Saddleback College is one of the premier community colleges in California and the United States. We are located in beautiful Southern California and only a few miles away from the sandy beaches of the Pacific Ocean. Saddleback College is a two-year, postsecondary institution of higher education fully accredited by the Western Association of Schools and Colleges (WASC).

The College is known for its well equipped, high-tech learning centers and laboratories, challenging academic curricula, strong student support services and high transfer rates to prestigious universities, like UC Irvine Berkeley, Los Angeles, and San Diego, University of Southern California, and other premier institutions of higher education.

Southern California is known for its spectacular weather, friendly people and breathtaking geography. The campus is on a magnificent 200-acre hillside near the Pacific Ocean and San Bernardino mountains; a beautifully scenic location that offers a wide variety of outdoor activities.
