It's a busy season for the Honors Program Office. Some of the things keeping us busy may apply to you, so keep informed and up-to-date:

- Transfer Paperwork
  - UCI
  - UCLA

- HTCC Conference Work
  - rehearsals
  - scholarship apps
  - funding paperwork
  - moderator apps

- BHC Symposium Work
  - rehearsals
  - funding paperwork
  - travel arrangements

If you're involved in any of these -- or want to be -- keep an eye on your email!

Please do not unsubscribe if you're a current student or faculty member in the Honors Program, and please do you read this every week. It is our official notice to you of things you may need to know in order to be successful as an Honors Program student.

**HTCC Conference Awards & Scholarships**

**HTCC Deadlines:**

- **Volunteer Opportunities**: Volunteering at the conference is a great way to find out all about conferences firsthand before you're ready to present on your own. The deadline to apply to be a moderator (each college may send 10) is **February 23rd**. More information is available [here](#). Submit your application at the [Honors Submittable Site](#). (P.S.: Service credit, anyone?)
- **Exemplary Achievement Scholarship Application** (for details see January 26th newsletter): To the Honors Program Office by **February 23rd**. More information on the HTCC's [page](#) and of course on our own [page](#) about the conference. This scholarship application cannot be sent directly to HTCC; it must go through the Honors Program Office, since only two students from each participating college may be nominated.

- **Outstanding Abstract Award Application** for oral presenters only (poster presentations are judged on the day of the conference). This requires a separate 400-word abstract expanding on the 250-word abstract that was accepted for the conference. This may be sent directly to HTCC, but this is a highly competitive award. Work with your mentor to create the best abstract possible. Information on the award is available at [HTCC](#) as well as on our own [page](#). (Also, see *Abstracts 101* for assistance.) Deadline is **March 1st**.

Please email the Honors Office with a list of those schools. If they're our partners, we can help!

We don't know who these people are. Aren't stock photos wonderful? Looks like UCLA, though.
