ASG and ICC Mission

2012-2013
ASG Mission

- This year’s ASG mission is to help ICC and Clubs as much as possible with assisting with Club-Rushes and club events.

  - We want clubs to be able to communicate regularly with ASG’s branches. Events Cabinet, for example, is going to participate more with clubs, and clubs can use resources available to the entire to attract more members.

  - Any club can use the Art/Supply Room for their posters and activities, so PLEASE DO NOT BE SHY.
ICC Mission

宦 This year ICC wants to help clubs to have fun and themed Club-Rushes as much as possible to entice more students to participate.

宦 Each month ICC is going to have a club mixer so clubs can get together and be informed about all of the upcoming events for clubs and Events Cabinet.
