

COMMENCEMENT
2025

The background features a large, faint, circular seal of Saddleback College. The seal contains the college's name 'SADDLEBACK COLLEGE' around the top and 'CALIFORNIA' around the bottom. In the center of the seal is a crest depicting a rising sun, an open book, and a torch. The year '1967' is inscribed at the bottom of the seal.

SADDLEBACK COLLEGE

OUR VISION:

Saddleback College empowers its diverse student body to achieve personal, academic, and economic advancement through equitable and innovative educational experiences.

OUR MISSION:

Inspired by a passion for teaching and learning and a belief in human potential, Saddleback College transforms the lives of its students by offering high-quality, career-building, and life-enriching education.

SADDLEBACK COLLEGE

Saddleback College was founded by area voters on February 14, 1967, coinciding with the establishment of the Saddleback Community College District, now known as the South Orange County Community College District. Saddleback College is one of two separately accredited colleges within the district, which encompasses the southern half of Orange County.

Saddleback College is accredited by the Western Association of Schools and Colleges authorized by the United States Secretary of Education to evaluate universities and colleges in the Southern Pacific region.

Since opening its doors for classes in 1968, Saddleback College has grown rapidly in enrollment to the present size of more than 27,000 students, representing all ages, walks of life, and educational and career aspirations. Many of the college's graduates transfer as juniors to four-year colleges and universities, where they continue to distinguish themselves and often earn higher grade point averages than students who began their studies at those institutions. In addition, the students who graduate from our Career Education programs quickly discover that the state-of-the-art education they received at Saddleback College makes them highly competitive for employment in the job market. We are proud of the level of excellence in our faculty and our academic and career programs, which effectively prepare students for their continuing educational and professional advancement.

As a comprehensive community college, Saddleback College emphasizes student development and leadership as important aspects of its collegiate environment. Thousands of students participate in the college's numerous co-curricular activities that include the championship forensics team, nationally renowned intercollegiate athletic teams, and student government and its many clubs. In addition, students regularly demonstrate their talents in the performing and visual arts as well as in special organizations of a civic or environmental nature.

Saddleback College is proud of the leadership role we have maintained since 1968 in the educational, economic, and cultural life of the communities we serve. To ensure that the standards of excellence and innovations in ideas and technology remain paramount, we have invested heavily in the latest technology. Students are the direct beneficiaries of this investment. Here at Saddleback College, we will continue to utilize technology to successfully educate and train the diverse and dynamic population of South Orange County.

Saddleback College congratulates the graduating class of 2025 and looks forward to many more years of providing excellence in education and training for South Orange County.

ACADEMIC ATTIRE

HISTORY

The commencement ceremony of Saddleback College continues the centuries-old tradition of wearing distinctive, academic dress. This custom dates back to the Middle Ages, when people dressed in accordance with their rank in society and their professions. Since the clergy was the literate class at this time, today's academic costume, which is used at both American and European colleges and universities, derives from these early clerical robes. In the United States, special councils have regulated "The Academic Costume Code" by which college affiliations and educational achievements can be identified.

CAPS AND GOWNS

Undergraduate-level gowns are of various types and colors, although the bachelor's gown is always black and worn closed. The master's gown is black and has long, pointed sleeves. The doctoral gown is normally black with velvet panels on the front and on the sleeves. The master's and doctoral gowns may be worn open or closed. The mortarboard or "Oxford Cap" is also worn, with tassels indicating academic degrees. Certificate recipients wear the mortarboard without the tassel.

HOODS

Graduate-level degrees are most readily identified by distinctive and colorful hoods, the master's hood being 3 1/2 feet long and the doctoral hood being 4 feet long. A smaller, bachelor's hood is rarely worn. The colorful lining of the hood is of silk and depicts the colors of the university or college which conferred the wearer's degree. Master's and doctoral hoods are trimmed in velvet panels of varying widths, and their colors represent different subjects: Arts, Letters, Humanities—white, Business—drab, Education—light blue, Fine Arts—brown, Law—purple, Library Science—lemon, Nursing—apricot, Public Administration—peacock blue, Science—golden yellow, and Theology—scarlet.

You will see these traditions represented in the caps and robes of the stage party and the faculty of Saddleback College who hold graduate degrees from numerous institutions across the country.

GRADUATE ATTIRE

PHI THETA KAPPA INTERNATIONAL HONOR SOCIETY

Graduates donning the gold Phi Theta Kappa stole have achieved academic excellence by maintaining a cumulative GPA of 3.5 or higher and have made a lifelong commitment to the purpose of Phi Theta Kappa, which is to recognize and encourage scholarship among two-year college students.

ALPHA GAMMA SIGMA HONOR SOCIETY

Graduates donning the gold Alpha Gamma Sigma stole have achieved a cumulative GPA of 3.0 or higher. Members of Alpha Gamma Sigma work to recognize, encourage, and foster scholarship and educational attainments among students of the California Community Colleges.

ACADEMIC HONORS AT GRADUATION

In recognition of academic excellence, students are awarded graduation honors as follows:

Summa Cum Laude, 4.0 GPA (gold sash)

Magna Cum Laude, 3.75 to 3.99 GPA (gold honor cord)

Cum Laude, 3.5 to 3.74 GPA (gold tassel on mortarboard)

In order to qualify for honors at graduation, students must have completed 24 semester units of letter-graded work at Saddleback College. Graduation honors are calculated using all academic work completed. This includes all work completed within the South Orange County Community College District and all work for which an official transcript has been received from other accredited institutions.

SADDLEBACK COLLEGE

Students Transferring to Baccalaureate Institutions

Congratulations to the following Saddleback College students who have notified us of their transfer plans.
They represent only a portion of the many students who transfer from Saddleback College
to four-year universities each year.

Students transferring to a four-year institution in Fall 2025
are recognized with a transfer tassel cord (gold, red, and black).

PROFESSORS OF THE YEAR

DR. ANTHONY SZCZUREK **PROFESSOR** **SCHOOL OF HUMANITIES AND SOCIAL SCIENCES**

Dr. Anthony Szczurek, a professor of political science, began teaching at Saddleback College in 2020. His students commend him for exemplifying excellence in teaching by consistently prioritizing their success and well-being above all, and for his lectures and class discussions that are always engaging and foster an environment of critical thinking and active participation.

Professor Szczurek's teaching philosophy is driven by two goals: centering questions in the learning process for his students, and connecting them to different learning opportunities outside the classroom. To achieve this, he teaches students to thoughtfully craft questions that draw on their own experiences and backgrounds, which guides conversations in the classroom about difficult and important political topics. He also enriches the learning experience by connecting students to internships and networking opportunities outside of the classroom and organizes discussions that link topics that are discussed in the classroom to real-world practitioners who work on these issues.

Professor Szczurek earned his Ph.D. in political thought from Virginia Tech, and a Master of Arts degree and a Bachelor of Arts degree – both in psychology – from The New School.

SERGIO REBIA **ASSOCIATE PROFESSOR** **SCHOOL OF ARTS, MEDIA, PERFORMANCE, AND DESIGN**

Sergio Rebia has taught art at Saddleback College since 2009 and is beloved by his students for his approachability and genuine empathy, in addition to his passion for teaching and ability to gently push his students to succeed and realize their potential as artists.

Mr. Rebia earned both a Bachelor of Arts and Master of Arts degree in drawing and painting from the Laguna College of Art and Design. In addition to teaching at Saddleback College, Mr. Rebia has taught classes at CSU Long Beach, Rio Hondo College, and Concordia University.

MARILEE NIELSEN **ASSOCIATE PROFESSOR** **EMERITUS INSTITUTE**

Marilee Nielsen has taught drawing, painting, and jewelry fabrication for over 25 years, inspiring students to embrace new techniques and cultivate a lifelong passion for learning. She has taught art in the Emeritus Institute for 10 years and is praised by her students for her contagious enthusiasm and commitment to their personal growth.

As an artist, Ms. Nielsen's work is currently displayed in several galleries. She holds two Bachelor's Degrees – one in landscape design and one in art – and a teaching credential in education with an emphasis on digital technology.

HEDYEH AFSHAR

Hedyeh Afshar is a first-generation college student who was born and raised in Iran. Inspired by her mother's unfulfilled dream of becoming a judge due to gender-discriminatory laws, Hedyeh developed a passion for law, human rights, and women's rights from an early age and decided to move to the United States to pursue her dream of equality.

Despite facing significant challenges as an immigrant, Hedyeh remained committed to her goals. She found a supportive community at Saddleback College, which helped her grow both academically and personally. Hedyeh double majored in political science and social and behavioral sciences and is graduating *cum laude*. She is transferring to the University of California, Irvine.

As she continues her academic and professional path toward becoming an attorney, Hedyeh strives for personal excellence and to make a meaningful impact in her community by advocating for those facing injustice. A proud mother and wife, she hopes to set an example of resilience and empowerment for her son and all those around her.

TAYLOR HANSEN

Taylor Cammille Hansen is an artsy-type, theater-loving, beach-going, involvement-chasing optimist with a passion for scholarship and service. After restarting her college journey close to home, Taylor is incredibly excited to be graduating from Saddleback College with her Associate Degree for Transfer in psychology, all while maintaining a 3.9 GPA. Being a full-time student and full-time receptionist at a local dental office, she's proof that hard work and a sense of humor are not mutually exclusive. Taylor plans to continue her studies at CSU Fullerton, where she will earn her bachelor's degree in psychology with a focus on industrial/organizational applications, and also hopes to pick up a second major or minor in communications or musical theatre.

During her time at Saddleback, Taylor served as Vice President of the Psychology Club, was inducted into Psi Beta, NSLS, and Phi Theta Kappa Honor Societies, made the Dean's List every semester, and performed in the fall musical, *Company*, with the musical theatre department. But to her, there is no greater accomplishment than making people smile and laugh. She is a strong believer that the lessons learned on her Saddleback journey have cultivated the person she is proud to be today. She can't wait to dive into new opportunities at CSUF, and wherever life takes her next, she's ready to bring her ambition, creativity, and endless optimism with her.

"It's very hard to have ideas. It's very hard to put yourself out there, it's very hard to be vulnerable, but those people who do that are the dreamers, the thinkers and the creators. They are the magic people of the world ... You have to be where you are to get where you need to go." ~ Amy Poehler, *Yes Please*

JAMES “JC” SELBY

James Selby, known by many as JC, immigrated to the United States from Lima, Peru in 2017. A first-generation college student, JC arrived with a dream of becoming a professional dancer. After years of working in supermarkets, fast food, and caregiving, he found his opportunity at Saddleback College. In July 2020, thanks to the encouragement of Counselor Angel Torres, he began his academic journey. Now at 40 years old, JC has proven that it's never too late to pursue a passion. With the encouragement of Professor Deidre Cavazzi, he discovered a love for choreography during her class in Fall 2022. Deidre also supported JC beyond the studio, reminding him that dance embraces every body and every stage of life. He performed in eight Saddleback productions—including choreographing one original piece—with his most recent performances taking place in April 2025. He also credits his mentor and current Dance Chair, Steve Rosa, for helping shape his growth as a dancer and artist.

In Spring 2023, JC proudly represented Saddleback College at the American College Dance Association Festival, expanding his artistic experience. That same year, he became a U.S. citizen. Beyond the stage, JC worked on the social media site for the dance department through the Federal Work Study program, helping to amplify messages of inclusion, diversity, and community. Graduating with an Associate of Arts degree in dance and three additional certificates, JC plans to transfer this fall to a University of California campus to pursue a bachelor's degree in dance. His journey embodies Saddleback's spirit of “Welcome to Opportunity,” and he hopes his story inspires others to believe that it is never too late to follow a dream.
