SADDLEBACK COLLEGE

57TH COMMENCEMENT

MAY 21, 2026

5:30 P.M.

1967

SADDLEBACK COLLEGE

OUR VISION:

Saddleback College empowers its diverse student body to achieve personal, academic, and economic advancement through equitable and innovative educational experiences.

OUR MISSION:

Inspired by a passion for teaching and learning and a belief in human potential, Saddleback College transforms the lives of its students by offering high-quality, career-building, and life-enriching education.

SADDLEBACK COLLEGE

Saddleback College was founded by area voters on February 14, 1967, coinciding with the establishment of the Saddleback Community College District, now known as the South Orange County Community College District. Saddleback College is one of two separately accredited colleges within the district, which encompasses the southern half of Orange County.

Saddleback College is accredited by the Western Association of Schools and Colleges authorized by the United States Secretary of Education to evaluate universities and colleges in the Southern Pacific region.

Since opening its doors for classes in 1968, Saddleback College has grown rapidly in enrollment to the present size of more than 27,000 students, representing all ages, walks of life, and educational and career aspirations. Many of the college's graduates transfer as juniors to four-year colleges and universities, where they continue to distinguish themselves and often earn higher grade point averages than students who began their studies at those institutions. In addition, the students who graduate from our Career Education programs quickly discover that the state-of-the-art education they received at Saddleback College makes them highly competitive for employment in the job market. We are proud of the level of excellence in our faculty and our academic and career programs, which effectively prepare students for their continuing educational and professional advancement.

As a comprehensive community college, Saddleback College emphasizes student development and leadership as important aspects of its collegiate environment. Thousands of students participate in the college's numerous co-curricular activities that include the championship forensics team, nationally renowned intercollegiate athletic teams, and student government and its many clubs. In addition, students regularly demonstrate their talents in the performing and visual arts as well as in special organizations of a civic or environmental nature.

Saddleback College is proud of the leadership role we have maintained since 1968 in the educational, economic, and cultural life of the communities we serve. To ensure that the standards of excellence and innovations in ideas and technology remain paramount, we have invested heavily in the latest technology. Students are the direct beneficiaries of this investment. Here at Saddleback College, we will continue to utilize technology to successfully educate and train the diverse and dynamic population of South Orange County.

Saddleback College congratulates the graduating class of 2026 and looks forward to many more years of providing excellence in education and training for South Orange County.

SADDLEBACK COLLEGE

COMMENCEMENT PROGRAM

Processional *“Pomp and Circumstance” (Military March, Opus 39, No. 1)*
by Sir Edward Elgar
Arranged by John Whitney

Performed by the Saddleback Symphony Orchestra
Directed by Dr. Yorgos Kouritas, School of Arts, Media, Performance and Design

Presentation of the Class of 2026 **Frank Gonzalez**
President Elect, Academic Senate

Acceptance of the Class of 2026 **Dr. Elliot Stern**
President, Saddleback College

Conferral of Degrees and Certificates **Ryan Dack**
Vice President, South Orange County Community College District Board of Trustees

Dr. Elliot Stern
President, Saddleback College

Closing **Dr. Elliot Stern**
President, Saddleback College

Recessional

ACADEMIC ATTIRE

HISTORY

The commencement ceremony of Saddleback College continues the centuries-old tradition of wearing distinctive, academic dress. This custom dates back to the Middle Ages, when people dressed in accordance with their rank in society and their professions. Since the clergy was the literate class at this time, today's academic costume, which is used at both American and European colleges and universities, derives from these early clerical robes. In the United States, special councils have regulated "The Academic Costume Code" by which college affiliations and educational achievements can be identified.

CAPS AND GOWNS

Undergraduate-level gowns are of various types and colors, although the bachelor's gown is always black and worn closed. The master's gown is black and has long, pointed sleeves. The doctoral gown is normally black with velvet panels on the front and on the sleeves. The master's and doctoral gowns may be worn open or closed. The mortarboard or "Oxford Cap" is also worn, with tassels indicating academic degrees. Certificate recipients wear the mortarboard without the tassel.

HOODS

Graduate-level degrees are most readily identified by distinctive and colorful hoods, the master's hood being 3 1/2 feet long and the doctoral hood being 4 feet long. A smaller, bachelor's hood is rarely worn. The colorful lining of the hood is of silk and depicts the colors of the university or college which conferred the wearer's degree. Master's and doctoral hoods are trimmed in velvet panels of varying widths, and their colors represent different subjects: Arts, Letters, Humanities—white, Business—drab, Education—light blue, Fine Arts—brown, Law—purple, Library Science—lemon, Nursing—apricot, Public Administration—peacock blue, Science—golden yellow, and Theology—scarlet.

You will see these traditions represented in the caps and robes of the stage party and the faculty of Saddleback College who hold graduate degrees from numerous institutions across the country.

GRADUATE ATTIRE

PHI THETA KAPPA INTERNATIONAL HONOR SOCIETY

Graduates donning the gold Phi Theta Kappa stole have achieved academic excellence by maintaining a cumulative GPA of 3.5 or higher and have made a lifelong commitment to the purpose of Phi Theta Kappa, which is to recognize and encourage scholarship among two-year college students.

ALPHA GAMMA SIGMA HONOR SOCIETY

Graduates donning the gold Alpha Gamma Sigma stole have achieved a cumulative GPA of 3.0 or higher. Members of Alpha Gamma Sigma work to recognize, encourage, and foster scholarship and educational attainments among students of the California Community Colleges.

ACADEMIC HONORS AT GRADUATION

In recognition of academic excellence, students are awarded graduation honors as follows:

Summa Cum Laude, 4.0 GPA (gold sash)

Magna Cum Laude, 3.75 to 3.99 GPA (gold honor cord)

Cum Laude, 3.5 to 3.74 GPA (gold tassel on mortarboard)

In order to qualify for honors at graduation, students must have completed 24 semester units of letter-graded work at Saddleback College. Graduation honors are calculated using all academic work completed. This includes all work completed within the South Orange County Community College District and all work for which an official transcript has been received from other accredited institutions.

SADDLEBACK COLLEGE

Students Transferring to Baccalaureate Institutions

Congratulations to the following Saddleback College students who have notified us of their transfer plans. They represent only a portion of the many students who transfer from Saddleback College to four-year universities each year.

Students transferring to a four-year institution in Fall 2026 are recognized with a transfer tassel cord (gold, red, and black).

Ella Rose Adams, <i>CSU Long Beach</i>	Emmeline M Carlisle-Besseling, <i>CSU Fullerton</i>
Naomi Sue Ahmed, <i>CSU Long Beach</i>	Mariana J Romero Carreon, <i>CSU Long Beach</i>

Daniel Predoehl, Ed.D. *Assistant Dean, Extended Learning
and Director, Emeritus Institute*

PROFESSORS OF THE YEAR

TAYLOR BROOKS PROFESSOR AUTOMOTIVE TECHNOLOGY

Taylor Brooks' journey at Saddleback College is a full-circle story of dedication and professional excellence. An alumnus of the college, Professor Brooks earned his Associate in Science degree in automotive technology in 2008 before embarking on an impressive career in the automotive industry. He returned to Saddleback in 2014, eventually becoming a full-time faculty member and serving as the automotive technology department chair for the past six years.

With over 19 years of experience as a technician, including his current role as a shop foreman, Professor Brooks bridges the gap between academic theory and real-world application. His teaching philosophy centers on hands-on learning, where he ensures students can visualize complex diagnostic and repair techniques by utilizing advanced technology such as lab camera systems for live demonstrations. Students describe him as a "great mentor" who "genuinely has our best interests at heart," noting his willingness to go above and beyond to help them reach their graduation and career goals.

Beyond the classroom, he is a tireless advocate for his students' careers, leveraging industry partnerships to provide apprenticeship opportunities and professional-grade equipment at educational rates, ensuring students are job-ready without the burden of high startup costs. Professor Brooks holds numerous industry certifications, including ASE Master Certified Technician and Chrysler Master Technician. In addition to his leadership at Saddleback College, he is a recognized academic content creator on YouTube and has developed nine separate automotive courses and eight new certificates for the college.

DR. FARIBA BOLOURIEH ASSOCIATE PROFESSOR ENGLISH AS A SECOND LANGUAGE

For Dr. Fariba Bolourieh, teaching English as a Second Language is not merely an academic exercise, but a transformative tool for civic engagement and personal empowerment. A graduate of the Educational Leadership Doctorate program at California State University, Fullerton, Dr. Bolourieh brings a globalized perspective to Saddleback College, where she focuses on uplifting subordinate groups and fostering "beings for themselves." Her teaching philosophy is deeply rooted in the belief that language learning increases a student's understanding of their civic rights and responsibilities, ultimately helping them become active, confident global citizens.

In the classroom, Dr. Bolourieh is known for her exceptional patience and her ability to bridge the gap between language acquisition and real-world application. She integrates project-based learning, including navigating workplace scenarios and daily community interactions, to help her students achieve financial independence and social integration. Her students describe her as a "remarkably kind and dedicated" mentor who creates a safe, family-like environment where diverse learners feel empowered to participate without fear. By celebrating the cultural heritage of her students alongside American traditions, she fosters a profound sense of belonging that extends far beyond the syllabus.

In addition to her work at Saddleback, Dr. Bolourieh has a distinguished background in educational leadership and program development. She is fluent in English and Farsi, with a working knowledge of Spanish, French, and Arabic, allowing her to connect deeply with the diverse adult learner population she serves. She remains a tireless advocate for her students, often encouraging them to see education as a lifelong journey toward self-actualization and community contribution.

PROFESSORS OF THE YEAR

JOHN HUNTINGTON ASSOCIATE PROFESSOR EMERITUS INSTITUTE

John Huntington brings over 50 years of professional expertise and a lifelong passion for the human voice to the Saddleback College Emeritus Institute. As an award-winning director, actor, and singer, Professor Huntington uses his vast experience in musical theatre and opera to lead the Saddleback Emeritus Chorale and teach reader's theater. He is known for his ability to revitalize classic works and champion new compositions, ensuring that his students remain connected to the evolving world of performing arts. In his Emeritus courses, Professor Huntington is celebrated for his "unwavering patience" and his ability to make complex musical concepts accessible to everyone. He creates a supportive and lively atmosphere where students feel comfortable exploring their vocal gifts regardless of their prior experience. Students frequently highlight his great sense of humor and his animated teaching style, noting that he makes every class session both educational and genuinely fun. By encouraging active participation and hands-on experience, he helps his students build confidence and find a renewed love for singing and performance.

Professor Huntington's commitment to his students extends to their overall well-being and sense of community. His classes offer a vital space for social connection and mental uplift, providing what many students describe as a "comforting and engaging" environment. Through his dedication to lifelong learning, he ensures that every member of his ensemble feels seen, heard, and valued as a contributing artist.

STUDENT SPEAKERS

MICHELLE ASAY

Michelle was born and raised in Southern California and has been a Mission Viejo resident for most of her life. Being dyslexic, she struggled in school until she met a resource specialist teacher who understood her academic struggles. This teacher inspired her to want to become a special education teacher to help others with similar disabilities. She graduated from Trabuco Hills High School in 1993, and after graduating, she started at Saddleback College. Struggling academically with college life, she dropped out in 1996 to work full-time until 2005 when she started having a family.

Ten years ago, she started working in the Saddleback Valley Unified School District as a paraeducator, where she works one-on-one with special needs children. Loving this work and the children she works with inspired her to go back to school to pursue her dream of becoming a special education teacher. In the fall of 2024, at the age of 49 and with encouragement from her family, she returned to Saddleback College where she has been on the Dean's List every semester.

Michelle is graduating with an Associate in Arts degree in child and adolescent development. She will be attending California State University, Fullerton in the fall of 2026 with the goal of obtaining a Bachelor of Arts degree in either urban learning or child and adolescent studies. After achieving her bachelor's degree, she plans to pursue her teaching credentials in special education.

STUDENT SPEAKERS

CONNIE CHENG

Connie Cheng is a Chinese-American born and raised in Southern California with immigrant parents. At a young age, she learned speech and debate, participating in statewide competitions and developing a love for public speaking. Playing soccer from age 8 to 18, she learned about teamwork, perseverance, and leadership, especially once becoming captain of her team. These traits were put to the test in her sophomore year of high school after being diagnosed with traumatic brain injury due to concussions from the sport. It took her years to relearn life skills and adapt to new cognitive functions before being able to graduate high school and start college.

Once at Saddleback, through her tenacity, she will be graduating *summa cum laude* with a 4.0 GPA. On campus, she founded and became president of the Asian-American Pacific Islander Plus club, stepped in as President for the Active Minds club, worked as an HR and events officer within Associated Student Government, and also held a role on the school newspaper as editor-in-chief in her journey. Through this, she has discovered a passion for speaking up for others as well as leadership. She dreams of a job that would allow her to travel one day. Connie is on the path to transfer to Syracuse University as a dual-enrollment major in public relations within the S.I. Newhouse School of Public Communications and Management within the Martin J. Whitman School of Management.

CHEWE MULENGA

Chewe Mulenga is an international student majoring in economics at Saddleback College. Throughout her time at Saddleback, Chewe balanced academic responsibilities with campus employment as a student worker for the MESA program while remaining actively involved in student leadership. She served as the officer of events for the International and Diversity Student Council of the Associated Student Government, where she helped plan and support initiatives that celebrate cultural diversity, inclusion, and student engagement.

Studying economics strengthened Chewe's interest in understanding global systems, decision-making, and how economic principles shape communities across borders. Through leadership and service, she developed strong organizational skills, resilience, and a deep appreciation for the opportunities community colleges provide to students from all backgrounds. Chewe is honored to represent the Class of 2026 at commencement and will continue her academic journey at California State University, Long Beach, where she plans to further pursue her studies in economics.

SADDLEBACK COLLEGE

OUR VALUES:

Community

We strive to develop strong and lasting strategic partnerships across the college and with the surrounding community.

Empowerment

We empower students through challenging, collaborative, and engaging educational experiences.

Equity

We place our highest priority on removing systemic barriers to ensure students achieve their academic and career goals, and to meet their full potential.

Excellence

We dedicate ourselves to excellence in academics, student support, and service to the community.

Inclusivity

We create a welcoming environment in which all members of our college community have equitable access, opportunities and feel capable, nurtured, and respected.

Innovation

We embrace human-centered creativity, technological advancements, and continuous improvement to meet the evolving needs of our students and community.

Student-Centered

We place students at the heart of everything we do, ensuring that their needs, aspirations, and voices shape our policies, practices, and programs.

Sustainability

We promote environmental sustainability and use our resources responsibly.

THANKS TO THE COMMENCEMENT PLANNING TEAM WITH SPECIAL THANKS TO
