In addition, on their own initiative or in response to questions posted by the public, a member of a legislative body or its staff may ask a question for clarification....” Please contact the Academic Senate Office @ 949-582-4969 if you require an accessibility-related modification or accommodation in order to participate in this public meeting.

Gavin Newsome, Executive Order 25-20:
"Notwithstanding any other provision of state or local law, including the Bagley-Keene Act or the Brown Act, a local legislative body or state body is authorized to hold public meetings via teleconferencing and to make public
meetings accessible telephonically or otherwise electronically to all members of the public seeking to attend and to address the local legislative body or state body, during the period in which state or local public officials impose or recommend measures to promote social distancing, including but not limited to limitations on public events. All requirements in both the Bagley-Keene Act and the Brown Act expressly or impliedly requiring the physical presence of members, the clerk or other personnel of the body, or of the public as a condition of participation in or quorum for a public meeting are hereby waived."
