Dear Reader,

You don't need to take Humanities 10A and 10B to finish the Honors Program.

ANY TWO Honors Humanities courses, taken in ANY ORDER will do.

You do not have to take 10A before 10B.

Humanities 30BH and 30CH fulfill the requirement too.
The number doesn't matter. If it says "Culture, Science, Society" it's OK.

ANY TWO, in ANY ORDER.

Sorry for the florescent large text. It's just that we've had LOTS of interactions with students who don't know this, and it's affecting how they're registering. Specifically: HUM 10A is full -- but that's OK! Take another one!
