University of California (UC) Transfer Admission Guarantee (TAG)

As a reminder, the six TAG campuses are UC Davis, UC Irvine, UC Merced, UC Riverside, UC Santa Barbara, and UC Santa Cruz. ***Students who submit a TAG by the September 30th deadline must also file a UC application for undergraduate admission by November 30th.***

Six UC campuses offer guaranteed admission to California community college students who meet specific requirements. By participating in a Transfer Admission Guarantee (TAG) program, students receive early review of their academic records, early admission notification, and specific guidance about major preparation and general education coursework.

You can only submit a TAG application to one of the six participating UC campuses. However, you can apply for admission to as many UC campuses as you wish.
