ABC-CLIO History Reference Online provides history students with authoritative reference information resources and helps develop a deeper understanding of history's major themes and lessons.

Credo Reference is a full-text online reference service. Including over three million entries from hundreds of well-regarded reference titles from some of world's the best-known publishers, Credo's collection is intelligently integrated with millions of cross-references and contains dictionaries, bilingual dictionaries, thesauri, encyclopedias, quotations and atlases.

Credo Reference

Gale Virtual Reference Library is a database of encyclopedias and specialized reference sources for multidisciplinary research. Browse or search for topics in an individual e-book, search subject sub-sets of e-books, or search through all of the books for a multidisciplinary perspective.

Gale Virtual Reference Library

The Oxford English Dictionary:

- provides authoritative definitions of over 500,000 words
- traces the usage of words from their first recorded occurrence to the modern period through 2.5 million quotations from a wide range of international language sources
- offers the best in etymological analysis and detailed listings of variant spellings
- uses the International Phonetic Alphabet to show pronunciation

Oxford English Dictionary

"Salem Health brings online access to Salem Press's award-winning health reference works. The first reference set included is Salem Press's bestselling Magill's Medical Guide. In its printed form, the current edition of the Guide has grown to five volumes and 3,500 pages. Even better, the purchase of the printed set entitles a school or library to free online access to the Medical Guide's content through 12/31/10."

Salem History is a robust online database that includes the complete content of many printed reference sets.

Accredited by the Accrediting Commission of Community and Junior Colleges, of the Western Association of Schools and Colleges.
