

TEACHER MODULE

The teacher module is designed to support the teacher in a step by step manner and guide you throughout the entire CATEMA process. We did our best to provide all the relevant information and tools to help you succeed in a STEP by STEP manner. After completing a training with a Saddleback College representative, the following documents will guide you through the entire process from the beginning of the school year to the end of the school year.

You find the following documents in this section:

- Teacher FAQ
- CATEMA Process for Teachers (illustration)
- Teacher Checklist (timeline)
- CATEMA Processes
 - Module 1: How to Create an Account
 - Module 2: How to Create Classes
 - Module 3: How to Accept Students
 - Module 4: How to Enter Grades
