The Monday FYI will now be issued Monday at noon instead of in the early morning.

This allows us to check for last-minute announcements from the Saddleback College Public Information and Marketing Office as well as last-minute emails that contain information we want you to have right away.

We really weren’t getting up at dawn to send this out anyway; this was all drafted on Fridays or over the weekend and then sent out early Monday. This gave us a wonderful aura of industriousness, but it has been keeping us from passing on all the information we really wanted to.

Please do not unsubscribe if you are a current student or faculty member in the Honors Program, and please do read this every week. It is our official notice to you of things you may need to know in order to be successful as an Honors Program student. We promise to be as concise as we can, and in that spirit we’ll stop here.
