     As Hands Across California is going to be an ASG sponsored event and have decided to create a taskforce to better distribute the responsibilities as well as to help us get more people involved. The taskforce will enable us to have more specialized duties and do a better job at each task. They will find out information about what the plans of the other community colleges are for the day of the event. If a college is not participating in Hands Across CA, they will invite them to join us on our campus.
     ASG as a whole is currently working on revising the ASG Bylaws and they have one particular group of students who have put in several hours a day at a time.
     This week’s events are: February 16th there are two club sponsored events taking place. Censor This! By Poetry Club from 11:30am to 2:00pm in the Quad and APAC is also having an Open Mic Night event from 5pm to 9pm in SSC212.
     The ASG Senate is working with SustainU Clothing to do a clothing drive to be both green and benefit needy people. We are one of over 100 schools to participate but also one of the few junior colleges that are participating. On the 21st of February ASG will be showing a video to our Senate volunteers that SustainU has given to us as well as distributing door hangers and bags to homes around the area to 200 or more homes. February 23rd they will be weighing all the clothing at 3:00pm and on the 25th between 9am and 12pm Goodwill will be coming by to pick up the clothing. Senate members have also agreed to share this information and publicize in their Divisions so if you have not heard anything already, you should be hearing more information soon.

4. **Accreditation (Don Busche)**

Handed out the “2010 Accreditation Follow-Up Report Work Plan Draft”. A follow-Up Report is a report requested by the Commission for special purposes. It can occur at any time in the 6-year accreditation cycle. A Follow-Up Report requires that the institution provide information, evidence, and analysis regarding the resolution of the recommendations to which it was directed by the Commission’s Action Letter. The institution’s report will be reviewed by the Commission at its next regularly scheduled meeting and the institution will be notified as to what action, if any, it must take next. Timeline Draft:
