEFENSE AND COUNTERMEASURES  
3 Units; 3 hours lecture  
Provides a thorough guide to perimeter defense fundamentals, including intrusion detection and firewalls, security policies, network address translation (NAT), packet filtering and analysis, proxy servers, virtual private networks (VPN), and network traffic signatures (formerly CIM 282). NR

CIMS 220  
INFORMATION SECURITY MANAGEMENT  
3 Units; 3 hours lecture  
Focuses on the managerial aspects of information security and assurance. Topics covered include access control models, information security governance, and information security program assessment and metrics. Coverage on the foundational and technical components of information security is included to reinforce key concepts (formerly CIM 283). NR

CIMS 230  
SECURITY+  
3 Units; 3 hours lecture  
Provides a comprehensive overview of network security including authentication methods, common network attacks, safeguarding against attacks, remote access, email, the web, directory and file transfer, wireless data, various network devices and media, and proper use of perimeter topologies such as DMZs, Extrarets, Intrarets, cryptography basics, asymmetric and symmetric algorithms, and operational and organizational security. Geared for students pursuing CompTIA Security+ Certification (formerly CIM 284). NR

CIMS 240  
INTRODUCTORY COMPUTER FORENSICS  
3 Units; 3 hours lecture  
Students will learn the skills necessary to launch and complete a successful computer investigation. Guides students through conducting a high-tech investigation, from acquiring digital evidence to reporting its findings. Students will learn how to set up a forensics lab, how to acquire the proper and necessary tools, and how to conduct the investigation and subsequent digital analysis. Features free downloads of the latest forensic software, so students can become familiar with the tools of the trade (formerly CIM 293). NR

CIMS 250  
CYBERLAW  
3 Units; 3 hours lecture  
Helps students understand the legal and policy issues associated with the Internet. Tackling a full range of legal topics, it includes discussion of jurisdiction, intellectual property, contracts, taxation, torts, computer crimes, online speech, defamation and privacy. Topics include recent, relevant cases, discussion questions and exercises (formerly CIM 294). NR
CIMW 100
WEB SITE DEVELOPMENT: HTML
3 Units; 3 hours lecture; 3 hours learning center
Transfers: CSU
Recommended Preparation: CIMN 100
Understand and use HTML code to construct basic web pages/web sites. Developed skills include text formatting, color, and page layout using CSS. Use recommended Web site design practices. Visual elements such as graphics and hyperlinks will be covered. Students will publish web pages to a server using FTP software, will create and use tables and forms styling them with CSS, and learn to handle form data. Identifying skills and job roles required for a successful web project development as well as the use and function of multimedia, interactivity, Java applets, and JavaScripts including variables, operators, if statements, event handling and form validation will be presented. E-Commerce and web promotion will be introduced. Students will construct web sites that use multimedia features such as sounds, video, and Java apple NR

CIMW 100A
WEB SITE DEVELOPMENT: HTML — BEGINNING
1.5 Units; 1.5 hours lecture; 1.5 hours learning center
Transfers: CSU
Recommended Preparation: CIMN 100 or 100A/B
Learn to use HTML code necessary to construct basic web pages and web sites. Topics include text formatting commands, links, email, as well as configuring color, text and page layout using CSS. Ability to identify and use recommended Web site design practices will be covered. Expertise will be gained in the use of visual elements, graphics, hyperlinks, lists, columns, page layout and print styling including the ability to insert and manipulate these within a web page and web site, using CSS when appropriate. Students will identify and use steps necessary to publish web pages to a server using FTP software. Assignments include weekly hours in BGS 248 or other location (formerly CIM 271A). NR

CIMW 100B
WEB SITE DEVELOPMENT: HTML — ADVANCED
1.5 Units; 1.5 hours lecture; 1.5 hours learning center
Transfers: CSU
Recommended Preparation: CIMW 100A
Continuation of CIMW 100A. Introduces advanced concepts for creating web pages that enable the improved delivery of information over the Web. Topics include tables, forms and ability to style them with CSS and work with server-side processing. Identify skills, functions and job roles required for a successful web project development is covered. Use and function of multimedia and interactivity, Java applets, Java scripts introduced. Overview of E-Commerce and web promotion. Introduction to JavaScript including the Document Object Model, use of variables, operators, if statements, event handling and form validation. Students will construct web sites that use multimedia features such as sounds, video, and Java applets. Assignments include weekly hours in BGS 248 or other location (formerly CIM 271B). NR

CIMW 105
WEB DEVELOPMENT AND DB: INTRO SQL AND MYSQL
3 Units; 3 hours lecture; 3 hours learning center
Transfers: CSU
Covers server-side web development using Structured Query Language (SQL) and MySQL, to create, manipulate, and query databases. Covers the fundamentals of a relational database, single table queries, multiple table queries, updating data, MySQL database administration, querying data, joins, and indexes (formerly CIM 205A). NR

CIMW 110A
CREATING WEB PAGES: DREAMWEAVER — BEGINNING
1.5 Units; 1.5 hours lecture; 1.5 hours learning center
Transfers: CSU
Recommended Preparation: CIMW 100A
An introduction to creating, publishing and testing documents on a Web server using Adobe Dreamweaver. Students maintain a Web site consisting of Web Page created in Dreamweaver. Course will cover Internet concepts, Web site management, linking, FTP, basic HTML, typography, inserting graphics into text, working with internal and external. Requires no previous Web development experience (formerly CIM 278A). NR

CIMW 110B
CREATING WEB PAGES: DREAMWEAVER — ADVANCED
1.5 Units; 1.5 hours lecture; 1.5 hours learning center
Transfers: CSU
Recommended Preparation: CIMW 110A
An advanced course in Dreamweaver. Students maintain an intermediate Web site consisting of Web Page created in Dreamweaver. Includes rollovers, navigation bars, cascading style sheets, forms, tables, inserting Video, page layout and other advanced DHTML editing (formerly CIM 278B). NR

CIMW 207
SOCIAL MEDIA & WEB FUNDAMENTALS
1.5 Units; 1.5 hours lecture; 1.5 hours learning center
Provides an overview of the historical and current aspects of social media and networking, a working knowledge of online communications, overview of social networks, media, blogs, chat room types, and the required software and hardware. Students are introduced to social media including Facebook, LinkedIn, Twitter, chat rooms, and internet skills such as netiquette, SOB standards, electronic mail, search techniques and tools, the World Wide Web, Internet browsers and add-ons for web browsers. Overview of Web page development, design and content and security issues are discussed (formerly CIM 227). NR

CIMW 220
WEB AND MOBILE 3D/2D ANIMATION: ADOBE FLASH
3 Units; 3 hours lecture; 3 hours learning center
Interactive animations for web sites using Adobe Flash. Course covers beginning and intermediate animation concepts to build Web Animation. Also explores frame by frame animation, basic tweening, HTML publishing, symbol creation, sound compression, the integration of sound to achieve communication objectives on the web, and importing and modifying graphics and complex animations. NR

CIMW 220A
WEB ANIMATION: FLASH — BEGINNING
1.5 Units; 1.5 hours lecture; 1.5 hours learning center
Interactive animation of Web sites using the web page development tool Adobe Flash. Course explores animation concepts such as frame by frame and tweening. Also includes creating special effect animations, HTML publishing, symbol creation, button interactivity, and drawing tools (formerly CIM 264A). NR
CIMW 220B  
WEB ANIMATION: FLASH — INTERMEDIATE  
1.5 Units; 1.5 hours lecture;  
1 hours learning center  
Recommended Preparation:  
CIMW 220A  
Advanced interactive animations for web sites using Adobe FLASH. Course expands on animation concepts to build multi-scene movies and create advanced action scripting, pop-out menus, invisible hit states, and sound. Also explores sound compression, the integration of sound to achieve communication objectives on the web, and importing and modifying graphics and complex animations (formerly CIM 264B). NR

CIMW 235  
WEB DEVELOPMENT: ADOBE FIREWORKS  
1.5 Units; 1.5 hours lecture;  
1 hours learning center  
Use Adobe Fireworks to create vectors; edit bitmaps; create, import, and edit text objects; create image maps, pop-up menus, navigation bars, rollovers, and animated GIF images (formerly CIM 281). NR

CIMW 240  
WEB 2.0 DESIGN: CASCADING STYLE SHEETS  
3 Units; 3 hours lecture; 3 hours learning center  
Recommended Preparation:  
CIMW 100A & CIMW 110A  
The future of web design requires supporting multiple devices and creating desktop publishing level Web pages. Cascading Style Sheets (CSS) is the standard presentation tool for taking HTML to the next level. CSS provides means to create desktop publishing level web pages and mechanisms for supporting multiple devices. Covers all basic CSS fundamentals including page layout, positioning, text alignment, formatting, margins, borders, text-flow, background images, typography, filters, curved corners, and custom styles. Course includes using Dreamweaver and Mozilla Firefox Web developer add-on tools, bulletproof page layouts, and applying CSS presentation to content with known structure (formerly CIM 272). NR

CIMW 245  
WEB DEVELOPMENT: PHP & CMS/WORD PRESS E-COMMERCE  
3 Units; 3 hours lecture;  
3 hours learning center  
Recommended Preparation:  
CIMW 100A  
Covers server-side web development using the PHP scripting language. Designed to be a first class on creating dynamic Web pages. Topics covered include: PHP syntax and variables, HTML forms, super globals, arithmetic operations, numbers, strings, control structures, arrays, creating functions, file uploading, and directories. Also includes introduction to Word Press/CMS system and how to configure Word Press for E-Commerce (formerly CIM 225). NR

CIMW 250A  
MICROSOFT ASP.NET — BEGINNING  
3.5 Units; 3 hours lecture; 1 hour lab  
Recommended Preparation:  
CIMP 5 and CIMW 100A  
Create Microsoft ASP.NET Web applications that deliver dynamic content to the Web by using Visual Studio.NET. Create and populate ASP.NET Web Forms and add functionality to server controls that are on an ASP.NET Web Form. Create user controls to access data in an ASP.NET Web application (formerly CIM 260A). NR

CIMW 250B  
MICROSOFT ASP.NET — ADVANCED  
3.5 Units; 3 hours lecture; 1 hour lab  
Recommended Preparation:  
CIMW 250A  
Develop a personal application framework for rapid development using best practices techniques. Topics will range from using Model View Controller (MVC) to streamline data handling using Entity Framework plus web services and security (formerly CIM 260B). NR

CIMW 260  
WEB DEVELOPMENT: JAVASCRIPT, FRAMEWORKS JQUERY, AJAX  
3 Units; 3 hours lecture;  
3 hours learning center  
Client-side web development using JavaScript, JavaScript Frameworks including jQuery, Adobe Edge, Dreamweaver Spry, and introduction to AJAX. Includes an overview of basic JavaScript programming, data types, operators, functions, events, control structure, browser object model, HTML forms, object-oriented JavaScript, as well as intermediate JavaScript concepts, debugging, cookies, and security. Also introduces analysis of DOM and Introduction to Asynchronous JavaScript and XML (Ajax) web development technique (formerly CIM 269B). NR

CIMW 262  
AJAX — ADVANCED JAVASCRIPT WITH XML  
3 Units; 3 hours lecture  
Recommended Preparation:  
CIM 269A  
Provides students with the knowledge and skills necessary to use JavaScript, XML, and server-side languages to develop dynamic Web-based applications. Topics of study include the use of asynchronous JavaScript, the Document Object Model, XML in Web page requests, server-side languages (e.g. PHP, Java) to query and return information from a relational database, and how to design and develop new AJAX applications (formerly CIM 231). NR

CIMW 280  
WEB DESIGN: CAPSTONE PORTFOLIO PROJECT  
1.5 Units; 1.5 hours lecture;  
1.5 hours learning center  
Enables the student to demonstrate the mastery of the learning objectives in the Webmaster, Web Designer, or E-Commerce Specialist programs. Guides the student through the process of developing a portfolio. Focuses on demonstration of the knowledge, skills, and techniques required to plan, develop, and implement a website. Includes discussion on advanced Flash sites and use of various technologies to develop a portfolio web site. Should be taken in the final semester of the program (formerly CIM 298). NR

Computer Maintenance Technology

CMT 215  
ELECTRONICS FOR COMPUTER TECHNOLOGISTS  
3 Units; 3 hours lecture  
Electronics summary covering the basics of electronics terminology, components, circuits, waveforms, equipment, assembly techniques, and troubleshooting which are relevant for computer technologists. Includes both analog and digital circuit fundamentals, plus discrete and integrated circuits related to computer technology and associated hardware. The emphasis is on basic concepts without extensive numerical analysis and calculations. NR
Computer Science

CS 1A
INTRODUCTION TO COMPUTER SCIENCE I
5 Units; 4 hours lecture; 3 hours lab
Transfers: CSU, UC
Recommended Preparation: CMT 220

First course in the sequence covering the basics of computer maintenance and repair. Includes PC hardware overview, motherboard, processor, power supplies, memory, expansion buses, hard disk drives, and optical drives. Lab exercises with PCs give hands-on experience of the topics being studied. NR

CS 1B
INTRODUCTION TO COMPUTER SCIENCE II
5 Units; 4 hours lecture; 3 hours lab
Transfers: CSU, UC
Recommended Preparation: CS 1A

Second course in the sequence covering the basics of computer maintenance and repair. Includes printers, modems and communication devices, video adapters and displays, sound cards, introductory network concepts, and software issues. Computer security, and troubleshooting. Lab exercises provide hands-on experience of the topics being studied. NR

CS 1C
INTRODUCTION TO COMPUTER SCIENCE III
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Recommended Preparation: CS 1B

The third and final course in the Introduction to Computer Science series. Covers basic concepts including the properties of modularity and an introduction to the field of computer science for students preparing to enter the field or who are looking for a general interest course. Includes an overview of the history of computers, their hardware, and systems software. Emphasizes algorithm development using modern design methodologies and programming concepts up to and including looping structures. Functions and arrays. Programs implemented in a contemporary high-level language currently C++. NR

CS 2A
COMPUTER ORGANIZATION AND MACHINE LANGUAGE
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Recommended Preparation: MATH 253 and CS 1A

An introductory course in computer organization with emphasis on machine language programming. Concepts covered include finite precision arithmetic, floating point architecture, Boolean Algebra, computer systems organization, microprogramming, and conventional machine language programming with the corresponding assembly language notation. NR

CS 3A
COMPUTER ORGANIZATION AND ASSEMBLY LANGUAGE
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Recommended Preparation: CS 1A and CS 3A

Develops the concepts of computer organization begun in CS 3A with an emphasis in assembly languages. The concepts covered include languages, operating systems, and multi-level machines. NR

CS 4A
INTRODUCTION TO JAVA FOR COMPUTER SCIENCE
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Recommended Preparation: CS 1B

An introduction to developing Java applications and applets. Topics include classes, inheritance, exceptions, arrays, vectors, recursion, streams, the abstract windowing toolkit, and swing components. NR

CS 4B
ADVANCED TOPICS IN JAVA FOR COMPUTER SCIENCE
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Recommended Preparation: CS 4A

Advanced topics in Java including core class libraries, the swing components, the collections framework, multi-threading, servlets, JSP, RMI, JDBC, and software engineering concerns. NR

CS 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU

The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR
Cooperative Work Experience

CWE 180  
COOPERATIVE WORK EXPERIENCE  
Units and Hours Vary  
Transfers: CSU  

Provides supervised work experience extending classroom based occupational learning at an on-the-job learning station relating to the student's occupational goal; employment related to major. Student, instructor, and employer will cooperatively develop a minimum of three learning objectives. One unit of credit awarded for each 75 hours of paid or 60 hours of volunteer employment, for successful completion of learning objectives, and for attendance at scheduled seminar sessions. A maximum of four units may be applied toward major requirements for certificate. Repeatability Varies.

Cosmetology

COS 400A  
COMPREHENSIVE COSMETOLOGY I  
12 Units; 6 hours lecture; 18 hours lab  

The first course in a program designed to prepare the student for the California State Board of Cosmetology Examination and success in a career as a cosmetologist. The program includes both classroom instruction and laboratory practice of the knowledge and skills required by the State Board as well as personal hygiene, grooming, salesmanship, public relations, and reception practices and techniques. The Cosmetology Act and Regulations are also studied. A variable unit course offered on an open-entry/open-exit basis. Twelve units are granted upon the successful completion of the 400 classroom/laboratory hours. The units earned for this course may not be applied toward the 60 units for graduation. R-E-3

COS 400B  
COMPREHENSIVE COSMETOLOGY II  
12 Units; 6 hours lecture; 18 hours lab  
Prerequisite: COS 400A or completion of 400 hours  

A continuation of Cosmetology 400A. Twelve units are granted for the successful completion of 400 hours in class. A variable-unit course offered on an open-entry/open-exit basis. The units earned for this course may not be applied toward the 60 units for graduation. R-E-3

COS 400C  
COMPREHENSIVE COSMETOLOGY III  
12 Units; 6 hours lecture; 18 hours lab  
Prerequisite: COS 400B or completion of 800 hours  

A continuation of COS 400B. Twelve units are granted for the successful completion of 400 hours in class. A variable-unit course offered on an open-entry/open-exit basis. The units earned for this course may not be applied toward the 60 units for graduation. R-E-3

COS 400D  
COMPREHENSIVE COSMETOLOGY IV  
12 Units; 6 hours lecture; 18 hours lab  
Prerequisite: COS 400C or completion of 1200 hours  

A continuation of COS 400C. Twelve units are granted for the successful completion of 400 hours in class. A variable-unit course offered on an open-entry/open-exit basis. The units earned for this course may not be applied toward the 60 units for graduation. R-E-3

COS 440  
COSMETICIAN  
16 Units; 9 hours lecture; 27.5 hours lab  

A 600 hour course designed to prepare the student for the State Licensing examination and success as a cosmetician/esthetician. Course includes both classroom instruction and laboratory practice. Successful completion of this course and successful completion of the State Licensing Examination will allow the graduate cosmetician to perform manual and electrical facials, eyebrow arching and hair removal (other than by electrolysis), or become a make-up artist or skin care representative. A variable unit course offered on an open-entry/open-exit basis. The units earned for this course may not be applied toward the 60 units for graduation. R-E-3

Dance

DANC 9  
CHOREOGRAPHY  
3 Units; 2 hours lecture; 2 hours lab  
Transfers: CSU, UC  
Recommended Preparation: Two semesters of dance training  

Designed to encourage survey and analysis of dance movement potential and the creative development of the choreographic process. Student will gain knowledge in effective staging, lighting, and the integration of music with body movement. NR

DANC 10  
DANCE PRODUCTION  
1 Unit; 3 hours lab  
2 Units; 6 hours lab  
Transfers: CSU, UC  

Elements of choreography, development of solo and group choreographic compositions, staging of dances, and performance in theatre venue. NR

DANC 11  
DANCE REHEARSAL AND PERFORMANCE  
1 Unit; 3 hours lab  
2 Units; 6 hours lab  
Transfers: CSU, UC  

Entry level course emphasizing rehearsal and performance techniques in a theatre venue. NR

DANC 51  
INTRODUCTION TO BALLET  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Recommended Preparation: DANC 51  

Designed for students with no experience in dance as well as those wishing to perfect basic dance skills. Fundamentals of ballet techniques are presented and practiced in class with presentations of historical and stylistic perspectives of this dance form. Emphasizes class participation providing the student with knowledge and understanding of the physical demands of ballet dance. NR

DANC 52  
BALLET DANCING LEVEL I  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Recommended Preparation: DANC 51  

Designed to teach the fundamentals of ballet. Technical work at the ballet barre, center-floor exercises, adagio, and allegro work. NR

DANC 53  
INTERMEDIATE BALLET  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Recommended Preparation: DANC 52  

Emphasis on improving individual skills. Continued technical work at the ballet barre. NR
DANC 54
INTRODUCTION TO MODERN DANCE
1 Unit; 0.67 hours lecture;
1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: DANC 46
Designed for students with no experience in dance as well as those wishing to perfect basic dance skills. Fundamentals of modern dance techniques are presented and practiced in class, and presentation of historical and stylistic perspectives of this dance form. An emphasis is placed on class participation to provide the student with knowledge and understanding of the physical demands of modern dance. NR

DANC 55
MODERN DANCE LEVEL I
1 Unit; 0.67 hours lecture;
1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: DANC 54
Instruction and supervised practice to develop the body for communication of feeling and idea through movement. NR

DANC 56
INTERMEDIATE MODERN DANCE
1 Unit; 0.67 hours lecture;
1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: DANC 55
Increased techniques in modern dance with emphasis on improving individual skills. Continued development of the body for communication through movement. NR

DANC 57
INTRODUCTION TO JAZZ DANCING
1 Unit; 0.67 hours lecture;
1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: DANC 54
Designed for students with no experience in dance, as well as those wishing to perfect basic dance skills. Fundamentals of jazz dance technique are presented and practiced in class with presentation of the historical and stylistic perspectives of this dance form. An emphasis is placed on class participation to provide the student with knowledge and understanding of the physical demands of jazz dancing. NR

DANC 58
JAZZ DANCING LEVEL I
1 Unit; 0.67 hours lecture;
1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: DANC 57
Basic jazz techniques, center and locomotor combinations, and original routines set to jazz music. NR

DANC 59
INTERMEDIATE JAZZ DANCING
1 Unit; 0.67 hours lecture;
1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: DANC 58
Basic skills of jazz dancing with emphasis on improving individual techniques. Includes more emphasis on improving individual techniques and more advanced jazz techniques with original routines set to music. NR

DANC 60
INTRODUCTION TO TAP DANCING
1 Unit; 0.67 hours lecture;
1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: DANC 58
Designed for students with no experience in dance, as well as those wishing to perfect basic dance skills. Fundamentals of tap-dancing techniques are presented and practiced in class with presentations of the historical and stylistic perspectives of this dance form. An emphasis is placed on class participation to provide the student with knowledge and understanding of the physical demands of tap dancing. NR

DANC 61
TAP DANCING LEVEL I
1 Unit; 0.67 hours lecture;
1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: DANC 60
Basic tap-dance techniques, tap-dance combinations, and original tap dances. NR

DANC 62
INTERMEDIATE TAP DANCING
1 Unit; 0.67 hours lecture;
1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: DANC 61
Review and continuation of basic skills of tap dancing with emphasis on improving individual techniques. More advanced steps and dance combinations will be presented. NR

DANC 63
EXERCISE FOR DANCERS
1 Unit; 0.67 hours lecture;
1.33 hours lab
Transfers: CSU, UC
Basic exercises that all dancers need to gain strength, coordination, and agility. NR

DANC 64
HISTORY OF DANCE
1 Unit; 0.67 hours lecture;
1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Provides a general history of various dance forms as they relate to dance in America, including ethnic forms, ballet, modern, jazz, and tap. Content will emphasize the ritual, social, and theatrical aspects of dance. The course will include some reference to other art forms and the humanities. NR

DANC 65
INTRODUCTION TO SOCIAL DANCE
1 Unit; 0.67 hours lecture;
1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: DANC 54
Explores the international forms of Latin dance such as salsa, tango, mambo, paso doble. Combinations will be presented to gain strength, coordination and agility. NR

DANC 66
INTRODUCTION TO MAT PILATES
1 Unit; 0.67 hours lecture;
1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: DANC 55
Advanced ballet training with pointe technique. Emphasis on improving individual ballet skills. Pointe technique at the ballet barre and center-floor with adagio and allegro exercises. NR

DANC 67
POINTE BALLET
1 Unit; 0.67 hours lecture;
1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: DANC 53
All required for California State Dance Teaching Certification. NR

DANC 68
INTRODUCTION TO SOCIAL DANCE
1 Unit; 0.67 hours lecture;
1.33 hours lab
Transfers: CSU, UC
Recommended Preparation: DANC 65
Exploring the various forms of social dance such as Foxtrot, Waltz, Tango, Salsa, Samba, Cha Cha, Mambo, Rumba, Swing/Jive, and Quick Step. Combinations will be presented to gain coordination, strength, and agility. NR
DANC 174
MULTICULTURAL DANCE HISTORY IN THE UNITED STATES
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: DANC 10
Introduction to artistic, historical, and social context of dance forms, cultures, and traditions in the United States. Investigation of the origins, influences and the dissemination of various world dance forms as they have developed in the United States. NR

DANC 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

DANC 289
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

Drafting

DR 23
ENGINEERING GRAPHICS
3 Units; 1.5 hours lecture; 4.5 hours lab
Transfers: CSU, UC
Principles of communicating product design requirements via multiview projections, auxiliary views, and working drawings, including dimensions and notes using Computer-Aided Drafting (CAD). Planar geometric projections in orthographic relationships are used to define points, lines, planes, intersections and developments, and to describe spatial relationships. NR

DR 50
INTRODUCTION TO COMPUTER-AIDED DRAFTING
3 Units; 2 hours lecture; 4 hours lab
Transfers: CSU, UC
Recommended Preparation: ARCH 124A or DR 100
Introductory course covering the operation and application of computer-aided drafting (CAD) systems used to create, modify, store, and plot technical drawings. Also listed as ARCH 50. Credit given in either area, not both. NR

DR 51
COMPUTER-AIDED DRAFTING
3 Units; 2 hours lecture; 4 hours lab
Transfers: CSU, UC
Recommended Preparation: DR or ARCH 50
An intermediate to advanced level course in the operation and application of computer aided drafting systems, used to create, edit, save, and plot technical 2D and 3D drawings. Also listed as ARCH 51. Credit given in either area, not both. NR

DR 100
FUNDAMENTALS OF INDUSTRIAL AND MECHANICAL DESIGN
3 Units; 2 hours lecture; 4 hours lab
Transfers: CSU
Develops basic design skills including proper use of CAD software, geometric construction, multiview projection, sections, pictorial drawings, auxiliary views, and dimensioning. A current version of a computer aided design (AutoCAD) system will be used to present design concepts. Processes for design development include considering design constraints (customer requirements, schedule, cost factors, safety, aesthetics) with market-ability and product placement targets. NR

DR 101
MECHANICAL DESIGN
3 Units; 1.5 hours lecture; 4.5 hours lab
Transfers: CSU
or one year of high school mechanical drafting
Develops the basic skills required to produce industrial-quality assembly and detailed drawings including sections, first and second auxiliary views, advanced dimensioning, and further development of mechanical drafting skills. A computer aided drafting (CAD) system will be used. NR

DR 102
MECH DESIGN AND MARKETING PORTFOLIO
3 Units; 1.5 hours lecture; 4.5 hours lab
Transfers: CSU
Develops basic skills needed for industrial-level mechanical and conceptual design including assembly drawings, detail drawings, fundamentals of mechanical design, and strategies for creative design. A computer aided design (CAD) system will be used. Create and develop a hybrid Electronic-Physical Portfolio of Technical Drawings/Architectural Drawings, which showcase the student work. NR
Courses

DR 120
ENGINEERING TECHNOLOGY
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Comprehensive program to introduce and train students in the areas of Engineering Technology to provide skills and competencies to integrate design knowledge with practical job skills. NR

DR 152
ADVANCED COMPUTER-AIDED DESIGN
3 Units; 2 hours lecture; 4 hours lab
Transfers: CSU
Recommended Preparation: DR or ARCH 50 or 51
Advanced computer-aided design and drafting with emphasis on advanced 3D CAD knowledge and skills in the completion of technical drawings that support 3D modeling. Also listed as ARCH 152. Credit given in either area, not both. NR

DR 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

DR 200
3D PARAMETRIC MODELING — SOLIDWORKS
3 Units; 2 hours lecture; 4 hours lab
Recommended Preparation: DR 150
Operation and application of modern computer-aided design using Solidworks. Includes development of 3D computer models from concept to component parts, drawings, and assemblies. NR

DR 201
ADVANCED 3D PARAMETRIC MODELING — SOLIDWORKS
3 Units; 2 hours lecture; 4 hours lab
Recommended Preparation: DR 200
Advanced operation and application of modern computer-aided design using Solidworks. Includes development of 3D computer models from concept to component parts, drawings, and assemblies. Creation of parts using surface modeling, the study of parts using Finite Element Analysis, and the application of Motion Analysis in Assemblies. NR

DR 202
GEOMETRIC DIMENSIONING AND TOLERANCING
3 Units; 2 hours lecture; 4 hours lab
Recommended Preparation: DR/ARCH 50
Review of conventional dimensioning (non-geometric dimensioning) and the introduction of geometric dimensioning and tolerancing using Solidworks. NR

DR 203
GREEN & SUSTAINABLE MANUFACTURING DESIGN
3 Units; 1.5 hours lecture; 4.5 hours lab
Presents the developing and evolving fields for innovative designs of products that minimize the carbon footprint and reduce the impact of product manufacture and life-cycle use upon the environment. NR

DR 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

ECON 4
PRINCIPLES (MICRO)
3 Units; 2 hours lecture
Transfers: CSU, UC
Prerequisite: MATH 253
Economic analysis of resource use and the production and distribution of goods and services by markets and other allocation mechanisms. Topics include: supply and demand, economic decision-making, imperfect competition, antitrust, regulation, environmental economics, the distribution of income, efficient resource use, international trade, and efficiency vs. other criteria for judging microeconomic success. NR

ECON 11
INTERNATIONAL POLITICAL ECONOMY
3 Units; 3 hours lecture
Transfers: CSU, UC
Focuses on the relations between the political and economic systems within the global economy. Covers the impact of political decisions on world economies and international organizations. Further emphasis is on a comparison-contrast of various national economies. Geographic areas of concern include Africa, Europe, the Pacific Rim, the Middle East, Latin America, Russia, China, and the United States. Also listed as PS 11. Credit given in either area, not both. NR

ECON 20
THE AMERICAN ECONOMY
3 Units; 3 hours lecture
Transfers: CSU, UC
A general education course surveying the American economy from both microeconomic and macroeconomic perspectives. Intended for non-majors and those preparing to take ECON 2 and 4. Topics include business cycles; unemployment; inflation; international trade; income distribution; market structure and performance; and the economic behavior of firms, households, and government. NR

ECON 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

Economics

ECON 2
PRINCIPLES (MACRO)
3 Units; 3 hours lecture
Transfers: CSU, UC
Prerequisite: MATH 253
Economic analysis of theories of income determination including national income measurement, unemployment, inflation, economic growth, monetary and fiscal policy, banking and money creation, and international finance. Explores consumption, saving, investment, government spending, exports, and imports. NR
Education

EDUC 90
INTRO TO ELEMENTARY EDUCATION
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: ENG 300, 340, CD 107
Introduces concepts and issues related to teaching diverse learners in today’s contemporary schools, Kindergarten through grade 12 (K-12). Topics include teaching as a profession and career, historical and philosophical foundations of the American education system, contemporary educational issues, California’s content standards and frameworks, and teacher performance standards. In addition to class time, the course requires a minimum of 45 hours of structured fieldwork in public school classrooms that represent California’s diverse student population, and includes cooperation with at least one carefully selected and campus-approved certificated classroom teacher. NR

EDUC 115
SECONDARY SCHOOL TEACHING
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU
History, philosophy and sociology of secondary education. Introduction to the California Teaching Performance Expectations and Assessments; needs of special populations, English learners, and struggling readers; content standards including Career Technical Education; and major curriculum reform documents. In addition, students will gain experience through 40 hours of required field work as follows: 30 hours at one site and 10 hours in various other sites/activities. NR

EDUC 118
EXCEPTIONAL CHILDREN
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: ENG 200 and 340
An introduction to special education for K-12 students. Offers a survey and study of various characteristics of exceptional children. The primary focus will be on the categories of children with disabilities, but will include children at risk, and children from culturally diverse backgrounds (formerly CDES 118). DD5 NR

EDUC 131
EDUCATIONAL PSYCHOLOGY
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: ENG 200 and 340
Focuses on the basic principles of psychology that are pertinent to education, including abilities, intelligence, social and emotional factors, and principles of learning. NR

EDUC 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

EDUC 200
INTRODUCTION TO ONLINE TEACHING AND LEARNING
2 Units; 2 hours lecture
An introduction to the design and delivery of online courses. Concepts covered include the characteristics of online education, course development and organization, creating an online community, the roles of the teacher and learner in an online environment, synchronous vs. asynchronous learning, course management systems, use of the web for instruction, and the use of innovative technology for online instruction. NR

EDUC 205
TEACHING MODELS OF ONLINE INSTRUCTION
2 Units; 2 hours lecture
An exploration of successful teaching and learning models for online courses, from highly interactive models to independent study. Centers on the development of course organization strategies, resources for innovative practice, and application of various teaching strategies to different discipline areas. Award winning and model courses will be explored and evaluated. NR

EDUC 210
TECHNOLOGY FOR ONLINE INSTRUCTION
2 Units; 2 hours lecture
Provides an introduction to current software applications that can be used in the design of student centered interactive assignments within Blackboard and other course management systems. Emphasis will be on the use of common and emerging technologies to deliver content and engage learners. NR

EDUC 215
EFFECTIVE INTERACTION FOR ONLINE COURSES
2 Units; 2 hours lecture
Explores the theory and practice of effective interaction strategies in online environments, emphasizing techniques which effectively communicate course objectives and outcomes, engage and motivate students, and build classroom community. Centers on the integration of faculty-student-student interaction into course design. NR

EDUC 220
UNIVERSAL DESIGN FOR ONLINE INSTRUCTION
2 Units; 2 hours lecture
An introduction to Universal Design and accessibility issues in the development and evaluation of online courses. Topics covered include Universal Design practices, ADA standards, and 508 requirements. Emphasis will be on strategies used to create 508 compliant learning environments for online students. NR

EDUC 225
STUDENT ASSESSMENT METHODS FOR ONLINE INSTRUCTION
2 Units; 2 hours lecture
Focuses on the diverse array of student assessment methods that can be used in online classes. Emphasis on the design and implementation of effective measures of student learning. NR

EDUC 240
INSTRUCTIONAL ASSISTANT
3 Units; 2 hours lecture; 3 hours lab
Prepares students to become effective instructional assistants in K-12 classrooms. Effective strategies for tutoring, individual and small group assistance, yard duty, test administration, communication and guidance, record keeping, ethical practices, use of instructional technology, and preparation and maintenance of learning environments will be covered in class and practiced during 30 hours of supervised fieldwork. NR

EDUC 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

Electronic Technology

ET 101
SURVEY OF ELECTRONICS
3 Units; 3 hours lecture
Transfers: CSU
Introduction to electronics for non-majors or those exploring possible interest in the field. Covers the basics of electronics. NR

ET 114
DIGITAL ELECTRONIC CIRCUITS
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU
Recommended Preparation: ET 133
Fundamentals of logic and circuits for digital electronics. Includes binary arithmetic, Boolean algebra, logic gates, digital technologies, memory circuits, A/D and D/A converters, addition/subtraction circuits, shift registers, counters, clock and timing circuits, and multi-plexers/demultiplexers. Laboratory experiments emphasize testing and troubleshooting of common circuits. NR
ET 118
ELECTRONIC COMMUNICATION SYSTEMS
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU
Recommended Preparation: ET 114 and 135
Fundamentals of modern electronic communication systems, including radio, data, digital, and opto-electronic systems. Study of noise analysis, modulation methods, networks, transmission lines, antennas, and other important system components and considerations. Includes analytical principles and equations as well as practical applications and troubleshooting. NR

ET 133
DC AND AC FUNDAMENTALS
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU
Fundamentals of DC and AC electronic components and circuits. Includes basic DC and AC terms, resistors, capacitors, inductors, Ohm’s law, series and parallel circuits, circuit theorems, magnetism, transformers, time constants, reactance, resonance, and passive filters. Laboratory experiments utilize common test equipment such as the digital multimeter, power supply, function generator, and oscilloscope. NR

ET 135
SEMICONDUCTOR DEVICES AND CIRCUITS
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU
Recommended Preparation: ET 133
Fundamentals of semiconductor devices and circuits, both discrete and integrated. Includes diodes, transistors, amplifiers, thyristors, operational amplifiers, active filters, oscillators, and voltage regulators. Lab exercises include building and testing devices and circuits studied. NR

ET 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

ET 200
DIGITAL SIGNAL PROCESSING AND MICROCONTROLLERS
4 Units; 3 hours lecture; 3 hours lab
Recommended Preparation: ET 114
Fundamentals of digital signal processing, microcontrollers, A/D and D/A interface circuits, and other advanced digital circuits. Includes related hardware, software, testing, and troubleshooting. Lab exercises including building and testing circuits and devices studied. NR

ET 201
ROBOTICS FUNDAMENTALS
2 Units; 1.5 hours lecture; 1.5 hours lab
Recommended Preparation: ET 201
Fundamentals of robotics, including hardware, software, testing, and troubleshooting. Study of the basics of the major hardware and software of a small robot while building and programming it for various activities. NR

ET 202
INTERMEDIATE ROBOTICS
2 Units; 1.5 hours lecture; 1.5 hours lab
Recommended Preparation: ET 201
Study of intermediate level robotics systems, including mechanical and electronic components and systems, microcontrollers, sensors, motors/servos, and software. Each student will purchase a robotic arm and construct, program, test, and troubleshoot it to perform specified tasks. NR

ET 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

Emergency Medical Technology

EMT 207
EMERGENCY MEDICAL TECHNICIAN PROCEDURES
11 Units; 10 hours lecture; 3 hours lab
Limitation: American Heart Association BLS Healthcare Provider certification, physical exam and background check required.
Corequisite: EMT 207C
Designed for currently certified EMTs seeking to enter a paramedic education program in the near future. Focuses on specific cognitive aspects of Advanced Life Support level prehospital emergency medical care as identified in the National EMS Education Standards, including biochemistry and cellular physiology, general anatomy, and the pathophysiology of the nervous, respiratory, and cardiovascular systems. Topics also include patient assessment, and mathematics related to prehospital pharmacology including conversions, equivalents, and drug administration calculations. NR

EMT 207C
EMERGENCY MEDICAL TECHNICIAN CLINICAL OBSERVATION
0.75 Unit; 2 hours lab
Limitation: American Heart Association BLS Healthcare Provider certification and physical exam and background check required.
Corequisite: EMT 207
Provides opportunity to observe and participate in patient care activities under the supervision of hospital staff and ambulance personnel. Successful completion of both EMT 207 and EMT 207C is required to be eligible to take the National Registry EMT examination and become certified as an EMT. NR

EMT 210
EMERGENCY MEDICAL TECHNICIAN REFRESHER COURSE
1.25 Units; 1 hour lecture; 0.75 hours lab
Recommended Preparation: EMT 207
Designed for currently certified EMTs seeking to renew their certification. Covers key cognitive, psychomotor, and affective aspects of Basic Life Support level prehospital emergency medical care as identified in the National EMS Education Standards. Includes both lecture and skills, and satisfies California state EMT recertification requirements. NR

EMT 219
PARAMEDIC PREPARATION
4 Units; 4 hours lecture
Prerequisite: Current EMT certification
Designed for currently certified EMTs seeking to enter a paramedic education program in the near future. Focuses on specific cognitive aspects of Advanced Life Support level prehospital emergency medical care as identified in the National EMS Education Standards, including biochemistry and cellular physiology, general anatomy, and the pathophysiology of the nervous, respiratory, and cardiovascular systems. Topics also include patient assessment, and mathematics related to prehospital pharmacology including conversions, equivalents, and drug administration calculations. NR

EMT 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR
**Engineering**

**ENGR 31**  
**STATICS**  
*3 Units; 3 hours lecture*  
**Transfers: CSU, UC**  
**Prerequisite: PHYS 4A**

Statics is the study of force systems under equilibrium conditions. Force systems are analyzed for trusses, frames, and machines which are subjected to concentrated, distributed, and frictional forces. Graphical and mathematical methods of analysis are used, including virtual-work. *NR*

**English**

**ENG 1A**  
**PRINCIPLES OF COMPOSITION I**  
*4 Units; 4 hours lecture*  
**Transfers: CSU, UC**  
**Prerequisite: Satisfactory score on the English Placement Examination or completion of ENG 200 with a grade of “C” or better**

Focuses on composing the academic-style expository essay, which features a comprehensive thesis and logical support. Students will write original compositions increasing in level of difficulty and length, totaling at least 6,000 words, which will use rhetorical strategies such as textual analysis, causal analysis, comparison and argument. Students will read, interpret, and synthesize non-fiction sources using Standard Written English and MLA format. *NR*

**ENG 1AH**  
**PRINCIPLES OF COMPOSITION I HONORS**  
*4 Units; 4 hours lecture*  
**Transfers: CSU, UC**  
**Prerequisite: Satisfactory score on the English Placement Examination or successful completion of English 200 with a “C” or better**

Focuses on composing the academic-style expository essay, which features a comprehensive thesis and logical support, including use of scholarly sources. Students will write original compositions increasing in level of difficulty and length, totaling at least 6,000 words, which will use rhetorical strategies such as textual analysis, causal analysis, comparison and argument, building toward a capstone project featuring an argumentative essay with an oral presentation. Students will read, interpret, and synthesize complex, interdisciplinary non-fiction sources using Standard Written English and MLA format. *NR*

**ENG 1B**  
**PRINCIPLES OF COMPOSITION II**  
*3 Units; 3 hours lecture*  
**Transfers: CSU, UC**  
**Prerequisite: ENG 1A with a grade of “C” or better**

Provides instruction in critical thinking and in writing expository and persuasive essays and documented papers totaling a minimum of 8,000 words. Instruction focuses on the development of logical reasoning, on analytical and argumentative writing skills, and on research strategies. Assignments are derived from themes and works in various disciplines and cultures. *NR*

**ENG 3**  
**INTRODUCTION TO CREATIVE WRITING**  
*3 Units; 3 hours lecture*  
**Transfers: CSU, UC**  
**Prerequisite: Eligibility for ENG 1A**

Focuses on composing the academic-style expository essay, which features a comprehensive thesis and logical support. Students will write original compositions increasing in level of difficulty and length, totaling at least 6,000 words, which will use rhetorical strategies such as textual analysis, causal analysis, comparison and argument. Students will read, interpret, and synthesize non-fiction sources using Standard Written English and MLA format. *NR*

**ENG 4**  
**FICTION FUNDAMENTALS**  
*3 Units; 3 hours lecture*  
**Transfers: CSU, UC**  
**Prerequisite: Eligibility for ENG 1A**

Teaches the fundamentals of storytelling or narrative art, including the basic elements and narrative modes of fiction. Students read published short stories, write fictional works, and assess student fiction manuscripts. *NR*

**ENG 7**  
**CREATIVE WRITING: SCRIPTWRITING**  
*3 Units; 3 hours lecture*  
**Transfers: CSU, UC**  
**Prerequisite: Eligibility for ENG 1A**  
**Recommended Preparation: ENG 3, 4, or 104**

Focuses on the special requirements of dramatic writing for television, film, radio, and stage. *NR*

**ENG 15A**  
**SURVEY OF AMERICAN LITERATURE: 1620-1860**  
*3 Units; 3 hours lecture*  
**Transfers: CSU, UC**  
**Recommended Preparation: Eligibility for ENG 1A**

Emphasizes major ideas, authors, and forms in American literature during the 17th, 18th, and early 19th centuries. *NR*

**ENG 15B**  
**SURVEY OF AMERICAN LITERATURE: 1860 – CONTEMPORARY**  
*3 Units; 3 hours lecture*  
**Transfers: CSU, UC**  
**Recommended Preparation: Eligibility for ENG 1A**

Emphasizes major ideas, authors, and forms from the late 19th century to the present. *NR*

**ENG 17A**  
**SURVEY OF ENGLISH LITERATURE: BEOWULF TO ROMANTIC MOVEMENT**  
*3 Units; 3 hours lecture*  
**Transfers: CSU, UC**  
**Recommended Preparation: Eligibility for ENG 1A**

Covers 9th century to 1796: Anglo-Saxon, Medieval, Tudor, Renaissance, 17th century and Neoclassical literature. *NR*

**ENG 17B**  
**SURVEY OF ENGLISH LIT: ROMANTIC MOVEMENT TO THE PRESENT**  
*3 Units; 3 hours lecture*  
**Transfers: CSU, UC**  
**Recommended Preparation: Eligibility for ENG 1A**

Covers 1796 to present. Romantic, Victorian, Modern, and Post-Modern literature will be discussed in relation to social and political backgrounds. *NR*

**ENG 18**  
**SHAKESPEARE: THE TRAGEDIES**  
*3 Units; 3 hours lecture*  
**Transfers: CSU, UC**  
**Recommended Preparation: Eligibility for ENG 1A**

An in-depth study of representative plays and criticism, illustrating Shakespeare’s mastery of poetic and theatrical techniques and psychological portraiture within the framework of the genre of English Renaissance tragedy. *NR*

**ENG 19**  
**SHAKESPEARE: THE COMEDIES**  
*3 Units; 3 hours lecture*  
**Transfers: CSU, UC**  
**Recommended Preparation: Eligibility for ENG 1A**

A close study of the nature of Shakespeare’s comedies, illustrating the variety of Renaissance comedy from farce to fantasy to the serious study of social problems. *NR*

**ENG 20**  
**SHAKESPEARE: THE HISTORIES**  
*3 Units; 3 hours lecture*  
**Transfers: CSU, UC**  
**Recommended Preparation: Eligibility for ENG 1A**

A study of Shakespeare’s history plays set against their relevant historical backgrounds, together with an exploration of Shakespeare’s purpose in converting history into drama. *NR*

**ENG 21A**  
**WORLD LITERATURE: ANCIENT TO 17TH CENTURY**  
*3 Units; 3 hours lecture*  
**Transfers: CSU, UC**  
**Recommended Preparation: Eligibility for ENG 1A**

A survey of major authors and literary forms from antiquity to 17th century from world cultures. *NR*
ENG 21B  WORLD LITERATURE: 17TH CENTURY TO MODERN PERIOD  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
Recommended Preparation: Eligibility for ENG 1A  
A survey of major authors and literary forms from the 17th century to the modern period from world cultures. NR

ENG 24  ETHNIC VOICES IN LITERATURE: THE AMERICAN EXPERIENCE  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
Recommended Preparation: Eligibility for ENG 1A  
Examines literary works of African-American, Native-American, Arab-American, Asian-American, and Latino/Hispanic authors. Focuses on such themes as the American experience; self and family; self and religion; self and culture, self and nature; cultural conflict; war and peace. Compares and contrasts the styles and techniques of the authors. Focuses on social, philosophical, spiritual, and ethical values of the literature. Develops criteria for evaluating literature. NR

ENG 25  INTRODUCTION TO LITERATURE  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
Recommended Preparation: Eligibility for ENG 1A  
Examines the basic nature of imaginative literature and the techniques used by informed readers to increase their understanding of and gain insight into works of fiction, drama, and poetry. Some consideration will be given to the concepts and techniques of major critical theories, but the focus will be on practical criticism for the nonspecialist. Specific works studied will be representative of several genres, cultures, and periods. NR

ENG 27A  INTRODUCTION TO THE NOVEL  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
Recommended Preparation: Eligibility for ENG 1A  
Surveys American, British, French, and Russian novels emphasizing form, content, philosophical and historical perspectives, and criticism. NR

ENG 44  CLASSICAL MYTHOLOGY  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
Recommended Preparation: Eligibility for ENG 1A  
A study of Greek and Roman myths and legends. Emphasizes the historical sources and the cultural functions of myth and legend in the ancient societies along with their continuing impact upon modern thought. NR

ENG 52  THE FILM AS LITERATURE  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
Recommended Preparation: Eligibility for ENG 1A  
Examines foreign and domestic film as a literary art form focusing on the analysis of film techniques that convey standard literary conventions to an audience. NR

ENG 104  WRITING SHORT STORIES  
3 Units; 3 hours lecture  
Transfers: CSU  
Recommended Preparation: Eligibility for ENG 1A; ENG 3  
Writing the short story with an emphasis on contemporary publishing standards and an examination of the theories behind this process. NR

ENG 107  WRITING THE FICTION AND/OR NONFICTION BOOK  
3 Units; 3 hours lecture  
Transfers: CSU  
Recommended Preparation: Eligibility for ENG 1A or 3  
Designed to assist students in the planning, development, and marketing of book-length fiction and non-fiction. NR

ENG 117  ADVANCED SCRIPTWRITING  
3 Units; 3 hours lecture  
Transfers: CSU  
Prerequisite: ENG 7  
Recommended Preparation: ENG 3 or 4 or 104  
Focuses on the theory and practice of the screenplay with an emphasis on contemporary production standards. Students enrolled in this course should be presently working on a dramatic script. NR

ENG 142  CHILDREN’S LITERATURE  
3 Units; 3 hours lecture  
Transfers: CSU  
Recommended Preparation: Eligibility for ENG 1A  
Covers basic information about children’s cognitive development, the history of children’s literature, types of literature available for children from pre-school to junior high age, major authors and illustrators of children’s books. Focuses on the literary heritage of children’s books from classic to modern. Literary analysis from a variety of critical perspectives; research into current issues in children’s books. NR

ENG 160  LITERARY MAGAZINE  
3 Units; 2 hours lecture; 2 hours lab  
Transfers: CSU  
Recommended Preparation: ENG 1A or 3  
An introduction and practice in the distinctive elements of literary magazine production, providing firsthand experience in the various phases of editing and publishing a small press literary magazine. NR

ENG 170  REASONING AND COLLEGE READING  
3 Units; 3 hours lecture  
Transfers: CSU  
Prerequisite: ENG 1A with a “C” or better  
For students from all academic disciplines who seek to develop logical thinking, critical reading, and argumentative writing skills. Emphasis is on understanding implied meaning and logic and on developing college-level skills in analytical reading and writing. NR

ENG 180  SPEED READING AND COMPREHENSION TRAINING  
3 Units; 3 hours lecture  
Transfers: CSU  
Designed to improve critical awareness, to double or triple the students’ initial reading rate(s) while maintaining comprehension, and to expand college-level vocabulary. Reading flexibility is emphasized with attention to learning how to rapid read, skim, scan, study read, and read critically. NR

ENG 189  SPECIAL TOPICS  
Units and Hours Vary  
Transfers: CSU  
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

ENG 190  ACADEMIC READING: SUCCESS AND STRATEGIES FOR COLLEGE  
3 Units; 3 hours lecture  
Transfers: CSU  
Designed to improve students' abilities for college-level work. Introduces various learning strategies to improve textbook reading as applied to all stages of academic reading. Critical thinking, summary writing, note-taking and test taking skills will be stressed, as well as time budgeting and memory techniques. NR
ENG 200  
FUNDAMENTALS OF COMPOSITION  
4 Units; 4 hours lecture  
Prerequisite: Satisfactory score on the English Placement Examination or completion of ENG 300, 340, or comparable course with a grade of “C” or better 
Focuses on developmental writing, culminating in thesis-driven short essays and totaling at least 5,000 words for the semester. Students will complete reading analyses, in-class writing, and out-of-class assignments to prepare for successful writing across the disciplines. NR

ENG 210  
WRITING CENTER  
0.5 Unit; 1.5 hours learning center  
The Writing Center is designed to be taken in conjunction with any college course requiring written assignments inclusive of but not limited to, courses in the social and behavioral sciences; liberal arts; health sciences; and fine arts. Emphasizes individualized instruction and writing skills. Specific course content varies with student need and ability. This course is offered as an open-entry/open-exit course. This course is offered on a pass/no pass basis (formerly ENG 310). NR

ENG 221  
ACADEMIC READING: HUMAN ANATOMY  
1 Unit; 1 hour lecture  
Designed to improve reading comprehension and academic success in the subject area of human anatomy. The student will use course materials from the BIO 11, Human Anatomy class, to improve academic reading comprehension, apply study skills strategies, and develop discipline-specific vocabulary. NR

ENG 222  
ACADEMIC READING: PHYSIOLOGY  
1 Unit; 1 hour lecture  
Designed to improve reading comprehension and academic success in the subject area of physiology. The student will use course materials from the BIO 12 Physiology class to improve academic reading comprehension, apply study skills strategies, and develop discipline-specific vocabulary. NR

ENG 267  
NOVEL WORKSHOP: REVISIONING MANUSCRIPTS FOR PUBLICATION  
3 Units; 3 hours lecture  
Recommended Preparation: Eligibility for ENG 1A or 3 
An intensive analysis of the elements of dramatic fictional structure through student examination of works in progress. Revision of manuscripts to meet contemporary publication standards. Students enrolled in this course should be presently working on a novel or story-based manuscript. NR

ENG 289  
SPECIAL TOPICS  
Units and Hours Vary  
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

ENG 300  
BEGINNING WRITING  
3 Units; 3 hours lecture  
Corequisite: ENG 301  
A beginning-level writing course designed to develop writing fluency through instruction in the writing process — pre-writing, drafting, revising, editing — as well as the rules of Standard Written English. Students will learn to communicate a serious idea to an audience by writing short essays, both in and out of class, based on their experiences. Improves ability to derive information from a text, summarize short essays, support a thesis statement with details and examples, and apply the rules of punctuation and grammar to original writing. NR

ENG 301  
BEGINNING WRITING LAB  
0.5 Unit; 1 hour lab  
Corequisite: ENG 300  
This lab is designed to complement the writing techniques taught in English 300, Beginning Writing. Four modules will include the following: prewriting; paragraph development; sentence combining; grammar, usage, and punctuation. NR

ENG 332  
READING AND VOCABULARY SKILLS LABORATORY — ESL  
0 Unit; 1.5 hours learning center  
A lab designed for ESL students to supplement courses requiring English language proficiency, inclusive of courses in, but not limited to, the social and behavioral sciences; health sciences; liberal arts; fine arts; business science; and math, science and engineering. Emphasis is on individual instruction responding to diagnosed needs or problems and on practice to improve language related skills. Areas to be covered include spelling, reading comprehension, vocabulary development, and writing. This is an open-entry/open-exit class. This course is offered on a pass/no pass basis (formerly ENG 332). NR

ENG 332A  
READING AND VOCABULARY SKILLS LABORATORY — ESL ADVANCED  
0.5 Unit; 1.5 hours learning center  
An advanced-level lab designed for ESL students to supplement courses requiring English language proficiency, inclusive of courses in, but not limited to, the social and behavioral sciences; health sciences; liberal arts; fine arts; business science; and math, science and engineering. Emphasis is on individual instruction responding to diagnosed needs or problems and on practice to improve language related skills. Areas to be covered include spelling, interpretive/applied reading comprehension, vocabulary development, and writing. This is an open-entry/open-exit class. This course is offered on a pass/no pass basis. NR

ENG 332B  
READING AND VOCABULARY SKILLS LABORATORY — ESL INTERMEDIATE  
0.5 Unit; 1.5 hours learning center  
An intermediate-level lab designed for ESL students to supplement courses requiring English language proficiency, inclusive of courses in, but not limited to, the social and behavioral sciences; health sciences; liberal arts; fine arts; business science; and math, science and engineering. Emphasis is on individual instruction responding to diagnosed needs or problems and on practice to improve language related skills. Areas to be covered include spelling, inferential reading comprehension, vocabulary development, and writing. This is an open-entry/open-exit class. This course is offered on a pass/no pass basis. NR
ENG 333A
READING SKILLS LABORATORY
BASIC
0.5 Unit; 1.5 hours learning center
A basic lab designed as a supplement to any college course requiring proficiency in reading inclusive of but not limited to, the social and behavioral sciences; health sciences; liberal arts; fine arts; business science; and math, science and engineering. Emphasis is on individual instruction and practical application in order to strengthen and reinforce student skills in one or more of the following areas: comprehension, vocabulary, spelling, and study skills. This is an open-entry/open-exit class. This course is offered on a pass/no pass basis. NR

ENG 333B
READING SKILLS LABORATORY
INTERMEDIATE
0.5 Unit; 1.5 hours learning center
An intermediate-level lab designed as a supplement to any college course requiring proficiency in reading inclusive of but not limited to, the social and behavioral sciences; health sciences; liberal arts; fine arts; business science; and math, science and engineering. Emphasis is on individual instruction and practical application in order to strengthen and reinforce student skills in one or more of the following areas: comprehension, vocabulary, spelling, and study skills. This is an open-entry/open-exit class. This course is offered on a pass/no pass basis. NR

ENG 333C
READING SKILLS LABORATORY
ADVANCED
0.5 Unit; 1.5 hours learning center
An advanced-level lab designed as a supplement to any college course requiring proficiency in reading inclusive of but not limited to, the social and behavioral sciences; health sciences; liberal arts; fine arts; business science; and math, science and engineering. Emphasis is on individual instruction and practical application in order to strengthen and reinforce student skills in one or more of the following areas: comprehension, vocabulary, spelling, reading rate, and study skills. This is an open-entry/open-exit class. This course is offered on a pass/no pass basis. NR

ENG 334
SPELLING SKILLS FOR COLLEGE
2 Units; 2 hours lecture
Corequisite: ENG 335
Designed to help students identify individual spelling deficiencies and learn basic spelling rules. The causes of spelling errors and correct pronunciation will be discussed. Through classroom instruction, lab use and testing, students will learn to sharpen their spelling ability. NR

ENG 335
SPELLING LABORATORY
0.5 Unit; 1 hour lab
Corequisite: ENG 334
Designed to complement the spelling skills taught in ENG 334. This lab includes diagnosis of individual spelling deficiencies and through individualized instruction students will sharpen their spelling skills. NR

ENG 336
EXPANDED READING SKILLS LAB
1 Unit; 3 hours learning center
A lab designed as a supplement to any college course requiring proficiency in reading inclusive of but not limited to, the social and behavioral sciences; health sciences; liberal arts; fine arts; business science; and math, science and engineering. Emphasis is on intensive in-depth development of reading comprehension skills, vocabulary and word usage, reading rate, spelling and study skills through an individualized program. This is an open-entry/open-exit class. Offered on a pass/no pass basis. NR

ENG 340
READING SKILLS FOR COLLEGE
3 Units; 3 hours lecture
Corequisite: ENG 341
Designed to bring students’ reading abilities and study skills to college-level proficiency. Emphasis is on individual help and careful progress to develop reading confidence and ease. NR

ENG 341
READING LABORATORY
0.5 Unit; 1 hour lab
Corequisite: ENG 340
Designed to complement the reading skills taught in ENG 340, Reading Skills for College. This 16 week lab includes work in reading comprehension, reading rate, vocabulary, study skills, and writing. NR

ENG 345
BUILDING BASIC READING SKILLS
3 Units; 3 hours lecture
Corequisite: ENG 346
Recommended for students whose reading placement scores indicate a substantial need for reading improvement. Focuses on literal comprehension skills such as stated main idea, implied main idea, major/minor details, sequence, and constructing written summaries of a reading. Materials will be at the student's instructional reading level and range from expository readings to novels and short stories. Vocabulary skills will be developed through instruction in use of context clues and word parts and through extensive recreational reading. Students will develop time management and study techniques. NR

ENG 346
BASIC READING SKILLS LAB
0.5 Unit; 1 hour lab
Corequisite: ENG 345
Expands and enhances the reading instruction in ENG 345 through an individualized program designed to meet each student's needs. NR

English as a Second Language

ESL 320
BEGINNING MULTISKILLS I
0 Unit; 6 hours lecture
3 Units; 6 hours lecture
A low-beginning course in English for non-native speakers. Emphasis is on speaking, listening, reading, writing, grammar, and vocabulary. This course may be offered for zero units on an open-entry/open-exit basis. The unit version of this course is not open-entry/open-exit and may not be repeated.

ESL 321
BEGINNING MULTISKILLS II
0 Unit; 6 hours lecture
3 Units; 6 hours lecture
Recommended Preparation: ESL 320
A high-beginning course in English for non-native speakers. Emphasis is on listening, speaking, reading, writing, grammar, and vocabulary. This course may be offered for zero units on an open-entry/open-exit basis. The unit version of this course is not open-entry/open-exit and may not be repeated.

ESL 322
BEGINNING CONVERSATION
0 Unit; 3 hours lecture
2 Units; 3 hours lecture
Initiates the ESL conversation series with emphasis on everyday conversation. Topics encompass basic oral/aural skills students need for survival. This course may be offered for zero units on an open-entry/open-exit basis. The unit version of this course is not open-entry/open-exit and may not be repeated.

ESL 323
BEGINNING PRONUNCIATION
0 Unit; 2 hours lecture
1 Unit; 2 hours lecture
Designed to enable students to recognize and reproduce the sounds and intonation patterns of American English. Through intensive pronunciation drills, listening activities, free speaking, and reading of selected simplified passages, students develop confidence in speaking situations. This course may be offered for zero units on an open-entry/open-exit basis. The unit version of this course is not open-entry/open-exit and may not be repeated.
ESL 325
BEGINNING READING AND WRITING
0 Unit; 3 hours lecture
3 Units; 3 hours lecture
Recommended Preparation: ESL 320
Designed for the non-native speaker of English focusing on beginning-level reading and writing skills. Emphasis in writing is on beginning-level sentence patterns, basic spelling, basic conventions of standard written English, and basic paragraph forms. Emphasis in reading is on literal comprehension. Expansion of vocabulary is emphasized. This course may be offered for zero units on an open-entry/open-exit basis. The unit version of this course is not open-entry/open-exit and may not be repeated.

ESL 330
INTERMEDIATE MULTISKILLS I
0 Unit; 6 hours lecture
3 Units; 6 hours lecture
Recommended Preparation: ESL 321
A low-intermediate course in English for non-native speakers. Emphasis is on further development in listening, speaking, reading, writing, grammar and vocabulary. This course may be offered for zero units on an open-entry/open-exit basis. The unit version of this course is not open-entry/open-exit and may not be repeated.

ESL 331
INTERMEDIATE MULTISKILLS II
0 Unit; 6 hours lecture
3 Units; 6 hours lecture
Recommended Preparation: ESL 330
A high-intermediate English course for non-native speakers. Emphasis is on listening, speaking, reading, writing, grammar, and vocabulary. This course may be offered for zero units on an open-entry/open-exit basis. The unit version of this course is not open-entry/open-exit and may not be repeated.

ESL 332
INTERMEDIATE CONVERSATION
0 Unit; 3 hours lecture
2 Units; 3 hours lecture
Recommended Preparation: ESL 321 or 322
The second in the ESL conversation series emphasis on both formal and informal expression and conversation in American English. Topics and vocabulary are expanded. May be offered for zero units on an open-entry/open-exit basis. The unit version of this course is not open-entry/open-exit and may not be repeated.

ESL 333
INTERMEDIATE PRONUNCIATION
0 Unit; 3 hours lecture
2 Units; 3 hours lecture
Recommended Preparation: ESL 323
An intermediate-level pronunciation course designed for non-native speakers which enables students to recognize, distinguish, and produce the sounds and intonation patterns of American English. Students continue to develop confidence in speaking and comprehension through extensive practice, imitation, sound discrimination, dialogue, response, and reading. This course may be offered for zero units on an open-entry/open-exit basis. The unit version of this course is not open-entry/open-exit and may not be repeated.

ESL 335
INTERMEDIATE WRITING I
0 Unit; 3 hours lecture
3 Units; 3 hours lecture
Prerequisite: ESL 321 or 325
Recommended Preparation: ESL 320
Designed for the non-native speaker of English focusing on low-intermediate-level writing skills. Emphasis is on gaining control of low-intermediate level sentence patterns, basic conventions of standard written English, and basic paragraph forms. Reading, vocabulary, and grammar activities support and supplement writing instruction. This course may be offered for zero units on an open-entry/open-exit basis. The unit version of this course is not open-entry/open-exit and may not be repeated.

ESL 336
INTERMEDIATE WRITING II
0 Unit; 3 hours lecture
3 Units; 3 hours lecture
Prerequisite: ESL 330 or 335
Corequisite: ESL 801
Recommended Preparation: ESL 331
Designed for the non-native speaker of English focusing on high-intermediate-level writing skills. Emphasis on high-intermediate-level sentence patterns, conventions of standard written English, and paragraph forms. Reading, vocabulary, and grammar activities support and supplement writing instruction. This course may be offered for zero units on an open-entry/open-exit basis. The unit version of this course is not open-entry/open-exit and may not be repeated.

ESL 340
ADVANCED MULTISKILLS
0 Unit; 6 hours lecture
3 Units; 6 hours lecture
Recommended Preparation: ESL 331
An advanced English course for non-native speakers, incorporating academic skills. Emphasis is on further development in listening, speaking, reading, writing, grammar, and vocabulary in general and academic contexts. This course may be offered for zero units on an open-entry/open-exit basis. The unit version of this course is not open-entry/open-exit and may not be repeated.

ESL 342
ADVANCED CONVERSATION
0 Unit; 3 hours lecture
2 Units; 3 hours lecture
Recommended Preparation: ESL 331 or 332
Completes the ESL conversation series and aids the ESL student in fluency in both formal and informal conversation in American English within a variety of societal contexts: social, work, and school situations. Topics may be of a controversial nature. This course may be offered for zero units on an open-entry/open-exit basis. The unit version of this course is not open-entry/open-exit and may not be repeated.

ESL 343
ADVANCED PRONUNCIATION
0 Unit; 3 hours lecture
2 Units; 3 hours lecture
Recommended Preparation: ESL 333
Completes the ESL pronunciation sequence. Emphasis on accent reduction, pronunciation accuracy, auditory discrimination, conversation techniques, and selective listening skills. Develops stress distinctions and intonation patterns in order to communicate intent and meaning. This course may be offered for zero units on an open-entry/open-exit basis. The unit version of this course is not open-entry/open-exit and may not be repeated.

ESL 344
IDIOMS AND EXPRESSIONS IN AMERICAN ENGLISH
0 Unit; 2 hours lecture
2 Units; 2 hours lecture
Recommended Preparation: ESL 331
An advanced vocabulary course focusing on the idioms and expressions of American English. Designed to help non-native speakers understand and use, in both speech and writing, common and useful English idioms and expressions. Introduces phrasal verbs and collocations. This course may be offered for zero units on an open-entry/open-exit basis. The unit version of this course is not open-entry/open-exit and may not be repeated.

ESL 345
ADVANCED WRITING I
0 Unit; 3 hours lecture
3 Units; 3 hours lecture
Prerequisite: ESL 331 or 336
Corequisite: ESL 802
Recommended Preparation: ESL 331
Designed for the non-native speaker of English focusing on advanced-level writing skills. Emphasis is on gaining control of complex sentence patterns and standard rhetorical patterns. Reading, vocabulary, and grammar activities support and supplement writing instruction. This course may be offered for zero units on an open-entry/open-exit basis. The unit version of this course is not open-entry/open-exit and may not be repeated.
**ESL 346**  
**ADVANCED WRITING FOR WORK**  
0 Unit; 3 hours lecture  
3 Units; 3 hours lecture

**Recommended Preparation:** ESL 336

Designed to improve non-native speakers’ reading comprehension and written communication skills necessary for advanced-level work using “real-world” texts. Students summarize examples of American business and technical communication, design, write, and analyze different communication examples of memoranda, letters, descriptions, instructions, and other reports focusing on impact, accuracy, and clarity in relation to audience and purpose. Students also review sentence structure and grammar as needed. This course may be offered for zero units on an open-entry/open-exit basis. The unit version of this course is not open-entry/open-exit and may not be repeated.

**ESL 347**  
**ADVANCED GRAMMAR REVIEW**  
0 Unit; 3 hours lecture  
3 Units; 3 hours lecture

**Corequisite:** ESL 901

**Recommended Preparation:** ESL 331

Begins the advanced, rapidly-paced grammar sequence for non-native speakers of English. Emphasis is on structures particularly difficult for non-native speakers such as the English verb system in all tenses and aspects, including passive voice, modals, and modal-like expressions. Writing of original sentences, applying correct structure and stresses appropriate punctuations. This course may be offered for zero units on an open-entry/open-exit basis. The unit version of this course is not open-entry/open-exit and may not be repeated.

**ESL 350**  
**ESSENTIAL ACADEMIC SKILLS**  
0 Unit; 6 hours lecture  
3 Units; 6 hours lecture

**Prerequisite:** ESL 340 or 345

Advanced academic English course for non-native speakers designed to improve reading comprehension and written communication skills necessary for college-level work. Summarize articles, take notes on lectures from a variety of academic disciplines, master specialized vocabulary, and discuss current issues. Develop fluency and confidence by writing and rewriting paragraphs and short essays. Paraphrasing, quoting, citing, and documenting are included. This course may be offered for zero units on an open-entry/open-exit basis. The unit version of this course is not open-entry/open-exit and may not be repeated.

**ESL 354**  
**VOCABULARY SKILLS FOR COLLEGE**  
0 Unit; 3 hours lecture  
3 Units; 3 hours lecture

**Recommended Preparation:** ESL 340

Designed to help non-native speakers of English expand and acquire a college-level vocabulary and idiomatic expressions necessary for academic and vocational courses. This course may be offered for zero units on an open-entry/open-exit basis. The unit version of this course is not open-entry/open-exit and may not be repeated.

**ESL 355**  
**ESL READING FOR COLLEGE:**  
**AMERICAN LITERATURE**  
0 Unit; 3 hours lecture  
3 Units; 3 hours lecture

**Recommended Preparation:** ESL 340 or 345

Introduces advanced ESL students to techniques for understanding and appreciating excerpts and complete works of fiction, drama, and poetry by American writers. Students write summaries, journal entries, and character analyses and take part in discussions, dramatic activities, and presentations in response to specific works studied. This course may be offered for zero units on an open-entry/open-exit basis. The unit version of this course is not open-entry/open-exit and may not be repeated.

**ESL 356**  
**ACADEMIC SUCCESS STRATEGIES FOR ESL STUDENTS**  
0 Unit; 3 hours lecture  
3 Units; 3 hours lecture

**Recommended Preparation:** ESL 340 or 345 or 358

This course is designed to improve advanced ESL students’ academic language skills and likelihood of academic success. Using lecture and textbook materials from a college level course, students will develop study and test-taking strategies, academic discipline-specific vocabulary, classroom participation skills, reading, writing, and note-taking skills. This course may be offered for zero units on an open-entry/open-exit basis. The unit version of this course is not open-entry/open-exit and may not be repeated.

**ESL 357**  
**GRAMMAR REVIEW FOR COLLEGE**  
0 Unit; 3 hours lecture  
3 Units; 3 hours lecture

**Corequisite:** ESL 902

**Recommended Preparation:** ESL 331, 347

Completes the advanced, rapidly-paced grammar sequence for non-native speakers of English. Emphasis is on structures particularly difficult for speakers of English as a second language such as gerunds and infinitives in both active and passive voice, and noun, adjectival, and adverb clauses, including clauses of condition. Writing of original compound and complex sentences with appropriate transitions and punctuation is stressed. This course may be offered for zero units on an open-entry/open-exit basis. The unit version of this course is not open-entry/open-exit and may not be repeated.

**ESL 358**  
**LISTENING AND NOTE-TAKING SKILLS FOR COLLEGE**  
0 Unit; 3 hours lecture  
3 Units; 3 hours lecture

**Recommended Preparation:** ESL 340

Designed to prepare foreign-language speakers for mainstream college courses. Emphasis is on note-taking, outlining, comprehension of spoken information, questioning, and paraphrasing techniques necessary for class participation. This course may be offered for zero units on an open-entry/open-exit basis. The unit version of this course is not open-entry/open-exit and may not be repeated.

**ESL 359**  
**AMERICAN LANGUAGE AND CULTURE THROUGH FILM**  
0 Unit; 3 hours lecture  
3 Units; 3 hours lecture

**Recommended Preparation:** ESL 331

In this content-based course, students are introduced to selected periods of American history and aspects of American culture through film. Discussion and writing assignments are based on background readings which complement these films. Film provides students with visual, kinesthetic and auditory modes of learning which makes it a highly effective method of enhancing second or foreign-language acquisition. It also offers opportunities to learn idiomatic expression, pronunciation and vocabulary as well as improve listening comprehension while gaining insight into American culture. This course may be offered for zero units on an open-entry/open-exit basis. The unit version of this course is not open-entry/open-exit and may not be repeated.

**ESL 389**  
**SPECIAL TOPICS**  

**Units and Hours Vary**

The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is themetic in nature and each seminar within the course differs from other offerings in the same course. NR
Entertainment and Theatre Technology

ETT 40
STAGECRAFT
4 Units; 3 hours lecture; 3 hours lab
Prerequisites: ETT 336
Corequisites: ETT 345
Transfers: CSU, UC
Includes stage terminology, stage composition, scenic and technical drawing, computer light boards, lighting design, scenery construction, scenic painting, and scenic design. Requires completion of an introductory production course (formerly TA 45). NR

ETT 41
STAGE LIGHTING
3 Units; 2 hours lecture; 3 hours lab
Prerequisites: ETT 40
Transfers: CSU, UC
Corequisites: ETT 41
Includes the study of stage lighting design as well as the equipment. Requires completion of an introductory production course (formerly TA 41). NR

ETT 42
COSTUME DESIGN
3 Units; 2 hours lecture; 3 hours lab
Prerequisites: ETT 40
Transfers: CSU, UC
Corequisites: ETT 42
Includes the study of the principles of costume design, design process, production design, and rendering design in a variety of contexts. Requires completion of an introductory production course (formerly TA 41). NR

ETT 45
SCENE DESIGN
3 Units; 2 hours lecture; 3 hours lab
Prerequisites: ETT 40
Transfers: CSU, UC
Corequisites: ETT 45
Includes the study of the principles of scene design, production design, and rendering design in a variety of contexts. Requires completion of an introductory production course (formerly TA 41). NR

ETT 100
APPLIED TECHNICAL THEATRE PRODUCTION
3 Units; 1 hour lecture; 4 hours lab
Transfers: CSU
Recommended Preparation: MATH 351
Focuses on pre-production skills and techniques needed prior to opening a theatrical production. Requires completion of an introductory production course (formerly TA 45). NR

ETT 101
FUNDAMENTALS OF DESIGN AND GRAPHICS FOR THEATRE
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Corequisites: ETT 40
Provides opportunities for students to practice design and technical construction skills in a variety of contexts. Requires completion of an introductory production course (formerly TA 41). NR

ETT 102
THEATRE MANAGEMENT
3 Units; 3 hours lecture
Transfers: CSU
Corequisites: ETT 40
Provides opportunities for students to practice design and technical construction skills in a variety of contexts. Requires completion of an introductory production course (formerly TA 41). NR

ETT 103
ENTERTAINMENT INTERNSHIP
1 Unit; 1 hour lecture
Transfers: CSU
Corequisites: ETT 40
Provides opportunities for students to practice design and technical construction skills in a variety of contexts. Requires completion of an introductory production course (formerly TA 41). NR

ETT 130
THEATRE MANAGEMENT
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Corequisites: ETT 40
Provides opportunities for students to practice design and technical construction skills in a variety of contexts. Requires completion of an introductory production course (formerly TA 41). NR

ETT 142
THEATRE PRODUCTION
1 Unit; 0.5 hours lecture; 2 hours lab
Transfers: CSU
Corequisites: ETT 40
Provides opportunities for students to practice design and technical construction skills in a variety of contexts. Requires completion of an introductory production course (formerly TA 41). NR
ETT 144
THEATRE SCENERY PAINTING
2 Units; 1 hour lecture; 3 hours lab
Transfers: CSU
A study of the elements of theatrical scenery painting, including historical and present-day methods with practical applications through class efforts of scenery painting, as well as individual scene-painting projects (formerly TA 144). NR

ETT 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

ETT 201
ENTERTAINMENT COMPUTER
AIDED DRAFTING
3 Units; 2 hours lecture; 3 hours lab
Recommended Preparation: ETT 101
Create and manage basic drawings for the entertainment industry using standard drafting software and techniques (formerly TA 201). NR

ETT 240
ADVANCED STAGECRAFT
3 Units; 2 hours lecture; 3 hours lab
Prerequisite: ETT 40
Principles and techniques of stagecraft, with emphasis on stage properties, alternative materials, the use of computers as it relates to automation and organization at theatrical events, automated lighting, alternate spaces, special effects, and stagecraft as a profession and as it relates to all entertainment, including film, television and theme parks (formerly TA 240). NR

ETT 242
STYLES OF PAINT FOR THE ENTERTAINMENT INDUSTRY
3 Units; 2 hours lecture; 3 hours lab
Recommended Preparation: ETT 244
Creating themed environments by exploring period style elements through art, architecture, and concepts of set design. Focuses on practical application techniques and studies. Provides an overview of social cultural, art, architecture, and period styles and décor from antiquity to the modern age of Western civilization applicable to theatrical stage design. NR

ETT 244
ADVANCED SCENERY PAINTING
3 Units; 2 hours lecture; 3 hours lab
Prerequisite: ETT 144
Examines detailed faux finish techniques, and basic mural layouts. Practical application of more advanced painting methods and tools and the estimating of costs and supplies. NR

ETT 246
THEATRE AUDIO TECHNIQUES
3 Units; 2 hours lecture; 3 hours lab
Prerequisite: ETT 40
Explore the role of a sound designer in a theatrical production, from equipment to design. Emphasizes current processes and application through discussion and hands-on training. Class covers recording and reinforcement techniques, mixing, microphones, signal processing, and digital editing (formerly TA 246). NR

ENV 1
INTRODUCTION TO ENVIRONMENTAL STUDIES
3 Units; 3 hours lecture
Transfers: CSU, UC
Provides an overview of the relationship between environmental pollutants and human health. Includes the general principles of water, soil, and air pollution, of chemical and radiation poisoning, of hazardous waste management and environmental change, and of other hazards that challenge human health and well-being. NR

ENV 23
ENVIRONMENTAL GEOLOGY
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Principles of sound planning for the human use of the solid earth. Includes environmental studies of earthquakes, mineral and energy resources, floods, beach erosion, landslides, etc. Field trips may be required to fulfill the objectives of this course. Also listed as GEOL 23. Credit given in either area, not both. NR

ENV 24
NATURAL HISTORY OF CALIFORNIA
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Acquaints the student with the basic physical and biological aspects of the coastal, valley, mountain, and desert environments of California. Field trips are required to fulfill the objectives of the course. NR

ENV 25
ENVIRONMENTAL HAZARDS TO HEALTH
3 Units; 3 hours lecture
Transfers: CSU, UC
Provides an overview of the relationship between environmental pollutants and human health. Includes the general principles of water, soil, and air pollution, of chemical and radiation poisoning, of hazardous waste management and environmental change, and of other hazards that challenge human health and well-being. NR

ENV 30
ALTERNATIVE ENERGY TECHNOLOGIES
3 Units; 3 hours lecture
Transfers: CSU, UC
An introductory course presenting alternative energy policies and technologies that include geothermal, solar, hydroelectric, nuclear, biomass, and wind power. Problems of control, costs, pollution, and potential health hazards will be presented from both political and technical perspectives. NR

ENV 37
ENVIRONMENTAL ETHICS
3 Units; 3 hours lecture
Transfers: CSU, UC
An overview of basic concepts in the methods of examining current environmental issues and methods for creating judicious environmental policy. Examines the ethical issues raised by environmental challenges and various perspectives on determining our moral obligation to the natural environment. Various arguments/positions from several philosophers will be presented. NR
ENV 105
ENVIRONMENTAL STUDIES
INTERNSHIP
2 Units; 1 hour lecture; 2 hours lab
Transfers: CSU
Recommended Preparation: ENV 1
Develop detailed knowledge in the preparation for future environmental work experience through goals and resume development, interview preparation, understanding of team work dynamics, and overview of the on the job site requirements. NR

ENV 106
NATURAL RESOURCE
CONSERVATION
3 Units; 3 hours lecture
Transfers: CSU
A comprehensive overview of natural resources and conservation issues. Topics discussed include the history of conservation, including national parks and wildlife conservation, human history in relation to natural resource utilizations, and contemporary natural resource use. Contemporary conservation solutions will be investigated. NR

ENV 123
WATER AND SOIL CONSERVATION
3 Units; 3 hours lecture
Transfers: CSU
Evaluation of major water and soil conservation programs and practices, principles of water and soil degradation by erosion, ground water overdraft, chemical transport, climate, topography, and land usage. Examination of the effects of water and soil pollution on population growth, food production, the environment, the economy, and policy. NR

ENV 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

ENV 200
VOLUNTEER NATURALIST TRAINING
2 Units; 1 hour lecture; 2 hours lab
Prepares individual to lead interpretive tours at a variety of Orange County wilderness areas for various agencies and organizations. Subject matter includes familiarity of plants, animals, ecology, geology, and cultural history of the region. Useful for those interested in becoming a park docent. NR

ENV 202
GREEN LIVING
2 Units; 2 hours lecture
Practical solutions that can be implemented in daily life in order to reduce one's ecological footprint on the planet. Includes an overview of the current global environment and practical solutions in reducing environmental impact. NR

ENV 203
CERTIFIED INTERPRETIVE GUIDE TRAINING
2 Units; 2 hours lecture
Offers an opportunity for individuals who work, or would like to work, as guides for parks, museums, or historical landmarks to receive training in interpretive techniques. Participants who successfully complete the program can also earn an internationally recognized certification from National Association for Interpretation. NR

ENV 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

ES 1
MULTICULTURAL EXPERIENCES IN THE UNITED STATES
3 Units; 3 hours lecture
Transfers: CSU, UC
Examines the cultures of African Americans, Asian Americans, Chicanos(as)/Latinos(as), Middle Eastern Americans, and Native Americans. Focuses on the topics of racial and ethnic identity, gender, sexuality/sexual orientation, work and class, dreams, and healing within each group. Includes an examination of the relationships within and among cultural groups in the United States, and how they interact with the dominant culture (formerly CCS 2). NR

ES 3
INTRODUCTION TO CHICANA/O AND LATINA/O CULTURES
3 Units; 3 hours lecture
Transfers: CSU, UC
An introduction to Chicana/o and Latina/o cultures in the United States. Includes an overview of the diverse and multiple experiences of people with ancestry from Mexico, Cuba, Puerto Rico, the Dominican Republic, Central America, and South America. The intersections of class, race/ethnicity, cultural identity, and gender will be explored. NR

ES 10
MARGINS AND BORDER CROSSINGS
3 Units; 3 hours lecture
Transfers: CSU, UC
Focuses on the experiences of those who negotiate cultural borders: boundaries of race, ethnicity, ability, locality, religion, gender, class, and sexuality/sexual orientation, with an examination of the borderlands between cultures and how people “manage” crossing those spaces. Readings will be taken from literature, psychological, sociological, historical, anthropological, and biographical texts (formerly CCS 10). NR

ES 189

Fashion

FASH 31
TEXTILES
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU, UC
Fabric selection and care considering fibers, yarns, weaves, knits, finishes, and color. Emphasis is on properties of fibers as related to their end use and consumer understanding of fabric performance. Also listed as BUS 31. Credit given in either area, not both. NR

FASH 100
SEWING FOR FASHION DESIGN I
3 Units; 2 hours lecture; 2 hours lab
Transfers: CSU
Fundamentals of sewing for the fashion design industry. Introduction to industrial equipment, home and industry patterns, fabric selection, layout and cut and sew techniques. NR

FASH 101
INTRODUCTION TO FASHION CAREERS
3 Units; 3 hours lecture
Transfers: CSU
Explores the fashion industry including the development of fashion and consumer demands, fashion producers, fashion retailers, international fashion centers, marketing concepts, promotion, publishing, and advertising areas. Emphasis placed on current industry and careers. NR

FASH 110
CONTEMPORARY CLOTHING CONSTRUCTION
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Recommended Preparation: FASH 100 or basic sewing skills
Clothing construction methods appropriate for beginners or students wishing to refine their skills. Emphasis is placed on new sewing and fitting techniques for contemporary fabrics and fashion designs, individualizing patterns, and coordinating fabric choices to create the desired fashion image. NR

FASH 111
SEWING FOR FASHION DESIGN II
3 Units; 2 hours lecture; 2 hours lab
Transfers: CSU
Recommended Preparation: FASH 100 or basic sewing skills
Designed for the student who has completed Sewing for Fashion Design I. Students will continue to build their sewing skills using industrial equipment while constructing the following projects: Pants, button down collar shirt and a knit project. Industrial and home sewing techniques will be covered. More challenging fabrics will be used. NR

FASH 112
FASHION SEWING — ADVANCED
3 Units; 2 hours lecture; 2 hours lab
Transfers: CSU
Recommended Preparation: FASH 111
Application of advanced techniques in construction of garments. Use of designer patterns and adapting patterns for a more personal style. Handling of such special fabrics as velvet, microfibers, sheers, silks, piques, taffetas, and lace. Fine custom details such as lining and underlining. NR

FASH 113
COUTURE SEWING
2 Units; 1 hour lecture; 3 hours lab
Transfers: CSU
Recommended Preparation: FASH 111
Application of custom techniques in construction of haute couture garments. Instruction in fine finishing details such as hand-sewing techniques, trapunto, self-trim applique, and beading. NR

FASH 120
TAILORING
3 Units; 2 hours lecture; 2 hours lab
Transfers: CSU
Recommended Preparation: FASH 100 or basic sewing skills
Emphasizes tailoring techniques as applied to construction of coats and suits. Stresses hand-tailoring processes including working with wool, hand-rolling collars, and supporting fabrics and linings. Also includes tailoring methods using soft, unconstructed fabrics; new shaping technique; and quick methods of construction. NR

FASH 124
WEARABLE ART
3 Units; 2 hours lecture; 2 hours lab
Transfers: CSU
Recommended Preparation: FASH 100 or basic sewing skills
Incorporates student's artistic abilities, cultural and ethnic sources, specialty fabrics, needle arts and heirloom sewing to create an artistic wearable garment. Covers design methods, embellishment, surface patterns, and construction of clothing. NR

FASH 130
FLAT PATTERN DESIGN
4 Units; 4 hours lecture; 1 hour lab
Transfers: CSU
Recommended Preparation: FASH 100 or basic sewing skills
Creative fashion and costume design achieved through flat pattern techniques. Use of the basic sloper and construction of half-scale garments. NR

FASH 131
CAD PATTERNMAKING WITH TUKATECH
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Prerequisite: FASH 130
Designed to teach computerized pattern making skills of garment design using Tukatech software. Course includes drafting basic pattern blocks (slopers), manipulating or creating new darts, adding fullness, creating pleats and making new seams on computer program. Tukatech adds computerized flat-pattern dimension to traditional flat pattern and provides a better understanding of the processes involved in producing ready-to-wear or custom apparel. NR
FASH 132
DRAPING FASHION DESIGNS
3 Units; 2 hours lecture; 2 hours lab
Transfers: CSU
Recommended Preparation: FASH 100 or basic sewing skills
Creative apparel-designing using fabric-draping techniques on a dress form with application to the individual. NR

FASH 136
APPAREL DESIGN
3 Units; 2 hours lecture; 2 hours lab
Transfers: CSU
Recommended Preparation: FASH 130
Designed to teach the basic skills of garment design: how designers develop a line, sources of inspiration, trend reports, and the elements of a successful apparel line. Course includes garment sketch, line presentation, sourcing, cost sheets, garment specs and taking your line to market. NR

FASH 140
FASHION IMAGE
3 Units; 3 hours lecture
Transfers: CSU
Fashion Image aims to help men and women to look and dress their best, taking into account personal style, lifestyle, goals and budget. Provides tools for evaluating your individual style, accentuating your assets, becoming aware of color, proportion and fit. NR

FASH 141
APPAREL SELECTION
3 Units; 3 hours lecture
Transfers: CSU
Concepts of apparel selection for professional and personal needs based on design, culture, image and lifestyles. Includes the study of sociological, physiological, and psychological aspects of dress. The fashion professional uses this information to better design, produce, and select products to meet the needs of a culturally diverse consuming population. NR

FASH 143
FASHION BUYING AND MERCHANDISING
3 Units; 3 hours lecture
Transfers: CSU
Study the principles and techniques of merchandising pertinent to the fashion industry including buying fashion, methods of merchandising fashion, and merchandise control. Also listed as BUS 143. Credit given in either area, not both. NR

FASH 144
FASHION TRENDS AND CULTURAL COSTUMES
3 Units; 3 hours lecture
Transfers: CSU
Examines the forces which influence the fashion trends of today by studying the clothing, textiles, arts, and cultures of the past. Covers historical, artistic, socioeconomic, geographic, religious, political, and cultural influences clothing design, textiles, and fashion from ancient to modern civilization. Includes cultures throughout the world. NR

FASH 145
INTERNSHIP
1 Unit; 1 hour lecture
Transfers: CSU
Corequisite: CWE 180
Supervised and educationally-directed internship. Weekly lectures will relate on-the-job experiences with academic program. To be taken in the final year of program. Also listed as BUS 145. Credit given in either area, not both. NR

FASH 147
SPECIAL EVENTS COORDINATION AND PROMOTION
3 Units; 2 hours lecture; 2 hours lab
Transfers: CSU
Emphasis is on a student-produced fashion event. The course will provide training in fashion promotion and coordination, retail sales, advertising, and merchandising. Also listed as BUS 147. Credit given in either area, not both. NR

FASH 148
VISUAL MERCHANDISING
3 Units; 2 hours lecture; 2 hours lab
Transfers: CSU
Visual merchandising as both an art form and a selling technique in fashion retailing. The use of color, outfit coordination, store layout, fixtures, lighting, signing, composition, mannequins, and props will be studied. Also listed as BUS 148. Credit given in either area, not both. NR

FASH 150
FASHION APPAREL AND PROFESSIONAL TECHNIQUES
3 Units; 2 hours lecture; 2 hours lab
Transfers: CSU
Information about fashion designers ready-to-wear and non-textile merchandise. Includes men’s and women’s clothing, jewelry, leather, shoes, and accessories. Examination of methods of construction and production, fashion terms, and consumer information. Stresses professional portfolio development and presentation skills for fashion design and merchandising students. NR

FASH 154
FASHION ILLUSTRATION
3 Units; 2 hours lecture; 2 hours lab
Transfers: CSU
The study and development of fashion illustration techniques. Included will be the uses and purposes of the four types of fashion drawings: design sketching, production sketching, presentation drawing, and fashion illustration. Emphasis will be placed on the use of croquis and developing freehand sketching skills of the fashion figure in a variety of poses, with attention to the drape texture and pattern of fabric. NR

FASH 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

FASH 204
UNDERSTANDING APPAREL PRINCIPLES — AIMS CERTIFICATION
1 Unit; 1 hour lecture; 0.5 hours lab
Learn principles and procedures involved in the business applications of the apparel industry using order processing and manufacturing software. Course will cover distribution, manufacturing and wholesaling using AIMS (Apparel Information Management System), a completely integrated order production and inventory control processing system. Students passing final exam will earn AIMS Certification. NR

FASH 205
CORSET CONSTRUCTION
3 Units; 2 hours lecture; 2 hours lab
Recommended Preparation: FASH 100 or 110
Covers types of corsets, both historical and modern. Students will create their own pattern, learn proper fitting techniques, evaluate suitability of fabric and boning and build a corset from start to finish. NR

FASH 206
DESIGNING/CONSTRUCTING KNITWEAR, ACTIVEWEAR, SWIMWEAR
3 Units; 2 hours lecture; 2 hours lab
Recommended Preparation: FASH 100
Focuses on sewing, constructing, and designing knitwear garments. Specialty techniques, types of knits, industrial machines used with knits, and basic pattern-making will be covered. Students will create garments ranging from tops to bottoms, dresses, activewear, and swimwear. NR
FASH 207
ECO FRIENDLY FASHION TOUR
1 Unit; 0.5 hours lecture; 1.5 hours lab
Learn how professionals in the fashion industry are minimizing their businesses impact on the earth and “going green.” Students will visit designers, retailers, textile manufacturers and “eco-preneurs” to learn how they have become fashion crusaders with light footprints. Includes site visits and on-site lectures and presentations. NR

FASH 208
SEWING VINTAGE FASHIONS
3 Units; 2 hours lecture; 2 hours lab
Recommended Preparation: FASH 100 and 111
Construct garments using vintage sewing patterns. Great for both Fashion and Costume Reproduce vintage clothing from 1880 through 1970’s using actual and reproduced patterns. Sewing techniques from the past and their modern interpretations will also be examined. Course will include the history and evolution of patterns, sewing machines, sergers, irons, notions and equipment. NR

FASH 209
CONSTRUCTION OF CHILDREN’S CLOTHING
2 Units; 1 hour lecture; 3 hours lab
Recommended Preparation: FASH 100 or basic sewing skills
Gain experience in the construction and design of children’s clothing. Use of commercial patterns as well as designing or adapting patterns is an important element. Also includes decorative embellishments, smocking, and needlework suitable for children’s clothing and a study of dressmaker and designer practices. NR

FASH 210
CLOTHING CONSTRUCTION STUDIO
1 Unit; 3 hours lab
Corequisite: Enrollment in any fashion course
Add to your sewing knowledge and make your chosen special garment(s) using the expertise of fashion instructors and industrial sewing machines. Student may pursue individual projects or complete work in progress. NR

FASH 211
ADVANCED DRESSMAKING AND CUSTOM SEWING
3 Units; 2 hours lecture; 2 hours lab
Recommended Preparation: FASH 111 and 130
Application of advanced techniques in the construction of specialty, custom and couture/designer garments. Use of advanced designer patterns and their manipulation for a custom look and fit. Handling of specialty fabrics such as lace, wools, silks, and napped fabrics as well as sophisticated couture designer finishes and embellishments. NR

FASH 212
CONSTRUCTION LAB
1 Unit; 3 hours lab
Corequisite: FASH 100, 110, 111
Includes demonstration and practice of basic and intermediate sewing skills necessary for the student at the fundamental level. Course includes exposure and use of industrial sewing machines, industrial dress forms and industrial irons in a professional studio. Offered as open-entry/open-exit as pass/no pass. NR

FASH 213
DESIGNER’S LAB
1 Unit; 3 hours lab
Corequisite: FASH 111, 112, 113, 120, 124, 130, 132, 136, 205, 206, 221, 230, 234, 235, 238, or 251
Recommended Preparation: FASH 100
Includes demonstration and practice of advanced sewing skills necessary for the established student and designer. Course includes exposure and use of industrial sewing machines, industrial dress forms, tailoring equipment, pattern making equipment and industrial irons in a professional studio. Offered as open-entry/open-exit as pass/no pass. NR

FASH 214
COUTURE LAB
1 Unit; 3 hours lab
Corequisite: FASH 112, 113, 120, 124, 208, 209, 211, 221, 230, 234, 238, or 238
Recommended Preparation: FASH 100
Includes demonstration and practice of couture and specialty sewing skills necessary for the accomplished student and designer. Course includes exposure and use of industrial sewing machines, industrial dress forms, tailoring equipment, pattern making equipment, specialty equipment, and industrial irons in a professional studio. Offered as open-entry/open-exit as credit/no-credit. NR

FASH 215
COSTUMER’S LAB
1 Unit; 3 hours lab
Corequisite: FASH 110, 112, 120, 124, 130, 132, 205, 206, 208, 211, 221, 230, 234, 238, 240, or 251
Recommended Preparation: FASH 111
Includes demonstration and practice of specialty sewing skills necessary for the costuming student and designer. Course includes exposure and use of industrial sewing machines, industrial dress forms, tailoring equipment, pattern making equipment, specialty equipment, and industrial irons in a professional studio. Offered as open-entry/open-exit as credit/no-credit. NR

FASH 216
FOOTWEAR DESIGN AND CONSTRUCTION
2 Units; 1 hour lecture; 2 hours lab
Design and construct footwear/shoes for an accessory line or that complete your clothing line, compliment ensembles, theatrical costumes or stand alone as wearable art. Explores historical and ethnic inspirations as well as current market interests and trends. Covers design methods, construction techniques and sources for materials. Suggested for students interested in Fashion Design and Costuming. NR

FASH 217
NEW YORK STUDY TOUR
2 Units; 1 hour lecture; 2 hours lab
Travel to New York, the fashion capital of the United States. Students will connect with industry, observe the workplace in action, explore employment, and internship opportunities within New York City. May include field trips to apparel and textile manufacturers, showrooms, CAD companies, trend forecasters, visual display showrooms, publications, retail stores, buying offices, and museum collections. NR

FASH 218
DRESSMAKING LAB
1 Unit; 3 hours lab
Corequisite: FASH 120, 221
Recommended Preparation: FASH 111
Includes demonstration and practice of intermediate sewing skills necessary for fashion students. Course includes exposure and use of industrial sewing machines, sergers, industrial dress forms and industrial irons in a professional studio. Offered as open-entry/open-exit as pass/no pass. NR

FASH 219
TAILOR’S LAB
1 Unit; 3 hours lab
Corequisite: FASH 120, 221
Recommended Preparation: FASH 111
Includes demonstration and practice of Tailoring sewing skills necessary for the accomplished student and designer. Course includes exposure and use of industrial sewing machines, industrial dress forms, tailoring equipment, pattern making equipment, specialty equipment, and industrial irons in a professional studio. Recommended for advanced fashion students. Offered as open-entry/open-exit and pass/no-pass. NR
FASH 221
CONTEMPORARY TAILORING
2 Units; 1 hour lecture; 3 hours lab
Recommended Preparation: FASH 100 or basic sewing skills
Study tailoring methods using soft, unstructured techniques. It includes elimination of bulk, knowledge of current development in shaping fabrics, new methods of finishing the inside of garments, use of commercial sewing machines, and selection of design and fabrics for contemporary tailoring. Emphasis will be on the professional application of new tailoring techniques and how these are used by the practicing dressmaker and tailor. NR

FASH 223
MILLINERY DESIGN
3 Units; 2 hours lecture; 2 hours lab
Learn the historical art of millinery. Design and construct hats as an accessory line, complete your clothing line, for theatrical costumes, or as wearable art. Covers historical and ethnic inspirations as well as current market interests and trends. Includes design methods, construction techniques and sources for materials. Ideal for students interested in Fashion Design and Costume Design. NR

FASH 224
ACCESSORY DESIGN
3 Units; 2 hours lecture; 2 hours lab
Design and develop a line of accessories. Course covers process of accessory design from inspiration to sourcing and manufacturing of handbags, small leather goods, footwear, millinery, gloves, belts, and neckwear. Overview of accessory history as well as current market trends and designers. Construction methods and manufacturing processes for accessories will be covered. NR

FASH 225
APPAREL CART: FASHION RETAILING ONLINE WITH EASY CART SHOP
1 Unit; 1 hour lecture; 1 hour lab
Create an online store for your fashion business using Apparel Easy Shop, the premier online shopping cart for selling apparel products retail. Course covers building your online store with full web administration, credit card processing, secure customer shopping, and many other features specific to apparel. Includes integration into the AIMS (Apparel Information Management Systems). NR

FASH 230
ALTERATIONS AND FITTING
3 Units; 2 hours lecture; 2 hours lab
Recommended Preparation: FASH 100 or basic sewing skills
Included are basic procedures involved in altering a ready-made garment, industrial sewing-machine operation, identification of specific fitting problems, causes, and remedies. NR

FASH 234
ADVANCED PATTERN AND DESIGN TECHNIQUES
2 Units; 1 hour lecture; 3 hours lab
Prerequisite: FASH 130
Translate complex original designs into garments. Includes instruction in industrial pattern and apparel construction. Students will develop style designs and patterns. NR

FASH 235
DESIGNING FOR THE FASHION INDUSTRY
2 Units; 1 hour lecture; 3 hours lab
Recommended Preparation: FASH 130
A professional course simulating the procedures used in the design department of a garment manufacturer. The student will design misses and junior dresses, lingerie, sportswear, active sportswear, after-five, and children's wear. Students will deal with the problems of working ahead of fashion seasons, production costs, salability, and manufacturability of garments. Emphasis also will be placed on improving design techniques. NR

FASH 238
ADVANCED DRAPING AND FASHION DESIGN
2 Units; 1 hour lecture; 3 hours lab
Recommended Preparation: FASH 132
Explores design principles through draping techniques. Student will create half and full scale garments for presentation, professional portfolio, and department fashion show. NR

FASH 240
DYE PROCESSES ON FABRICS
3 Units; 2 hours lecture; 2 hours lab
Explores a variety of methods used to dye and/or print fabrics suitable for use in clothing and interiors. Covers the traditional procedures used, terminology, equipment, and the various new dyes and techniques on the market. Various topics will be covered including block printing, stenciling, batik, fabric painting, tie-dyeing, and direct printing. Methods will be explored to enable professionals and students to design fabrics to suit their garment designs and costume projects. Excellent for fashion, theater costume, art, and interior students. NR

FASH 247
SPECIAL EVENTS PARTICIPATION
1 Unit; 1 hour lecture; 0.5 hours lab
Includes planning and participating in a student produced fashion event. Students will showcase garments of their own design or will apply staging principles learned in merchandising courses. NR

FASH 250
FASHION TREND FORECASTING
1.5 Units; 1 hour lecture; 1.5 hours lab
Recommended Preparation: FASH 250
Research and identify key trends in the apparel industry. Fashion forecasting research will include looking at fashion silhouette, textiles and colors, then projecting what future fashion trends will be. Covers analysis of trend forecasting companies, street fashion, and couture. NR

FASH 251
DESIGNING FOR A CAUSE AND SUSTAINABLE FASHION
3 Units; 2 hours lecture; 3 hours lab
Recommended Preparation: FASH 100, 130 and 154
Designed to teach the basic skills of garment design while promoting a particular cause. Learn how to develop a line, sources of eco-inspiration, trend reports and the elements of a successful apparel line. Explore relationships between philanthropic companies in the textiles, apparel, and retailing and other “green” companies. Drapery and patternmaking using the basic block, fitting techniques, and manipulating pattern or drape to create apparel with design details. NR

FASH 254
FASHION IN SOUTHERN CALIFORNIA
1 Unit; 0.5 hours lecture; 1 hour lab
Introduction to the fashion industry in southern California. Students will visit California Mart and a selection of industry professionals and environments such as designers, buyers, manufacturers, and production facilities. NR

FASH 260
THE DIGITAL FASHION IMAGE
2 Units; 1 hour lecture; 2 hours lab
Recommended Preparation: FASH 154
Create digital fashion images using Adobe Photoshop and Illustrator. Technical instruction on sketching and image production from pencil to pen tool. Students will create and merchandise a clothing line and be introduced to the computer generated portfolio. NR

FASH 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR
Fine Arts

FA 27
INTRODUCTION TO FINE ARTS
3 Units; 3 hours lecture
Transfers: CSU, UC
An introductory course to the discipline of fine arts, including art, theatre, and music. Explores various topics that unite all fine arts, including terminology, aesthetics, themes, objective and subjective analysis, and techniques of the critique. NR

FA 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

Food and Nutrition

FN 50
FUNDAMENTALS OF NUTRITION
3 Units; 3 hours lecture
Transfers: CSU, UC
A comprehensive analysis of the principles of nutrition and their relationship to health throughout the life cycle. Scientific concepts of nutrition related to the function of nutrients in basic life processes and current health issues with emphasis on the needs of the individual. NR

FN 64
NUTRITION ISSUES AND CONTROVERSIES
3 Units; 3 hours lecture
Transfers: CSU, UC
Stresses a topical approach to nutrition and related health conditions with emphasis on evaluation of controversial views and findings. investigates problems related to food choices, energy balance, over-consumption of foods, food and diet fads and fallacies, nutrient needs, nutrient supplements, food safety, nutrition legislation and current dietary trends. NR

FN 110
FOOD PREPARATION ESSENTIALS
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Prerequisite: FN 171 or 210 or ServSafe Certificate
Practical experience in healthy food preparation techniques as well as an investigation of scientific principles involved. Emphasis is placed on ingredient selection and interaction, technique and production standards, food safety and sanitation, nutrient values and food presentation. NR

FN 120
CONTEMPORARY MEALS
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Prerequisite: FN 171 or 210 or ServSafe Certificate
Planning, organizing, preparing and serving attractive, nutritionally balanced meals on the basis of time, energy and money management. Laboratory experiences include conventional, microwave, and convection oven cookery; use of portable appliances, entertaining and meals geared to a variety of life styles. NR

FN 140
CULTURAL CUISINE
2 Units; 1 hour lecture; 3 hours lab
Transfers: CSU
Prerequisite: FN 171 or 210 or ServSafe Certificate
Emphasizes regional, ethnic, cultural, religious, historical, and social influences on food patterns and cuisines. Laboratory experience with foods from many cultures will be stressed as well as professional and commercial applications. NR

FN 142
CLASSICAL FRENCH CUISINE
2 Units; 1 hour lecture; 3 hours lab
Transfers: CSU
Prerequisite: FN 171 or 210 or ServSafe Certificate
Mastery of techniques in menu planning, preparation, presentation, and service of French cuisine. Professional and commercial applications as well as culinary careers will be explored. NR

FN 160
NUTRITION, WEIGHT MANAGEMENT, AND EATING DISORDERS
3 Units; 3 hours lecture
Transfers: CSU
Sound principles of weight management and nutritional concerns of eating disorders. Investigates and evaluates weight-control methods, food fads, fallacies, basic nutritional needs, and recommended lifestyle changes. Current approaches to nutritional care and treatment of eating-disorders will be covered. Emphasizes application of nutrition principles for eating disorder counselors and nutrition professionals in the counseling setting. NR

FN 161
NUTRITION FOR HEALTH OCCUPATIONS
2 Units; 2 hours lecture
Transfers: CSU
Examines the essential nutrients and the basic dietary guides. Included will be the application of nutrition to the stages of the life cycle; nutrition-related health conditions, basic principles of therapeutic nutrition, ethnic influences on diet, and guidelines for evaluating nutrition information as to its validity and application. NR

FN 164
SPORTS NUTRITION
2 Units; 2 hours lecture
Transfers: CSU
Overview of basic nutrition concepts for individuals interested in sports, fitness, and health. Emphasis on current nutrition practices related to athletic performance. Covers energy nutrient intakes, hydration, specific activity recommendations, and applications. NR

FN 171
SANITATION AND SAFETY
2 Units; 2 hours lecture
Transfers: CSU
Environmental control and its application to food preparation, personal cleanliness, sanitation in the commercial kitchen and dining room, and the use and care of equipment within food service operations. Emphasis on safety and accident prevention on the job and optimum equipment selection, use, and maintenance. NR

FN 173
CATERING AND BANQUETS
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Recommended Preparation: FN 240 and 244
Catering, management and service, menu planning, equipment selection, logistics, and advanced presentation techniques of catering and banquet production will be included. On-site, off-premise, and special event planning from the perspective of hospitality, profitability, and customer service are emphasized. This course requires students to make themselves available for two catered events within the current semester that may not be scheduled during regular class hours. NR

FN 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

FN 205
NUTRITION FOR CULINARY PROFESSIONALS
3 Units; 3 hours lecture
Overview of nutrition including major nutrients, life cycle needs, energy balance, role of food and nutrition in culinary arts, and consumer expectations and industry response. NR
FN 210
SERVSAFE IN FOOD PRODUCTION
1 Unit; 1 hour lecture
Introduction to basic information on food safety risks, standards and practices in restaurant operations. Students may take the federal exam, ServSafe, upon the completion of this course. NR

FN 220
FRENCH BISTRO CUISINE
2 Units; 1 hour lecture; 3 hours lab
Prerequisite: FN 171 or 210 or ServSafe Certificate
Exploration and preparation of the foods of provincial France. Students will gain practical experience in the planning and preparation of representative Provencal French bistro specialties and menus. Attention will be given to techniques, methods, and presentation for the catering and restaurant industry. NR

FN 222
CHINESE CUISINE
2 Units; 1 hour lecture; 3 hours lab
Prerequisite: FN 171 or 210 or ServSafe Certificate
Investigate the many regional cuisines of China, including Szechwan/Hunan, Peking/ Mandarin, Cantonese, and Shanghai/Fukien. Practical experience in preparing authentic Chinese dishes is an integral part of the course. Emphasis is on developing professional skills and techniques applicable to the commercial food industry. NR

FN 223
ASIAN CUISINE
2 Units; 1 hour lecture; 3 hours lab
Prerequisite: FN 171 or 210 or ServSafe Certificate
Cuisines of the Philippines, Japan, China, Thailand, India, Vietnam, and Indonesia. Regional, ethnic, religious, and geographic influences on food patterns and customs will be examined. Professional catering and restaurant applications are included. NR

FN 226
MEXICAN CUISINE
2 Units; 1 hour lecture; 3 hours lab
Prerequisite: FN 171 or 210 or ServSafe Certificate
Focus on the art of preparing and presenting the many regional cuisines of Mexico. Practical experience in preparing authentic Mexican dishes is an integral part of the course. Emphasis is on developing professional skills and techniques applicable to the commercial food industry. NR

FN 227
MEDITERRANEAN CUISINE
2 Units; 1 hour lecture; 3 hours lab
Prerequisite: FN 171 or 210 or ServSafe Certificate
The cuisines and cultures of the following Mediterranean countries are included in course study: Spain, France, Italy, Morocco, Egypt, Greece, and Turkey. Laboratory experiences with food from the Mediterranean will be stressed as well as commercial applications. Included will be appetizers, soups, salads, main dishes, meat, game preparation, sauces, dressings, and desserts appropriate to the region. NR

FN 228
ITALIAN CUISINE
2 Units; 1 hour lecture; 3 hours lab
Prerequisite: FN 171 or 210 or ServSafe Certificate
Theory and study of Italian cuisine. Regional and cultural differences are explored as to how they are represented in traditional specialties. Students will gain practical experience in the techniques, preparation, and presentation of Italian cuisine. Development of professional skills for catering and the restaurant industry will be emphasized. NR

FN 230
VEGETARIAN CUISINE
2 Units; 1 hour lecture; 3 hours lab
Prerequisite: FN 171 or 210 or ServSafe Certificate
Focus on the art of preparing and presenting vegetarian foods. Practical experience in preparing vegetarian dishes, variety of cultural and ethnic dishes included. Also includes an exploration of nutrition information including health benefits and recommendations for healthy food planning, and use of specialized ingredients. Emphasis is on developing professional skills and techniques applicable to the commercial food industry. NR

FN 232
TECHNIQUES OF HEALTHY COOKING
2 Units; 1 hour lecture; 3 hours lab
Prerequisite: FN 171 or 210 or ServSafe Certificate
Focus on the art of preparing and presenting healthy cuisine to support life-long eating patterns that promote good health. Practical experience in planning and preparing healthy dishes using innovative methods — a variety of cultural and ethnic dishes included. Emphasizes exploration of nutrition information, modification of less healthy recipes, substituting ingredients to include more healthful item-including health benefits and recommendations for healthy food choices, planning, and use of specialized ingredients. NR

FN 236
AMERICAN REGIONAL CUISINE
2 Units; 1 hour lecture; 3 hours lab
Prerequisite: FN 171 or 210 or ServSafe Certificate
Culinary history and survey of major influences and origins of American foods. Regions covered include the Northeast, Southern, Middle America, Pacific Northwest, Southwest and California. A unique cuisine has been created from the contributions of Native Americans and many immigrant groups. This diverse culinary heritage will be investigated through hands-on preparation of traditional regional foods. NR

FN 240
CULINARY PRINCIPLES I
3 Units; 2 hours lecture; 3 hours lab
Prerequisite: FN 171 or 210 or ServSafe Certificate
Introduction to the professional field of Culinary Arts. Beginning students will gain a general understanding of cooking theory while developing professional culinary arts skills. Basic cooking principles of stocks, sauces, soups, poultry, vegetable & starches will be included. Development of culinary skills through lab applications. NR

FN 241
CULINARY PRINCIPLES II
3 Units; 2 hours lecture; 3 hours lab
Prerequisite: FN 171 or 210 or ServSafe Certificate
Recommended Preparation: FN 240
Advanced principles and techniques of culinary arts will be covered. Practical experience in techniques, preparation, presentation and service of poultry, meats, fish and shellfish, charcuterie will be explored. Purchasing, storage and quality control of products will be taught. NR

FN 244
BAKING FUNDAMENTALS I
3 Units; 2 hours lecture; 3 hours lab
Prerequisite: FN 171 or 210 or ServSafe Certificate
Fundamental principles of baking, including weights and measurement techniques, ingredients and their uses. Includes cookies, pies and pie fillings, quick breads, yeast doughs, and custards. NR

FN 245
BAKING FUNDAMENTALS II
2 Units; 1 hour lecture; 3 hours lab
Prerequisite: FN 171 or 210 or ServSafe Certificate
Recommended Preparation: FN 244
Emphasis on specialty and advanced baking skills, techniques, methods and presentation. Hands-on production of pastries, cakes and fillings, puff dough, mousses and bavarians integrated with accompaniments from international cuisines. NR
Courses

FN 246
PANTRY
3 Units; 2 hours lecture; 3 hours lab
Prerequisite: FN 171 or 210 or ServSafe Certificate
Fundamental principles of pantry preparation will be covered. Practical experience in techniques, preparation, presentation and service of cold sauces, salads, sandwiches and breakfast items & cheese selection will be explored. Purchasing, storage and quality control of pantry products are included. NR

FN 261
INTERNSHIP
1 Unit; 1 hour lecture
Corequisite: CWE 180
Students will be taught the philosophy of securing an internship/job site, learn desirable workplace qualities, resume writing, interview techniques and on the job training management skills. NR

FN 275
FOOD AND BEVERAGE OPERATIONS
3 Units; 3 hours lecture
Food, beverage, and labor cost controls for careers in food and beverage operations. Specific areas covered include purchasing, receiving, storage, issuing, production, and sales. Introduces the basics of cost-volume-profit analysis. NR

FN 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

French

FR 1
ELEMENTARY FRENCH
5 Units; 5 hours lecture
Transfers: CSU, UC
Corequisite: FR 901
Recommended Preparation: College level reading ability
Designed to develop the fundamentals of communicative competence in colloquial French. The emphasis is on listening, comprehension, and conversational skills. Early reading and writing skills are introduced, as well as fundamental aspects of culture. Equivalent to two years high school French. NR

FR 2
ELEMENTARY FRENCH
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: FR 1 or two years of high school French
Corequisite: FR 902
Designed to further the fundamentals of communicative competence in daily spoken French. Although the focus remains on listening comprehension and speaking, reading and writing skills will be expanded. This course continues the familiarization with customs and cultural achievements begun in the previous semester. NR

FR 3
INTERMEDIATE FRENCH
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: FR 2 or three years of high school French
Corequisite: FR 903
Reviews the fundamentals with further study of the French language and culture. NR

FR 4
INTERMEDIATE FRENCH
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: FR 3 or four years of high school French
Corequisite: FR 904
Concentrates on the development of fluency in the skills needed to communicate in French. Further study of cultural topics. NR

FR 10
INTERMEDIATE CONVERSATIONAL FRENCH
3 Units; 3 hours lecture
Transfers: CSU, UC
Prerequisite: FR 2 or three years of high school French
Corequisite: FR 901
Requires concurrent enrollment in French
Requires concurrent enrollment in French
Requires concurrent enrollment in French
Requires concurrent enrollment in French

FR 901
FRENCH LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: FR 1
Requires concurrent enrollment in French
Requires concurrent enrollment in French
Requires concurrent enrollment in French
Requires concurrent enrollment in French

GIS 110
INTRODUCTION TO GEOGRAPHIC INFORMATION SYSTEMS (GIS)
2 Units; 1 hour lecture; 2 hours lab
Transfers: CSU
Study of Geographic Information Systems (GIS) science and its applications to spatial data management. Identification and acquisition of GIS data. Assessment of vector and raster systems, scale, resolution, map projection, coordinate systems, georeferencing and Global Positioning Systems (GPS). Spatial analysis and modeling with GIS. Also listed as GEOG 110. Credit given in either area, not both. NR

GIS 211
INTERMEDIATE GEOGRAPHIC INFORMATION SYSTEMS (GIS)
2 Units; 1 hour lecture; 2 hours lab
Prerequisite: GEOG/GIS 110
Intermediate GIS course prepares students for advanced geographic analysis. Students will integrate geographic and spatial concepts into acquisition and creation of Geographic Information Systems (GIS), Global Positioning system (GPS) and varied data types, cartography, programming, and data analysis. Laboratory exercises will allow students of various disciplines to explore the use of GIS in their fields. Also applicable to those already in the GIS field seeking additional skills. Also listed as GEOG 211. Credit given in either area, not both. NR

Geographic Information Systems
Geography

GEOG 1
PHYSICAL GEOGRAPHY
3 Units; 3 hours lecture
Transfers: CSU, UC
Focuses on the basic physical elements of geography: Earth-sun relationships, weather, climate, landforms, soils, water and natural vegetation, and their integrated patterns of world distribution. NR

GEOG 1L
PHYSICAL GEOGRAPHY LABORATORY
1 Unit; 3 hours lab
Transfers: CSU, UC
Prerequisite: Taken concurrently with GEOG 1 or after completing GEOG 1
An earth environment laboratory that explains in greater depth the ideas and relationships of physical geography. Stresses the scientific method in interpreting Earth-sun relations; time; earth representation through globes and maps; weather (temperature, moisture, pressure and winds); climate; natural vegetation; soils and landscape evolution by tectonic forces, erosion and deposition. NR

GEOG 2
CULTURAL GEOGRAPHY
3 Units; 3 hours lecture
Transfers: CSU, UC
Introduction to social and political elements of geography and a survey of major cultural patterns. NR

GEOG 3
WORLD REGIONAL GEOGRAPHY
3 Units; 3 hours lecture
Transfers: CSU, UC
Introduction to the world’s geographical regions and major countries with an emphasis on human cultural patterns and their evolution in diverse physical environments. NR

GEOG 38
CALIFORNIA GEOGRAPHY
3 Units; 3 hours lecture
Transfers: CSU, UC
The natural and cultural environment of California with special emphasis on the effects of the climate, topography, resources and location upon the social, political and economic development of the state. NR

GEOG 102
GEOGRAPHY FIELD STUDIES
1 Unit; 0.5 hours lecture; 1.5 hours lab
Transfers: CSU
A lecture and laboratory field course to study the physical and cultural geography of Western North America. Thematic emphasis and course content will vary depending on location. NR

GEOG 106
FIELD STUDIES OF DESERT REGIONS
1 Unit; 0.5 hours lecture; 1.5 hours lab
Transfers: CSU
Studies the physical and cultural geography of California deserts. Thematic emphasis and course content will vary depending on location. NR

GEOG 107
FIELD STUDIES OF MOUNTAIN AREAS
1 Unit; 0.5 hours lecture; 1.5 hours lab
Transfers: CSU
Studies the physical and cultural geography of mountain areas of California. Thematic emphasis and course content will vary depending on location. NR

GEOG 108
FIELD STUDIES OF WESTERN NORTH AMERICA
2 Units; 1 hour lecture; 3 hours lab
Transfers: CSU
Studies the physical and cultural geography of Western North America. Thematic emphasis and course content will vary depending on location. NR

GEOG 110
INTRODUCTION TO GEOGRAPHIC INFORMATION SYSTEMS (GIS)
2 Units; 1 hour lecture; 2 hours lab
Transfers: CSU
Study of Geographic Information Systems (GIS) science and its applications to spatial data management. Identification and acquisition of GIS data. Assessment of vector and raster systems, scale, resolution, map projection, coordinate systems, georeferencing and Global Positioning Systems (GPS). Spatial analysis and modeling with GIS. Also listed as GIS 110. Credit given in either area, not both. NR

GEOG 115
GEOLOGICAL GEOGRAPHY
3 Units; 3 hours lecture
Transfers: CSU, UC
A study of the physical and biological components of the earth’s crust and interior, plate tectonics, volcanism, earthquakes, mountain building, surface processes and natural resources such as minerals, fossil fuels, and water. Includes laboratory exercises in identifying common minerals and rocks, reading and interpreting aerial photos, topographic, and geologic maps. Field trips will supplement laboratory work. NR

GEOG 211
INTERMEDIATE GEOGRAPHIC INFORMATION SYSTEMS (GIS)
2 Units; 1 hour lecture; 2 hours lab
Prerequisite: GEOG/GIS 110
Intermediate GIS course prepares students for advanced geographic analysis. Students will integrate geographic and spatial concepts into acquisition and creation of Geographic Information Systems (GIS), Global Positioning System (GPS) and varied data types, cartography, programming, and raster data. Laboratory exercises will allow students of various disciplines to explore the use of GIS in their fields. Also applicable to those already in the GIS field seeking additional skills. Also listed as GIS 211. Credit given in either area, not both. NR

GEOG 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

Geology

GEOL 1
INTRODUCTION TO PHYSICAL GEOLOGY
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Integrated study of the principles of geology and the use of geologic clues to determine earth history. Emphasis will be placed on the composition of earth’s crust and interior, plate tectonics, volcanism, earthquakes, mountain building, surface processes and natural resources such as minerals, fossil fuels, and water. Includes laboratory exercises in identifying common minerals and rocks, reading and interpreting aerial photos, topographic, and geologic maps. Field trips will supplement laboratory work. NR

GEOL 2
HISTORICAL GEOLOGY
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Recommended Preparation: GEOL 1 or 20
A study of the physical and biological aspects of the evolution of the earth. The history and origin of the earth continents, oceans and atmosphere; origin and evolution of life; global tectonics; methods and concepts utilized in deciphering the geologic records. Field trips may be required to fulfill the objectives of this course. NR
GEOL 3
GEOL)GY OF CALIFORNIA
3 Units; 3 hours lecture
Transfers: CSU, UC
A study of California's geologic provinces and their direct effect on the human history of the state. How the San Andreas Fault system, other earthquake faults, volcanoes, mountain ranges, glacial valleys, and other geological features relate to and influence our life in this state. How our energy resources and recreation are directly related to the geology of the state. Field trips may be required to fulfill the objectives of this course. NR

GEOL 4
NATURAL DISASTERS
3 Units; 3 hours lecture
Transfers: CSU, UC
Examines how human evolution, society, culture, and even where we choose to work and live, are dictated by natural hazards. The entire time scale from formation of the universe to the present earth system will be considered. The physical processes causing earthquakes, volcanic eruptions, tsunamis, floods, windstorms, and asteroid impacts will be described, along with the role played by these random, rapid processes in the geological and biological evolution of the planet. NR

GEOL 7
WEATHER AND CLIMATE
3 Units; 3 hours lecture
Transfers: CSU, UC
A survey course in meteorology, emphasizing atmospheric composition and variability as well as interactions between atmosphere, oceans and continents to produce our weather. Includes the terminology and tools that meteorologists employ to observe, study, and predict storm systems, storm fronts, thunderstorms, tornadoes, and wind-driven ocean waves. Current topics such as air pollution and climate change will also be addressed. NR

GEOL 20
INTRODUCTION TO EARTH SCIENCE
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
Introduces and brings together geology, oceanography, meteorology, and astronomy. Study of the universe, solar system, solid earth (rocks, minerals, plate tectonics, mountain-building, and earthquakes), oceans, shorelines, the atmosphere, and life, past and present. Field trips may be required to fulfill the objectives of this course. NR

GEOL 21
THE SOLAR SYSTEM
3 Units; 3 hours lecture
Transfers: CSU, UC
A study of the origin and evolution of our solar system, from the beginning to the present, as deduced from sampling, remote sensing, exploration, imagery, and theory. We will discuss and compare compositions; tectonics; volcanism; surface processes; and atmospheric and thermal evolution of earth, the moon, terrestrial, and Jovian planets and their satellites. Additional topics will include meteorite and comet impacts and the possible existence of life elsewhere in the solar system. Field trips may be required to fulfill the objectives of this course. Also listed as ASTR 211. Credit given in either area, not both. NR

GEOL 23
ENVIRONMENTAL GEOLOGY
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU, UC
How the earth affects man and man affects the earth. Includes environmental studies into the problems related to earthquakes, volcanism, floods, landslides, the shoreline, energy resources and pollution. Principles of sound planning for human use of the planet earth. Field trips may be required to fulfill the objectives of this course. Also listed as ENV 23. Credit given in either area, not both. NR

GEOL 217
GEOLOGY FIELD STUDIES:
EASTERN SIERRA REGION
1 Unit; 0.5 hours lecture; 1.5 hours lab
Transfers: CSU
Studies the origin, evolution, and geology of Eastern Sierra region and adjacent areas. Thematic emphasis and course content will vary. Scheduled to minimize conflict with other classes. Students in geology and earth sciences are encouraged to enroll. NR

GEOL 175
GEOLOGY FIELD STUDIES:
SAN ANDREAS FAULT
1 Unit; 0.5 hours lecture; 1.5 hours lab
Transfers: CSU
Studies the origin, evolution, and geology of the San Andreas, Transverse Range and adjacent areas. Thematic emphasis and course content will vary. Scheduled to minimize conflict with other classes. Students in geology and earth sciences are encouraged to enroll. NR

GEOL 179
GEOLOGY FIELD STUDIES:
KING'S CANYON — SEQUOIA
1 Unit; 0.5 hours lecture; 1.5 hours lab
Transfers: CSU
Studies the origin, evolution, and geology of the Kings Canyon/Sequoia Parks and adjacent areas. Thematic emphasis and course content will vary. Scheduled to minimize conflict with other classes. Students in geology and earth sciences are encouraged to enroll. NR

GEOL 182
GEOLOGY FIELD STUDIES:
COAST RANGE — MORRO BAY
1 Unit; 0.5 hours lecture; 1.5 hours lab
Transfers: CSU
Studies the origin, evolution, and geology of the Coast Range, Morro Bay, and adjacent areas. Thematic emphasis and course content will vary. Scheduled to minimize conflict with other classes. Students in geology and earth sciences are encouraged to enroll. NR

GEOL 183
GEOLOGY FIELD STUDIES:
ANZA-BORREGO DESERT
1 Unit; 0.5 hours lecture; 1.5 hours lab
Transfers: CSU
Studies the origin, evolution, and geology of Anza-Borrego Desert Park and adjacent areas. Thematic emphasis and course content will vary. Scheduled to minimize conflict with other classes. Students in geology and earth sciences are encouraged to enroll. NR
GEOL 185
GEOLGY FIELD STUDIES: YOSEMITE
1 Unit; 0.5 hours lecture; 1.5 hours lab
Transfers: CSU, UC
Studies the origin, evolution, and geology of Yosemite National Park and surrounding areas. Thematic emphasis and course focus varies seasonally. NR

GEOL 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

German

GER 1
ELEMENTARY GERMAN
5 Units; 5 hours lecture
Transfers: CSU, UC
Corequisite: GER 901
Recommended Preparation: College-level reading ability
Designed to develop the fundamentals of communicative competence in colloquial German. The emphasis is on listening, comprehension, and conversational skills. Early reading and writing skills are introduced as well as fundamental aspects of culture. Equivalent to two years high school German. NR

GER 2
ELEMENTARY GERMAN
5 Units; 5 hours lecture
Transfers: CSU, UC
Corequisite: GER 902
Recommended Preparation: GER 1 or two years of high school German
Designed to further the fundamentals of communicative competence in daily spoken German. Although the focus remains on listening comprehension and speaking, reading and writing skills will be expanded. This course continues the familiarization with customs and cultural achievements begun in the previous semester. NR

GER 3
INTERMEDIATE GERMAN
5 Units; 5 hours lecture
Transfers: CSU, UC
Corequisite: GER 903
Reviews the fundamentals with further study of the German language and culture. NR

GER 4
INTERMEDIATE GERMAN
5 Units; 5 hours lecture
Transfers: CSU, UC
Corequisite: GER 904
Concentrates on the development of fluency in the skills needed to communicate in German. Further study of cultural topics. NR

GER 10
INTERMEDIATE CONVERSATIONAL GERMAN
3 Units; 3 hours lecture
Transfers: CSU, UC
Corequisite: GER 2 or three years of high school German
Designed to develop fluency in German. The emphasis is on both formal and informal expression and conversation in the language. NR

GER 200
BEGINNING PRACTICAL GERMAN
1 Unit; 1 hour lecture
Introduces basic vocabulary including phonetics of German alphabet, pronunciation, simple sentence structure, spelling rules, common nouns, adjectives, and verbs. Includes simple tenses, subject-verb order, conjugation of verbs and declarative, imperative and interrogative sentence structure. Cultural aspects of Germany, Austria, and Switzerland are included. Develops grammar skills and pronunciation in preparation for Elementary German. NR

GER 901
GERMAN LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: GER 1
Requires concurrent enrollment in German 1. Enhances and provides practice in skills learned in German 1 course. NR

GER 902
GERMAN LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: GER 2
Requires concurrent enrollment in German 2. Enhances and provides practice in skills learned in German 2 course. NR

GER 903
GERMAN LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: GER 3
Requires concurrent enrollment in German 3. Enhances and provides practice in skills learned in German 3 course. NR

GER 904
GERMAN LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: GER 4
Requires concurrent enrollment in German 4. Enhances and provides practice in skills learned in German 4 language course. NR

Graphic Communication

GC 63
INTRODUCTION TO SCREEN PRINTING
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU, UC
Principles, basic methods and techniques of preparing handcut and photographic stencils, printing techniques, simple color separation, and equipment and material handling. Care, use, and safety precautions in operating and cleaning the silkscreen unit. Also listed as ART 63. Credit given in either area, not both. NR

GC 101
INTRODUCTION TO GRAPHIC COMMUNICATION
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Designed to introduce the graphics major as well as the non-major to the broad field of graphic communications. Includes experience in design, press operations, and bindery, as well as hands-on-experience in each of the major printing processes, including offset lithography, letterpress, and screen printing. NR

GC 106
ADVANCED SCREEN PRINTING
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Prerequisite: GC 63
Recommended Preparation: GD 140, 147, 149, 154
Advanced theory, methods and techniques of the screen printing process including both spot and process color separations, multiple color registration, screen construction and prep, alternative media and specialized ink systems. Emphasis placed on improving a student's basic printing technique to an advanced skill level. NR

GC 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

GC 195
GRAPHICS STUDIO
3 Units; 1 hour lecture; 4 hours lab
Transfers: CSU
Recommended Preparation: GCIART 63 and GC 101
For the advanced graphics student who requires actual production experience or additional training in a specific area. Skills will be enhanced by hands-on experience in the production of graphics in computer graphics, graphic communications, design or illustration/animation. NR
Graphic Design

GD 140
BEGINNING GRAPHIC DESIGN
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Introduction to fundamentals of design concepts that explore organization of visual elements for graphic communication. Studio work will include traditional and computer-generated assignments in layout and typography. Designed to convey current concepts in the graphic design field. Also listed as ART 140. Credit given in either area, not both. NR

GD 141
GRAPHIC RENDERING TECHNIQUES
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
The exploration of two-dimensional media for graphics. Projects encourage exploration and control in a variety of design applications. Recognition and choice of techniques in translating ideas into renderings. Also listed as ART 141. Credit given in either area, not both. NR

GD 142
PACKAGE DESIGN
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Introduction to traditional and computer-generated construction and layout of three-dimensional packaging, including labels, overwraps, printed cartons, and point-of-purchase displays. Also listed as ART 142. Credit given in either area, not both. NR

GD 144
TYPOGRAPHY
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Basic principles of typography explored. Course is intended to provide the students with practical, formal, and communicative typographic skills. Instruction focuses on understanding the practical and analytical application of typography in graphic design and its critical evaluation. Emphasis is on developing strong typographic skills in students. Instruction focuses on problem solving and technical training while at the same time nurturing intuition and creativity. NR

GD 145
GRAPHIC ILLUSTRATION
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Develop illustrations for advertising, graphics, and editorial use. Design and apply illustrations with consideration for reproduction requirements. Illustrations will be done in line art, black and white, and limited and full color in select mediums. Also listed as ART 145. Credit given in either area, not both. NR

GD 147
INTRODUCTION TO COMPUTER GRAPHICS
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Introductory computer graphics course which covers many aspects of computer-generated art and graphics. The student will use Macintosh computers and Adobe Creative Suite to assist in creating art and graphics using many different software programs applicable today for use in graphics. NR

GD 148
DIGITAL GRAPHIC DESIGN
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Recommended Preparation: GDI/ART 140 or 147
Introduction to Macintosh computer-based presentations of animation development as it relates to the design industry using Flash software. Computer-based presentations allow graphic designers, illustrators, and animators to breathe life into storyboards with sound and visual effects. NR

GD 150
DIGITAL ANIMATION
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Recommended Preparation: GDI/ART 141, 147, 149
Introduction to Macintosh computer-based presentations of animation development as it relates to the design industry using Flash software. Computer-based presentations allow graphic designers, illustrators, and animators to breathe life into storyboards with sound and visual effects. NR

GD 151
DIGITAL LAYOUT AND DESIGN
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
An introduction to layout design for print and web publishing that covers typography, layout theory, pre-press production methods and project management. Emphasizes practical development techniques to produce digital visual images efficiently. Software instruction uses industry standard design software. NR

GD 154
DIGITAL PRE-PRESS
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Recommended Preparation: GD 147 and 151
Introductory course for students interested in the Macintosh computer’s capability, along with digital printers, to input pre-press information including color separation. Study production techniques as they relate to the computer and its output devices. Scanning images for correct output DPI is covered. NR

GD 155
HISTORY OF ANIMATION
3 Units; 3 hours lecture
Transfers: CSU
A critical and historical survey of animation as a form of communication and cultural expression, from prehistoric origins to present digital formats. Animated works will be studied in relation to the culture and society in which they were created. Students will analyze and evaluate a large cross-section of animated works. NR

GD 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR
GD 200
PHOTO SHOP SKILLS FOR GRAPHIC DESIGNERS
3 Units; 2 hours lecture; 3 hours lab
Designed to help graphic designers master professional studio techniques including custom typographic treatments and special photographic effects in Adobe Photoshop.

GD 210
MOTION GRAPHICS
3 Units; 2 hours lecture; 3 hours lab
Introduction to the tools and basic principles of creating motion graphics, the future of graphic design in the digital age. Today's graphic design is increasingly viewed on cell phones, computer monitors, and other digital video systems. Motion graphics is the new language of graphic design combining moving images and typography, special effects, and sound. In this introductory course the student will develop a command of Adobe After Effects software to produce impressive and effective motion graphics for advertising and informational uses. Planning, production, and the aesthetic issues of 2-D animation are covered. NR

GD 240
INTERMEDIATE GRAPHIC DESIGN
3 Units; 2 hours lecture; 3 hours lab
Recommended Preparation: GD 140
Study of design concepts to explore organization of visual elements to graphics. Studio work will include layout and production of designed formats (magazine ads, logos, TV storyboard, newspapers and ads) and conceptualization techniques in the graphic design field, as well as portfolio preparation. Also listed as ART 240. Credit given in either area, not both. NR

GD 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

Health

HLTH 1
CONTEMPORARY HEALTH ISSUES
3 Units; 3 hours lecture
Transfers: CSU, UC
An exploration into traditional and holistic health topics as they affect the individual, family, community and society. General topics include mental health and stress reduction techniques, emotional wellness, and communication skills. Specific topics include; sexuality and intimate relationships, nutrition, weight management, fitness, aging, dying, narcotics, alcohol, tobacco, reproductive choices, infectious diseases, cardiovascular health, cancer, sleep, and alternative medicine. NR

HLTH 2
FIRST AID, CPR, AND AUTOMATED EXTERNAL DEFIBRILLATOR
1.5 Units; 1.5 hours lecture
Transfers: CSU, UC
Accident and injury prevention, CPR, AED and first aid for common injuries/illness. Successful completion qualifies a student for American Heart Association – Heartsaver – CPR, AED and First Aid certificate. NR

HLTH 3
WOMEN’S HEALTH ISSUES
3 Units; 3 hours lecture
Transfers: CSU, UC
An exploration of all health issues that affect the quality of women’s daily lives. A special emphasis on women’s issues, including sexuality, and intimate relationships, reproductive issues and PMS, communication skills, fitness concepts, nutrition, and food awareness, belief systems and emotional management, relaxation, visualization and stress reduction, and aging and dying. Also includes setting and attaining goals. NR

Health Information Technology

HIT 200
HEALTH INFORMATION SCIENCE
3 Units; 3 hours lecture
Introduction to the health information management profession, including health services organization and delivery methods; collection, maintenance, and analysis of health data; requirements and standards for health information; information systems; regulatory, licensing, and accreditation standards. Letter grade only. NR

HIT 204
QUALITY PERFORMANCE IMPROVEMENT IN HEALTHCARE
3 Units; 3 hours lecture
Recommended Preparation: MATH 251
An introduction to the quality management and performance improvement process in health care settings, and focuses on collecting, analyzing, and presenting data. The course covers introduction to quality management techniques and tools, patient safety, accreditation, utilization and risk management. In addition, the course covers vital statistics in health care, including formulas, medical research, and planning. Letter grade only. NR

HIT 207
INFORMATION TECHNOLOGY/EHR IN HEALTHCARE
3 Units; 3 hours lecture
Prerequisite: CIM 112
Information management technologies used in the management of health information; software applications; data and information file structures; querying databases; presentation and manipulation of data; data security and protection of health information; and information systems planning life-cycle. Letter grade only. NR

HIT 209
MANAGEMENT OF RESOURCES
3 Units; 3 hours lecture
Recommended Preparation: HIT 200
Management of human, financial, and physical resources in a Health Information Management (HIM) department including: leadership, training and motivation, staffing and productivity, communication and performance review, process improvement, budgets, development of policies and procedures, and goal setting. Letter grade only. NR

HIT 219
DIRECTED PRACTICE
3 Units; 2 hours lecture; 3 hours lab
Prerequisite: ENG 200, HSC 244, HIT 200, 204, 207, 209, 221, INSR 260, 224A, 226A, 228A, MA 222, 206
Limitation: (1) Physical examination and health clearance required (2) Background clearance required (3) Professional liability insurance required
Examines the structure, content, and utilization of the Electronic Health Record, with emphasis on Health Information Management as it relates to the Health Information Department of an affiliated health care organization, including the acute care setting. The focus is on the components, necessary knowledge base, and security of electronic health records in the organizational setting. Letter grade only. NR
HIT 221
ADVANCED ICD CODING WITH ENCODERS LAB
4 Units; 3 hours lecture; 3 hours lab
Prerequisite: CIM 112
Recommended Preparation: HSC 201 and 244
Prepares students for the inpatient coding process by teaching the rules, guidelines, functions, and complex issues of the ICD using medical records. Students will use specialized software for the completion of the Health Information Management (HIM) processes with emphasis on encoders and groupers. Letter grade only. NR

Health Science
HSC 201
MEDICAL TERMINOLOGY
3 Units; 3 hours lecture
Application and orientation to medical terminology, basic structure of medical terms and their components—roots, prefixes, suffixes and combining forms. Emphasizes analysis, meaning, spelling and pronunciation to building a medical vocabulary applicable to the specialties of medicine, major diseases and terms used on physical examination, diagnosis and treatment. Letter grade only. NR

HSC 217
CARDIAC DYSRHYTHMIAS
2 Units; 2 hours lecture
Recommended Preparation: N 172 or EMT 205 and 205L
Emphasizes cardiac function, normal and abnormal heart rhythms, causes of dysrhythmias, and interpretation of monitoring equipment printouts. NR

HSC 222
BASIC LIFE SUPPORT/CPR FOR HEALTHCARE PROVIDERS
0.75 Unit; 0.75 hours lecture
Provides instruction, practice, and return demonstration of CPR and obstructed airway management techniques. This includes one- and two-rescuer resuscitation techniques for adults, children, and infants. Includes a brief review of basic anatomy and physiology of the circulatory and respiratory systems. Recognition of cardiopulmonary emergencies, myocardial infarction, stroke, and airway obstruction will also be discussed briefly. Satisfactory completion of the course will provide an American Heart Association Healthcare Provider Basic Life Support course completion card. NR

HSC 223
BASIC LIFE SUPPORT/CPR PROVIDERS RENEWAL
0.25 Unit; 0.25 hours lecture
Limitation: Current American Heart Association Healthcare Provider course completion card or American Red Cross equivalent
Review and update of cardiopulmonary resuscitation principles and procedures for health care providers previously educated in one- and two-rescuer adult, child and infant resuscitation and foreign body airway obstruction management. Satisfactory completion of course provides American Heart Association Healthcare Provider course completion card. NR

HSC 226
ADVANCED CARDIAC LIFE SUPPORT
2 Units; 2 hours lecture
Limitation: HSC 217
Recommended Preparation: Current BLS Healthcare Provider
Provides healthcare students with critical assessment and management skills to treat adults with cardiac arrest, respiratory arrest, and stroke. NR

HSC 227
PEDIATRIC ADVANCED LIFE SUPPORT
2 Units; 2 hours lecture
Limitation: Current BLS Healthcare Provider course completion card or equivalent with American Heart Association criteria
Recommended Preparation: HSC 217
American Heart Association/American Academy of Pediatrics Pediatric Advanced Life Support (PALS) course for healthcare providers to develop proficiency in the knowledge and skill of advanced pediatric resuscitation and emergency care. Satisfactory completion of the course will provide an American Heart Association Pediatric Advanced Life Support Provider course completion card. NR

HSC 228
CALCULATIONS FOR MEDICATION ADMINISTRATION
1 Unit; 1 hour lecture
Basic concepts for problem-solving in administering drugs and solutions. Stresses equivalencies and unit conversions. Uses dimensional analysis system for problem solving. NR

HSC 244
DISEASE PROCESSES FOR THE HEALTH SCIENCES
3 Units; 3 hours lecture
Prerequisite: BIO 113 and HSC 201
A conceptual approach to the study of disease processes including common assessment strategies and treatments with an emphasis on the body’s response to the disease process. Letter grade only. NR

HSC 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

HSC 291
MANAGEMENT OF AGGRESSIVE BEHAVIOR IN HEALTHCARE SETTINGS
0.5 Unit; 0.5 hours lecture
Created for individuals who work in healthcare settings and may be in close contact with verbally and physically aggressive individuals. The theory of recognition and prevention of the assaultive crisis will be discussed. Students will participate in exercises to learn how to diffuse aggressive client behaviors. Students will also participate in kinetic learning exercises used with physically aggressive clients in healthcare settings. NR

Hebrew
HEBR 1
ELEMENTARY HEBREW
5 Units; 5 hours lecture
Transfers: CSU, UC
Corequisite: HEBR 901
Recommended Preparation: College level reading ability
Designed to develop the fundamentals of communicative competence in colloquial Hebrew. The emphasis is on listening, comprehension, and conversational skills. Early reading and writing skills are introduced, as well as fundamental aspects of culture. Equivalent to two years high school Hebrew. NR

HEBR 2
ELEMENTARY HEBREW
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: HEBR 1 or two years of high school Hebrew
Corequisite: HEBR 902
Designed to further the fundamentals of communicative competence in daily spoken Hebrew. Although the focus remains on listening, comprehension and speaking, reading and writing skills will be expanded. This course continues the familiarization with customs and cultural achievements begun in the previous semester. NR

HEBR 3
INTERMEDIATE HEBREW
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: HEBR 2 or three years of high school Hebrew
Corequisite: HEBR 903
Intermediate level course focuses on fluency on reading, writing, speaking, and listening. Continues the study of Hebrew culture. NR
HIST 4
WORLD HISTORY TO 1750
3 Units; 3 hours lecture
Transfers: CSU, UC
A survey of major themes and events in world history from the earliest civilizations to 1750. Emphasis will be placed on the rise of ancient Egypt, Greece, and Rome; the early Indian, Chinese, Latin American, and African empires, and European expansionism and global encounters. NR

HIST 5
WORLD HISTORY FROM 1750
3 Units; 3 hours lecture
Transfers: CSU, UC
A survey of major themes and events in world history from 1750 to the present. Emphasis will be placed on the Atlantic slave trade and slavery in the Americas, late 18th and early 19th century political revolutions, the Industrial Revolution, imperialism and colonialism, and 20th Century nationalist movements and revolutions. NR

HIST 7
SOCIAL AND ECONOMIC HISTORY OF THE U.S. TO 1876
3 Units; 3 hours lecture
Transfers: CSU, UC
Surveys the American social and economic experience from the colonial period through Reconstruction. Featured topics include colonization; westward expansion of Europeans; the interaction of Native American and European cultures; merchant and early industrial capitalism; motives for and consequences of independence from Great Britain; development and economic implications of federal government; slavery, indenture and free labor; immigration; conflict between the agrarian/republican and urban-industrial/federalist visions of America; military involvements, and conditions of private and family life. NR

HIST 8
SOCIAL AND ECONOMIC HISTORY OF THE U.S., 1877 TO THE PRESENT
3 Units; 3 hours lecture
Transfers: CSU, UC
Surveys the American social and economic experience from Reconstruction to the present. Featured topics include the emergence of big business; labor and unionization; focus shifts from agriculture to manufacturing to services; government’s role in regulating industry and taming business cycles; immigration and internal migrations; urbanization; gender roles and family structure; technological change; living conditions; the distribution of wealth; African American legal rights and economic realities; effects on Native Americans of U.S. expansion and federal oversight; economic globalization; overseas military actions, and new challenges to security and liberty. NR

HIST 11
PERSPECTIVES OF PEACE STUDIES
3 Units; 3 hours lecture
Transfers: CSU, UC
A comprehensive study of nonviolent philosophies and movements from the ancient world to the present, with particular emphasis on Mohandas Gandhi, Martin Luther King, Jr., and the movements they led. NR

HIST 12
REVOLUTIONS AND REVOLTS
3 Units; 3 hours lecture
Transfers: CSU, UC
Examination of the origins, phases, and results of selected revolutions throughout modern world history. Analyze from a comparative perspective interpretations of the causes; phases, results of the revolutions; and how issues of gender, race, and class shaped these revolutions. NR

HIST 15
THE VIETNAM WAR
3 Units; 3 hours lecture
Transfers: CSU, UC
A study of the Vietnam War, including an examination of how the United States became involved, how this war was waged, and reactions to the policy in the United States and within the international community. An analysis of the legacies of the Vietnam conflict will be covered as America confronts world problems today. NR

HIST 16
HISTORY OF THE UNITED STATES TO 1876
3 Units; 3 hours lecture
Transfers: CSU, UC
History of the United States from its colonial origins through the period of the Reconstruction, in terms of cultural, economic, political, and social developments as influenced by geographical and cultural expansions and sectional conflicts. NR

HIST 17
HISTORY OF THE UNITED STATES SINCE 1876
3 Units; 3 hours lecture
Transfers: CSU, UC
Focuses on U.S. history from the Reconstruction period to the present, relating to such areas as Industrial Revolution, reform movements from the Progressives to the New Deal, overseas expansion, collective security in foreign affairs, and other foreign and domestic issues since World War II. NR

HIST 19
UNITED STATES SINCE 1945
3 Units; 3 hours lecture
Transfers: CSU, UC
Survey of the United States and its world relationships following the close of World War II. Special emphasis will be given to the Cold War, American social ferment, political history, the development of the Civil Rights Movement, and American foreign policy through Persian Gulf War. NR

HIST 20
ETHNIC CULTURES OF THE UNITED STATES
3 Units; 3 hours lecture
Transfers: CSU, UC
A general overview of the sociological, psychological, and historical background of selected ethnic groups in the United States. Topics include social, political, and economic factors, as well as intergroup relationships, prejudice, discrimination, affirmative action, immigration, assimilation, and social change. Also listed as SOC 20. Credit given in either area, not both. NR

HIST 21
WOMEN IN UNITED STATES HISTORY: A MULTICULTURAL PERSPECTIVE
3 Units; 3 hours lecture
Transfers: CSU, UC
A survey of U.S. women’s history from the 18th century to the present. Focus will be placed on uncovering the similarities and differences in the historical experiences of women based on their class, racial, and ethnic identity. Concentration is on the changing roles of women in the family, community, labor force, and political system, and exploration of the evolution of gender roles and identities. NR

HIST 22
BASIC UNITED STATES HISTORY
3 Units; 3 hours lecture
Transfers: CSU, UC
Survey of American history and interpretation of institutions from the colonial period to the present. NR
HIST 27  
LATIN AMERICA: PRE-EUROPEAN TO INDEPENDENT NATIONHOOD  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
A survey of the heritage of Latin America from a cradle of civilization in the pre-European era to the beginning of nationhood. The emphasis will be on the political, economic, cultural, and social history of this period. The student will be introduced to pre-European America, the Iberian background, European conquest and dominance, the movements to end European dominance, and the creation of Latin America. NR

HIST 28  
LATIN AMERICA: 1800 TO THE PRESENT  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
A survey of the political, economic, cultural, and social history of Latin America. Review the development of Latin American nations since independence from European conquest and occupation. Examines the relationship of Latin American nations with the rest of the world, with special emphasis on relations with nations of the Western Hemisphere. NR

HIST 29  
FILM AND HISTORY IN LATIN AMERICA  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
Students evaluate films on Latin America in the context of historical research on similar episodes or issues. Films will focus on the social and psychological consequences of colonialism, forced labor systems, religious beliefs, and "Modernization." NR

HIST 30  
HISTORY OF MEXICO  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
Provides a general survey of Mexican history from pre-Columbian to present. Includes the political, social, economic, and cultural growth of the Mexican nation. NR

HIST 32  
CALIFORNIA HISTORY  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
Historical heritage and development of California, with emphasis on economic, political and social factors which have influenced development from the pre-Spanish period to the present. NR

HIST 33  
THE POLITICAL/SOCIAL HISTORY OF THE CHICANAS/OS  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
Considers the principal developments in Chicanas/os history from the 16th century to the present. Students explore the history of Chicanas/os, and the manner in which the cultural patterns have been retained or redefined by life in the United States. Special emphasis will be given to their migration and settlement of the American Southwest; their interaction with the Anglo newcomers; and the transformation of their society after the Texas Revolution and the U.S. – Mexican War; the role of urbanization and immigration within that transformation; regional variation within the Chicanas/os community; and Chicanas/os contributions to the development of American society. NR

HIST 40  
ENGLISH HISTORY TO 1688  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
A survey of English history from the Roman conquest to the Glorious Revolution of 1688. Emphasis is placed on the Tudor and Stuart monarchs, especially Henry VIII and Elizabeth the Great. NR

HIST 41  
ENGLISH HISTORY SINCE 1688  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
A survey of English history from the Glorious Revolution to the present. Includes an overview of the economic, political, social, cultural, and scientific developments from 1688 to the present. NR

HIST 61  
HISTORY AND POLITICS OF RUSSIA: SOVIET PERIOD TO THE PRESENT  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
Survey and evaluation of the Russian Revolution followed by an analysis of the major forces which shaped the Soviet Union's political, economic, and social systems. Course also includes the collapse of the Soviet Union and post-Soviet Russia. NR

HIST 62  
EUROPEAN HISTORY TO 1650  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
Survey of the historical developments of Europe from the Ancient Mediterranean to 1650. Includes an overview of the economic, political, social, cultural, and scientific developments from the emergence of the Greek Empire to the Thirty Years War. NR

HIST 63  
EUROPEAN HISTORY SINCE 1650  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
Survey of the historical developments of Europe from the Age of Absolutism to the present. Includes an overview of political, social, cultural, and scientific developments from the era of 17th Century nation building to the present. NR

HIST 70  
HISTORY OF ASIA TO 1800  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
Survey of major social, religious, political, economic, and cultural traditions of Asia to 1800. Emphasis is placed upon the historical development of India, China, Japan, and Southeast Asia. NR

HIST 71  
HISTORY OF ASIA SINCE 1800  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
A continuation of History of Asia to 1800, with an emphasis on issues of modernization, adaptation, and cultural change since 1800. NR

HIST 72  
HISTORY OF CHINA  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
A survey of the history of China from Ancient Era to the present. Social, political, geographic, economic and cultural aspects of development will be covered. NR

HIST 74  
HISTORY OF THE MIDDLE EAST TO 1800  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
A survey of the cultural, economic, and political history of the Middle East from Ancient Era to 1800 C.E. with an emphasis on the rise, spread, and development of Islam. Explores how Islam developed out of earlier Middle Eastern societies and built upon those continuities, and examines the expansion and development of Islam and its interaction with pre-Islamic Middle Eastern societies and the West until 1800 C.E. NR

HIST 75  
INTRODUCTION TO THE CONTEMPORARY MIDDLE EAST  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
A survey of the major political, economic, religious and social institutions and movements of the Middle East from 1800 to the present, with special emphasis on the problems of developing Middle Eastern nations, the Arab-Israeli conflicts, and the political and economic implications of Middle Eastern oil. Includes a brief introduction to Islamic religious institutions, terrorism and militarism, with special emphasis on the importance of these institutions to the contemporary scene. NR
HIST 80
INTRODUCTION TO CONTEMPORARY AFRICA
3 Units; 3 hours lecture
Transfers: CSU, UC
A survey of African history from ancient Egypt to the present. Focus will be on the nature of early African empires and societies, the impact of the slave trade, responses to imperial conquest and colonial rule, the rise of nationalist movements and the regaining of political independence, and the contemporary challenges facing postcolonial African states and peoples. Also listed as PS 80. Credit given in either area, not both. NR

HIST 81
AFRICAN AMERICAN HISTORY
3 Units; 3 hours lecture
Transfers: CSU, UC
Focuses on African American history. Emphasis will be placed on the African peoples’ experiences in the United States. Included will be discussion of African-American leaders from 1619 to the present, special epochs, and trends. Covers factors that influenced the changes of attitudes of and towards African Americans. NR

HIST 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

HIST 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

Horticulture

HORT 7
INTRODUCTION TO LANDSCAPE DESIGN
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU, UC
Fundamentals of landscape design as applied to residential landscape projects, study of materials used in landscape development, site analysis, problems of design, fundamentals of plant selection, and introduction to graphic presentations. Field trips may be required to fulfill the objectives of this course. NR

HORT 10
PLANT MATERIALS — HERBACEOUS PLANTS
3 Units; 3 hours lecture
Transfers: CSU, UC
An introductory course in landscape plants and identification. Includes plants used as groundcovers, bedding plants, vines and small shrubs. Growth habits and cultural requirements will be studied. Field trips may be required to fulfill the objectives of this course. NR

HORT 11
PLANT MATERIALS — TREES AND SHRUBS
3 Units; 3 hours lecture
Transfers: CSU, UC
An introductory course in landscape trees and shrubs identification. Growth characteristics and cultural requirements will be studied. Field trips may be required to fulfill the objectives of this course. NR

HORT 106
LANDSCAPE CAD: AUTOCAD FUNDAMENTALS
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Introduction to the use of computer-aided drawing and drafting (CADD) applications in landscape design; covers applications in computer mapping and graphics, planting design, and landscape development according to industry standards. NR

HORT 109
INTRODUCTION TO PLANTING DESIGN
3 Units; 3 hours lecture
Transfers: CSU
Introduction to the elements and principles of planting design. Emphasis is given to organizing and applying plant material to design problems using accepted ecological, functional, and aesthetic standards. Field trips may be required to fulfill the objectives of this course. NR

HORT 112
PLANT PROPAGATION
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Theory and practices of plant propagation, including seeds, cuttings, division, tissue culture, layering, budding, and grafting. Study will include propagation structures, plant growth regulators and environmental factors regulating plant growth and development. Field trips may be required to fulfill the objectives of this course. NR

HORT 113
SOILS AND FERTILIZERS
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Soil development, texture, aeration, structure, cation exchange and other physical and chemical properties will be studied. Characteristics, uses, and methods of application of fertilizers and soil amendments in practical applications are presented. NR

HORT 115
HISTORY OF LANDSCAPE DESIGN: ANCIENT THROUGH 19TH CENTURY
3 Units; 3 hours lecture
Transfers: CSU
A study of landscape design from its beginnings to the 19th Century, emphasizing Italian, French Renaissance, English, Islamic, and American gardens. Field trips may be required to fulfill the objectives of this course. NR

HORT 116
IRRIGATION DESIGN FUNDAMENTALS
3 Units; 3 hours lecture
Transfers: CSU
An introductory irrigation-systems course covering landscape, system design, installation, maintenance and repair. Emphasizes water conservation principles and practices. NR

HORT 120
INTEGRATED PEST MANAGEMENT
4 Units; 3 hours lecture; 2 hours lab
Transfers: CSU
Pest recognition and the methods of environmentally acceptable control in the landscape, nursery, and home will be studied. Insects, spider mites, weeds, fungi, bacteria, viruses, nematodes, and vertebrates are included. NR

HORT 130
HARDSCAPE AND CONSTRUCTION MATERIALS FUNDAMENTALS
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU
Introduces students to the materials used in the development of ornamental hardscapes in the field of landscape design. These materials include soils, stone, wood, brick, paving materials, fencing, plastics and drainage materials. Design considerations in the use of these materials and the laws and regulations that apply are also covered. NR
HORT 138
THE SUSTAINABLE LANDSCAPE
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Introduces fundamentals of sustainable landscape design, including water conservation, such as Rain Water Recovery System, and chemical use reduction. Teaches basic sustainable landscape design concepts and application techniques with hands-on exercises. Enhances understanding of sustainable landscape maintenance with proper plant care, propagation, pest control, fertilization and pruning. NR

HORT 139
CONTEMPORARY LANDSCAPE DESIGN TRENDS
3 Units; 3 hours lecture
Transfers: CSU
Students explore current design trends with ever-changing technologies and globalization. Learn how current landscape design is performed by case-studying successful landscape design projects in 21st century. NR

HORT 140
LANDSCAPE MANAGEMENT AND CONSTRUCTION
3 Units; 3 hours lecture
Transfers: CSU
Introduces concepts critical to landscape construction. Includes how to build a landscape design with practical implementation. Supervision of construction crews so the design is implemented correctly. NR

HORT 141
HARDSCAPE AND CONSTRUCTION DETAILS WITH CAD
2 Units; 1 hour lecture; 3 hours lab
Transfers: CSU
Recommended Preparation: HORT 130
Introduces students to CAD applications for landscape construction details relative to hardscapes. NR

HORT 142
INTRODUCTION TO DESIGN TECHNOLOGY
1 Unit; 1 hour lecture
Transfers: CSU
Provides an overview of multiple computer applications for landscape design. Projects are explored for the most efficient design workflow. Integrates multiple computer applications for landscape design tasks. NR

HORT 143
LANDSCAPE CAD MANAGEMENT WITH DESIGN PROJECTS
3 Units; 2 hours lecture; 3 hours lab
Prerequisite: HORT 106
Transfers: CSU
The complexity of CAD drawing management with multiple drawing files in the same design project is explored. Manage a group of CAD drawings by working and creating multiple CAD files for the class projects. NR

HORT 144
LICENSE FOR THE LANDSCAPE CONTRACTOR
1.5 Units; 1.5 hours lecture
Transfers: CSU
Prepares student for the California Landscape Contractor's License Exam. NR

HORT 145
PLANTING DESIGN WITH NATIVE PLANTS
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Addresses the importance of sustainable planting design, especially for water conservation. Create landscape designs with aesthetics, function, and minimal impact on the surrounding ecosystem. NR

HORT 146
LANDSCAPE DESIGN PORTFOLIO DEVELOPMENT
0.5 Unit; 1.5 hours lab
Transfers: CSU
Identifies the different styles of portfolios and develop the most suitable format for your own work examples. Culminates with the creation of a well-designed portfolio for a competitive advantage. NR

HORT 162
HORTICULTURE FIELD STUDIES — YOSEMITE
1.5 Units; 1 hour lecture; 1.5 hours lab
Transfers: CSU
A field course studying native plants in Yosemite National Park and adjacent areas that can be used in human environments. Emphasizes foothill and yellow pine plant communities; plant biogeography; plant succession; plant classification and identification; plant care, needs, and tolerances, as well as soil preferences. NR

HORT 166
ORNAMENTAL NATIVE PLANTS IDENTIFICATION
3 Units; 3 hours lecture
Transfers: CSU
Studies California native plants suitable for landscape use. Emphasizes the identification of plants, cultural requirements for their use in the landscape, and the ecology of the plants in nature. Special attention will be placed on solving landscape problems using native and other drought-tolerant plants. Field trips may be required. NR

HORT 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

HORT 201
PROFESSIONAL PRACTICES IN DESIGN PROFESSIONS
3 Units; 3 hours lecture
Recommended Preparation: HORT 7, 109
Exploration of all non-design aspects in practicing design professions, such as marketing, contracts, budgeting and financing, legal issues and project management. Examines what professionals should know in a business. Provides in-person exposure to law and finance by hosting guest lecture series with industry experts. NR

HORT 208
BEGINNING FLORAL DESIGN
2 Units; 1.5 hours lecture; 1.5 hours lab
Introduction to care and handling of fresh flowers, greens, and plants in floristry. Detailed instruction and demonstrations of arrangements, corsages, and holiday designs will be given along with individual design time for the execution of take-home projects. NR

HORT 209
ADVANCED FLORAL DESIGN
2 Units; 1.5 hours lecture; 1.5 hours lab
Recommended Preparation: HORT 208
Advanced techniques in design and composition of floral arranging for the vocational floral student. Emphasis is placed more on complicated lines (Western, European, and Eastern), bridal work, and party work. Retailing practices, pricing techniques, and field trips will be included. Detailed instruction and demonstration of arrangements will be followed by individual design time for execution of take-home projects. NR

HORT 216
IRRIGATION PLANS AND DETAILS WITH CAD
3 Units; 2 hours lecture; 3 hours lab
Prerequisite: HORT 116
Includes design and management of irrigation systems on a larger and more complex level than a simple residential setting. Large estate sized properties, athletic fields, golf courses, parks and other such commercial or public settings will be covered. Emphasis on the principles and practices of hydrostatic problems and methods of large scale irrigation design will be applied to the complex systems, as well as drip irrigation and other methods of irrigation. NR

HORT 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR
Human Services

HS 37
INTRODUCTION TO CRIMINOLOGY
3 Units; 3 hours lecture
Transfers: CSU, UC
Theories of historical, social, cultural, genetic, psychological, economic, and political causative factors related to crime are covered. Emphasizes the origin of law, its relationship to society, the organization and functions of law, and the role of law to prevent future criminal behaviors. Focus is placed on the most relevant crimes within our society. NR

HS 100
HUMAN SERVICES IN A CHANGING SOCIETY
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: ENG 300
An introduction to the Human Services profession. Explores historical and contemporary perspectives of problems in living and the Human Services field. Examines models of helping and related values, skills, and roles of the Human Services professional. Studies the broad definition of the profession of Human Services. Letter grade only. NR

HS 110
FIELD INSTRUCTION AND SEMINAR I
3.5 Units; 1.5 hours lecture; 6 hours lab
Transfers: CSU
Prerequisite: HS 100 and 120 and 140 and 170 and 285, with a "C" or better.
Provides supervised field-instruction experience in approved community agencies that serve clients in the field of Human Services. Focus is on beginning development and use of helping skills, client record documentation and service coordination. Self-awareness and beginning professional growth are also emphasized. NR

HS 112
CONFLICT RESOLUTION/ MEDIATION
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: ENG 300
Examines and introduces principles of non-violent, non-litigious conflict management skills with an emphasis on theory and the practice of conflict resolution and mediation. Designed to train individuals to be effective in resolving conflicts and engage mediation techniques in a broad context, from interpersonal relationships to working with individuals, groups, and staff in the workplace to dealing with interpersonal conflicts in alcohol and drug treatment settings, mental health settings, community-based correctional settings, educational and workplace settings and other human services milieus. Skills applicable for interpersonal development. NR

HS 119
INTRODUCTION TO CRIMINAL JUSTICE SYSTEM
3 Units; 3 hours lecture
Transfers: CSU
A broad overview of the American criminal justice system. Deals with the examination of criminals, victims, and the society in which they live. Emphasis is given to the criminal justice process, law enforcement, adjudication, post-conviction strategies, and juvenile justice. Also examines the entire spectrum of criminal justice and its components, from crime causation and police involvement to the trial process and corrections. NR

HS 120
HUMAN DEVELOPMENT IN THE SOCIAL ENVIRONMENT
3 Units; 3 hours lecture
Transfers: CSU
Examines the forces and experiences that shape human development throughout the life course. Explores the role of human services in optimizing human development within the context of the social environment. NR

HS 128
COMMUNITY-BASED CORRECTIONS
3 Units; 3 hours lecture
Transfers: CSU
A highly interactive exploration of the front-line work in community-based corrections, halfway houses, parole and probation supervision, diversion, youth advocacy, and community programs. Includes both a state and local perspective on functions, successes and limitations in community-based corrections. NR

HS 131
MULTICULTURAL AND DIVERSE POPULATIONS IN THE UNITED STATES
3 Units; 3 hours lecture
Transfers: CSU
Focuses on the major cultural, historical, and societal themes in the US and highlights the competencies needed to address and work effectively with people from various ethnic, racial, and religious groups. Examines the knowledge, skills, and attitudes needed for the treatment provider to understand the full context of a client’s sociocultural environment and examines those that have been disadvantaged or excluded from mainstream US society. Includes those with co-occurring disorders. Students actively seek understanding across differences, and focus on psychoeducation in subject areas that serve the goals of treatment and rehabilitation. NR

HS 140
GROUP LEADERSHIP AND GROUP PROCESS
3 Units; 3 hours lecture
Transfers: CSU
An introduction to group dynamics and group leadership within the context of the helping professions. Focuses on group development, interpersonal processes, and group facilitation skills. Concepts related to professional and ethical standards of group leadership are integrated. Application of course concepts occurs through experiential learning opportunities. Letter grade only. NR

HS 150
FIELD INSTRUCTION AND SEMINAR II
3.5 Units; 1.5 hours lecture; 6 hours lab
Transfers: CSU
Prerequisite: HS 110
Recommended Preparation: HS 174, 285
Provides continued supervised field-instruction experience in approved human services community agencies. Students increase development of helping skills, client record documentation and service coordination. Emphasizes increased integration of concepts from human services theory courses. NR

HS 170
ALCOHOL AND OTHER DRUGS IN OUR SOCIETY
3 Units; 3 hours lecture
Transfers: CSU
An historical and sociological perspective on the use, abuse and social control of psychoactive drugs. Includes overviews of the biopsychosocial nature of addiction; the impact of addiction on families and society; contemporary treatment and prevention approaches; and the addiction counseling profession. NR

HS 171
SUBSTANCE ABUSE: INTERVENTION, TREATMENT AND RECOVERY
3 Units; 3 hours lecture
Transfers: CSU
The assessment, intervention and treatment of substance-related disorders are explored from an interdisciplinary perspective. Students learn to tailor helping strategies and treatment modalities to the client’s stage of change, development, and recovery. Challenges students to examine their existing ideas about treatment and recovery from substance related disorder. Provider approved by the California Board of Registered Nursing, Provider Number CEP60. NR
HS 172
PHYSIOLOGICAL EFFECTS AND PHARMACOLOGY OF ALCOHOL AND DRUGS
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: PSYC 34
Examines the physiological, psychological, and behavioral effects of drug and alcohol addiction. Pharmacologic management, metabolic, neurological processes, and drug use during the perinatal period are included. Examines the role of human development, the syndromes of withdrawal, abstinence, synergistic effects, risk factors and integrates multidisciplinary treatment considerations. NR

HS 174
CASE ADMINISTRATION, CRISIS INTERVENTION AND REFERRAL
3 Units; 3 hours lecture
Transfers: CSU
Introduces basic case administration skills. Includes crisis intervention, treatment planning, securing resources for clients, record documentation, screening, data collection, implementation, and aftercare. Emphasizes care of clients with substance-related and other mental disorders. NR

HS 175
SUBSTANCE ABUSE EDUCATION, PREVENTION, AND INTERVENTION
3 Units; 3 hours lecture
Transfers: CSU
Reviews the history, theories, models, and state-of-the-art approaches to substance abuse education, prevention, and intervention. Provides experiential learning which will enable the students to explore and examine their own values and behaviors as they relate to the use and abuse of alcohol and other drugs. Public policies, media-information dissemination, ethnic and cultural-specific approaches, environmental risk reduction, harm reduction, and healthy alternatives to substance abuse will be presented and discussed. NR

HS 176
CO-OCCURRING DISORDERS
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: HS 172
An introduction to the assessment process for the presence of co-occurring mental disorders and substance misuse disorders. Explores the relationship of these disorders; emphasizes the development of concurrent integrated treatment strategies, and the skills required of professionals who interact with clients with co-occurring disorders or dual diagnosis. NR

HS 177
FAMILY DYNAMICS OF ADDICTION AND ABUSE
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: PSYC 34
A multifaceted study of violence, abuse, and addiction within the family and social system including abusive acts towards children, significant others, cohabiting relationships, elderly, and special populations. Examines the social and historical contexts of abuse, the relationship of chemical dependency, and the application of models and theories related to working with abused persons, victims of violence, intervention, treatment, legal and ethical considerations surrounding abuse. NR

HS 181
INTRODUCTION TO EATING DISORDERS
3 Units; 3 hours lecture
Transfers: CSU
Introduces students to the history, symptomatology, treatment and resources for anorexia nervosa, bulimia nervosa, binge eating disorder, and other eating disorders. Includes gender, sexual identity and abuse, obesity, cultural differences, societal attitudes, and the addiction cycle. The biological, psychosocial and cultural-behavioral, feminist, family systems, and other theoretical perspectives will be examined. NR

HS 182
SUBSTANCE ABUSE TREATMENT IN CHILDREN AND ADOLESCENTS
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: HS 120, PSYC 7
Explores current treatment trends in substance use and abuse in children and adolescents. Focuses on the continuum of behaviors from first use, to escalation, to more frequent use, leading to a substance related clinical disorder. Intervention, treatment, and recovery strategies for these specialized groups are included. NR

HS 184
MEDICAL ASPECTS OF EATING DISORDERS
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: HS 181
Identifies classification, epidemiology, etiology, and physiology of obesity, anorexia, bulimia and binge eating disorder. The contemporary methods of assessment, treatment, and complications of obesity, anorexia, bulimia, and binge eating disorder are to be examined. NR

HS 185
THE BACKGROUND AND TREATMENT OF EATING DISORDERS
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: HS 181
Addresses the assessment and treatment of eating disorders in various treatment settings (inpatient, day treatment, outpatient), and the use of community support systems. The student will develop a philosophy regarding etiology and treatment for eating disorder clients. The end goal is for the student to understand the complexity and variety of eating disorder treatment approaches. NR

HS 187
JUVENILE VIOLENCE, GANGS, AND VICTIMIZATION
3 Units; 3 hours lecture
Transfers: CSU
Reviews the history of juvenile violence in the United States to its present day escalation. Theories of causative factors related to genetics, social-cultural transmission, psychology, behavior, parricide and substance abuse will be presented and assessed. The role of the juvenile justice system, gang cultures, and victimization will be examined. Addresses pragmatic solutions for lowering juvenile violence. NR

HS 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

HS 220
BENEFITS AND ENTITLEMENT
3 Units; 3 hours lecture
A comprehensive approach to obtaining and maintaining federal, state and regional public income and healthcare coverage for the disabled, elderly and poor. These benefits include but are not limited to California State Disability Insurance, Social Security’s Supplemental Income (SSI) and Social Security Disability Insurance (SSDI), Medicare and Medi-Cal comprehensive approach to obtaining and maintaining federal, state and regional public income and healthcare coverage for the disabled, elderly and poor. These benefits include but are not limited to California State Disability Insurance, Social Security’s Supplemental Income (SSI) and Social Security Disability Insurance (SSDI), Medicare and Medi-Cal. This course covers work incentives and employment supportive services included in the benefits programs. Letter grade only. NR
Humanities

HUM 1
INTRODUCTION TO HUMANITIES
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: Eligibility for ENG 1A
Introduces representative models of human achievement throughout history, with emphasis on an evolving consciousness of moral and aesthetic values associated with the Western mind. It focuses on selected literary and philosophical works as they reflect these values, and on parallel achievements in the visual arts, theater, and music. The course examines the relationship between the work and its author in its historical and cultural context, while distinguishing its purpose, its contemporary impact, and its current significance. NR

HUM 2
ORIGINS OF WESTERN CULTURE IN LITERATURE
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: ENG 200
Investigates the beginnings of Western culture from the time of Homer (c. 9th century B.C.) through the Roman period. The genesis of the Western conceptions of human nature, political theory, ethical notions, religion and art will be elaborated. The literary forms of Classical antiquity will be surveyed, including the Homeric epic, the Greek tragedy, and the comedy. The themes of the Classical authors will form many of the themes of the course, such as man and nature, man’s rights within society, reason and feeling, scientific knowledge and mystical insight, and the nature and basis of moral values. NR

HUM 3
THE CULTURE OF MEDIEVAL AND RENAISSANCE EUROPE
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: Eligibility for ENG 1A
Identifies and studies characteristically Medieval and Renaissance ideas and feelings about a variety of important human experiences as represented across a broad spectrum of the fine arts, philosophy, and history. Among the themes to be studied are: the supernatural and the natural, the individual and the state, codes of personal conduct (chivalry and courtesy), the quest for new knowledge, the rise of the secular, and the emergence of a pluralistic universe. The transition from medieval to Renaissance consciousness will be emphasized. NR

HUM 10A
CULTURE, SCIENCE, AND SOCIETY I
3 Units; 3 hours lecture
Transfers: CSU, UC
Prerequisite: Eligibility for ENG 1A
The first course in a cross-disciplinary Honors sequence organized around a single theme or topic. Designed to explore the continuity of cultural traditions through a study of major works of history, literature, philosophy, social thought, fine arts, and the sciences, and to compare and contrast the modes of inquiry characteristic of those disciplines. This course is open to all students but required of every Honors Program student. NR

HUM 10B
CULTURE, SCIENCE, AND SOCIETY II
3 Units; 3 hours lecture
Transfers: CSU, UC
Prerequisite: Eligibility for ENG 1A
The second course in a cross-disciplinary Honors sequence organized around a single theme or topic. Designed to explore the continuity of cultural traditions through a study of major works of history, literature, philosophy, social thought, fine arts, and the sciences, and to compare and contrast the modes of inquiry characteristic of those disciplines. This course is open to all students but required of every Honors Program student. NR

HUM 21
THE SEARCH FOR MEANING: IDEAS OF SELF ACROSS CULTURES
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: Eligibility for ENG 1A
Explores the notions of self and the changing faces of human nature as they shape and are shaped by prevailing social systems and cultural patterns across the world. Compares a variety of fictional and historical figures ranging from the Homeric hero to the Confucian aristocrat, from Joan of Arc to Sojourner Truth, in an attempt to shed light on our own struggle to understand who we are, and how we know who we are, in the contemporary scene. Draws upon the perspectives of disciplines such as history, science, philosophy, literature, and the arts. NR

HUM 22
GODS, CLOCKS, AND VISIONS
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: Eligibility for ENG 1A
An examination of connections between religion, science and the arts in the growth of humanity. Views from many academic fields will provide an enriched perspective of the transition from prehistoric and primitive cultures to the expanded horizons of the 20th century knowledge and belief. Significant concepts, themes and individuals are chosen to represent changing times and places. NR

HUM 25
PLANET EARTH: CONTEMPORARY ISSUES AND CONTROVERSIONS
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: Eligibility for ENG 1A
An examination of issues confronting humanity on a global scale at present and into the foreseeable future. Social, educational, biological, economic, political and other contemporary perspectives will be treated. Topics include population growth, food supplies, energy and resources, terrorism and world order, racism and sexism, international affairs; and individual issues such as sex roles, power and powerlessness, individual life cycles, and psychology and metaphysics. NR

HUM 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR
Independent Study

INSR 200
INDEPENDENT STUDY
Units and Hours Vary
Prerequisite: Approval of learning contract proposal

Independent Study (individual project) offers advanced study in the subject matter offered at the college in which a particular course is not offered. Students should contact an instructor and the division dean for research, field experience, and/or skill development after completion of the introductory offering in the related field of study. Independent Study may also be offered for nontraditional educational experiences where regular course offerings are not available and for non-department interdisciplinary study. Prior to enrollment, the student and instructor shall prepare a learning contract (“proposal for learning”) in cooperation with the division dean and submit it to the Office of Instruction for approval. The learning contract shall clearly delineate the number of hours involved, the areas of study, and the means by which the mastery of the subject matter will be evaluated. The credit value of Independent Study courses are based on the following calculations:
- 2 Units: 96 clock hours
- 3 Units: 144 clock hours
- 4 Units: 192 clock hours
- 5 Units: 240 clock hours
NR

Insurance Billing

INSR 200
ADVANCED CODING AND CERTIFICATION PREPARATION
3 Units; 3 hours lecture
Recommended Preparation: INSR 224A, INSR 226A, and INSR 228A

Advanced medical coding prepares students for certification as a Certified Procedural Coder (CPC) through the American Academy of Professional Coders (AAPC). Students will develop in-depth understanding of physician-based medical coding using critical thinking skills to abstract the pertinent information from documents, select the right codes, and determine the correct sequence of the codes using International Classification of Disease (ICD-9) and Current Procedural Terminology (CPT) and Health care Common Procedure Coding System (HCPCS). Letter grade only. NR

INSR 224A
REIMBURSEMENT METHODOLOGIES
3 Units; 3 hours lecture

Introduces students to basics of medical billing. Covers the various insurance plans, and various payment methods for the different health care settings. Covers terminology related to reimbursement and completion of claim forms. Letter grade only. NR

INSR 226A
CPT/AMBULATORY CARE CODING
3 Units; 3 hours lecture
Provides instruction and practice in CPT-4 and HCPCS procedural coding for hospital outpatient, ambulatory settings, physician and other outpatient services. Covers format, conventions, guidelines, and use of CPT/HCPCS. Letter grade only. NR

INSR 228A
FUNDAMENTALS OF ICD CODING
3 Units; 3 hours lecture
Designed for students to understand the format and use of the ICD. Covers general and chapter-specific guidelines for coding diagnoses and procedures for inpatient and outpatient settings. Students will also gain knowledge about the symbols and conventions of the ICD, as well as ethics in coding. Letter grade only. NR

INSR 260
COMPUTER APPLICATIONS/EHR IN HEALTH CARE
3 Units; 2.5 hours lecture; 1.5 hours lab
Provides orientation to office-based and hospital computer applications including electronic health record (EHR), scheduling electronic appointments, electronic spreadsheets, hospital information systems and billing. Focuses on electronic health records and medical billing. Letter grade only. NR

INSR 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

Intercollegiate Athletics

IA 1
MEN’S FOOTBALL
2 Units; 10 hours lab
Transfers: CSU, UC
Limitation: Physical examination and be declared fit for athletics by a medical doctor (MD).
Recommended Preparation: Previously competed at the high school, community college, or 4-year college in interscholastic or intercollegiate football.
Student athletes will train and participate in Intercollegiate Football. R-E-3

IA 2
MEN’S BASKETBALL
1 Unit; 5 hours lab
2 Units; 10 hours lab
Transfers: CSU, UC
Limitation: Physical examination and be declared fit for athletics by a medical doctor (MD).
Provides an opportunity for students to train and participate in Intercollegiate Men’s Basketball. The 1 unit/5 hours lab will be scheduled spring semester only and the 2 unit/10 hours lab will be scheduled fall semester only. R-E-3

IA 3
MEN’S BASEBALL
2 Units; 10 hours lab
Transfers: CSU, UC
Limitation: Physical examination and be declared fit for athletics by a medical doctor (MD).
Provides an opportunity for students to train and participate in Intercollegiate Baseball. R-E-3

IA 4
MEN’S TRACK AND FIELD
2 Units; 10 hours lab
Transfers: CSU, UC
Limitation: Physical examination and be declared fit for athletics by a medical doctor (MD).
Provides an opportunity for students to prepare for competitive participation in Intercollegiate Men’s Track and Field. R-E-3

IA 5
MEN’S CROSS COUNTRY
2 Units; 10 hours lab
Transfers: CSU, UC
Limitation: Physical examination and be declared fit for athletics by a medical doctor (MD).
Provides an opportunity for students to train and participate in Intercollegiate Men’s Cross Country. R-E-3

IA 6
MEN’S GOLF
2 Units; 10 hours lab
Transfers: CSU, UC
Limitation: Physical examination and be declared fit for athletics by a medical doctor (MD).
Provides an opportunity for students to train and participate in Intercollegiate Men’s Golf. R-E-3

IA 7
MEN’S WATER POLO
2 Units; 10 hours lab
Transfers: CSU, UC
Limitation: Physical examination and be declared fit for athletics by a medical doctor (MD).
Provides an opportunity for students to train and participate in Intercollegiate Men’s Water Polo. R-E-3
### IA 8
**MEN'S SWIMMING AND DIVING**  
**2 Units; 10 hours lab**  
Transfers: CSU, UC  
Limitation: Physical examination and be declared fit for athletics by a medical doctor (MD)  
Provides an opportunity for students to train and participate in Intercollegiate Men's Swimming and Diving.  
*R-E-3*

### IA 9
**MEN'S TENNIS**  
**2 Units; 10 hours lab**  
Transfers: CSU, UC  
Limitation: Physical examination and be declared fit for athletics by a medical doctor (MD)  
Recommended Preparation: Previously competed at high school, community college, 4-year college, or adult advanced tennis level.  
Student athletes will train and prepare for Intercollegiate Men's Tennis competition.  
*R-E-3*

### IA 10
**WOMEN'S VOLLEYBALL**  
**2 Units; 10 hours lab**  
Transfers: CSU, UC  
Limitation: Physical examination and be declared fit for athletics by a medical doctor (MD)  
Provides an opportunity for students to train and participate in Intercollegiate Women's Volleyball.  
*R-E-3*

### IA 11
**WOMEN'S SOFTBALL**  
**2 Units; 10 hours lab**  
Transfers: CSU, UC  
Limitation: Physical examination and be declared fit for athletics by a medical doctor (MD)  
Provides an opportunity for students to train and participate in Intercollegiate Softball.  
*R-E-3*

### IA 12
**WOMEN'S BASKETBALL**  
**1 Unit; 5 hours lab**  
**2 Units; 10 hours lab**  
Transfers: CSU, UC  
Limitation: Physical examination and be declared fit for athletics by a medical doctor (MD)  
Provides an opportunity for students to train and participate in Intercollegiate Women's Basketball. The 1 unit/5 hours lab will be scheduled spring semester only and the 2 unit/10 hours lab will be scheduled fall semester only.  
*R-E-3*

### IA 13
**WOMEN'S TENNIS**  
**2 Units; 10 hours lab**  
Transfers: CSU, UC  
Limitation: Physical examination and be declared fit for athletics by a medical doctor (MD)  
Provides an opportunity for students to train and participate in Intercollegiate Women's Tennis.  
*R-E-3*

### IA 14
**WOMEN'S SWIMMING AND DIVING**  
**2 Units; 10 hours lab**  
Transfers: CSU, UC  
Limitation: Physical examination and be declared fit for athletics by a medical doctor (MD)  
Provides an opportunity for students to train and participate in Intercollegiate Women's Swimming and Diving.  
*R-E-3*

### IA 15
**WOMEN'S SPORTS OFF SEASON TRAINING**  
**1 Unit; 5 hours lab**  
**2 Units; 10 hours lab**  
Transfers: CSU  
Limitation: Physical examination and be declared fit for athletics by a medical doctor (MD).  
Recommended Preparation: Previously competed at the high school, competitive club level, community college, or 4-year college in interscholastic or intercollegiate athletics.  
Off season training designed for women's intercollegiate athletics with an emphasis on aerobic and anaerobic conditioning, sports specific strength development, skills training, play strategies, and nutrition for optimal performance.  
*R-E-3*

### IA 16
**WOMEN'S TRACK AND FIELD**  
**2 Units; 10 hours lab**  
Transfers: CSU, UC  
Limitation: Physical examination and be declared fit for athletics by a medical doctor (MD)  
Provides an opportunity for students to train and participate in Intercollegiate Women's Track and Field.  
*R-E-3*

### IA 17
**WOMEN'S CROSS COUNTRY**  
**2 Units; 10 hours lab**  
Transfers: CSU, UC  
Limitation: Physical examination and be declared fit for athletics by a medical doctor (MD)  
Provides an opportunity for students to train and participate in Intercollegiate Women's Cross Country.  
*R-E-3*

### IA 18
**WOMEN'S WATER POLO**  
**2 Units; 10 hours lab**  
Transfers: CSU, UC  
Limitation: Physical examination and be declared fit for athletics by a medical doctor (MD)  
Provides an opportunity for students to train and participate in Intercollegiate Women's Water Polo.  
*R-E-3*

### IA 19
**WOMEN'S GOLF**  
**2 Units; 10 hours lab**  
Transfers: CSU, UC  
Limitation: Physical examination and be declared fit for athletics by a medical doctor (MD)  
Provides an opportunity for students to train and participate in Intercollegiate Women's Golf.  
*R-E-3*

### IA 21
**WOMEN'S SOCCER**  
**2 Units; 10 hours lab**  
Transfers: CSU, UC  
Limitation: Physical examination and be declared fit for athletics by a medical doctor (MD)  
Provides an opportunity for students to train and participate in Intercollegiate Women's Soccer.  
*R-E-3*

### IA 115
**WOMEN'S SPORTS OFF SEASON TRAINING**  
**1 Unit; 5 hours lab**  
**2 Units; 10 hours lab**  
Transfers: CSU  
Limitation: Physical examination and be declared fit for athletics by a medical doctor (MD).  
Recommended Preparation: Previously competed at the high school, competitive club level, community college, or 4-year college in interscholastic or intercollegiate athletics.  
Off season training designed for men's intercollegiate athletics with an emphasis on aerobic and anaerobic conditioning, sports specific strength development, skills training, play strategies, and nutrition for optimal performance.  
*R-E-3*

### IA 130
**MEN'S SPORTS OFF SEASON TRAINING**  
**1 Unit; 5 hours lab**  
**2 Units; 10 hours lab**  
Transfers: CSU  
Limitation: Physical examination and be declared fit for athletics by a medical doctor (MD).  
Recommended Preparation: Previously competed at the high school, competitive club level, community college, or 4-year college in interscholastic or intercollegiate athletics.  
Off season training designed for men's intercollegiate athletics with an emphasis on aerobic and anaerobic conditioning, sports specific strength development, skills training, play strategies, and nutrition for optimal performance.  
*R-E-3*

### IA 189
**SPECIAL TOPICS**  
**Units and Hours Vary**  
Transfers: CSU  
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course.  
*NR*
### Interior Design

**ID 110**
**FUNDAMENTALS OF INTERIOR DESIGN**
3 Units; 3 hours lecture  
Transfers: CSU  
Study the design elements and principles related to interior environments. Analysis and critique of floor plans; furniture arrangement; color theory; and coordination of color, texture, and pattern for human environments. Analysis of special environmental considerations for sustainability, green design, and energy conservation in interiors. Overview of the aesthetic and functional assessment of interior furniture, floor, wall, window, illumination, and accessory treatments. NR

**ID 111**
**INTERIOR DESIGN STUDIO 1**
3 Units; 2 hours lecture; 3 hours lab  
Transfers: CSU  
Recommended Preparation: Completion or concurrent enrollment in ID 110  
Designed to apply concepts and theories presented in the lecture course, ID 110, Fundamentals of Interior Design. Emphasis is placed on the design process in developing solutions for design projects. NR

**ID 112**
**BEGINNING DRAFTING FOR INTERIORS**
3 Units; 2 hours lecture; 3 hours lab  
Transfers: CSU  
Applications of methods and theory used for architectural drawings, including basic graphics and projections for design and working drawings. NR

**ID 113**
**INTERIOR DESIGN CAREERS**
2 Units; 2 hours lecture  
Transfers: CSU  
Survey of the interior design profession, industry, related occupations, and workites. Emphasizes personal, educational, and professional qualifications required for entry into the interior design profession. NR

**ID 114**
**APPLIED COLOR AND DESIGN THEORY FOR INTERIOR DESIGN**
4 Units; 3 hours lecture; 3 hours lab  
Transfers: CSU  
Basic color and design theory and application. Utilization of tools, materials, and equipment to develop technical skills applicable to interior, architectural, and other related fields of design. Exploration of cultural heritage and psychological implication of design. NR

**ID 115**
**COMPUTER-AIDED DESIGN/ DRAFTING FOR INTERIOR DESIGN**
3 Units; 2 hours lecture; 3 hours lab  
Transfers: CSU  
Recommended Preparation: ID 112  
Introduces the basic skills, techniques, and uses for computer-aided design and drafting. NR

**ID 116**
**INTERIOR MATERIALS AND PRODUCTS**
3 Units; 3 hours lecture  
Transfers: CSU  
Analysis, application, and evaluation of products and materials used in interior design. Includes interior textiles, furnishings, and finish materials and products. NR

**ID 117**
**HISTORY OF INTERIOR ARCHITECTURE AND FURNISHINGS I**
3 Units; 3 hours lecture  
Transfers: CSU  
Recommended Preparation: ID 110  
Application of programming, theory, and techniques in residential and commercial space planning. Skills in drafting and presentation techniques are emphasized in the studio. NR

**ID 118**
**SPACE PLANNING**
3 Units; 2 hours lecture; 3 hours lab  
Transfers: CSU  
Recommended Preparation: ID 112  
Application of programming, theory, and techniques in residential and commercial space planning. NR

**ID 119**
**INTERIOR DESIGN STUDIO II**
1 Unit; 1 hour lecture  
Corequisite: CWE 180  
Supervised and educationally-directed internship. Weekly lectures will relate on-the-job experiences with academic program. To be taken in the final semester of program. NR

**ID 120**
**INTERIOR DESIGN ILLUSTRATION**
3 Units; 2 hours lecture; 3 hours lab  
Transfers: CSU  
Recommended Preparation: ID 112  
Application of the methods, techniques, and tools used for illustrating interior spaces and products. NR

**ID 121**
**HISTORY OF INTERIOR ARCHITECTURE AND FURNISHINGS II**
3 Units; 3 hours lecture  
Transfers: CSU  
Recommended Preparation: ID 110 and 112  
Historical relationship between the decorative arts, period furniture, and interior architecture is illustrated in this overview of design heritage from antiquity through the 18th century in Europe. Emphasis is placed on style development as it relates to social, economic, and political influences. NR

**ID 122**
**BUSINESS AND PROFESSIONAL PRACTICE FOR INTERIOR DESIGN**
3 Units; 3 hours lecture  
Transfers: CSU  
Recommended Preparation: ID 113  
Business and professional management of an interior design practice including legal issues, project management, and business practices. NR

**ID 123**
**INTERIOR DESIGN STUDIO III**
3 Units; 3 hours lecture  
Recommended Preparation: ID 110 and 112  
Develop, analyze, and apply design concepts to interior environments. Universal design, environmentally conscious design, space planning, lighting systems, interior components, architectural elements, and specifications writing will be integrated into research projects emphasizing a problem-solving approach. NR

**ID 124**
**INTERIOR DESIGN STUDIO IV**
3 Units; 2 hours lecture; 3 hours lab  
Transfers: CSU  
Recommended Preparation: ID 114 and 121  
Fundamentals of lighting, design, theory, and application, including the history and vocabulary of lighting. Topics to be explored are how light affects color and vision, incandescent, fluorescent, and high intensity discharge lamps, new lighting technology, lighting techniques, codes, green, and energy-efficient lighting practices. NR

**ID 125**
**INTERIOR DESIGN STUDIO V**
1 Unit; 1 hour lecture  
Recommended Preparation: ID 124  
Supervised and educationally-directed internship. Weekly lectures will relate on-the-job experiences with academic program. To be taken in the final semester of program. NR

**ID 126**
**FUNDAMENTALS OF LIGHTING**
3 Units; 3 hours lecture  
Transfers: CSU  
Recommended Preparation: ID 110 and 112  
Fundamentals of lighting, design, theory, and application, including the history and vocabulary of lighting. Topics to be explored are how light affects color and vision, incandescent, fluorescent, and high intensity discharge lamps, new lighting technology, lighting techniques, codes, green, and energy-efficient lighting practices. NR

**ID 127**
**INTERIOR DESIGN STUDIO VI**
3 Units; 3 hours lecture  
Recommended Preparation: ID 114  
Business and professional management of an interior design practice including legal issues, project management, and business practices. NR

**ID 128**
**INTERIOR DESIGN STUDIO VII**
3 Units; 3 hours lecture  
Recommended Preparation: ID 114  
Business and professional management of an interior design practice including legal issues, project management, and business practices. NR
ID 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

ID 210
HOSPITALITY DESIGN
3 Units; 2 hours lecture; 3 hours lab
Recommended Preparation: ID 126 and 133
Analysis and application of the design process to space planning, materials and finish choices, codes application, and selection of specialized equipment unique to planning hospitality spaces. Design solutions to hospitality will be developed in the studio. NR

ID 211
CODES AND SPECIFICATIONS FOR INTERIOR DESIGN
3 Units; 3 hours lecture
Explores federal, state, and local regulations, codes, and specifications concerning life-safety issues, barrier-free access (American Disabilities Act), and universal design. Special attention is given to performance, health-safety, and universal design when estimating and preparing specifications for interior materials and products. NR

ID 212
ADVANCED COMPUTER-AIDED DESIGN/DRAFTING FOR INTERIOR DESIGN
3 Units; 1 hour lecture; 4 hours lab
Recommended Preparation: ID 115
Develops proficiency and skills in two and three-dimensional computer-aided design and drafting for Interior Design applications. NR

ID 214
BATH DESIGN
3 Units; 2 hours lecture; 3 hours lab
Recommended Preparation: ID 126 and 133
Analysis and application of the design process to space planning, materials and finish choices, codes application, and selection of specialized equipment unique to planning bath spaces. Design solutions for baths will be developed in the studio. NR

ID 215
KITCHEN DESIGN 3 Units; 2 hours lecture; 3 hours lab
Recommended Preparation: ID 126 and 133
Analysis and application of the design process to space planning, materials and finish choices, codes application, and selection of specialized equipment unique to planning kitchen spaces. Design solutions for kitchens will be developed in the studio. NR

ID 216
DIGITAL VISUALIZATION FOR INTERIOR DESIGN
3 Units; 2 hours lecture; 3 hours lab
Recommended Preparation: ID 115, 123
Introduces the methods, techniques, and tools for creating digital 3D models, rendered illustrations, and material boards by utilizing a variety of software programs and technologies toward composing effective Interior Design presentations. NR

ID 289

Italian

ITA 1
ELEMENTARY ITALIAN
5 Units; 5 hours lecture
Transfers: CSU, UC
Corequisite: ITA 901
Recommended Preparation: College-level reading ability
Designed to provide a brief overview in English of the Italian culture. Areas of study include history, music, literature, philosophy, political ideas, customs and Italy’s influence on and contribution to the civilization of America and the world. No prior study of the Italian language or culture is required. NR

ITA 2
ELEMENTARY ITALIAN
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: ITA 1 or two years of high school Italian
Corequisite: ITA 902
Designed to further the fundamentals of communicative competence in daily spoken Italian. Although the focus remains on listening comprehension and speaking, reading and writing skills will be expanded. This course continues the familiarization with customs and cultural achievements begun in the previous semester. NR

ITA 3
INTERMEDIATE ITALIAN
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: ITA 2 or three years of high school Italian
Corequisite: ITA 903
Reviews the fundamentals with further study of the Italian language and culture. NR

ITA 4
INTERMEDIATE ITALIAN
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: ITA 3 or four years of high school Italian
Corequisite: ITA 904
Concentrates on the development of fluency in the skills needed to communicate in Italian. Further study of cultural topics. NR

ITA 10
INTERMEDIATE CONVERSATIONAL ITALIAN
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: College-level reading ability
Designed to develop fluency in Italian. The emphasis is on both formal and informal expression and conversation in the language. NR

ITA 21
INTRODUCTION TO ITALIAN CULTURE
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: College-level reading ability
Designed to provide a brief overview in English of the Italian culture. Areas of study include history, music, literature, philosophy, political ideas, customs and Italy’s influence on and contribution to the civilization of America and the world. No prior study of the Italian language or culture is required. NR

ITA 250
PRACTICAL ITALIAN
1 Unit; 3 hours lecture
Emphasizes conversation skills in Italian as applied to everyday situations including business, travel, and related topics. Consideration also given to cultural topics. Assumes no prior knowledge of the language. NR

ITA 901
ITALIAN LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: ITA 1
Requires concurrent enrollment in Italian 1 course. Enhances and provides practice in skills learned in Italian 1 language courses. NR
ITALIAN LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: ITA 2
Requires concurrent enrollment in Italian 2. Enhances and provides practice in skills learned in Italian 2 language course. NR

ITALIAN LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: ITA 3
Requires concurrent enrollment in Italian 3. Enhances and provides practice in skills in Italian 3 language course. NR

ITALIAN LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: ITA 4
Requires concurrent enrollment in Italian 4. Enhances and provides practice in skills in Italian 4 language course. NR

Japanese

JA 1
ELEMENTARY JAPANESE
5 Units; 5 hours lecture
Transfers: CSU, UC
Corequisite: JA 901
Recommended Preparation: College level reading ability
Designed to develop the fundamentals of communicative competence in daily spoken Japanese. The emphasis is on listening, comprehension, and conversational skills. Early reading and writing skills are introduced, as well as fundamental aspects of culture. Equivalent to two years high school Japanese. NR

JA 2
ELEMENTARY JAPANESE
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: JA 1 or two years of high school Japanese
Corequisite: JA 902
Designed to further the fundamentals of communicative competence in daily spoken Japanese. Although the focus remains on oral skills and aural comprehension, reading and writing skills will be expanded with introduction of 100 Kanji (Chinese Characters) in addition to Kana, which was already mastered by the students in previous course(s). Cultural topics will also be covered. NR

JA 3
INTERMEDIATE JAPANESE
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: JA 2 or three years of high school Japanese
Corequisite: JA 903
Intermediate level course focuses on fluency in reading, writing, speaking, and listening. Continues the study of Japanese cultures. NR

JA 4
INTERMEDIATE JAPANESE
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: JA 3 or four years of high school Japanese
Corequisite: JA 904
Emphasizes fluency in speaking, reading, writing, and comprehension of Japanese. Includes selected reading and discussions from the basic four genres in Japanese and Japanese-American literature, culture, and customs. NR

JA 21
INTRODUCTION TO JAPANESE CULTURE
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: College-level reading ability
Designed to provide a brief overview in English of the Japanese culture. Areas of study include geography, history, literature, art, philosophy, religion, and customs of the Japanese people. No prior study of the Japanese language or culture is required. NR

JA 250
PRACTICAL JAPANESE
1 Unit; 3 hours lecture
Emphasizes conversational skills in Japanese as applied to everyday situations including business, travel, and related topics. Consideration also given to cultural topics. Assumes no prior knowledge of the language. NR

JA 901
JAPANESE LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: JA 1
Requires concurrent enrollment in Japanese 1. Enhances and provides practice in skills learned in Japanese 1 language course. NR

JA 902
JAPANESE LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: JA 2
Requires concurrent enrollment in Japanese 2. Enhances and provides practice in skills learned in Japanese 2 language course. NR

JA 903
JAPANESE LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: JA 3
Requires concurrent enrollment in Japanese 3. Enhances and provides practice in skills learned in Japanese 3 language course. NR

JA 904
JAPANESE LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: JA 4
Enhances and provides practice in skills learned in Japanese 4 language course. NR

Journalism

JRN 1
MASS MEDIA AND SOCIETY
3 Units; 3 hours lecture
Transfers: CSU, UC
A study of mass media and media technology as they apply to society. Includes a study of media functions, responsibilities, practices, and influences, as well as a study of media law, ethics, history, development, and potential for the future. The course is designed to increase student awareness of the impact of mass media in shaping society. Also listed as CTVR 1. Credit given in either area, not both. NR

JRN 2
FEATURE WRITING
3 Units; 3 hours lecture
Transfers: CSU
Emphasizes news writing and reporting, methods of news gathering, organization and writing of articles. Includes the interpretation of significant news events and studies techniques of in-depth reporting. NR

JRN 105
VIDEO JOURNALISM
3 Units; 2 hours lecture; 4 hours lab
Transfers: CSU
Recommended Preparation: JRN 2 and CTVR 101
Incorporates print and broadcast techniques to produce multimedia pieces for the web, tablets and emerging platforms with a focus on video journalism. Topics include multimedia storytelling that incorporates shooting and editing video, recording and editing sound, writing, and still photographs. An emphasis will be placed on journalistic, documentary-style video storytelling for the news media. Also listed as CTVR 106. Credit given in either area, not both. NR

JRN 107
NEWS MEDIA PRODUCTION AND INVESTIGATIVE REPORTING
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU
Recommended Preparation: ENG 1A or JRN 2
Provides instruction and practice in developing, researching and writing investigative and in-depth articles and content for the student print, online, mobile and emerging platforms of the campus publications. Student publications are evaluated and critiqued in regularly scheduled student staff meetings. NR
JRN 109
NEWS MEDIA PRODUCTION AND DATA REPORTING
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU
Recommended Preparation: ENG 1A or JRN 2
Provides practical instruction in news media production, content management systems, data collection for storytelling and creating visual elements through data for the student campus publications (print, online, mobile and emerging platforms). This course produces content for student media outlets. NR

JRN 110
INTERACTIVE MEDIA DESIGN
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Recommended Preparation: JRN 2
Introduces students to basic concepts of interactive design for digital media with a journalistic emphasis. Students may design interactive multimedia packages, graphics, animation, mobile applications, digital e-book reader interactives, widgets, tablet publications and more. An introduction to basic design principles, concepts of engagement and interactivity, and presentation of journalistic content on a variety of platforms will be discussed in this hands-on course. An emphasis will be placed on accuracy, journalistic content, as well as clear and dynamic presentation. NR

JRN 111
NEWS MEDIA PRODUCTION AND EDITING
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU
Recommended Preparation: ENG 1A or JRN 2
Provides practical instruction in interviewing, reporting and editing for print and online publications as required to produce the campus news publications, including print and digital publications as well as emerging platforms. Aspects of interviewing, computer assisted reporting, copy editing, headline writing, photo editing, SEOs, AP Style, etc. are explored. NR

JRN 112
NEWS MEDIA PRODUCTION, BLOGGING AND SOCIAL MEDIA
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU
Recommended Preparation: ENG 1A or JRN 2
Provides practical instruction on news media production, blogging and social media. Students will produce blogs and utilize popular and emerging social media tools as part of the student online campus publications. NR

JRN 113
MAGAZINE PRODUCTION FOR DIGITAL PLATFORMS
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Recommended Preparation: ENG 1A, JRN 105, or ENG 3
Focuses on magazine production from content production to publication and distribution on digital platforms, such as Web, mobile, tablet and emerging platforms. Focuses on content production for digital magazines with an emphasis on interactive elements, user engagement, social media, multimedia, storytelling in various forms, written stories. NR

JRN 125
MAGAZINE JOURNALISM
3 Units; 2 hours lecture; 2 hours lab
Transfers: CSU
Recommended Preparation: ENG 1A, JRN 105, or ENG 3
Introduces distinctive elements of magazine journalism. Provides firsthand experience in the various phases of producing a magazine. NR

JRN 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

Kinesiology — Adapted

KNEA 1
ADAPTED STRENGTH TRAINING
0.5 Unit; 0.5 hours lecture; 0.5 hours lab
1 Unit; 0.5 hours lecture; 1.5 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Fitness class stressing strength, resistance training, and endurance. Designed for students that have participated in physical therapy, have a chronic medical diagnosis, or permanent disability. NR

KNEA 2
ADAPTED WATER EXERCISE AND SWIMMING
0.5 Unit; 0.5 hours lecture; 0.5 hours lab
1 Unit; 0.5 hours lecture; 1.5 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Consists of aquatic exercise and modified swimming to improve strength, cardiovascular endurance, flexibility, balance, and/or gait. Designed for those that have participated in therapy, rehabilitation, have chronic medical diagnoses, or permanent disabilities. NR

KNEA 3
ADAPTED CARDIOVASCULAR CONDITIONING
0.5 Unit; 0.5 hours lecture; 0.5 hours lab
1 Unit; 0.5 hours lecture; 1.5 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Fitness class stressing aerobic conditioning and cardiovascular fitness. Designed for students that have participated in physical therapy, have a chronic medical diagnosis, or permanent disability. NR

KNEA 4
ADAPTED STRETCHING AND CORE TRAINING
0.5 Unit; 0.5 hours lecture; 0.5 hours lab
1 Unit; 0.5 hours lecture; 1.5 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Fitness class stressing flexibility and core strengthening exercises. Designed for students that have participated in physical therapy, have chronic pain or permanent disability. NR

KNEA 6
ADAPTED SPORTS
0.5 Unit; 0.5 hours lecture; 0.5 hours lab
1 Unit; 0.5 hours lecture; 1.5 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Introduction to sports including basketball, soccer, floor hockey, softball, bocce ball, and tennis. Designed for individuals who need assistance and equipment adaptations in activities and sports. NR

KNEA 8
ADAPTED OUTDOOR EDUCATION AND RECREATION
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Introduction to outdoor recreation activities, such as body surfing, body boarding, surfing, snorkeling, kayaking, sailing, fishing, hiking, rock climbing, low rope course and beach games/activities designed for students with disabilities. Class focuses on safety, and the basic skills needed to participate and interact with the environment. NR
KNEA 107
SURVEY AND ASSESSMENT OF FITNESS
1 Unit; 1 hour lecture
Transfers: CSU
An assessment of the physical condition of the disabled student which includes testing and evaluation of muscular strength and endurance, flexibility, body composition, cardiovascular endurance, skill-related fitness, and aquatic ability. Personality factors will be studied to learn more about stress reduction and lifestyle changes. Information regarding nutrition, weight management, and personal program for lifetime fitness will be presented. Different testing and assessment techniques will be used in this course. NR

KNEA 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

KNEA 289
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

KNEA 300
ADAPTED STRENGTH TRAINING
0 Unit; 1 hour lecture; 2 hours lab
Fitness class stressing strength, flexibility, and cardiovascular endurance. Designed for students that have participated in physical therapy, have a chronic medical diagnosis, or permanent disability. NR

KNEA 310
ADAPTED WATER EXERCISE AND SWIMMING
0 Unit; 1 hour lecture; 2 hours lab
Consists of mobility, balance, gait training, strengthening, cardiovascular conditioning, flexibility, range of motion exercises, and modified swimming. Designed for those that have participated in therapy, rehabilitation, have chronic medical diagnoses or permanent disabilities.

Kinesiology

KNES 1
CARDIOVASCULAR CONDITIONING
1 Unit; 0.67 hours lecture; 1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Focuses on individual cardiovascular and respiratory fitness using cardiovascular conditioning as a way of developing and maintaining health. The activities portion of the course will be tailored to meet the needs of the individual student, considering age, sex and general health. NR

KNES 2
STRENGTH TRAINING
2 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Focuses on improving strength through individualized training programs. Suited for men and women interested in increasing strength, power, and athletic performance. Includes physiology of strength training; equipment and safety considerations; sport specific training; program design for power, strength, and techniques of lifting; and nutrition for optimal performance. NR

KNES 3
CIRCUIT WEIGHT TRAINING
1 Unit; 0.67 hours lecture; 1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Focuses on circuit training on a personal basis. Modifications of original programs may be needed based upon the results of fitness appraisals at the beginning of the semester. Includes assessment of various components of fitness. NR

KNES 4
BEGINNING WEIGHT LIFTING
1 Unit; 0.67 hours lecture; 1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Basic skills and methods used in weight lifting. Free weights and machines will be used to develop lean muscle and decrease body fat. Individual workout program on resistance exercise equipment. NR

KNES 5
INTERMEDIATE WEIGHT LIFTING
1 Unit; 0.67 hours lecture; 1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: KNES 4
Principles and techniques for students interested in weight lifting for increased muscle strength in sports activities or competition. Emphasis on resistance machines, free weights, and additional equipment such as medicine balls and kettle bells. NR

KNES 6
ADVANCED WEIGHT LIFTING
1 Unit; 0.67 hours lecture; 1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: KNES 5
Advanced instruction and sport specific practice in the techniques of developing muscle strength and endurance for maximizing performance. Power lifting, resistance machines, free weights, and additional equipment will be utilized. Advanced training, principles, and theories. NR

KNES 7
STEP TRAINING
1 Unit; 0.67 hours lecture; 1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Step training is a cardiovascular program which involves stepping up and down on an adjustable platform while simultaneously performing upper body strength movements to the accompaniment of music. Step training is for both men and women, from beginners to conditioned athletes. To change the intensity, students may alter the height of the platform. This course is comprehensive, balanced, and works every major muscle group. NR

KNES 8
CARDIO KICKBOXING
1 Unit; 0.67 hours lecture; 1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
A coed fitness course for all ages and abilities for overall body conditioning. Designed to provide students a safe and effective cardiovascular workout that utilizes skills from sports, kickboxing, and self-defense, combined with constant aerobic movement. Strengthens entire body, with progression from beginning through advanced segments. NR

KNES 9
STRETCHING, FLEXIBILITY, AND CONDITIONING
1 Unit; 0.67 hours lecture; 1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Techniques and application of safe stretching, breathing, body alignment, and muscle conditioning exercises for increase muscle tone and core training. NR

KNES 17
BEGINNING BOWLING
1 Unit; 0.67 hours lecture; 1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Basic fundamentals of bowling including equipment, rules, etiquette, terminology, skills and technique. Educational experience by supervised repetition and practice developing skills and proficiencies. Students will learn scoring, common faults, and strategy. NR
KNES 18  
INTERMEDIATE BOWLING  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Intermediate techniques and skills of bowling. Understand angle and deflection. Participate in league situations. Establish handicap, and the importance of strategy in bowling. Educational experience by supervised repetition and practice to develop skills and proficiencies. NR

KNES 19  
CYCLING/SPINNING  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Designed to increase the student’s knowledge and skill in cycling/spinning. Develops appreciation of cycling/spinning as a lifetime sport and means of developing and maintaining muscular and cardio-respiratory fitness. NR

KNES 20  
BEGINNING GOLF I  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Beginning fundamentals of golf skills including rules, etiquette, and terminology. NR

KNES 21  
BEGINNING GOLF II  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Recommended Preparation: KNES 20  
Progression of beginning skills, strategy, and individual stroke analysis. Refinement of beginning game. NR

KNES 22  
INTERMEDIATE GOLF  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Recommended Preparation: KNES 21  
Designed for those students who are not ready to play on a regulation golf course but have mastered the basic skills of Beginning Golf I and II. Includes the techniques of chipping, putting, sand shots, and wood shots. Enables the student to play a successful round of golf. NR

KNES 23  
ADVANCED GOLF  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Recommended Preparation: KNES 22  
The nine fundamental errors in golf are analyzed. The correction of the hook, slice, shank, push, and topped shots are discussed and demonstrated. Match play is arranged between class members by their ability or through established handicaps. Students must furnish their own transportation to the golf course. NR

KNES 24  
BEGINNING TENNIS I  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Presentation of the official doubles and singles games, including forehand and backhand strokes, serve, basic strategy, footwork, and etiquette. NR

KNES 25  
BEGINNING TENNIS II  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Recommended Preparation: KNES 24  
Designed for the student not quite proficient with strokes and strategy, or the intermediate level of tennis. NR

KNES 26  
INTERMEDIATE TENNIS  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Recommended Preparation: KNES 25  
Emphasis on individual stroke analysis, playing strategy, and match play, singles and doubles. NR

KNES 27  
ADVANCED TENNIS  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Recommended Preparation: KNES 26  
Emphasis on advanced techniques, playing strategy, and match play, singles, doubles and mixed doubles. Field trips may be required. NR

KNES 28  
BEGINNING YOGA  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Introduction and practice of the basic principles of physical yoga. Emphasis is on exercises called asanas, focusing on correct postural alignment, balance, joint flexibility, and muscle tone. Includes breathing techniques for stress reduction and to enhance the mind-body connection. NR

KNES 29  
INTRODUCTION TO TAI CHI CH’UAN  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Introduction to fundamental principles and basic movements of the ancient Taoist art. Special emphasis is given to the development of balance, harmony, and physical strength through the discipline of slow, fluid movements. NR

KNES 30  
ADVANCED TRACK AND FIELD  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Recommended Preparation: Participation on Interscholastic Track and Field or Cross Country Team or equivalent experience  
Designed for those students of advanced ability in track and field or cross country running who have competed on an interscholastic team or equivalent. Fundamentals of all events will be stressed. Recommended for kinesiology majors and those interested in intercollegiate competition. NR

KNES 31  
MUSCLE TONING FOR WOMEN  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
For women of any age and fitness level desiring development of muscular fitness. For those who are starting a muscle toning program or wanting to improve an existing training regimen. Benefits and principles of muscle fitness, prevention of osteoporosis, myths and misconceptions of training, nutrition, safety, equipment, and individual programs for lifetime fitness. NR
KNES 33  
BEGINNING SURFING I  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
Transfers: CSU, UC  
Limitation: Must pass swim test  
Recommended Preparation: KNES 33  
Designed to meet the needs of the beginning surfer. Dry land instruction will cover such topics as: historical perspectives of surfing, ocean safety, surfing etiquette, wave selection, proper paddling, and appropriate take-off procedures. Students will be required to provide own equipment and display an understanding of appropriate surfing equipment. NR  

KNES 34  
BEGINNING SURFING II  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
Transfers: CSU, UC  
Limitation: Must pass swim test  
Recommended Preparation: KNES 34  
Provides beginning surfers with the knowledge and skills to become more confident and competent in their surfing ability. Covers basic ocean first aid, understanding marine life, basic turns, drops, angles, negotiating big sets with various rolls and turns, and surfing a complete wave ending in kicking out. Students will provide their own equipment. NR  

KNES 35  
INTERMEDIATE SURFING  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
Transfers: CSU, UC  
Limitation: Must pass swim test  
Recommended Preparation: KNES 34  
Designed for the surfer who can negotiate waves and do basic turns on a consistent basis. Ocean knowledge such as currents, wave development, wind pattern, and ocean floor terrain will be presented. Surfers will be taught such short and longboard maneuvers as: Duck dive, cutback, “off the lip,” roundhouse, sideslip, crossover, and walk to nose. Students will become confident in riding surf four feet and larger. Students provide their own equipment. NR  

KNES 36  
ADVANCED SURFING  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
Transfers: CSU, UC  
Limitation: Must pass swim test  
Recommended Preparation: KNES 35  
Designed to meet the needs of the advanced surfer interested in extreme maneuvers and competing at the collegiate level. Students provide own equipment. NR  

KNES 37  
ADVANCED SWIMMING AND DIVING  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
Transfers: CSU, UC  
Limitation: Must pass swim test  
Recommended Preparation: KNES 36  
Recommended Preparation: Basic swimming ability  
Designed to develop and maintain physical fitness through swimming. Emphasis will be placed on endurance training for improved cardiovascular fitness. NR  

KNES 38  
ADVANCED YOGA  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Recommended Preparation: KNES 28  
Blending the principles and practices of various yoga techniques for total body fitness. Practice will include Yoga for flexibility and body balance, focusing on strength and cardiovascular training and Pilates techniques to increase concentration and core stabilization. NR  

KNES 39  
SWIMMING FOR NONSWIMMERS  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Recommended Preparation: KNES 41  
A beginning course in the instruction and practice of the most fundamental elements of swimming, diving, and safety skills. NR  

KNES 40  
INTERMEDIATE SWIMMING  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Recommended Preparation: KNES 39  
Recommended Preparation: KNES 42  
Instruction in lifeguarding and lifesaving techniques, cardiopulmonary resuscitation, and basic first aid that will facilitate successful completion of the American National Red Cross Lifeguard Training Certificate, Community First Aid and Safety Certificate and CPR for the Professional Rescuer Certificate. NR  

KNES 41  
LIFEGUARD TRAINING  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
Limitation: Successfully complete the swim pre-test  
Recommended Preparation: KNES 43  
Instruction in lifeguarding and lifesaving techniques, cardiopulmonary resuscitation, and basic first aid that will facilitate successful completion of the American National Red Cross Lifeguard Training Certificate, Community First Aid and Safety Certificate and CPR for the Professional Rescuer Certificate. NR  

KNES 42  
AQUATIC CONDITIONING  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Recommended Preparation: KNES 44  
Instruction and practice in water aerobics exercise. Emphasis will be placed on toning, trimming and firming skeletal muscles through water resistance exercises. Increasing flexibility, strengthening the cardiovascular system, and improving the respiratory system will also be stressed. NR  

KNES 43  
ADVANCED AEROBICS  
1 Unit; 0.67 hours lecture; 1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Recommended Preparation: KNES 42  
Aerobic dance is a fitness program which combines vigorous aerobic dance combinations with a variety of musical rhythms. NR  

KNES 44  
INTRODUCTION TO KINESIOLOGY  
3 Units; 3 hours lecture  
Transfers: CSU, UC  
An introductory course to the interdisciplinary approach to the study of human movement. An overview of the importance of the sub-disciplines in kinesiology will be discussed along with career opportunities in the areas of teaching, coaching, allied health, and fitness professions. NR
KNES 52
FUNDAMENTALS OF HUMAN MOVEMENT
3 Units; 3 hours lecture
Transfers: CSU, UC
Basic scientific principles of human movement related to various forms of sport and exercise. Fundamentals of anatomy, exercise physiology, biomechanics, and motor control will be presented in class with the goal of improving physical performance. Analyses of movements involved in various activities will be performed using demonstration, videography and student participation. NR

KNES 53
PREVENTION AND CARE OF ATHLETIC INJURIES
3 Units; 3 hours lecture
Transfers: CSU, UC
Designed to assist trainers, coaches, kinesiology, and recreation majors, playground personnel, and athletes in the prevention and care of athletic injuries. Emphasis will be on practical application as well as theory. NR

KNES 54
PRINCIPLES AND FUNDAMENTALS OF COACHING
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: KNES 53
Emphasizes the principles and fundamentals of coaching. The student will learn how to supervise and organize an effective sport drill, how to care for and prevent injuries, and how to better understand and effectively deal with players and allied personnel. NR

KNES 56
PRACTICUM IN ATHLETIC TRAINING
— FALL SPORTS
2 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: KNES 53
Exposure to sports injuries unique to Fall intercollegiate athletics. Emphasis on recognition, rehabilitation, and taping techniques to enable athletes to return to competition. Students will receive hands on experience and will be able to apply various techniques in the treatment of athletic injuries. NR

KNES 57
PEP SQUAD I
2.5 Units; 5 hours lab
Transfers: CSU, UC
Instruction, practice, and performing at college athletic events. Song and cheer technique development for routines in competition and at games. Choreography and formation development. Includes performing at special events. NR

KNES 63
BEGINNING ROCK CLIMBING
1 Unit; 0.67 hours lecture;
1.33 hours lab
Transfers: CSU, UC
Fundamentals of rock climbing with emphasis on the technical principles of climbing, proper equipment, rope use and knot-tying. Course will also cover environmental concerns with a strong emphasis placed on safety. NR

KNES 64
DISTANCE RUNNING
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Techniques in distance running methods, developing aerobic endurance, flexibility, and overall physical fitness. NR

KNES 65
INTRODUCTION TO MAT PILATES
1 Unit; 0.67 hours lecture;
1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Fundamentals of mat exercise emphasizing the principles of Joseph Pilates. Exercises to improve abdominal and back strength, flexibility, and postural alignment. Pilates involves integrating the physical and mental aspects of movement to correct imbalances in the body. Enhancement in any movement-based program, such as dance, sports, or exercise programs Proper breathing techniques are emphasized. Also listed as DANC 65. Credit given in either area, not both. NR

KNES 66
CORE TRAINING
1 Unit; 0.67 hours lecture;
1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Designed to improve core strength, coordination, balance, quickness, and agility. Emphasis will be placed on medicine ball and bosu ball training for muscle enhancement to maximize performance. NR

KNES 68
WALKING FOR FITNESS
1 Unit; 0.67 hours lecture;
1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Walking for fitness is an exercise program designed for students of all ages and skill levels striving for a healthier lifestyle activity. Walking lowers the risks of becoming obese, having cardiovascular disease, diabetes, osteoporosis, and high blood pressure. Includes techniques of walking, safety, attire, stretching, nutrition, and monitoring heart rate. Off-campus walks may be required. NR

KNES 69
TRAIL HIKING
1 Unit; 0.67 hours lecture;
1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Exploration of scenic trails including the coast, canyons, parks, hills, and open space areas. All hikes can be completed during class time on off-campus trails. NR

KNES 70
BASKETBALL
1 Unit; 0.67 hours lecture;
1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Instruction and supervised practice in basic basketball fundamentals. Development of various methods of individual and team play. NR

KNES 71
ADVANCED BASKETBALL
1 Unit; 0.67 hours lecture;
1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: Participation on an interscholastic team
Designed for students of advanced ability in basketball skills who have competed on an intercollegiate team or its equivalent. Offensive and defensive skills as well as advanced strategies will be stressed. Recommended for kinesiology majors and those interested in intercollegiate competition. NR

KNES 72
BEGINNING SOCCER
1 Unit; 0.67 hours lecture;
1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: Participation on an interscholastic team
Basic fundamentals of individual play such as dribbling, heading, shooting, trapping, passing, defensive tactics, and knowledge of rules. NR

KNES 73
ADVANCED SOCCER
1 Unit; 0.67 hours lecture;
1.33 hours lab
1.5 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: KNES 72
Advanced fundamentals of individual play such as dribbling, heading, shooting, trapping, passing, and defensive tactics, and knowledge of rules. NR
KNES 74  
SLOW PITCH SOFTBALL  
1 Unit; 0.67 hours lecture;  
1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Games of slow pitch softball with fundamentals of offense, defense, basic drills, and team strategy.  
NR

KNES 76  
BEGINNING VOLLEYBALL  
1 Unit; 0.67 hours lecture;  
1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
The basic skills and rules of volleyball are introduced. Rules, strategy, skill practice, and class competition are included. Course is orientated to the beginning volleyball student.  
NR

KNES 77  
INTERMEDIATE VOLLEYBALL  
1 Unit; 0.67 hours lecture;  
1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Recommended Preparation: KNES 76

KNES 78  
ADVANCED VOLLEYBALL  
1 Unit; 0.67 hours lecture;  
1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Recommended Preparation: KNES 76

KNES 80  
ADVANCED FOOTBALL  
1 Unit; 0.67 hours lecture;  
1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Recommended Preparation: Participation in interscholastic team  
Designed for those students of advanced ability in football skills who have competed on an interscholastic team or equivalent. Fundamentals of offensive, defense, and kicking skills, as well as advanced strategies will be stressed. Recommended for kinesiology majors and those interested in intercollegiate competition.  
NR

KNES 81  
BEGINNING BEACH VOLLEYBALL  
1 Unit; 0.67 hours lecture;  
1.33 hours lab  
Transfers: CSU, UC  
Introduction to beach volleyball. Rules, strategy, skill practice, and class competition are included.  
NR

KNES 82  
RECREATIONAL BASEBALL  
1 Unit; 0.67 hours lecture;  
1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Recreational baseball played in a competitive game format. Emphasizes rules, conditioning, offensive and defensive playing skills and teamwork.  
NR

KNES 83  
FAST PITCH SOFTBALL  
2 Units; 1 hour lecture; 3 hours lab  
Transfers: CSU, UC  
Advanced fast-pitch softball played in a competitive game format. Emphasis on rules, conditioning, offensive and defensive playing skills and teamwork.  
NR

KNES 84  
BEGINNING KARATE  
1 Unit; 0.67 hours lecture;  
1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Recommended Preparation: KNES 76

KNES 85  
ADVANCED KARATE  
1 Unit; 0.67 hours lecture;  
1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Designed to teach the basic art of Karate. Emphasizes mental and physical conditioning to develop coordination, balance, strength, speed, and power. Instruction in the history, philosophy, and psychology of Karate and the martial arts.  
NR

KNES 86  
ADVANCED AIKIDO  
1 Unit; 0.67 hours lecture;  
1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Aikido is a relatively modern Japanese martial art based upon nonresistance rather than strength. It is a nonaggressive, noncompetitive art based upon a philosophy that stresses harmony with nature and control of body and mind. In Aikido, an attack is never stopped; it is guided in a way that causes the attacker to be thrown by the momentum of his own attack. Aikido develops the individual mentally as well as physically. Physically it produces good posture, physical skill, and quickness of body reflexes. Mentally it develops determination, and responsibility.  
NR

KNES 90  
BEGINNING SELF-DEFENSE  
1 Unit; 0.67 hours lecture;  
1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Recommended Preparation: KNES 84

KNES 91  
MENTAL SKILLS FOR SPORTS PERFORMANCE  
3 Units; 3 hours lecture  
Transfers: CSU  
Focuses on psychological and physical aspects of competition and ways to enhance performance: stress management techniques, visualization, imagery, and goal setting. Explores training methods for the body and mind. Designed for both the weekend athlete and the serious intercollegiate competitor.  
NR

KNES 93  
BEGINNING KARATE  
1 Unit; 0.67 hours lecture;  
1.33 hours lab  
1.5 Units; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Recommended Preparation: KNES 85

KNES 95  
SURVEY AND ASSESSMENT OF FITNESS  
1 Unit; 1 hour lecture  
Transfers: CSU  
An assessment of the physical condition of the student which includes testing and evaluation of muscular strength and endurance, flexibility, body composition, cardiovascular endurance, skill-related fitness, and aquatic ability. Personality factors will be studied to learn more about stress reduction and lifestyle changes. Information regarding nutrition, weight management, and personal program for lifetime fitness will be presented. Different testing and assessment techniques will be used in this course.  
NR
KNES 110
CROSS TRAINING
1 Unit; 0.67 hours lecture;
1.33 hours lab
Transfers: CSU
Develops aerobic fitness by concurrently training in two or more dynamic endurance activities such as (walking, jogging, hiking, stationary biking or stepping) combined with anaerobic exercise (strength training and short exertion, high intensity movement). Multi-use aerobic activities plus anaerobic exercises to produce a cross training effect. NR

KNES 137
INTERMEDIATE TAI CHI CH’UAN
1 Unit; 0.67 hours lecture;
1.33 hours lab
Recommended Preparation: KNES 29
Progressive course from the fundamental movements of the ancient Taoist art of Tai Chi. Intermediate forms, techniques, and principles to increase strength and balance through slow, fluid movements. NR

KNES 138
INTERMEDIATE MAT PILATES
1 Unit; 0.67 hours lecture;
1.33 hours lab
Transfers: CSU
Recommended Preparation: KNES 65/DANC 65
Intermediate progression of mat exercises emphasizing the principles of Joseph Pilates. Improvement of back strength, flexibility, and postural alignment by integration of physical and mental aspects of movement. Proper breathing techniques are emphasized. Also listed as DANC 138. Credit given in either area, not both. NR

KNES 139
INTERMEDIATE YOGA
1 Unit; 0.67 hours lecture;
1.33 hours lab
Transfers: CSU
Recommended Preparation: KNES 28
Intermediate level course exploring and integrating the principles and practice of yoga. Emphasis is on postural work and vinyasa (flow) for improved body alignment, flexibility, balance, physical endurance, and muscle tone. Breathing techniques are integrated to enhance the mind-body connection, increase oxygen intake, and reduce stress. NR

KNES 158
PEP SQUAD II
2.5 Units; 5 hours lab
Transfers: CSU
Recommended Preparation: KNES 57
Advanced instruction, practice, and performing at college athletic events. Song and cheer technique development for routines in camp competition and at games. Choreography and formation development. Includes performing at special events. NR

KNES 159
PRACTICUM IN ATHLETIC TRAINING — SPRING SPORTS
2 Units; 1 hour lecture; 2 hours lab
Transfers: CSU
Recommended Preparation: KNES 56
Exposure to sports injuries unique to Spring intercollegiate athletics. Emphasis on recognition, rehabilitation, and taping techniques to enable athletes to return to competition. Students will receive hands-on experience and be able to apply various techniques in the care and prevention of athletic injuries. NR

KNES 184
INTERMEDIATE BEACH VOLLEYBALL
1 Unit; 0.67 hours lecture;
1.33 hours lab
Transfers: CSU
Recommended Preparation: KNES 81
Intermediate level course with progressive skill development in beach volleyball. Competitive games played using offensive and defensive strategies, tactics, and techniques. NR

KNES 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

KNES 191
INTERMEDIATE SELF DEFENSE
1 Unit; 0.67 hours lecture;
1.33 hours lab
Transfers: CSU
Recommended Preparation: KNES 90
Provides intermediate instruction on how to effectively protect oneself by applying various self-defense principles while emphasizing physical conditioning and personal confidence. NR

KNES 195
INTERMEDIATE AIKIDO
1 Unit; 0.67 hours lecture;
1.33 hours lab
Transfers: CSU
Recommended Preparation: KNES 94
Intermediate skills for an individual to avoid and protect oneself from physical attack. Techniques from Aikido involve combative skills and martial arts emphasis. Philosophical, psychological, and physical study and practice of Aikido. NR

KNES 197
INTERMEDIATE KARATE
1 Unit; 0.67 hours lecture;
1.33 hours lab
Transfers: CSU
Recommended Preparation: KNES 93
Provides intermediate instruction in traditional Karate, including second-level form, technique, and philosophy. NR

KOR 1
ELEMENTARY KOREAN
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: KOR 1 or two years of high school Korean
Corequisite: KOR 901
Designed to develop the fundamentals of communicative competence in daily spoken Korean. Emphasis is on reading and writing skills, as well as fundamental aspects of culture. Equivalent to two years high school Korean. NR

KOR 2
ELEMENTARY KOREAN
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: KOR 1 or three years of high school Korean
Corequisite: KOR 902
Designed to further the fundamentals of communicative competence in daily spoken Korean. Although the focus remains on listening comprehension and speaking, reading and writing skills will be expanded. This course continues the familiarization with customs and cultural achievements begun in the previous semester. NR

KOR 3
INTERMEDIATE KOREAN
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: KOR 2 or three years of high school Korean
Corequisite: KOR 903
Intermediate level course focuses on fluency in reading, writing, speaking, and listening. Continues the study of Korean cultures. NR

KOR 4
INTERMEDIATE KOREAN
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: KOR 3 or four years of high school Korean
Corequisite: KOR 904
Emphasizes fluency in speaking, reading, writing, and comprehension of Korean. Includes selected readings and discussions from the basic four genres in Korean and Korean-American literature, culture, and customs. NR

KOR 21
INTRODUCTION TO KOREAN CULTURE
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: College-level reading ability
Designed to provide a brief overview in English of the Korean culture. Areas of study include geography, history, literature, philosophy, religion, and customs of the Korean people. No prior study of the Korean language or culture is required. NR
KOR 250
PRACTICAL KOREAN
1 Unit; 3 hours lecture
Emphasizes conversational skills in Korean as applied to everyday situations including business, travel, and related topics. Consideration also given to cultural topics. Assumes no prior knowledge of the language. NR

KOR 901
KOREAN LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: KOR 1
Requires concurrent enrollment in Korean 1. Enhances and provides practice in skills learned in Korean 1 course. NR

KOR 902
KOREAN LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: KOR 2
Requires concurrent enrollment in Korean 2. Enhances and provides practice in skills learned in Korean 2 course. NR

KOR 903
KOREAN LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: KOR 3
Requires concurrent enrollment in Korean 3. Enhances and provides practice in skills learned in Korean 3 language course. NR

KOR 904
KOREAN LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: KOR 4
Requires concurrent enrollment in Korean 4. Enhances and provides practice in skills learned in Korean 4 language course. NR

LIB 100
BASIC INFORMATION COMPETENCY SKILLS:
LIBRARY RESEARCH
1 Unit; 1 hour lecture; 1 hour lab
Transfers: CSU
Designed to provide the student with an understanding of print and electronic reference sources available in an academic library, as well as research skills that can be used to find information for papers, presentations, and other class assignments. NR

LIB 101
INTERMEDIATE INFORMATION COMPETENCY SKILLS: SEARCH
STRATEGIES
1 Unit; 1 hour lecture
Transfers: CSU
Designed to develop effective search strategies, to locate and critically evaluate information; and to recognize the ethical, legal, and socio-political implications of information. NR

LIB 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

Manufacturing Technology

MFG 200
ADVANCED CAD MODEL MAKING AND TOOLING
2 Units; 1 hour lecture; 3 hours lab
Prerequisite: MFG 200
Recommended Preparation: ARCH/DR 50 and 51
A comprehensive study of rapid prototyping (RP), additive manufacturing tooling, and secondary processes. Includes stereo lithography (SLA), fused deposition modeling (FDM), three dimensional printing (3DP), and multi-jet modeling (MJM) machine operations. Students apply advanced materials secondary processes and finishing for RP models, resin casting, vacuum forming, silicone mold making and composites. Activities include finishing on several rapid prototyping machines and secondary processing equipment. Magics RP will be used for tool creation and repair of STL files. NR

MFG 202
INDUSTRIAL MATERIALS
2 Units; 2 hours lecture
Study of metals and non-metals common to industry, mining, physical and chemical properties and uses lattice structure, alloy systems, mechanical tests and characteristics of strength, ductility, malleability, heat treatment and surface coatings. NR

MFG 203
INTRODUCTION TO MANUFACTURING PROCESSES
2 Units; 1 hour lecture; 3 hours lab
Study of modern manufacturing techniques. The use of machine tools, testing devices, and inspection methods and the relation of design to production and assembly. NR

MFG 204
3D COMPUTER AIDED DESIGN — SOLIDWORKS
3 Units; 2 hours lecture; 4 hours lab
Recommended Preparation: DRI/ARCH 50 and 51
Operation and application of modern computer-aided design using Solidworks. Includes development of 3D computer models from concept to rapid prototyping, component parts, drawings, and assemblies. NR

MFG 205
SILICONE AND URETHANE MOLD MAKING
3 Units; 2 hours lecture; 3 hours lab
A comprehensive study of silicones and urethanes, their similarities and differences and how they are applied during the mold-making process. Topics will include types of silicones, types of urethanes and common molding practices. This hands-on class will require students to create silicone and urethane molds of various types. Includes vents, sprue, parting lines, and keys. Students will create several types of silicone and urethane molds including open face, two-piece, glove, shell, and reinforced mother molds. Industries that use this type of technology include theater, art, rapid manufacturing, jewelry making, part design, and engineering. NR
MFG 206  
RESIN AND FOAM CASTING  
3 Units; 2 hours lecture; 3 hours lab  
Prerequisite: MFG 205

A comprehensive study of resins and foams commonly used in the casting industry, their applications, similarities and differences. Students will learn how to assess the mechanical properties of the casting resins to achieve the best possible casting for a specific project. Students will cast a variety of objects utilizing different materials. Students will use the molds created in the silicone and urethane mold-making class. NR

MFG 289  
SPECIAL TOPICS  
Units and Hours Vary

The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

Marine Science

MS 4  
SOUTHERN CALIFORNIA COASTAL ECOLOGY  
4 Units; 3 hours lecture; 3 hours lab  
Transfers: CSU, UC

Emphasizes subtidal, tidal, coastal and estuarine environments and man's impact on the ecosystem. Field trips may be required to fulfill the objectives of this course. NR

MS 20  
INTRODUCTION TO OCEANOGRAPHY  
4 Units; 3 hours lecture; 3 hours lab  
Transfers: CSU, UC

Study of the physical and chemical properties of oceans, with a brief study of the geological and biological operations of the oceanographer. The current thinking of the oceans as economic and natural resources will be stressed including the current techniques for measurement of the physical and chemical properties of the salt-water environment. The laboratory will focus on the basic instrumentation of the oceanographer, beginning with the simplest form. NR

MS 189  
SPECIAL TOPICS  
Units and Hours Vary  
Transfers: CSU

The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

MS 205  
MSFS: ANCIENT MARINE WONDERS OF ANZA-BORREGO STATE PARK  
1 Unit; 0.5 hours lecture; 1.5 hours lab

Explore the ancient marine geological wonders of Anza-Borrego Desert State Park. Learn about the natural history of this area. Thematic emphasis may vary. Students enrolled in marine science and geology are encouraged to attend. NR

MS 206  
MSFS: CALIFORNIA COAST FROM MALIBU TO SANTA BARBARA  
1 Unit; 0.5 hours lecture; 1.5 hours lab

Explore the natural history of the California coastline from Malibu to Santa Barbara. Study the marine life, beach processes, and coastal mountains that shape this beautiful area. Thematic emphasis may vary. Students in marine science and geology are encouraged to enroll. NR

MS 289  
SPECIAL TOPICS  
Units and Hours Vary

The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

Marine Science Technology

MST 189  
SPECIAL TOPICS  
Units and Hours Vary

The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

MST 201  
MARLINSPIKE SEAMANSHIP  
2 Units; 1 hour lecture; 2 hours lab

Develop self-reliance and seamanship by studying the fundamentals of knotting, splicing, sail repair, deck seamanship, emergency repair, rigging, and decorative knots. Traditional and modern knotting and splicing are included. NR

MST 202  
MARINE WEATHER  
3 Units; 3 hours lecture

Basic principles of meteorology and certain related aspects of oceanography are presented. Intended for individuals in boating and marine related fields where knowledge of weather and sea conditions is essential for safe operation of all sizes of ocean-going craft. NR

MST 210  
COASTAL NAVIGATION  
3 Units; 2 hours lecture; 2 hours lab

In-depth study of chart use, navigation aids, plotting, dead-reckoning, piloting, and electronic navigation. Includes analysis of currents and tides, and position finding using visual and electronic means. NR

MST 211  
CELESTIAL NAVIGATION  
3 Units; 2 hours lecture; 2 hours lab

Comprehensive coverage of celestial navigation principles intended to develop practical transoceanic navigational skills. Included will be great circle sailing concepts, sight reduction tables, modern line-of-position techniques, the sextant and chronometer, and at sea navigational cruises. NR

MST 212  
SAILING, SEAMANSHIP, AND BOATING SAFETY  
3 Units; 2 hours lecture; 2 hours lab

Techniques of small-boat handling, rules of the road, coastal piloting, safety at sea, and small-craft maintenance. Emphasis is placed on practical experience gained during at-sea laboratory sessions aboard the college fleet of Capri 14’s. NR

MST 214A  
INTERMEDIATE OCEAN SAILING  
3 Units; 2 hours lecture; 2 hours lab  
Recommended Preparation: MST 212 or basic sailing skills

Theory and practical seamanship aspects of maneuvering auxiliary sailboats under power and sail during weekly sailing labs and lectures. Includes theory and practice of efficient sailing, anchoring, meeting emergency situations under sail and planned response to local weather conditions. Also introduces maneuvers under power, rules-of-the-road, aids to navigation and other piloting skills. Information and experience gained will qualify student as boat owner or crew member for knowledgeable sailing in local coastal waters. NR

MST 214B  
ADVANCED CRUISING UNDER SAIL  
3 Units; 2 hours lecture; 2 hours lab  
Recommended Preparation: MST 214A and basic sailing skills

Practical advanced seamanship aspects of cruising auxiliary sailboats to the offshore islands during 2 three-day cruising labs and biweekly lectures. Includes theory and practice of provisioning and preparing the vessel, watch-standing, night sailing, and response to emergency situations and weather conditions. Also covers advanced sailing techniques, reviews docking and mooring, safe over-night anchoring, rules of the road, aids to navigation, and piloting skills. Information and experience gained will qualify student as boat owner or crew member for knowledgeable sailing in offshore and Channel Island waters. NR
MST 215
VESSEL COMMAND AND ORGANIZATION
3 Units; 2 hours lecture; 2 hours lab
Recommended Preparation: MST 214B
Prepares advanced students for command and organization of crew, provisions, and equipment on board larger auxiliary sailing craft during coastal cruises and among the Channel Islands. Students will supervise preparations for and conduct of actual cruises. Includes supervisions of efficient sailing, safe anchoring, docking and mooring, emergency situations under sail, and planning response to local weather conditions. Also practical application of rules of the road, piloting, and navigational skills. NR

MST 216
USCG MASTER LICENSE AND EXAMINATION PREPARATION COURSE
3 Units; 2 hours lecture; 2 hours lab
Prepares students to pass a United States Coast Guard (USCG) examination to receive a USCG Master or Mate license with a scope of 25-100 gross tons. Students also learn to select the appropriate license grade and scope and how to document the sea time (experience) the USCG requires. NR

MST 218
ELECTRONIC AIDS TO NAVIGATION
3 Units; 2 hours lecture; 2 hours lab
Recommended Preparation: MST 210
A study of the operation and function of electronic navigational aids as they are used on board a vessel at sea. Includes GPS, autopilot, depth meter, chart plotter, and radar with hands on laboratory sessions practicing techniques for their operation. Students will be able to integrate the various instruments into a cohesive unit for safe navigation of a seagoing vessel. NR

MST 219
MARINE ECOLOGICAL SURVEY/GIS
3 Units; 1 hour lecture; 4 hours lab
Recommended Preparation: MS 20, GEOG 110
Integrates the collection of marine coastal and local inshore biological, physical, geological, and chemical data with GIS mapping using GPS navigational technology. Students will collect data, evaluate, and process data collected by others, and develop this data spatially into a format compatible with a GIS grid for manipulation, presentation, and reporting. Basic marine ecological concepts will be explored linking GPS navigational data with global information systems cartography. NR

MST 224
INTRODUCTION TO CRUISING THE CHANNEL ISLANDS
1.5 Units; 1 hour lecture; 1 hour lab
Through a combination of classroom lectures and a 3-day sailing voyage, students gain knowledge, skill, and experience in ocean cruising under sail. Provides a foundation of seamanship skills and experience navigating and handling a cruising sailboat. Prepares students for more advanced seamanship courses, and provides experience for personal growth. NR

MST 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR Please include Mathematics Course Sequence Diagram from p. 200 in the 2012-2013 Catalog [MATH 251A & 251B need to be removed from the diagram as these courses came through for deletion]
**Mathematics**

**Advisory on achieving mathematics competency**

Students seeking the Associate degree are required to achieve a minimum score on a standardized examination or complete a mathematics course other than MATH 251 and 351 with a grade of C or better. In order to achieve a grade of C or better without repeating a course for a substandard grade, the following strategies are recommended:

1. Students enrolling in mathematics courses are encouraged to plan enrollments in consecutive semesters, satisfying a prerequisite and enrolling in the next course the following term

2. Select five unit courses, which are scheduled to meet three times per week, or select three unit courses, which meet twice per week

3. Plan to spend a minimum of three hours per week in homework per unit of credit which includes completing all assigned homework. Focus on the steps needed to solve problems, not just selecting the right answer to a problem

4. Notify your instructor by email or telephone if you are having difficulties in the course; schedule office hour appointments with faculty regularly; take advantage of tutoring and other resources that your instructor recommends to you.

If you follow these recommendations, it is possible for you to complete the mathematics requirement without repeating a course. Contact the Division of Math, Science and Engineering if you have questions about specific sections of courses.

**MATH 2**

**PRE-CALCULUS MATHEMATICS**

5 Units; 5 hours lecture

Transfers: CSU, UC

Prerequisite: MATH 124

This is a pre-calculus course including the elements of college algebra. Topics covered include equations and inequalities, relations and functions, polynomials and rational functions, matrices and determinants, sequences and limits, trigonometric functions, the binomial expansion, curve sketching techniques, DeMoivre's Theorem and complex numbers. NR

**MATH 3A**

**ANALYTIC GEOMETRY AND CALCULUS**

5 Units; 5 hours lecture

Transfers: CSU, UC

Prerequisite: MATH 2

A first course in differential and integral calculus of a single variable: functions, limits and continuity, techniques and applications of differentiation and integration; Fundamental Theorem of Calculus. NR

**MATH 3B**

**ANALYTIC GEOMETRY AND CALCULUS**

5 Units; 5 hours lecture

Transfers: CSU, UC

Prerequisite: MATH 3A

A second course in differential and integral calculus of a single variable: integration; techniques of integration; infinite sequences and series; polar and parametric equations; applications of integration. NR
MATH 3C
ANALYTIC GEOMETRY AND CALCULUS
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: MATH 3B
Vector valued functions, calculus of functions of more than one variable, partial derivatives, multiple integration, Green’s Theorem, Stokes’ Theorem, divergence theorem. NR

MATH 7
COLLEGE ALGEBRA
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: MATH 253
This is a college algebra course designed for the general education student. Topics include: polynomial, exponential, and logarithmic functions, polynomial equations, matrices, determinants, and systems of linear equations, sequences, series, mathematical induction, permutations, combinations, the binomial theorem, and conic sections. NR

MATH 8
COLLEGE ALGEBRA FOR BRIEF CALCULUS
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: MATH 253

MATH 10
INTRODUCTION TO STATISTICS
3 Units; 3 hours lecture
Transfers: CSU, UC
Prerequisite: MATH 253
The use of probability techniques, hypothesis testing, and predictive techniques to facilitate decision-making. Topics include descriptive statistics; probability and sampling distributions; statistical inference; correlation and linear regression; analysis of variance, chi-square and t-tests; and application of technology for statistical analysis including the interpretation of the relevance of the statistical findings. NR

MATH 11
A BRIEF COURSE IN CALCULUS
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: MATH 8
A review of algebra topics. Matrix algebra, Gauss-Jordan elimination, inverse of square matrix, determinants, the calculus topics of limits, derivatives, integrals, including measures of central tendency, continuous and normal density functions, differential equations as applied to one or more variable functions will be studied. Applications of these topics to the fields of business, economics, social, and biological sciences will be stressed. NR

MATH 21
INTERMEDIATE ALGEBRA
3 Units; 3 hours lecture
Transfers: CSU, UC
Prerequisite: MATH 351
An introduction to the basic properties of real numbers, numbers and sets, operations with real numbers, solving linear and quadratic equations, and inequalities in one variable, systems of equations, operations with fractions, functions, relations and graphs, operations with polynomials, special products and factoring. NR

MATH 24
ELEMENTARY DIFFERENTIAL EQUATIONS
4 Units; 4 hours lecture
Transfers: CSU, UC
Prerequisite: MATH 3B
An introduction to ordinary differential equations including both quantitative and qualitative methods as well as applications from a variety of disciplines. Introduces the theoretical aspects of differential equations, including establishing when solution(s) exist, and techniques for obtaining solutions, including, series solutions, and singular points, Laplace transforms and linear systems. NR

MATH 26
INTRODUCTION TO LINEAR ALGEBRA
4 Units; 4 hours lecture
Transfers: CSU, UC
Prerequisite: MATH 3B
Develops the techniques and theory needed to solve and classify systems of linear equations. Solution techniques include row operations, Gaussian elimination, and matrix algebra. Investigates the properties of vectors in two and three dimensions, leading to the notion of an abstract vector space. Vector space and matrix theory are presented including topics such as inner products, norms, orthogonality, eigenvalues, eigenspaces, and linear transformations. Selected applications of linear algebra are included. NR

MATH 112
MATHEMATICS FOR ELEMENTARY SCHOOL TEACHERS
5 Units; 5 hours lecture
Transfers: CSU
Prerequisite: MATH 253
Designed for those needing a rapid review of algebra topics. Matrix algebra, Gauss-Jordan elimination, inverse of square matrix, determinants, the calculus topics of limits, derivatives, integrals, including measures of central tendency, continuous and normal density functions, differential equations as applied to one or more variable functions will be studied. Applications of these topics to the fields of business, economics, social, and biological sciences will be stressed. NR

MATH 118
PRE-ALGEBRA MATHEMATICS
3 Units; 3 hours lecture
Transfers: CSU, UC
Prerequisite: MATH 351
Develops the techniques and theory needed to solve and classify systems of linear equations. Solution techniques include row operations, Gaussian elimination, and matrix algebra. Investigates the properties of vectors in two and three dimensions, leading to the notion of an abstract vector space. Vector space and matrix theory are presented including topics such as inner products, norms, orthogonality, eigenvalues, eigenspaces, and linear transformations. Selected applications of linear algebra are included. NR

MATH 120
TRIGONOMETRY
3 Units; 3 hours lecture
Transfers: CSU
Prerequisite: MATH 253
An introduction to trigonometric functions with emphasis on both the unit circle and the right triangle methodologies. NR

MATH 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

MATH 205
MATH FOR THE ASSOCIATE DEGREE
3 Units; 3 hours lecture
Prerequisite: MATH 251
Learn problem solving skills and analytical thinking to investigate areas such as consumer concerns, probability, statistics, and mathematics in the work place. This course meets the minimum general education mathematics requirement and is not a prerequisite for higher level math courses. NR

MATH 251
BEGINNING ALGEBRA
5 Units; 5 hours lecture
Prerequisite: MATH 351
An introduction to the basic properties of real numbers, numbers and sets, operations with real numbers, solving linear and quadratic equations, and inequalities in one variable, systems of equations, operations with fractions, functions, relations and graphs, operations with polynomials, special products and factoring. NR

MATH 253
INTERMEDIATE ALGEBRA
5 Units; 5 hours lecture
Prerequisite: MATH 251
Further study of the real-number system, open sentences in one variable, polynomials and factoring, systems of linear equations, functions and sequences, rational numbers and functions, irrational and complex numbers, quadratic equations and functions, exponential and logarithmic functions, quadratic relations and systems. NR

MATH 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

MATH 351
PRE-ALGEBRA MATHEMATICS
3 Units; 3 hours lecture
Transfers: CSU, UC
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR
Medical Assisting
MA 206
INTRODUCTION TO HEALTHCARE SYSTEMS AND DELIVERY
3 Units; 3 hours lecture
Introduction to the health care delivery system. Issues discussed include the history of medicine, health care settings, types of insurance, managed care, the role of the health care professional and current trends affecting health care delivery in the medical setting. Letter grade only. NR

MA 211A
MEDICAL RECEPTION TECHNIQUES
2.5 Units; 2.5 hours lecture
Provides development of selected medical front-office skills. Includes the primary reception techniques of oral communication, telephone procedures and scheduling systems, including referral appointments. Letter grade only. NR

MA 211B
PHYSICAL — EXAMINATION PROCEDURES
3 Units; 2 hours lecture; 3 hours lab
Includes selected medical office clinical skills of physical measurements, recording medical histories and assisting with general physical and specialty examinations. An introduction to radiology and physical therapy is included to assist in patient scheduling and patient instruction. Letter grade only. NR

MA 212A
MEDICAL OFFICE FINANCIAL PROCEDURES
2.5 Units; 2.5 hours lecture
Develops selected medical front-office financial skills. Includes medical billing, credit arrangements, collections, bookkeeping, banking procedures, medical office equipment and facilities management. Letter grade only. NR

MA 212B
MEDICAL OFFICE LABORATORY PROCEDURES
3 Units; 2 hours lecture; 3 hours lab
Develops selected medical front-office laboratory skills. Includes techniques necessary to perform the procedures related to urine and blood testing, including venipuncture. Meets state requirement for medical assistant phlebotomy and skin puncture certificate. Letter grade only. NR

MA 213A
MEDICAL RECORDS MANAGEMENT
2.5 Units; 2.5 hours lecture
Develops selected medical front-office skills including medical forms, patient records, legal aspects of medical records, filing systems, filing procedures and written communication. Letter grade only. NR

MA 213B
MEDICAL ASEPSIS AND SURGICAL PROCEDURES
3 Units; 2 hours lecture; 3 hours lab
Develops selected medical-office clinical skills including medical and surgical asepsis, minor surgical techniques and medical office facilities and equipment management. Letter grade only. NR

MA 214B
MEDICATION ADMINISTRATION FOR MEDICAL ASSISTANTS
3 Units; 2 hours lecture; 3 hours lab
Develops techniques in medication administration. Includes instruction and laboratory practice in pharmacology, pharmacology mathematics, and the procedures involved in oral and injectable medication administration. Meets state requirement for medical assistant injections. Certificate awarded for intramuscular, subcutaneous, and intradermal injections. Letter grade only. NR

MA 217A
MEDICAL ASSISTING CLINICAL EXPERIENCE — ADMINISTRATIVE
3 Units; 9 hours lab
Prerequisite: Enrollment in Medical Assistant Program and completion of MA 206, 211A, 212A, 213A, 222, HSC 201, 222, and INSR 224A, 226A, 228A, 260
Limitation: (1) Must have current Basic Life Support CPR card for Healthcare Providers; (2) Must have professional liability insurance; (3) Physical examination and health clearance are required
Provides supervised directed practice in a physician’s office or medical clinic. This experience will emphasize development of medical front-office and clinical back-office skills with consideration for ethical and legal concepts. Scheduled class sessions will assist the student in dealing with problems encountered in the work-experience setting. Letter grade only. NR

MA 217B
MEDICAL ASSISTING CLINICAL EXPERIENCE CLINICAL
3 Units; 9 hours lab
Prerequisite: Enrollment in Medical-Assistant Program and completion of MA 206, 211B, 212B, 213B, 214B, 218B, 222, HSC 201, 222, and INSR 224A, 226A, 228A, 260
Limitation: (1) Must have current Basic Life Support CPR card for Healthcare Providers; (2) Must have professional liability insurance; (3) Physical examination and health clearance are required
Provides supervised directed practice in a physician’s office or medical clinic. This experience will emphasize development of clinical back-office skills with consideration for ethical and legal concepts. Assists students in dealing with problems encountered in the work site. Letter grade only. NR

MA 217C
MEDICAL-ASSISTING CLINICAL EXPERIENCE COMPREHENSIVE
3 Units; 9 hours lab
Prerequisite: Enrollment in Medical-Assistant Program and completion of HSC 201, 222, MA 206, 211A, 211B, 212A, 213A, 213B, 214B, 218B, 222, and INSR 224A, 226A, 228A, 260
Limitation: (1) Must have current Basic Life Support CPR card for Healthcare Providers; (2) Must have professional liability insurance; (3) Physical examination and health clearance are required
Provides supervised directed practice in a physician’s office or medical clinic. This experience will emphasize development of medical front-office and clinical back-office skills with consideration for ethical and legal concepts. Scheduled class sessions will assist the student in dealing with problems encountered in the work-experience setting. Letter grade only. NR

MA 218B
ELECTROCARDIOGRAPHY FOR THE MEDICAL ASSISTANT
2 Units; 1 hour lecture; 2 hours lab
Provides basic instruction in electrocardiography theory and technique for the clinical medical assistant or electrocardiographer. Includes a review of the structure and function of the heart, the electrocardiograph and its function, and the correct technique for performing an electrocardiogram with student “hands-on” involvement. Letter grade only. NR

MA 222
LEGAL AND ETHICAL ASPECTS OF HEALTH INFORMATION
3 Units; 3 hours lecture
Covers the legal and ethical issues pertaining to health care, health information, and the health record. Topics include: privacy, confidentiality, patient rights, security, release of information, informed consents, advance directives, compliance, fraud and abuse, tort law, medical malpractice, labor laws, HIPAA, ARRA, HITECH, and E-health. Letter grade only. NR

MA 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR
Medical Laboratory Technology

MLT 210
INTRODUCTION TO THE CLINICAL LABORATORY PROFESSION
1 Unit; 1 hour lecture
Introduces the student to the functions and duties of a Medical Laboratory Technician (MLT) and compares and contrasts these duties to the Clinical Laboratory Scientist (CLS). The student will be introduced to clinical laboratory safety issues, regulatory agencies, infection control policies, and professional responsibilities relevant to other departments of health care. The student will study medical terminology, patient's bill of rights, and the professional standards of the medical laboratory technician, proper phlebotomy technique, specimen processing, computer skills and data management systems within the clinical laboratory. NR

MLT 211
BASIC LABORATORY PROCEDURES
1 Unit; 1 hour lecture
Recommended Preparation: MATH 205 or 253
Designed to introduce the student to basic clinical laboratory procedures commonly to all diagnostic-related tasks. Emphasis will be placed on proper use of manual pipettes and semi-automated micropipettors, preparation of serial dilutions, making buffers and reagents from stock solutions, calibration and use of balances, sterile techniques, centrifuges and spectrophotometers. Introduction to basic laboratory math and statistics. NR

MLT 230
CLINICAL CHEMISTRY
5 Units; 5 hours lecture; 1 hour lab
Prerequisite: MLT 210 and official admission to the MLT program
Recommended Preparation: MLT 211
Includes general laboratory principles and specific basic instrumentation methodologies used in the clinical lab. Introduces pre-analytical variables, electrolytes and trace elements and their relationship to acid base balance, and enzyme kinetics. Studies relationships between the endocrine system analytes, including tumor markers, therapeutic drugs, and toxicology. Studies the clinical relevance of vitamin assays. Examines the correlation between test results and disease states for liver, kidney, and pancreatic functions assays. Introduces students to body fluid assays and correlation with disease states. Includes review of QA and QC. NR

MLT 232
CLINICAL MICROBIOLOGY
3 Units; 3 hours lecture
Prerequisite: MLT 210 and BIO 15 and official admission to the Medical Laboratory Technician program
Recommended Preparation: MLT 211
Students learn how to identify microorganisms of medical microbiology with emphasis on the characteristics of clinically significant microorganisms and their biochemical profile, media for isolation, and identification methods for selected pathogens. Introduces identification methods, theories, and techniques used in basic bacteriology parasitology, and mycology. Emphasizes routine identification. NR

MLT 235
CLINICAL URINALYSIS
1 Unit; 1 hour lecture
Prerequisite: MLT 210 and official admission to the Medical Laboratory Technician (MLT) program
Recommended Preparation: MLT 211
Includes various properties and constituents of urine. Emphasis is placed on interpretation of theory and methodology of qualitative and quantitative clinical analysis of urine. The student will be able to accurately compare and contrast the methods of analysis to normal function of the kidney, and examine urine physically, chemically, and microscopically. Requires comparison of clinical values as related to the physiology of the urinary system in health and disease. NR

MLT 236
CLINICAL HEMATOLOGY AND COAGULATION
3 Units; 3 hours lecture; 1 hour lab
Prerequisite: MLT 210 and official admission to the MLT program
Recommended Preparation: MLT 211
The study of hemostatic disorders, normal and abnormal cell development, morphology, symptoms of hemostatic disease and related testing. Presents an overview of the hemostatic process, diseases, and laboratory evaluations. Includes normal values and abnormal results, specimen processing and quality control. NR

MLT 242
CLINICAL CHEMISTRY PRACTICUM
4 Units; 12.5 hours lab
Prerequisite: MLT 230
Provides entry-level clinical laboratory practice and experience in the department of general and special chemistry. Emphasis is placed on technique, accuracy, and precision. Different instrumentation will be introduced as well as bench/manual methods. Competence will be evaluated based on final clinical evaluations. NR

MLT 243
CLINICAL IMMUNOLOGY/IMMUNOHEMATOLOGY
3 Units; 3 hours lecture
Prerequisite: MLT 233
Introduces the basic principles of antigen and antibody reactions and serological procedures. Includes accurate measurement strategies. NR

MLT 244
CLINICAL HEMATOLOGY, COAGULATION, AND URINALYSIS PRACTICUM
4 Units; 12.5 hours lab
Prerequisite: MLT 235 and 236
Provides entry-level clinical laboratory practice/experience in the department of hematology, coagulation, and urinalysis. Emphasis is placed on technique, accuracy, and precision. Different instrumentation will be introduced as well as tech/manual methods. Competence will be evaluated based on final clinical evaluations. NR

MLT 252
CLINICAL MICROBIOLOGY PRACTICUM
4 Units; 12.5 hours lab
Prerequisite: MLT 232
Provides entry-level clinical laboratory practice and experience in the department of microbiology. Emphasis is placed on technique, accuracy, and precision. Different instrumentation will be introduced as well as numerous bench/manual techniques. Competence will be evaluated based on final clinical evaluations. NR

MLT 253
CLINICAL IMMUNOLOGY/IMMUNOHEMATOLOGY PRACTICUM
3 Units; 10 hours lab
Prerequisite: MLT 243
Provides entry-level clinical laboratory practice and experience in the department of immunology/serology, and immunohematology. Emphasis is placed on technique, accuracy, and precision. Different instrumentation will be introduced as well as bench/manual methods. Competence will be evaluated based on final clinical evaluations. NR

MLT 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR
Music

MUS 1
THE BASICS OF MUSIC
3 Units; 3 hours lecture
Transfers: CSU, UC

Emphasizing the principles and procedures of music: rhythm and pitch notation, scales (major, minor, modal), key signatures, intervals, chord structures, sight-singing, dictation, and keyboard. NR

MUS 10
HARMONY I
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: MUS 1 or proficiency exam

An intensive study of diatonic harmony in major and minor modes; roman numeral analysis; part-writing using root position triads; harmonization of a given melody; non-harmonic tones; strophic, binary, and ternary forms. NR

MUS 11
HARMONY II
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: MUS 10

An intensive study of advanced diatonic and chromatic harmony in major and minor modes; secondary chords; modulation; part-writing using triads and 7th chords; variation, rondo, and sonata forms. NR

MUS 12
HARMONY III
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: MUS 11

A study of chromatic harmony as practiced in the 19th century. Includes 9th, 11th and 13th chords, altered chords, mode mixture, and augmented 6th and Neapolitan chords as well as 19th century formal models. NR

MUS 14
JAZZ COMPOSITION AND ARRANGING
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: MUS 11

A study of the traditional and popular use of intervals, modes, rhythms, meters, notation of scales, structure notation, and use of traditional and popular chords and progressions. Emphasis will be placed on the traditional and popular concepts of melodic writing for popular and jazz music. NR

MUS 15
MUSIC COMPOSITION
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: MUS 1

The emphasis in this course is on original composition. Study of instrumentation and orchestration will also be included, as will analysis of applicable literature. NR

MUS 20
MUSIC APPRECIATION
3 Units; 3 hours lecture
Transfers: CSU, UC

A survey of musical forms and important composers and their works from the Middle Ages through the 20th century. Stylistic concepts for each period will be studied and demonstrated. NR

MUS 23
INTRODUCTION TO WORLD MUSIC
3 Units; 3 hours lecture
Transfers: CSU, UC

A survey of the music of the world’s peoples, including North, Central, and South American, African, European, Indonesian, and Asian musics and their influence on music of the United States. This course will also cover basic ethnomusicological skills. NR

MUS 24
MUSIC OF THE 20TH CENTURY
3 Units; 3 hours lecture
Transfers: CSU, UC

A study of a cross-section of 20th century music with a special emphasis on American composers. A study of the music, musical styles, and major composers of classic folk, pop, protest, rock, jazz, and film music. The stylistic concepts used by such composers as Stravinsky, Copland, Gershwin, and Bernstein will be examined and demonstrated. The musical life and contributions of each composer will be studied. NR

MUS 25
MUSIC HISTORY: TO MOZART
3 Units; 3 hours lecture
Transfers: CSU, UC

A study of musical styles and forms found in Western music from the beginning of the Christian era to the time of Mozart (c. 1750). Emphasis will be on the composers, styles, and forms of Medieval, Renaissance, and Baroque music with supplementary historical and biographical details pertinent to placing the music into the flow of Western culture. NR

MUS 26
MUSIC HISTORY: SINCE MOZART
3 Units; 3 hours lecture
Transfers: CSU, UC

A study of musical styles and forms found in Western music from the time of Mozart (c. 1750) to the present. Emphasis will be on the composers, styles and forms of Classic, Romantic, and Contemporary music. NR

MUS 27
HISTORY OF JAZZ
3 Units; 3 hours lecture
Transfers: CSU, UC

Explore America’s only indigenous art form from Blues to New Age. A study of the elements of jazz tracing the development and evolution of the styles and structures of jazz from its beginning to the present time. NR

MUS 28
HISTORY OF ROCK
3 Units; 3 hours lecture
Transfers: CSU, UC

A study of the elements of rock music tracing the development and evolution of its styles and structures, including sociological and political aspects, from rock’s beginning to the present time. NR

MUS 31
BAROQUE SOCIETY
2 Units; 1 hour lecture; 3 hours lab
Transfers: CSU, UC
Limitation: Audition with college staff

This ensemble will perform major works for chorus and orchestra from the 17th and early 18th centuries, primarily the mass and cantata repertoire of Western Europe. Emphasis is placed on recent research in authentic performance practices and use of early instruments when available. Study of the historical perspective of the role of the Reformation and the rise of the middle class in Europe in the development of these genres is included. Different literature will be performed each semester. NR

MUS 32
ORATORIO SOCIETY
2 Units; 1 hour lecture; 3 hours lab
Transfers: CSU, UC
Limitation: Audition with college staff

Choral/orchestral performance of the oratorio repertoire of the late 18th and 19th centuries is offered. The repertoire includes oratorios of Handel, Haydn, Mendelssohn and other composers of the period. Rehearsals include study of historical perspective of the oratorio society as a social phenomenon of the Industrial Revolution, and the changing role of the composer, conductor and music critic in the 19th century society. NR

MUS 33
MODERN MASTERWORKS: CHORALETTE
2 Units; 1 hour lecture; 3 hours lab
Transfers: CSU, UC
Limitation: Audition with college staff

Students will perform choral repertoire of the 20th century, with special emphasis on larger choral/orchestral works by English and American composers in contemporary society, commissioning and performance of new works, and study of the 20th century harmonic and textural vocabulary as seen in this repertoire. NR
MUS 34  
EARLY MUSIC ENSEMBLE  
2 Units; 1 hour lecture; 3 hours lab  
Transfers: CSU, UC  
Limitation: Audition with college staff  
Students will perform sacred and secular repertoire suitable for ensemble from the 15th to 17th centuries. Unaccompanied works and music with instrumental accompaniment are included. Emphasizes a cultivation of skills needed to sing music from a variety of styles within the Early, Renaissance, and through the pre-Baroque era. NR

MUS 35  
CONTEMPORARY CHOIR  
2 Units; 1 hour lecture; 3 hours lab  
Transfers: CSU, UC  
Limitation: Audition with college staff  
Study and performance of sacred and secular repertoire suitable for vocal chamber ensemble of 20th and 21st century composers. Unaccompanied works and music with instruments or keyboard accompaniment are included. Singers will develop skills required for performance of both traditional and avant-garde choral composition. R-E-3

MUS 40  
WIND ENSEMBLE  
2 Units; 1 hour lecture; 3 hours lab  
Transfers: CSU, UC  
Recommended Preparation: Previous experience in an instrumental group  
Emphasizes rehearsal and performance of standard band literature. Public performances are required for course credit. Performances include athletic games, assemblies, and concerts. This course is offered as open-entry/open-exit. R-E-3

MUS 41  
SYMPHONIC WIND ENSEMBLE  
2 Units; 1 hour lecture; 3 hours lab  
Transfers: CSU, UC  
Recommended Preparation: Previous instrumental training and demonstrated proficiency  
An elite concert band, playing the finest traditional and contemporary band literature available. Emphasis is on a high degree of individual musicianship and fine ensemble playing. Formal concert to be given with outstanding guest soloist and/or conductors. This course is offered as open-entry/open-exit. NR

MUS 42  
SYMPHONIC ORCHESTRA  
2 Units; 1 hour lecture; 3 hours lab  
Transfers: CSU, UC  
Recommended Preparation: Previous experience in an instrumental group  
Studies and performance of standard orchestral literature. Public performance required for credit. This course is offered as open-entry/open-exit. R-E-3

MUS 43  
STRING ORCHESTRA  
2 Units; 1 hour lecture; 3 hours lab  
Transfers: CSU, UC  
Recommended Preparation: Previous experience in performing groups  
Study of string literature from baroque, classical, romantic, and 20th and 21st century eras of music. Designed to read, study, and perform orchestral literature written especially for strings. Offered as open-entry/open-exit. NR

MUS 44  
COMMUNITY BAND  
2 Units; 1 hour lecture; 3 hours lab  
Transfers: CSU, UC  
Recommended Preparation: Previous experience in performing groups  
Emphasizes rehearsal and performance of standard band literature. Public performances are required for course credit. Performances include those both on and off campus. Offered as open-entry/open-exit. NR

MUS 46  
JAZZ IMPROVISATION  
1 Unit; 1 hour lecture; 2 hours lab  
Transfers: CSU, UC  
Recommended Preparation: MUS 10 or placement audition  
Study of jazz theory, transcription, awareness of historically important jazz improvisers, and internationalization of jazz rhythm. Develop technical command of instrument. Foster the ability to create. NR

MUS 47  
SADDLEBACK COLLEGE BIG BAND  
2 Units; 1 hour lecture; 3 hours lab  
Transfers: CSU, UC  
Limitation: Enrollment by audition only  
Performance of big band music by members of the community above high-school sophomore level. Very high standards of individual and ensemble performance are expected. The student can expect to be exposed to the very best and most demanding of the literature available in the jazz idiom. Members of this band will perform several times during the term at events both on and off campus. Offered as open-entry/open-exit. R-E-3

MUS 50  
APPLIED MUSIC: INSTRUMENTAL  
2.5 Units; 2 hours lecture; 5 hours lab  
Transfers: CSU, UC  
Limitation: College audition and concurrent enrollment in ensemble music course: MUS 40, 41, 42, 43, 47, 62, 148, 297  
Individual instruction in an instrument other than piano. Designed to develop technical competence, stylistic interpretation, and performance practice. R-E-3

MUS 51  
APPLIED MUSIC: KEYBOARD  
2.5 Units; 2 hours lecture; 5 hours lab  
Transfers: CSU, UC  
Limitation: College audition and concurrent enrollment in ensemble music course: MUS 48, 63, 64, 65, 66, 148, 297  
Individual instruction in piano. Designed to develop technical competence, stylistic interpretation, and performance practice. R-E-3

MUS 52  
APPLIED MUSIC: VOICE  
2.5 Units; 2 hours lecture; 5 hours lab  
Transfers: CSU, UC  
Limitation: College audition and concurrent enrollment in ensemble music course: MUS 31, 32, 33, 34, 35  
Individual instruction in voice. Designed to develop technical competence, stylistic interpretation, and performance practice. R-E-3

MUS 54A  
BEGINNING PIANO I  
2 Units; 2 hours lecture; 1 hour lab  
Transfers: CSU, UC  
A first level introductory course in piano, with instruction in elementary music-reading, repertoire, piano technique, tone production, sight-reading, keyboard harmony, and performance styles for music and non-music majors at a first-year level (formerly MUS 54). NR

MUS 54B  
BEGINNING PIANO II  
2 Units; 2 hours lecture; 1 hour lab  
Transfers: CSU, UC  
Prerequisite: MUS 54A or demonstrated proficiency  
A second level introductory course in piano, with instruction in music reading, repertoire, piano technique, tone production, sight-reading, keyboard harmony, and performance styles for music and non-music majors at a first-year level. NR

MUS 55A  
INTERMEDIATE PIANO I  
2 Units; 2 hours lecture; 1 hour lab  
Transfers: CSU, UC  
Prerequisite: MUS 54B  
Secondary Level Piano Course with instruction in selected major and minor scales, piano technique, tone production, sight-reading, building of repertoire and performance styles. Includes technical and interpretive development of piano performance ability at a third semester level. Keyboard harmony will be emphasized (formerly MUS 55). NR
MUS 55B
INTERMEDIATE PIANO II
2 Units; 2 hours lecture; 1 hour lab
Transfers: CSU, UC
Prerequisite: MUS 55
Secondary Level Piano Course with continuing instruction on all major and minor scales, piano technique, first and second chord inversions, tone production, sight-reading, building of repertoire and performance styles, and heightened emphasis on ensemble performance. Includes technical and interpretive development of piano performance ability at a fourth semester level. Keyboard harmony will be emphasized. NR

MUS 56
ADVANCED PIANO
3 Units; 2 hours lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: MUS 55
This course is of a “Master Class” or a workshop character, and for the student interested in furthering his or her understanding of musical styles through careful study and performance of Baroque, Classic Romantic and Contemporary piano literature. Works and performance are thoroughly analyzed and discussed as to style, interpretation and technical problems. R-E-3

MUS 58
PIANO REPERTOIRE AND PERFORMANCE PROCEDURES
3 Units; 2 hours lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: MUS 55 or demonstrated proficiency
The study of important piano solo literature from Bach to contemporary with emphasis on technique and procedures in solo-performance preparation. NR

MUS 60
BEGINNING CLASSICAL GUITAR
1.5 Units; 1 hour lecture; 1 hour lab
Transfers: CSU, UC
Emphasizes solo finger-style guitar playing on acoustic nylon-string guitar. Beginning-level music reading. No previous experience necessary. NR

MUS 61
INTERMEDIATE CLASSICAL GUITAR
1.5 Units; 1 hour lecture; 1 hour lab
Transfers: CSU, UC
Recommended Preparation: MUS 60
Solo and ensemble fingerstyle playing on acoustic nylon-string guitar. Intermediate level music reading. Choral accompaniment. NR

MUS 62
ADVANCED CLASSICAL GUITAR
2 Units; 2 hours lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: MUS 61
Solo and ensemble fingerstyle playing on acoustic nylon-string guitar. Advanced-level music reading and techniques. Advanced accompaniment techniques. Building repertoire and performance skills. NR

MUS 63
ENSEMBLE TECHNIQUES FOR 21ST CENTURY
2 Units; 1 hour lecture; 3 hours lab
Transfers: CSU, UC
Recommended Preparation: MUS 55A
Designed to aid the individual in developing the ability to perform in small instrumental ensemble groups, studying the music of late 20th and early 21st centuries. Pianists, string, woodwind, and guitar players will study standard repertoire as well as newer compositions, including jazz. NR

MUS 64
PIANO ENSEMBLE
2 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: MUS 55A or demonstrated proficiency
The ensemble study of the literature of duo-piano including four and eight hands, both original and transcribed. Particular emphasis will be given to style, interpretation, techniques of ensemble playing and sight-reading. R-E-3

MUS 65
PIANO ACCOMPANYING
1 Unit; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: MUS 55A or demonstrated keyboard proficiency
Ensemble experience in the performance of duo-piano literature, four and eight hands, both original and transcribed. Particular emphasis will be given to style, interpretation and techniques of ensemble playing and sight-reading. R-E-3

MUS 66
CHAMBER MUSIC
1 Unit; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: Two years of instrumental training
Chamber music is designed for pianists, string, woodwind and brass players to study chamber-music works from the standard repertoire. Emphasis will be given to student performances in concerts and recitals. R-E-3

MUS 67
WOODWIND ENSEMBLE
2 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: MUS 61
Designed to aid the individual in developing the ability to perform in small instrumental ensemble groups. The type of material selected will be determined by the size and capabilities of the students enrolled. Ensembles of various sizes from duets to choirs will be studied and performed at clubs, recitals, schools, and churches. Open to woodwind instruments and advanced pianists. NR

MUS 75
STRING LITERATURE
2 Units; 1 hour lecture; 3 hours lab
Transfers: CSU, UC
Recommended Preparation: Two years of instrumental training
Designed to analyze and perform traditional and contemporary string literature from 18th century to present day. NR

MUS 80
BEGINNING VOICE
2 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: MUS 80
Techniques of singing without the aid of a microphone. Application of this study in vocalization and repertoire. NR

MUS 82
VOCAL REPERTOIRE AND PERFORMANCE PROCEDURES
2 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: MUS 80
A survey of concert literature available for various voice categories. Emphasis will be placed on the instruction and practice of presenting material from operas, concerts and musicals. NR

MUS 92
MUSICIANSHIP I
2 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: MUS 1
Sight-reading, ear training, and dictation of diatonic melodies and harmonies; rhythmic reading and dictation; keyboard harmony. NR

MUS 93
MUSICIANSHIP II
2 Units; 1 hour lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: MUS 92
Sight-reading, ear training, and dictation of advanced diatonic melodies and harmonies; rhythmic reading and dictation. Required of all music majors. NR
MUS 102
INTRODUCTION TO ORGAN TECHNIQUE AND LITERATURE CLASS
2 Units; 2 hours lecture; 1 hour lab
Transfers: CSU
Recommended Preparation: MUS 55A or demonstrated keyboard proficiency
Introduction to organ manual and pedal techniques, basic registration, hymn playing and organ literature. Performance of simple compositions, accompaniments and hymn tunes. Baroque organ style interpretation. NR

MUS 103
ORGAN TECHNIQUE AND LITERATURE CLASS LATE BEGINNING
2 Units; 2 hours lecture; 1 hour lab
Transfers: CSU
Recommended Preparation: MUS 102
Second semester instruction in keyboard and pedal techniques, registration, basic hymn playing and organ literature. Performance of compositions for manuals and pedals, accompaniments and hymns. Classical style performance practice and interpretation. NR

MUS 104
ORGAN TECHNIQUE AND LITERATURE CLASS INTERMEDIATE (A), EARLY
2 Units; 2 hours lecture; 1 hour lab
Transfers: CSU
Recommended Preparation: MUS 103 or demonstrated organ proficiency.

MUS 105
ORGAN TECHNIQUE AND LITERATURE CLASS INTERMEDIATE (B), LATE
2 Units; 2 hours lecture; 1 hour lab
Transfers: CSU
Recommended Preparation: MUS 104 or demonstrated organ proficiency.

MUS 106
INTRODUCTION TO HARPSCICHD LITERATURE AND TECHNIQUE
2 Units; 2 hours lecture; 1 hour lab
Transfers: CSU
Recommended Preparation: MUS 55A or demonstrated keyboard proficiency
Introductory Study of Harpsichord, its history, performance practices, technique and repertory. Masterclass format. Students will learn Renaissance and Early Baroque pieces written for harpsichord, as well as basic ornaments, dynamics and articulation on the instrument. Emphasis on short pieces from English Virginal and Italian Cembalo schools of the 17th century. NR

MUS 107
HARPSCICHD LITERATURE AND TECHNIQUE II — LATE BEGINNER
2 Units; 2 hours lecture; 1 hour lab
Transfers: CSU
Recommended Preparation: MUS 106 or demonstrated harpsichord proficiency
Second semester study of Harpsichord, its history, performance practices, technique and repertory. Masterclass format. Students will review Renaissance and early Baroque pieces written for harpsichord, and will study mid-Baroque (up to 1680s) pieces and their ornaments, fingering, dynamics tempi, varied repeats and articulation on the instrument. Emphasis on short pieces from German and French harpsichord schools of the mid-late 17th century. NR

MUS 108
HARPSCICHD LITERATURE AND TECHNIQUE III — EARLY INTERMEDIATE
2 Units; 2 hours lecture; 1 hour lab
Transfers: CSU
Recommended Preparation: MUS 107 or demonstrated harpsichord proficiency
Third semester study of Harpsichord, its history, performance practices, technique and repertory. Masterclass format. Students will learn high Baroque and Galant styles pieces written for harpsichord, as well as ornaments, fingering, dynamics and articulation on the instrument. Emphasis on pieces from Spanish, Italian and German harpsichord schools of the 18th century (High Baroque). NR

MUS 109
HARPSCICHD LITERATURE AND TECHNIQUE IV — LATE INTERMEDIATE
2 Units; 2 hours lecture; 1 hour lab
Transfers: CSU
Recommended Preparation: MUS 108 or demonstrated harpsichord proficiency
Fourth semester study of Harpsichord, its history, performance practices, technique and repertory. Masterclass format. Students will learn pieces from Renaissance, Baroque, Galant, Early Classical and Contemporary styles written for harpsichord, as well as ornaments, fingering, dynamics tempi, varied repeats and articulation on the instrument. Emphasis on pieces from French Clavecin school of the 18th century (High Baroque), early Classical/Galant and Contemporary styles. NR

MUS 117
POPULAR SONGWRITING
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: MUS 1
Explores the popular music songwriting process. Emphasis will be placed on the mechanics of music: rhythm, form, styles, melody and harmony. Students will also explore the relationship between lyrics and music. NR

MUS 118
DIGITAL MULTI-TRACK MUSIC RECORDING
4 Units; 3 hours lecture; 3 hours lab
Transfers: CSU
Initial exposure to sound-recording principles, techniques, and equipment. Emphasizes multi-track music recording process, basic tracks, overdubbing, and mixdown. Students will receive hands-on experience with professional 24 track digital recording equipment while the class participates in a variety of recording projects. Also listed as CTVR 118. Credit given in either area, not both. NR

MUS 120
INTRODUCTION TO THE MUSIC INDUSTRY
3 Units; 3 hours lecture
Transfers: CSU
A survey of the music industry with focus on skill, experience and education needed for careers within the industry. Other topics covered include music publishing, performing rights societies, music licensing, digital distribution, record companies and artist management. NR
MUS 179

INTERMEDIATE PIANO PEDAGOGY
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: Two years of previous piano study or MUS 178

Designed to study the art of piano teaching. Demonstrates the most effective teaching methods used today and emphasize the technical and interpretive styles of the four major music periods. Students will be given an opportunity to directly teach a third grade student with guidance from the instructor. This course is offered for music major students as well as community teachers who wish to improve and refine their teaching style. NR

MUS 180

KEYBOARD LITERATURE/INTERPRETATION — BAROQUE AND CLASSICAL
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: MUS 55A or demonstrated keyboard proficiency

Keyboard Literature of Baroque and Classical Periods, their performance traditions and interpretation. Expands knowledge of keyboard music history and performance. Great performers of the past and their legacy. NR

MUS 189

SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU

The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

MUS 232

CHORAL TECHNIQUES
2 Units; 1 hour lecture; 3 hours lab
Limitation: Audition with college staff

The study of choral techniques for the intermediate and advanced singer as applied to choral repertoire. Includes historical and social factors influencing ensemble singing, orchestral structure, vocal interpretation, phrasing, and specific vocal techniques used in choral performance. This course is offered as open-entry/open-exit. NR

MUS 233

CONTEMPORARY CHORAL MUSIC FOR TREBLE VOICES
2 Units; 1 hour lecture; 3 hours lab
Limitation: Audition with college staff

Recommended Preparation: Ability to sight read music

Choral repertoire and performance of 20th and 21st Century choral music specifically composed for treble choir (SSA and SSAA). The repertoire includes music of living composers such as Lauridsen, Whitacre, Berkey, and Larsen as well as composers who were prolific in the early 20th century such as Stravinsky, Elgar, and Poulenc. Rehearsals include the study of the role of treble choirs in the development of choral composition in the 20th and 21st century and the development of contemporary vocal techniques within the context of the treble chorus. Rehearsals will also include the study of choral blend for treble voices, appropriate diction for both traditional and non-traditional notation, as well as tuning for unique harmonic structures. NR

MUS 234

SATB VOICED COMMUNITY CHORALE
2 Units; 1 hour lecture; 3 hours lab
Limitation: Audition with college staff

Choral performance studies focusing on a broad range of choral music from multiple periods and styles of music. Included repertoire is smaller concert works suitable for chamber chorus, both a cappella and accompanied, as well as works with larger forces such as masses, requiems, staged works, and oratorio. Rehearsals include the study of a broad range of choral issues as the music relates to the specific period of composition, and the changing role of the chorus within the context of musical composition. NR

MUS 240

IMPROVED MUSIC IN A JAZZ COMBO
2 Units; 1 hour lecture; 3 hours lab
Recommended Preparation: Previous instrumental training and demonstrated proficiency

Technical, historical and cultural approaches to jazz improvisation. NR

MUS 241

MEDIUM SIZE MALLEABLE JAZZ ENSEMBLE
3 Units; 2 hours lecture; 2 hours lab
Recommended Preparation: MUS 27 and instrumental technical proficiency

Performance of American improvised music by medium sized ensemble in both a traditional and experimental scope. NR
MUS 242
MID-SIZE AFRICAN-AMERICAN BASED ENSEMBLE JAZZ
3 Units; 2 hours lecture; 2 hours lab
Recommended Preparation: MUS 27 and instrumental technical proficiency
Performance of music influenced by African-American improvised music in both a traditional and experimental scope. NR

MUS 246
CONTEMPORARY BIG BAND LITERATURE
2 Units; 1 hour lecture; 3 hours lab
Limitation: Audition with college staff
Recommended Preparation: Previous instrumental training and demonstrated proficiency
Performance of contemporary big band literature from the late 20th and early 21st centuries. Interpretation, phrasing, and cultural context of each piece will be addressed and performed. NR

MUS 247
MODERN BIG BAND CONCEPTS
2 Units; 1 hour lecture; 3 hours lab
Recommended Preparation: Previous instrumental training and demonstrated proficiency
Explores new music by young composers at the vanguard of large ensemble jazz. Interpretation of modern application of African-American and Western European compositional styles as combined in the 21st century. NR

MUS 252A
JAZZ PIANO I
2 Units; 1 hour lecture; 2 hours lab
Recommended Preparation: MUS 54A or demonstrated keyboard proficiency
Exploration and study of basic harmonies at the keyboard as applied to popular music and jazz. Study of improvisational techniques. Designed for intermediate and advanced piano students (formerly MUS 252). NR

MUS 252B
JAZZ PIANO II
2 Units; 1 hour lecture; 2 hours lab
Recommended Preparation: MUS 252A or demonstrated keyboard proficiency
Develop advanced harmonic and improvisational techniques and skills designed to enhance their performance of jazz piano. Study of harmonic progressions common to jazz will be included. Designed for intermediate to advanced piano students. NR

MUS 252C
JAZZ PIANO III
2 Units; 1 hour lecture; 2 hours lab
Recommended Preparation: MUS 252B or demonstrated keyboard proficiency
Study techniques for playing solo piano and in a jazz combo including chord voicings and accompaniments for different jazz styles. Includes the study of early to modern styles of jazz piano. Designed for intermediate and advanced piano students. NR

MUS 253
ADVANCED PIANO MUSIC OF HAYDN
2 Units; 1 hour lecture; 3 hours lab
Recommended Preparation: MUS 56 or two years of previous piano study
Dedicated solely to keyboard literature, students will study techniques for recognizing, analyzing, and performing the music of Franz Joseph Haydn at an advanced level. Special emphasis will be placed on touch, dynamics, articulation, tone quality, balance, phrasing, and ornamentation in Classical era pieces. NR

MUS 255
PIANO COMPOSERS OF TODAY
2 Units; 1 hour lecture; 2 hours lab
Recommended Preparation: MUS 55B
Dedicated solely to keyboard literature, this intermediate course explores music of the various composers that are presently writing solos and duets. Students will expand technique, scale patterns, chord progressions, music analysis proficiency, expressive interpretation, improvisational skills and listening appreciation using these contemporary piano pieces. NR

MUS 256
ADVANCED PIANO PEDAGOGY
3 Units; 3 hours lecture
Recommended Preparation: MUS 178 or two years of previous piano study
Designed to help the more experienced piano teachers refine their piano teaching techniques. Teachers will be expected to teach and perform music in the correct style. Teaching demonstrations with younger students will be required. Piano literature for the late-intermediate and early-advanced levels will be emphasized. NR

MUS 257
FAVORITE PIANO CLASSICS
2 Units; 2 hours lecture; 2 hours lab
Recommended Preparation: MUS 55B
Dedicated solely to keyboard literature, this intermediate course introduces the student to sight-reading, theory and analysis, technique and practice routines, coaching sessions, performing, and listening to enhance piano playing and an awareness of the elements of style and musicianship using the standard favorite solos in piano literature. NR

MUS 260
BASIC GUITAR
2 Units; 1 hour lecture; 2 hours lab
Studies basic techniques of the guitar. Emphasis will be on music fundamentals as it pertains to basic guitar techniques and the reading of music. Prepares students for further study in classical and/or jazz guitar. NR

MUS 266
IMPROVISED CHAMBER MUSIC
2 Units; 1 hour lecture; 3 hours lab
Recommended Preparation: Previous instrumental training and demonstrated proficiency
Technical, historical, stylistic and cultural approaches to jazz improvisation in an improvised chamber music setting. NR

MUS 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

MUS 295
REHEARSAL AND PERFORMANCE (INSTRUMENTAL)
1 Unit; 3 hours lab
Recommended Preparation: Previous instrumental training and demonstrated proficiency
Emphasizes the preparation of productions for public performance throughout the semester. Offered as open-entry/open-exit. NR

MUS 297
REHEARSAL AND PERFORMANCE (JAZZ STUDIES)
1 Unit; 3 hours lab
Limitation: Audition with college staff
Recommended Preparation: Previous instrumental training
Emphasizes the preparation and production of jazz combos in public performance. NR
Nursing

N 160
PHARMACOLOGY FOR NURSING
2.5 Units; 2.5 hours lecture
Transfers: CSU
Prerequisite: BIO 12
Recommended Preparation: BIO 11
Provides a methodical approach for administering drugs and monitoring the patient’s response to drug therapy. Content includes general principles of pharmacology, as well as legal, ethical, and safety aspects of medication administration. Focuses on the interaction between core drug knowledge (pharmacodynamics, pharmacokinetics, contraindications or precautions, adverse effects and drug interactions) and core patient variables (health status, lifespan and gender, diet, lifestyle and habits, environment, inherited traits, and US cultural groups). Emphasizes nursing responsibilities maximizing therapeutic effects, and minimizing adverse effects. Provides the foundation of basic pharmacology required for a nurse. NR

N 161
LIFECYCLE 2: GROWTH AND DEVELOPMENT
1.5 Units; 1.5 hours lecture
Transfers: CSU
The second course in life span growth and development which examines developmental tasks and needs from prenatal and birth through middle age, including environmental and family factors that influence growth and development. Major developmental theories are addressed at each level of growth and development. Physiologic concepts, self-concept, social behaviors and concepts of diversity and culture for individuals and families from diverse cultural groups within the United States are integrated. NR

N 162
SUCCESSFUL TRANSITION TO PROFESSIONAL NURSING
1 Unit; 1 hour lecture
Transfers: CSU
Prerequisite: N 160 or current LVN license and completion of BIO 11, 12, 15 and ENG 1A
Limitation: LVN with 1 year experience or transfer in RN student. Complete within 3 semesters of entry into nursing program.
Recommended Preparation: N 162
Provides practice and competency testing in the following nursing skills: injections, urinary catheterization, physical assessment, intravenous medication administration, medication math competency, and application of nursing process. NR

N 164
LVN TO RN CLINICAL LAB
1.5 Units; 4.5 hours lab
Transfers: CSU
Prerequisite: N 162
Limitation: Current LVN License, American Heart BLS certified, IV certification, physical exam and immunizations, TB test, malpractice insurance, background check
Recommended Preparation: HSC 228 and N 245
Provides clinical application of the theoretical base needed for application of the nursing process at a beginning level. Focus is on the care of the adult medical-surgical client care consumer with less complicated disorders, in a variety of health care settings. Concepts and rationales related to fundamental nursing practice are stressed. Principles of safety, physical and psychosocial assessment, effective and therapeutic communication, pharmacology, nutrition, the business of health care, community health, issues of professional practice, health teaching, diversity among US cultural groups, growth and development, geriatric nursing, disease process, disease prevention, restorative care, and end-of-life care are integrated. NR

N 170
NURSING PROCESS
3.25 Units; 3.25 hours lecture
Transfers: CSU
Prerequisite: BIO 11, 12, 15, with a grade of “C” or better
Provides clinical application of the theoretical base and nursing process at a beginning level. Focus is on the care of the adult medical-surgical, health care consumer with less complicated disorders, in a variety of health care settings. Concepts and rationales related to fundamental nursing practice are stressed. Principles of safety, physical and psychosocial assessment, effective and therapeutic communication, pharmacology, nutrition, community health and the business of health, issues of professional practice, health teaching, diversity among US cultural groups, growth and development, geriatric nursing, disease process, disease prevention, restorative care, and end-of-life care are integrated. NR
N 171
MENTAL HEALTH NURSING
2 Units; 2 hours lecture
Transfers: CSU
Prerequisite: N 170
Corequisite: N 171 lab
Recommended Preparation: PSYC 1
Provides the theoretical base for applying the nursing process and biopsychosocial concepts to the care of individuals who have ineffective behaviors in psychosocial functioning. Emphasis is on communication and the principles of psychiatric/mental health nursing, including psychopathology. Principles of nutrition, psychopharmacology, health education, health promotion, illness prevention, community health, human development, advocacy and concepts of diversity and culturally competent care for individuals from cultural groups within the United States are integrated. NR

N 171
MENTAL HEALTH NURSING LAB
1 Unit; 3 hours lab
Transfers: CSU
Prerequisite: N 170
Corequisite: N 171 Lecture
Recommended Preparation: PSYC 1
Focuses on the application of the theory, biopsychosocial concepts, and nursing process used in caring for individuals with ineffective behaviors in psychosocial functioning. Emphasizes communication and the principles of psychiatric and mental health nursing including psychopathology. Principles of nutrition, psychopharmacology, health education and promotion, illness prevention, community health, human development, advocacy, and concepts of diversity and culturally competent care for individuals from cultural groups within the United States are integrated. Letter grade only. NR

N 172
MEDICAL – SURGICAL NURSING
3.5 Units; 3.5 hours lecture
Transfers: CSU
Prerequisite: N 160, 165, 170, and 171, with grades of “C” or better
Corequisite: N 172 Lab
Recommended Preparation: HSC 228
Provides the theoretical basis for the application of nursing process to the adult medical surgical client who requires moderately complex nursing care in acute care facilities and community settings. Emphasis is on pathophysiology biopsychosocial needs in the following areas: oxygenation, fluid and electrolytes, activity and rest, neurological function, endocrine function, gastrointestinal function, and protective function. Principles of nutrition, medication administration, communication, health education, human development, advocacy, and concepts of diversity and culturally competent care for individuals from cultural groups within the United States are integrated. NR

N 172
MEDICAL – SURGICAL NURSING LAB
5.25 Units; 15.75 hours lab
Transfers: CSU
Prerequisite: N 160, 165, 170, and 171, with grades of “C” or better
Corequisite: N 172 Lecture
Recommended Preparation: HSC 228
Focuses on the application of nursing process to the adult medical surgical client who requires moderately complex nursing care in acute care facilities and community settings. Emphasis is on pathophysiology biopsychosocial needs in the following areas: oxygenation, fluid and electrolytes, activity and rest, neurological function, endocrine function, gastrointestinal function, and protective function. Principles of nutrition, medication administration, communication, health education, human development, advocacy, and concepts of diversity and culturally competent care for individuals from cultural groups within the United States are integrated. NR

N 173
NURSING CARE OF CHILDREN AND FAMILIES
1.5 Units; 1.5 hours lecture
Transfers: CSU
Prerequisite: N 171 with a grade of “C” or better
Corequisite: N 173 Lab
Recommended Preparation: HSC 228 and N 245
The theory basis for integration and application of the nursing process in providing nursing care for neonates, infants, children and adolescents and their families/significant others. Emphasis is on a family centered approach to nursing care, communication, health education, health promotion, illness prevention, and adaptation. Principles of nutrition, medication/fluid administration, physiology, growth and development, comforting/pain management, advocacy, and concepts of diversity/culturally competent care for US cultural and ethnic groups are integrated. Letter grade only. NR

N 174
WOMEN’S HEALTH NURSING
1.5 Units; 1.5 hours lecture
Transfers: CSU
Prerequisite: N 173 with a grade of “C” or better
Corequisite: N 174 Lab
Theory basis for application of the nursing process in providing nursing care for women, infants, family, and significant others. Emphasis is on a family centered approach to nursing care, communication, health education, health promotion, illness prevention, and adaptation directed towards the female patient, the neonate, and the family/significant others. Principles of nutrition, medication/fluid administration, physiology, growth and development, advocacy, and concepts of diversity and culturally competent care for individuals from cultural groups within the United States are integrated. Letter grade only. NR

N 174
WOMEN’S HEALTH NURSING LAB
2 Units; 6 hours lab
Transfers: CSU
Prerequisite: N 173 with grade of “C” or better
Corequisite: N 174
Integrates and applies the nursing process in providing nursing care for women, infants, family, and significant others. Emphasis is on a family centered approach to nursing care, communication, health education, health promotion, illness prevention, and adaptation directed towards the female patient, the neonate, and the family/significant others. Principles of nutrition, medication/fluid administration, physiology, growth and development, advocacy, and concepts of diversity and culturally competent care for individuals from cultural groups within the United States are integrated. Letter grade only. NR
N 176
ADVANCED NURSING
3 Units; 3 hours lecture
Transfers: CSU
Prerequisite: N174 with a “C” grade or better
Corequisite: N 176 Lab
Recommended Preparation: HSC 217, 226
Provides the theoretical basis for integration of the nursing process to care for acutely and critically ill adults. Emphasizes pathophysiology and the biopsychosocial needs for acutely ill adults with: cardiovascular, respiratory, renal, neurological, gastrointestinal, endocrine and complex multisystem dysfunction. Principles of leadership and management, professional development, scope of practice, legal and ethical issues, principles of nutrition, the role of the nurse in the community and transition to the role of a registered nurse are integrated throughout the course. Concepts of diversity and culturally competent care for cultural groups in the United States are presented. Letter grade only. NR

N 176
ADVANCED NURSING LAB
5 Units; 15 hours lab
Transfers: CSU
Prerequisite: N 174 with a grade of “C” or better
Corequisite: N 176 Lecture
Recommended Preparation: HSC 217 and 226
Focuses on the application and integration of the nursing process to care for acutely and critically ill adults. Emphasis is on pathophysiology and the biopsychosocial needs for acutely ill adults with: cardiovascular, respiratory, renal, neurological, gastrointestinal, endocrine and complex multisystem dysfunction. Principles of leadership and management, scope of practice, legal and ethical issues, principles of nutrition, the role of the nurse in the community and transition to the role of a registered nurse are integrated throughout the course. Concepts of diversity and culturally competent care for cultural groups in the United States are presented. Letter grade only. NR

N 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

N 202
SUCCESS STRATEGIES IN NURSING
1 Unit; 1 hour lecture
Limitation: Official admission to the nursing program
Develops strategies to be a successful student in the nursing program. Assesses personal aptitudes, learning and communication styles as barriers to successful completion of the nursing program. Focuses on developing a purposeful analytic process that results in reasoned decisions and judgments as a registered nurse. NR

N 204
BEGINNING NURSING CONCEPTS
2 Units; 2 hours lecture
Recommended Preparation: BIO 11 and 15
Introduces the health science student to the theoretical basis of nursing and healthcare, to provide a successful transition into the student nurse role. Students are provided opportunity to discuss the roles of the student nurse and the professional Registered Nurse. Emphasis is placed on the nursing role, including expectations of the nursing student, and on opportunities to begin to explore principles of critical thinking and the nursing process. Students are exposed to the history of nursing, conceptual framework at Saddleback College, dimensional analysis, medical terminology, communication, nutrition, cultural awareness, nursing informatics and current issues in nursing ethical and legal issues. NR

N 212
LABORATORY VALUES: INTERPRETATION AND APPLICATION
1.5 Units; 1.5 hours lecture
Provides the theoretical basis for the interpretation and application of laboratory test results for adult medical-surgical clients with moderately complex diseases/disorders in acute care facilities. Emphasis is on laboratory results of moderately complex clients with respiratory, endocrine, renal, musculoskeletal, cardiac, neurological, gastrointestinal, and immune diseases/disorders. Principles of nutrition, drug therapy, health education, concepts of diversity and culturally competent care for individuals from cultural groups within the United States are integrated. NR

N 238
PERIOPERATIVE NURSING I
10 Units; 5 hours lecture; 3 1 hours lab
Limitation: Current or pending RN license, current CPR card, and current malpractice insurance
Perioperative nursing theory and practice necessary for entry level into the operating room. Focuses on utilization of the nursing process to provide care for clients undergoing surgical intervention. Provider approved by the California Board of Registered Nursing, Provider Number CEP60. NR

N 245
I.V. THERAPY TECHNIQUES FOR NURSES
1.5 Units; 1.5 hours lecture
Prerequisite: N 170
The focus of this course is to prepare the student for initiation, administration and maintenance of common intravenous therapies. Emphasis is placed on IV therapies common to adult patients in the medical-surgical setting. The course is appropriate for nursing students who have successfully completed N 170 and for current California licensed RNs needing a refresher. For RNs, 22.5 hours of CE credit (BRN CEP# 00060) are available with course completion. NR

N 263
SKILLS LAB — BASIC
0.25 Unit; 0.75 hours lab
Recommended Preparation: N 172
Includes demonstration and practice of basic manual skills and procedures necessary for the student at the fundamental level. Offered as open-entry/open-exit and pass/no pass. NR

N 264
SKILLS LAB — SPECIALTIES
0.25 Unit; 0.75 hours lab
Recommended Preparation: N 173 and 174
Includes demonstration and practice of manual skills and procedures necessary for the student at the advanced medical-surgical level. Open-entry/open-exit. Offered for pass/no pass only. NR

N 265
SKILLS LAB — ADVANCED
0.25 Unit; 0.75 hours lab
Recommended Preparation: N 173 and 174
Includes demonstration and practice of manual skills and procedures necessary for the student at the advanced medical-surgical level. Open-entry/open-exit. Offered pass/no pass only. NR

N 267
SKILLS LAB — INTERMEDIATE
0.25 Unit; 0.75 hours lab
Includes demonstration and practice of intermediate skills and procedures necessary for the student at the intermediate level. Offered as open-entry/open-exit and pass/no pass. NR

N 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR
Courses

**Paramedic**

**PM 220**
**PARAMEDIC THEORY**
14 Units; 14 hours lecture
Prerequisite: High school graduation or GED, current EMT-B certification background check, CPR certification, and official admission to the paramedic program
Limitation: Physical examination required
Corequisite: PM 230
Recommended Preparation: EMT 219, HSC 217, 226
Contains the didactic material necessary to establish a foundation to practice as a paramedic. Includes applied anatomy and physiology, pathophysiology, intravenous therapy, basic and advanced life support, patient assessment, management of trauma, medical conditions emergency medical system operations and special considerations when caring for patients throughout the life span and those with special challenges. NR

**PM 230**
**PARAMEDIC CLINICAL EXPERIENCE**
7.5 Units; 23 hours lab
Prerequisite: High school graduate or GED, current EMT-B certification, CPR, background check and official admission to the paramedic program
Limitation: Physical examination required
Corequisite: PM 220
Includes the skills assessment and hospital clinical requirements for students enrolled in the paramedic program. NR

**PM 240**
**PARAMEDIC FIELD INTERNSHIP**
12 Units; 36 hours lab
Prerequisite: PM 220 and 230
Under the direct supervision and evaluation of a licensed paramedic, students will complete a field internship experience on a designated advanced life support unit. This provides students with prehospital patient care experience and is the last course in the series preparing the student for licensure as a paramedic. NR

**PM 289**
**SPECIAL TOPICS**
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

**Persian**

**PRSN 1**
**ELEMENTARY PERSIAN**
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: PRSN 1 or two years of high school Persian/Farsi
Corequisite: PRSN 902
Recommended Preparation: College-level reading ability
Designed to develop the fundamentals of communicative competence in daily spoken modern Persian (Farsi). Emphasizes listening, comprehension, and conversational skills. Early reading and writing skills are introduced, as well as fundamental aspects of culture. Equivalent to two years of high school Persian (Farsi). NR

**PRSN 2**
**ELEMENTARY PERSIAN**
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: PRSN 1 or two years of high school Persian/Farsi
Corequisite: PRSN 902
Designed to further the fundamentals of communicative competence in daily spoken modern Persian (Farsi). Focuses on listening, comprehension, and speaking. Reading and writing skills will be expanded. This course continues the familiarization with customs and cultural achievements begun in the previous semester. NR

**PRSN 3**
**INTERMEDIATE PERSIAN**
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: PRSN 2 or three years of high school Persian
Corequisite: PRSN 903
Reviews the fundamentals with further study of the Persian language, culture, and customs. Intermediate level course focuses on fluency in reading, writing, speaking and listening. NR

**PRSN 4**
**INTERMEDIATE PERSIAN**
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: PRSN 3 or four years of high school Persian
Corequisite: PRSN 904
Emphasizes fluency in speaking, reading, writing, and comprehension of Persian. Includes selected readings and discussions from the basic four genres in Persian and Persian-American literature, culture, and customs. NR

**PRSN 901**
**PERSIAN LANGUAGE LAB**
0.25 Unit; 1 hour learning center
Corequisite: PRSN 1
Requires concurrent enrollment in Persian 1. Enhances and provides practice in skills learned in Persian 1 course. NR

**PRSN 902**
**PERSIAN LANGUAGE LAB**
0.25 Unit; 1 hour learning center
Corequisite: PRSN 2
Requires concurrent enrollment in Elementary Persian 2. Enhances and provides practice in skills learned in Elementary Persian courses. NR

**PRSN 903**
**PERSIAN LANGUAGE LAB**
0.25 Unit; 1 hour learning center
Corequisite: PRSN 3
Requires concurrent enrollment in Persian 3. Enhances and provides practice in skills learned in Persian 3 course. NR

**PRSN 904**
**PERSIAN LANGUAGE LAB**
0.25 Unit; 1 hour learning center
Corequisite: PRSN 4
Requires concurrent enrollment in Persian 4. Enhances and provides practice in skills learned in Persian 4 course. NR

**Philosophy**

**PHIL 1**
**INTRODUCTION TO PHILOSOPHY**
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: Eligibility for ENG 1A
Investigates many of the major philosophical themes within the Western tradition. Among these themes will be the nature of the self, free will and determinism, the ground and nature of human knowledge, the nature of human values, ethical theory, aesthetic value, and the nature of society in relation to the individual. Other topics include the nature and methods of the sciences, philosophical psychology and the theory of language. NR

**PHIL 10**
**WORLD RELIGIONS**
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: Eligibility for ENG 1A
A comparative study of some of the major religions of the world including the Buddhist, Confucianist, Hindu, Islamic, Judeo-Christian, Shinto and Taoist traditions. These religions will be explored from a historical standpoint; in addition, the philosophical presuppositions of each view will be discussed. Topics include the nature of human beings, the world, transcendent beings, transcendental experiences, ethics, religious rituals and rites of passage. NR
PHIL 12
INTRODUCTION TO LOGIC
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: Proficiency in English; ENG 1A
An examination and analysis of reasoning employed in everyday arguments. A variety of writing will be discussed varying in complexity from newspaper articles to more technical writings. Arguments will be formulated in class and evaluated for logical structure. Topics include the concept of an argument, the inductive-deductive distinction, formal fallacies, definitions, and accurate use of language. NR

PHIL 14
PHILOSOPHY OF RELIGION
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: PHIL 1
Introduces the student to the theoretical orientations, central concepts, basic problems, and classical arguments of Western philosophy of religion. The course will systematically clarify and critically analyze a range of topical problems in the philosophy of religion. These include the concept of God, traditional arguments for the existence of God (e.g. the design argument), religious ethics, the problem of evil, and philosophical atheism. Students will engage in theoretical discussions, develop critical reasoning skills, and gain reflective insight into their personal philosophy of religion. NR

PHIL 15
INTRODUCTION TO ETHICS
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: Eligibility for ENG 1A
Acquaints the student with the major concepts and methods of ethical theory within the Western tradition. Topics will include the nature of evaluation, appraisals of the “good life,” the source and justification of obligations to others, the possible relativity of ethical codes as they vary from culture to culture, and the connection between individual desires and social restraint. Application of these topics to issues of contemporary importance, such as the moral implications of abortion, sexual freedom of expression, changing social roles, the role of religious belief in moral theory, and the social sources of ethical perspectives. NR

PHLB 240
PHLEBOTOMY
4 Units; 4 hours lecture
Limitation: Current malpractice insurance, TB test results, CPR card, background check required
Corequisite: CWE 181
Recommended Preparation: HSC 201
A California state approved full training program in phlebotomy. Provides students with a comprehensive knowledge of venipuncture, skin puncture, specimen collection and handling, standard precautions, laboratory safety, and basic medical terminology. Concepts of diversity and culturally competent care for individuals from culture groups within the United States are integrated. Certificate awarded upon completion of course with grade of “C” or better. Letter grade only. NR

PHOT 25
HISTORY OF PHOTOGRAPHY
3 Units; 3 hours lecture
Transfers: CSU, UC
A survey of the history of photography from its origins to the present. An examination of critical and philosophical approaches to the photographic medium. NR

PHOT 50
DIGITAL PHOTOGRAPHY I
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU, UC
Introduction to digital photography to cover technical and aesthetic aspects. Includes operation of camera and lenses and photographic software. Fundamentals of composition, light, and portraiture are covered. NR

PHOT 51
INTRODUCTION TO PHOTOSHOP AND DIGITAL IMAGING
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU, UC
Recommended Preparation: CIM 120 or basic operational knowledge of a computer
An introduction to digital imaging using Adobe Photoshop software on the computer. The course will cover the various equipment and techniques utilized in the production of digital imagery: scanning, manipulation, and output. Aesthetic issues and their relationship to photography will be covered. NR

PHOT 55
DIGITAL PHOTOGRAPHY II
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU, UC
Prerequisite: PHOT 50
Recommended Preparation: PHOT 50
An intermediate-level course in photographic manipulation using Adobe Photoshop. Relevant technical and aesthetic issues will be covered. Scanning and inkjet printing included. NR

PHOT 154
ALTERNATIVE DIGITAL PROCESSES
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Recommended Preparation: PHOT 51
An intermediate level course that explores analog and digital photography based techniques used to create unique art works. The course covers digital printing on alternative media, image lifts, transfers, photographic multimedia and assemblage. The course also includes scanning of positive and negative images and 3D objects. Book and portfolio presentation are also covered. Macintosh lab environment utilizing Adobe software. NR
PHOT 156
DIGITAL PHOTOGRAPHY III
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Prerequisite: PHOT 55
Emphasis on creating visual imagery through advanced photographic techniques. Includes fundamentals of studio lighting, with tungsten and electronic flash systems. Continued refinement of photographic software techniques. NR

PHOT 157
STUDIO LIGHTING
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Prerequisite: PHOT 55
An introductory level course in photographic studio lighting intended for the advanced photographer. Covers lighting, equipment, and its application in a studio environment. Includes technical and aesthetic instruction with single and multiple light setups, lighting styles, and subject compositional concerns. MANUALLY ADJUSTABLE DIGITAL CAMERA REQUIRED. MACINTOSH LAB, Utilizing Adobe software. NR

PHOT 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

PHOT 190
SPECIAL PROBLEMS IN PHOTOGRAPHY
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Prerequisite: PHOT 50
Continued exploration of advanced photographic concepts and their development through various processes. Includes vintage and contemporary techniques. NR

PHOT 200
PORTRAITURE PHOTOGRAPHY
3Units; 2 hours lecture; 3 hours lab
Prerequisite: PHOT 55
An exploration of various styles and techniques used in contemporary portraiture. Essential basics of lighting (natural and artificial), composition, and direction will be covered. NR

PHOT 201
INTRODUCTION TO DIGITAL PHOTOGRAPHY
1.5 Units; 1.5 hours lecture
An introductory-level course in digital photography intended for the complete novice or technically challenged. Covers basic camera controls, functions, and settings. Also includes digital image management, storage, archiving and printing techniques. Composition, light and portraiture are explored. Digital camera required, no lab. NR

PHOT 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

Physical Education
See Kinesiology

Physics

PHYS 2A
INTRODUCTION TO PHYSICS
5 Units; 4 hours lecture; 3 hours lab
Transfers: CSU, UC
Prerequisite: MATH 124
Recommended Preparation: PHYS 20 or high school physics
Intended for students in the sciences and related subjects who are required to complete a physics course based on trigonometry. A study of mechanics, vibration and waves, fluids, and thermodynamics. Topics include kinematics and dynamics in one and two dimensions, Newton’s Laws of motion, energy and momentum, conservation principles, statics, kinematics and dynamics of rotation, elasticity, Hook’s Law, simple harmonic motions, wave behavior, interference and standing waves, properties of fluids, Pascal’s and Bernoulli’s principles, temperature, heat calorimetry, the gas laws, and the laws of thermodynamics. NR

PHYS 2B
INTRODUCTION TO PHYSICS
5 Units; 4 hours lecture; 3 hours lab
Transfers: CSU, UC
Prerequisite: PHYS 2A
A continuation course from PHYS 2A. Study of electrostatics, electromagnetism, optics atomic and nuclear physics. Topics include electric charge, fields, circuits, electromagnetic induction, electromagnetic waves, electric applications, lenses and mirrors, wave optics, optical applications, waves and particles, special relativity, the Bohr atom, quantum concepts, the nucleus, nuclear processes and energy. NR

PHYS 4A
GENERAL PHYSICS
5 Units; 4 hours lecture; 3 hours lab
Transfers: CSU, UC
Prerequisite: MATH 3A
Recommended Preparation: CS 1A and PHYS 20 or high school physics
A calculus-based introduction to classical mechanics of solids and fluids. The main topics are kinematics, Newtonian mechanics including translational and rotational statics and dynamics, universal gravitation, work, energy, momentum, fluid statics, dynamics, and oscillations. Experiments in lab examine the basic laws of the mechanics of solids and fluids. Objectives include the use of common measuring instruments, the principles of data taking and analysis, and the writing of scientific reports. NR

PHYS 4B
GENERAL PHYSICS
5 Units; 4 hours lecture; 3 hours lab
Transfers: CSU, UC
Prerequisite: PHYS 4A
Recommended Preparation: MATH 3B
A calculus-based introduction to classical electromagnetism. Topics include electrostatics, electric potential, capacitance, electricity, direct and alternating current circuits, magnetic forces and fields, fields, electromagnetic induction, Maxwell’s equations, and electromagnetic waves. Experiments in labs examine some of the basic phenomena in electromagnetism. Students are to become proficient in the use of common, modern measuring instruments e.g. digital and analog voltimeters, ammeters, ohmmeters and the oscilloscope. The principles of data taking and analysis, and the writing of scientific reports are emphasized. NR

PHYS 4C
GENERAL PHYSICS
5 Units; 4 hours lecture; 3 hours lab
Transfers: CSU, UC
Prerequisite: PHYS 4A
Recommended Preparation: MATH 3B
A calculus-based introduction to the basic principles of wave motion, thermodynamics, optics and modern physics. Topics include classical wave theory, thermodynamics, wave-particle duality, reflection, refraction, interference, diffraction, optical elements and systems, applications of Schrodinger’s equation, atomic structure, molecular structure, the quantum nature of solids, special and general relativity, nuclear physics, particle physics, and cosmology. Experiments in lab will examine some of the basic phenomena in wave motion, thermodynamics, optics, and modern physics. The use of common, modern instruments, e.g. digital storage oscilloscopes, lasers, spectrometers, will be learned and practiced during the experiments. NR
Political Science

PS 1
AMERICAN GOVERNMENT
3 Units; 3 hours lecture
Transfers: CSU, UC
Survey of principles, personalities, problems, and issues of government. Emphasizes developing trends of government including local, state, and federal branches. NR

PS 4
INTRODUCTION TO POLITICAL SCIENCE
3 Units; 3 hours lecture
Transfers: CSU, UC
Introduces the study of politics. Designed to familiarize the student with the basic systems, ideologies, and models of political analysis. NR

PS 10
INTRODUCTION TO POLITICAL THEORY
3 Units; 3 hours lecture
Transfers: CSU, UC
A survey and analysis of selected political theorists and concepts. Ancient, classical, medieval, Renaissance, and modern political theory will be studied. The lineage of political concepts such as justice, freedom, power, and property will be traced as they evolved over time. Ideal for Honors Program students and Political Science majors. NR

PS 11
INTERNATIONAL POLITICAL ECONOMY
3 Units; 3 hours lecture
Transfers: CSU, UC
Focuses on the relations between the political and economic systems within the global economy. Covers the impact of political decisions on world economies and international organizations. Further emphasis is on a comparison-contrast of various national economies. Geographic areas of concern include Africa, Europe, the Pacific Rim, the Middle East, Latin America, Russia, China, and the United States. Also listed as ECON 11. Credit given in either area, not both. NR

PS 12
COMPARATIVE POLITICS AND GOVERNMENT
3 Units; 3 hours lecture
Transfers: CSU, UC
Comparison of different political systems with analysis of governmental institutions and political processes. Description and explanation of different combinations of events and structures found in the politics of various societies. NR

PS 14
INTERNATIONAL RELATIONS
3 Units; 3 hours lecture
Transfers: CSU, UC
An examination of contemporary world trends with emphasis on conflict and problem areas. NR

PS 80
INTRODUCTION TO CONTEMPORARY AFRICA
3 Units; 3 hours lecture
Transfers: CSU, UC
A survey of African history from ancient Egypt to the present. Focus will be on the nature of early African empires and societies, the impact of the slave trade, responses to imperial conquest and colonial rule, the rise of nationalist movements and the regaining of political independence, and the contemporary challenges facing post-colonial African states and peoples. Also listed as HIST 80. Credit given in either area, not both. NR

PS 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

PS 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

Portuguese

PORT 1
ELEMENTARY PORTUGUESE
5 Units; 5 hours lecture
Transfers: CSU, UC
Corequisite: PORT 901
Recommended Preparation:
College-level reading ability
Designed to develop the fundamentals of communicative competence in colloquial Portuguese. The emphasis is on listening, comprehension, and conversational skills. Early reading and writing skills are introduced, as well as fundamental aspects of culture. Equivalent to two years high school Portuguese. NR

PORT 2
ELEMENTARY PORTUGUESE
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: PORT 1 or two years of high school Portuguese
Corequisite: PORT 902
Designed to further the fundamentals of communicative competence in daily spoken Portuguese. Although the focus remains on listening comprehension and speaking, reading and writing skills will be expanded. This course continues the familiarization with customs and cultural achievements begun in the previous semester. NR

PORT 3
INTERMEDIATE PORTUGUESE
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: PORT 2 or three years of high school Portuguese
Corequisite: PORT 903
Intermediate level course focuses on fluency in reading, writing, speaking, and listening. Continues the study of Portuguese speaking cultures. NR

PORT 4
INTERMEDIATE PORTUGUESE
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: PORT 3 or four years of high school Portuguese
Corequisite: PORT 904
Emphasizes fluency in speaking, reading, writing, and comprehension of Portuguese. Includes selected readings and discussions from the basic four genres in Portuguese speaking countries, literature, culture, and customs. NR
Courses

PORT 21 INTRODUCTION TO PORTUGUESE AND BRAZILIAN CULTURE
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: College-level reading ability
A lecture and discussion course covering a variety of aspects of Portuguese and Brazilian culture: geography, history, literature, art, music, philosophy, and customs. Conducted in English. No prior study of Portuguese language or Portuguese and/or Brazilian culture required. NR

PORT 901 PORTUGUESE LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: PORT 1
Requires concurrent enrollment in Portuguese 1. Enhances and provides practice in skills learned in Portuguese 1 course. NR

PORT 902 PORTUGUESE LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: PORT 2
Requires concurrent enrollment in Portuguese 2. Enhances and provides practice in skills learned in Portuguese 2 course. NR

PORT 903 PORTUGUESE LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: PORT 3
Requires concurrent enrollment in Portuguese 3. Enhances and provides practice in skills learned in Portuguese 3 course. NR

PORT 904 PORTUGUESE LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: PORT 4
Requires concurrent enrollment in Portuguese 4. Enhances and provides practice in skills learned in Portuguese 4 course. NR

Psychology

PSYC 1 INTRODUCTION TO PSYCHOLOGY
3 Units; 3 hours lecture
Transfers: CSU, UC
An introduction to historical and contemporary psychological research and thought. Topics will include biological psychology, perception, consciousness, memory, language, problem solving, intelligence, emotions, personality, psychotherapy, social psychology, and development. Emphasis will be placed on the science of psychology and the ways psychological science has impacted our understanding of human nature as well as animal and human behavior. NR

PSYC 2 RESEARCH METHODS IN PSYCHOLOGY
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU, UC
Prerequisite: PSYC 1
Introduction to basic research methods in psychology and the use of the scientific method to answer questions about behavior. Theoretical and applied research methods will be covered, with emphasis on critical analysis of experimental research design and data interpretation. NR

PSYC 3 BIOLOGICAL PSYCHOLOGY
4 Units; 4 hours lecture
Transfers: CSU, UC
Prerequisite: PSYC 1
Introduction to the study of behavior from a biological perspective. Neuroanatomy, neurophysiology, psychopharmacology, and the biological systems and processes underlying behavior. Emphasis will be placed on brain mechanisms underlying behavior and their relation to issues in psychology. NR

PSYC 4 INTRODUCTION TO COGNITIVE PSYCHOLOGY
3 Units; 3 hours lecture
Transfers: CSU, UC
An introduction to the basic concepts and experimental study of cognitive psychology. Includes topics related to higher mental procedures such as pattern recognition, perception, memory, thinking, problem solving, and comprehension of language. NR

PSYC 5 PSYCHOLOGICAL ASPECTS OF HUMAN SEXUALITY
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: PSYC 1
Examines the fundamentals of the development and practice of sexuality in the human being and the historical, psychological, and psychosocial aspects of human sexuality from childhood to old age, including human sexual anatomy, fulfillment differences among the sexes, sexual dysfunction and corrective therapy. NR

PSYC 6 DEVELOPMENTAL PSYCHOLOGY: CHILDHOOD THROUGH ADOLESCENCE
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: PSYC 1
Focuses on the major theoretical viewpoints and research approaches in the field of developmental psychology. Covers developmental stages of children from conception through adolescence focusing on children's social, emotional, cognitive, and physical development. NR

PSYC 7 ABNORMAL BEHAVIOR
3 Units; 3 hours lecture
Transfers: CSU, UC
Prerequisite: PSYC 1
An introduction to the symptoms, causes, treatment and prevention of psychological disorders including anxiety disorders, personality disorders, psychophysiological disorders, psychoses, substance use disorders, sexual disorders, eating disorders and organic disorders. NR

PSYC 8 INTRODUCTION TO CROSS-CULTURAL PSYCHOLOGY
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: PSYC 1
An introduction to the field of cross-cultural psychology. Focuses on the social and psychological impact of race, ethnicity, culture, gender, and disability. Special emphasis is given to research on African American, Latino/a, Asian American, Native American, Middle Eastern American, and Jewish cultures among other minority groups in America. Topics include stereotyping, institutional racism and discrimination, “reverse discrimination”, ageism, and sexism. NR

PSYC 9 THE PSYCHOLOGY OF WOMEN
3 Units; 3 hours lecture
Transfers: CSU, UC
Introduction to the psychology of women. Topics include gender similarities and differences and gender roles, including psychological, biological, and social origins. Covered are contemporary social issues. Throughout the course there will be emphasis on how psychology has studied women and the ways scientific and cultural assumptions about the sexes are reflected in psychological research. NR

PSYC 10 SOCIAL PSYCHOLOGY
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: PSYC 1 or SOC 1
Introduction to phenomena related to social behavior and social influences on behavior. Topics include social perception and cognition, personality, attitudes and attitude change, attraction, altruism, aggression, interpersonal influence, social norms and group processes. Also listed as SOC 30. Credit given in either area, not both. NR

PSYC 11 PSYCHOLOGY OF ADJUSTMENT
3 Units; 3 hours lecture
Transfers: CSU, UC
An introductory course in adjustment and human relationships; focuses on personality development, interpersonal relationships, human motivation, and the relevance of psychology to social processes and critical developmental issues. NR

PSYC 12 ABNORMAL BEHAVIOR
3 Units; 3 hours lecture
Transfers: CSU, UC
Prerequisite: PSYC 1
An introduction to the symptoms, causes, treatment and prevention of psychological disorders including anxiety disorders, personality disorders, psychophysiological disorders, psychoses, substance use disorders, sexual disorders, eating disorders and organic disorders. NR
PSYC 44
STATISTICS FOR THE BEHAVIORAL SCIENCES
3 Units; 3 hours lecture
Transfers: CSU, UC
Prerequisite: MATH 253
Introduces psychology and behavioral science majors to descriptive and inferential statistical methods. Knowledge of these methods is essential to the understanding, interpretation, and performance of scientific research. Topics covered include probability theory, hypothesis testing, correlation, analysis of variance, the graphical representation of data, basic research design, and the use of computer software to perform statistical analyses (formerly PSYC 144). NR

PSYC 125
PSYCHOLOGY OF AGING
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: PSYC 1
Introduces the theoretical and methodological issues in the field of gerontology, while dispelling the myths that often accompany older adulthood. Throughout the course, the psychological, physiological, and social changes that often accompany older adults will be discussed. Social issues that older adults often face will be addressed, while discussing the societal implications of an aging population. Death and dying will also be covered. NR

PSYC 140
INTRODUCTION TO PSYCH AS A MAJOR AND PROFESSION
1.5 Units; 1.5 hours lecture
Transfers: CSU
Introduces students to the broad major of psychology and its related professions. Focus is on the many possible types of psychologists and activities performed by these individuals. The course is designed especially for students at the sophomore level who has completed an introductory psychology course and is seeking further information before deciding upon psychology as a potential major or career field. NR

PSYC 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

PSYC 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

Real Estate
RE 170
REAL ESTATE PRINCIPLES
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: RE 170
The fundamental real estate course covering the basic laws and principles of California real estate. Provides the background and terminology necessary for advanced study in specialized courses. Required for those preparing for the state Real Estate Salesperson License examination. Applies toward state's elective educational requirements for the broker's examination, Department of Real Estate (DRE) basic education. NR

RE 172
REAL ESTATE PRACTICE
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: RE 170
Day-to-day operations in real estate sales and brokerage, including listing, prospecting, advertising, financing, sales techniques, and escrow. Applies toward state's educational requirements for the Real Estate Salesperson License. Applies toward the state's core educational requirements for the broker's examination. Applies toward Department of Real Estate (DRE) basic education. NR

RE 174
LEGAL ASPECTS OF REAL ESTATE
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: RE 170
A study of California real estate law, including rights incident to property ownership and management, agency, and contracts. Also includes application to real estate transfer, conveyancing, probate proceedings, trust deeds, and foreclosures, as well as recent legislation governing real estate transactions. Applies toward State's core educational requirements for the Real Estate Salesperson License. Applies toward the state's core educational requirements for the broker's examination. Applies toward Department of Real Estate (DRE) basic education. NR

RE 175
REAL ESTATE FINANCE
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: RE 170
Analysis of real estate financing, including lending policies and problems in financing transactions in residential, apartment, commercial, and special-purpose properties. Methods of financing properties are emphasized. Applies toward state's elective educational requirements for the Real Estate Salesperson License. Applies toward state's core educational requirements for the broker's examination. Applies toward Department of Real Estate (DRE) basic education. NR

RE 176A
REAL ESTATE APPRAISAL I
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: RE 170
An introductory course covering the purposes of an appraisal, the appraisal process; and the different approaches, methods, and techniques used to determine the value of various types of property. Emphasis will be on residential and single-unit property. Applies toward State's elective educational requirements for the Real Estate Salesperson License. Applies toward state's core educational requirements for the broker's examination. Applies toward Department of Real Estate (DRE) basic education. NR

RE 176B
REAL ESTATE APPRAISAL II
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: RE 176A or 176B or 178
An advanced course in real estate appraisal with emphasis on investment-property appraisal. Includes the appraisal of certain types of apartment properties. Concepts of loan appraisal and various methods of appraisal are delineated and are included in a student project. Applies toward state's core educational requirements for the broker's examination. NR

RE 176C
REAL ESTATE APPRAISAL III: MARKET ANALYSIS AND STUDIES
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: RE 176A or 176B or 178
An advanced course in real estate appraisal to evaluate the productive attributes of parcels of real estate as they relate to the demand for a particular use and supply of competitive properties within a specified market. The student will learn the process of property analysis through the study of property productivity, supply and demand factors, and comparative analysis. Focus is placed on the role of market analysis and highest and best use analysis in decision making and evaluation. NR

RE 178
REAL ESTATE ECONOMICS
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: RE 170
Covers the impact of national, regional, and local trends on real estate values. Includes the role of the government in our economy and how that role affects real estate issues, real estate cycles and business fluctuations, factors which affect credit markets, real estate taxation concepts, land use controls, factors which affect the development of real property, and limitations imposed on real estate markets. Applies toward state's elective educational requirements for the Real Estate Salesperson License. Applies toward state's core educational requirements for the broker's examination. NR
RE 190
ECROW
3 Units; 3 hours lecture
Transfers: CSU
Provides students with a real-life application of the steps in a real estate sale including completing and reviewing the California Association of Realtors (C.A.R.) Joint Purchase Agreement and Escrow Instructions, reviewing the Preliminary Report and solving title problems, learning lenders’ closing requirements and the recording process, and balancing and figuring the settlement of the closing funds. Applies toward the State’s elective educational requirements for the Real Estate Salesperson license and toward the requirements for the broker’s examination. Letter grade of “C” or above applies toward the requirements of California Escrow Association professional designation.  

RE 195
PROPERTY MANAGEMENT
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: RE 170
Covers the fundamentals of professional property management of investment properties: residential, commercial, and industrial. Focuses on organization, staffing, marketing, accounting, maintenance, landlord/tenant law, and management procedures. Designed for the real estate practitioner who wishes to specialize in property management. Applies toward the State’s elective educational requirements for the Real Estate Salesperson license. Applies toward the state’s elective educational requirements for the broker’s examination. Applies toward Department of Real Estate (DRE) basic education.  

RE 200
UNIFORM STANDARDS OF PROFESSIONAL APPRAISAL PRACTICE (USPAP)
1.5 Units; 1.5 hours lecture
An introductory course covering real estate appraisal professional practice and ethics. Covers the history of professionalism and appraising, the Appraisal Foundation, and the Uniform Standards of Professional Appraisal Practice.  

RE 202
COMPUTER APPLICATIONS IN REAL ESTATE
3 Units; 3 hours lecture
Recommended Preparation: RE 172
Provides real estate assistants, real estate agents or soon-to-be agents, and other real estate professionals with the information needed to use the technologies currently employed in the real estate industry. Covers web sites, email, PDAs, MLS, digital cameras, virtual tours, WinForms, PhotoStory3, and other current technologies.  

RE 250
REAL ESTATE LICENSE PREPARATION
3 Units; 3 hours lecture
Recommended Preparation: For Sales License: RE 170, 172 and one Real Estate elective. For Broker License: The eight broker courses. See www.dre.ca.gov
Real estate licensure preparation. Fundamental information regarding practice of real estate with emphasis on real estate law, principles, practice, and other topics covered in the state licensure examination. Important preparation for those intending to take the real estate salesperson’s or broker’s license examination.  

RE 280
MORTGAGE LOAN BROKERING AND LENDING
3 Units; 3 hours lecture
Introduces the principles and operations of the mortgage loan broking field. The emphasis is on the lending rules for residential property. Students learn lending laws of Regulation Z, usury laws, disclosures, maximum fees and charges, agency relationships, advertising laws, HUD/RESPA calculations, and the loan process. Satisfies the elective requirements for the California Real Estate Salesperson’s and Real Estate Broker’s licenses.  

RE 289

Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course.  

Sign Language
SL 1
AMERICAN SIGN LANGUAGE I
4 Units; 4 hours lecture
Transfers: CSU, UC
Recommended Preparation: Eligibility for ENG 1A
Beginning study of American Sign Language (ASL) fundamentals emphasizing comprehension skills, basic information relating to Deaf culture, and beginning grammatical structure. Provider-approved by the California Board of Registered Nursing, Provider Number CEP60.  

SL 2
AMERICAN SIGN LANGUAGE II
4 Units; 4 hours lecture
Transfers: CSU, UC
Prerequisite: SL 1 with a grade of “C” or better
Continuing study of American Sign Language (ASL) fundamentals emphasizing comprehension skills, intermediate grammatical structures, beginning practice in expressive aspects of the language, and exposure to deaf culture. Provider-approved by the California Board of Registered Nursing, Provider Number CEP60.  

SL 3
AMERICAN SIGN LANGUAGE III
4 Units; 4 hours lecture
Transfers: CSU, UC
Prerequisite: SL 2 with a grade of “C” or better
Continuing study of American Sign Language (ASL) shifting focus from comprehension to sign production. Includes advanced grammatical structures, with emphasis on advanced expressive skills. Provider-approved by the California Board of Registered Nursing, Provider Number CEP60.  

Recreation
REC 100
INTRODUCTION TO RECREATION
3 Units; 3 hours lecture
Transfers: CSU
Nature, scope, and significance of leisure and recreation in today’s society. Emphasizes the role of the professional leader in organizing community and other programs of recreation.  

REC 102
RECREATION PLANNING AND LEADERSHIP
3 Units; 3 hours lecture
Transfers: CSU
A study of the essential elements and basic principles involved in the organization, supervision, promotion, and evaluation of various types of recreation programs.  

REC 104
CAMPING AND OUTDOOR EDUCATION
3 Units; 3 hours lecture
Transfers: CSU
Focuses on skills needed in various camping venues such as navigation, survival, building fires, flora and fauna identification. Knowledge of all types of equipment, camp activities, and interaction with the environment. Students provide camping and hiking gear, and necessary supplies for sustenance.

Courses
SL 4
AMERICAN SIGN LANGUAGE IV
4 Units; 4 hours lecture
Transfers: CSU, UC
Prerequisite: SL 3 with a grade of “C” or better
Emphasizes advanced expressive/conversational skills in American Sign Language (ASL). Develops fluency and a continued focus on grammatical and cultural features. Provider-approved by the California Board of Registered Nursing, Provider Number CEP60. NR

SL 101
DEAF CULTURE AND ITS HISTORY
3 Units; 3 hours lecture
Transfers: CSU
Designed for those interested in sociology of deafness as it relates to the culture of people in the community. Emphasizes the history and evolution of education of the Deaf community. NR

SL 140
SIGN LANGUAGE SKILLS LAB
BEGINNING
0.5 Unit; 1.5 hours lab
Transfers: CSU
Prerequisite: SL 1
Review of American Sign Language fundamentals including expressive and receptive skills building and beginning grammatical structure. NR

SL 141
SIGN LANGUAGE SKILLS LAB
INTERMEDIATE
0.5 Unit; 1.5 hours lab
Transfers: CSU
Prerequisite: SL 2
Review of American Sign Language fundamentals including expressive and receptive skill building and intermediate grammatical structure. NR

SL 142
SIGN LANGUAGE SKILLS LAB
ADVANCED
0.5 Unit; 1.5 hours lab
Transfers: CSU
Prerequisite: SL 3
Review of American Sign Language fundamentals including expressive and receptive skill building and advanced grammatical structure. NR

INTRODUCTION TO MARRIAGE AND THE FAMILY
3 Units; 3 hours lecture
Transfers: CSU, UC
Emphasizes the sociological perspective of marriage and the family including the family as a social institution, kinship systems, mate selection, marital roles, child-rearing practices, and social change and the effects on marriage and the family. NR

SOC 15
SOCIALIZATION OF THE CHILD
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: SOC 1
The sociological study of the main institutions which socialize the child, such as the family, peer groups, education, child care, community, and the media. Other topics include: social theory, parenting, culture, religion, economics, politics, and social change. NR

SOC 20
ETHNIC CULTURES OF THE UNITED STATES
3 Units; 3 hours lecture
Transfers: CSU, UC
A general overview of the sociological, psychological, and historical background of selected ethnic groups in the United States. Topics include social, political, and economic factors as well as intergroup relationships, prejudice, discrimination, affirmative action, immigration, assimilation, and social change. Also listed as HIST 20. Credit given in either area, not both. NR

SOC 21
WOMEN IN CONTEMPORARY SOCIETY
3 Units; 3 hours lecture
Transfers: CSU, UC
An introductory survey of the lives, roles, and status of women in contemporary American society. The cultural, social, psychological, and economic conditions of women will be explored. Topics include life-cycle, sex role socialization, intimate relationships, the family, self-image, female, health and sexuality, crime and deviance, work, religion, politics, and cultural diversity. NR
SOC 25
SOCIAL STRATIFICATION
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: SOC 1
An examination of the American social class structures and their functions. Different styles of life, determinants of class status, social mobility, social inequality, and changes in class systems are discussed and evaluated. Specific dimensions of social stratification discussed are economic and social class status, race and ethnicity, gender, sexual orientation, political participation and power, and global stratification. Specific consequences of social status are evaluated. Both a macro and micro analysis will be applied to social stratification and its consequences on society and the individual. NR

SOC 30
SOCIAL PSYCHOLOGY
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: PSYC 1 or SOC 1
Introduction to phenomena related to social behavior and social influences on behavior. Topics include social perception and cognition, personality, attitudes and attitude change, attraction, altruism, aggression, interpersonal influence, social norms and group processes. Also listed as PSYC 30. Credit given in either area, not both. NR

SOC 125
SOCIOLOGY OF AGING
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: SOC 1
Examines age as a social construct and aging as a social process. Course explores the effects of social institutions and social norms on the aging individuals. Topics covered are: the study of aging, ageism, theories of aging, current social research on issues of aging, views of aging in other societies past and present, demographics of the aging population, the life course, race and ethnicity, the healthcare system, retirement and work, gender inequalities, housing and transportation, recreation and leisure, family life, and politics and social policies. NR

SOC 126
DEATH AND DYING
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: SOC 1
Provides a background on historical and contemporary perspectives on death and dying. Course focuses on current American practices regarding death, as well as cross-cultural perspectives. Topics include: attitudes and beliefs of death, the meaning of death, theoretical perspectives, the death system, beliefs about dying, Hospice Care, end-of-life decisions, suicide, types of death, euthanasia, bereavement, grief, mourning, the funnel process, cultural norms, and dealing with the death of a loved one. NR

SOC 180
INTRODUCTION TO GERONTOLOGY
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: SOC 1
Examines human aging from a multidisciplinary perspective. The area of focus is on the adult years of the life span. Topics covered are: the aging process, growth of the older population, cultural differences, social consequences of physical aging, health and well-being, mental health, sexuality, social support networks, caregiving, social interactions, role changes, death and dying, and social policies affecting elders. NR

Spanish

SPAN 1
ELEMENTARY SPANISH
5 Units; 5 hours lecture
Transfers: CSU, UC
Corequisite: SPAN 901
Recommended Preparation: College-level reading ability
Designed to develop the fundamentals of communicative competence in colloquial Spanish. The emphasis is on listening, comprehension, and conversational skills. Early reading and writing skills are introduced, as well as fundamental aspects of culture. Equivalent to two years high school Spanish. NR

SPAN 1A
INTRODUCTORY ELEMENTARY SPANISH
2.5 Units; 3 hours lecture
Transfers: CSU, UC
Corequisite: SPAN 901
Recommended Preparation: College-level reading ability
Designed to develop fundamentals of communicative competence in daily spoken Spanish. Elementary reading and writing will be introduced, as well as fundamental aspects of culture. SPAN 1A is equivalent to the first half of SPAN 1. Combination of SPAN 1A and 1B is equivalent to two years high school Spanish. NR

SPAN 1B
CONTINUING ELEMENTARY SPANISH
2.5 Units; 3 hours lecture
Transfers: CSU, UC
Prerequisite: SPAN 1A or 1 year of high school Spanish
Corequisite: SPAN 901
Reviews and expands the fundamentals of communicative competence in daily spoken Spanish. There is increased emphasis on reading and writing skills, as well as fundamental aspects of culture. SPAN 1B is equivalent to the second half of SPAN 1. Combination of SPAN 1A and 1B is equivalent to two years high school Spanish. NR

SPAN 2
ELEMENTARY SPANISH
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: SPAN 1 or 1B or two years of high school Spanish
Corequisite: SPAN 902
Designed to further the fundamentals of communicative competence in daily spoken Spanish. Although the focus remains on listening comprehension and speaking, reading and writing skills will be expanded. This course continues the familiarization with customs and cultural achievements begun in the previous semester. NR

SPAN 3
INTERMEDIATE SPANISH
5 Units; 5 hours lecture
Transfers: CSU, UC
Corequisite: SPAN 903
Intermediate level course focuses on fluency in reading, writing, speaking, and listening. Continues the study of Spanish cultures. NR

SPAN 4
INTERMEDIATE SPANISH
5 Units; 5 hours lecture
Transfers: CSU, UC
Prerequisite: SPAN 3 or four years of high school Spanish
Corequisite: SPAN 904
Emphasizes fluency in speaking, reading, writing, and comprehension of Spanish. Includes selected readings and discussions from the basic four genres in Hispanic- American literature, culture, and customs. NR

SPAN 6
INTERMEDIATE SPANISH
GRAMMAR AND COMPOSITION
3 Units; 3 hours lecture
Transfers: CSU, UC
Prerequisite: SPAN 4
Brief review and intensive practice of fundamentals of Spanish grammar followed by study and application of advanced grammatical concepts. Practice in writing essays and summaries in Spanish based on a variety of topics and sources. Continues to refine speaking and listening skills. NR
SPAN 10
INTERMEDIATE CONVERSATIONAL SPANISH
3 Units; 3 hours lecture
Transfers: CSU, UC
Prerequisite: SPAN 2 or three years of high school Spanish
Designed to develop fluency in Spanish. The emphasis is on both formal and informal expression and conversation in Spanish. NR

SPAN 20A
CIVILIZATION OF SPAIN
THROUGH 1898
3 Units; 3 hours lecture
Transfers: CSU, UC
Prerequisite: SPAN 2 or three years of high school Spanish
Focuses on the geography, history, and institutions of Spain, life and culture of the people, literature, music, and art through 1898. Conducted in Spanish. NR

SPAN 20B
CIVILIZATION OF SPAIN
1898 TO PRESENT
3 Units; 3 hours lecture
Transfers: CSU, UC
Prerequisite: SPAN 2 or three years of high school Spanish
Focuses on the geography, history, and institutions of Spain, life and culture of the people, literature, music, and art from 1890 to present. Conducted in Spanish. NR

SPAN 21A
CIVILIZATION OF LATIN AMERICA
THROUGH 1900
3 Units; 3 hours lecture
Transfers: CSU, UC
Prerequisite: SPAN 2 or three years of high school Spanish
Focuses on the geography, history, and institutions of Latin America, life and cultures of the people, literature, music, and art through 1900. Conducted in Spanish. NR

SPAN 21B
CIVILIZATION OF LATIN AMERICA
1900-PRESENT
3 Units; 3 hours lecture
Transfers: CSU, UC
Prerequisite: SPAN 2 or three years of high school Spanish
Focuses on the geography, history, and institutions of Latin America, life and culture of the people, literature, music, and art from 1900 to present. Conducted in Spanish. NR

SPAN 21C
HISPANIC CULTURE AND LITERATURE IN THE UNITED STATES
3 Units; 3 hours lecture
Transfers: CSU, UC
Prerequisite: SPAN 2 or three years of high school Spanish
Focuses on the influence in the life, culture and literature of the different Hispanic groups in the United States. NR

SPAN 250
PRACTICAL SPANISH
1 Unit; 3 hours lecture
Emphasizes conversational skills in Spanish as applied to everyday situations including business, travel, and related topics. Consideration also given to cultural topics. Assumess no prior knowledge of the language. NR

SPAN 289
SPECIAL TOPICS

SPANISH LANGUAGE LAB
0.25 Unit; 1 hour learning center
Corequisite: SPAN 4
Requires concurrent enrollment in Spanish 4 course. Enhances and provides practice in skills learned in Spanish 4 language course. NR

Special Education
SE 101
INTRODUCTION TO THERAPY AND REHABILITATION
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Designed to provide information and practical experience to students pursuing a career in physical therapy, occupational therapy, recreation therapy, adapted physical education, speech pathology or other health care fields that work with disabled or injured populations. NR

SE 102
ADAPTED KINESIOLOGY ASSISTING
0.5 Unit; 3 hours lab
1 Unit; 6 hours lab
1.5 Units; 9 hours lab
Transfers: CSU
Recommended Preparation: SE 101
Designed to provide practical experience and fundamental application of applied exercise for disabled students active in an adapted physical education program. Students have the opportunity to work with a wide range of students with varying degrees and types of disabilities and disease manifestations. NR

Special Services
SPS 115
ALTERNATIVE LEARNING STRATEGIES
3 Units; 3 hours lecture
Transfers: CSU
Recommended Preparation: Diagnostic assessment
Provides students with learning disabilities an opportunity to identify their individual learning styles and to develop effective individualized study and test-taking strategies. The course introduces disability terms and concepts and various learning modes and encourages students to explore alternative learning strategies and study techniques. NR

SPS 205
PERSONAL AWARENESS AND SUCCESS STRATEGIES
1.5 Units; 1.5 hours lecture
Recommended Preparation: Verification of disability and recommendation of Special Services counselor or specialist
Designed to help students with disabilities achieve goals and improve self-understanding and self-advocacy/communication skills. Includes college success strategies, legal rights and responsibilities, ethics, making wise choices, and utilizing available supportive resources. NR
SPS 289

SPECIAL TOPICS

Units and Hours Vary

The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

SPS 300

EDUCATIONAL PLANNING, ASSESSMENT, AND ORIENTATION

0 Unit; 0.5 hours lab

Recommended Preparation: Conference with Special Services counselor or specialist

Designed to assess and evaluate educational, cognitive and/or communication performance and achievement levels for students with disabilities. Develop the student education contract/plan and determines appropriate accommodations for learning. Orientation to supportive services and specialized learning outcomes. Offered on an open-entry/open-exit basis. NR

SPS 310

MEMORY AND ATTENTION SKILLS

3 Units; 3 hours lecture

Recommended Preparation: Conference with college Special Services counselor or specialist

Designed to provide students with disabilities an understanding of how the memory system is organized and how it works. The relationship between attention and memory is addressed and factors impacting these skills recognized. Students will identify individual attention and memory difficulties and learn practical strategies to compensate for deficits. NR

SPS 315

LEARNING DEVELOPMENT PRACTICUM

1.5 Units; 3 hours lab

Recommended Preparation: Verification of disability and/or diagnostic assessment

Designed as specialized prescriptive instruction based on individual needs focusing on basic skills development. Structured for the student with learning disabilities and is offered on an open-entry/open-exit, credit/no-credit basis. NR

SPS 316

SUCCESS STRATEGIES FOR BASIC MATHEMATICS

1 Unit; 1 hour lecture

Designed for those needing support and instruction in test taking, study skills, organization, critical thinking and self-management while enrolled in a basic or developmental arithmetic course. Awareness of anxiety and stress management techniques will be discussed in addition to specific learning strategies (note-taking, reading a text book, test-taking, etc.) as they apply to mathematics. Provides support in test taking, study skills, organization, critical thinking and self-management while enrolled in basic/developmental math. Awareness of anxiety and stress management techniques will be discussed in addition to specific learning strategies (note-taking, reading a text book, test-taking) as they apply to situations commonly occurring in a basic arithmetic course. NR

SPS 325

BASIC COMPUTATIONAL SKILLS

3 Units; 3 hours lecture

Recommended Preparation: Conference with Special Services counselor or specialist

Designed for students with learning disabilities who need to review the basics of mathematical computation. Course topics include learning and compensatory strategies in relation to basic computation, including whole numbers, fractions, decimals, percentages, ratios and proportions. NR

SPS 330

WRITING DEVELOPMENT PRACTICUM

3 Units; 3 hours lecture

Recommended Preparation: Diagnostic assessment

Designed as specialized prescriptive instruction based on diagnosis of individual need in the specific area of written communication. Structured for the student with specific learning disabilities. NR

SPS 340

PHONETIC STRUCTURE FOR READING AND SPELLING

3 Units; 3 hours lecture

Recommended Preparation: Verification of disability and/or diagnostic assessment

Designed as specialized prescriptive instruction based on diagnosis of individual need in the specific areas of spelling and reading. Structured for the student with learning disabilities. NR

SPS 342

SPEECH, LANGUAGE & CONVERSATION

2 Units; 2 hours lecture

Recommended Preparation: Verification of disability and completed Student Education Contract

Focuses on an improved understanding of the strategies and skills needed to develop more effective expressive language skills and interpersonal communication skills for people with disabilities. Students will explore the area of speech production, verbal language expression, auditory comprehension, pragmatic communication, dialogues, and oral presentations. Students will also become familiar with software to further develop strategies for verbal communication. NR

SPS 345

LIPREADING AND HEARING CONSERVATION

3 Units; 3 hours lecture

Designed to enable students to develop and practice lipreading skills necessary for social functioning. Helps the student to better understand his or her own hearing loss. NR

SPS 360

ADAPTED COMPUTER ACCESS LAB

1 Unit; 2 hours lab

Recommended Preparation: Verification of disability and/or diagnostic assessment. Ability to work independently with access technology.

Provides supervised hands-on opportunities to acquire and reinforce skills using computers, software, and access technology for students with disabilities. This course is offered on an open-entry/open-exit, credit/no-credit basis. NR

SPS 389

SPECIAL TOPICS

Units and Hours Vary

The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR
Special Studies Workshop

SPSW 200
SPECIAL STUDIES WORKSHOP
Units and Hours Vary

A Special Studies Workshop course offers advanced study in the subject matter offered at the college in which a particular course is not offered. Special Studies Workshop courses are offered to groups of students to pursue nontraditional educational experiences where regular course offerings are not available, for non-department interdisciplinary study, to experiment with pilot courses, and/or to meet particular community educational needs. Prior to enrollment, a learning contract must be executed whereby the contracted hours and areas of study are clearly delineated and the means of subject matter mastery and evaluation are delineated. A Special Studies Workshop course requires the approval of the appropriate division dean and the Office of Instruction.

Speech

SP 1
COMMUNICATION FUNDAMENTALS
3 Units; 3 hours lecture
Transfers: CSU, UC

Designed to enable the student to understand and use the processes of communication in the making of personal and social decisions in everyday life, including an understanding of problems and propositions; organizations and development of thought processes; support of ideas; and methods of research, criticism and evaluation. Platform speaking experience will be required. NR

SP 2
PERSUASION
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: SP 1 and ENG 1A with a grade of “C” or better

Examines the components of persuasive messages with focus upon ethics, logic, reasoning, and fallacies as they relate to the use of evidence, speaker credibility, and emotional appeals directed toward various types of audiences. A minimum of two persuasive speech claims will be developed through a series of written outlines, essays, and manuscripts. NR

SP 3
ARGUMENTATION AND DEBATE
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: SP 1 and ENG 1A with a grade of “C” or better

Focuses on the application of argumentative methods, analysis, sound reasoning, and critical thinking. Through participation in two types of debates on current topics and writing a series of persuasive essays totaling eight to ten thousand words, students will research, formulate propositions, and discover culturally diverse issues as they apply to social and personal decision-making. NR

SP 5
INTERPERSONAL COMMUNICATION
3 Units; 3 hours lecture

Introduction to strategies and behaviors in all aspects of the interpersonal communication process. Includes study of self-concept, relationships, perception, listening, verbal and non-verbal communication. NR

SP 8
GENDER COMMUNICATION
3 Units; 3 hours lecture
Transfers: CSU, UC

Focuses on the interactive relationships between gender and communication designed to enable the student to better understand how communication takes place between men and women in various settings. Includes verbal and nonverbal aspects of communication; social and cultural expectations and roles; and problem analysis and decision-making specific to gender conflict. Enables students to appreciate gender differences and to listen and interact more effectively. NR

SP 20
INTERCULTURAL COMMUNICATION
3 Units; 3 hours lecture
Transfers: CSU, UC

Designed to reveal how culture influences interaction patterns. Includes the theory and the process of communicating with people across cultural, ethnic, and racial divides, interaction in various contexts such as interpersonal relationships, small groups, and work environments. NR

SP 30
INTRODUCTION TO ORAL INTERPRETATION
3 Units; 3 hours lecture
Transfers: CSU, UC

Survey of prose, poetry, and drama. Focuses on the analysis and criticism of literature, examines various interpretive theories within the context of the period written. Students will present and perform literary selections. Also listed as TA 30. Credit given in either area, not both. NR

SP 32
INTERPRETERS’ THEATRE
3 Units; 3 hours lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: SP 30 or TA 30

Stressing the techniques of script preparation, direction, and staging of literature. Course work will culminate in a student-performed and directed Interpreters’ Theatre. Also listed as TA 32. Credit given in either area, not both. NR

SP 106
FORENSICS ACTIVITY
1 Unit; 1 hour lecture; 1 hour lab
2 Units; 2 hours lecture; 2 hours lab
3 Units; 3 hours lecture; 3 hours lab
Transfers: CSU

Emphasizes preparation and presentation of materials for college-sponsored speech and forensic activities, tournaments and festivals, high-school assemblies, and civic organizations. Events include debate, public speaking, and oral interpretation of literature. Participation is required for credit. Offered as open-entry/open-exit. R-E-3

SP 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU

The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

Theatre Arts

TA 1
FUNDAMENTALS OF ACTING
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU, UC

Fundamentals of acting establishes a working vocabulary and basic skills of the acting process. Through exercises and improvisations, the actor explores imagination as the actor’s primary resource and the basic approach to text through action. NR

TA 2
SCENE STUDY I
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU, UC
Prerequisite: TA 1

Focuses on beginning scene study with an emphasis on exploring action/objective, characterization, and ensemble performance, working toward a realization of method of approach. NR
TA 3
SCENE STUDY II
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU, UC
Prerequisite: TA 2
Further study in the application of the given circumstances to a text and the development of characterization. Performing scenes from the plays of Ibsen, Chekhov, and Pinter is stressed. NR

TA 4
ACTING STYLES I
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU, UC
Prerequisite: TA 3
Devoted to the training of classical styles, including Greek, Romanesque, Elizabethan, and Commedia del Arte. NR

TA 5
ACTING STYLES II
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU, UC
Prerequisite: TA 3
Devoted to the training of contemporary styles from 1945 to the present, including such styles as Absurdism. NR

TA 10
MUSICAL THEATRE TECHNIQUES
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU, UC
Prerequisite: TA 3
Principles and techniques of the various performance methods and styles involved in performing for the musical theatre. Solo and choral singing, dancing, and acting will be taught through a series of exercises. NR

TA 11
STAGE MOVEMENT
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU, UC
Prerequisite: TA 3
Designed to assist students in using their physical movements to embellish and augment characterization. Principles of mime and pantomime will supplement the concepts of psychological and physical sources of movement. NR

TA 12
DIRECTING
3 Units; 3 hours lecture
Transfers: CSU, UC
Recommended Preparation: TA 1
An introduction to the role of the director in modern theatrical production. Study of the director’s interpretation of dramatic literature, with emphasis on the communication of intellectual and emotional concepts through composition, picturization, movement, and rhythm. NR

TA 15
REHEARSAL AND PERFORMANCE: DRAMA
2 Units; 6 hours lab
Transfers: CSU, UC
Emphasizes the preparation of serious dramatic productions for public performance, including acting, technical, and production management. Open-entry/open-exit course. R-E-3

TA 16
REHEARSAL AND PERFORMANCE: COMEDY
2 Units; 6 hours lab
Transfers: CSU, UC
Emphasizes the preparation of comic productions for public performance, including acting, technical, and production management. Open-entry/open-exit course. R-E-3

TA 17
REHEARSAL AND PERFORMANCE: MIXED GENRES
2 Units; 6 hours lab
Transfers: CSU, UC
Emphasizes the preparation of comic productions of mixed genres for public performance including acting, technical and production management. Open-entry/open-exit course. R-E-3

TA 18
REHEARSAL AND PERFORMANCE: DANCE
1 Unit; 3 hours lab
Transfers: CSU, UC
Emphasizes the preparation of a dance production, including dance concerts, musical theatre production, and operas. Open-entry/open-exit course. R-E-3

TA 19
REHEARSAL AND PERFORMANCE: MUSICAL THEATRE
2 Units; 6 hours lab
Transfers: CSU, UC
Emphasizes the preparation of musical theatre productions comprised of mixed genres for public performance including acting, technical, and production management. Open-entry/open-exit course. R-E-3

TA 20
THEATRE APPRECIATION
3 Units; 3 hours lecture
Transfers: CSU, UC
Examines theatre, art, history, the role of the actor and director, and exemplary plays. NR

TA 22
MUSICAL THEATRE HISTORY AND APPRECIATION
3 Units; 3 hours lecture
Transfers: CSU, UC
Introduces the student to the history and literature of the musical theatre from mid-19th century to present day. Explores the stylistic distinctions found in the musical as well as its social and cultural significance. Emphasis is placed on the contributions and influence of the individual writer, composer, or lyricist. NR

TA 25
THEATRE HISTORY: PRIMITIVE TO RENAISSANCE
3 Units; 3 hours lecture
Transfers: CSU, UC
Reading and discussion of representative plays from the major forms of world drama since the Renaissance. Emphasis on themes, characterization, and dramatic structure from primitive ritual through the great playwrights of Greece, Rome, and Medieval and Renaissance Europe. Consideration of philosophical and cultural backgrounds and production styles influencing the staging of the plays. NR

TA 26
THEATRE HISTORY: RENAISSANCE TO CONTEMPORARY
3 Units; 3 hours lecture
Transfers: CSU, UC
Reading and discussing significant plays selected from the major forms of world drama since the Renaissance. Emphasis on themes, characterization, and philosophical and cultural influences on content and production styles. NR

TA 30
INTRODUCTION TO ORAL INTERPRETATION
3 Units; 3 hours lecture
Transfers: CSU, UC
Survey of prose, poetry, and drama. Focuses on the analysis and criticism of literature, examines various interpretive theories within the context of the period written. Students will present and perform literary selections. Also listed as SP 30. Credit given in either area, not both. NR

TA 32
INTERPRETERS’ THEATRE
3 Units; 3 hours lecture; 2 hours lab
Transfers: CSU, UC
Recommended Preparation: SP 30 or TA 30
Stressing the techniques of script preparation, direction, and staging of literature. Course work will culminate in a student-performed and directed Interpreters’ Theatre. Also listed as SP 32. Credit given in either area, not both. NR

TA 35
VOICE AND DICTION
3 Units; 3 hours lecture
Transfers: CSU, UC
Emphasizing principles and practices in vocal and articulatory development and control, drills in phonation, resonance, and vocal variety, drills for clarity and ease in articulation. NR
TA 43
STAGE MAKE-UP
1 Unit; 3 hours lab
Transfers: CSU, UC
A study of theory and practice in make-up for the stage. Emphasis on the development of individual skill in techniques of character analysis, application in pigment, hair design, and selection and use of equipment. Crew assignment for college productions is required and will provide instruction in make-up techniques. NR

TA 108
AUDITION TECHNIQUES
3 Units; 2 hours lecture; 3 hours lab
Transfers: CSU
Emphasizes the process of auditions, cold readings, script analysis, interviews and unrehearsed scenes. Includes resume writing techniques, interview techniques and casting instruction for the actor. NR

TA 113
REHEARSAL AND PERFORMANCE: CHILDREN’S THEATRE
2 Units; 6 hours lab
Transfers: CSU
Emphasizes the preparation of play production for the child audience for public performance. This course is open-entry/open-exit course. R-E-3

TA 125
REHEARSAL AND PERFORMANCE: NEW WORKS — MUSICAL
2 Units; 6 hours lab
Transfers: CSU
Limitation: Audition
Recommended Preparation: TA 1 and 10
Emphasizes the preparation of new work for the musical theatre. Character analysis, script analysis, and development of a new work or previously unpublished work. Class will culminate in a public ‘staged reading’ of a new theatrical work. NR

TA 189
SPECIAL TOPICS
Units and Hours Vary
Transfers: CSU
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

TA 210
SCENE STUDY FOR AMERICAN MUSICAL THEATRE
3 Units; 2 hours lecture; 3 hours lab
Recommended Preparation: TA 10
Concentrates on scene study, characterization, song repertory, and ensemble performance in American musical theatre. NR

TA 211
MUSICAL THEATRE AUDITION TECHNIQUES
3 Units; 2 hours lecture; 3 hours lab
Recommended Preparation: MUS 1, TA 10
Designed for students preparing to audition for musical theatre productions. Every aspect of the musical audition will be addressed, emphasizing music selection, preparation, and building of repertoire. NR

TA 212
MUSICAL THEATRE MOVEMENT AND DANCE
3 Units; 2 hours lecture; 3 hours lab
Designed to give students understanding and practical knowledge of musical theatre movement and dance. Emphasis is on the understanding and execution of the fundamental skills basic to musical theatre and musical theatre dance. Includes history, audition techniques, and choreography of musical theatre movement and dance. NR

TA 213
PUPPET-MAKING AND PERFORMANCE
1 Unit; 3 hours lab
Designed for theatre students, art students and teachers, psychologists, and those interested in puppetry. Tabletop puppets, hand puppets, rod puppets and string puppets will be covered. Students construct at least two puppets using additive sculpture techniques, body construction, painting, costuming, and wigging techniques. NR

TA 214
AUDITION AND INTERVIEW TECHNIQUES FOR KCACTF AND URTA
1 Unit; 3 hours lab
Develops technical skills, acting skills and interview skills specific to participation in the Kennedy Center American Theatre Festival auditions and the University Resident Theatre Association auditions. R-E-3

TA 215
SUMMER CONSERVATORY MUSICAL THEATRE
2 Units; 6 hours lab
Limitation: By audition only
Specializes in musical theatre training as a cast member for a theatrical production originally written and performed from 1900-1942. A combination of TA 250, 251, 252, 253, 254, and 255 may be taken four times. NR

TA 252
SUMMER CONSERVATORY EARLY 20TH CENTURY MUSICAL THEATRE
2 Units; 6 hours lab
Limitation: By audition only
Specializes in musical theatre training as a cast member for a theatrical production originally written and performed from 1900-1942. A combination of TA 250, 251, 252, 253, 254, and 255 may be taken four times. NR

TA 253
SUMMER CONSERVATORY MID 20TH CENTURY MUSICAL THEATRE
2 Units; 6 hours lab
Limitation: By audition only
Specializes in musical theatre training as a cast member for a theatrical production originally written and performed from 1943-1966. A combination of TA 250, 251, 252, 253, 254, and 255 may be taken four times. NR

TA 254
SUMMER CONSERVATORY LATE 20TH CENTURY MUSICAL THEATRE
2 Units; 6 hours lab
Limitation: By audition only
Specializes in musical theatre training as a cast member for a theatrical production originally written and performed from 1967-1999. A combination of TA 250, 251, 252, 253, 254, and 255 may be taken four times. NR

TA 255
SUMMER CONSERVATORY CONTEMPORARY MUSICAL THEATRE
2 Units; 6 hours lab
Limitation: By audition only
Specializing in musical theatre training as a cast member for a theatrical production originally written and performed after 2000. A combination of TA 250, 251, 252, 253, 254, and 255 may be taken four times. NR

TA 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

TA 290
ACTING FOR TELEVISION AND FILM
3 Units; 2 hours lecture; 3 hours lab
Principles and techniques of various performance methods involved in acting for television and motion pictures. Directed exercises and dramatic scenes (formerly TA 7). NR
Travel and Tourism

TOUR 250
INTRODUCTION TO TRAVEL & TOURISM
3 Units; 3 hours lecture
Introduction to the basics of the travel industry and its various avenues for an exciting career. Methods and practices for locating both domestic and international tickets for domestic and international itineraries, routes, tariffs, and fares. Understanding travel industry documents for domestic and international itineraries. Documentation requirements and travel regulations will be covered. NR

TOUR 252
WORLD DESTINATIONS AND RESORTS — WESTERN HEMISPHERE
3 Units; 3 hours lecture
Provides knowledge of hotels, sightseeing and tourist attractions, geographical locations, and local transportation in major destinations within the Western hemisphere. Areas covered include the 48 contiguous United States, Alaska, Hawaii, Mexico, Canada, the Caribbean, the Bahamas and Bermuda Islands, and Central and South America. NR

TOUR 253
WORLD DESTINATIONS — EUROPE
3 Units; 3 hours lecture
Study sightseeing highlights, tourist attractions, currency, customs and local transportation in major destinations within the most visited countries of Europe. NR

TOUR 254
WORLD DESTINATIONS — PACIFIC, ASIA, AFRICA, MIDDLE EAST
3 Units; 3 hours lecture
Study accommodations, sightseeing highlights, tourist attractions, currency, customs and local transportation in countries most visited by American tourists in Africa, the Middle East, Asia, and the Pacific. NR

TOUR 255
SELLING DREAMS — THE TRAVEL INDUSTRY
3 Units; 3 hours lecture
Identifies the many segments of the Travel Industry including Airlines, Hotels, Cruises, Tours, Car Rentals, and Rail. Summarizes their place and importance to the traveling public. Serves as an introduction into the travel industry and related positions and careers. Analyzes the differences between sales and marketing. Explores target marketing, demographics, how to sell, advertising, telephone sales, resume writing and interviewing. NR

TOUR 257
TOURS AND CRUISES
3 Units; 3 hours lecture
Methods and practices for booking tours and cruises worldwide. Fundamentals of the tour and cruise industry, including various products and comparisons. NR

TOUR 259
AIRLINE COMPUTER TRAINING
2 Units; 1 hour lecture; 2 hours lab
Recommended Preparation: TOUR 250
Designed for advanced travel and tourism students with emphasis on basic SABRE computer training including P.N.R. (Passenger Name Record). NR

TOUR 260
ADVANCED AIRLINE COMPUTER TRAINING
2 Units; 1 hour lecture; 2 hours lab
Recommended Preparation: TOUR 259
Designed for the advanced travel and tourism students with emphasis on advanced SABRE computer training, including invoice/itinerary and PHASE IV applications. NR

TOUR 289
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

Tutoring

TU 100
FUNDAMENTALS OF PEER TUTORING
2 Units; 1 hour lecture; 2 hours lab
Transfers: CSU
A general introduction to the role of the tutor in education. Focuses on the practical skills and theories of learning necessary to function effectively as a peer tutor in the student's approved area(s) of tutoring. Training in learning styles, using questioning techniques, college resources, prioritizing feedback, and modeling will be provided. Individual differences in learning styles will be discussed and the importance of encouraging independence and good study habits will be stressed. Students will participate in supervised tutoring in the college Learning Resource Center. NR

TU 300
SUPERVISED TUTORING
0 Unit; 12 hours learning center
Designed to provide assistance for students who require additional support in their courses at the college. Students are assisted by trained tutors who promote self-regulated learning, critical thinking, and problem solving on the part of student learners. Students are trained to monitor their own learning processes. This course is open-entry/open-exit. R-E-99

Women’s and Gender Studies

WS 10
INTRODUCTION TO WOMEN’S STUDIES
3 Units; 3 hours lecture
Transfers: CSU, UC
An exploration of the impact of social institutions and cultural practices on the lives of women in the contemporary United States. Focuses on the ways in which differences of race, ethnicity, class, sexuality, and age define women’s experiences and identities. NR

WS 31
GENDER AND POPULAR CULTURE
3 Units; 3 hours lecture
Transfers: CSU, UC
Examines how forms of popular culture such as advertising, film, television and music construct gender and how these constructions become cultural norms. Explores how popular culture defines and shapes ideas of women, men, race, and sexuality. NR

WS 120
WOMEN AND CAREERS
3 Units; 3 hours lecture
Transfers: CSU
Complete process of self-evaluation, decision-making, and goal setting. Offers the opportunity to reassess career aspirations, to explore the current job market, and to become acquainted with successful job-hunting and career-planning techniques. NR
Emeritus Accounting

ACCT 229X
IMPROVING INVESTMENT PERFORMANCE (EI)
0 Unit; 1 hour lecture
0 Unit; 2 hours lecture
Focuses on maximizing investment performance for the beginning and experienced investor, including strategies critical to the formation, preservation and growth of financial assets. R 99

ACCT 232X
STOCKS AND BONDS MANAGEMENT (EI)
0 Unit; 1 hour lecture
0 Unit; 2 hours lecture
Discusses the dynamics of global economics, stock and bond markets, and mutual funds with an emphasis on helping investors develop an informed and strategic investment philosophy. R 99

ACCT 299
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course. NR

Emeritus Adapted Physical Education

See Emeritus Kinesiology – Adapted

Emeritus Art

ART 10X
CERAMICS HANDBUILDING (EI)
0 Unit; 0.5 hours lecture; 1 hour lab
0 Unit; 1 hour lecture; 2 hours lab
A practical and historical introduction to the core aspects of the ceramics process. The course will include handbuilding, trimming and finishing, firing and glazing. R 99

ART 11X
BEGINNING CERAMICS-WHEEL (EI)
0 Unit; 1 hour lecture; 2 hours lab
Introduction to beginning techniques of ceramics wheel building, with emphasis on traditional shapes and forms. Includes wheel throwing techniques, trimming and finishing, firing and glazing. R 99

ART 12X
INTERMEDIATE CERAMICS (EI)
0 Unit; 0.5 hours lecture; 1 hour lab
0 Unit; 1 hour lecture; 2 hours lab
Recommended Preparation: ART 10X
Covers theory, materials, and techniques of ceramics at an intermediate level. Includes design-forming techniques, use of the potter's wheel, glazing, and firing. R 99

ART 13X
ADVANCED CERAMICS (EI)
0 Unit; 1 hour lecture; 2 hours lab
Recommended Preparation: ART 12X
Course directs advanced projects in ceramics with emphasis on the potter's wheel. Evaluation of forms and creative use of ceramic concepts and materials will be emphasized. Design, forming and glazing techniques will be presented. R 99

ART 14XA
BEGINNING CERAMICS — SLIPCASTING (EI)
0 Unit; 1 hour lecture; 0.5 hours lab
0 Unit; 1 hour lecture; 2 hours lab
Theory and history of ceramics as well as basic techniques in ceramic slipcasting, including pouring low fire slip into molds, finishing, carving, underglazes, glazes, and overglaze applications, plus firing processes. R 99

ART 14XB
INTERMEDIATE CERAMICS — SLIPCASTING (EI)
0 Unit; 1 hour lecture; 2 hours lab
Recommended Preparation: ART 14XA
Intermediate level theory and technique in low firing clay to high porcelain slip-casting. Exploration of basic functions, forms, color, glazing and decorative techniques. R 99

ART 14XC
ADVANCED CERAMICS — SLIPCASTING (EI)
0 Unit; 1 hour lecture; 2 hours lab
Recommended Preparation: ART 14XA and ART 14XB
Advanced ceramic slipcasting techniques including concepts in advanced surface and color in the low fire ceramic process. Advanced glaze concepts and ceramic product development will be emphasized including specialty glazes and advanced use of ceramic forms. R 99

ART 14XD
ART OF CERAMIC DECORATING (EI)
0 Unit; 1 hour lecture; 2 hours lab
Theory and techniques for application of translucent underglaze, review of basic underglaze, techniques in specialty glaze, and transfer designs. Students' advanced projects will provide for application of theory and practice of techniques. R 99

ART 20X
ART APPRECIATION (EI)
0 Unit; 2 hours lecture
Focuses on the fundamentals and aesthetics of the visual arts, as well as the major developments that shaped the evolution of Western art. R 99

ART 25X
ART HISTORY (EI)
0 Unit; 2 hours lecture
Surveys the history of Western art. Focuses on major works and artists of lasting significance from prehistoric to the modern times. R 99

ART 28X
CONTEMPORARY ART AND CULTURE (EI)
0 Unit; 2 hours lecture
Emphasis on 20th century art, culture, and architecture. Explores cultural forces that shaped the arts and how the arts, in turn, shaped diverse cultures. R 99

ART 31XA
BEGINNING INTARSIA (EI)
0 Unit; 2 hours lecture; 1 hour lab
Recommended Preparation: ART 61XA
Techniques to create multiple types of intarsia or inlaid stones forming landscapes, geometric designs, color designs, faces and people, birds and animals. R 99

ART 31XB
INTERMEDIATE INTARSIA (EI)
0 Unit; 1 hour lecture; 2 hours lab
Recommended Preparation: ART 31XA
Develop a perspective of intarsia by size and color. Advanced methods in pointing and fitting of stone, and channel work are included. R 99

ART 33XA
BEGINNING ENAMELING (EI)
0 Unit; 1 hour lecture; 2 hours lab
Introductory studio course on basic enameling techniques for the beginner. R 99

ART 33XB
INTERMEDIATE ENAMELING (EI)
0 Unit; 1 hour lecture; 2 hours lab
Recommended Preparation: ART 33XA
A studio course emphasizing traditional and contemporary concepts, processes, and techniques in enameling at an intermediate level. R 99

ART 35XA
BEGINNING STAINED GLASS (EI)
0 Unit; 1 hour lecture; 2 hours lab
Fundamental approach for working with stained glass using the copper-foil and lead came technique, in two and/or three-dimensional projects. R 99
ART 35X
ADVANCED STAINED GLASS (EI)
0 Unit; 1 hour lecture; 2 hours lab
Recommended Preparation: ART 35XA
Designed to explore the possibilities of working in glass by utilizing the kiln to fuse, tack, and slump objects using tested compatible glass. Create a variety of projects incorporating techniques learned in previous ‘cold glass’ courses. R 99

ART 36XA
BEGINNING JEWELRY METAL FABRICATION (EI)
0 Unit; 0.5 hours lecture; 1 hour lab
0 Unit; 1 hour lecture; 2 hours lab
A studio course emphasizing the concepts, processes and techniques involved in the making of jewelry. Includes demonstration and practice in the design and construction of jewelry fabricated for decorative wear. R 99

ART 36XB
INTERMEDIATE JEWELRY METAL FABRICATION (EI)
0 Unit; 0.5 hours lecture; 1 hour lab
0 Unit; 1 hour lecture; 2 hours lab
Recommended Preparation: ART 36XA
A studio course introducing intermediate methods, materials, designs and practices in the construction of jewelry by metal fabrication. Includes ring, chain, and brooch design, enameling, and the decoration and setting of stones. Necessary tools and types of metals will be discussed. R 99

ART 36XC
ADVANCED JEWELRY METAL FABRICATION (EI)
0 Unit; 1 hour lecture; 2 hours lab
Recommended Preparation: ART 36XB
A studio course offering advanced theory and methods, materials, designs and practices in the construction of complex jewelry by metal fabrication such as adding color to metal. Includes the study of metal chain construction, stone mountings, box construction, fringes, repousse, milling, enameling, textured surfaces and bead construction. Production methods will be discussed. R 99

ART 39XA
BEGINNING JEWELRY DESIGN
LOST WAX (EI)
0 Unit; 1 hour lecture; 2 hours lab
A studio course offering theory, demonstration, design and construction in the lost wax casting process of creating metal jewelry for decorative wear. R 99

ART 39XB
INTERMEDIATE JEWELRY DESIGN
LOST WAX (EI)
0 Unit; 1 hour lecture; 2 hours lab
Recommended Preparation: ART 39XA
A studio course offering advanced methods in the design and construction in the lost wax casting process to create metal jewelry for decorative wear. Emphasizes the design and development of complex projects including mold making. R 99

ART 41X
ART MEDIA STUDIES (EI)
0 Unit; 1 hour lecture; 2 hours lab
Introduction to art media and related fine arts processes. Traditional and contemporary processes in fine art/mixed media and related processes including drawing, painting, printmaking, collage and assemblage in both two-dimensional and three-dimensional art forms. R 99

ART 50X
BEGINNING PAINTING IN OIL/ACRYLIC (EI)
0 Unit; 0.5 hours lecture; 1 hour lab
0 Unit; 1 hour lecture; 2 hours lab
Includes the basic elements of drawing, color, design and painting as the older adult learns the use of materials and techniques in oil, acrylic, and other media. Emphasizes individual style and expression. R 99

ART 51X
INTERMEDIATE PAINTING IN OIL/ACRYLIC (EI)
0 Unit; 1 hour lecture; 2 hours lab
Recommended Preparation: ART 50X
A studio course introducing the techniques in oils, watercolors, and/or pastels.

ART 52X
ADVANCED PAINTING IN OIL/ACRYLIC (EI)
0 Unit; 0.5 hours lecture; 1 hour lab
0 Unit; 1 hour lecture; 2 hours lab
Recommended Preparation: ART 51X
Designed for older adults who have basic knowledge of color, composition and perspective and who wish to improve techniques, develop creativity and use their own resource materials. Introduction of techniques into abstract and non-objective painting in oil, acrylic, and other media. R 99

ART 53X
PAINTING IN SUBJECT AREAS (EI)
0 Unit; 0.5 hours lecture; 1 hour lab
0 Unit; 1 hour lecture; 2 hours lab
Recommended Preparation: ART 52X
Provides theory and demonstration of materials, applications, and techniques in a variety of subject matter and art mediums. Various exercises in the use of material, composition, perspective, and values. R 99
ART 59X
INTERMEDIATE/ADVANCED WATERCOLOR (EI)
0 Unit; 0.5 hours lecture; 1 hour lab
0 Unit; 1 hour lecture; 2 hours lab
Recommended Preparation: ART 58X
Utilizing and incorporating color mixing in a broader palette for washes, glazing, and spontaneous interpretation of the subject matter. An increasing emphasis will be placed on individual exploration with the medium.  R 99

ART 61XA
BEGINNING LAPI DARY (EI)
0 Unit; 1 hour lecture; 2 hours lab
Explores the proper usage of lapidary machines for cutting and polishing gemstones: slabsaw, trim saw, grinders, Sanders, lapping wheels, polishers, and drills. Methods include how to cut, trim, grind, dop, sand, polish and set gemstones.  R 99

ART 61XB
INTERMEDIATE LAPI DARY (EI)
0 Unit; 1 hour lecture; 2 hours lab
Recommended Preparation: ART 61XA
Instruction in cutting and polishing gemstones, channel work and intarsia. Topics include: what makes a gemstone, how they occur, types of gemstone deposits, luster, hardness, toughness, and complex lapidary machines.  R 99

ART 70X
BEGINNING SCULPTURE (EI)
0 Unit; 1 hour lecture; 2 hours lab
Introduces sculptural ideas, issues and techniques in clay, wood, and various other media. The student will apply theory and techniques of sculpture in selected materials.  R 99

ART 71X
INTERMEDIATE SCULPTURE (EI)
0 Unit; 0.5 hours lecture; 1 hour lab
0 Unit; 1 hour lecture; 2 hours lab
Recommended Preparation: ART 70X
Includes the creation of sculpture in contemporary as well as historic styles. The use of ceramic clay, soft stone, and synthetic modeling materials with emphasis on both the human and animal figure.  R 99

ART 80X
BEGINNING SKETCHING (EI)
0 Unit; 0.5 hours lecture; 1 hour lab
0 Unit; 1 hour lecture; 2 hours lab
Basic drawing techniques with emphasis on individual artistic expression. Still life, student model, and location work will be done in the classical media of pencil, charcoal and pastel.  R 99

ART 81X
INTERMEDIATE SKETCHING (EI)
0 Unit; 1 hour lecture; 2 hours lab
Recommended Preparation: ART 80X
Using traditional sketching media in still life, landscape, and figure drawing. Builds upon basic drawing techniques.  R 99

ART 85X
BEGINNING LIFE DRAWING (EI)
0 Unit; 0.5 hours lecture; 1 hour lab
0 Unit; 1 hour lecture; 2 hours lab
Includes the fundamental structure of the human body, including skeletal and muscular systems. Sketching and drawing exercises allow students practice in portraying the body with reasonable accuracy.  R 99

ART 299
SPECIAL TOPICS
Units and Hours Vary
The Special Topics course is a grouping of short seminars designed to provide students with the latest ideas in a field of study. The course content is thematic in nature and each seminar within the course differs from other offerings in the same course.  NR

Emeritus Biology

BIO 226X
BIRDS OF THE WORLD (EI)
0 Unit; 1 hour lecture; 2 hours lab
Includes bird ancestry, evolution, systematics, distribution, topography, behavior (song, territoriality, migration), and techniques of field identification of birds. Designed for older adults who wish to actively participate in a course outdoors. Includes field trips to local sites.  R 99

Emeritus Computer and Information Management

CIM 299

Emeritus Fashion

FASH 110XA
BEGINNING CLOTHING CONSTRUCTION (EI)
0 Unit; 1 hour lecture; 2 hours lab
This course is for new sewing enthusiasts and emphasizes the operation of a sewing machine, pattern reading, layout and garment construction. Focus on improvement of basic sewing techniques and process. R 99

FASH 110XB
INTERMEDIATE CLOTHING CONSTRUCTION (EI)
0 Unit; 1 hour lecture; 2 hours lab
Recommended Preparation: FASH 110XA
Clothing construction and pattern alterations for personal wardrobe. Examine and utilize commercial patterns, selection of fabric, textures and principles of color design. R 99

FASH 110XC
ADVANCED CLOTHING CONSTRUCTION (EI)
0 Unit; 1 hour lecture; 2 hours lab
Recommended Preparation: FASH 110XA
Advanced techniques in construction of garments. Adjust patterns or use designer patterns for personal and fitted styles. Handling of special fabrics. Fine custom details such as plackets, pockets, waistbands, and finishing techniques. R 99

FASH 124X
WEARABLE ART (EI)
0 Unit; 0.5 hours lecture; 1 hour lab
0 Unit; 1 hour lecture; 2 hours lab
Design and construct a garment or accessory incorporating techniques of surface design, bobbin work, fabric manipulation, embellishment and dimensional texture. Designed for the older learner. R 99

FASH 125X
RIBBON WORK (EI)
0 Unit; 1 hour lecture; 2 hours lab
Learn techniques of ribbon manipulation. Includes classic and contemporary design methods in producing wearable adornments or accessories. Designed for the older adult interested in fashion design. R 99

FASH 283XA
BEGINNING KNITTING (EI)
0 Unit; 1 hour lecture; 2 hours lab
Introduction to knitting theory, techniques and fibers. Lectures include how to cast on, basic stitches, and finishing techniques as well as how to read and understand patterns. Use of test swatches in a class project, understanding gauge, and modification of patterns for personal satisfaction. R 99

FASH 283XB
INTERMEDIATE KNITTING (EI)
0 Unit; 0.5 hours lecture; 1 hour lab
0 Unit; 1 hour lecture; 2 hours lab
Recommended Preparation: FASH 283XA
Develop knitting skills at an intermediate level. Learn new cast-on, cast-off methods, simple pattern combinations, and how to adjust pattern to fit specific size. R 99

FASH 286X
QUILTING AND PATCHWORK (EI)
0 Unit; 1 hour lecture; 2 hours lab
Fundamental quilting/patchwork techniques to include: applique, cathedral windows, crazy quilting, fabric selection, pattern drafting, piecing, reverse applique, and trapunto. R 99

FASH 299

Emeritus Health Sciences

HLTH 501
PHYSICAL FITNESS AND WEIGHT MAINTENANCE (EI)
0 Unit; 1.5 hours lecture; 1.5 hours lab
Principles of achieving and maintaining ideal body composition through lectures and discussions on balanced nutrition and life sustaining exercise strategies designed for the older adult. Principles applied within an aerobic exercises skills lab to enhance cognitive and physical wellness. R 99

HLTH 502
HEALTH AND WELLNESS FOR THE OLDER ADULT (EI)
0 Unit; 1 hour lecture; 1 hour lab
Assesses the physical and mental health processes of aging and stresses the importance of maintaining independence in daily activities. Topics include cognitive abilities, nutrition, diet, exercise, and disease/injury prevention as it relates to the older adult. R 99

HLTH 503
HEALTH AND FITNESS FOR THE OLDER ADULT (EI)
0 Unit; 0.75 hours lecture; 0.75 hours lab
Assesses the physical and mental health processes of aging and stresses the importance of exercise in maintaining independence in daily activities. Topics include cognitive and physical exercise, diet, nutrition, and disease and injury prevention as it relates to the older adult. R 99

HLTH 504
HEALTHY AGING FOR THE OLDER ADULT (EI)
0 Unit; 0.5 hours lecture; 0.5 hours lab
Various health related topics and safe, beneficial exercises intended to promote general health and fitness for older adults will be introduced and discussed. Each class will incorporate information, discussion, and implementation strategies. R 99

Emeritus Music

MUS 19X INTRODUCTION TO OPERA (EI) 0 Unit; 3 hours lecture
Introducing the older adult to techniques used by major composers such as Gluck, Mozart, Rossini, Donizetti, Bellini, Verdi, Wagner, and Puccini who have shaped Western opera. R 99

MUS 20X FOR THE LOVE OF MUSIC (EI) 0 Unit; 3 hours lecture
Introduction to music history for the older adult. Fundamentals of musical composition and major composers that have shaped Western musical developments are studied. R 99

MUS 34X MEN’S AND WOMEN’S CHORAL: BARBERSHOP (EI) 0 Unit; 0.5 hours lecture;
0.5 hours lab 0 Unit; 1 hour lecture; 1 hour lab
Choral ensemble of male and female voices specializing in rehearsal and performance of barbershop harmony. Special attention will be given to note values, basic rhythms, ear training and dictation. R 99

MUS 80X VOICE AND RHYTHMS (EI) 0 Unit; 0.5 hours lecture;
0.5 hours lab 0 Unit; 1 hour lecture; 1 hour lab
Emphasizes vocal techniques, including tone production, breath control, and pronunciation, as well as music literature. Performance at end of the semester. R 99

MUS 290X CHORAL ENSEMBLE (EI) 0 Unit; 0.5 hours lecture;
0.5 hours lab 0 Unit; 1 hour lecture; 1 hour lab
Choral singing for the older adult emphasizing choral literature. Development of ensemble through correct singing and vocal production. R 99

MUS 295X REHEARSAL AND PERFORMANCE INSTRUMENTAL (EI) 0 Unit; 0.5 hours lecture;
0.5 hours lab 0 Unit; 1 hour lecture; 1 hour lab
Recommended Preparation: Previous instrumental training and demonstrated proficiency Preparation, study, and performance of orchestra concert repertoire. Designed for the older adult interested in orchestral performance. R 99
Emeritus Philosophy

PHIL 230X
INTRODUCTION TO PHILOSOPHY (EI)
0 Unit; 1 hour lecture
0 Unit; 2 hours lecture
Investigates many of the major philosophical themes within the Western tradition. Themes covered include the nature of self, free will and determinism, the ground and nature of human knowledge, the nature of ethics, aesthetics and the nature of political philosophy. Older adults cultivate the skills of critical thinking and rational discourse. R 99

PHIL 231X
HISTORY OF FREETHOUGHT IN WESTERN WORLD (EI)
0 Unit; 1 hour lecture
0 Unit; 2 hours lecture
History of freethought consisting of the heterodox religious systems and secular philosophies that have appeared in opposition to the Judaeo-Christian tradition in the Western world from the Classical Age of Greece and Rome to the present. Older adults will study deism, pantheism, agnosticism, atheism as well as multicultural religious philosophical systems and beliefs. R 99

PHIL 299

Emeritus Photography

PHOT 41X
DIGITAL SHOW PRESENTATIONS - INTERMEDIATE (EI)
0 Unit; 1 hour lecture; 2 hours lab
Recommended Preparation: PHOT 40X
Covers the intermediate production of digital visual and audio presentations. Includes digital photography, downloading music, scriptwriting, video, narration, transitions, and special effects using computer software to construct digital presentations. Designed for the older adult interested in digital photography and slide show production. R-E-99

PHOT 50X A
BEGINNING DIGITAL PHOTOGRAPHY (EI)
0 Unit; 0.5 hours lecture; 1 hour lab
0 Unit; 1 hour lecture; 2 hours lab
Covers the technical aspects of using a digital camera and the importance of composition in the creation of an image. Includes still life setups, photographing models and field trips. Downloading, storing, organizing and editing photographic images using software programs will be emphasized. Burning to discs and email images will be discussed. Designed for older learners. R-E-99

PHOT 50XB
INTERMEDIATE DIGITAL PHOTOGRAPHY (EI)
0 Unit; 0.5 hours lecture; 1 hour lab
0 Unit; 1 hour lecture; 2 hours lab
Recommended Preparation: PHOT 50XA
Reviews technical aspects of using a digital camera, image composition, downloading, storing, organizing and editing images using software programs. Also includes portraits, night photography, flash- and-fill technologies, digital media enhancement, and the use of filters. The older adult will also learn the basic principles of judging and evaluating photographs. R-E-99

PHOT 59XA
BEGINNING COLOR PRINTING (EI)
0 Unit; 1 hour lecture; 2 hours lab
Recommended Preparation: PHOT 50XA
Darkroom and digital techniques for making color prints from color negatives, slides and digital cameras using related color printing equipment. Operation of enlargers, and processing prints using automatic processor, tube and electronic methods. Finishing prints for presentation including retouching and matting. R 99

PHOT 59XB
ADVANCED COLOR PRINTING (EI)
0 Unit; 1 hour lecture; 2 hours lab
Recommended Preparation: PHOT 59XA
Advanced and innovative techniques and procedures used in color printing. Related topics of photography and printing will supplement laboratory work. R-E-99

Emeritus Political Science

PS 214X
CURRENT ISSUES IN GOVERNMENT (EI)
0 Unit; 1 hour lecture
0 Unit; 2 hours lecture
Exploration of current issues and events on global, national, and local levels. Problem areas include crime, economics, social services, loads, environment, terrorist, and conflicts. Focuses on the impact of these events on the lives of older adults. R 99

PS 299

Ph.D., Stanford University

Chin, Lem (1987)
Professor, Advanced Technology and Applied Science
A.A., East Los Angeles College
B.S., M. Arch., California State Polytechnic University, Pomona

Claffin, Christopher (2008)
Associate Professor, Advanced Technology and Applied Science
B.F.A., California State University, Long Beach
M.B.A., Argosy University

Cobos, Ana Maria (1992)
Professor, Online Education and Learning Resources
B.A., University of California, Riverside
M.A., M.L.S., University of California, Los Angeles

Cosgrove, Robert W. (1981)
Professor, Liberal Arts
B.A., St. Procopius College
M.A., Ph.D., Purdue University

Cox, Anne (1978)
Professor, Social and Behavioral Sciences
B.A., Allegheny College
M.S., California State University, Long Beach

Cox, Barbara (2008)
Associate Professor, Business Science and Economic & Workforce Development
M.A., University of California, Riverside
Ph.D., Stanford University

Crabb, Kerry (2008)
Associate Professor, Kinesiology and Athletics
B.A., California State University, Chico
M.A., Azusa Pacific University

Craig, Brandee (2004)
Professor, Physical Education, and Athletics
B.A., San Francisco State University
M.A., Azusa Pacific University

Crapo, Stephen (1999)
Professor, Physical Education, and Athletics
B.S., M.S., University of Missouri
M.S., Azusa Pacific
Faculty

Cubbage-Vega, April (2009)
Associate Professor, Social and Behavioral Sciences
B.A., University of California, Los Angeles
M.A., University of California, Riverside

Damm, Kathyn (2012)
Assistant Professor, Social and Behavioral Science
B.S./B.A., M.A., Ph.D., University of California, San Diego

Daniels, Stevie (2012)
Assistant Professor, Liberal Arts
B.S., M.A., California State University, Fresno

Danko, Carolyn (2011)
Assistant Professor, Health Sciences and Human Services
B.S., University of California, Davis
M.S.N., California State University, Dominguez Hills

d’Arcy, Kim (2008)
Associate Professor, Transfer, Career and Special Programs
B.A., University of Arizona
Ph.D., Argosy University

DeDonno, Thomas (2005)
Professor, Business Science, and Economic & Workforce Development
M.S., B.S., John Carroll University

Denton, Deborah (2005)
Professor, Advanced Technology and Applied Science
M.A., Chapman University
B.S., Loma Linda University
R.D., American Dietetic Association

DeSaracho, Mariana (1991)
Professor, Counseling Services
B.S., M.A., San Diego State University
Ph.D., University of Southern California

DiLeo, David L. (1993)
Professor, Social and Behavioral Science
B.A., M.A., California State University, Long Beach
M.A., Ph.D., University of California, Irvine

Dixon, David (2012)
Assistant Professor, Mathematics, Science and Engineering
B.S., Truman State University
Ph.D., University of California, Berkeley

Duffy, Michelle (2012)
Assistant Professor, Liberal Arts
B.A., California State University, Long Beach
M.S., Ed.D., California State University, Fullerton

DuQuette, Janice L. (1977)
Professor, Physical Education, and Athletics
B.A., Arizona State University
M.A., San Diego State University

Engels, Michael (2012)
Assistant Professor, Counseling Services
B.A., University of California, San Marcos
M.A., Webster University

Evancoe, Eugene J. (1991)
Professor, Advanced Technology and Applied Science
B.S.E.E., University of Illinois
M.S.E.E., University of California, Berkeley

Evans, Nancy (1989)
Professor, Mathematics, Science and Engineering
B.A., M.S., University of California, Irvine

Evans-Wallin, Patricia K. (1990)
Professor, Mathematics, Science and Engineering
B.A., M.S., University of Southern California

Even, Ryan (2011)
Assistant Professor, Fine Arts and Media Technology
B.A., San Diego State University
M.F.A., University of California, Santa Barbara

Farnsworth, Robert (2008)
Associate Professor, Advanced Technology and Applied Science
B.A., Colorado State University
M.A., B.A., University of Idaho

Farthing, Scott (2005)
Professor, Fine Arts and Media Technology
B.M., Friends University, Wichita
M.M., University of Missouri, Kansas City
D.M. A., University of Missouri, Kansas City

Fisher, Katherine (2005)
Professor, Liberal Arts
B.A., University of San Diego
M.S., Chapman University
M.F.A., Chapman University

Friedrich, Monica (2012)
Assistant Professor, Business Science, and Economic & Workforce Development
B.A., California State University, Fullerton
M.A., Pepperdine University, Malibu
Ph.D., University of Northern Colorado

Gilman, Bruce (2008)
Associate Professor, Liberal Arts
M.A., Ph.D., University of Massachusetts

Professor, Health Science and Human Services
B.S., University of Michigan
B.S.N., University of Maryland
M.S.N., FNP, California State University, Long Beach

Goldberg, Patrizia (1987)
Professor, Business Science and Economic & Workforce Development
A.A., Orange Coast College
J.D., Western State University, College of Law

Gonzalez, Frank (2008)
Associate Professor, Mathematics, Sciences and Engineering
B.A., M.A., Western Washington University

Professor, Online Education and Learning Resources
B.A., University of California, Irvine
M.L.S., University of California, Los Angeles
Goulding, Carrie (2013)  
Assistant Professor, Liberal Arts  
B.A., Brigham Young University, Provo, Utah  
M.A., J.D., Chapman University, Orange

Gravis, Esther (2012)  
Assistant Professor, Health Sciences and Human Services  
B.S.N., M.S.N., University of Phoenix

Grihalva, Lawrence (2011)  
Assistant Professor, Health Sciences and Human Services  
B.A., University of California, Los Angeles  
J.D., Boston College

Ground, M. Andy (2009)  
Associate Professor, Physical Education, and Athletics  
B.A., University of Hawaii at Hilo  
M.Ed., Azusa Pacific University

Guy, Georgina (2008)  
Professor, Transfer, Career and Special Programs  
B.A., M.S., California State University, Dominguez Hills  
M.S., California State University, Fullerton  
M.A., Ph.D., Alliant International University

Haas, Sharon (1998)  
Assistant Professor, Physical Education, and Athletics  
B.A., Mills College, Oakland  
M.Ed., Azusa Pacific University

Professor, Mathematics, Science and Engineering  
B.S., University of California, Irvine  
M.S., Ph.D., University of California, Los Angeles

Haggerty, A. Lee (1981)  
Professor, Social and Behavioral Sciences  
A.B., A.M., Stanford University

Haley, Edgar (2013)  
Assistant Professor, Mathematics, Science and Engineering  
B.A., University of California, San Diego  
M.S., University of California, Riverside

Professor, Counseling Services  
B.A., California State University, Long Beach  
M.S., California State University, Los Angeles

Hardick, Randolph (2004)  
Professor, Health Science and Human Services  
B.A., University of Sioux Falls

Hedgecock, Jennifer (2008)  
Assistant Professor, Liberal Arts  
A.A., Orange Coast College  
B.A., M.A., California State University, Sacramento  
Ph.D., Michigan State University

Henry, V. Robert (1990)  
Professor, Health Science and Human Services  
B.A., California State University, Fullerton

Hernandez-Bravo, Carmenmara (1990)  
Professor, Liberal Arts  
B.A., M.S., University of California, Irvine

Higginson, Jennifer (2002)  
Professor, Physical Education and Athletics  
B.S., San Diego State University  
M.Ed., Azusa Pacific University

Hill III, Merton E. (2005)  
Professor, Mathematics, Science and Engineering  
B.S., University of Redlands  
Ph.D., Ph.C., University of California, Los Angeles

Hoggatt, Michael (2009)  
Associate Professor, Transfer, Career and Special Programs  
B.A., Point Loma Nazareth College  
M.P.A., National University  
M.S., California State University, Long Beach

Professor, Transfer, Career and Special Programs  
B.A., Pomona College  
M.Ed., University of Missouri

Horlings, Jane E. (1990)  
Professor, Mathematics, Science and Engineering  
B.S., University of Nebraska  
Ph.D., University of California, Davis

Horan, Elizabeth (2008)  
Assistant Professor, Online Education and Learning Resources  
A.A., Orange Coast College  
B.S., California Polytechnic, San Luis Obispo  
M.L.I.S., San Jose State University

Howlett, Scott (1999)  
Professor, Social and Behavioral Sciences  
B.A., B.S., M.A., California State Fullerton  
M.A., Ph.D., University of California, Irvine

Huggins, Barbara (2009)  
Professor, Health Science and Human Services  
B.S., State University of New York, Binghamton  
M.N., Louisiana State University

Hunt, Matthew (2000)  
Professor, Liberal Arts  
B.A., California State University, Fresno  
M.A., Ph.D., University of Southern California

Professor, Mathematics, Science and Engineering  
B.S., B.A., University of California, Irvine  
M.A., California State University, Fullerton  
Ph.D., University of California, Santa Cruz

Inbins, Elizabeth (1999)  
Professor, Mathematics, Science and Engineering  
B.S., M.S., University of California, Irvine

Inlow, Lisa (2010)  
Assistant Professor, Advanced Technology and Applied Science  
A.O.S., California Culinary Academy

Professor, Counseling Services  
B.A., Bethel College  
M.A., University of California, Riverside  
M.A., Loyola Marymount University

Jacobsen, Karen (1999)  
Professor, Physical Education, and Athletics  
B.S., University of Michigan  
M.Ed., Azusa Pacific University

Jones, Lawrence R. (1977)  
Professor, Fine Arts and Media Technology  
B.A., M.F.A., California State University, Long Beach

Kiernan, Maria (2008)  
Assistant Professor, Emeritus Institute  
A.A., Orange Coast College  
B.F.A., M.A., California State University, Fullerton

Kiheyet, Constance M. (1988)  
Professor, Liberal Arts  
B.A., M.S., University of Southern Mississippi  
Ph.D., Florida State University

Knapp, Rebecca (2011)  
Assistant Professor, Business Science and Economic & Workforce Development  
B.A., University of California, Irvine  
M.B.A., Pepperdine University

Konishi, Hiromasa (2005)  
Professor, Fine Arts and Media Technology  
B.A., Keio University, Tokyo, Japan  
M.F.A., University of Texas, Austin

Korper, Steve (2002)  
Professor, Business Science and Economic & Workforce Development  
B.S., DeVry Institute of Technology  
M.S., Ph.D., Columbia State University

Kouritas, Georgios (2012)  
Assistant Professor, Music Instrumental  
B.M., Birmingham Conservatoire, United Kingdom  
M.M., Ball State University, Indiana  
M.M., Cincinnati University, College-Conservatory of Music
Kucharski, Phillis (2001)
Professor, Health Science and Human Services
B.S., State University of New York
M.S.N., Wagner College

Lam, Chin (2009)
Associate Professor, Liberal Arts
B.A., M.A., University of California, Los Angeles

Langrell, Jenny (2005)
Professor, Online Education and Learning Resources
B.S., Southern Illinois University - Carbondale
M.A., San Jose State University

Lawson, Anne (2013)
Assistant Professor, Health Science and Human Services
B.S.N., M.S.N., California State University, Fullerton

Lebauer, Roni (1990)
Professor, Liberal Arts
B.A., Queens College of the City University of New York
M.A., University of Hawaii

Lee, Kenneth (2012)
Assistant Professor, Advanced Technology and Applied Science
B.S., Seoul Nation University
M.S., Cornell University

Leppien-Christensen, J. Kristopher (2005)
Professor, Social and Behavioral Science
B.A., M.A., California State University, San Marcos
Ph.D., Saybrook Graduate School & Research Center

Levin, Patricia L. (1987)
Professor, Fine Arts and Media Technology
B.A., University of California, Los Angeles
M.A., University of Southern California
Ph.D., University of California, Irvine

Lorente, Alex J. (1984)
Professor, Business Science and Economic & Workforce Development
B.A., M.A., University of South Florida
M.B.A., University of Houston
J.D., Western State University

Long, Michael (2007)
Professor, Counseling Services
B.A., California State University, Long Beach
M.A., California State University, Dominguez Hills

Lovett, Margot (1997)
Professor, Social and Behavioral Science
B.A., Montclair State College, N.J
M.A. Ph.D., Columbia University

Lowe, Lesley (2005)
Professor, Emeritus Institute
B.A., California State University, Long Beach
M.Ed., Azusa Pacific University

Professor, Liberal Arts
B.A., M.A., University of California, Santa Barbara

Lynch, Ardith (2008)
Assistant Professor, Transfer, Career and Special Programs
B.A., Holy Family College
M.S., California State University, Hayward

MacMillan, Sharon (1977)
Professor, Social and Behavioral Sciences
B.A., M.A., Central Missouri State University
Ph.D., University of Southern California

Mamoon, Safiah (2013)
Assistant Professor, Health Sciences and Human Services
A.S.,Santa Barbara City College
B.S., Chandaben Patel Homeopathic Medical College,
Mumbai, India

Mayenzet, Maria (2011)
Assistant Professor, Fine Arts and Media Technology
M.F.A., California State University, Long Beach
B.A., University of California, Irvine

McCartney, Theodore (2005)
Professor, Physical Education, and Athletics
B.A., University of California, Riverside
M.Ed., Azusa Pacific University

McClaine, Serena (2013)
Assistant Professor, Health Science and Human Services
B.S.N., Southern Illinois University
M.S.N., California State University, Long Beach

Professor, Mathematics, Science and Engineering
B.A., Boston College
M.S., University of California, Irvine

McElroy, G. Mark (1999)
Professor, Physical Education, and Athletics
B.A., California State University, Chico
M.A., United States International University
M.Ed., Azusa Pacific
Ed.D., Brigham Young University

McFann, Kent (2005)
Professor, Fine Arts and Media Technology
B.F.A., California Institute of the Arts
M.F.A., State University of New York, Purchase

McGinley, Patricia (2011)
Assistant Professor, Health Sciences and Human Services
B.S.N., University of Illinois, Chicago
M.S.N., California State University, Long Beach

McGroarty, Diane (2005)
Professor, Advanced Technology and Applied Science
A.A., Golden West College
B.A., California State University, Long Beach

McGuire, William (2012)
Assistant Professor, Theatre Arts Instructor
B.F.A., New York University, Acting
M.F.A., Yale University, Acting

McKeachie, J. Ryan (2013)
Assistant Professor, Mathematics, Science and Engineering
B.S., Albion College, Michigan
M.S., Ph.D., University of California, Irvine

Merrifield, Michael J. (1977)
Professor, Social and Behavioral Science
B.A., M.A., California State University, Fullerton

Professor, Advanced Technology and Applied Science
B.A., M.A., California State University, Long Beach

Meyer-Canales, Katherine (2001)
Professor, Mathematics, Science and Engineering
B.S., George Fox University
M.S., Oregon State University

Meza, Ralph (2010)
Assistant Professor, Counseling Services
B.A., University of California, Irvine
M.A., California State Dominguez Hills, Carson

Miller-White, Sherry (1988)
Professor, Social and Behavioral Sciences
B.A., Tougaloo College
M.A., California State University, Long Beach

Miltovich, June M. (2001)
Professor, Social and Behavioral Science
B.A., California State University, San Bernardino
M.S., California State University, Fullerton

Moore, Larry (1999)
Assistant Professor, Business Science and Economic & Workforce Development
B.S., San Diego State University

Morris, Kalon (2002)
Professor, Mathematics, Science and Engineering
B.A., Harvard University
M.S., University of California, San Diego

Mularski, Jedrek (2011)
Assistant Professor, Social and Behavioral Sciences
B.A., Williams College
M.Ed., Harvard University

Myers, Charles (2002)
Professor, Fine Arts and Media Technology
B.S., M.F.A., University of Southern California
Myhren, Brett (2013)
Assistant Professor, Liberal Arts
B.A., Loyola Marymount University, Los Angeles
M.A., M.F.A., McNeese State University, Lake Charles, Louisiana
M.A., Ph.D., University of Southern California, Los Angeles
Nadeau, Bouchra (2012)
Assistant Professor, Liberal Arts
B.A., San Diego University
M.A., California State University, Fullerton

Nelson, Candy (2011)
Assistant Professor, Health Sciences and Human Services
B.S., California State University, Long Beach
M.S.N., Azusa Pacific University

Nguyen, Hoa (2000)
Professor, Mathematics and Engineering
B.S., M.S., California State University, Long Beach
Niccola, Loretta (1999)
Professor, Health Sciences and Human Services
B.S.N., Azusa Pacific
M.S.N., California State University, Dominguez Hills

Nicola, Loretta (2008)
Associate Professor, Fine Arts and Media Technology
B.F.A., Laguna College of Art & Design
M.F.A., New York Academy of Art

Professor, Health Science and Human Services
B.S.N., University of State of New York
M.S.N., California State University, Dominguez Hills

Ochoa, Heidi (2009)
Assistant Professor, Fine Arts and Media Technology
B.A., California State University, Long Beach
M.A., California State University, Los Angeles

Ochoa, Lucas (2011)
Assistant Professor, Fine Arts and Media Technology
B.A., California State University, Long Beach
M.A., California State University, Los Angeles

Assistant Professor, Fine Arts and Media Technology
B.A., University of California, Berkeley
M.A., Ph.D., University of Southern California

O’Rourke, Shawn (2013)
Assistant Professor, Fine Arts and Media Technology
M.A., California State University, Stanislaus
B.A., Carroll College, Helena, Montana

O’Shea, Erin (2013)
Assistant Professor, Fine Arts and Media Technology
B.F.A., M.F.A., California State University, Fullerton

Passarelli, Bruno (2013)
Assistant Professor, Mathematics, Science and Engineering
B.S., California State University, Long Beach
M.S., California State University, Long Beach

Penland, Barbara A. (1988)
Professor, Health Science and Human Services
B.S., University of Redlands
M.A., Webster University

Perez, Lawrence (1999)
Professor, Mathematics, Science and Engineering
B.S., M.A., California State University, Fullerton

Pestolesi, Diane (1996)
Professor, Health Science and Human Services
B.S.N., University of Hawaii, Manoa
M.S.N., California State University, Dominguez Hills

Pestolesi, Diane B. (1988)
Professor, Mathematics, Science and Engineering
B.S., Georgetown University
M.A., University of California, Santa Barbara
M.S., University of California, Irvine

Pires, Marcelo (2010)
Assistant Professor, Mathematics, Science and Engineering
B.S., M.S., California State Polytechnic University, Pomona
Ph.D., University of California, Riverside

Pollizzi, Vincent (2013)
Assistant Professor, Advanced Technology and Applied Sciences
A.S., Solano Community College, Suisun, California
A.S., Ocean County College, Toms River, New Jersey
B.S., Walden University, Minneapolis, Minnesota

Pollozcek, Dieter (2005)
Professor, Liberal Arts
M.A., Ph.D., University of Kostanz, Kostanz, Germany

Pryor, Joshua (2008)
Assistant Professor, Liberal Arts
B.A., California State University, Long Beach
M.F.A., San Francisco State University
M.A., University of Southern California

Quade, Joyce (1999)
Professor, Business Science and Economic & Workforce Development
B.S., Mankato State University
M.A., National University

Quigley, James (2012)
Assistant Professor, Mathematics, Science and Engineering
B.A., M.A., University of California, Berkeley

Radden, Larry (1994)
Professor, Fine Arts and Media Technology
B.A., San Francisco State University
M.A., California State University, Los Angeles

Reese, John Richard (2012)
Assistant Professor, Fine Arts and Media Technology
B.F.A., M.F.A., California State University, Long Beach

Renault, Irene (2005)
Professor, Liberal Arts
B.A., Merrimack College
M.A., University of Massachusetts at Lowell

Repka, James L. (1996)
Associate Professor, Mathematics, Sciences and Engineering
B.A., Saddleback College
B.A., University of California, Berkeley
Ph.D., University of California, Santa Cruz

Rosenberg, Alannah (1990)
Professor, Social and Behavioral Sciences
B.A., Immaculate Heart College
M.A., California State University, Los Angeles
Ph.D., New York University

Rousseau, Michele (2008)
Associate Professor, Mathematics, Sciences and Engineering
B.S., M.S., Ph.D., University of California, Irvine

Ryals, Douglas (2012)
Assistant Professor, Liberal Arts
B.A., Duke University
M.A., Ph.D., University of California, Irvine

Professor, Fine Arts and Media Technology
B.A., State University of New York, Brockport
M.F.A., California State University, Long Beach

Sellers, Joel (2002)
Professor, Fine Arts and Media Technology
B.M., Arizona State University

Shafe, Kiarash (2012)
Assistant Professor, Mathematics, Science and Engineering
B.S., M.S., University of California, Irvine
M.S., The University of Chicago

Shaffer, Gina Victoria (2010)
Assistant Professor, Liberal Arts
B.A., University of Southern California
M.A., Ph.D., University of California, Irvine
Sherman, Matthew (2010)  
Assistant Professor, Physical Education, and Athletics  
B.S., California State Polytechnic University  
M.A., University of Phoenix San Luis Obispo

Siegel, Linda L. (1986)  
Professor, Social and Behavioral Sciences  
B.A., University of Wisconsin-Madison  
M.S., Ph.D., University of Massachusetts, Amherst

Silveira, Lisa (1998)  
Professor, Mathematics, Science and Engineering  
B.A., M.A., California State University, Fullerton

Sirulnik, Abby (2009)  
Associate Professor, Mathematics, Science and Engineering  
B.A., Earlham College, Richmond, Indiana  
Ph.D., University of California, Riverside

Skaff, Penelope (2011)  
Assistant Professor, Counseling Services  
B.A., California State University, Chico  
M.A., Phillips Graduate Institute

Smith, Basil (2009)  
Associate Professor, Liberal Arts  
B.A., State University, New York  
M.A., Claremont Graduate School  
Ph.D., Cardiff University

Smith, Christina (2009)  
Associate Professor, Social and Behavioral Sciences  
B.A., M.A., California State University, Long Beach

Smith, D. Jeanne (1977)  
Professor, Mathematics, Science and Engineering  
B.S., M.S., University of Michigan  
Ed.D., Nova University

Smith, Maureen (2008)  
Associate Professor, Social and Behavioral Sciences  
B.A., University of North Carolina  
M.A., California State University, Long Beach

Sorensen, Stephanie (2008)  
Assistant Professor, Mathematics, Sciences and Engineering  
B.S., California State University, Fullerton  
M.S., University of California, Irvine

Sotelo, Sharyn Kim (2005)  
Professor, Mathematics, Science and Engineering  
B.S., University of California, Riverside  
M.A., California State Polytechnic University, Pomona

Stankovich, Kimberly (2005)  
Professor, Fine Arts and Media Technology  
B.A., M.A., California State University, Fullerton

Steinriede, Lindsay (2013)  
Assistant Professor, Kinesiology and Athletics  
B.S., San Diego State University  
M.A., University of South Florida, Tampa, Florida

Stevenson, Robert Glen (2010)  
Assistant Professor, Advanced Technology and Applied Science  
B.S., New Mexico State University  
M.Ed., Azusa Pacific University

Professor, Liberal Arts  
B.S., San Diego State University  
M.A., California State University, Long Beach  
M.B.A., Pepperdine University

Street, Karah (2005)  
Professor, Mathematics, Science and Engineering  
B.S., University of California, San Diego  
M.A., University of Texas  
Ph.D., University of Texas, San Antonio

Stephens, Blake (2008)  
Associate Professor, Advanced Technology and Applied Science  
B.A., University of Washington

Professor, Business Science and Economic & Workforce Development  
A.A., Prince George's Community College  
B.A., M.A., University of Redlands

Tamer, Rita (2001)  
Professor, Health Science and Human Services  
B.A., M.A., California State University, Northridge  
Ed.D., Argosy University

Tamialis, Barbara (2006)  
Professor, Social and Behavioral Sciences  
B.S., M.A., Michigan State University

Professor, Advanced Technology and Applied Science  
B.A., California State University, Fullerton  
M.A., California State University, Long Beach

Teh, Steven (2000)  
Professor, Mathematics, Science and Engineering  
B.S., M.S., California State Polytechnic University, Pomona

Teng, Anthony (2007)  
Associate Professor, Business Science and Economic & Workforce Development  
B.S., California State University, Long Beach  
M.A., William Howard Taft University, Santa Ana  
M.B.A., TUI University

Thomas, Arlene E. (1988)  
Professor, Advanced Technology and Applied Science  
B.A., M.A., California State University, Long Beach

Trani, Nicholas (2008)  
Associate Professor, Kinesiology and Athletics  
B.A., Loyola Marymount University  
M.Ed., Azusa Pacific University

Turner, Pamela (2000)  
Professor, Emeritus Institute  
B.F.A., Maryland Institute College of Art  
M.F.A., Pennsylvania State University

Twicken, Lawrence P. (1994)  
Professor, Social and Behavioral Science  
B.A., University of California, Los Angeles  
M.A., California State University, Los Angeles  
Ph.D., Claremont Graduate School

Venable, Samantha J. (1988)  
Professor, Health Science and Human Services  
B.S., M.S., University of California, San Francisco

Ventura, Janet (1999)  
Professor, Counseling Services  
B.A., M.A., Whittier College  
Ph.D., California Schools of Professional Psychology, Fresno

Vogel, Jeff (2012)  
Assistant Professor, Liberal Arts  
B.A., California State University, Fresno  
M.A., California State University, Stanislaus  
Ed.D., Liberty University

Walsh, Daniel (1999)  
Professor, Social and Behavioral Sciences  
B.A., M.A., California State University, Fullerton

Professor, Social and Behavioral Science  
B.A., M.A., Ph.D., University of California, San Diego

Welc, S. Martin (1989)  
Professor, Business Science and Economic & Workforce Development  
B.A., Richard Stockton State College  
M.B.A., Golden Gate University

Wellhan, Lydia (2012)  
Assistant Professor, Online Education and Learning Resources  
B.A., B.M., University of Idaho  
M.M., University of Maryland  
M.L.S., Indiana University

Weston, Norman J. (1989)  
Professor, Fine Arts and Media Technology  
B.M., M.M., Indiana University  
D.M., Northwestern University

Westphal, Karla (2001)  
Professor, Mathematics, Science and Engineering  
B.A., Yale University  
M.S., Loyola University
White, Christina (2009)
Associate Professor, Mathematics, Science and Engineering
B.S., Cal Poly San Luis Obispo
Ph.D., University of California, Santa Barbara

White, Richard (1998)
Professor, Fine Arts and Media Technology
B.A., University of Santa Cruz
M.F.A., New York State College of Ceramics, Alfred University

Williams, Kolin (2011)
Assistant Professor, Transfer, Career and Special Programs
B.A., M.S., California State University, Sacramento

Wolff, Michele (1999)
Professor, Health Science and Human Services
B.S.N., Penn State University
M.S.N., California State University, Dominguez Hills

Woodward, Kenneth G., Jr. (1986)
Professor, Social and Behavioral Sciences
B.A., State University of New York
M.A., University of Pittsburgh
Ph.D., University of California, Riverside

Yassine, Amina (2011)
Assistant Professor, Liberal Arts
B.A., M.A.T., University of California, Irvine

Ziehm, Carol (1999)
Professor, Liberal Arts
B.A., M.A., University of Southern California

Zimmerman, Ray (2009)
Associate Professor, Liberal Arts
B.A., University of Texas, Dallas
M.A., Ph.D., University of Irvine

Zoval, Jim (2008)
Professor, Mathematics, Science and Engineering
B.A., Ph.D., University of California, Irvine

EMERITI

Agnew, Priscilla J. (1977-2011)
Professor Emeritus, Liberal Arts and Learning Resources

Alford, JoAnn (1985-2011)
Professor Emeritus, Counseling Services and Special Programs

Altman, Cheryl (1989-2011)
Professor Emeritus, Liberal Arts and Learning Resources

Allbright, Aaron (1990—2004)
Professor Emeritus, Liberal Arts and Learning Resources

Professor Emeritus, Mathematics, Science and Engineering

Professor Emeritus, Fine Arts and Media Technology

Babusek, Alda O. (1979-2011)
Professor Emeritus, Health Science and Human Services

Assistant Dean Emeritus/Student Services and Financial Aid

Dean Emeritus, Mathematics, Science and Engineering

Professor Emeritus, Liberal Arts and Learning Resources

Bell, Ronald D. (1979-2004)
Professor Emeritus, Advanced Technology and Applied Science

Belmont, Gita (1990-2006)
Professor Emeritus, Liberal Arts and Learning Resources

Belyea, Barbara L. (1985-2011)
Professor Emeritus, Health Science and Human Services

Bessette, Nancy C. (1975-2011)
Professor Emeritus, Physical Education and Athletics

Professor Emeritus, Fine Arts

Professor Emeritus, Mathematics, Science and Engineering

Berns, Roberta M. (1977-1999)
Professor Emeritus, Social and Behavioral Sciences

Professor Emeritus, Business Science

Professor Emeritus, Mathematics, Science and Engineering

Professor Emeritus, Fine Arts

Professor Emeritus, Social and Behavioral Sciences

Vice President for Instruction Emeritus

Brieree-Shambrook, Maud B. (1982-2009)
Professor Emeritus, Liberal Arts and Learning Resources

Brightbill, Alvin J. (1975-2004)
Professor Emeritus, Fine Arts

Professor Emeritus, Physical Education and Athletics

Bruno, Brenda J. (1986-2011)
Professor Emeritus, Liberal Arts and Learning Resources

Bullock, Dixie Lee (1976-2004)
President Emeritus

Busché, Donald L. (1977-2002)
Vice President for Instruction Emeritus

Professor Emeritus, Social and Behavioral Sciences

Professor Emeritus, Physical Education, and Athletics

Calkins, Keith D. (1980-2001)
Professor Emeritus, Physical Education, and Athletics

Carroll, Christina (1981-2011)
Professor Emeritus, Mathematics, Science and Engineering

Carter, Shirley (1977-2002)
Professor Emeritus, Social and Behavioral Sciences

Cederquist, John C. (1975-2008)
Professor Emeritus, Fine Arts

Professor Emeritus, Fine Arts

Professor Emeritus, Social and Behavioral Sciences

Cline, Claudia D. (1989-2011)
Professor Emeritus, Emeritus Institute

Cogbill, Bonnie J. (1968-1996)
Professor Emeritus, Fine Arts

Professor Emeritus, Advanced Technology and Applied Science

Courtright, Theresa E. (1973-1985)
Professor Emeritus, Learning Resources

Craic, Diane (1998-2010)
Professor Emeritus, Counseling Services and Special Programs

Cray, Paul D. (1986-2010)
Professor Emeritus, Fine Arts

Professor Emeritus, Business Science

Professor Emeritus, Business Science

Professor Emeritus, Student Health Services

Professor Emeritus, Liberal Arts

Professor Emeritus, Business Science

Professor Emeritus, Emeritus Institute

Elkins, Claire B. (1977-2009)
Professor Emeritus, Physical Education, and Athletics

Eschbach, Delphine M. (1972-1988)
Professor Emeritus, Health Science and Human Services
Espinosa, Peter J. (1980-2011)
Professor Emeritus, Counseling Services and Special Programs

Evans, E. Lloyd (1985-1999)
Professor Emeritus, Social and Behavioral Sciences

Professor Emeritus, Advanced Technology and Applied Science

Fennell, Patrick J. (1970-2011)
Professor Emeritus, Fine Arts and Media Technology

Ferguson, Robert W. (1970-2011)
Professor Emeritus, Social and Behavioral Sciences

Professor Emeritus, Business Science

Friede, Petrina H. (1979-2011)
Professor Emeritus, Business Science

Fritsen, Jan (1988-2000)
Professor Emeritus, Counseling Services and Special Programs

Froehlich, Robert A. (1977-2006)
Professor Emeritus, Counseling Services and Special Programs

Professor Emeritus, Liberal Arts and Learning Resources

Professor Emeritus, Advanced Technology and Applied Science

Professor Emeritus, Health Science and Human Services

Gillay, Carolyn Z. (1984-2011)
Professor Emeritus, Business Science

Goodman, Richard (1990-2010)
Professor Emeritus, Health Science and Human Services

Gritton, Margaret H. (1973-1999)
Professor Emeritus, Advanced Technology and Applied Science

Guizar, Mercedes (1999-2004)
Associate Professor Emeritus, Liberal Arts and Learning Resources

Hada, Dennis S. (1986-2010)
Professor Emeritus, Mathematics, Science and Engineering

Hagerty, Elizabeth Ann (1973-2000)
Professor Emeritus, Learning Resources

Harrison, Charles R. (1976-2008)
Instructor Emeritus, Advanced Technology and Applied Science

Hartman, B. George (1968-1999)
Professor Emeritus, Physical Education and Athletics

Hastings, Ronald J. (1980-2010)
Professor Emeritus, Counseling Services and Special Programs

Professor Emeritus, Liberal Arts and Learning Resources

Hodge, Kathleen O’C. (1975-2004)
Vice Chancellor of Educational Services, Emeritus

Vice President for Student Services, Emeritus

Hodges, Jack A. (1989-2011)
Professor Emeritus, Physical Education, and Athletics

Professor Emeritus, Health Science and Human Services

Professor Emeritus, Social and Behavioral Sciences

Hooper, Gail (1999-2008)
Professor Emeritus, Counseling Services and Special Programs

Horvath, Wayne J. (1968-1999)
Professor Emeritus, Fine Arts, Physical Education, and Athletics

Huang, S. Margaret (1976-2012)
Professor Emeritus, Health Science and Human Services

Iacino-Tan, Dorina (1991-2009)
Professor Emeritus, Mathematics, Science and Engineering

Professor Emeritus, Counseling Services and Special Programs

Professor Emeritus, Math Science and Engineering

Johns, A. Herbert (1975-1994)
Professor Emeritus, Business Science

Johnson, Zane O. (1975-2011)
Professor Emeritus, Advanced Technology and Applied Science

Vice Chancellor/Administrative Services, Emeritus

Kero, Reynold J. (1968-1993)
Professor Emeritus, Mathematics, Science and Engineering

Professor Emeritus, Advanced Technology and Applied Science

Kim, Yong H. (1977-2004)
Professor Emeritus, Mathematics, Science and Engineering

Professor Emeritus, Advanced Technology and Applied Science

Kish, Andrew W. (1968-1995)
Professor Emeritus, Social and Behavioral Sciences

Professor Emeritus, Liberal Arts and Learning Resources

Kosmides, Martha Sue (1990-2002)
Professor Emeritus, Liberal Arts and Learning Resources

Professor Emeritus, Counseling Services and Special Programs

Professor Emeritus, Fine Arts

Christensen, Grace L. (1968-1993)
Professor Emeritus, Liberal Arts

Associate Professor Emeritus, Liberal Arts and Learning Resources

Leighton, Ronald S. (1977-2010)
Professor Emeritus, Fine Arts

LeSourd, Peter (1989-2000)
Professor Emeritus, Business Science

Professor Emeritus, Mathematics, Science and Engineering

Professor Emeritus, Mathematics, Science and Engineering

Professor Emeritus, Business Science

Mazique, Jeanne M. (1990-2011)
Professor Emeritus, Liberal Arts and Learning Resources

President Emeritus

Professor Emeritus, Physical Education and Athletics

Professor Emeritus, Social and Behavioral Sciences

Professor Emeritus, Advanced Technology and Applied Science

McLendon, Curtis L. (1977-2010)
Professor Emeritus, Mathematics, Science and Engineering

Messner, Carolann M. (1977-2006)
Professor Emeritus, Fine Arts

Professor Emeritus, Mathematics, Science and Engineering

Professor Emeritus, Liberal Arts

Mikolajczak, Michaeelyn L. (1980-2011)
Professor Emeritus, Counseling Services and Special Programs

Minch, John A. (1972-1994)
Professor Emeritus, Counseling Services and Special Programs

Professor Emeritus, Social and Behavioral Sciences

Professor Emeritus, Advanced Technology and Applied Science
Morgan, Thomas V. (1973-2004)
Professor Emeritus, Fine Arts

Professor Emeritus, Health Science and Human Services

Professor Emeritus, Mathematics, Science and Engineering

Nawa-Raidon, Susan E. (1985-2011)
Professor Emeritus, Health Science and Human Services

Professor Emeritus, Business Science

Professor Emeritus, Fine Arts and Media Technology

Professor Emeritus, Social and Behavioral Sciences

Olson, Robert W. (1968-2002)
Professor Emeritus, Social and Behavioral Sciences

Professor Emeritus, Social and Behavioral Sciences

Parsons, Robert N. (1968-2011)
Professor Emeritus, Mathematics, Science and Engineering

Patton, Ken (2003-2011)
Professor Emeritus, Business Science

Professor Emeritus, Business Science

Pierce, Mary Lou (1983-1994)
Dean Emeritus, Mathematics, Science and Engineering

Professor Emeritus, Counseling Services and Special Programs

Prendiville, Margaret B. (1985-1993)
Professor Emeritus, Health Science and Human Services

Reed, J. Michael (1985-2011)
Professor Emeritus, Liberal Arts and Learning Resources

Reyes, Raymond (1998-2004)
Associate Professor Emeritus, Social and Behavioral Science

Professor Emeritus, Mathematics, Science and Engineering

Riley, William J., III (1980-2010)
Professor Emeritus, Fine Arts

Robinson, Terrell L. (1978-2010)
Professor Emeritus, Emeritus Institute

Professor Emeritus, Health Science and Human Services

Professor Emeritus, Liberal Arts and Learning Resources

Roelen, Jay (1968-1995)
Professor Emeritus, Physical Education and Athletics

Rogers, Phil (1977-1993)
Professor Emeritus, Mathematics, Science and Engineering

Runyan, Michael G. (1977-2008)
Professor Emeritus, Liberal Arts and Learning Resources

Ryan, Patricia K. (1972-1994)
Professor Emeritus, Health Science and Human Services

Professor Emeritus, Counseling Services and Special Programs

Professor Emeritus, Physical Education and Athletics

Smith, Kathleen F. (1990-2011)
Professor Emeritus, Liberal Arts and Learning Resources

Professor Emeritus, Liberal Arts and Learning Resources

Professor Emeritus, Business Science

Chancellor Emeritus

Associate Professor Emeritus, Health Science and Human Services

Stevens, Kay L. (1990-2005)
Professor Emeritus, Health Science and Human Services

Stevens, Roy C. (1968-1999)
Professor Emeritus, Physical Education and Athletics

Professor Emeritus, Physical Education, and Athletics

Professor Emeritus, Mathematics, Science and Engineering

Surface, Milton B. (1968-1986)
Professor Emeritus, Social Sciences

Professor Emeritus, Counseling Services and Special Programs

Professor Emeritus, Physical Education and Athletics

Sworder, Steven C. (1977-2013)
Professor Emeritus, Mathematics, Science and Engineering

Tarui, Kazumitsu (1980-2011)
Professor Emeritus, Mathematics, Science and Engineering

Tash, Steven J. (1979-2004)
Professor Emeritus, Liberal Arts and Learning Resources

Taylor, Don (2000-2013)
Dean Emeritus, Advanced Technology and Applied Science

Thorpe, James F. (1968-1995)
Professor Emeritus, Mathematics, Science and Engineering

Titus, David B. (1990-2010)
Professor Emeritus, Advanced Technology and Applied Science

Professor Emeritus, Mathematics, Science and Engineering

Professor Emeritus, Liberal Arts and Learning Resources

Vincenzi, Jean M. (1968-1990)
Professor Emeritus, Mathematics, Science and Engineering

Professor Emeritus, Mathematics, Science and Engineering

Professor Emeritus, Liberal Arts and Learning Resources

Watkins, Peggy (1989-2007)
Professor Emeritus, Mathematics, Science and Engineering

Professor Emeritus, Mathematics, Science and Engineering

Professor Emeritus, Business Science

Weisrock, Thomas J. (1974-2011)
Professor Emeritus, Liberal Arts and Learning Resources

Professor Emeritus, Fine Arts

Whitt, Terri (1976-2010)
Professor Emeritus, Health Science and Human Services

Williams, William M. (1968-1993)
Dean Emeritus, Social and Behavioral Sciences

Professor Emeritus, Health Science and Human Services

Wright, James R. (1994-2012)
Dean Emeritus, Mathematics, Science and Engineering

Professor Emeritus, Mathematics, Science and Engineering

Professor Emeritus, Business Science

Zakrzewski, Danuta (1981-2011)
Professor Emeritus, Health Science and Human Services

ASSOCIATE FACULTY

Saddleback College has, in addition to the regular full-time contract faculty, many qualified associate instructors who come from industry, business and other educational institutions. This produces a faculty with many talents to support a diversified program of offerings requested and expected of the community college.
