Microsoft Office 365 Pro Plus is not a web-based version of Office. It runs locally on the user's computer. Users don't need to be connected to the Internet all the time to use it. Microsoft Access is only available through Office 365 Pro Plus. If you need to use Microsoft Access follow these instructions to download and install Microsoft Office 365 Pro Plus.

NOTE: Office 365 Pro Plus download is only available for Windows PC or Mac. Microsoft Access only available on Windows PC. If you have a Chromebook, you cannot download Office 365 Pro Plus. Click <u>here</u> on how to access Microsoft Office Online on a Chromebook.
