**RE:** (revised) Policy Change: International Baccalaureate (IB), College-Level Examinations

Placement (CLEP) Examinations, and Advanced Placement (AP) Examination Chart

Updates

This revised memorandum contains the following corrections:

 Appendix C: CLEP Examination Passing Scores Chart – Introductory Business Law passing score corrected to state 50

• Appendix D: AP Examination Passing Scores Chart – Music corrected to state Music Theory

This memorandum is to provide guidance regarding title 5, §55052.5 regulations that went into effect May 1, 2021 pertaining to IB and CLEP examinations. Title 5, §55052.5 requires the Chancellor of the California Community Colleges, in collaboration with the Academic Senate of California Community Colleges, to develop and require each community college district to implement a uniform policy regarding IB and CLEP credit.

In accordance with the regulation, the policy stipulates that any student who passes an International Baccalaureate Organization IB examination and/or a CLEP examination with a minimum passing score in the subject matter (see Appendices B & C), is awarded general education area credit. Where no general education area credit matches are available, the college may award elective credit. Each community college shall also note on the student's academic record that the credit was earned through an IB and/or CLEP examination.

The text for title 5, §55052.5 is attached as a reference (Appendix A). Also included for reference is an updated Advanced Placement (AP) Examination chart (see Appendix D), which also requires a uniform policy per title 5, §55052.

If you have any questions regarding this guidance, please contact Dean Raul Arambula (rarambula@CCCCO.edu) and Specialist Bob Quinn (bquinn@CCCCO.edu).

## **Policy Change: International Baccalaureate and College-Level Examinations Placement Examinations**March 21, 2022

### Appendix A: Title 5, Section 55052.5

§ 55052.5. International Baccalaureate and College Level Examination Program Examinations.

The Chancellor, in collaboration with the Academic Senate for the California Community Colleges, shall develop policy guidelines on the minimum passing scores for the International Baccalaureate and/or College Level Examination Program examinations. The policy guidelines shall be distributed to community college districts on an annual basis.

The governing board of a community college district shall adopt policies to grant credit for satisfactory completion of International Baccalaureate and/or College Level Examination Program examinations typically recognized by colleges and universities as measuring competencies comparable to those achieved in baccalaureate level courses or general education areas.

The faculty in the appropriate discipline must approve International Baccalaureate and/or College Level Examination Program examination scores deemed to constitute satisfactory performance for direct course credit and/or general education area credit. Credit may be awarded for the California Intersegmental General Education Transfer Curriculum, California State University General Education Breadth, or local community college general education requirements, as most appropriate. Where no direct course or general education area matches an International Baccalaureate or College Level Examination Program exam, the college may award elective credit. Requirements may be met by such examinations in accordance with policies and procedures approved by the curriculum committee established pursuant to section 55002.

The student's academic record shall be clearly annotated to reflect that credit was earned through an international baccalaureate and/or college level examination program examination.
