

## LESSON 1: STUDENTS CREATE AN OPEN CCC ACCOUNT

---

Time: 10 minutes

Materials:

- Computer
- Internet
- STEP by STEP Application Guide

Goal: Students create (or login to) an OpenCCC Account

Tips:

- Ensure students have completed their Student Checklist to ensure this process goes smoothly.
- It is critical the students access this page through the Saddleback website. It will automatically take students to the Saddleback application once their account is created.
- The current address **MUST** be a California address otherwise the student will be charged non-resident tuition fee.
