Dear Reader,

If you don't have classes in FA or SM and haven't come by the office recently, you may have missed seeing how the front of our office doesn't look quite the same as it used to. We may have to change our banner picture; wonder has come upon us.

New Class Times Collegewide: Spring '16

This is just a heads-up for those of you who have jobs or other responsibilities you must schedule around your classes. It is extremely likely that Spring 2016 will see some significant changes in the times that classes -- all classes, not just Honors classes -- are scheduled.

This is all being done in hopes of making the best use of the limited classroom space available.

Probable changes include, but are not limited to:

- No 7:30AM class time.
- Most AM times back one hour (e.g., 9:00 to 8:00).
- No three-hour blocks before 2:30 PM.

The schedule is still being constructed. When it comes online -- and we will let you know when that happens -- look at it right away to see whether there are adjustments you'll have to make in your schedule.
