The Tuesday FYI
Date: January 26, 2016

Are you applying for UCLA or UC Irvine for Fall 2016? You need a special Transfer Center appointment for this.

- By February 5th for UCI Honors-to-Honors
- By February 19th for regular UCI honors transfer
- By February 26th for UCLA TAP

These deadlines are non-negotiable. The UC system isn't flexible. As we announced last fall, the Transfer Center opened early, before the semester even started, to help with this. Nevertheless, it is your responsibility to make sure you get a Transfer Center appointment. Call Wednesday mornings (949) 582-4328 or be there at SSC 225.
Bay Honors Symposium

This symposium, which will be held at UC Berkeley on May 7th, has a different procedure for submissions. For this conference, students submit directly to the symposium website. It is still a requirement that a faculty mentor approve the submission.

You can find it here.

The deadline to submit presentation proposals is February 14, 2016.

HOWEVER. . . .

If you want funding or help with transportation or lodging, you have to let us know immediately about your submission. "Immediately" means that once you submit to BHS, you send a copy to arosenberg@saddleback.edu.

OF COURSE. . . .

We're here to help you with your submissions! If you want us to look at your draft, just let us know.

Please note: This is a smaller conference than HTCC, so the acceptance rate is lower, on average 30% to 40% -- so be at your best!
