ICC Fundraising Plan

2012-2013 Academic Year
First Step

Each club needs to decide what items they want to sell in the next Club Rush, 2 weeks in advance.

The value of the item should be $40 or less, so pick them carefully.
In addition the Club needs to fill out a Fundraising Plan Application in the Student Development Office.

Prior to the visit clubs who are attending the Club Rush have to take the “How to Use Club Money” workshop.
Meanwhile...

Make a 10 min appointment with Erin Long in the Student Development Office at least a day before Club Rush, to learn how to use the receipt book.
Finally!

ICC will order the items for the intended Club Rush, Clubs will sell the items at the event to make a profit.
Also,

This $1000 goes towards the items that are ordered by the clubs for each Club Rush, it is also an opportunity for ICC to make eye-catching themed Club Rushes by providing decorations. ICC is planning to publicize the event by making flyers and posters for the event. This money also goes towards the ICC Club Mixers.
The priority is to give each club $40 to spend in each Club Rush.

If there is anything left, it will go toward:

1. Decorations for Club Rushes
2. Flyers and Posters
3. Club Mixers
